Disclaimer

By reviewing/attending this presentation you agree to be bound by the following conditions.

The directors of BHP Billiton Limited and BHP Billiton Plc ("BHP Billiton") accept responsibility for the information contained in this presentation. If, in such is the case, the information contained in this presentation is, to the best of the knowledge and belief of the directors of BHP Billiton, not likely to affect its import.

Subject to the above, neither BHP Billiton nor any of its directors, officers, employees or advisers nor any other person makes

accordingly no reliance should be placed on, the fairness, accuracy or completeness of the information contained in the present law, neither BHP Billiton nor any of its directors, officers, employees or advisers nor any other person shall have any liability arising, directly or indirectly, from any use of this information or its contents or otherwise arising in connection therewith. Information based on public information which has not been independently verified.

This presentation is for information purposes only and does not constitute or form part of any offer for sale or issue of any securities, nor shall it or any part of it be relied on in connection with, any contract or investment decision, nor does it constitute or approval in any jurisdiction, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale of securities laws of any such jurisdiction (or under an exemption from such requirements). No offering of securities shall be made under the US Securities Act of 1933, as amended, or an exemption therefrom. Neither this presentation nor any copy of it may be taken into effect in Japan or Malaysia. The distribution of this document in other jurisdictions may be restricted by law and persons into whose jurisdiction it is taken and observe, any such restrictions.

This presentation is directed only at persons who (i) are persons falling within Article 49(2)(a) to (d) ("high net worth companies") under the Financial Markets Act 2000 (Financial Promotion) Order 2005 (as amended) (the "Order") or (ii) have professional experience in matters relating to securities (iii) are outside the United Kingdom (all such persons being referred to as "relevant persons"). This presentation must not be a prospectus. Certain statements in this presentation are forward-looking statements (including statements regarding contribution synergies, production volumes, future production volumes, increases in production and infrastructure capacity, the identification of additional mineral Reserves, and statements typically containing words such as "intends," "expects," "anticipates," "targets," "plans," "estimates" and words of similar import) and beliefs and numerous assumptions regarding BHP Billiton's present and future business strategies and the environments in which such assumptions, expectations and beliefs may or may not prove to be correct and by their nature, are subject to a number of risks. Actual results, performance and achievements to differ materially.

Factors that could cause actual results or performance to differ materially from those expressed or implied in the forward-looking statements include: the ability to successfully combine the businesses of BHP Billiton and Rio Tinto and to realise expected synergies from that combination, the satisfaction of any conditions to any proposed transaction, including the receipt of required regulatory and anti-trust approvals, the successful completion of any transaction, and the risk factors discussed in BHP Billiton's and Rio Tinto's filings with the U.S. Securities and Exchange Commission (Reports on Form 20-F for the most recent fiscal years) which are available at the SEC's website (<http://www.sec.gov>). Save as required by the London Stock Exchange, the UK Takeover Panel, or the listing rules of ASX Limited, BHP Billiton undertakes no duty to update

Slide 3

Disclaimer
(continued)

No statement concerning expected cost savings, revenue benefits (and resulting incremental EBITDA) and EPS accretion in the earnings per share of the enlarged BHP Billiton group for current and future financial years will necessarily match or exceed the actual estimated cost savings and revenue benefits (and resulting EBITDA enhancement) may be materially greater or less. References in this presentation to \$ are to United States dollars unless otherwise specified.

In connection with the offer and sale of securities BHP Billiton would issue to Rio Tinto plc US shareholders and Rio Tinto plc Statement on Form F-4 (the Registration Statement), which contains a preliminary prospectus (the Prospectus), and will communication is not a substitute for the Registration Statement or the Prospectus that BHP Billiton has filed, or any amendments with the SEC.

U.S. INVESTORS AND U.S. HOLDERS OF RIO TINTO PLC SECURITIES AND ALL HOLDERS OF RIO TINTO PLC AND THE PROSPECTUS AND ANY OTHER DOCUMENTS MADE AVAILABLE TO THEM AND/OR FILED WITH THE SEC AND AMENDMENTS AND SUPPLEMENTS TO THOSE DOCUMENTS, WHEN THEY BECOME AVAILABLE BECAUSE T

Investors and security holders are able to obtain a free copy of the Registration Statement and the Prospectus as well as other re (http://www.sec.gov). Copies of such documents may also be obtained from BHP Billiton without charge.

BHP Billiton Limited is not required to, and does not plan to, prepare and file with the SEC a registration statement in respect of shareholders should carefully consider the following:

The Rio Tinto Limited Offer will be an exchange offer made for the securities of a foreign company. Such offer is subject to disclosure of those of the United States. Financial statements included in the document will be prepared in accordance with foreign accounting statements of United States companies.

It may be difficult for you to enforce your rights and any claim you may have arising under the U.S. federal securities laws, since some of their officers and directors may be residents of foreign countries. You may not be able to sue a foreign company or its officers under the securities laws. It may be difficult to compel a foreign company and its affiliates to subject themselves to a U.S. court's judgment. You should be aware that BHP Billiton may purchase securities of either Rio Tinto plc or Rio Tinto Limited otherwise than through negotiated purchases.

BHP Billiton / Rio Combination

Global Situation

Slide 22
Summary
Our Expectations

Financial market volatility and economic uncertainty to continue in the short-term

China, India and other developing economies to continue to drive demand for commodities in the long-term

Our diversified portfolio of low cost, high quality assets places us at a competitive advantage

Our balance sheet and strong cash flow are a significant advantage

Future production growth is strong

BHP Billiton is working towards completing the regulatory review process for the Rio Tinto offer by around the end of 2008

We believe our offer is compelling for Rio Tinto shareholders, and value enhancing for BHP Billiton shareholders
