Establishment of 2009 Annual Cash Incentive Award Opportunities

At a meeting of the Compensation Committee of the Board of Directors of Louisiana-Pacific Corporation ( LP ) held on February 12, 2009, the Compensation Committee established 2009 annual target cash incentive award opportunities under the Louisiana-Pacific Corporation Annual Cash Incentive Award Plan. The award opportunities are subject to the achievement of a combination of corporate performance and individual performance goals. The award opportunities for LP s executive officers are as follows: Mr. Frost, 75% of base salary, or \$630,000; Mr. Stevens, 55% of base salary, or \$260,000; Mr. Olszewski, 55% of base salary, or \$206,000; and Mr. Wagner, 55% of base salary, or \$182,000.

The performance goals for each executive officer are based 50% on LP s corporate performance as measured by available cash balance (as defined by the committee) as of December 31, 2009 and 50% on objective individual goals unique to each of them. Depending upon the extent to which performance goals are determined to have been met, the actual amount paid as a cash incentive award could range from 0% to 150% of the target amount relating to corporate performance and from 0% to 150% of the target amount relating to individual performance. No award will be greater than 150% of the total opportunity. The applicability of specified potential adjustments to reported available cash for computational purposes, and the satisfaction of corporate and individual performance goals, will be determined by the Compensation Committee following the end of 2009. Cash payments, if any, will be made as soon as practicable after the determination of the amount of the awards.

The business criteria on which individual performance goals are based include financial, strategic and other goals related to the performance of LP (in the case of Mr. Frost), specified business units (in the cases of Messrs. Olszewski and Wagner) or specified functional areas (in the case of Mr. Stevens) for which an executive has responsibility and goals related to success in developing and implementing particular tasks assigned to an individual executive. These goals, therefore, vary depending upon the responsibilities of individual executives. Goals for one or more of LP s executive officers include goals related to cash preservation, strategic planning and execution, acquisition and disposition of specified assets, success in developing and implementing particular management plans or systems, leadership, succession planning, relationships with specified constituencies and other specified goals.
