ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

Underwriting Agreement, Notes and Indenture

On March 13, 2009, Environmental Power Corporation (the Company) completed a registered underwritten public offering of \$5 million aggregate principal amount of its 14% Convertible Notes due January 1, 2014 (the Notes), pursuant to an Underwriting Agreement (the Underwriting Agreement), dated March 10, 2009, between the Company and B.C. Ziegler & Company d/b/a Ziegler Capital Markets (the Underwriter).

The sale of the Notes was made pursuant to the Company's Registration Statement on Form S-3 ((File No. 333-152807) (the Registration Statement), including a prospectus supplement dated March 10, 2009 (the Prospectus Supplement) to the prospectus contained therein dated October 17, 2008, filed by the Company with the Securities and Exchange Commission (the SEC), pursuant to Rule 424(b)(5) under the Securities Act of 1933, as amended (the Securities Act).

The Notes were issued in global form pursuant to the terms of an Indenture for Senior Debt Securities, dated as of March 1, 2009, between the Company, as Issuer, and Wells Fargo Bank, National Association, as Trustee, and a First Supplemental Trust Indenture for 14% Convertible Notes due January 1, 2014, dated as of March 1, 2009 (the First Supplemental Indenture), between the Company, as Issuer, and Wells Fargo Bank, National Association, as Trustee, each of which was executed on March 13, 2009 (together, the Indenture).

A description of the material terms of the Notes and the Indenture is set forth in Prospectus Supplement under the heading Description of the Notes and the Indenture beginning on page S-52 thereof, which is filed as exhibit 99.1 to this current report on Form 8-K and which description is incorporated by reference herein. Such description is subject to, and qualified in its entirety by, the forms of the Notes and the Indenture, which are filed as exhibits to this current report on Form 8-K and are incorporated herein by reference.

In connection with the registered offering of the Notes, the Company is filing as exhibits to this current report on Form 8-K the following documents, which are incorporated by reference into the Registration Statement:

As Exhibit 1.1, the Underwriting Agreement, dated as of March 10, 2009, between Environmental Power Corporation and B.C. Ziegler and Company, d/b/a Ziegler Capital Markets, as Underwriter;

As Exhibit 4.1, the Indenture for Senior Debt Securities, dated as of March 1, 2009, between Environmental Power Corporation, as Issuer, and Wells Fargo Bank, National Association, as Trustee, which sets forth the basic terms of senior debt securities we may issue under the Registration Statement;

As Exhibit 4.2, the First Supplemental Trust Indenture for 14% Convertible Notes due January 1, 2014, dated as of March 1, 2009, between Environmental Power Corporation, as Issuer, and Wells Fargo Bank, National Association, as Trustee, which sets forth the specific terms of the Notes;

As Exhibit 4.3, the form of the Notes; and

As Exhibits 5.1 and 23.1, the legal opinion and consent of Pierce Atwood LLP relating to the Notes and the shares of the Company's Common Stock issuable upon conversion of the Notes.

The closing of the sale of the Notes pursuant to the Underwriting Agreement was completed on March 12, 2009. The net proceeds to us from the offering will be approximately \$4,389,000 after deducting the underwriting commissions and discounts and estimated offering expenses that are payable by us. We intend to use these proceeds in connection with costs and expenses relating to the construction and operation of renewable energy projects by our subsidiaries, as described more fully in the Prospectus Supplement.

This Current Report on Form 8-K does not constitute an offer to sell or the solicitation of an offer to buy any of our securities and these securities cannot be sold in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such state.

ITEM 2.03. CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT

The information required by Item 2.03 relating to the Notes and the Indenture is contained in Item 1.01 and is incorporated herein by reference.

ITEM 3.03 MATERIAL MODIFICATION TO RIGHTS OF SECURITY HOLDERS

As a result of the issuance of the Notes and the execution of the Indenture on March 12, 2009, the rights and preferences of the holders of the Company's Series A 9% Cumulative Convertible Preferred Stock (the Series A Preferred) and the rights of the holders of the Company's Common Stock have been materially limited or qualified, insofar as the Notes (and any future Notes issued under the Indenture) constitute indebtedness and, therefore, would rank senior to the Series A Preferred and the Common Stock upon any liquidation or dissolution of the Company. The First Supplemental Indenture allows the Company to issue up to \$53,000,000 aggregate original principal amount of the Notes from time to time for the purposes stated therein.
