The Annual Meeting will be held on Thursday, August 20, 2009, at 10:00 a.m. Eastern Daylight Time, at The Cornell Club, 6 East 44th Street, New York, New York.

Solicitation and Revocation of Proxies

Shares represented by a proxy card that is properly dated, executed and returned will be voted as directed on the proxy. If no direction is given, proxies will be voted **FOR** each of the director nominees selected by the board of directors and **FOR** approval of the Amended and Restated 2005 Stock Incentive Plan. If other matters properly come before the Annual Meeting, the persons named in the accompanying proxy will vote in accordance with their best judgment with respect to such matters. Any proxy given by a shareholder may be revoked at any time prior to its use by execution of a later-dated proxy delivered to Rentrak's Secretary, by vote in person at the Annual Meeting, or by written notice of revocation delivered to Rentrak's Secretary.

Rentrak's board of directors has selected the two persons named on the enclosed proxy card to serve as proxies in connection with the Annual Meeting. These proxy materials and the accompanying 2009 Annual Report to Shareholders, which includes Rentrak's audited financial statements for the fiscal year ended March 31, 2009, and the other portions of Rentrak's 2009 Annual Report on Form 10-K, are being mailed on or about July 20, 2009, to shareholders of record on June 23, 2009.

Purposes of the Annual Meeting

The Annual Meeting has been called for the following purposes:

To elect a board of directors consisting of eight members, each to serve until the next annual meeting of shareholders and until his or her successor is duly elected and qualified;

Edgar Filing: RENTRAK CORP - Form DEF 14A

To consider and approve the Amended and Restated 2005 Stock Incentive Plan;

To hear reports from various officers of Rentrak; and

To transact such other business as may properly come before the meeting or any adjournments thereof.

Record Date and Shares Outstanding

Only shareholders of record at the close of business on June 23, 2009 (the Record Date), are entitled to notice of, and to vote at, the Annual Meeting. At the close of business on the Record Date, 10,401,587 shares of Rentrak common stock were outstanding. For information regarding the ownership of Rentrak common stock by holders of more than five percent of the outstanding shares and by Rentrak's directors and executive officers, see Security Ownership of Certain Beneficial Owners and Management on page 16 of this proxy statement.

Voting; Quorum; Vote Required

Each share of common stock outstanding on the Record Date is entitled to one vote per share at the Annual Meeting. Shareholders are not entitled to cumulate their votes. The presence, in person or by proxy, of the holders of a majority of Rentrak's outstanding shares of common stock is necessary to constitute a quorum at the Annual Meeting. Assuming the existence of a quorum, the affirmative vote of a plurality of the votes cast at the Annual Meeting, in person or by proxy, will be required to elect persons nominated to be directors. The Amended and Restated 2005 Stock Incentive Plan will be approved if it receives the affirmative vote of a majority of the total votes cast at the Annual Meeting.

Effect of Abstentions

If you abstain from voting, your shares will be deemed present at the Annual Meeting for purposes of determining whether a quorum is present. However, only votes cast in favor of a nominee for director will have an effect on the outcome of the election of directors. Abstentions will also have no effect on the outcome of the vote on Proposal 2 to approve the Amended and Restated 2005 Stock Incentive Plan.

Effect of Broker Non-Votes

If a broker holds your shares in street name, you should instruct your broker how to vote. A broker non-vote occurs when a nominee holding shares for a beneficial owner returns a duly executed proxy but does not vote on a proposal because the nominee does not have discretionary voting power with respect to the matter being considered and did not receive voting instructions from the beneficial owner. Broker non-votes are deemed present at the Annual Meeting for purposes of determining whether a quorum is present, but will have no effect on the outcome of the election of directors or the vote on the Amended and Restated 2005 Stock Incentive Plan.

Costs of Solicitation

Rentrak will bear all costs and expenses associated with this solicitation. In addition to solicitation by mail, directors, officers, and employees of Rentrak may solicit proxies from shareholders, personally or by telephone, facsimile, or e-mail transmission, without receiving any additional remuneration. Rentrak has asked brokerage houses, nominees and other agents and fiduciaries to forward soliciting materials to beneficial owners of Rentrak common stock and will reimburse all such persons for their expenses.

PROPOSAL 1

ELECTION OF DIRECTORS

Six of our current directors, Tom Allen, George Kuper, Bill Livek, Paul Rosenbaum, Brent Rosenthal and Ralph Shaw, have been nominated by the board of directors to stand for re-election as directors. Judith Allen and Cecil Andrus are not standing for re-election.

The board of directors increased the number of positions on the board by one effective June 15, 2009, and elected Bill Livek, Rentrak's newly-hired Chief Executive Officer, to fill the vacancy. The board seat had been approved by the board as an appropriate element of Mr. Livek's hiring package. In Mr. Livek's employment agreement dated June 15, 2009, Rentrak agreed to take all steps necessary to appoint him as a director by July 6, 2009, and to nominate him for election as a director at the Annual Meeting.

Two other individuals, Anne MacDonald and Richard Hochhauser, have been nominated by the board of directors, upon the recommendation of the Nominating and Governance Committee, for election at the Annual Meeting to fill the positions being vacated by Ms. Allen and Governor Andrus. Ms. MacDonald and Mr. Hochhauser were recommended as potential board members by other non-management directors.

Rentrak's Bylaws were amended in June 2009 to provide for eight positions on the board of directors. The board of directors has nominated the individuals named below to fill the eight positions. If for any reason any of the nominees named below should become unavailable for election (an event the board does not anticipate), proxies will be voted for the election of such substitute nominee as the board in its discretion may recommend. Proxies cannot be voted for more than eight nominees. Directors are re-elected annually to serve until the next annual meeting of shareholders and until their successors are duly elected and qualified. If a vacancy occurs after the Annual Meeting, the board of directors may elect a replacement to serve for the remainder of the unexpired term.

The board of directors has determined that each of the nominees for director named below, other than Messrs. Livek and Rosenbaum, is or will be an independent director under Rule 5605(a)(2) of the Nasdaq listing standards.

The board of directors recommends a vote FOR the election of each of the following nominees for director:

PROPOSAL 2
APPROVAL OF AMENDMENT AND RESTATEMENT OF
2005 STOCK INCENTIVE PLAN

Background

Overview of Amendment and Restatement

The Rentrak Corporation 2005 Stock Incentive Plan (the "2005 Plan") was originally approved by Rentrak's shareholders in 2005. At this year's annual meeting, shareholders are being asked to approve an amendment and restatement (the "Amendment and Restatement") of the 2005 Plan adopted by the board of directors, subject to shareholder approval. The Amendment and Restatement, which will be effective August 20, 2009, if approved by the shareholders, would:

Increase the total number of shares of common stock available for issuance under the 2005 Plan by 1,000,000 shares, from 1,000,000 to 2,000,000 total shares.

Limit the number of shares available for grants of incentive stock options over the life of the 2005 Plan to 800,000.

Increase the maximum number of shares available for grants of stock options under the 2005 Plan to a single participant in any fiscal year from 200,000 to 300,000.

Increase the maximum number of shares available for grants of stock appreciation rights ("SARs") under the 2005 Plan to a single participant in any fiscal year from 200,000 to 300,000.

Limit the number of shares available for grants of restricted stock or units under the 2005 Plan to a single participant in any fiscal year to 300,000.

Increase the maximum number of shares available for grants of restricted stock or units over the life of the 2005 Plan from 500,000 to 750,000.

Limit the number of shares available for grants of performance awards under the 2005 Plan to a single participant in any fiscal year to 300,000.

Clarify provisions that may allow a participant to pay the purchase price, exercise price, or withholding obligation relating to an award under the 2005 Plan other than in cash.

Clarify provisions prohibiting the repricing of stock options and SARs.

Extend the period during which incentive stock options may be granted under the 2005 Plan to August 20, 2019.

Edgar Filing: RENTRAK CORP - Form DEF 14A

Eliminate provisions permitting reload options these were replacement options that would be granted automatically to a participant who used previously-acquired shares of stock to pay the exercise price of a stock option.

Specify additional examples of measurement criteria for performance awards granted to executive officers of Rentrak under the 2005 Plan.

Clarify provisions allowing for the adjustment of awards under the 2005 Plan in the event of a merger, stock split, recapitalization, or similar change in Rentrak's capital structure.

Table of Contents

If the 2005 Plan is not approved by the shareholders, it will continue in effect in the form approved in 2005.

Reasons for Amendment and Restatement

The 2005 Plan is intended to promote the interests of Rentrak and its shareholders by enabling us to attract, retain and reward officers and other key employees, nonemployee directors, and outside consultants and to align their interests with the interests of our shareholders. When adopted in 2005, the 2005 Plan replaced Rentrak's 1997 Equity Participation Plan (the "1997 Equity Plan") and Rentrak's 1997 Non-Officer Employee Stock Option Plan (the "Non-Officer Plan") (together, the "Prior Plans"). If the Amendment and Restatement is approved by shareholders, we also do not intend to make any additional grants of cash-settled SARs under Rentrak's Stock Appreciation Rights Plan (the "SAR Plan") adopted during fiscal 2009.

In adopting the Amendment and Restatement, the board of directors considered a number of factors, including:

Rentrak has decided to emphasize incentive-based compensation over fixed cash compensation, as discussed in more detail below under the heading "Executive Compensation Discussion and Analysis of Executive Compensation Programs." Accordingly, Rentrak expects to rely more heavily on equity compensation in the future. The aggregate number of shares remaining available for grants under the 2005 Plan as of July 1, 2009, only 116,913 shares, is too small to permit implementation of this change in compensation philosophy. Also, the limits on the size of awards to a single individual in a single fiscal year are being increased to assure that Rentrak has the flexibility to attract and retain the talent and expertise needed to support the next phase of Rentrak's product development and marketing.

As of July 1, 2009, a total of 234,875 SARs remained available for grant under the SAR Plan. If the Amendment and Restatement is approved by shareholders, future awards of SARs are expected to be granted under the 2005 Plan, rather than the SAR Plan, and those awards will count against the aggregate number of shares available under the 2005 Plan.

Increasing the emphasis on equity-based compensation will also allow more of our overall executive compensation program to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). Section 162(m) provides that compensation, other than performance-based compensation, paid to the chief executive officer and certain of the other highest-paid executive officers of a public company, in excess of \$1,000,000 per individual per year, is not deductible for purposes of federal income tax. The board of directors has established as a priority maximizing the deductibility of Rentrak's executive compensation. Having more compensation qualify as performance-based will enhance our ability to maximize our deductible expenses. Increasing the number of shares of Rentrak common stock available for grant under the 2005 Plan will help achieve this goal.

Awards of performance shares under the 2005 Plan to executive officers may qualify as performance-based under Section 162(m) only if the general categories of performance measures to which awards are subject have been approved by Rentrak's shareholders. Consistent with the board's goal of maximizing the tax deductibility of executive compensation, the Amendment and Restatement includes expanded categories of performance measures, which are described in more detail below, in order to enhance our ability to structure performance share awards with vesting subject to performance measures tied to our objectives of growing and evolving our business into a comprehensive knowledge provider to the media, advertising and entertainment industries.

Table of Contents

2005 Plan Highlights

The 2005 Plan provides for awards of both incentive and nonqualified stock options, SARs, restricted stock or units with time-based vesting, and performance awards with vesting of shares tied to attainment of performance goals. It also authorizes the creation of other awards with characteristics to be determined, allowing for development of new types of equity-based awards in response to changes in tax laws, accounting rules, or the compensation structures of peer companies. Stock options, SARs, and performance awards may be designed, in the discretion of the committee administering the 2005 Plan, to qualify as performance-based compensation under Section 162(m) of the Code. The 2005 Plan also includes provisions to address Section 409A of the Code regarding deferred compensation.

Outstanding Equity Awards and Remaining Shares

As of July 1, 2009, approximately 280 employees and six non-employee directors were considered eligible to participate in the 2005 Plan. Also at that date, 52,750 shares of common stock had been issued under the 2005 Plan pursuant to awards that had been exercised or vested, and awards remained outstanding as follows:

Nonqualified or incentive stock options to purchase a total of 682,375 shares;

SARs to be settled in common stock relating to a total of 75,000 shares; and

Deferred stock units (DSUs) held by non-employee directors covering a total of 175,500 shares. DSUs represent the right to receive shares of common stock upon ceasing to be a director following a specified vesting period.

At July 1, 2009, employees other than executive officers held stock options granted under the 2005 Plan to purchase a total of 52,000 shares at a weighted average purchase price of \$11.10 per share and a weighted average remaining term of two years. No awards have been granted under the 2005 Plan to director nominees or associates of executive officers or directors. Cathy Hetzel, Bill Livek and Paul Rosenbaum have each received grants that represent at least 5% of the total outstanding awards under the 2005 Plan. Information regarding awards granted under the 2005 Plan to our named executive officers as of March 31, 2009, is presented under the heading *Executive Compensation Outstanding Equity Awards at 2009 Fiscal Year End* below. Information regarding awards granted under the 2005 Plan to Mr. Livek is presented under the heading *Executive Compensation Discussion and Analysis of Executive Compensation Programs CEO Hiring Package* below.

The total number of shares subject to outstanding awards under all of Rentrak's equity compensation plans at July 1, 2009, was 1,773,050 shares, and the total number of shares available for future awards under those plans was 116,913 shares (consisting of shares available under the 2005 Plan; the 234,875 cash-settled SARs available under the SAR Plan are not included). At that date, no shares were available for grant under the Non-Officer Plan and the 1997 Equity Plan. Additional information regarding Rentrak's equity-based plans is presented under the subheading *Equity Compensation Plan Information* below.

At the date of this proxy statement, no awards or specific plans with respect thereto have been made regarding the additional 1,000,000 shares authorized for issuance under the 2005 Plan by the Amendment and Restatement. The closing sale price for Rentrak's common stock reported on The NASDAQ Stock Market on July 1, 2009, was \$16.90.

The following summary outlines the material features of the 2005 Plan as amended and restated. The summary is qualified in its entirety by reference to the 2005 Plan, as modified by the Amendment and Restatement, which is attached hereto as [Appendix A](#).

Act), and an outside director under Section 162(m) of the Code. The committee administering the 2005 Plan is the Compensation Committee of Rentrak's board of directors (the Committee), unless and until the board appoints a different committee to administer the 2005 Plan. The Committee establishes the terms and conditions of awards granted under the 2005 Plan, subject to limitations set forth in the 2005 Plan. The Committee may delegate to an Option Committee made up of one or more directors, who may also be officers or other employees of Rentrak, certain authority under the 2005 Plan, including the authority to grant awards to eligible employees who are not subject to stock ownership reporting requirements under Section 16(a) of the Exchange Act.

Eligible Participants. The 2005 Plan provides for the grant of stock options and other stock-based awards to officers, other key employees, and non-employee directors of Rentrak or one of its subsidiaries. Outside consultants or advisers who provide services to Rentrak or a subsidiary, other than services of a capital-raising nature, are also eligible to receive awards under the 2005 Plan.

Shares Available for Grant. Up to a total of 2,000,000 shares of Rentrak's common stock, plus a number of shares equal to the shares covered by outstanding options under the Prior Plans that are cancelled, terminate, or otherwise expire without being exercised, may be issued to eligible participants in the 2005 Plan.

If all or a portion of an award granted under the 2005 Plan is cancelled, terminates or otherwise expires without being exercised or shares being issued, the shares covered by that award or applicable portion will become available for future awards. In addition, shares subject to an award that is paid in cash or exchanged for another award may be used for future awards under the 2005 Plan. Shares will not be added back to the 2005 Plan if a participant pays the exercise price of an award or his or her tax withholding obligations by delivering shares of Rentrak common stock he or she already owns, by surrendering other outstanding vested awards under the 2005 Plan, or by reducing the number of shares otherwise vested under the award.

No Repricing. The 2005 Plan prohibits the repricing of stock options or SARs other than in connection with adjustments for a change in Rentrak's capitalization.

Types of Awards

The types of awards that may be granted by the Committee under the 2005 Plan include:

Options. Options to purchase Rentrak common stock may be incentive stock options (ISOs) meeting the requirements of Section 422 of the Code, or nonqualified options which are not eligible for such tax-favored treatment. ISOs may be granted only to employees of Rentrak or one of its subsidiaries. The 2005 Plan does not specify a maximum term for nonqualified options, but under current law ISOs must expire not more than ten years from the date of grant. For all options, the exercise price per share must be not less than 100% of the fair market value of a share of Rentrak common stock on the date the option is granted.

Stock Appreciation Rights (SARs). A recipient of SARs will receive upon exercise an amount equal to the excess (or specified portion thereof) of the fair market value of a share of Rentrak common stock on the date of exercise over the base price, multiplied by the number of shares as to which the rights are exercised. The base price will be designated by the Committee in the award agreement and must be equal to or greater than the fair market value of a share of Rentrak common stock on the date of grant. Payment may be in cash, in shares of common stock, or in any other form approved by the Committee, provided that payment may be made in a form other than shares of common stock only if the Committee determines that such form of payment will comply with the requirements of Section 409A of the Code relating to deferred compensation. SARs may be granted in connection with options or other awards or may be granted as independent awards.

Restricted Awards. Restricted awards may take the form of restricted shares or restricted stock units. Restricted shares are shares of Rentrak common stock that are subject to such limitations as the Committee deems appropriate, including restrictions on sale or transfer. Restricted shares may be subject to forfeiture in the event the recipient terminates employment or service as a director or consultant during a specified period. Stock certificates representing restricted shares are issued in the name of the recipient but are held by Rentrak until the expiration of any restrictions. From the date of issuance of restricted shares, the recipient is entitled to the rights of a shareholder with respect to such shares, including voting and dividend rights.

Table of Contents

Restricted stock units are awards of units equivalent in value to a share of Rentrak common stock, which similarly may be subject to forfeiture if the recipient terminates employment or service as a director or consultant during a specified period. At the expiration of such period, payment is made with respect to restricted stock units in an amount equal to the value of the number of shares covered by the units. Payment may be in cash or unrestricted shares of Rentrak common stock or in any other form approved by the Committee. The Committee will establish the terms and conditions of restricted stock units so that they will comply with the requirements of Section 409A of the Code.

Performance Awards. Performance awards are granted in units equivalent in value to a share of Rentrak common stock. A performance award is subject to forfeiture to the extent the recipient fails to meet certain performance goals during a designated performance cycle. Performance awards earned by attaining performance goals are paid at the end of a performance cycle in cash or shares of Rentrak common stock or in any other form approved by the Committee.

In the case of performance awards granted to executive officers, the Committee, in its sole discretion, may impose performance goals relating to corporate performance, business unit performance, or a combination of both, in order to qualify the awards as performance-based compensation under Section 162(m) of the Code. Such corporate performance goals will be based on financial performance goals related to the performance of Rentrak as a whole, and may include one or more measures related to earnings, profitability, cash flow (including measures based on Earnings Before Interest, Taxes, Depreciation, and Amortization (EBITDA)), efficiency, or return to shareholders, such as earnings per share, operating income, stock price, costs of production, revenue growth, return on equity, return on assets, or return on invested capital. Business unit performance goals will be based on a combination of financial goals and strategic goals related to the performance of an identified business unit for which a participant has responsibility. Strategic goals for a business unit may include one or a combination of objective factors relating to success in implementing strategic plans or initiatives, introducing products, constructing facilities, developing software, or other identifiable objectives. Financial goals for a business unit may include the degree to which the business unit achieves one or more objective measures related to its revenues, earnings, profitability, efficiency, operating income, costs of production, cash flow, return on equity, return on assets, or return on invested capital. Any corporate or business unit goals may be expressed as absolute amounts or as ratios or percentages. Success in achieving such goals may be measured against various standards, including budget targets, improvement over prior periods, and performance relative to other companies, business units, or industry groups. Approval of the Amendment and Restatement of the 2005 Plan by the shareholders at the Annual Meeting will constitute approval of the foregoing performance goals under Section 162(m) of the Code, if required.

Other Stock-Based Awards. The Committee may grant other awards that involve payments or grants of shares of Rentrak common stock or are measured by or in relation to shares of common stock. The 2005 Plan provides flexibility to design new types of stock-based or stock-related awards to attract and retain employees, directors and consultants in a competitive environment.

Adjustments for Changes in Capitalization; Change in Control

In the event of a stock split, a dividend or distribution paid in common stock, or a recapitalization of or affecting Rentrak's common stock, there will be an automatic and proportionate adjustment to, as applicable, the aggregate number of shares for which awards may be granted under the 2005 Plan, the maximum number of shares that may be awarded to any participant in a fiscal year, the number, kind, and price per share subject to each outstanding stock option and SAR, and the number and kind of shares subject to other awards granted under the 2005 Plan. In the event of other types of corporate reorganizations, mergers, spinoffs, and similar transactions, the Committee has discretion to make those types of adjustments.

The Committee, in its discretion, may provide in any award agreement for acceleration of vesting of the award if a change in control (as defined in the award agreement or, if not so defined, as defined in the 2005 Plan) of Rentrak occurs. An award agreement may also include provisions to deal with outstanding awards in the event of a significant corporate transaction involving Rentrak, such as a merger, sale of substantially all of Rentrak's assets, or dissolution or liquidation of Rentrak.

Duration, Termination and Amendment of the 2005 Plan

The 2005 Plan will remain in effect until awards have been granted covering all available shares under the 2005 Plan or the 2005 Plan is otherwise terminated by the board of directors. The board may terminate the 2005 Plan at any time, but any such termination will not affect any outstanding awards. The board may also amend the 2005 Plan from time to time, provided that no amendment may be made without shareholder approval if such approval is required by applicable rules and regulations of a stock exchange or registered securities association.

Federal Income Tax Consequences of Awards

The following discussion summarizes the principal anticipated federal income tax consequences of grants of awards under the 2005 Plan to participants and to Rentrak.

Tax Consequences to Participants

Incentive Stock Options. ISOs granted under the 2005 Plan are intended to meet the requirements of Section 422 of the Code. No taxable income results to a participant upon the grant of an ISO or upon the issuance of shares when the ISO is exercised. The amount realized on the sale or taxable exchange of such shares in excess of the exercise price will be considered a capital gain and any loss will be a capital loss, except that if the sale or exchange occurs within one year after exercise of the ISO or two years after grant of the ISO, the participant will recognize compensation taxable at ordinary income tax rates measured by the amount by which either (a) the fair market value on the date of exercise or (b) the amount realized on the sale of the shares, whichever is less, exceeds the exercise price. For purposes of determining alternative minimum taxable income, an ISO is treated as a nonqualified option.

Nonqualified Options. No taxable income is recognized upon the grant of a nonqualified option. In connection with the exercise of a nonqualified option, a participant will generally realize ordinary compensation income (self-employment income for non-employee directors) measured by the difference between the fair market value of the shares acquired on the date of exercise and the exercise price. The participant's cost basis in the acquired shares is the fair market value of the shares on the exercise date. Any gain upon sale of the shares is capital gain and any loss will be a capital loss.

Payment of Exercise Price in Shares. The Committee may permit participants to pay all or a portion of the exercise price of an option using previously-acquired shares of Rentrak common stock. If an option is exercised and payment is made in previously held shares, there is no taxable gain or loss to the participant other than any gain recognized as a result of exercise of the option, as described above.

Stock Appreciation Rights. The grant of a SAR to a participant will not cause the recognition of income by the participant. Upon exercise of a SAR, the participant will recognize ordinary income equal to the amount of cash payable to the participant plus the fair market value of any shares delivered to the participant.

Restricted Awards and Performance Awards. In the case of restricted awards and performance awards, in general, a participant will not recognize any income upon issuance of an award. Generally, the participant will be required to recognize ordinary compensation income at the date or dates, if any, that shares vest in an amount equal to the value of such shares plus any cash received at the date of vesting. Taxable income generally is not recognized with respect to restricted stock units (including DSUs) until the participant is entitled to delivery of the underlying shares.

Tax Consequences to Rentrak

To the extent participants qualify for capital gains treatment with respect to the sale of shares acquired pursuant to exercise of an ISO, Rentrak will not be entitled to any tax deduction in connection with ISOs. In all other cases, Rentrak will be entitled to receive a federal income tax deduction at the same time and in the same amount as the amount which is taxable to participants as ordinary income with respect to awards.

Table of Contents

The information in this proxy statement concerning federal income tax consequences is intended only for the general information of shareholders. Participants in the 2005 Plan should consult their own tax advisers, as federal income tax consequences may depend on the particular terms of individual awards and the specific circumstances of individual participants.

Equity Compensation Plan Information

The following table sets forth, as of March 31, 2009, information about shares of our common stock that may be issued under our equity compensation plans and arrangements. The table does not reflect the additional 1,000,000 shares that would be issuable under the 2005 Plan if the Amendment and Restatement is approved by the shareholders at the Annual Meeting.

Plan Category ⁽¹⁾	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in first column)

Equity compensation plans not approved by shareholders ⁽³⁾	51,438	\$ 5.06

- (2) Equity compensation plans approved by shareholders include the 2005 Plan and the 1997 Equity Plan.
- (3) Equity compensation plans or arrangements approved by our board of directors, but not submitted for shareholder approval, include the Non-Officer Plan.
- (4) The weighted average exercise price does not take into account DSUs granted to our non-employee directors under the 2005 Plan. DSUs represent the right to receive shares of our common stock upon ceasing to be a director following a specified vesting period, with immediate vesting in full if the director's service on the board of directors terminates as a result of death, disability, after reaching age 75, or upon a change in control of Rentrak. There were 127,500 DSUs outstanding at March 31, 2009, representing the right to receive an equal number of shares.

Board Recommendation and Vote Required

The board of directors recommends a vote for approval of the Amendment and Restatement of the 2005 Plan. If a quorum is present at the Annual Meeting, the Amendment and Restatement of the 2005 Plan will be approved upon the affirmative vote of a majority of the total votes cast upon the proposal at the meeting. Abstentions and shares represented by duly executed and returned proxies of brokers or other nominees which are expressly not voted on Proposal 2 will have no effect on the required vote.

COMMITTEES AND MEETINGS OF THE BOARD

The board of directors has established several standing committees, including an Audit Committee, a Compensation Committee, a Finance Committee, and a Nominating and Governance Committee. During the fiscal year ended March 31, 2009, the board of directors held four meetings. Each director attended at least 75% of the total number of meetings held by the board of directors and the board committees on which he or she served during fiscal 2009.

The board of directors has adopted corporate governance guidelines, which state that directors are expected to attend all meetings of the board of directors, including our annual meetings of shareholders. All directors attended the annual meeting held in August 2008.

Audit Committee

Rentrak has a standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934 (the Exchange Act). The Audit Committee s activities are governed by a formal written charter, a copy of which is available on Rentrak s website under Investor Information / Corporate Governance [at www.rentrak.com](http://www.rentrak.com). The Audit Committee held four meetings during the fiscal year ended March 31, 2009.

Mr. Andrus (Chair), Mr. Kuper, Mr. Rosenthal and Mr. Shaw, each of whom meets the financial literacy and independence requirements for audit committee membership specified in the Nasdaq listing standards, are the current members of the Audit Committee. The board of directors has determined that Mr. Shaw and Mr. Rosenthal are each qualified to be an audit committee financial expert as defined in the rules of the Securities and Exchange Commission (the SEC).

The Audit Committee makes decisions regarding the engagement or discharge of Rentrak s independent auditors, reviews and pre-approves audit and legally-permitted non-audit services provided by the independent auditors, and oversees the integrity of Rentrak s financial statements and other financial information, its systems of internal accounting and financial controls, and the independence and performance of Rentrak s independent auditors. The Audit Committee has established procedures for the receipt and handling of complaints about accounting and auditing matters and reports of ethical violations regarding Rentrak s directors, officers and employees. The Audit Committee s charter also makes it responsible for reviewing for potential conflicts of interest all transactions between Rentrak and a director, officer or shareholder (including transactions with family members or associates of such persons) that would be required to be reported as a transaction with a related person in this proxy statement under the SEC s disclosure rules and determining whether or not to approve any such transactions.

Compensation Committee

The members of the Compensation Committee are Ms. Allen (Chair), Mr. Allen, Mr. Andrus and Mr. Shaw, each of whom is an independent director as defined in Rule 5605(a)(2) of the Nasdaq listing standards. No other persons were members of the Compensation Committee during fiscal 2009. The Compensation Committee is responsible for approving and evaluating Rentrak s director and officer compensation plans, policies and programs, evaluating the performance of Rentrak s management, and making compensation decisions regarding Rentrak s executive employees. The Compensation Committee is governed by a written charter most recently revised on May 16, 2007. The charter is available on Rentrak s website under Investor Information / Corporate Governance [at www.rentrak.com](http://www.rentrak.com). During the fiscal year ended March 31, 2009, the Compensation Committee held six meetings.

Nominating and Governance Committee

The Nominating and Governance Committee (the Nominating Committee) is chaired by Mr. Kuper; Ms. Allen and Mr. Andrus are its two other members. The board of directors has determined that each of these directors is independent as defined in Rule 5605(a)(2) of the Nasdaq listing standards. No other persons were members of the Nominating Committee during fiscal 2009. The Nominating Committee is governed by a written

Table of Contents

charter, a copy of which is available on Rentrak's website under Investor Information / Corporate Governance at www.rentrak.com. The Nominating Committee held four meetings during the fiscal year ended March 31, 2009.

The Nominating Committee is responsible for identifying individuals qualified to become directors of Rentrak and recommending to the board of directors candidates for election and for recommending individuals to serve on each board committee. It is also responsible for developing for board approval a set of corporate governance guidelines addressing board organizational issues, committee structure and membership, and succession planning for Rentrak's chief executive officer position.

The Nominating Committee has not adopted any specific, minimum qualifications for director candidates. In evaluating potential director nominees, the Nominating Committee will take into account all factors that it considers appropriate, including strength of character, maturity of judgment, career specialization, relevant technical skills or financial acumen, diversity of viewpoints, industry knowledge, and the highest personal and professional ethics, integrity and sound business judgment.

In determining whether to recommend nomination of current directors for re-election, the Nominating Committee will perform periodic evaluations of individual directors. Non-employee directors are generally expected to retire upon reaching age 75 or completing ten years of service, whichever is later. Directors who are also employees will generally be expected to resign upon termination of employment, although the board of directors may make an exception to this policy for a former chief executive officer if it believes it to be in the best interests of Rentrak.

When the Nominating Committee is required to identify new director candidates, because of a vacancy or a desire to expand the board, the Nominating Committee will poll current directors for suggested candidates. The Nominating Committee has the authority to hire a third party search firm if it deems such action to be appropriate, but has not done so since January 1, 2006. Once potential candidates are identified, the Nominating Committee will conduct interviews with the candidates and perform such investigations into the candidates' background as the Nominating Committee deems appropriate.

The Nominating Committee will consider director candidates suggested by shareholders for nomination by the board of directors. Shareholders wishing to suggest a candidate to the Nominating Committee should do so by sending the candidate's name, biographical information, and qualifications to: Chair of Nominating Committee, in care of Mark L. Thoenes, Executive Vice President, Chief Financial Officer and Secretary, Rentrak Corporation, P.O. Box 18888, Portland, Oregon 97218-0888. Candidates suggested by shareholders will be evaluated by the same criteria and process as candidates from other sources.

Finance Committee

The Finance Committee is comprised of Mr. Shaw (Chair), Ms. Allen, Mr. Allen, Mr. Kuper and Mr. Rosenthal. It is responsible for evaluating strategic and operational financial issues facing Rentrak. During the fiscal year ended March 31, 2009, the Finance Committee met four times.

- (4) Upon his election to the board on August 21, 2008, Mr. Rosenthal was granted 5,250 DSUs at \$14.63 with 3-year vesting, which represents the remaining portion of the fiscal 2009 DSU grant (7/12 of an annual DSU grant) for August 2008 through March 2009. In establishing director compensation, the Compensation Committee and the board of directors considered information regarding the compensation paid to directors of the peer group companies listed under the heading Executive Compensation Discussion and Analysis of Executive Compensation Programs below that was provided by Lipis Consulting, a compensation consultant engaged by the Compensation Committee, along with director compensation information derived from other sources.

Each non-employee director of Rentrak receives an annual retainer of \$30,000. In addition, the chair of the Compensation Committee receives a \$3,000 annual retainer, the chair of the Audit Committee receives a \$5,000 annual retainer, and each other non-employee director who serves on the Audit Committee receives a \$2,500 annual retainer. Non-employee directors are also paid \$1,200 for each board or committee meeting they attend in person or by telephone conference call. Rentrak also reimburses directors for their travel expenses for each meeting attended in person.

On June 15, 2006, the board of directors, upon the recommendation of the Compensation Committee, approved annual awards of DSUs to each non-employee director of Rentrak under the 2005 Stock Incentive Plan. Each award entitles the director to receive 9,000 shares of Rentrak common stock upon ceasing to be a director following a specified vesting period. DSU awards granted during fiscal 2009 vest in three equal annual installments beginning one year after the date of grant. Unvested DSUs also fully vest upon termination of the recipient's service on the Board as a result of death, disability, after reaching age 75, or upon a change in control of Rentrak during the vesting period. In June 2009, the Compensation Committee determined that the outstanding DSU awards held by Ms. Allen will vest in full as of the Annual Meeting.

To Rentrak's knowledge, based solely upon a review of the copies of Forms 3, 4, and 5 (and amendments thereto) furnished to Rentrak or otherwise in its files or publicly available, all of Rentrak's officers, directors, and 10% shareholders complied in a timely manner with all applicable Section 16(a) filing requirements during the fiscal year ended March 31, 2009.

EXECUTIVE COMPENSATION

Responsibilities and Processes of Compensation Committee

The Board of Directors has delegated responsibility for considering and approving the compensation and awards to all of Rentrak's executive officers, including the executive officers listed in the Summary Compensation Table on page 26 (the "named executive officers"), to the Compensation Committee, which consists entirely of independent, non-employee directors. The Compensation Committee also establishes the executive compensation principles that guide the design of Rentrak's executive compensation programs.

Engagement of Independent Consultant. For assistance in designing Rentrak's compensation programs for executive officers to meet our goals and objectives, the Compensation Committee has, on a periodic basis, engaged the services of an outside consultant to conduct surveys and provide reports, updates and related advice to the committee regarding compensation paid to executive officers at peer companies who hold positions similar to those of our named executive officers. In fiscal years 2008 and 2009, the Compensation Committee retained Lipis Consulting (the "Consultant") to provide such services.

Role of Executive Officers. The base salaries paid to named executive officers for fiscal 2009, excluding our CEO, Paul Rosenbaum, were recommended to the Compensation Committee by our CEO and approved by the Compensation Committee. The recommendations were reviewed with the Compensation Committee chair in advance of deliberations and action by the Compensation Committee as a whole. Our CEO was present during the Compensation Committee's deliberations and approval process regarding compensation of executive officers other than himself.

The base salary paid to Mr. Rosenbaum for fiscal 2009 was approved by the Compensation Committee in executive session after considering corporate and individual performance parameters, including:

- * Rentrak's profitability,
- * the CEO's leadership and management,
- * regulatory compliance,
- * our business planning, strategy and execution,
- * employee and customer satisfaction, and
- * shareholder relations.

Discussion and Analysis of Executive Compensation Programs

Compensation Principles. In general, our compensation policy is designed to reward the achievement of individual and company goals and objectives. Rentrak follows a practice of linking executive compensation to individual levels of performance, as well as the performance of the company as a whole. The compensation of our executive officers typically includes cash incentive bonuses and equity awards (generally stock options or stock appreciation rights) that reward the achievement of goals and objectives relating to both individual performance and company performance.

Rentrak's overall executive compensation levels are designed to attract and retain the type of talent needed to enable us to achieve and sustain a leadership position in the business and industry in which Rentrak competes, as well as to increase the long-term value of the company for shareholders. In general, this means that total executive compensation should be at or above the median for Rentrak's peers and other appropriate benchmarks.

Edgar Filing: RENTRAK CORP - Form DEF 14A

Our executive compensation policy is designed to focus Rentrak's officers on achieving strong short-term performance goals and objectives as well as ensuring that the necessary steps are taken to achieve long-term success. Rentrak uses a variety of performance goals and objectives, including personal, financial, operational and strategic.

In connection with hiring our new Chief Executive Officer, Bill Livek, the Compensation Committee approved in concept a shift in our executive compensation to place a greater emphasis on equity-based compensation, as well as compensation conditioned on the achievement of corporate and individual performance goals. This shift in focus is demonstrated by the hiring package approved for Mr. Livek, which is described in greater detail under "CEO Hiring Package" below. We anticipate that these elements of compensation will be a

- 20 -

Table of Contents

larger component of our compensation program for other executive officers going forward, as described under **Equity-Based Awards** below.

Benchmarking and Comparative Peer Group. The Compensation Committee periodically compares the total annual compensation of each named executive officer to the total annual compensation of executives holding comparable positions at similarly-situated peer companies. For the purpose of such comparisons, the committee considers base salary, annual cash incentive bonus, and the value of grants of stock options and stock appreciation rights. The Compensation Committee focuses on the level of total annual compensation, as well as the nature of the various individual elements of compensation, because both are generally important to executives. This gives us the flexibility to provide forms of compensation that are tailored to meet our goals and objectives, as well as the particular executive's needs and wishes, whether at the time of hire or later in the employment relationship.

The Consultant's fiscal 2008 report to the Compensation Committee provided compensation-related information regarding the companies listed below (the peer group):

Arbitron, Inc.	IMS Healthcare, Inc.
BSD Software, Inc.	Lakes Entertainment, Inc.
Ceridian Corp.	Navarre Corp.
Dun & Bradstreet Corp.	NetRatings, Inc.
Greenfield OnLine, Inc.	Opinion Research Corp.
Guideline, Inc.	Reading International, Inc.
IMAX Corp.	ROO Group, Inc.

The companies comprising the peer group used in the Consultant's fiscal 2008 report were selected by the Consultant and approved by the Compensation Committee in consultation with the CEO. The peer group includes companies in the media and software industries that have similar revenues, similar market capitalizations, or similar numbers of employees as compared to Rentrak. The Consultant's fiscal 2008 report included information regarding base salary, bonus, value of stock options and similar stock grants, and certain other compensation derived from various sources, including the proxy statements of members of the peer group.

During fiscal 2009, the focus of the Compensation Committee was less on benchmarking executive compensation to compensation surveys and more on developing a performance-based incentive plan, resulting in the creation of the stock appreciation rights plan described under **SAR Plan** below.

Goals and Objectives for Executive Compensation. The goals and objectives of our executive compensation program for named executive officers are to attract, retain, motivate and reward highly qualified executives to achieve Rentrak's strategic goals and increase shareholder value. For fiscal 2009, total executive compensation was established for each named executive officer based on such factors as:

- * length of time in the position,
- * scope of job responsibilities,
- * current and long-term job performance and potential for advancement,

* competitive market conditions for individuals holding similar positions, and

* the short-term and longer-term performance of our company.

Total executive compensation may also be affected by decisions to pay higher levels of compensation in order to attract superior executive talent in critical functions or to provide additional compensation outside of the normal annual review cycle to address retention issues.

Based on our review of the compensation arrangements discussed below, and our assessments of individual executive and corporate performance, we believe our executive compensation levels and the design of our executive compensation programs are effective in meeting our compensation goals and objectives.

Fiscal 2009 Elements of Compensation. The executive compensation program and its various elements are designed to reward a combination of individual, division, department and/or company-wide performance. The primary elements of our compensation program for named executive officers are base salary, annual cash incentive bonus, stock options or other equity-based or long-term incentive compensation, severance and change-in-control

Table of Contents

agreements, other benefits and perquisites, and an employment agreement. Important aspects of each element of the compensation program for named executive officers are explained in more detail below.

Base Salaries. The Compensation Committee annually reviews and considers adjustments to the base salary of executive officers based on company performance, individual executive performance, increased responsibilities, comparative market compensation for the position, retention considerations and CEO recommendations. During fiscal 2009, none of the named executive officers received salary increases. Base salaries of all executive officers were increased by 3% as part of an across-the-board cost of living adjustment as of April 1, 2009.

Annual Cash Incentive Bonuses. Rentrak previously maintained a discretionary bonus program under which executive officers were eligible to receive annual cash incentive payments based on improvement in corporate and personal performance. The target bonuses were based on (a) performance by the company as a whole or by the line of business for which the officer is responsible and (b) achievement of specific performance parameters established for each individual officer. Company or line of business performance was generally measured by the improvement in pre-tax operating income for the company or line of business over the levels approved by the board of directors as part of the annual budget process. For each executive officer other than the CEO, the CEO recommended for Compensation Committee approval a participation percentage for the portion of the officer's bonus tied to company or line of business performance.

In light of Rentrak's lower pre-tax net income in fiscal 2009 as compared to fiscal 2008, the CEO recommended to the Compensation Committee, and the committee concurred, that executive officers, including the CEO, not be paid cash incentive bonuses for fiscal 2009, other than a discretionary bonus in the amount of \$20,000 paid to Amir Yazdani, Rentrak's Chief Information Officer, in recognition of his efforts in developing TV Essentials into a commercially viable product.

Equity-Based Awards. In light of the change in Rentrak's accounting for employee stock options effective April 1, 2006, the Compensation Committee has sought to balance the need to maintain Rentrak's earnings per share with the goal of providing equity incentives to retain key employees to increase the value of the company. As noted above, however, we expect to place greater emphasis on equity-based compensation going forward. Accordingly, the Compensation Committee recommended and the board of directors approved, subject to shareholder approval, an increase in the shares of Rentrak common stock available for grant under the 2005 Stock Incentive Plan (the 2005 Plan) by 1,000,000 shares to a total of 2,000,000 shares, as well as certain other changes. The proposed amendments to the 2005 Plan are described in greater detail above under Proposal 2 Approval of Amendment and Restatement of 2005 Stock Incentive Plan.

SAR Plan. During fiscal 2009, the Compensation Committee focused on the evaluation, development and subsequent adoption of the Rentrak Corporation Stock Appreciation Rights Plan (the SAR Plan), a copy of which was filed with the SEC under cover of Form 8-K on October 14, 2008. Up to a total of 500,000 stock appreciation rights (SARs) may be awarded to key employees of Rentrak under the SAR Plan. However, if the Amendment and Restatement of the 2005 Plan is approved by the shareholders at the Annual Meeting, no additional awards will be made under the SAR Plan.

Upon vesting, each SAR gives the holder the right to receive, in cash, an amount equal to the increase in the value of a share of Rentrak common stock over the base price. The base price is equal to the closing sale price of a share of Rentrak common stock as quoted on The Nasdaq Stock Market on the grant date. The Compensation Committee has the authority to make awards of SARs and otherwise to administer the SAR Plan.

In the fall of 2008, the Committee granted a total of 277,625 SARs to 42 Rentrak employees. The base price of the SARs is \$11.10. Vesting of the SAR awards is subject to performance goals approved by the Committee based on the achievement of minimum amounts of operating income by various lines of business. The performance goals relate to the two-year period ending March 31, 2011. Each individual SAR award is subject to satisfaction of a performance goal selected by relevant line of business, with about 70% of the awards tied to combined operating results for Multi-Screen Essentials and OnDemand Essentials, and the remaining awards to operating results for Rentrak's PPT Division, Box Office Essentials, Home Entertainment Essentials, or Supply Chain Essentials. The Compensation Committee will determine whether the performance goals have been met by no later than June 15, 2011; vested SARs will be settled in cash based on the Rentrak closing sale price on

Table of Contents

August 30, 2011, and paid no later than September 30, 2011. The SARs will also vest in full if a change in control of Rentrak occurs before forfeiture, including forfeiture based on failure to achieve the performance goals, in which case the settlement date will be the date the change in control occurs.

Stock Options. The Committee also approved grants of nonqualified stock options pursuant to the 2005 Plan in the fall of 2008 to 15 Rentrak employees for a total of 344,875 shares of Rentrak common stock. The options have an exercise price of \$11.10 per share. The options are subject to vesting provisions based on meeting performance goals comparable to those applicable to the SAR awards and will expire on August 30, 2011 to the extent not previously exercised or terminated. Vesting will be accelerated if a change in control of Rentrak occurs before forfeiture, including forfeiture based on failure to achieve the performance goals.

Deferred Compensation Plan. In February 2008, the Compensation Committee approved a nonqualified deferred compensation plan, called the Executive Nonqualified Excess Plan, as a means to enhance the retirement benefits offered by Rentrak to officers and other highly compensated employees at a relatively low cost to the company. Beginning April 1, 2008, highly compensated employees were eligible to defer up to 100% of their salary and other cash compensation on a tax-deferred basis. Deferred amounts were credited to a participant's account in the plan, and adjusted for changes in value based on investment fund options available under the plan and selected by the participant. Due to limited participation by officers and other highly compensated employees, the deferred compensation plan was terminated on December 31, 2008, with account balances to be distributed to participants following a one-year waiting period. Rentrak did not make any matching contributions to the deferred compensation plan. None of the named executive officers were participants in the plan.

Benefits and Perquisites. Benefits are established based on an assessment of competitive market factors and a determination of what is needed to attract and retain superior talent. The primary benefits received by our named executive officers are generally the same as for all employees of Rentrak on a non-discriminatory basis and include participation in our health, dental and vision plans, disability and life insurance plans, paid personal time-off, as well as Rentrak's 401(k) retirement plan. Certain additional benefits for the named executive officers are reflected in the Summary Compensation Table on page 26. See also *CEO Hiring Package* and *Employment Agreement with Chairman of the Board* below.

Employment Agreements and Termination and Severance Benefits. We believe that it is valuable to establish employment agreements with our executive officers. The employment agreements are consistent with the goals and objectives of our compensation program to attract, retain, motivate and reward highly qualified executives. The Compensation Committee has established guidelines to standardize most of the terms and conditions in our executive employment agreements. A more detailed discussion of the terms and conditions of our employment agreements with our named executive officers is included below under the subheading *Potential Payments upon Termination or Change-in-Control*. See also *CEO Hiring Package* and *Employment Agreement with Chairman of the Board* below.

CEO Hiring Package. In connection with Mr. Livek's hiring as CEO, the Compensation Committee approved an employment agreement with Mr. Livek with a term ending June 30, 2013. The employment agreement provides for an initial annual base salary of \$150,000, which will be increased by 10 percent on each April 1 during the term. In addition to employee benefits available to Rentrak's officers and other management employees generally, the employment agreement provides for reimbursement of costs of supplemental disability insurance and long-term care insurance in a total amount not to exceed \$10,000 per year.

Under the employment agreement, Mr. Livek is also eligible to receive an annual cash bonus of up to \$100,000 based on the achievement of performance measures established each year. For fiscal 2010, such performance measures relate to developing a detailed business plan and new products and services, overseeing the personal and professional development of the executive leadership team, managing the development of and control over capital expenditure and operating budgets, and analyzing potential business transactions on behalf of Rentrak.

If Mr. Livek's employment is terminated without cause or for good reason, he will be entitled to a lump-sum cash severance payment in the amount of \$150,000, as well as all or a portion of the cash bonus for the fiscal year in which termination occurs, based on the extent to which the applicable performance measures for that fiscal year had been achieved prior to termination. Severance payments are conditioned on compliance with noncompete provisions and execution of a general release of claims against Rentrak. To the extent that severance benefits

Table of Contents

payable upon a change in control, including the acceleration of vesting of equity-based awards (including those described below), are subject to an excise tax pursuant to Section 4999 of the Code, such benefits will be reduced to the extent, and only to the extent, necessary to provide a larger after-tax benefit to Mr. Livek.

Good reason is defined as Rentrak's failure to comply with the material terms of the agreement or an act or failure to act by Rentrak that constitutes a substantial adverse change in Mr. Livek's position or responsibilities, a material reduction in his base salary or failure to continue to provide employee benefits. Cause is defined as a material breach of the agreement by Mr. Livek, his failure to comply with Rentrak's general policies or standards or to perform any job duties, a felony conviction or plea of no contest, or any act by Mr. Livek constituting fraud, dishonesty involving Rentrak, or in competition with or materially detrimental to Rentrak.

Mr. Livek was also granted employee stock options to purchase 200,000 shares of Rentrak common stock and stock-settled stock appreciation rights (SARs) relating to 75,000 shares, in each case under the 2005 Plan. The stock options and SARs have an exercise or base price of \$14.50 per share, vest over four years, and have a 10-year term. Upon termination without cause or for good reason, two annual installments of stock options and SARs will vest to the extent not previously vested. If a change in control of Rentrak occurs on or after December 15, 2009, the stock options and SARs will vest in full. If a change in control occurs prior to December 15, 2009, 50 percent of the stock options and SARs will vest.

Finally, Mr. Livek received an award of 213,750 restricted stock units (RSUs), each of which represents a contingent right to receive one share of Rentrak common stock. The RSUs will vest, if at all, upon satisfaction of performance goals tied to achievement of (a) specified levels of earnings before interest, taxes, depreciation and amortization (EBITDA), as modified by subtracting certain other expenses, over the current and next two fiscal years, or (b) trading-price targets for Rentrak's common stock ranging from \$20 to \$40 per share for 65 consecutive trading days during the period ending March 31, 2013. Vesting of a portion or all of the RSUs will also occur if a change in control of Rentrak occurs at price levels ranging from \$20 to \$40 per share. Upon termination without cause or for good reason, 60,000 RSUs will vest if termination is on or prior to March 31, 2010, 90,000 RSUs will vest if termination occurs on or after April 1, 2010 and prior to April 1, 2011, and 120,000 RSUs will vest if termination occurs on or after April 1, 2011 and on or prior to March 31, 2012.

Employment Agreement with Chairman of the Board. In connection with the hiring of Mr. Livek as CEO, Rentrak's employment agreement with Mr. Rosenbaum was amended effective June 15, 2009, to provide for his continued employment in a non-executive capacity as Chairman of the Board. The agreement will expire on September 30, 2011, and provides that he will be paid an annual base salary of \$489,000 through September 30, 2010, and \$325,000 for the ensuing 12 months, together with all employee benefits provided to officers and other management employees generally. He will also be provided with an automobile at Rentrak's expense, with lease payments up to \$900 per month, through December 31, 2009.

The agreement provides for severance upon termination of employment for specified reasons, including death, voluntary termination by Mr. Rosenbaum for good reason, or involuntary termination without cause. Cause and good reason have substantially the same definitions as described above under CEO Hiring Package.

If Mr. Rosenbaum is terminated during the term of the agreement by Rentrak without cause or by Mr. Rosenbaum for good reason, in addition to accrued base salary and other benefits, he will be entitled to receive cash severance payments equal to his monthly base salary of \$40,750 (reduced to \$27,083 beginning October 1, 2010) during the remaining term of the agreement. Medical, dental, group life, long-term care and long-term disability insurance benefits will also be continued during this period unless provided by a subsequent employer. Continuation of severance payments and benefits generally is subject to compliance with an agreement not to compete with Rentrak. If Mr. Rosenbaum dies during the term of the agreement, his estate will be entitled to a lump sum payment of \$500,000 less any amounts payable under any life insurance policies purchased by Rentrak for the benefit of Mr. Rosenbaum's dependents.

Recoupment of Annual Bonuses and Stock Gains. The Sarbanes-Oxley Act of 2002 provides that, if a company is required to restate its financial statements due to material non-compliance with reporting requirements, the CEO and CFO must reimburse the company for (1) any bonus or other incentive or equity-based compensation

Table of Contents

received during the 12 months preceding the first public release of restated financial statements, and (2) any profits from the sale of securities during those 12 months.

Deductibility of Compensation. In considering Rentrak's compensation structure, the Compensation Committee takes into consideration Section 162(m) of the Internal Revenue Code. This provision limits the deductibility of compensation in excess of \$1 million paid to certain of a company's most highly-paid executive officers in a single tax year. Compensation that is performance-based or qualifies under certain other exceptions is excluded from the calculation. For example, stock options and SARs granted under the 2005 Plan are structured to qualify as performance-based compensation under Section 162(m). Although deductibility is only one factor considered by the Compensation Committee in structuring executive compensation consistent with Rentrak's executive compensation program, the Compensation Committee views it as a significant factor. As discussed under Proposal 2 Approval of Amendment and Restatement of 2005 Stock Incentive Plan above, deductibility of compensation was one of the factors considered by the board of directors in recommending that the shareholders approve the Amendment and Restatement.

- (1) Reflects awards of stock appreciation rights (SARs) in fiscal 2009 under the Rentrak Corporation Stock Appreciation Rights Plan (the SAR Plan). The SARs are denominated in shares of Rentrak common stock. SARs granted in fiscal 2009 vest upon achievement of operating income performance goals for the two-year period ending March 31, 2011. The performance goals for all of the named executive officers relate to the Multi-Screen and OnDemand Essentials lines of business. Upon vesting, each SAR gives the holder the right to receive, in cash, an amount equal to the increase in the value of a share of Rentrak common stock over the base price of \$11.10 per share. Determination of vesting will be made by the Compensation Committee on or before June 15, 2011, with vested SARs being settled in cash based on Rentrak's closing stock price on August 30, 2011 and paid no later than September 30, 2011. The SARs will also vest in full if a change in control of Rentrak occurs before forfeiture, including forfeiture based on failure to attain the performance goals, in which case the settlement date will be the date the change in control occurs.
- (2) Reflects nonqualified stock option grants in fiscal 2009 under the 2005 Stock Incentive Plan. The stock options grants are subject to vesting provisions based on attaining performance goals comparable to those applicable to the SAR awards and will expire on August 30, 2011 to the extent not previously exercised or terminated. Vesting will be accelerated if a change in control of Rentrak occurs before forfeiture, including forfeiture based on failure to attain the performance goals.

Potential Payments upon Termination or Change-in-Control

Rentrak has entered into employment agreements with each of its executive officers, including the named executive officers. Mr. Rosenbaum's agreement was amended effective June 15, 2009, in connection with his becoming a non-executive Chairman of the Board. See Executive Compensation Discussion and Analysis of Executive Compensation Programs Employment Agreement with Chairman of the Board above. Each of the agreements with the other named executive officers, Ms. Hetzel and Messrs. Papagan, Thoenes and Yazdani, will expire December 31, 2009, subject to automatic renewal for successive one-year periods unless Rentrak gives notice of non-renewal by a specified date prior to the end of each year. The agreements will also automatically extend for an additional two calendar years if a change-in-control (a "CIC") occurs during the term of the agreement. A CIC includes (1) the acquisition by a person or group of beneficial ownership of 25% or more of the combined voting power of Rentrak's then outstanding capital stock, (2) the election of directors a majority of whom are not individuals nominated by Rentrak's then incumbent directors, and (3) the approval by Rentrak's shareholders of a plan of complete liquidation, a sale of substantially all of Rentrak's assets, or a merger or similar transaction other than a transaction in which Rentrak's shareholders continue to hold at least 75% of the combined voting power of the voting securities of the surviving entity immediately following the transaction.

The employment agreements with the named executive officers other than Mr. Rosenbaum provide for severance upon termination of employment for specified reasons, including death, disability, voluntary termination by the employee for good reason, or involuntary termination without cause. Good reason is defined as Rentrak's failure to comply with the agreement or an act or failure to act by Rentrak that constitutes a substantial adverse change in the officer's position or responsibilities or a reduction in his or her base salary. Good reason also includes, in the case of Messrs. Papagan, Thoenes and Yazdani, Mr. Rosenbaum's ceasing to be CEO. Cause is defined as a material breach of the agreement by the officer, the officer's failure to comply with Rentrak's general policies or standards or to perform any job duties, a felony conviction or plea of no contest, or any act by the officer constituting fraud, dishonesty involving Rentrak, or in competition with or materially detrimental to Rentrak.

Table of Contents

Severance Following Termination During Term of Agreement. No severance benefits are payable if employment is terminated by Rentrak for cause or voluntarily by the officer other than for good reason. If an executive officer is terminated during the term of the agreement and before a CIC occurs, by Rentrak without cause or by the officer for good reason, in addition to accrued base salary and other benefits, the officer is entitled to receive severance payments in the amount of his or her monthly base salary during a severance period of (a) three months for each four full years of continuous service, (b) the number of monthly installments specified in the agreement (six months for Ms. Hetzel and Mr. Papagan and nine months for Messrs. Thoenes and Yazdani), or (c) the remaining term of the agreement, whichever is longest. Health insurance benefits will also be continued during this period unless provided by a subsequent employer. Continuation of severance payments generally is subject to compliance with an agreement not to compete with Rentrak and execution by the officer of a general release of claims against Rentrak.

If employment is terminated during the term of the agreement and after a CIC occurs, either without cause or for good reason, the executive officer will be entitled to receive a lump sum payment equal to two times his or her then-current annual base salary and average annual bonus amount during the prior two fiscal years, subject to reduction if his or her resulting after-tax benefit would be larger due to the effect of the excise tax on excess parachute payments. He or she will also be entitled to continued participation in Rentrak's health and life insurance plans, other welfare plans, and 401(k) plan for two years.

If an executive officer dies or becomes disabled during the term of the agreement, the officer or his or her estate will be entitled to accrued base salary and other employee benefits through the date of termination of employment.

Severance upon Termination After Expiration of Agreement. The employment agreements with Ms. Hetzel and Messrs. Papagan, Thoenes and Yazdani also provide for continuation of medical benefits and for severance payments in the event employment is terminated by Rentrak without cause, or by the executive officer with good reason, after expiration of the term, provided that the officer has had five or more continuous years of employment with Rentrak. The total amount of the severance payments will equal the officer's monthly base salary then in effect times (a) three months for each four full years of continuous service or (b) the number of monthly installments specified in the agreement, whichever is longer.

For a description of Rentrak's employment agreement with Bill Livek, our new CEO, see [Executive Compensation Discussion and Analysis of Executive Compensation Programs - CEO Hiring Package](#) above.

The following tables set forth certain information concerning payments and other benefits that would have been payable to our named executive officers under the agreements in place as of March 31, 2009, in the event their employment was terminated or a CIC had occurred on March 31, 2009 (Year End), under various circumstances described in the tables. The tables assume no future changes in benefits or vesting are made. We have not entered into any agreements or plans that provide benefits to our named executive officers solely as a result of a change in control, other than the acceleration of vesting of unvested stock options and SARs in certain circumstances. Except as noted in the footnotes to the tables, all amounts are payable by Rentrak.

- (1) Mr. Rosenbaum began serving as non-executive Chairman of the Board of Rentrak as of June 15, 2009. See Executive Compensation Discussion and Analysis of Executive Compensation Programs Employment Agreement with Chairman of the Board above.
- (2) Represents 12 months base salary as severance upon termination for good reason or without cause prior to the occurrence of a CIC not approved by Rentrak's board (columns (a) and (d)), and three times annual base salary as severance upon termination for good reason or without cause following the occurrence of a CIC not approved by Rentrak's board (columns (b) and (e)). Following Mr. Rosenbaum's death, his estate is entitled to a lump sum payment of \$500,000 less any amounts payable under any life insurance policies purchased by Rentrak for the benefit of his dependents (column (g)).
- (3) All non-performance stock options held by Mr. Rosenbaum are fully vested. The performance-based SAR awards and option awards were granted on October 10, 2008, with a grant price of \$11.10 per share, which is higher than the Year End price of \$9.00 per share, resulting in an out of the money award. No incremental value is shown relating to the vesting of options because all unvested SARs and options have an exercise price above the Year End price.
- (4) Represents the estimated current cost of continuation of 12 months of health insurance coverage (in the case of columns (a) and (d)) or three years of health insurance coverage, long-term care insurance policy and employer contribution to Rentrak's 401(k) plan (in the case of columns (b) and (e)).

other Awards, all Shares covered by such Awards will be added back into the number of Shares available for future Awards under the Plan.

5. ELIGIBILITY

Officers and other key employees of Corporation and its Subsidiaries (including employees who may also be directors of Corporation or a Subsidiary), Consultants, Non-Employee Board Directors, and Non-Employee Subsidiary Directors who, in the Committee's judgment, are or will be contributors to the long-term success of Corporation are eligible to receive Awards under the Plan.

6. AWARDS

6.1 Types of Awards. The types of Awards that may be granted under the Plan are:

- (a) Options governed by Section 7 of the Plan;
- (b) Stock Appreciation Rights governed by Section 8 of the Plan;
- (c) Restricted Awards governed by Section 9 of the Plan;
- (d) Performance Awards governed by Section 10 of the Plan; and
- (e) Other Stock-Based Awards or combination awards governed by Section 11 of the Plan.

In the discretion of the Committee, any Award may be granted alone, in addition to, or in tandem with other Awards under the Plan.

6.2 General. Subject to the limitations of the Plan, the Committee may cause Corporation to grant Awards to such Participants, at such times, of such types, in such amounts, for such periods, with such option prices, purchase prices, or base prices, and subject to such terms, conditions, limitations, and restrictions as the Committee, in its discretion, deems appropriate. Awards may be granted as additional compensation to a Participant or in lieu of other compensation to such Participant. A Participant may receive more than one Award and more than one type of Award under the Plan.

6.3 Nonuniform Determinations. The Committee's determinations under the Plan or under one or more Award Agreements, including, without limitation, (a) the selection of Participants to receive Awards, (b) the type, form, amount, and timing of Awards, (c) the terms of specific Award Agreements, and (d) elections and determinations made by the Committee with respect to exercise or payments of Awards, need not be uniform and may be made by the Committee selectively among Participants and Awards, whether or not Participants are similarly situated.

6.4 Award Agreements. Each Award will be evidenced by a written Award Agreement between Corporation and the Participant. Award Agreements may, subject to the provisions of the Plan, contain any provision approved by the Committee.

Table of Contents

6.5 Provisions Governing All Awards. All Awards are subject to the following provisions:

(a) Alternative Awards. If any Awards are designated in their Award Agreements as alternative to each other, the exercise of all or part of one Award will automatically cause an immediate equal (or pro rata) corresponding termination of the other alternative Award or Awards.

(b) Rights as Shareholders. No Participant will have any rights of a shareholder with respect to Shares subject to an Award until such Shares are issued in the name of the Participant.

(c) Employment Rights. Neither the adoption of the Plan nor the granting of any Award confers on any person the right to continued employment with Corporation or any Subsidiary or the right to remain as a director of or a Consultant to Corporation or any Subsidiary, as the case may be, nor does it interfere in any way with the right of Corporation or a Subsidiary to terminate such person's employment or to remove such person as a Consultant or as a director at any time for any reason, or for no reason, with or without cause.

(d) Restriction on Transfer. Unless otherwise expressly provided in an individual Award Agreement, no Award (other than Restricted Shares after they Vest) will be transferable other than by will or the laws of descent and distribution and each Award will be exercisable (if exercise is required), during the lifetime of the Participant, only by the Participant or, in the event the Participant becomes legally incompetent, by the Participant's guardian or legal representative. Notwithstanding the foregoing, the Committee, in its discretion, may provide in any Award Agreement that the Award:

May be freely transferred;

May be freely transferred to a class of transferees specified in the Award Agreement; or

May be transferred, but only subject to any terms and conditions specified in the Award Agreement (including, without limitation, a condition that an Award may only be transferred without payment of consideration).

Furthermore, notwithstanding the foregoing, any Award may be surrendered to Corporation pursuant to Section 6.5(h) in connection with the payment of the purchase or option price of another Award or the payment of the Participant's federal, state, or local tax withholding obligation with respect to the exercise or payment of another Award.

(e) Termination of Employment. The terms and conditions under which an Award may be exercised, if at all, after a Participant's termination of employment or service as a Non-Employee Board Director, Non-Employee Subsidiary Director, or Consultant will be determined by the Committee and specified in the applicable Award Agreement.

Table of Contents

(f) Change in Control. The Committee, in its discretion, may provide in any Award Agreement that:

(i) In the event of a Change in Control of Corporation, all or a specified portion of the Award (to the extent then outstanding) will become immediately Vested to the full extent not previously Vested. Any such acceleration of Award Vesting must comply with applicable regulatory requirements and any Participant will be entitled to decline the accelerated Vesting of all or any portion of his or her Award, if he or she determines that such acceleration may result in adverse tax consequences to him or her; and

(ii) In the event the Board approves a proposal for: (i) merger, exchange or consolidation in which Corporation is not the resulting or surviving corporation (or in which Corporation is the resulting or surviving corporation but becomes a subsidiary of another corporation); (ii) transfer of all or substantially all the assets of Corporation; (iii) sale of 25 percent or more of the combined voting power of Corporation's Voting Securities; or (iv) the dissolution or liquidation of Corporation (each, a Transaction), the Committee will notify Participants in writing of the proposed Transaction (the Proposed Transaction Notice) at least 30 days prior to the effective date of the proposed Transaction. The Committee may, in its sole discretion, and to the extent possible under the structure of the Transaction, select one of the following alternatives for treating outstanding Awards under the Plan:

(a) The Committee may provide that outstanding Awards will be converted into or replaced by Awards of a similar type relating to the securities of the surviving or acquiring corporation in the Transaction. The amount and type of securities subject to and the exercise price (if applicable) of the replacement or converted Awards will be determined by the Committee based on the exchange ratio, if any, used in determining shares of the surviving corporation to be issued to holders of Shares of Corporation. If there is no exchange ratio in the Transaction, the Committee will, in making its determination, take into account the relative values of the companies involved in the Transaction and such other factors as the Committee deems relevant. Such replacement or converted Awards will continue to Vest over the period (and at the same rate) as the Awards which the replacement or converted Awards replaced, unless determined otherwise by the Committee;

(b) The Committee may provide a 30-day period prior to the consummation of the Transaction during which all outstanding Awards will tentatively become fully Vested, and upon consummation of such Transaction, all outstanding and unexercised Awards will immediately terminate. If the Committee elects to provide such 30-day period for the exercise of Awards, the Proposed Transaction Notice must so state. Participants, by written notice to Corporation, may exercise their Awards and, in so exercising the Awards, may condition such exercise upon, and provide that such exercise will become effective immediately prior to, the consummation of the Transaction, in which event Participants need not make payment for any Common Stock to be purchased upon exercise of an Award until five days after written notice by Corporation to the Participants that the Transaction has been consummated (the Transaction Notice). If the Transaction is consummated, each Award, to the extent not previously exercised prior to the consummation of the Transaction, will terminate and

Table of Contents

cease being exercisable as of the effective date of such consummation. If the Transaction is abandoned, (1) all outstanding Awards not exercised will continue to be Vested and exercisable, to the extent such Awards were Vested and exercisable prior to the date of the Proposed Transaction Notice, and (2) to the extent that any Awards not exercised prior to such abandonment have become Vested and exercisable solely by operation of this Section 6.5(f)(ii), such Vesting and exercisability will be deemed annulled, and the Vesting and exercisability provisions otherwise in effect will be reinstated, as of the date of such abandonment; or

(c) The Committee may provide that outstanding Awards that are not fully Vested will become fully Vested subject to Corporation's right to pay each Participant a cash amount (determined by the Committee and based on the amount, if any, being received by Corporation's shareholders in the Transaction) in exchange for cancellation of the applicable Award.

Unless the Committee specifically provides otherwise in the change in control provision for a specific Award Agreement, Awards will become Vested as of a Change in Control date only if, or to the extent, such acceleration in the Vesting of the Awards does not result in an excess parachute payment within the meaning of Section 280G(b) of the Code. The Committee, in its discretion, may include change in control provisions in some Award Agreements and not in others, may include different change in control provisions in different Award Agreements, and may include change in control provisions for some Awards or some Participants and not for others.

(g) Conditioning or Accelerating Benefits. The Committee, in its discretion, may include in any Award Agreement a provision conditioning or accelerating the Vesting of an Award or the receipt of benefits pursuant to an Award, either automatically or in the discretion of the Committee, upon the occurrence of specified events, including without limitation, a Change in Control of Corporation (subject to the foregoing paragraph (f)), a sale of all or substantially all of the property and assets of Corporation, or an event of the type described in Section 13 of this Plan.

(h) Payment of Purchase Price and Withholding. The Committee, in its discretion, may include in any Award Agreement a provision permitting the Participant to pay the purchase or option price, if any, for the Shares or other property issuable pursuant to the Award, or the Participant's federal, state, or local tax withholding obligations with respect to such issuance, in whole or in part by any one or more of the following methods; provided, however, that the availability of any one or more methods of payment may be suspended from time to time if the Committee determines that the use of such payment method would result in adverse financial accounting treatment for Corporation or adverse tax treatment for Corporation or the Participant:

(i) By delivering previously owned Shares (including fully vested Restricted Shares);

(ii) By surrendering other outstanding Vested Awards under the Plan denominated in Shares or in Share equivalent units;

Table of Contents

- (iii) By reducing the number of Shares or other property otherwise Vested and issuable pursuant to the Award;
- (iv) Unless specifically prohibited by any applicable statute or rule, including, without limitation, the provisions of the Sarbanes-Oxley Act of 2002, by delivering to Corporation a promissory note payable on such terms and over such period as the Committee may determine;
- (v) By delivery (in a form approved by the Committee) of an irrevocable direction to a securities broker acceptable to the Committee (subject to the provisions of the Sarbanes-Oxley Act of 2002 and any other applicable statute or rule):
 - (a) To sell Shares subject to the Award and to deliver all or a part of the sales proceeds to Corporation in payment of all or a part of the option or purchase price and taxes or withholding taxes attributable to the issuance; or
 - (b) To pledge Shares subject to the Award to the broker as security for a loan and to deliver all or a part of the loan proceeds to Corporation in payment of all or a part of the option or purchase price and taxes or withholding taxes attributable to the issuance; or
- (vi) In any combination of the foregoing or in any other form approved by the Committee.

Shares withheld or surrendered as described above will be valued based on their Fair Market Value on the date of the transaction. Any Shares withheld or surrendered with respect to a Reporting Person will be subject to such additional conditions and limitations as the Committee may impose to comply with the requirements of the Exchange Act.

(i) **Reporting Persons**. With respect to all Awards granted to Reporting Persons, the following limitations will apply only if or to the extent required by Rule 16b-3 under the Exchange Act, unless the Award Agreement provides otherwise:

(i) Awards requiring exercise will not be exercisable until at least six months after the date the Award was granted, except in the case of the death or Disability of the Participant; and

(ii) Shares issued pursuant to any other Award may not be sold by the Participant for at least six months after acquisition, except in the case of the death or Disability of the Participant.

Award Agreements for Awards to Reporting Persons must also comply with any future restrictions imposed by such Rule 16b-3.

(j) **Service Periods**. At the time of granting an Award, the Committee may specify, by resolution or in the Award Agreement, the period or periods of service performed or to be performed by the Participant in connection with the grant of the Award.

Table of Contents

(k) **Prohibition on Repricing of Options and Stock Appreciation Rights.** Except for adjustments pursuant to Section 13, at no time shall the exercise price of an Option or the base price of a Stock Appreciation Right granted under the Plan be subsequently repriced during the period of its exercisability. For purposes of this Section, repricing means any of the following or any other action that has the same effect:

(i) Lowering the exercise or base price after the Option or Stock Appreciation Right is granted;

(ii) Any other action that is treated as a repricing under generally accepted accounting principles; or

(iii) Canceling an Option or Stock Appreciation Right at a time when its exercise or base price exceeds the Fair Market Value of the underlying Shares, in exchange for another Award, unless the cancellation and exchange occurs in connection with a merger, acquisition, spin-off or other similar corporate transaction.

7. OPTIONS

7.1 **Types of Options.** Options granted under the Plan may be in the form of Incentive Stock Options or Nonqualified Options. The grant of each Option and the Award Agreement governing each Option will identify the Option as an ISO or an NQO. In the event the Code is amended to provide for tax-favored forms of stock options other than or in addition to Incentive Stock Options, the Committee may grant Options under the Plan meeting the requirements of such forms of options.

7.2 **General.** All Options will be subject to the terms and conditions set forth in Section 6 and this Section 7 and Award Agreements governing Options may contain such additional terms and conditions, not inconsistent with the express provisions of the Plan, as the Committee deems desirable.

7.3 **Option Price.** Each Award Agreement for Options will state the option exercise price per Share of Common Stock purchasable under the Option, which may not be less than 100 percent of the Fair Market Value of a Share on the date of grant for all Options.

7.4 **Option Term.** The Award Agreement for each Option will specify the term of each Option, which may be unlimited or may have a specified period during which the Option may be exercised, as determined by the Committee.

7.5 **Time of Exercise.** The Award Agreement for each Option will specify, as determined by the Committee:

(a) The time or times when the Option becomes exercisable and whether the Option becomes exercisable in full or in graduated amounts based on: (i) continuation of employment over a period specified in the Award Agreement, (ii) satisfaction of performance goals or criteria specified in the Award Agreement, or (iii) a combination of continuation of employment and satisfaction of performance goals or criteria;

Table of Contents

(b) Such other terms, conditions, and restrictions as to when the Option may be exercised as determined by the Committee; and

(c) The extent, if any, to which the Option will remain exercisable after the Participant ceases to be an employee, Consultant, or director of Corporation or a Subsidiary.

An Award Agreement for an Option may, in the discretion of the Committee, provide whether, and to what extent, the time when an Option becomes exercisable may be accelerated or otherwise modified (i) in the event of the death, Disability, or Retirement of the Participant, or (ii) upon the occurrence of a Change in Control. The Committee may, at any time in its discretion, accelerate the time when all or any portion of an outstanding Option becomes exercisable.

7.6 Special Rules for Incentive Stock Options. In the case of an Option designated as an Incentive Stock Option, the terms of the Option and the Award Agreement will conform with the statutory and regulatory requirements specified pursuant to Section 422 of the Code, as in effect on the date such ISO is granted. ISOs may be granted only to employees of Corporation or a Subsidiary. ISOs may not be granted under the Plan after August 20, 2019, unless the ten-year limitation of Section 422(b)(2) of the Code is removed or extended.

7.7 Restricted Shares. In the discretion of the Committee, the Shares issuable upon exercise of an Option may be Restricted Shares if so provided in the Award Agreement for the Option.

7.8 Limitation on Number of Shares Subject to Options. The aggregate number of Incentive Stock Options that may be granted under the Plan may not exceed 800,000 Shares, and in no event may Options (whether or not ISOs) for more than 300,000 Shares be granted to any individual under the Plan during any fiscal year.

8. STOCK APPRECIATION RIGHTS

8.1 General. Stock Appreciation Rights are subject to the terms and conditions set forth in Section 6 and this Section 8 and Award Agreements governing Stock Appreciation Rights may contain such additional terms and conditions, not inconsistent with the express terms of the Plan, as the Committee deems desirable.

8.2 Nature of Stock Appreciation Right. A Stock Appreciation Right is an Award entitling a Participant to receive an amount equal to the excess (or, if the Committee determines at the time of grant, a portion of the excess) of the Fair Market Value of a Share of Common Stock on the date of exercise of the SAR over the base price, as described below, on the date of grant of the SAR, multiplied by the number of Shares with respect to which the SAR is being exercised. The base price will be designated by the Committee in the Award Agreement for the SAR and may be the Fair Market Value of a Share on the grant date of the SAR or such other higher price as the Committee determines. The base price may not be less than the Fair Market Value of a Share on the grant date of the SAR.

Table of Contents

8.3 **Exercise**. A Stock Appreciation Right may be exercised by a Participant in accordance with procedures established by the Committee. The Committee may also provide that a SAR will be automatically exercised on one or more specified dates or upon the satisfaction of one or more specified conditions. In the case of SARs granted to Reporting Persons, exercise of the SARs will be limited by the Committee to the extent required to comply with the applicable requirements of Rule 16b-3 under the Exchange Act.

8.4 **Form of Payment**. Payment upon exercise of a Stock Appreciation Right must be made in Shares, provided that the Committee may provide in an Award Agreement that a Stock Appreciation Right may be settled using cash or installments (a Cash Settled SAR) if the Committee determines that under the terms of such Award Agreement the Cash Settled SAR will comply with the requirements of Section 409A.

8.5 **Limitation on Number of Stock Appreciation Rights**. In no event may more than 300,000 Stock Appreciation Rights be granted to any individual under the Plan during any fiscal year.

9. RESTRICTED AWARDS

9.1 **Types of Restricted Awards**. Restricted Awards granted under the Plan may be in the form of either Restricted Shares or Restricted Stock Units.

(a) **Restricted Shares**. A Restricted Share is an Award of Shares transferred to a Participant subject to such terms and conditions as the Committee deems appropriate, including, without limitation, restrictions on the sale, assignment, transfer, or other disposition of such Restricted Shares and may include a requirement that the Participant forfeit such Restricted Shares back to Corporation upon termination of Participant's employment (or service as a Non-Employee Board Director, Non-Employee Subsidiary Director, or Consultant) for specified reasons within a specified period of time or upon other conditions, as set forth in the Award Agreement for such Restricted Shares. Each Participant receiving a Restricted Share will be issued a stock certificate in respect of such Shares, registered in the name of such Participant, and will execute a stock power in blank with respect to the Shares evidenced by such certificate. The certificate evidencing such Restricted Shares and the stock power will be held in custody by Corporation until the Restrictions have lapsed.

(b) **Restricted Stock Units**. A Restricted Stock Unit is an Award of units (with each unit having a value equivalent to one Share) granted to a Participant subject to such terms and conditions as the Committee deems appropriate, and may include a requirement that the Participant forfeit such Restricted Stock Units upon termination of Participant's employment (or service as a Non-Employee Board Director, Non-Employee Subsidiary Director, or Consultant) for specified reasons within a specified period of time or upon other conditions, as set forth in the Award Agreement for such Restricted Stock Units. Under Section 409A, Restricted Stock Unit Awards may be treated, for income tax purposes, as deferred compensation arrangements. In each Award Agreement for each Restricted Stock Unit Award, the Committee will (a) specify the Settlement Period and (b) set the other terms and conditions of the Award Agreement so that the Restricted Stock Unit Award will comply with all applicable requirements of Section 409A.

9.2 **General**. Restricted Awards are subject to the terms and conditions of Section 6 and this Section 9 and Award Agreements governing Restricted Awards may contain such additional terms and conditions, not inconsistent with the express provisions of the Plan, as the Committee deems desirable.

9.3 **Restriction Period**. Award Agreements for Restricted Awards will provide that Restricted Awards, and the Shares subject to Restricted Awards, may not be transferred, and may provide that, in order for a Participant to Vest in such Restricted Awards, the Participant must remain in the employment (or remain as a Non-Employee Board Director, Non-Employee Subsidiary Director, or Consultant) of Corporation or its Subsidiaries, subject to relief for reasons specified in the Award Agreement, for a period commencing on the grant date of the Award and ending on such later date or dates as the Committee may designate at the time of the Award (the Restriction Period). During the Restriction Period, a Participant may not sell, assign, transfer, pledge, encumber, or otherwise dispose of Shares received under or governed by a Restricted Award grant. The Committee, in its sole discretion, may provide for the lapse of restrictions in installments during the Restriction Period. Upon expiration of the applicable Restriction Period (or lapse of Restrictions during the Restriction Period where the Restrictions lapse in installments) the Participant will be entitled to settlement of the Restricted Award or portion thereof, as the case may be. Although Restricted Awards will usually Vest based on continued employment (or service as a Non-Employee Board Director, Non-Employee Subsidiary Director, or Consultant) and Performance Awards under Section 10 will usually Vest based on attainment of Performance Goals, the Committee, in its discretion, may condition Vesting of Restricted Awards on attainment of Performance Goals as well as continued employment (or service as a Non-Employee Board Director, Non-Employee Subsidiary Director, or Consultant). In such case, the Restriction Period for such a Restricted Award will include the period prior to satisfaction of the Performance Goals.

9.4 **Forfeiture**. If a Participant ceases to be an employee (or Consultant, Non-Employee Board Director, or Non-Employee Subsidiary Director) of Corporation or a Subsidiary during the Restriction Period for any reason other than reasons which may be specified in an Award Agreement (such as death, Disability, or Retirement) the Award Agreement may require that all non-Vested Restricted Awards previously granted to the Participant be forfeited and returned to Corporation.

9.5 **Settlement of Restricted Awards**.

(a) **Restricted Shares**. Upon Vesting of a Restricted Share Award, the legend on such Shares will be removed, the Participant's stock power will be returned and the Shares will no longer be Restricted Shares.

(b) **Restricted Stock Units**. Within the Settlement Period after Vesting of a Restricted Stock Unit Award, a Participant will be entitled to receive payment for Restricted Stock Units in an amount equal to the aggregate Fair Market Value of the Shares covered by such Restricted Stock Units at the expiration of the applicable Restriction Period. Payment in settlement of a Restricted Stock Unit will be made during the Settlement Period following the conclusion of the applicable Restriction Period in cash, in installments, or in Shares equal to the

number of Restricted Stock Units or in any other manner or combination of such methods as the Committee, in its sole discretion, determines.

9.6 **Rights as a Shareholder.** A Participant has, with respect to unforfeited Shares received under a grant of Restricted Shares, all the rights of a shareholder of Corporation, including the right to vote the shares, and the right to receive any cash dividends. Stock dividends issued with respect to Restricted Shares will be treated as additional Shares covered by the grant of Restricted Shares and will be subject to the same Restrictions. A Participant will have no rights as a shareholder with respect to a Restricted Stock Unit Award until Shares are issued to the Participant in settlement of the Award.

9.7 **Limitation in Number of Restricted Awards.** The aggregate number of shares subject to Restricted Share Awards and Restricted Stock Unit Awards that may be granted under the Plan may not exceed 750,000 Shares, and in no event may Restricted Awards representing more than 300,000 Shares be granted to any individual under the Plan during any fiscal year.

10. PERFORMANCE AWARDS

10.1 **General.** Performance Awards are subject to the terms and conditions set forth in Section 6 and this Section 10 and Award Agreements governing Performance Awards may contain such other terms and conditions not inconsistent with the express provisions of the Plan, as the Committee deems desirable.

10.2 **Nature of Performance Awards.** A Performance Award is an Award of units (with each unit having a value equivalent to one Share) granted to a Participant subject to such terms and conditions as the Committee deems appropriate, including, without limitation, the requirement that the Participant forfeit all or a portion of such Performance Award in the event specified performance criteria are not met within a designated period of time. Under Section 409A, Performance Awards may be treated, for income tax purposes, as deferred compensation arrangements. In the Award Agreement for each Performance Award, the Committee will (a) specify the Settlement Period, and (b) set the other terms and conditions of the Award Agreement so that the Performance Award will comply with all applicable requirements of Section 409A.

10.3 **Performance Cycles.** For each Performance Award, the Committee will designate a performance period (the Performance Cycle) with a duration to be determined by the Committee in its discretion within which specified Performance Goals are to be attained. There may be several Performance Cycles in existence at any one time and the duration of Performance Cycles may differ from each other.

10.4 **Performance Goals.** The Committee will establish Performance Goals for each Performance Cycle on the basis of such criteria and to accomplish such objectives as the Committee may from time to time select. Performance Goals may be based on (i) performance criteria for Corporation, a Subsidiary, or an operating group, (ii) a Participant's individual performance, or (iii) a combination of both. Performance Goals may include objective and subjective criteria. During any Performance Cycle, the Committee may adjust the Performance Goals for such Performance Cycle as it deems equitable in recognition of unusual or

nonrecurring events affecting Corporation, changes in applicable tax laws or accounting principles, or such other factors as the Committee may determine.

10.5 Performance Goals for Executive Officers. The Performance Goals for Performance Awards granted to executive officers of Corporation may relate to corporate performance, business unit performance, or a combination of both.

(a) Corporate Performance Goals will be based on financial performance goals related to the performance of Corporation as a whole and may include one or more measures related to earnings, profitability, cash flow (including measures based on Earnings Before Interest, Taxes, Depreciation, and Amortization [EBITDA]), efficiency, or return to shareholders such as earnings per share, operating income, stock price, costs of production, revenue growth, return on equity, return on assets or return on invested capital.

(b) Business unit Performance Goals will be based on a combination of financial goals and strategic goals related to the performance of an identified business unit for which a Participant has responsibility. Strategic goals for a business unit may include one or a combination of objective factors relating to success in implementing strategic plans or initiatives, introducing products, constructing facilities, developing software, or other identifiable objectives. Financial goals for a business unit may include the degree to which the business unit achieves one or more objective measures related to its revenues, earnings, profitability, efficiency, operating income, costs of production, cash flow, return on equity, return on assets, or return on invested capital.

(c) Any corporate or business unit Performance Goals may be expressed as absolute amounts or as ratios or percentages. Success may be measured against various standards, including budget targets, improvement over prior periods, and performance relative to other companies, business units, or industry groups.

10.6 Determination of Awards. As soon as practicable after the end of a Performance Cycle, the Committee will determine the extent to which Performance Awards have been earned on the basis of performance in relation to the established Performance Goals.

10.7 Timing and Form of Payment. Settlement of earned Performance Awards will be made to the Participant within the Settlement Period after the expiration of the Performance Cycle and the Committee's determination under Section 10.6, in the form of cash, installments, Shares, or any combination of the foregoing or in any other form as the Committee determines.

10.8 Limitation on Number of Performance Awards. In no event may Performance Awards representing more than 300,000 Shares be granted to any individual under the Plan during any fiscal year.

11. OTHER STOCK-BASED AND COMBINATION AWARDS

11.1 Other Stock-Based Awards. The Committee may grant other Awards under the Plan pursuant to which Shares are or may in the future be acquired, or Awards denominated in or measured by Share equivalent units, including Awards valued using measures other than the market value of Shares. Other Stock-Based Awards are not restricted to any specific form or

structure and may include, without limitation, Share purchase warrants, other rights to acquire Shares, and securities convertible into or redeemable for Shares. Other Stock-Based Awards may be granted either alone, in addition to, or in tandem with, any other type of Award granted under the Plan.

11.2 Combination Awards. The Committee may also grant Awards under the Plan in tandem or combination with other Awards or in exchange of Awards, or in tandem or combination with, or as alternatives to, grants or rights under any other employee plan of Corporation, including the plan of any acquired entity. No action authorized by this section will reduce the amount of any existing benefits or change the terms and conditions thereof without the Participant's consent.

12. DIVIDEND EQUIVALENTS

Any Award may, to the extent provided in its Award Agreement, at the discretion of the Committee, earn dividend equivalents. In respect of any such Award that is outstanding on a dividend record date for Common Stock, the Participant may be credited with an amount equal to the amount of cash or stock dividends that would have been paid on the Shares covered by such Award, had such covered Shares been issued and outstanding on such dividend record date. The Committee will establish such rules and procedures governing the crediting of dividend equivalents, including the timing, form of payment, and payment contingencies of such dividend equivalents, as it deems appropriate or necessary.

13. ADJUSTMENTS UPON CHANGES IN CAPITALIZATION, ETC.

13.1 Plan Does Not Restrict Corporation. The existence of the Plan and the Awards granted under the Plan will not affect or restrict in any way the right or power of the Board or the shareholders of Corporation to make or authorize any adjustment, recapitalization, reorganization, or other change in Corporation's capital structure or its business, any merger or consolidation of Corporation, any issue of bonds, debentures, preferred or prior preference stocks ahead of or affecting Corporation's capital stock or the rights thereof, the dissolution or liquidation of Corporation or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding.

13.2 Adjustments to Shares Subject to the Plan and Outstanding Awards. In the event of a stock split (including a reverse stock split), a dividend or distribution paid in Common Stock, or a recapitalization of or affecting Common Stock, the aggregate number and kind of shares reserved for issuance under the Plan, the maximum limitations on the number of shares that may be issued as Awards granted to a single Participant in any fiscal year under the Plan, the number, kind, and price per share subject to each outstanding Option and SAR and the number and kind of shares subject to other Awards granted under the Plan, will automatically be adjusted proportionately, or substituted, to reflect the effect of such stock split, distribution paid in Common Stock, or recapitalization. In the event of any merger or consolidation, separation (including a spin off), a reorganization (whether or not such reorganization comes within the definition of such term in Section 368 of the Code), any partial or complete liquidation, or any other change in corporate capitalization not specifically addressed in the preceding sentence, the Committee may make such adjustments or substitution in the aggregate number and kind of

shares reserved for issuance under the Plan, the maximum limitations on the number of shares that may be issued as Awards granted to a single Participant under the Plan, the number, kind, and price per share subject to each outstanding Option and SAR, the number and kind of shares subject to other outstanding Awards under the Plan and/or such other equitable adjustments or substitutions as it may determine to be appropriate in its sole discretion.

14. AMENDMENT AND TERMINATION

The Board may amend, suspend, or terminate the Plan or any portion of the Plan at any time, provided that no amendment may be made without shareholder approval if such approval is required by applicable law or the requirements of an applicable stock exchange or registered securities association.

15. MISCELLANEOUS

15.1 Tax Withholding. Corporation has the right to deduct from any settlement of any Award under the Plan, including the delivery or Vesting of Shares or Awards, any federal, state, or local taxes of any kind required by law to be withheld with respect to such payments or to take such other action as may be necessary in the opinion of Corporation to satisfy all obligations for the payment of such taxes. The recipient of any payment or distribution under the Plan has the obligation to make arrangements satisfactory to Corporation for the satisfaction of any such tax withholding obligations. Corporation will not be required to make any such payment or distribution under the Plan until such obligations are satisfied.

15.2 Unfunded Plan. The Plan will be unfunded and Corporation will not be required to segregate any assets that may at any time be represented by Awards under the Plan. Any liability of Corporation to any person with respect to any Award under the Plan will be based solely upon any contractual obligations that may be effected pursuant to the Plan. No such obligation of Corporation will be deemed to be secured by any pledge of, or other encumbrance on, any property of Corporation.

15.3 Annulment of Awards. Any Award Agreement may provide, in the discretion of the Committee, that the grant of an Award payable in cash is revocable until cash is paid in settlement of the Award or that grant of an Award payable in Shares is revocable until the Participant becomes entitled to the certificate in settlement of the Award. In the event the employment (or service as a Non-Employee Board Director, Non-Employee Subsidiary Director, or Consultant) of a Participant is terminated for cause (as defined below), any Award that is revocable will be annulled as of the date of such termination for cause. For the purpose of this Section 15.3, the term for cause has the meaning set forth in the Participant's employment agreement, if any, or otherwise means any discharge (or removal) for material or flagrant violation of the policies and procedures of Corporation or for other performance or conduct which is materially detrimental to the best interests of Corporation, as determined by the Committee.

15.4 Engaging in Competition With Corporation. Any Award Agreement may provide, in the discretion of the Committee, that, if a Participant terminates employment (or service as a Non-Employee Board Director, Non-Employee Subsidiary Director, or Consultant)

with Corporation or a Subsidiary for any reason whatsoever, and within a period of time (as specified in the Award Agreement) after the date of such termination accepts employment with any competitor of (or otherwise engages in competition with) Corporation, the Committee, in its sole discretion, may require such Participant to return to Corporation the economic value of any Award that is realized or obtained (measured at the date of exercise, Vesting, or payment) by such Participant at any time during the period beginning on the date that is six months prior to the date of such Participant's termination of employment (or service as a Non-Employee Board Director, Non-Employee Subsidiary Director, or Consultant) with Corporation.

15.5 Other Corporation Benefit and Compensation Programs. Payments and other benefits received by a Participant under an Award made pursuant to the Plan are not to be deemed a part of a Participant's regular, recurring compensation for purposes of the termination indemnity or severance pay law of any state or country and will not be included in, or have any effect on, the determination of benefits under any other employee benefit plan or similar arrangement provided by Corporation or a Subsidiary unless expressly so provided by such other plan or arrangements, or except where the Committee expressly determines that an Award or portion of an Award should be included to accurately reflect competitive compensation practices or to recognize that an Award has been made in lieu of a portion of cash compensation. Awards under the Plan may be made in combination with or in tandem with, or as alternatives to, grants, awards, or payments under any other Corporation or Subsidiary plans, arrangements, or programs. The Plan notwithstanding, Corporation or any Subsidiary may adopt such other compensation programs and additional compensation arrangements as it deems necessary to attract, retain, and reward employees and directors for their service with Corporation and its Subsidiaries.

15.6 Securities Law Restrictions. No Shares may be issued under the Plan unless counsel for Corporation is satisfied that such issuance will be in compliance with applicable federal and state securities laws. Certificates for Shares delivered under the Plan may be subject to such stop-transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange or registered securities association upon which the Common Stock is then listed or quoted, and any applicable federal or state securities laws. The Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

15.7 Governing Law. Except with respect to references to the Code or federal securities laws, the Plan and all actions taken thereunder will be governed by and construed in accordance with the laws of the state of Oregon.

16. SHAREHOLDER APPROVAL

The amendment and restatement of the Plan is expressly subject to the approval of the Plan, as amended and restated, by a majority of the total votes cast at a meeting of Corporation's shareholders duly held in accordance with the requirements of the Oregon Business Corporation Act and Corporation's Bylaws. If such approval is not obtained on or before September 30, 2009, the Plan will continue in effect without the amendments reflected herein.
