Item 6. Purposes of the Transaction and Plans or Proposals.

(b) Use of Securities Acquired. The information set forth in the Offer to Exchange in the sections entitled "Purposes of the Offer and Reasons for the Structure of the Offer" and "Acceptance of Share Options for Exchange; Grant of Restricted Share Units" are incorporated herein by reference.

(c) Plans. The information set forth in the Offer to Exchange under "Purposes of the Offer and Reasons for Structure of the Offer" is incorporated herein by reference. To best support our business and growth strategies, and more specifically, our focus on diversifying our business within financial services, we are in the process of evaluating whether to move our corporate domicile from Bermuda to the United States. If we were to complete this move, our parent company would be organized under the corporate laws of Delaware and we would file new organizational documents. We are considering this move as a way of improving our position in light of, and increasing our flexibility to respond to, our current and anticipated competitive and regulatory landscape. In connection with this evaluation, and to maintain flexibility, we have sought and obtained an amendment to our five-year revolving credit facility that allows (but does not require) us to move our corporate domicile from Bermuda to Delaware by means of a continuance, creating a new holding company or similar corporate transaction. Because we are evaluating whether to move our corporate domicile, and because we have not made any final decision with respect to how we would change our corporate domicile, the timing, process and impact of such a move to our company are uncertain at this time. Further, because of the foregoing, our plans with respect to such a move could change.

(a) Source of Funds. The information set forth in the Offer to Exchange in the section entitled "Source and Amount of Consideration; Terms of Restricted Share Units" is incorporated herein by reference.

(a) Solicitations or Recommendations. Not applicable
