This is one of the Securities of the series designated herein referred to in the Indenture.

THE BANK OF NEW YORK MELLON,
As Trustee

By:
Authorized Signatory

(Reverse of Security)

This Security is one of a duly authorized issue of securities of the Company (herein called the Securities) issued and to be issued in one or more series under an Indenture, dated as of September 16, 2004 (herein called the Indenture, which term shall have the meaning assigned to it in such instrument), between the Company and The Bank of New York Mellon, as Trustee (herein called the Trustee, which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee, the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. Insofar as the provisions of the Indenture may conflict with the provisions set forth on the face of this Security, the latter shall control for purposes of this Security.

This Security is one of the series designated on the face hereof, limited to a principal amount of \$3,000,000,000, which amount may be increased at the option of the Company if in the future it determines that it may wish to sell additional Securities of this series. References herein to this series mean the series designated on the face hereof.

Payments under the Securities will be made without deduction or withholding for, or on account of, any and all present or future income, stamp and other taxes, levies, imposts, duties, charges, fees, deductions or withholdings (Taxes) now or hereafter imposed, levied, collected, withheld or assessed by or on behalf of the United Kingdom or any political subdivision or authority thereof or therein having the power to tax (each a Taxing Jurisdiction), unless such deduction or withholding is required by law. If any such Taxes are at any time required by a Taxing Jurisdiction to be deducted or withheld, the Company will, subject to the exceptions and limitations set forth in Section 10.04 of the Indenture, pay such additional amounts of the principal of such Security and any other amounts payable on such Security (Additional Amounts) as may be necessary in order that the net amounts paid to the Holder of any Security, after such deduction or withholding, shall equal the amounts of the principal of such Security and any other amounts payable on such Security which would have been payable in respect of such Security had no such deduction or withholding be required.

If at any time the Company determines that as a result of a change in or amendment to the laws or regulations of a Taxing Jurisdiction (including any treaty to which such Taxing Jurisdiction is a party), or a change in an official application or interpretation of such laws or regulations (including a decision of any court or tribunal), either generally or in relation to any particular Securities, which change, amendment, application or interpretation becomes effective on or after January 5, 2010, and, in the event that any successor entity has assumed the obligations of the Company, which

change or amendment becomes effective on or after the date of such assumption of the Company's obligations: (a) in making any payments of principal or interest, if any, on, or in respect of, such series of Securities, the Company or any such successor entity that has assumed the obligations of the Company has paid or will or would on the next Interest Payment Date be required to pay Additional Amounts with respect thereto, or (b) the Company or any such successor entity would not be entitled to claim a deduction in respect of such payments in computing its taxation liabilities, then the Securities will be redeemable upon not less than 30 nor more than 60 days' notice by mail, on any Interest Payment Date thereafter, in whole but not in part, at the election of the Company as provided in the Indenture at a redemption price equal to 100% of the principal amount of such Securities together with any accrued but unpaid interest (if any) in respect of such Securities to the date fixed for redemption. In any case where the Company shall determine that as a result of either Section 11.08 or Section 11.09 of the Indenture it is entitled to redeem the Securities of any series, the Company shall be required to deliver to the Trustee prior to the giving of any notice of redemption a written legal opinion of independent counsel of recognized standing (selected by the Company) in a form satisfactory to the Trustee confirming that the Company is entitled to exercise its right of redemption under Sections 11.08 or 11.09 of the Indenture.

The successor entity that assumes the obligations of the Company pursuant to Section 8.03 of the Indenture shall also be entitled to redeem the Securities of the relevant series in accordance with Section 11.08 of the Indenture with respect to any change or amendment to, or change in the application or interpretation of the laws or regulations (including any treaty) of the successor entity's jurisdiction of incorporation which change or amendment occurs subsequent to the date of any such assumption.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

As provided in and subject to the provisions of the Indenture, the Holder of this Security shall not have any right to institute any proceeding, judicial or otherwise, with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Securities of this series, the Holders of not less than 25% in aggregate principal amount of the Securities of this series at the time Outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request, the Trustee shall not have received from the Holders of a majority in principal amount of Securities of this series at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity, and, in the case of a proceeding for the winding-up of the Company in England, such proceeding is in the name and on behalf of the Trustee to the same extent (but no further or otherwise) as the Trustee would have been entitled so to do. The foregoing shall not apply to any suit instituted by the Holder of this Security for the enforcement of any payment of principal hereof or interest hereon on or after the respective due dates expressed or provided for herein.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Security at the times, place and rate, and in the coin or currency, as herein provided.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Senior Debt Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company in any place where the principal of this Security is payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Senior Debt Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing. Thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

This Security, and any other Securities of this series and of like tenor, are issuable only in registered form without coupons in initial denominations of \$100,000 and increments of \$1,000 thereafter.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Indenture provides that the Company will be discharged from any and all obligations in respect of this Security (except for certain obligations to register the transfer or exchange of the Security, replace stolen, lost or mutilated Securities, maintain paying agencies and hold moneys for payment in trust) or need not comply with certain restrictive covenants of the Indenture, in each case if the Company deposits, in trust, with the Trustee money or Government Obligations which through the payment of interest thereon and principal thereof in accordance with their terms will provide money, in an amount sufficient to pay all the principal of, and interest on, the Security on the dates such payments are due in accordance with the terms of this Security and certain other conditions are satisfied.

This Security and the Indenture shall be governed by and construed in accordance with the laws of the State of New York.

(Reverse of Security)

This Security is one of a duly authorized issue of securities of the Company (herein called the Securities) issued and to be issued in one or more series under an Indenture, dated as of September 16, 2004 (herein called the Indenture, which term shall have the meaning assigned to it in such instrument), between the Company and The Bank of New York Mellon, as Trustee (herein called the Trustee, which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee, the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. Insofar as the provisions of the Indenture may conflict with the provisions set forth on the face of this Security, the latter shall control for purposes of this Security.

This Security is one of the series designated on the face hereof, limited to a principal amount of \$3,000,000,000, which amount may be increased at the option of the Company if in the future it determines that it may wish to sell additional Securities of this series. References herein to this series mean the series designated on the face hereof.

Payments under the Securities will be made without deduction or withholding for, or on account of, any and all present or future income, stamp and other taxes, levies, imposts, duties, charges, fees, deductions or withholdings (Taxes) now or hereafter imposed, levied, collected, withheld or assessed by or on behalf of the United Kingdom or any political subdivision or authority thereof or therein having the power to tax (each a Taxing Jurisdiction), unless such deduction or withholding is required by law. If any such Taxes are at any time required by a Taxing Jurisdiction to be deducted or withheld, the Company will, subject to the exceptions and limitations set forth in Section 10.04 of the Indenture, pay such additional amounts of the principal of such Security and any other amounts payable on such Security (Additional Amounts) as may be necessary in order that the net amounts paid to the Holder of any Security, after such deduction or withholding, shall equal the amounts of the principal of such Security and any other amounts payable on such Security which would have been payable in respect of such Security had no such deduction or withholding be required.

If at any time the Company determines that as a result of a change in or amendment to the laws or regulations of a Taxing Jurisdiction (including any treaty to which such Taxing Jurisdiction is a party), or a change in an official application or interpretation of such laws or regulations (including a decision of any court or tribunal), either generally or in relation to any particular Securities, which change, amendment, application or interpretation becomes effective on or after January 5, 2010, and, in the event that any successor entity has assumed the obligations of the Company, which

change or amendment becomes effective on or after the date of such assumption of the Company's obligations: (a) in making any payments of principal or interest, if any, on, or in respect of, such series of Securities, the Company or any such successor entity that has assumed the obligations of the Company has paid or will or would on the next Interest Payment Date be required to pay Additional Amounts with respect thereto, or (b) the Company or any such successor entity would not be entitled to claim a deduction in respect of such payments in computing its taxation liabilities, then the Securities will be redeemable upon not less than 30 nor more than 60 days' notice by mail, on any Interest Payment Date thereafter, in whole but not in part, at the election of the Company as provided in the Indenture at a redemption price equal to 100% of the principal amount of such Securities together with any accrued but unpaid interest (if any) in respect of such Securities to the date fixed for redemption. In any case where the Company shall determine that as a result of either Section 11.08 or Section 11.09 of the Indenture it is entitled to redeem the Securities of any series, the Company shall be required to deliver to the Trustee prior to the giving of any notice of redemption a written legal opinion of independent counsel of recognized standing (selected by the Company) in a form satisfactory to the Trustee confirming that the Company is entitled to exercise its right of redemption under Sections 11.08 or 11.09 of the Indenture.

The successor entity that assumes the obligations of the Company pursuant to Section 8.03 of the Indenture shall also be entitled to redeem the Securities of the relevant series in accordance with Section 11.08 of the Indenture with respect to any change or amendment to, or change in the application or interpretation of the laws or regulations (including any treaty) of the successor entity's jurisdiction of incorporation which change or amendment occurs subsequent to the date of any such assumption.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

As provided in and subject to the provisions of the Indenture, the Holder of this Security shall not have any right to institute any proceeding, judicial or otherwise, with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Securities of this series, the Holders of not less than 25% in aggregate principal amount of the Securities of this series at the time Outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request, the Trustee shall not have received from the Holders of a majority in principal amount of Securities of this series at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity, and, in the case of a proceeding for the winding-up of the Company in England, such proceeding is in the name and on behalf of the Trustee to the same extent (but no further or otherwise) as the Trustee would have been entitled so to do. The foregoing shall not apply to any suit instituted by the Holder of this Security for the enforcement of any payment of principal hereof or interest hereon on or after the respective due dates expressed or provided for herein.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Security at the times, place and rate, and in the coin or currency, as herein provided.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Senior Debt Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company in any place where the principal of this Security is payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Senior Debt Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing. Thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

This Security, and any other Securities of this series and of like tenor, are issuable only in registered form without coupons in initial denominations of \$100,000 and increments of \$1,000 thereafter.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

2. **English Law**

The opinions set out in this letter (which are strictly limited to the matters stated herein and are not to be read as extended, by implication or otherwise, to any other matters) relate only to English law as applied by the English courts as at today's date. This letter expresses no opinion on the laws of any other jurisdiction and is governed by English law.

3. **Assumptions**

The opinions set out in this letter are based upon the following assumptions:

- 3.1 The genuineness of all signatures, stamps and seals, the conformity to the originals of all documents supplied to us as copies of whatever nature and the authenticity of the originals of such documents and that all deeds and counterparts were executed in single physical form.
- 3.2 That the Issue Documents are duly authorised by and duly executed by or on behalf of each of the parties thereto (except the Issuer) and that entering into the Issue Documents and the performance thereof is within the capacity and powers of each of them (except as aforesaid).
- 3.3 That the resolutions set out in the minutes referred to above were passed at a duly convened and quorate meeting and have not been revoked or superseded and that the minutes of any meeting (or any extract of such minutes) referred to above are true records of the proceedings at the meeting.

4. Opinion as to English Law

On the basis of such assumptions and subject to the reservation set out below, we are of the opinion that the issue of the Senior Debt Securities has been duly authorised by or on behalf of the Issuer.

5. Reservations

The opinion set out in paragraph 4 above is subject to a number of reservations. You should particularly note that it is our experience that searches and enquiries of the type referred to in paragraphs 3.6 and 3.7 above may be unreliable and, in particular, that notice of a winding up order made or resolutions passed, or an administration order made, or a receiver or administrative receiver appointed may not be filed promptly at the Companies Registry.

6. Limits of our Opinion

We express no opinion as to any agreement, instrument or other document other than as specified in this letter which may arise or be suffered as a result of or in connection with the Senior Debt Securities or their creation, issue, allotment or delivery. We have not been responsible for investigation or verification of statements of fact (including statements as to foreign law) or the reasonableness of any statements of opinion contained in the Prospectus, the Underwriting Agreement or the Pricing Agreement, nor have we been responsible for ensuring that the Prospectus contains all material facts. In particular, we have not been responsible for ensuring that the Prospectus complies with the rules of the New York Stock Exchange, or the requirements of any competent authority.

This letter is given solely for the purposes of the issue of the Senior Debt Securities and for the information of the persons to whom it is addressed, and may not be relied upon for any other purpose or by any other person.

We hereby consent to the filing of this opinion as an exhibit to a Current Report on Form 6-K to be incorporated by reference in the Registration Statement and the reference to us under the heading "Validity of Securities" in the Prospectus Supplement relating to the Securities, dated 5 January 2010. In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the US Securities Act of 1933.

Yours faithfully
