### TERMINATION OF REGISTRATION

This Post-Effective Amendment No. 1 (this Post-Effective Amendment ), filed by i2 Technologies, Inc., a Delaware corporation (the Company ), removes from registration all shares of the Company's Common Stock, par value \$0.001 per share (the Common Stock ), registered under the Registration Statement on Form S-8 (File No. 333-03703) initially filed by the Company on May 14, 1996 (the Registration Statement ) with the Securities and Exchange Commission, pertaining to the registration of 3,230,000 shares of Common Stock relating to the Company's 1995 Stock Option/Stock Issuance Plan and Employee Stock Purchase Plan.

On November 4, 2009, the Company entered into an Agreement and Plan of Merger (the Merger Agreement ) with JDA Software Group, Inc., a Delaware corporation ( JDA ), and Alpha Acquisition Corp., a Delaware corporation and a wholly owned subsidiary of JDA ( Merger Sub ), providing for, among other things, the merger of the Company with and into Merger Sub, (the Merger ) with the Company continuing as the surviving corporation and a wholly-owned subsidiary of JDA.

On January 28, 2010, the Merger became effective as a result of the filing of a Certificate of Merger with the Secretary of State of the State of Delaware. As a result of the Merger, each share of Common Stock outstanding immediately prior to the Merger was converted into the right to receive 0.2562 of a share of JDA common stock and \$12.70 in cash; provided, however, that holders of the Company's common stock will not receive any fractional JDA shares in the Merger and are, in lieu thereof, entitled to receive a cash payment equal to the fraction of a share of JDA's common stock to which the holder would otherwise be entitled multiplied by the average closing price of JDA's common stock on The Nasdaq Stock Market for the five consecutive trading days through and including January 25, 2010, or \$26.25.

Also, pursuant to the Merger Agreement, each issued and outstanding share of the Company's Series B Convertible Preferred Stock was converted into the right to receive \$1,100.00 per share in cash, plus all accrued and unpaid dividends through the effective time of the Merger, each outstanding option to purchase the Company's common stock was canceled and converted into the right to receive the merger consideration with respect to the number of shares of the Company's common stock that would have been issuable upon a net exercise of such option, and each outstanding restricted stock unit award became fully vested (except that if the applicable award agreement provided that a lesser percentage became vested upon consummation of the Merger, such award only became vested as to such lesser percentage) and was canceled, and the holder of such award became entitled to receive the applicable merger consideration for each share of the Company's common stock into which the vested portion of the award would otherwise have been convertible.

As a result of the Merger, the Company has terminated all offerings of its securities pursuant to its existing registration statements, including the Registration Statement. Effective upon filing hereof, the Company hereby removes from registration all shares of Common Stock registered under the Registration Statement that remain unsold as of the date of this Post-Effective Amendment.
