If the terms of the securities offered vary between the accompanying prospectus supplement and this prospectus, you should rely on the information contained in the prospectus supplement.

You should read both this prospectus and any prospectus supplement together with the additional information described below under **Where You Can Find More Information** to learn more about us and the securities we are offering.

ABOUT SUNOCO

Our headquarters are at 1735 Market Street, Suite LL, Philadelphia, PA 19103-7583. Our telephone number is (215) 977-3000 and our Internet website address is www.SunocoInc.com.

We were incorporated in Pennsylvania in 1971. We, or our predecessors, have been active in the petroleum industry since 1886. We are a leading manufacturer and marketer of petroleum and petrochemical products. With 675,000 barrels per day of refining capacity, approximately 4,700 retail sites selling gasoline and convenience items, and an ownership interest in approximately 6,000 miles of crude oil and refined product pipelines and 41 product terminals, we are one of the largest independent refiner-marketers in the United States. We are a significant manufacturer of petrochemicals with annual sales of approximately five billion pounds, largely chemical intermediates used to make fibers, plastics, film and resins. In the United States, we also have the nominal capacity to manufacture approximately 3.67 million tons annually of high-quality metallurgical-grade coke for use in the steel industry, and we are the operator of, and have an equity interest in, a 1.7 million tons-per-year cokemaking facility in Vitória, Brazil.

USE OF PROCEEDS

Unless we specify otherwise in any prospectus supplement, the net proceeds (after the payment of offering expenses and underwriting discounts and commissions) from the sale of securities offered from time to time using this prospectus will be used for our general corporate purposes, which may include:

paying or refinancing our indebtedness;

funding working capital, capital expenditures or acquisitions;

investing in or lending money to our subsidiaries; and

repurchasing or redeeming our securities.

The actual application of proceeds from the sale of any particular offering of securities using this prospectus will be described in the applicable prospectus supplement relating to such offering. The precise amount and timing of the application of these proceeds will depend upon our funding requirements and the availability and cost of other funds.

We will not receive any of the proceeds from the sale of our common stock by selling shareholders.

RATIO OF EARNINGS TO FIXED CHARGES

The following are the ratios of earnings to fixed charges for the periods indicated:

	Nine Months						
	Ended						
	September 30, 2009	2008	2008	2007	2006	2005	2004
Ratio of earnings to fixed charges	N/A(1)	7.41	7.88	7.62	9.13	10.40	6.77

Edgar Filing: SUNOCO INC - Form POSASR

(1) Earnings were inadequate to cover fixed charges by \$591 million.

We have computed the ratio of earnings to fixed charges using principally pretax earnings from continuing operations before deducting fixed charges. Fixed charges consist of interest cost and debt expense (including amounts capitalized) and one-third of rental expense relating to operating leases (which is that portion deemed to be interest). The computation of the ratios for all periods presented treats the Tulsa refinery, which was sold on June 1, 2009, as a discontinued operation and reflects the adoption of new accounting guidance concerning noncontrolling interests, which was effective January 1, 2009.

PLAN OF DISTRIBUTION

We (or, in the case of our common stock, we or selling shareholders) may sell the securities offered by this prospectus:

to or through underwriters or dealers;

directly to one or more institutional purchasers; or

through agents.

The prospectus supplement with respect to the securities being offered will set forth the terms of the offering of the securities, including:

the name or names of any underwriters or agents;

the purchase price of the securities and the proceeds to us from such sale;

any delayed delivery arrangements;

any underwriting discounts and other items constituting underwriters' compensation;

any initial public offering price; and

any discounts or concessions allowed or re-allowed or paid to dealers and any securities exchanges on which the securities may be listed.

If any securities are sold pursuant to this prospectus by any persons other than us, we will, in a prospectus supplement, name the selling shareholders, indicate the nature of any relationship such holders have had to us or any of our affiliates during the three years preceding such offering, state the amount of securities of the class owned by such security holder prior to the offering and the amount to be offered for the security holder's account, and state the amount and (if one percent or more) the percentage of the class to be owned by such security holder after completion of the offering.

The distribution of the securities may be effected from time to time in one or more transactions at a fixed price or prices, which may be changed, at market prices prevailing at the time of sale, at prices related to the prevailing market prices or at negotiated prices.

The securities may be offered to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more firms acting as underwriters. Only underwriters named in the prospectus supplement are deemed to be underwriters in connection with the securities offered by that prospectus supplement. The obligations of the underwriters to purchase any securities will be subject to conditions precedent, and the underwriters will be obligated to purchase all of the securities offered by the prospectus supplement if any such securities are purchased. Any initial public offering price and any discounts or concessions allowed or re-allowed or paid to dealers may be changed from time to time.

In order to facilitate the offering of the securities, any underwriters may engage in transactions that stabilize, maintain or otherwise affect the price of the securities or any other securities the prices of which may be used to determine payments on such securities. Specifically, any underwriters may overallocate in connection with the offering, creating a short position for their own accounts. In addition, to cover overallocations

Edgar Filing: SUNOCO INC - Form POSASR

or to stabilize the price of the securities, or of any such other securities, the underwriters may bid for, and purchase, the securities, or any such other securities, in the open market. Finally, in any offering of the securities through a syndicate of underwriters, the underwriting syndicate may reclaim selling concessions allowed to an underwriter or a dealer for distributing the securities in the offering if the syndicate repurchases previously distributed securities in transactions to cover syndicate short positions, in stabilization transactions or otherwise. Any of these activities may stabilize or maintain the market price of the securities above independent market levels. Any such underwriters are not required to engage in these activities and may end any of these activities at any time.

Table of Contents

We or, if applicable, selling shareholders, also may sell the securities directly or through designated agents. Any agent involved in the offering and sale of the securities, and the commissions payable to any agent, will be set forth in the prospectus supplement. Unless otherwise indicated in the prospectus supplement, any agent is acting on a best efforts basis for the period of its appointment.

We or, if applicable, selling shareholders, may authorize agents, underwriters or dealers to solicit offers by institutional investors to purchase securities from us pursuant to contracts providing for payment and delivery on a future date. Institutional investors to which such offers may be made include commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions and other institutions as may be approved by us. The obligations of any purchasers under any such delayed delivery and payment arrangements will be subject to the condition that the purchase of the offered securities shall not at the time of delivery be prohibited under the laws of any jurisdiction to which such institution is subject. The underwriters will not have any responsibility with respect to the validity of such arrangements or our performance or the performance of any institutional investors thereunder.

The underwriters and agents who participate in the distribution of these securities may be entitled under agreements entered into with us to indemnification by us against certain liabilities, including liabilities under the Securities Act. These underwriters and agents may engage in transactions with, or perform services for, us in the ordinary course of business.

LEGAL MATTERS

Certain legal matters will be passed upon for us by Ballard Spahr LLP, Philadelphia, Pennsylvania and by Ann C. Mulé, Esq., Chief Governance Officer, Assistant General Counsel and Corporate Secretary of Sunoco, Inc. Any underwriters will be advised about other issues relating to any offering by their own legal counsel. Ms. Mulé participates in various of our employee benefit plans and, in connection with certain of such benefit plans, receives our common stock, options to purchase our common stock, and our common stock units.

all expenses, including attorneys' fees and disbursements, incurred by such person in the defense or settlement of, or appearance as a witness in, any civil, criminal, administrative or arbitral proceeding pending, threatened or completed against such person by reason of being or having been such Indemnified Person, and shall indemnify such person against amounts paid or incurred in satisfaction of settlements, judgments, fines, and penalties in connection with any such proceeding, including any proceeding by or in the right of the Corporation, except where such indemnification is expressly prohibited by applicable law or where the acts or failures to act of the Indemnified Person constitute willful misconduct, self-dealing or recklessness.

Expenses incurred by an Indemnified Person in defending a civil or criminal action, suit or proceeding shall be paid by the Corporation, in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such person to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the Corporation.

Section 7.04 Disputes. Any dispute related to the right to indemnification or advancement of expenses to Indemnified Persons as provided under this Article, except with respect to indemnification for liabilities arising under the Securities Act of 1933 which the Corporation has undertaken to submit to a court for adjudication, shall be decided only by arbitration in accordance with the commercial arbitration rules then in effect of the American Arbitration Association.

Section 7.05. Insurance. The Corporation may also purchase and maintain insurance to insure its indemnification obligations whether arising hereunder or otherwise.

Section 7.06. Exception. Notwithstanding anything in this Article VII to the contrary, the Corporation shall not be obligated to indemnify any person under Section 7.01 or advance expenses under Section 7.03 with respect to an action, suit or proceeding commenced by such person.

Sunoco, Inc. has obtained Directors and Officers Liability and Reimbursement Insurance covering all claims during the policy period in an aggregate amount up to \$200,000,000. The Directors and Officers Liability section of the policy protects all directors and officers of Sunoco, Inc. and its subsidiaries, subject to the terms and conditions of the policy. This section provides protection for losses arising from any error, misstatement, misleading statement, act, omission, neglect, or breach of duty actually or allegedly committed or attempted by such persons in their capacities as directors and officers for which the director or officer is not indemnified by Sunoco, Inc. The Reimbursement section of the policy protects Sunoco, Inc. (subject to several limitations and exceptions) against losses for which it grants indemnification as permitted or required by law. The terms of the policy provide for the payment of an insurance deductible in the amount of \$5,000,000 on a per occurrence basis on all claims for which coverage under the policy has been provided. In February 1996, our board of directors approved and authorized Sunoco to enter into agreements of indemnification with each of our officers and directors to provide for our payment of the deductible for any claims for which coverage has been provided.

Item 17. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an

underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof, provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.
- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, each Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
