Amendment to Employment Agreement of Gregory S. Weishar

On March 16, 2010, PharMerica Corporation (the Corporation) and the Corporation's Chief Executive Officer, Gregory S. Weishar, entered into an Amendment to Employment Agreement (Amendment No. 2) to the Letter Agreement dated January 14, 2007, by and between AmerisourceBergen Corporation, Kindred Healthcare, Inc., the Corporation and Mr. Weishar, as amended by Amendment No. 1 thereto dated November 13, 2007, by and between the Corporation and Mr. Weishar (the Employment Agreement), to comply with Internal Revenue Code Section 162(m). Amendment No. 2 provides that, upon a qualifying termination under the terms of the Employment Agreement, Mr. Weishar will receive a pro-rated annual bonus equal to (1) the lesser of (x) his annualized base salary on the termination date or (y) his maximum award earned under the Compensation Committee's negative discretion determination of his short-term incentive program award for the year of termination, determined based on actual performance during the entire year and without regard to any discretionary adjustments that have the effect of reducing the amount of such maximum award.

The foregoing summary of Amendment No. 2 is qualified in its entirety by reference to Amendment No. 2, which will be filed as an exhibit to the Corporation's Form 10-Q for the quarterly period ending March 31, 2010.

2010 Short-Term Incentive Program - CEO

On March 16, 2010, the Compensation Committee of the Board of Directors of the Corporation adopted the 2010 Short-Term Incentive Program (the CEO STIP) under the PharMerica Corporation 2007 Omnibus Incentive Plan, as amended (the Omnibus Plan), for the Corporation's Chief Executive Officer, Mr. Gregory Weishar. The CEO STIP provides for a performance-based annual cash award to Mr. Weishar.

Performance Cycle. The CEO STIP performance cycle is for the current year, beginning on January 1, 2010 and ending on December 31, 2010.

Maximum Award. If the Corporation's Adjusted EBITDA (as defined below) is equal to or greater than a target Adjusted EBITDA for the 2010 fiscal year, then Mr. Weishar is eligible to receive a payment under the CEO STIP equal to the lesser of (i) 2% of Adjusted EBITDA for the 2010 fiscal year; or (ii) \$2 million (the Maximum Award). The Compensation Committee, in its sole discretion, may decrease the Maximum Award based on its assessment of the Corporation's performance, the Chief Executive Officer's individual performance, or any other factors it considers relevant, however in no event may the Compensation Committee reduce the Maximum Award below the annual bonus amount for the Chief Executive Officer (the Bonus Amount).

Bonus Amount. The target Bonus Amount for Mr. Weishar is 125% of 2010 Base Salary. 70% of the target Bonus Amount is based on the Corporation's performance and 30% of the target Bonus Amount is based on individual performance goals. The Corporation must at least meet threshold Adjusted EBITDA of 93.4% of the target Adjusted EBITDA amount in order for any payment to be made under the individual performance-based component.

The Corporation's performance will be measured by comparing the Corporation's adjusted annual earnings before interest, taxes, integration, merger and acquisition and other related charges, depreciation and amortization expense, impairment charges of intangibles, and other accounting principle changes (Adjusted EBITDA), to a target Adjusted EBITDA for the entire 2010 fiscal year. Individual performance will be measured by comparing certain individual performance metrics to the target individual performance metrics determined by the Compensation Committee.

The actual Bonus Amount is based on the percentage of the performance target achieved. Generally, the percentage of the Bonus Amount earned at the end of the performance cycle will be determined according to the following schedule; however the actual Bonus Amount will be interpolated between the percentages set forth in the chart based on actual results:

| Performance Achievement | Payout Level |
|--------------------------------|-----------------------------|
| < 93.4% of Performance Target | 0% of target Bonus Amount |
| 93.4% of Performance Target | 30% of target Bonus Amount |
| 100% of Performance Target | 100% of target Bonus Amount |
| 103.6% of Performance Target | 120% of target Bonus Amount |
| 105.9% of Performance Target | 140% of target Bonus Amount |
| 107.7% of Performance Target | 160% of target Bonus Amount |
| 109.1% of Performance Target | 175% of target Bonus Amount |
| > 109.1% of Performance Target | 175% of target Bonus Amount |

2010 Short-Term Incentive Program – Other Named Executive Officers

On March 16, 2010, the Compensation Committee of the Board of Directors of the Corporation adopted the 2010 Short-Term Incentive Program (the STIP) under the Omnibus Plan. The STIP provides for performance-based annual cash awards to the Corporation’s executive officers, and certain other officers and employees of the Corporation. The STIP advances the Corporation’s commitment to performance-based compensation practices by providing participants an opportunity to earn annual cash bonuses upon achievement of certain pre-established short-term performance objectives.

Eligibility. Officers and employees of the Corporation may receive STIP cash awards as determined by the Board of Directors or the Compensation Committee.

Performance Cycle. The STIP performance cycle is for the current year, beginning on January 1, 2010 and ending on December 31, 2010.

Award Targets. The amount of the awards under the STIP are based on individual participant bonus targets. Individual participant bonus targets are established for each participant by the Compensation Committee, in the case of the senior executive officers reporting to the Chief Executive Officer and by the Chief Executive Officer, for other participants, based upon a determination of the appropriate bonus target amounts which will enable the Corporation to remain competitive, to retain and recruit top employees, and to align such employee’s interests with certain strategic initiatives of the Corporation. Individual non-executive participant bonus targets range from 5% to 100% of base salary on December 31, 2010, with targets for the Corporation’s executive officers between 25% and 125% of base salary.

The Compensation Committee established the bonus targets under the STIP for the Corporation’s fiscal 2009 Named Executive Officers, other than the principal executive officer, as follows:

| Executive | Title | Bonus Target |
|--------------------|--|--------------------|
| Michael J. Culotta | Executive Vice President & Chief Financial Officer | 80% of base salary |
| William Monast | Executive Vice President of Operations | 75% of base salary |
| Robert McKay | Senior Vice President of Sales and Marketing | 65% of base salary |
| Thomas Caneris | Senior Vice President, General Counsel and Secretary | 70% of base salary |

Edgar Filing: PharMerica CORP - Form 8-K

Performance Criteria. The performance criteria under the STIP is divided into a company performance-based component and individual/group performance-based component for different employees. The breakdown for the Named Executive Officers, other than the Chief Executive Officer, is as set forth in the chart below. The Corporation must at least meet threshold Adjusted EBITDA of 93.4% of target in order for any payment to be made under the individual/group performance-based components of the STIP.

| Executive | Title | Company Performance | Individual/Group Performance |
|--------------------|--|---------------------|------------------------------|
| Michael J. Culotta | Executive Vice President & Chief Financial Officer | 70% | 30% |
| William Monast | Executive Vice President of Operations | 70% | 30% |
| Robert McKay | Senior Vice President of Sales and Marketing | 50% | 50% |
| Thomas Caneris | Senior Vice President, General Counsel and Secretary | 50% | 50% |

Under the STIP, company performance will be measured by comparing the Corporation's Adjusted EBITDA, to a target Adjusted EBITDA for the entire 2010 fiscal year. Individual/group performance will be measured by comparing certain individual/group performance metrics to target individual/group performance metrics established by the Corporation's Compensation Committee in consultation with the Chief Executive Officer for the Named Executive Officers other than the Chief Executive Officer.

Award Payouts. Award payout levels are based on the percentage of the performance target achieved. Generally, the percentage of the award earned at the end of the performance cycle will be determined according to the following schedule; however the actual award payout will be interpolated between the percentages set forth in the chart based on actual results:

| Performance Achievement | Payout Level |
|--------------------------------|----------------------|
| < 93.4% of Performance Target | 0% of Award Target |
| 93.4% of Performance Target | 30% of Award Target |

| 107.7% of Performance Target | 160% of Award Target |
| > 109.1% of Performance Target | 175% of Award Target |

Awards will be paid on a specific date by which the Compensation Committee reasonably expects that the Corporation's Adjusted EBITDA for the year on which the award was based will have been reported. The Corporation will make the payment of the STIP awards to participants as soon as administratively practicable following the date of the award determination, but no later than March 15, 2011.

Vesting and Forfeiture. STIP participants must remain continuously employed full-time by the Corporation until the award payment date in order to be entitled to receive a payout of an STIP award.

2010 Long-Term Incentive Program

On March 16, 2010, the Compensation Committee adopted the 2010 Long-Term Incentive Program (the LTIP) under the Omnibus Plan to provide non-qualified stock options and performance share unit awards to the Corporation's executives and certain other officers and employees based on pre-established performance objectives and goals. The LTIP advances the Corporation's commitment to performance-based compensation practices by providing participants an opportunity to earn equity-based awards upon the achievement of certain pre-established long-term performance objectives. The LTIP also is designed to drive consistent growth of the Corporation over a multiple-year performance period.

Performance Cycle. LTIP performance cycle begins on January 1, 2010 and ends on December 31, 2012.

Award Targets. The amount of the awards under the LTIP are based on individual participant bonus targets and company performance criteria. Individual participant bonus targets are established by the Compensation Committee for each participant based upon the Compensation Committee's determination of the appropriate bonus target amounts that will enable the Corporation to remain competitive and retain and recruit top employees.

The Compensation Committee established the bonus targets under the LTIP for the Corporation's principal executive officer, principal financial officer, and other fiscal 2009 Named Executive Officers as follows:

| Executive | Title | Bonus Target |
|--------------------|--|---------------------|
| Gregory S. Weishar | Chief Executive Officer | 250% of base salary |
| Michael J. Culotta | Executive Vice President & Chief Financial Officer | 175% of base salary |
| William Monast | Executive Vice President of Operations | 160% of base salary |

Award Payouts. Award payouts for the performance share units are based on the percentage of the performance target achieved. Generally, the percentage of the award earned at the end of the performance cycle based on the performance target, excluding the ROIC component, shall be determined according to the following schedule; however the actual LTIP award payout will be interpolated between the percentages set forth in the chart based on actual results:

| Performance Level | Payout Level |
