REMOVAL OF SECURITIES FROM REGISTRATION

Zebra Technologies Corporation (the Company) filed a Registration Statement on Form S-8 (File No. 333-102050) with the Securities and Exchange Commission on December 20, 2002. Of the 812,000 shares of Class A Common Stock, par value \$0.01 per share (Common Stock), of the Company registered at that time, 75,000 shares of Common Stock were registered with respect to Zebra Technologies Corporation Profit Sharing and Savings Plan (the Plan), including an indeterminate amount of plan interests.

The Plan has terminated the option to invest in shares of Common Stock under the Plan. Any investments of Plan accounts in Common Stock are frozen such that participants in the Plan may only liquidate the Common Stock. In accordance with an undertaking made by the Company in the Registration Statement to remove by means of a post-effective amendment any securities that remain unsold at the termination of the offering, this Post-Effective Amendment is being filed to remove from registration the Common Stock registered with respect to the Plan and plan interests not heretofore sold pursuant to the Registration Statement. The Registration Statement is hereby amended, as appropriate, to reflect the deregistration of such Common Stock and plan interests.
