The following are portions of a press release announcing fourth quarter and fiscal 2010 financial results issued by Alimentation Couche-Tard Inc. (Couche-Tard) on July 13, 2010. These excerpted portions of the press release relate to Couche-Tard's proposed acquisition of Casey's General Stores, Inc. (Casey's):

I am very pleased with the efforts deployed during the fourth quarter and throughout fiscal 2010 which ultimately produced excellent quarterly results and a record-breaking year, declared Alain Bouchard, President and Chief Executive Officer. The impact of our efforts reaches well beyond the last fiscal year. In fact, I believe our team's dynamic approach secured the Company's competitive position for years to come, as evidenced by our continued focus on our network and current operations. As regards to our pending offer to acquire Casey's, our strong preference is to enter into a negotiated transaction with Casey's. It is unfortunate that the Casey's Board has rejected our \$36.00 per share all-cash offer without any discussion or negotiation. We are committed to making this combination a reality as evidenced by the commencement of our tender offer and nomination of a slate of nine directors for election to the Casey's Board of Directors, he concluded.

As for Raymond Paré, Vice-President and Chief Financial Officer, he indicated: What's extraordinary is the \$49.0 million, or 19.3%, increase in fiscal 2010 net earnings, despite a drop of 3.09 cents per gallon in motor fuel gross margins in the United States as compared to fiscal 2009. This means we caught up with a shortfall of roughly \$75.0 million on net earnings, or 0.40 cents per share on a diluted basis, with increased sales from existing stores and acquisitions and by controlling expenses. The performance of the quarter is in line with that of the one of previous quarters and reflects our ongoing focus on sales combined with sound management of margins, acquisitions that improve our bottom line and tight control over expenses. As for Casey's, we intend to take our usual disciplined approach to acquisitions. We made the offer after a careful evaluation, and we believe our offer price represents full and fair value for Casey's.

Casey's

From September 24, 2009 to April 8, 2010, Couche-Tard purchased a total of 1,975,362 common shares of Casey's. The weighted average purchase price of these shares was \$31.36 per share, for a total consideration of \$62.0 million, including transaction costs. On April 9, 2010, Couche-Tard publicly submitted a proposal to Casey's Board of Directors to acquire all of the outstanding shares of common stock (including the associated preferred stock purchase rights) of Casey's for \$36.00 per share payable in cash. On that same date, Couche-Tard sold 1,975,000 Casey's shares, at a price of \$38.43 per share, for a consideration of \$75.9 million, net of transaction costs, thereby generating a gain of approximately \$13.9 million (net of expenses). On June 2nd, 2010, Couche-Tard commenced its tender offer to acquire all of the outstanding common shares of common stock (including the associated preferred stock purchase rights) of Casey's for \$36.00 per share payable in cash.

Couche-Tard's offer to acquire Casey's shares represents a 14.0% premium over Casey's closing price of \$31.59 per share on April 8, 2010, the last trading day prior to the public disclosure of Couche-Tard's proposal, a 17.0% premium over Casey's 90-calendar day average closing price as of April 8, 2010, and a 24.0% premium over Casey's one-year average closing price as of April 8, 2010. The offer also implies a last twelve months (as of January 31, 2010) EBITDA multiple of 7.4x and a price of \$1.3 million per store, which compares favourably to corresponding metrics of publicly-traded companies and previous transactions in the convenience store industry. The value of the transaction would be of approximately \$1.9 billion on a fully diluted basis, including Casey's net debt of approximately \$29.0 million.
