**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.***Executive Officer Compensation*

At a meeting of the Board of Directors (the **Board**) of ARCA biopharma, Inc. (the **Company**) held on February 11, 2011, the Board determined and approved (a) 2010 cash bonuses, payable, if at all, upon the Company's meeting a performance goal related to either (x) successfully completing a transaction providing for the further development, including financing, of Genarco (the **Genarco Milestone**), or (y) successfully completing a transaction providing for the further development, including financing, of rNAPc2 (the **rNAPc2 Milestone**), (b) 2011 target bonuses (expressed as a percentage of 2011 base salary), (c) 2011 Corporate Goals and (d) 2011 base salaries, for the Company's named executive officers (as defined in Item 402(a)(3) of Regulation S-K promulgated by the Securities and Exchange Commission), as set forth below.

Name and Title	2010	2011	2011
	Cash Bonus	Target Bonus (%)	Base Salary
Michael R. Bristow			
President and Chief Executive Officer	\$ 14,575	50%	\$ 272,950
Patrick M. Wheeler			
Chief Financial Officer	\$ 7,095	30%	\$ 221,450
Christopher D. Ozeroff			
Senior Vice President, General Counsel	\$ 8,547	30%	\$ 266,770

The 2010 cash bonuses were approved in consideration for partial achievement of the Company's 2010 performance goals. Specifically, the Board determined that the Company had achieved certain of its 2010 performance goals during the fiscal year 2010 by receiving agreement from the Food and Drug Administration on a Special Protocol Assessment related to the design of an additional Phase 3 clinical trial for Genarco, maintaining Nasdaq listing requirements, subject to qualifications, and had engaged in substantial efforts towards achieving the Genarco and rNAPc2 milestones, and towards certain other product development milestones. However, due to the Company's limited financial resources, the Board concluded that the Company would pay cash bonuses for partial achievement of the 2010 performance goals during the 2011 fiscal year upon the achievement of either the Genarco Milestone or the rNAPc2 Milestone. Upon achievement of either the Genarco Milestone or the rNAPc2 Milestone, the deferred 2010 cash bonuses will be paid and the Compensation Committee of the Board will determine, and authorize payment of, the portion of the 2011 bonus award attributable to the achievement of the Genarco Milestone or the rNAPc2 Milestone.

The Board also reviewed and approved the 2011 corporate performance goals to be evaluated by the Board in connection with the determination of additional 2011 bonus awards for the named executive officers. The 2011 corporate objectives generally target the achievement of specific strategic, research and development and corporate development milestones that are considered to be important to the achievement of the Company's long-term strategic goals, including the Genarco Milestone, the rNAPc2 Milestone, further development of other Company assets, maintaining public company status and other product development milestones.
