**Item 1.02. Termination of a Material Definitive Agreement**

On January 4, 2012, Spartan Stores, Inc. (the Company) terminated its existing interest rate swap transaction with Wachovia Bank, N.A. (Wachovia). As previously disclosed, under the terms of the swap the Company had agreed to pay Wachovia a fixed interest rate of 2.08%, and Wachovia has agreed to pay the Company a floating interest rate (determined with reference to the 1-month LIBOR) on a notional amount of \$45 million for a period beginning on January 6, 2009 and expiring concurrently with the Company's Loan and Security Agreement dated December 23, 2003, as amended, by and among the Company and certain subsidiaries as borrowers and the agent and lenders named therein (the Loan and Security Agreement).

The substantial economic effect of the swap was to convert the variable interest rate payable on \$45 million of the Company's debt under the Loan and Security Agreement to an effective fixed rate of 3.33%. Due to the current low interest rate environment, the Company terminated the swap to reduce costs.

In connection with the early termination of the swap transaction, the Company incurred a breakage fee of \$0.8 million that will be recognized in the Company's third quarter of fiscal 2012.

The descriptions of the swap transaction contained in this report does not purport to be complete and is qualified in its entirety by reference to the text of the swap transaction confirmation, a copy of which was filed as an exhibit to the Form 8-K filed by the Company on January 8, 2009.
