A different notice deadline will apply for the nomination of persons for election to the Board of Supervisors if the date of the 2015 Tri-Annual Meeting is not publicly announced by Suburban more than 100 days prior to the date of such meeting. Such deadline, and the procedures that a Unitholder must follow to nominate a person for election to the Board of Supervisors, are further described below under the heading *Supervisor Nominations and Criteria for Board Meetings* Unitholder Nominations.

If we do not receive notice of any Unitholder proposal for the 2015 Tri-Annual Meeting by January 31, 2015, then Suburban's proxy may confer discretionary authority on the persons being appointed as proxies to vote on such proposals.

Table of Contents

If the date of the 2015 Tri-Annual Meeting is changed to a different month, we will advise our Unitholders of the new date for the submission of Unitholder proposals in our earliest possible quarterly report on Form 10-Q filed with the Securities and Exchange Commission.

Q: Where and when will I be able to find the voting results?

A: In addition to announcing the results at the Meeting, we will post the results on our web site at www.suburbanpropane.com within two days after the Meeting. You will also be able to find the results in our Current Report on Form 8-K that we will file with the Securities and Exchange Commission within four business days following conclusion of the Meeting.

PARTNERSHIP GOVERNANCE

The Existing MLP Agreement provides (and, if approved at the Meeting, the Restated MLP Agreement will provide) that all management powers over our business and affairs are exclusively vested in our Board of Supervisors and, subject to the direction of the Board of Supervisors, our officers. No Unitholder has any management power over our business and affairs or actual or apparent authority to enter into contracts on behalf of or otherwise to bind us.

Board Committees

The Board has two standing committees: an Audit Committee and a Compensation Committee. Because the Board of Supervisors consists of only six members, Suburban feels it is not necessary to have a separate nominating committee. Rather, the full Board participates in the selection of nominees to serve as Supervisors.

Audit Committee

Five Supervisors, who are not officers or employees of Suburban or its subsidiaries, serve on the Audit Committee with authority to review, approve or ratify, at the request of the Board of Supervisors, specific matters as to which the Board of Supervisors believes there may be a conflict of interest, or which may be required to be disclosed pursuant to Item 404(a) of Regulation S-K adopted by the Securities and Exchange Commission, in order to determine if the resolution or course of action in respect of such conflict proposed by the Board of Supervisors is fair and reasonable to us. Under the Existing MLP Agreement, any matter that receives the Special Approval of the Audit Committee (i.e., approval by a majority of the members of the Audit Committee) is conclusively deemed to be fair and reasonable to us, is deemed approved by all of our partners and shall not constitute a breach of the Existing MLP Agreement or any duty stated or implied by law or equity as long as the material facts known to the party having the potential conflict of interest regarding that matter were disclosed to the Audit Committee at the time it gave Special Approval. The Audit Committee also assists the Board of Supervisors in fulfilling its oversight responsibilities relating to (a) integrity of Suburban's financial statements and internal control over financial reporting; (b) Suburban's compliance with applicable laws, regulations and its code of conduct; (c) independence and qualifications of the independent registered public accounting firm; (d) performance of the internal audit function and the independent registered public accounting firm; and (e) accounting complaints.

Our Board has adopted a written charter for the Audit Committee, which is reviewed periodically to ensure that it meets all applicable legal and NYSE listing requirements. A copy of our Audit Committee Charter is available without charge from our website at www.suburbanpropane.com or upon written request directed to: Investor Relations, Suburban Propane Partners, L.P., P.O. Box 206, Whippany, New Jersey 07981-0206.

The Board of Supervisors has determined that all five members of the Audit Committee, Harold R. Logan, Jr., John Hoyt Stookey, Dudley C. Mecum, John D. Collins (its Chairman) and Jane Swift are independent and (with the exception of Ms. Swift) are audit committee financial experts within the meaning of the NYSE corporate governance listing standards and in accordance with Rule 10A-3 of the Exchange Act, Item 407 of Regulation S-K and the Partnership's criteria for Supervisor independence set forth below as of the date of this Proxy Statement.

The Corporate Governance Guidelines and Principles adopted by the Board of Supervisors (and available on our website at www.suburbanpropane.com) set forth that a Supervisor is deemed to be lacking a material relationship to Suburban and is therefore independent if the following criteria are satisfied:

1. Within the past three years, the Supervisor:
 - a. has not been employed by Suburban and has not received more than \$100,000 per year in direct compensation from Suburban, other than Supervisor and committee fees and pension or other forms of deferred compensation for prior service;
 - b. has not provided significant advisory or consultancy services to Suburban, and has not been affiliated with a company or a firm that has provided such services to Suburban in return for aggregate payments during any of the last three fiscal years of Suburban in excess of the greater of 2% of the other company's consolidated gross revenues or \$1 million;

Table of Contents

- c. has not been a significant customer or supplier of Suburban and has not been affiliated with a company or firm that has been a customer or supplier of Suburban and has either made to Suburban or received from Suburban payments during any of the last three fiscal years of Suburban in excess of the greater of 2% of the other company's consolidated gross revenues or \$1 million;
 - d. has not been employed by or affiliated with an internal or external auditor that within the past three years provided services to Suburban; and
 - e. has not been employed by another company where any of Suburban's current executives serve on that company's compensation committee;
- 2. The Supervisor is not a spouse, parent, sibling, child, mother- or father-in-law, son- or daughter-in-law or brother- or sister-in-law of a person having a relationship described in 1. above nor shares a residence with such person;
 - 3. The Supervisor is not affiliated with a tax-exempt entity that within the past 12 months received significant contributions from Suburban (contributions of the greater of 2% of the entity's consolidated gross revenues or \$1 million are considered significant); and
 - 4. The Supervisor does not have any other relationships with Suburban or with members of senior management of Suburban that the Board determines to be material.

Mr. Logan, Chairman of the Board, presides at the regularly scheduled executive sessions of the non-management Supervisors, all of whom are independent, held as part of the meetings of the Audit Committee. Investors and other parties interested in communicating directly with the non-management Supervisors as a group may do so by writing to the Non-Management Members of the Board of Supervisors, c/o Partnership Secretary, Suburban Propane Partners, L.P., P.O. Box 206, Whippany, New Jersey 07981-0206.

The Audit Committee met 8 times during fiscal 2011.

Compensation Committee

The Compensation Committee reviews the performance and sets the compensation for all executives. It also approves the design of executive compensation programs. In addition, the Compensation Committee participates in executive succession planning and management development. The committee met 3 times during fiscal 2011. Its members are John Hoyt Stookey (its Chairman), Harold R. Logan, Jr., John D. Collins, Dudley C. Mecum and Jane Swift, none of whom are officers or employees of Suburban.

Our Board has adopted a Compensation Committee Charter. A copy of our Compensation Committee Charter is available without charge from our website at www.suburbanpropane.com or upon written request directed to: Investor Relations, Suburban Propane Partners, L.P., P.O. Box 206, Whippany, New Jersey 07981-0206.

Supervisor Nominations and Criteria for Board Membership

The full Board of Supervisors, five of whom are independent in accordance with our Corporate Governance Guidelines and Principles and the rules of the NYSE, participates in the consideration of Supervisor nominees. To fulfill its responsibility to recruit nominees for election as Supervisors, the Board of Supervisors reviews the composition of the Board to determine the qualifications and areas of expertise needed to further enhance the composition of the Board and works with management in attracting candidates with those qualifications. Since we do not have a separate nominating committee, there is no

Table of Contents

charter governing the nomination process, but our Corporate Governance Guidelines and Principles set forth the following minimum qualifications for our Supervisors, whom are nominated in accordance with the procedures set forth in the Existing MLP Agreement:

1. **Integrity.** Individuals must be of personal and professional integrity and ethical character, who recognize and value these qualities in others.
2. **Absence of Conflicts of Interest.** In addition to meeting the independence standards set forth elsewhere in the Guidelines, a Supervisor should not have any interests that would materially impair his or her ability to (i) exercise independent judgment or (ii) otherwise discharge the fiduciary duties owed as a supervisor to Suburban and its unitholders.
3. **Fair and Equal Representation.** A Supervisor must be able to represent fairly and equally the long-term interests of all of Suburban's unitholders without favoring or advancing any particular unitholder or other constituency of Suburban.
4. **Achievement.** A Supervisor must have demonstrated achievement in one or more fields of business, professional, or governmental endeavor.
5. **Oversight.** A Supervisor is expected to have sound judgment, borne of management or policy-making experience (which may be as an advisor or consultant), that demonstrates an ability to function effectively in an oversight role (including an inquisitive and rigorous manner of monitoring).
6. **Experience and Business Understanding.** A Supervisor should have relevant or relatable expertise and experience, and be able to offer advice and guidance to management based on that expertise and experience. In addition, he/she must have a general appreciation regarding key issues facing public companies of a size and operational scope similar to Suburban, including:

corporate governance concerns;

regulatory obligations of a public issuer;

strategic business planning; and

basic concepts of corporate finance.

7. Available Time. A Supervisor must have sufficient time available to devote to the affairs of the Board, be fully prepared to devote such time, and be physically and mentally capable of devoting such time. It is expected that each candidate will be available and able to attend substantially all meetings of the Board and any committees on which he/she will serve, as well as Suburban's tri-annual and special meetings of unitholders, after taking into consideration his/her other business and professional commitments, including service on the boards of other companies. The Board should include at least some supervisors who are committed to service on the Board for an extended period of time.

8. Diversity. The Board seeks an appropriate diversity of personal and professional background, experience, expertise, and perspective among Supervisors. Board Supervisors should be able to cooperate with other Board members and contribute to the collegiality of the Board.

In addition, the Board considers the number of other boards of public companies on which a candidate serves.

Unitholder Nominations

The Board considers candidates for Supervisor suggested by our Unitholders, provided that the recommendations are made in accordance with the procedures set forth in the Existing MLP Agreement. Any Unitholder (or group of Unitholders) that beneficially owns 10% or more of the outstanding Common Units is entitled to nominate one or more individuals to stand for election as Supervisors at a Tri-Annual Meeting by providing written notice thereof to the Board of Supervisors not more than 120 days and not less than 90 days prior to the date of such Tri-Annual Meeting; provided, however, that in the event that the date of the Tri-Annual Meeting was not publicly announced by Suburban by mail, press release or otherwise more than 100 days prior to the date of such meeting, such notice, to be timely, must be delivered to the Board of Supervisors not later than the close of business on the 10th day following the date on which the date of the Tri-Annual Meeting was announced. The notice must set forth (i) the name and address of the Unitholder(s) making the nomination or nominations, (ii) the number of Common Units beneficially owned by such Unitholder(s), (iii) such information regarding the nominee(s) proposed by the Unitholder(s) as would be required to be included in a proxy statement relating to the solicitation of proxies for the election of Supervisors filed pursuant to the proxy rules of the Securities and Exchange Commission had the nominee(s) been nominated or intended to be nominated to the Board of Supervisors, (iv) the written consent of each nominee to serve as a member of the Board of Supervisors if so elected and (v) a certification that such nominee(s) qualify as Supervisor(s). Unitholder nominees whose nominations comply with these procedures and who meet the minimum criteria for Board membership, as outlined above, will be evaluated by the Board of Supervisors in the same manner as the Board's nominees.

Attendance at Meetings

Unitholder Meetings

It is the policy of the Board of Supervisors that all Supervisors should attend Suburban's Unitholder meetings. All seven of the then Supervisors attended the Tri-Annual Meeting of Unitholders in July 2009.

Board and Committee Meetings

The Board held 6 meetings in fiscal 2011. Each Supervisor attended at least 75% of the total number of meetings of the Board and of the Committees of the Board on which such Supervisor served.

Unitholder Communications with the Board of Supervisors

Unitholders who wish to communicate directly with the Board as a group may do so by writing to the Suburban Board of Supervisors, c/o Partnership Secretary, Suburban Propane Partners, L.P., P.O. Box 206, Whippany, New Jersey 07981-0206. Unitholders may also communicate directly with individual Supervisors by addressing their correspondence accordingly.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act, as amended, requires our Supervisors, executive officers and holders of 10 percent or more of our Common Units to file initial reports of ownership and reports of changes in ownership of our Common Units with the Securities and Exchange Commission. Supervisors, executive officers and 10 percent Unitholders are required to furnish Suburban with copies of all Section 16(a) forms that they file. Based on a review of these filings, we believe that all such filings were timely made during fiscal 2011.

Code of Ethics and Code of Business Conduct and Ethics

We have adopted a Code of Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, and a Code of

Any amendments to, or waivers from, provisions of our Code of Ethics or our Code of Business Conduct and Ethics that apply to our principal executive officer, principal financial officer and principal accounting officer will be posted on our website.

Corporate Governance Guidelines

We have adopted Corporate Governance Guidelines and Policies in accordance with the NYSE corporate governance listing standards in effect as of the date of this Proxy Statement. NYSE Annual CEO Certification

The NYSE requires the Chief Executive Officer of each listed company to submit a certification indicating that the company is not in violation of the Corporate Governance listing standards of the NYSE on an annual basis. Mr. Dunn submitted his Annual CEO Certification for our 2011 fiscal year to the NYSE without qualification.

REPORT OF THE AUDIT COMMITTEE

This report by the Audit Committee is required by the rules of the Securities and Exchange Commission pursuant to paragraph (d)(3) of Regulation S-K Item 407. It shall not be deemed to be soliciting material, or to be filed with the Commission, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent that Suburban specifically incorporates it by reference in such filing.

In accordance with the provisions of its written charter, the Audit Committee assists the Board of Supervisors in fulfilling its responsibility for oversight of (a) the integrity of Suburban's financial statements and internal control over financial reporting; (b) Suburban's compliance with applicable laws, regulations, and the code of conduct; (c) independence and qualifications of the independent registered public accountants; (d) the performance of the internal audit function and the independent registered public accountants; and (e) accounting complaints. Management of Suburban is responsible for the preparation, integrity and objectivity of Suburban's financial statements in accordance with generally accepted accounting principles and for establishing and maintaining a system of internal accounting and disclosure controls. PricewaterhouseCoopers LLP, Suburban's independent registered public accounting firm, audits the annual financial statements prepared by management, expresses an opinion as to whether those financial statements fairly present, in all material respects, the financial position, results of operations and cash flows of Suburban in conformity with accounting principles generally accepted in the United States of America and discusses with the Audit Committee any issues they believe should be raised. The independent registered public accounting firm also annually audits the effectiveness of internal controls over financial reporting.

The Audit Committee has reviewed and discussed the audited consolidated financial statements set forth in Suburban's Annual Report on Form 10-K for the fiscal year ended September 24, 2011 with management. The Audit Committee also discussed with PricewaterhouseCoopers LLP those matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Audit Committee received the written disclosures and letter from PricewaterhouseCoopers LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with PricewaterhouseCoopers LLP the independence of that firm.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Supervisors that Suburban's audited financial statements be included in Suburban's Annual Report on Form 10-K for the fiscal year ended September 24, 2011, filed with the Securities and Exchange Commission.

Respectfully submitted by the members of the Audit Committee of the Board of Supervisors.

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis explains our executive compensation philosophy, policies and practices with respect to the following executive officers of Suburban, which we refer to as the named executive officers: Mr. Dunn, our President and Chief Executive Officer; Mr. Stivala, our Chief Financial Officer; and the other three most highly compensated executive officers, Mr. Boyd, our Vice President of Field Operations; Mr. Wienberg, our Vice President of Operational Support and Analysis and Mr. Brinkworth, our Vice President of Product Supply.

Executive Compensation Philosophy and Components

The objectives of our executive compensation program are as follows:

The attraction and retention of talented executives who have the skills and experience required to achieve our goals; and

Edgar Filing: SUBURBAN PROPANE PARTNERS LP - Form PRE 14A

The alignment of the short-term and long-term interests of our executive officers with the short-term and long-term interests of our Unitholders.

Table of Contents

We accomplish these objectives by providing our executives with compensation packages that combine various components that are specifically linked to either short-term or long-term performance measures. Therefore, our executive compensation packages are designed to achieve our overall goal of sustainable, profitable growth by rewarding our executive officers for behaviors that facilitate our achievement of this goal.

The principal components of the compensation we provide to our named executive officers are as follows:

Base salary;

Cash incentives paid under a performance-based annual bonus plan;

Long-Term Incentive Plan awards; and

Awards of restricted units under the Restricted Unit Plans.

We align the short-term and long-term interests of our executive officers with the short-term and long-term interests of our Unitholders by:

Providing our executive officers with an annual incentive target that encourages them to achieve or exceed targeted financial results and operating performance for the fiscal year;

Providing a long-term incentive plan that encourages our executive officers to implement activities and practices conducive to sustainable, profitable growth; and

Providing our executive officers with restricted units in order to retain the services of the participating executive officers over a five-year period while simultaneously encouraging behaviors conducive to the long-term appreciation of our Common Units.

Establishing Executive Compensation

The Compensation Committee, which we hereafter refer to as the Committee, is responsible for overseeing our executive compensation program. In accordance with its charter, available on our website at www.suburbanpropane.com, the Committee ensures that the compensation packages provided to our executive officers are designed in accordance with our compensation philosophy. The Committee reviews and approves the compensation packages of our managing directors, assistant vice presidents, vice presidents and our named executive officers.

Annually, our Senior Vice President of Administration prepares a comprehensive analysis of each executive officer's past and current compensation to assist the Committee in the assessment and determination of executive compensation packages for the subsequent fiscal year. The Committee considers a number of factors in establishing the compensation packages for each executive officer, including, but not limited to, tenure, scope of responsibility and individual performance. The relative importance assigned to each of these factors by the Committee may differ from executive to executive. The performance of each of our executive officers is continually assessed by the Committee and by our highest-ranking executive officers and also factors into the decision-making process, particularly in relation to promotions and increases in base compensation. In addition, as part of the Committee's annual review of each executive officer's total compensation package, the Committee is provided with benchmarking data for comparison. The benchmarking data is just one of a number of factors considered by the Committee, but is not necessarily the most persuasive factor.

Table of Contents

The benchmarking data provided to the Committee for the 2011 fiscal year was derived from the Mercer Human Resource Consulting, Inc. (Mercer) Benchmark Database containing information obtained from surveys of over 2,269 organizations and approximately 201 positions which may include similarly-sized national propane marketers. The Committee does not base its benchmarking solely on a peer group of other propane marketers. The use of the Mercer database provides a broad base of compensation benchmarking information for companies of a similar size to Suburban. The benchmarking information used by the Committee consisted of organizations included in the Mercer database that report median annual revenues of between \$1.4 billion and \$3.8 billion per year.

The Committee believes that using the Mercer database to evaluate total cash compensation opportunities is appropriate because of the proximity of Suburban's headquarters to New York City and the need to realistically compete for skilled executives in an environment shared by numerous other enterprises that seek similarly skilled employees. The Committee chooses not to base its benchmarking on the compensation practices of other propane marketers due to the fact that the other, similarly-sized propane marketers compete for executives in vastly different economic environments.

Conversely, for the reasons set forth under the subheading 2003 Long-Term Incentive Plan below, the Committee decided to include other propane marketers, structured as publicly traded partnerships, in the peer group it selected for measuring our performance for awards granted under the 2003 Long-Term Incentive Plan. Earning a payment under the 2003 Long-Term Incentive Plan is dependent upon the performance (referred to in the plan document as total return to unitholders) of our Common Units relative to the unit performance of a peer group of eleven other master limited partnerships over a three-year measurement period.

In making their decisions regarding executive compensation packages for the coming fiscal year, the members of the Committee review the total cash compensation opportunities that were provided to our executive officers during the just completed fiscal year. Each executive officer's total cash compensation opportunity consists of base salary, an annual cash bonus, and Long-Term Incentive Plan awards. The Committee then informally compares each executive officer's total cash compensation opportunity to the total mean cash compensation opportunity for the parallel position in the Mercer database. By focusing on each executive officer's total cash compensation opportunity as a whole, instead of on single components of compensation such as base salary, when it met on November 9, 2010, the Committee created fiscal 2011 compensation packages for our executive officers that emphasized the performance-based components of compensation.

Role of Executive Officers and the Compensation Committee in the Compensation Process

The Committee establishes and enforces our general compensation philosophy in consultation with our President and Chief Executive Officer. The role of our President and Chief Executive Officer in the executive compensation process is to recommend individual pay adjustments for the executive officers, other than himself, to the Committee based on market conditions, our performance, and individual performance. With the assistance of our Senior Vice President of Administration, our President and Chief Executive Officer presents the Committee with information comparing each executive officer's compensation to the mean compensation figures provided in the Mercer database.

Suburban's sole use of the Mercer database was to provide the Committee with benchmarking data. Therefore, neither our President and Chief Executive Officer nor our Senior Vice President of Administration met with representatives from Mercer. The information provided by Mercer was derived from a proprietary database maintained by Mercer and, as such, there was no formal consultancy role played by them. The Committee believes that the Mercer benchmarking data, which is provided to the Committee by our Senior Vice President of Administration, can be used by the Committee as an objective benchmark on which decisions relative to executive compensation can be based. In the course of its deliberations, the Committee compares the objective data obtained from the Mercer database to the internal analyses prepared by our Senior Vice President of Administration.

Table of Contents

Among other duties, the Committee has overall responsibility for:

Reviewing and approving compensation of our President and Chief Executive Officer, Chief Financial Officer and our other executive officers;

Reporting to the Board of Supervisors any and all decisions regarding compensation changes for our President and Chief Executive Officer, Chief Financial Officer and our other executive officers;

Evaluating and approving our annual cash bonus plan, long-term incentive plan, restricted unit plan, as well as all other executive compensation policies and programs;

Administering and interpreting the compensation plans that constitute each component of our executive officers' compensation packages; and

Engaging consultants, when appropriate, to provide independent, third-party advice on executive officer-related compensation.

Allocation Among Components

Under our compensation structure, the mix of base salary, cash bonus and long-term compensation provided to each executive officer varies depending on his or her position. The base salary for each executive officer is the only fixed component of compensation. All other cash compensation, including annual cash bonuses and long-term incentive compensation, is variable in nature as it is dependent upon achievement of certain performance measures. The following table summarizes the components as percentages of each named executive officer's total cash compensation opportunity in fiscal 2011 (as determined at the Committee's November 9, 2010 meeting).

	September 30, Base Salary	September 30, Cash Bonus Target	September 30, Long-Term Incentive
Michael J. Dunn, Jr.	40%	40%	20%
Michael A. Stivala	45%	36%	19%
Steven C. Boyd	45%	36%	19%
Mark Wienberg	45%	36%	19%
Douglas T. Brinkworth	45%	36%	19%

In allocating compensation among these components, we believe that the compensation of our senior-most levels of management—the levels of management having the greatest ability to influence our performance—should be at least 50% performance-based, while lower levels of management should receive a greater portion of their compensation in base salary. Additionally, our short-term and long-term incentive plans do not provide for minimum payments and are, thus, truly pay-for-performance compensation plans.

Internal Pay Equity

In determining the different compensation packages for each of our named executive officers, the Committee takes into consideration a number of factors, including the level of responsibility and influence that each named executive officer has over the affairs of Suburban, tenure with Suburban, individual performance and years of experience in his or her current position. The relative importance assigned to each of these factors by the Committee may differ from executive to executive. The

Table of Contents

Committee will also consider the existing level of equity ownership of each of our named executive officers when granting awards under our Restricted Unit Plans (see below for a description of these plans). As a result, different weights may be given to different components of compensation among each of our named executive officers. In addition, as discussed in the section above titled "Allocation Among Components," the compensation packages that we provide to our senior-most levels of management are, at a minimum, 50% performance-based. In order to align the interests of senior management with the interests of our Unitholders, we consider it requisite to accentuate the performance-based elements of the compensation packages that we provide to these individuals.

Base Salary

Base salaries for the named executive officers and all of our other executive officers, are reviewed and approved annually by the Committee. In order to determine base salary increases, the Committee's practice is to compare each executive officer's base salary with the corresponding mean salary provided in the Mercer database. The Committee usually determines base salary adjustments, which may be higher or lower than the comparative data, following an assessment of our overall results as well as each executive officer's position, performance and scope of responsibility, while at the same time considering each executive officer's previous total cash compensation opportunities. In accordance with this process, and the philosophy described above, the Committee did not adjust the base salaries of the named executive officers during fiscal 2011; instead, the Committee decided to increase each of the bonus target percentages of each of the named executive officers (with the exception of Mr. Dunn's, whose bonus target percentage was already at 100%). The Committee reasoned that this action would further align the interests of management with the interests of our Unitholders. In the event of a promotion, a significant increase in an executive officer's responsibilities, or a new hire, it is the Committee's practice to review that executive officer's base salary at that time and take such action as the Committee deems warranted.

The total base salary paid to each named executive officer in fiscal 2011 is reported in the column titled "Salary (\$)" in the Summary Compensation Table below.

As of the date this Proxy Statement was mailed to our Unitholders, the Committee has not adjusted the base salaries, nor the bonus target percentages, of the named executive officers for fiscal 2012.

Annual Cash Bonus Plan

Annual cash bonuses (which fall within the Securities and Exchange Commission's definition of "Non-Equity Incentive Plan Compensation" for the purposes of the Summary Compensation Table and otherwise) are earned by our executive officers in accordance with the objective performance provisions of our annual cash bonus plan.

The terms of our annual cash bonus plan provide for cash payments of a specified percentage (which, in fiscal 2011, ranged from 80% to 100%) of our named executive officers' annual base salaries ("target cash bonus") if, for the fiscal year, actual cash bonus plan EBITDA equals Suburban's budgeted EBITDA. For purposes of calculating cash bonus plan EBITDA, the Committee customarily adjusts both budgeted and actual EBITDA (as defined in Item 6 in this annual report on Form 10-K) for various items considered to be non-recurring in nature; including, but not limited to, unrealized (non-cash) gains or losses on derivative instruments reported within cost of products sold in our statement of operations and gains or losses on the disposal of discontinued operations. Under the previous annual cash bonus plan, executive officers had the opportunity to earn between 90% and 110% of their target cash bonuses; however, beginning with fiscal 2011, executive officers have the opportunity to earn between 60% and 120% of their target cash bonuses, depending upon Suburban's EBITDA performance in the fiscal year. Under the existing annual cash bonus plan, no bonuses are earned if actual cash bonus plan EBITDA is less than 90% of budgeted cash bonus plan EBITDA, and cash bonuses cannot exceed 120% of the target cash bonus even if actual cash bonus plan EBITDA is more than 120% of budgeted cash bonus plan EBITDA.

Table of Contents

Although our annual cash bonus plan is generally administered using the formula described above, the Committee may exercise its broad discretionary powers to decrease or increase the annual cash bonus paid to a particular executive officer, upon the recommendation of our President and Chief Executive Officer, or the executive officers as a group, when the Committee recognizes that an adjustment is warranted. During fiscal 2011, no such discretionary adjustments were made to the annual cash bonuses earned by our executives.

For fiscal 2011, our budgeted cash bonus plan EBITDA was \$195 million (Budgeted EBITDA). Our actual cash bonus plan EBITDA was such that each of our executive officers earned 60% of his or her target cash bonus. The following table provides the fiscal 2011 budgeted cash bonus plan EBITDA targets that were established at the November 9, 2010 Compensation Committee meeting:

The bonuses earned under the annual cash bonus plan for fiscal 2011 by each of our named executive officers are reported in the column titled Non-Equity Incentive Plan Compensation (\$) in the Summary Compensation Table below.

The fiscal 2011 target cash bonus percentages and target cash bonuses established for each named executive officer and the actual cash bonuses earned by each of them during fiscal 2011 are summarized as follows:

Name	September 30, 2011 Target Cash Bonus as a % of Base Salary	September 30, 2011 Target Cash Bonus	September 30, 2011 Actual Cash Bonus Earned
Michael J. Dunn, Jr.	100%	\$ 475,000	\$ 285,000
Michael A. Stivala	80%	\$ 220,000	\$ 132,000
Steven C. Boyd	80%	\$ 216,000	\$ 129,600

For purposes of establishing the cash bonus targets for fiscal 2011, the Committee reviewed and approved our fiscal 2011 budgeted cash bonus plan EBITDA at its November 9, 2010 meeting. The budgeted cash bonus plan EBITDA is developed annually using a bottom-up process factoring in reasonable growth

targets from the prior year's performance, while at the same time attempting to reach a balance between a target that is reasonably achievable, yet not assured. As described above, executive officers have the opportunity to earn between 60% and 120% of their target cash bonuses. Over the past three years, our actual cash bonus plan EBITDA was such that each of our executive officers earned 60%, 100%, and 110% of their respective target cash bonus for fiscal 2011, fiscal 2010 and fiscal 2009, respectively.

The named executive officers' target cash bonuses for fiscal 2012 are the same as those for fiscal 2011. Actual payments for fiscal 2012 under the annual cash bonus plan will depend upon the percentage of the budgeted cash bonus plan EBITDA for fiscal 2012 that is eventually achieved. The budgeted cash bonus plan EBITDA for fiscal 2012 was established using the same bottom-up process described above, which is designed to reach a balance between a target that is reasonably achievable, yet not assured.

2003 Long-Term Incentive Plan

At the beginning of fiscal 2003, we adopted the 2003 Long-Term Incentive Plan, which we refer to as the 2003 LTIP, a phantom unit plan, as a principal component of our executive compensation program. While the annual cash bonus plan is a pay-for-performance plan that focuses on our short-term financial goals, the 2003 LTIP is designed to motivate our executive officers to focus on long-term financial goals. Awards under the LTIP measure the market performance of our Common Units on the basis of total return to our Unitholders, which we refer to as TRU, during a three-year measurement period commencing on the first day of the fiscal year in which an unvested award was granted and compares our TRU to the TRU of each of the other members of a predetermined peer group, consisting solely of other master limited partnerships, approved by the Committee. The predetermined peer group may vary from year-to-year, but for all outstanding awards, includes AmeriGas Partners, L.P., Ferrellgas Partners, L.P. and Inergy, L.P. (the other propane master limited partnerships). Unvested awards are granted at the beginning of each fiscal year as a Committee-approved percentage of each executive officer's salary. Cash payouts, if any, are earned and paid at the end of the three-year measurement period.

The 2003 LTIP is designed to:

Align a portion of our executive officers' compensation opportunities with the long-term goals of our Unitholders;

Provide long-term compensation opportunities consistent with market practice;

Reward long-term value creation; and

Provide a retention incentive for our executive officers and other key employees.

At the beginning of the three-year measurement period, each executive officer's unvested award of phantom units is calculated by dividing a predetermined percentage (i.e., 52%), which was established by the Committee upon adoption of the 2003 LTIP, of the executive officer's target cash bonus by the average of the closing prices of our Common Units for the twenty days preceding the beginning of the fiscal year. At the end of the three-year measurement period, depending on the quartile ranking within which our TRU falls relative to the other members of the peer group, our executive officers, as well as the other participants, all of whom are key employees, will receive a cash payout equal to:

The quantity of the participant's phantom units multiplied by the average of the closing prices of our Common Units for the twenty days preceding the conclusion of the three-year measurement period;

The quantity of the participant's phantom units multiplied by the sum of the distributions that would have inured to one of our outstanding Common Units during the three-year measurement period; and

Table of Contents

The sum of the products of the two preceding calculations multiplied by: zero if our performance falls within the lowest quartile of the peer group; 50% if our performance falls within the second lowest quartile; 100% if our performance falls within the second highest quartile; and 125% if our performance falls within the top quartile.

The three-year measurement period of the fiscal 2009 award ended simultaneously with the conclusion of fiscal 2011. The TRU for the fiscal 2009 award fell within the second highest quartile. The following is a summary of the cash payouts related to the fiscal 2009 award earned by our named executive officers at the conclusion of fiscal 2011.

The members of the peer groups selected by the Committee for the fiscal 2011, fiscal 2010 and fiscal 2009 awards consist entirely of publicly-traded partnerships. The Committee decided upon these peer groups because all publicly-traded partnerships have similar tax attributes and can, as a result, distribute more cash than similarly-sized corporations generating similar revenues. At its November 10, 2009 meeting, the Committee reviewed the performance of each of the members of the peer group used for the fiscal 2009 and fiscal 2008 awards under the 2003 LTIP and, as a result, replaced two of the members of the peer group for the fiscal 2011 and fiscal 2010 awards under the 2003 LTIP. Among other factors, in reaching its decision to replace two members of the current peer group, the Committee considered distributions and price fluctuations.

On January 24, 2008, the Committee amended the retirement provisions of the plan document to provide that a retirement-eligible participant's outstanding awards vest as of the retirement-eligible date, but such awards remain subject to the same three-year measurement period for purposes of determining the eventual cash payout, if any, at the conclusion of the measurement period. This amendment applies to all outstanding awards under the 2003 LTIP.

The grant date values based on the probable outcomes of the awards under the 2003 LTIP granted during the 2011 fiscal year are reported in the column titled "Unit Awards (\$)" in the Summary Compensation Table below.

Following fiscal 2011, at its meeting on November 9, 2011, the Committee adopted the 2013 Long-Term Incentive Plan, which we refer to as the "2013 LTIP" and together with the 2003 LTIP, the "LTIPs", as a replacement for the 2003 LTIP, which will expire on September 30, 2012. The 2013 LTIP will become effective on October 1, 2012. The provisions of the 2013 LTIP are essentially identical to the provisions of the 2003 LTIP.

The following is a summary of the quantities of phantom units that signify the unvested awards granted to our named executive officers under the 2003 LTIP during fiscal 2012, subsequent to the filing of our fiscal 2011 Annual Report on Form 10-K. These quantities will be used to calculate cash payments at the end of this award's three-year measurement period (i.e., at the end of fiscal 2014).

Restricted Unit Plans

2000 and 2009 Restricted Unit Plans (which we collectively refer to as the RUP)

We adopted the 2000 Restricted Unit Plan effective November 1, 2000. Upon adoption, this plan authorized the issuance of 487,805 Common Units to our executive officers, managers and other employees and to the members of our Board of Supervisors. On October 17, 2006, following approval by our Unitholders, we adopted amendments to this plan which, among other things, increased the number of Common Units authorized for issuance under this plan by 230,000 for a total of 717,805. As this plan terminated by its terms on October 31, 2010, no future awards can be made under this plan; however such termination will not affect the continued validity of any awards granted under the plan prior to its termination.

At our July 22, 2009 Tri-Annual Meeting, our Unitholders approved our adoption of the 2009 Restricted Unit Plan effective August 1, 2009. Upon adoption, this plan authorized the issuance of 1,200,000 Common Units to our executive officers, managers and other employees and to the members of our Board of Supervisors. The provisions of both restricted unit plans are substantially identical. At the conclusion of fiscal 2011, there remained 967,594 restricted units available under the RUP for future awards.

When the Committee authorizes an award of restricted units, the unvested units underlying an award do not provide the grantee with voting rights and do not receive distributions or accrue rights to distributions during the vesting period. Restricted unit awards normally vest as follows: 25% on each of the third and fourth anniversaries of the grant date and the remaining 50% on the fifth anniversary of the grant date. Unvested awards are subject to forfeiture in certain circumstances as defined in the applicable RUP document. Upon vesting, restricted units are automatically converted into our Common Units, with full voting rights and rights to receive distributions.

The RUP contains a retirement provision that provides for the vesting (six months and one day after the retirement date of qualifying participants) of unvested awards held by a retiring participant who meet all three of the following conditions on his or her retirement date:

The unvested award has been held by the grantee for at least six months;

The grantee is age 55 or older; and

The grantee has worked for us or one of our predecessors for at least 10 years.

Table of Contents

All RUP awards are approved by the Committee. Because individual circumstances differ, the Committee has not adopted a formulaic approach to making RUP awards. Although the reasons for granting an award can vary, the objective of granting an award to a recipient is to retain the services of the recipient over the five-year vesting period while, at the same time providing the type of motivation that further aligns the long-term interests of the recipient with the long-term interests of our Unitholders. The reasons for which the Committee grants RUP awards include, but are not limited to, the following:

To attract skilled and capable candidates to fill vacant positions;

To retain the services of an employee;

To provide an adequate compensation package to accompany an internal promotion; and

To reward outstanding performance.

In determining the quantity of restricted units to grant to executive officers and other key employees, the Committee considers, without limitation:

The executive officer's scope of responsibility, performance and contribution to meeting our objectives;

The total cash compensation opportunity provided to the executive officer for whom the award is being considered;

The value of similar equity awards to executive officers of similarly sized enterprises; and

The current value of a similar quantity of outstanding Common Units.

In addition, in establishing the level of restricted units to grant to our executive officers, the Committee considers the existing level of outstanding unvested RUP awards held by our executive officers.

The Committee generally approves awards under the RUP at its first meeting each fiscal year following the availability of the financial results for the prior fiscal year; however, occasionally the Committee grants awards at other times of the year, particularly when the need arises to grant awards because of promotions and new hires.

The Committee has adopted a general policy with respect to the effective grant date of subsequent awards of restricted units under the RUP which states that:

Unless the Committee expressly determines otherwise for a particular award at the time of its approval of such award, the effective date of grant of all awards of restricted units under the RUP in a given calendar year will be the first business day in the month of December of that calendar year. If, at the discretion of the Committee, an award is expressed as a dollar amount, then such award will be converted into the number of restricted units, as of the effective date of grant, obtained by dividing the dollar amount of the award by the average of the closing prices, on the New York Stock Exchange, of one Common Unit of Suburban for the 20 trading days immediately prior to that effective date of grant.

During fiscal 2011, RUP awards were granted to the following named executive officers:

In connection with Mr. Dunn's assumption of additional responsibilities as Suburban's Chief Executive Officer at the commencement of fiscal 2010, the Committee, at its November 10, 2009 meeting, granted Mr. Dunn a RUP award, as of December 1, 2010, equal in value to \$500,000. The Committee made this award because it believes that equity compensation is a critical component of executive compensation that helps to retain and motivate our executives and because the Committee wished to mitigate a perceived shortfall between the cash components of Mr. Dunn's compensation and the mean compensation for a comparable position reported in the Mercer database. This RUP award was converted into 9,060 restricted units on the grant date using the formula set forth above. The terms of Mr. Dunn's award are such that the entire award will vest on the last day of fiscal 2012 and at no time between the grant date and this vesting date will this award be subject to the vesting upon retirement provisions of the RUP described above. In determining the fiscal 2011 awards for Mr. Stivala, Mr. Boyd, Mr. Wienberg and Mr. Brinkworth, the Committee relied upon information provided by the Mercer database to conclude that these awards were necessary to remediate shortfalls perceived by the Committee in the cash compensation of these named executive officers as well as in recognition of their individual achievements.

The aggregate grant date fair values of RUP awards made during the 2011 fiscal year computed in accordance with accounting principles generally accepted in the United States of America are reported in the column titled "Unit Awards (\$)" in the Summary Compensation Table below.

During fiscal 2012, RUP awards were granted to the following named executive officers subsequent to the filing of our fiscal 2011 Annual Report on Form 10-K:

Grant Name	September 30, Date	September 30, Quantity
Michael J. Dunn, Jr.	December 1, 2011	8,000
Michael A. Stivala	December 1, 2011	6,378
Steven C. Boyd	December 1, 2011	6,378
Mark Wienberg	December 1, 2011	6,378
Douglas T. Brinkworth	December 1, 2011	6,378

Equity Holding Policy

Effective April 22, 2010, the Committee adopted an Equity Holding Policy which establishes guidelines for the level of Partnership equity holdings that members of the Board and our executives are expected to maintain. The Equity Holding Policy can be accessed through a link on Suburban's website at www.suburbanpropane.com under the "Investors" tab.

Suburban's equity holding requirements are as follows:

Position	Amount
Member of the Board of Supervisors	2 x Annual Fee
Chief Executive Officer	5 x Base Salary
President	5 x Base Salary
Chief Operating Officer	3 x Base Salary
Chief Financial Officer	3 x Base Salary
Executive Vice President	3 x Base Salary
Senior Vice President	2.5 x Base Salary
Vice President	1.5 x Base Salary
Assistant Vice President	1 x Base Salary
Managing Director	1 x Base Salary

As of the January 2, 2012 measurement date, all of our executive officers, including our named executive officers, were in compliance with Suburban's Equity Holding Policy.

Incentive Compensation Recoupment Policy

Upon recommendation by the Committee, the Board of Supervisors has adopted an Incentive Compensation Recoupment Policy which permits the Committee to seek the reimbursement from certain executives of Suburban and the Operating Partnership of incentive compensation (i.e., payments/awards pursuant to the annual cash bonus plan, the LTIPs and RUP) paid to those executives in connection with any fiscal year for which there is a significant restatement of the published financial statements of Suburban triggered by a material accounting error, which results in less favorable results than those originally reported by Suburban. Such reimbursement can be sought from executives even if they had no responsibility for the restatement. In addition to the foregoing, if the Committee determines that any fraud or intentional misconduct by an executive was a contributing factor to Suburban having to make a significant restatement, then the Committee is authorized to take appropriate action against such executive, including disciplinary action, up to, and including, termination, and requiring reimbursement of all, or any part, of the compensation paid to that executive in excess of that executive's base salary, including cancellation of any unvested restricted units. The Incentive Compensation Recoupment Policy is available on our website at www.suburbanpropane.com under the Investors tab.

Pension Plan

We sponsor a noncontributory defined benefit pension plan that was originally designed to cover all of our eligible employees who met certain criteria relative to age and length of service. Effective January 1, 1998, we amended the plan in order to provide for a cash balance format rather than the final average pay format that was in effect prior to January 1, 1998. The cash balance format is designed to evenly spread the growth of a participant's earned retirement benefit throughout his or her career rather than the final average pay format, under which a greater portion of a participant's benefits were earned toward the latter stages of his or her career. Effective January 1, 2000, we amended the plan to limit participation in this plan to existing participants and no longer admit new participants to the plan. On January 1, 2003, we amended the plan to cease future service and pay-based credits on behalf of the participants and, from that point on, participants' benefits have increased only due to interest credits.

Each of our named executive officers, with the exception of Mr. Stivala and Mr. Wienberg, participates in the plan. The changes in the actuarial value relative to each named executive officer's participation in the plan during fiscal 2011 is reported in the column titled "Change in Pension Value and Nonqualified Deferred Compensation Earnings (\$)" in the Summary Compensation Table below.

Deferred Compensation

All employees, including the named executive officers, who satisfy certain service requirements, are entitled to participate in our IRC Section 401(k) Plan, which we refer to as the 401(k) Plan, in which participants may defer a portion of their eligible cash compensation up to the limits established by law. We offer the 401(k) Plan to attract and retain talented employees by providing them with a tax-advantaged opportunity to save for retirement.

For fiscal 2011, all of our named executive officers participated in the 401(k) Plan. The benefits provided to our named executive officers under the 401(k) Plan are provided on the same basis as to our other exempt employees. Amounts deferred by our named executive officers under the 401(k) Plan during fiscal 2011 are included in the column titled "Salary (\$)" in the Summary Compensation Table below.

Table of Contents

In order to be competitive with other employers, if certain performance criteria are met, we will match our employee-participants' contributions up to the lesser of 6% of their base salary or \$245,000, at a rate determined based on a performance-based scale. The following chart shows the performance target criteria that must be met for each level of matching contribution:

If We Meet This Percentage of Budgeted EBITDA ⁽¹⁾	September 30, The Participating Employee Will Receive this Matching Contribution for the Year
115% or higher	100%
100% to 114%	50%
90% to 99%	25%
Less than 90%	0%

(1) For additional information regarding the non-GAAP term Budgeted EBITDA, refer to the explanation provided under the subheading Annual Cash Bonus Plan above.

For fiscal 2011, our budgeted 401(k) Plan EBITDA was \$195.0 million. Based on actual fiscal 2011 401(k) Plan EBITDA results, each of our executive officers earned a matching contribution of 25%. As a result, we provided participants with a match equal to 25% of their calendar year 2011 contributions that did not exceed 6% of their total base pay up to a maximum base pay of \$245,000. The matching contributions made on behalf of our named executive officers for 2011 are reported in the column titled All Other Compensation (\$) in the Summary Compensation Table below.

Supplemental Executive Retirement Plan

In 1998, we adopted a non-qualified, unfunded supplemental retirement plan known as the Suburban Propane Company Supplemental Executive Retirement Plan, which we refer to as the SERP. The purpose of the SERP was to provide certain of our executive officers with a level of retirement income from us, without regard to statutory maximums, including the IRC's limitation for defined benefit plans. In light of the conversion of the Pension Plan to a cash balance formula as described under the subheading Pension Plan above, the SERP was amended and restated effective January 1, 1998. The annual retirement benefit under the SERP represents the amount of annual benefits that the participants in the SERP would otherwise be eligible to receive, calculated using the same pay-based credits referenced in the Pension Plan section above, applied to the amount of annual compensation that exceeds the IRC's statutory maximums for defined benefit plans, which was \$200,000 in 2002. Effective January 1, 2003, the SERP was discontinued with a frozen benefit determined for the remaining participants.

At the conclusion of fiscal 2010, Mr. Dunn was the only remaining participant in the SERP. Due to the actuarial costs and administrative burdens associated with maintaining this plan for one participant, at its November 9, 2010 meeting, the Committee terminated the SERP and paid Mr. Dunn his accrued benefit of \$57,611 on December 1, 2010. Because Mr. Dunn received no above-market interest credits relative to the SERP during fiscal years 2010 and 2009, nothing related to Mr. Dunn's participation in the SERP is reported in the Summary Compensation Table below.

Other Benefits

As part of his total compensation package, each named executive officer is eligible to participate in all of our other employee benefit plans, such as the medical, dental, group life insurance and disability plans, on the same basis as other exempt employees. These benefit plans are offered to attract and retain talented employees by providing them with competitive benefits.

Table of Contents

Other than to Mr. Dunn, in accordance with the terms of his letter agreement (described below in the section titled Letter Agreement of Mr. Dunn), there are no post-termination or other special rights provided to any named executive officer to participate in these benefit programs other than the right to participate in such plans for a fixed period of time following termination of employment, on the same basis as is provided to other exempt employees, as required by law.

The costs of all such benefits incurred on behalf of our named executive officers in fiscal 2011 are reported in the column titled All Other Compensation (\$) in the Summary Compensation Table below.

Perquisites

Perquisites represent a minor component of our executive officers' compensation. Each of the named executive officers is eligible for tax preparation services, a company-provided vehicle, and an annual physical. The following table summarizes both the value and the utilization of these perquisites by the named executive officers in fiscal 2011.

Name	September 30, Tax Preparation Services	September 30, Employer- Provided Vehicle	September 30, Physical

Douglas T. Brinkworth	\$ 5,100	\$ 10,851	\$ 1,300

Perquisite-related costs for fiscal 2011 are reported in the column titled All Other Compensation (\$) in the Summary Compensation Table below.

Impact of Accounting and Tax Treatments of Executive Compensation

As we are a partnership and not a corporation for federal income tax purposes, we are not subject to the limitations of IRC Section 162(m) with respect to tax deductible executive compensation. Accordingly, none of the compensation paid to our named executive officers is subject to a limitation as to tax deductibility. However, if such tax laws related to executive compensation change in the future, the Committee will consider the implication of such changes to us.

Although it is Suburban's practice to comply with the statutory and regulatory provisions of IRC Section 409A, on November 2, 2005, the Board of Supervisors approved an amendment to the Suburban Propane, L.P. Severance Protection Plan for Key Employees, which we refer to as the Severance Plan, to provide that if any payment under the Severance Plan subjects a participant to the 20% federal excise tax under IRC Section 409A, the payment will be grossed up to permit such participant to retain a net amount on an after-tax basis equal to what he or she would have received had the excise tax not been payable.

Letter Agreement of Mr. Dunn

Simultaneous with the commencement of fiscal 2010, Mr. Dunn's then existing employment agreement was terminated by mutual agreement and replaced with a letter agreement governing retirement and the implementation of a mutually agreed upon succession plan. The letter agreement between Mr. Dunn and us is summarized as follows:

Mr. Dunn will participate in our Severance Protection Plan (see below) at the 78-week participation level.

If on or after the last day of fiscal 2012, Mr. Dunn retires or leaves as a result of an agreed-upon succession plan, he will receive the following if he timely provides us with a release of all claims he might have against us at the time of his departure:

A payment equal to two years of base salary paid over a two year period.

Continuation of medical and dental benefits at no premium cost to him until attainment of age 65 (Mr. Dunn will be 63 at the conclusion of fiscal 2012).

Transfer of ownership of employer-provided vehicle to Mr. Dunn.

We agreed that a termination of Mr. Dunn's employment in connection with a succession plan would be deemed a retirement for the purposes of his benefits under the employee benefit plans in which he participates. Mr. Dunn also agreed to provide us with transition consultation services for a period not to exceed two years following his departure. Mr. Dunn will not be deemed to have retired or terminated his employment if he simply relinquishes the title and responsibilities of President but remains our Chief Executive Officer.

Severance Benefits

We believe that, in most cases, employees should be paid reasonable severance benefits. Therefore, it is the general policy of the Committee to provide executive officers and other key employees who are terminated by us without cause or who choose to terminate their employment with us for good reason with a severance payment equal to, at a minimum, one year's base salary, unless circumstances dictate otherwise. This policy was adopted because it may be difficult for former executive officers and other key employees to find comparable employment within a short period of time. However, depending upon individual facts and circumstances, particularly the severed employee's tenure with us, the Committee may make exceptions to this general policy.

A key employee is an employee who has attained a director level pay-grade or higher. Cause will be deemed to exist where the individual has been convicted of a crime involving moral turpitude, has stolen from us, has violated his or her non-competition or confidentiality obligations, or has been grossly negligent in fulfillment of his or her responsibilities. Good reason generally will exist where an executive officer's position or compensation has been decreased or where the employee has been required to relocate.

Change of Control

Our executive officers and other key employees have built Suburban into the successful enterprise that it is today; therefore, we believe that it is important to protect them in the event of a change of control. Further, it is our belief that the interests of our Unitholders will be best served if the interests of our executive officers are aligned with them, and that providing change of control benefits should eliminate, or at least reduce, the reluctance of our executive officers to pursue potential change of control transactions that may be in the best interests of our Unitholders. Additionally, we believe that the severance benefits provided to our executive officers and to our key employees are consistent with market practice and appropriate because these benefits are an inducement to accepting employment and because the executive officers have agreed to and are subject to non-competition and non-solicitation covenants for a period following termination of employment. Therefore, our executive officers and other key employees are provided with employment protection following a change of control, which we refer to as the Severance Protection Plan. During fiscal 2011, our Severance Protection Plan covered all executive officers, including the named executive officers.

Table of Contents

The Severance Protection Plan provides for severance payments of either 65 or 78 weeks of base salary and target cash bonuses for such officers and key employees if within one year following a change of control their employment is terminated by us or our successor or they resign for Good Reason (as defined in the Severance Protection Plan). All named executive officers who participate in the Severance Protection Plan are eligible for 78 weeks of base salary and target bonuses. The cash components of any change of control benefits are paid in a lump sum.

In addition, upon a change of control, without regard to whether a participant's employment is terminated, all unvested awards granted under the RUP will vest immediately and become distributable to the participants and all outstanding, unvested awards under the LTIPs will vest immediately as if the three-year measurement period for each outstanding award concluded on the date the change of control occurred and our TRU was such that, in relation to the performance of the other members of the peer group, it fell within the top quartile.

For purposes of these benefits, a change of control is deemed to occur, in general, if:

An acquisition of our Common Units or voting equity interests by any person immediately after which such person beneficially owns more than 30% of the combined voting power of our then outstanding Common Units, unless such acquisition was made by (a) us or our subsidiaries, or any employee benefit plan maintained by us, the Operating Partnership or any of our subsidiaries, or (b) any person in a transaction where (A) the existing holders prior to the transaction own at least 50% of the voting power of the entity surviving the transaction and (B) none of the Unitholders other than Suburban, our subsidiaries, any employee benefit plan maintained by us, the Operating Partnership, or the surviving entity, or the existing beneficial owner of more than 25% of the outstanding Common Units owns more than 25% of the combined voting power of the surviving entity, which transaction we refer to as a Non-Control Transaction ; or

The consummation of (a) a merger, consolidation or reorganization involving Suburban other than a Non-Control Transaction; (b) a complete liquidation or dissolution of Suburban; or (c) the sale or other disposition of 40% or more of the gross fair market value of all the assets of Suburban to any person (other than a transfer to a subsidiary).

For additional information pertaining to severance payable to our named executive officers following a change of control-related termination, see the tables titled Potential Payments Upon Termination below.

The specific details regarding these plans are provided in the preceding Compensation Discussion and Analysis under the subheadings Restricted Unit Plans and 2003 Long-Term Incentive Plan. (1) The quantities reported on these lines represent awards granted under Suburban's Restricted Unit Plans. Generally, RUP awards vest as follows: 25% of the award on the third anniversary of the grant date; 25% of the award on the fourth anniversary of the grant date; and 50% of the award on the fifth anniversary of the grant date, subject in each case to continued service through each such date. If a recipient has held an unvested award for at least six months; is 55 years or older; and has worked for Suburban for at least ten years, an award held by such participant will vest six months following such participant's retirement if the participant retires prior to the conclusion of the normal vesting schedule unless the Committee exercises its authority to alter the applicability of the plan's retirement provisions in regard to a particular award. On September 24, 2011, Mr. Dunn was the only named executive officer who held RUP awards and, at the same time, satisfied all three retirement eligibility criteria. However, the terms of Mr. Dunn's fiscal 2011 and fiscal 2010 awards are such that the entire awards will vest on the last day of fiscal 2012 and at no time between the grant date and the vesting date will these awards be subject to the normative retirement provisions of the RUP awards. Detailed discussions of the general terms of the RUP and the facts and circumstances considered by the Committee in authorizing the fiscal 2011 awards to the named executive officers is included in the Compensation Discussion and Analysis under the subheading Restricted Unit Plans.

(2) Amounts reported on these lines are the targeted and maximum annual cash bonus compensation potential for each named executive officer under the annual cash bonus plan as described in the Compensation Discussion and Analysis under the subheading Annual Cash Bonus Plan. Actual amounts earned by the named executive officers for fiscal 2011 were equal to 60% of the Target amounts reported on this line. Column (c) (Threshold \$) was omitted because the annual cash bonus plan does not provide for a minimum cash payment. Because these plan awards were granted to, and 60% of the Target awards were earned by, our named executive officers during fiscal

Edgar Filing: SUBURBAN PROPANE PARTNERS LP - Form PRE 14A

2011, 60% of the Target amounts reported under column (d) have been reported in the Summary Compensation Table above.

- (3) The 2003 LTIP is a phantom unit plan. Payments, if earned, are based on a combination of (1) the fair market value of our Common Units at the end of a three-year measurement period, which, for purposes of the plan, is the average of the closing prices for the twenty business days preceding the conclusion of the three-year measurement period, and (2) cash equal to the distributions that would have inured to the same quantity of outstanding Common Units during the same three-year measurement period. The fiscal 2011 award Target (\$) and Maximum (\$) amounts are estimates based upon (1) the fair market value (the average of the closing prices of our Common Units for the twenty business days preceding September 24, 2011) of our Common Units at the end of fiscal 2011, and (2) the estimated distributions over the course of the award's three-year measurement period. Column (f) (Threshold \$) was omitted because the 2003 LTIP does not provide for a minimum cash payment. The Target (\$) amount represents a hypothetical payment at 100% of target and the Maximum (\$) amount represents a hypothetical payment at 125% of target. Detailed descriptions of the plan and the calculation of awards are included in the Compensation Discussion and Analysis under the subheading 2003 Long-Term Incentive Plan.

Table of Contents

- (4) This column is frequently used when non-equity incentive plan awards are denominated in units; however, in this case, the numbers reported represent the phantom units each named executive officer was awarded under the 2003 LTIP during fiscal 2011.
- (5) The dollar amounts reported in this column represent the aggregate fair value of the RUP awards on the grant date, net of estimated future distributions during the vesting period. The fair value shown may not be indicative of the value realized in the future upon vesting due to the variability in the trading price of our Common Units.

Note: Columns (j) and (k) were omitted from the Grants of Plan Based Awards Table because Suburban does not award options to its employees.

Outstanding Equity Awards at Fiscal Year End 2011 Table

- (1) Despite Mr. Dunn's having met the plan's retirement criteria (explained under the subheading "Restricted Unit Plans" in the Compensation Discussion and Analysis), the terms of Mr. Dunn's fiscal 2011 and fiscal 2010 RUP awards of 9,060 and 11,348 unvested units, respectively, are such that the entire awards will vest on the last day of fiscal 2012 and at no time between the grant dates and the vesting date will these awards be subject to the normative retirement provisions of the RUP awards. For more information on this and the retirement provisions, refer to the subheading "Restricted Unit Plans" in the Compensation Discussion and Analysis. If Mr. Dunn does not retire prior to the conclusion of the normal vesting schedule of his fiscal 2008 RUP award, his RUP awards will vest as follows:

Quantity of Units	803	2,748	2,080	4,292	3,962	2,618

(5) Mr. Brinkworth's RUP awards will vest as follows:

Vesting Date	September 30, Dec 1, 2011	September 30, Dec 3, 2011	September 30, Apr 25, 2012	September 30, Dec 1, 2012	September 30, Dec 3, 2012	September 30, Dec 1, 2013	September 30, Dec 1, 2014	September 30, Dec 1, 2015
Quantity of Units	803	852	823	2,080	1,704	4,242	3,912	2,718

(6) The figures reported in this column represent the total quantity of each of our named executive officer's unvested RUP awards.

(7) The figures reported in this column represent the figures reported in column (g) multiplied by the average of the highest and the lowest trading prices of our Common Units on September 23, 2011, the last trading day of fiscal 2011.

(8) The amounts reported in this column represent the quantities of phantom units that underlie the outstanding and unvested fiscal 2011 and fiscal 2010 awards under the 2003 LTIP. Payments, if earned, will be made to participants at the end of a three-year measurement period and will be based upon our total return to Common Unitholders in comparison to the total return provided by a predetermined peer group of eleven other companies, all of which are publicly-traded partnerships, to their unitholders. For more information on the 2003 LTIP, refer to the subheading "2003 Long-Term Incentive Plan" in the Compensation Discussion and Analysis.

(9) The amounts reported in this column represent the estimated future target payouts of the fiscal 2011 and fiscal 2010 awards granted under the 2003 LTIP. These amounts were computed by multiplying the quantities of the unvested phantom units in column (i) by the average of the closing prices of our Common Units for the twenty business days preceding September 24, 2011 (in accordance with the plan's valuation methodology), and by adding to the product of that calculation the product of each year's underlying phantom units times the sum of the distributions that are estimated to inure to an outstanding Common Unit during each award's three-year measurement period. Due to the variability in the trading prices of our Common Units, as well as our performance relative to the peer group, actual payments, if any, at the end of the three-year measurement period may differ. The following chart provides a breakdown of each year's awards:

	September 30, Mr. Dunn	September 30, Mr. Stivala	September 30, Mr. Boyd	September 30, Mr. Wienberg	September 30, Mr. Brinkworth
Fiscal 2011 Phantom Units	4,787	2,217	2,177	2,016	1,975
Value of Fiscal 2011 Phantom Units	\$ 224,893	\$ 104,155	\$ 102,275	\$ 94,712	\$ 92,786
Estimated Distributions over Measurement Period	\$ 48,985	\$ 22,687	\$ 22,277	\$ 20,630	\$ 20,210

Equity Vested Table for Fiscal 2011

Awards under the Restricted Unit Plans are settled in Common Units upon vesting. Awards under the 2003 Long-Term Incentive Plan, a phantom-equity plan, are settled in cash. The following two tables set forth certain information concerning the vesting of awards under our Restricted Unit Plans and the vesting of the fiscal 2009 award under our 2003 Long-Term Incentive Plan for each named executive officer during the fiscal year ended September 24, 2011:

Table of Contents

Restricted Unit Plans Name	September 30,	September 30,	
	Number of Common Units Acquired on Vesting (#)	Unit Awards Value Realized on Vesting (\$)	Value Realized on Vesting (\$) ⁽¹⁾
Michael J. Dunn, Jr.	7,384	\$	410,883
Michael A. Stivala	4,280	\$	239,616

Mark Wienberg	3,712	\$	205,004
Douglas T. Brinkworth	4,853	\$	268,877

(1) The value realized is equal to the average of the high and low trading prices of our Common Units on the vesting date, multiplied by the number of units that vested.

2003 Long-Term Incentive Plan Name	Fiscal 2009 ⁽²⁾ Award	September 30,	September 30,

Mark Wienberg		2,175	\$	123,962
Douglas T. Brinkworth		2,439	\$	139,008

(2) The fiscal 2009 award's three-year measurement period concluded on September 24, 2011.

(3) In accordance with the formula described in the Compensation Discussion and Analysis under the subheading 2003 Long-Term Incentive Plan, these quantities were calculated at the beginning of the three-year measurement period and were, therefore, based upon each individual's salary and target cash bonus at that time.

(4) The value (i.e., cash payment) realized was calculated in accordance with the terms and conditions of the 2003 LTIP. For more information, refer to the subheading 2003 Long-Term Incentive Plan in the Compensation Discussion and Analysis.

Pension Benefits Table for Fiscal 2011

The following table sets forth certain information concerning each plan that provides for payments or other benefits at, following, or in connection with retirement for each named executive officer as of the end of the fiscal year ended September 24, 2011:

Mark Wienberg ⁽²⁾	N/A	N/A	\$		\$
Douglas T. Brinkworth	Cash Balance Plan ⁽¹⁾	6	\$	98,920	\$

- (1) For more information on the Cash Balance Plan, refer to the subheading Pension Plan in the Compensation Discussion and Analysis.
- (2) Because Mr. Stivala and Mr. Wienberg commenced employment with Suburban after January 1, 2000, the date on which the Cash Balance Plan was closed to new participants, they do not participate in the Cash Balance Plan.
- (3) Currently, Mr. Dunn is the only named executive officer who meets the retirement criteria of the 2003 LTIP. For such participants, upon retirement, outstanding but unvested awards under the 2003 LTIP become fully vested. However, payouts on those awards are deferred until the conclusion of each outstanding award's three-year measurement period, based on the outcome of the TRU relative to the peer group. The number reported on this line represents a projected payout of Mr. Dunn's outstanding fiscal 2011 and fiscal 2010 awards under the 2003 LTIP. Because the ultimate payout, if any, is predicated on the trading prices of Suburban's Common Units at the end of the three-year measurement period, as well as where within the peer group our TRU falls, the value reported may not be indicative of the value realized in the future upon vesting due to the variability in the trading price of our Common Units.

Table of Contents

(4) Currently, Mr. Dunn is the only named executive officer who meets the retirement criteria of the RUP. Despite Mr. Dunn's having met the plan's retirement criteria, only his fiscal 2008 award is currently subject to the plan's retirement provisions until December 3, 2010. For more information on this and the retirement provisions, refer to the subheading "Restricted Unit Plans" in the "Compensation Discussion and Analysis." For participants who meet the retirement criteria, upon retirement, outstanding RUP awards vest six months and one day after retirement.

(5) At its November 9, 2010 meeting, the Committee terminated the SERP; on December 1, 2010, Mr. Dunn was paid his accrued benefit of \$57,611.

Potential Payments Upon Termination

The following table sets forth certain information containing potential payments to the named executive officers in accordance with the provisions of the Severance Protection Plan, the RUP and the 2003 LTIP for the circumstances listed in the table assuming a September 24, 2011 termination date:

Table of Contents

- (1) In the event of death, the named executive officer's estate is entitled to a payment equal to the decedent's earned but unpaid salary and pro-rata cash bonus.
- (2) In the event of disability, the named executive officer is entitled to a payment equal to his earned but unpaid salary and pro-rata cash bonus.
- (3) Any severance benefits, unrelated to a change of control event, payable to these officers would be determined by the Committee on a case-by-case basis in accordance with prior treatment of other similarly situated executives and may, as a result, differ from this hypothetical presentation. For purposes of this table, we have assumed that each of these named executive officers would, upon termination of employment without cause or for resignation for good reason, receive accrued salary and benefits through the date of termination plus one times annual salary and continued participation, at active employee rates, in Suburban's health insurance plans for one year.
- (4) In the event of a change of control followed by a termination without cause or by a resignation with good reason, each of the named executive officers will receive 78 weeks of base pay plus a sum equal to their annual target cash bonus divided by 52 and multiplied by 78 in accordance with the terms of the Severance Protection Plan. For more information on the Severance Protection Plan, refer to the subheading "Change of Control" in the "Compensation Discussion and Analysis."
- (5) In the event of a change of control, all awards under the 2003 LTIP will vest immediately regardless of whether termination immediately follows. If a change of control event occurs, the calculation of the payment of awards under the 2003 LTIP will be made as if our total return to Common Unitholders was higher than that provided by any of the other members of the peer group to their unitholders. For more information, refer to the subheading "2003 Long-Term Incentive Plan" in the "Compensation Discussion and Analysis."

In the event of death, the inability to continue employment due to permanent disability, or a termination without cause or a good reason resignation unconnected to a change of control event, awards will vest in accordance with the normal vesting schedule and will be subject to the same requirements as awards held by individuals still employed by Suburban and will be subject to the same risks as awards held by all other participants.

- (6) The RUP document makes no provisions for the vesting of awards held by recipients who die prior to the completion of the vesting schedule. If a recipient of a RUP award becomes permanently disabled, only those awards that have been held for at least one year on the date that the employee's employment is terminated as a result of his or her permanent disability will immediately vest; all awards held by the recipient for less than one year will be forfeited by the recipient. Because Mr. Dunn, Mr. Stivala, Mr. Boyd, Mr. Wienberg and Mr. Brinkworth each received a RUP award during fiscal 2011, if any or all of the five named executive officers had become permanently disabled on September 24, 2011, the following quantities of unvested restricted units would have vested: Dunn, 33,497; Stivala, 14,377; Boyd, 12,981; Wienberg, 11,067; Brinkworth, 11,698. The following quantities would have been forfeited: Dunn, 9,060; Stivala, 5,436; Boyd, 5,436; Wienberg, 5,436; Brinkworth, 5,436.

Under circumstances unrelated to a change of control, if a RUP award recipient's employment is terminated without cause or he or she resigns for good reason, any RUP awards held by such recipient will be forfeited.

In the event of a change of control, as defined in the RUP document, all unvested RUP awards will vest immediately on the date the change of control is consummated, regardless of the holding period and regardless of whether the recipient's employment is terminated.

SUPERVISORS' COMPENSATION

The following table sets forth the compensation of the non-employee members of the Board of Supervisors of Suburban during fiscal 2011.

Supervisor	September 30, Fees Earned or Paid in	September 30, Unit Awards	September 30, Total
	Cash (\$) ⁽¹⁾	(\$) ⁽²⁾	(\$)
John D. Collins	\$ 75,000	\$ 0	\$ 75,000
Harold R. Logan, Jr.	100,000	0	100,000
Dudley C. Mecum	75,000	0	75,000
John Hoyt Stookey	75,000	0	75,000
Jane Swift	75,000	0	75,000

(1) This includes amounts earned for fiscal 2011, including quarterly retainer installments for the fourth quarter of 2011 that were paid in November 2011. Does not include amounts paid in fiscal 2011 for fiscal 2010 quarterly retainer installments.

(2) Our Supervisors did not receive RUP awards made during this fiscal year. All previous awards were made in accordance with the provisions of our Restricted Unit Plans and vest accordingly. As of September 24, 2011, each non-employee member of the Board of Supervisors held the following quantities of unvested restricted unit awards: Mr. Collins, 6,348 units; Mr. Logan, 5,100 units; Mr. Mecum, 5,100 units; Mr. Stookey, 5,100 units; and Ms. Swift, 6,348 units.

Table of Contents

Note: The columns for reporting option awards, non-equity incentive plan compensation, changes in pension value and non-qualified deferred compensation plan earnings and all other forms of compensation were omitted from the Supervisor's Compensation Table because Suburban does not provide these forms of compensation to its non-employee supervisors.

Fees and Benefit Plans for Non-Employee Supervisors

Annual Cash Retainer Fees. As the Chairman of the Board of Supervisors, Mr. Logan receives an annual retainer of \$100,000, payable in quarterly installments of \$25,000 each. Each of the other non-employee Supervisors receives an annual cash retainer of \$75,000, payable in quarterly installments of \$18,750 each.

Meeting Fees. The members of our Board of Supervisors receive no additional remuneration for attendance at regularly scheduled meetings of the Board or its Committees, other than reimbursement of reasonable expenses incurred in connection with such attendance.

Restricted Unit Plans. Each non-employee Supervisor participates in the Restricted Unit Plans. All awards vest in accordance with the provisions of the plan document (see Compensation Discussion and Analysis section titled Restricted Unit Plans for a description of the vesting schedule). Upon vesting, all awards are settled by issuing Common Units. During fiscal 2004, Messrs. Logan, Mecum and Stookey were granted unvested restricted unit plan awards of 8,500 units each; during fiscal 2007, each of them received an additional unvested award of 3,000 units. Upon commencement of their terms as supervisors in fiscal 2007, Mr. Collins and Ms. Swift each received an award of 5,496 units. During fiscal 2010, each non-employee Supervisor received a grant of 3,600 units. Messrs. Logan, Mecum and Stookey are the only non-employee Supervisors who have satisfied the retirement provisions of Suburban's Restricted Unit Plans.

Additional Supervisor Compensation. Non-employee Supervisors receive no other forms of remuneration from us. The only perquisite provided to the members of the Board of Supervisors is the ability to purchase propane at the same discounted rate that we offer propane to our employees, the value of which was less than \$10,000 in fiscal 2011 for each Supervisor.

Compensation Committee Interlocks and Insider Participation. None.

Certain Relationships and Related Person Transactions. None. See also Audit Committee above.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth certain information as of March 5, 2012 regarding the beneficial ownership of Common Units by each member of the Board of Supervisors, each named executive officer, and all members of the Board of Supervisors and executive officers as a group. Except as set forth in the notes to the table, each individual or entity has sole voting and investment power over the Common Units reported.

**FINANCING RELATED AMENDMENTS (INCLUDING TECHNICAL
AMENDMENTS) TO THE EXISTING PARTNERSHIP AGREEMENTS**

(Proposal No. 2 on the Proxy Card)

Our Board of Supervisors is recommending the approval of certain financing related and other technical amendments, as described below, to each of the Existing Partnership Agreements. Capitalized terms not defined herein shall have the respective meanings assigned to such terms in the Existing Partnership Agreements.

Reasons for the Financing Related Amendments Proposal

In June 2009, the Operating Partnership entered into a credit agreement providing for a four-year \$250,000,000 revolving credit facility, which, for the first time in our history, was secured by liens on substantially all of the personal property and the significant real property of Suburban, the Operating Partnership and their subsidiaries. During the course of the negotiations leading up to this credit agreement, we discovered several provisions of the Existing Partnership Agreements which could potentially make it more difficult for the lenders to foreclose on their liens and take effective control of the pledged assets in the unlikely event that the Operating Partnership defaulted under the credit agreement. The existence of these provisions did not prevent the lenders from entering into the 2009 credit agreement, nor its renewal in January 2012 for a 5 year term. Nevertheless, due to the uncertainty of future conditions in the financial markets when and if we seek to obtain replacement or additional credit facilities, Suburban's Board of Supervisors believes it is prudent at this time to make amendments to the Existing Partnership Agreements that can potentially attract new lenders and aid in retaining existing lenders, thereby enhancing the ability of Suburban to obtain third party financing and providing Suburban with additional borrowing and pledge flexibility.

In addition, we are proposing technical amendments to the Existing Partnership Agreements that seek to correct typographical errors, remove outdated references and make certain other minor changes in order to achieve added clarity and precision in drafting.

Description of the Financing Related and Other Technical Amendments

The following summary of the financing related and other technical amendments is qualified in its entirety by the forms of Restated Partnership Agreements, which are attached hereto as **Appendices A** and **B**. All amendments, other than those made to Section 16.8 of the Existing MLP Agreement and Section 15.9 of the Existing OLP Agreement (which relate to the Delaware Forum Amendments Proposal No. 3) relate to this Financing Related Amendments Proposal. We encourage you to read and review all of the proposed amendments which are set forth in **Appendices A** and **B**, respectively.

Existing MLP Agreement

De-Coupling of the General Partners of Suburban and the Operating Partnership

The Existing Partnership Agreements require that the same entity be the general partner of both Suburban and the Operating Partnership at all times. The proposed amendments would permit different entities to be the general partner of each limited partnership (or any other partnership of which Suburban or the Operating Partnership is a partner). In the unlikely event of an Operating Partnership default under a secured credit agreement, these amendments would allow the lenders to take control of the Operating Partnership's general partner without disturbing Suburban's organizational arrangements.

Table of Contents

In order to effect this de-coupling of the general partners of Suburban and the Operating Partnership, we are proposing to amend:

Section 4.6(a) of the Existing MLP Agreement to provide that in connection with any transfer of the General Partner's general partner interests in Suburban, the transferee will no longer be required to agree to assume the rights and duties of the general partner under, or be bound by the provisions of, the Restated OLP Agreement, and will not be required to agree to purchase any of the general partnership interests of any other Group Member;

Section 7.12 of the Existing MLP Agreement to provide that the General Partner will not be required to be the general partner of the Operating Partnership or any other partnership of which Suburban or the Operating Partnership is, directly or indirectly, a partner; and

Article XI of the Existing MLP Agreement to provide that: (a) the voluntary withdrawal of the General Partner as general partner of the Operating Partnership will not be deemed to be a withdrawal of the General Partner as general partner of Suburban, (b) the withdrawal or removal of the General Partner as the general partner of Suburban will not automatically constitute the withdrawal or removal of the General Partner as general partner of the other Group Members for which it acts as general partner, and (c) the successor General Partner will not automatically become the successor general partner of such other Group Members.

We have no plans or intentions to de-couple the general partners of Suburban and the Operating Partnership at this time or in the foreseeable future.

Additional Authority of Board of Supervisors and the General Partner in Connection with Financing Transactions

We are proposing to amend Section 7.10(a) of the Existing MLP Agreement to give (a) the Board of Supervisors the authority, without Unitholder approval, to encumber assets of any Group Member, other than any Limited Partner Interest, and (b) the General Partner the authority, without Unitholder approval, to encumber its general partnership interest or limited partnership interest in any Group Member, other than any Limited Partner Interest.

We are also proposing to amend Section 7.10(a) of the Existing MLP Agreement to give the Board of Supervisors and the General Partner, acting on behalf of Suburban, greater authority to amend the Restated OLP Agreement, without the approval of the Unitholders, in connection with any financing transaction by the Operating Partnership or the granting of encumbrances in connection therewith.

Future Amendments to the Restated MLP Agreement

We are proposing to add a new Section 13.1(1) to the Existing MLP Agreement to give the Board of Supervisors the authority, without Unitholder approval, to adopt future amendments to the Restated MLP Agreement if the Board in good faith deems such amendments to be necessary or advisable in connection with financing transactions.

Technical Amendments

The Restated MLP Agreement will include changes to the Existing MLP Agreement intended to correct typographical errors, remove certain outdated references, including to the exchange agreement, dated as of July 27, 2006, among Suburban, the General Partner and the Operating Partnership, clarify (through a new Section 8.3) that our filing with the Securities and Exchange Commission of our annual report (Form 10-K) and quarterly reports (Form 10-Q) satisfies our obligation to "furnish" annual and quarterly financial statements to our Unitholders, and make certain other minor technical or clarifying changes.

Table of Contents

Existing OLP Agreement

The Restated OLP Agreement amends the Existing OLP Agreement so as to effectuate changes (including technical and other minor amendments) substantially similar to those described above with respect to the Existing MLP Agreement.

In addition, we are proposing to amend Section 13.2 of the Existing OLP Agreement to permit the General Partner of the Operating Partnership to propose future amendments to the Restated OLP Agreement. For example, as is presently the case with the Existing OLP Agreement, if the Restated OLP Agreement is approved at the Meeting, it will provide that the Board of Supervisors of Suburban also acts as the Board of Supervisors of the Operating Partnership. In the unlikely event that the Operating Partnership were to default under a secured credit agreement, and the lenders were to foreclose on their liens and take control of the General Partner of the Operating Partnership, the lenders would then be able to amend the Restated OLP Agreement to de-couple the Board of Supervisors of the Operating Partnership from the Board of Supervisors of Suburban and elect persons of the lenders' own choosing to the new Board of Supervisors of the Operating Partnership.

We have no plans or intentions either to utilize the new authority of the General Partner of the Operating Partnership to propose amendments to the Restated OLP Agreement, or to de-couple the Boards of Supervisors of Suburban and the Operating Partnership, at this time or in the foreseeable future.

Vote Required and Recommendation of the Board of Supervisors

The affirmative vote of the holders of a majority of the issued and outstanding Common Units, whether in person or by proxy, is required for the approval of this Financing Related Amendments Proposal. In particular, the affirmative vote of the holders of a majority of the issued and outstanding Common Units is being sought for the amendments to the Existing OLP Agreement described in this Financing Related Amendments Proposal because these amendments might be deemed to have a material adverse effect on Suburban as a partner of the Operating Partnership, as set forth in Section 7.10(a) of the Existing MLP Agreement. The Board of Supervisors has unanimously approved the Restated MLP Agreement, in the form attached hereto as **Appendix A**, and the Restated OLP Agreement, in the form attached hereto as **Appendix B**, and recommends Unitholder approval of both the Restated MLP Agreement and the Restated OLP Agreement by a vote **FOR** this Financing Related Amendments Proposal.

We note that if this Financing Related Amendments Proposal No. 2 is approved, the amendments described in this Proposal will be implemented simultaneously in BOTH the Restated MLP Agreement and the Restated OLP Agreement.

Please note that if this Financing Related Amendments Proposal No. 2 is approved, but the Delaware Forum Amendments Proposal No. 3 is not approved, then those amendments to Section 16.8 of the Existing MLP Agreement and Section 15.9 of the Existing OLP Agreement set forth in the form of Restated MLP Agreement and the form of Restated OLP Agreement, attached as Appendices A and B, respectively, will not be made, but all of the other amendments in the attached forms of Restated MLP Agreement and Restated OLP Agreement will be made.

DELAWARE FORUM AMENDMENTS TO THE EXISTING PARTNERSHIP AGREEMENTS

(Proposal No. 3 on the Proxy Card)

Our Board of Supervisors is recommending the approval of certain Delaware forum amendments, as described below, to each of the Existing Partnership Agreements.

Reasons for the Delaware Forum Amendments Proposal

Our Unitholders reside in most, if not all, of the states in the United States. Our Board of Supervisors believes that it would be detrimental to Suburban and the Operating Partnership, and to our Unitholders as a whole, if there were to be duplicative litigation in multiple forums, with the risk of inconsistent outcomes, on issues relating to the Existing or Restated Partnership Agreements. In addition, our Board believes that the Delaware courts' familiarity and expertise in dealing with Delaware limited partnerships, and the substantial and influential body of existing Delaware case law relating to that subject, would provide Suburban, the Operating Partnership and our Unitholders with potentially greater certainty with respect to the outcome of any disputes governed by Delaware law than would otherwise be the case.

We are not aware of any currently outstanding or threatened litigation which would be impacted by this Delaware Forum Amendments Proposal.

Description of the Delaware Forum Amendments

We are proposing to amend Section 16.8 of the Existing MLP Agreement and Section 15.9 of the Existing OLP Agreement to provide, among other things, that the exclusive forum, venue and jurisdiction for any claim, suit, action or proceeding relating to those agreements will be the courts of the State of Delaware. We encourage you to read and review these proposed amendments which are set forth in **Appendices A and B**, respectively.

Vote Required and Recommendation of the Board of Supervisors

The affirmative vote of the holders of a majority of the issued and outstanding Common Units, whether in person or by proxy, is required for the approval of this Delaware Forum Amendments Proposal under the Existing MLP Agreement. The Board of Supervisors is also seeking approval of the Unitholders for the like change to be effected under the Restated OLP Agreement. The Board of Supervisors has unanimously approved the Restated MLP Agreement, in the form attached hereto as **Appendix A**, and the Restated OLP Agreement, in the form attached hereto as **Appendix B**, including the amendments described in this Proposal, and recommends Unitholder approval of those amendments in both the Restated MLP Agreement and the Restated OLP Agreement by a vote **FOR** this Delaware Forum Amendments Proposal.

It is important to note that if this Delaware Forum Amendments Proposal is approved, the amendments described in this Proposal will be implemented simultaneously in BOTH the Restated MLP Agreement and the Restated OLP Agreement.

If only one of the Financing Related Amendments Proposal (which is Proposal No. 2) or Delaware Forum Amendments Proposal (this Proposal No. 3) is approved, only the amendments relating to the proposal that is approved will be implemented simultaneously in BOTH the Restated MLP Agreement and the Restated OLP Agreement.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

(Proposal No. 4 on the Proxy Card)

In accordance with the requirements of Section 14A of the Exchange Act (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act) and the related rules of the Securities and Exchange Commission, we are providing our Unitholders with the opportunity to cast an advisory vote on the compensation of our named executive officers. This proposal, commonly known as a say-on-pay proposal, gives our Unitholders the opportunity to express their views on the design and effectiveness of our executive compensation program for our named executive officers.

As described in detail in the Compensation Discussion and Analysis beginning on page 16 of this Proxy Statement, our executive compensation program is designed to attract and retain talented executives who have the skills and experience required to achieve our goals, and to align the short-term and long-term interests of our executive officers with the short-term and long-term interests of our Unitholders.

Suburban seeks to accomplish these goals by providing our executives with compensation packages that are linked to performance measures. We align the short-term and long-term interests of our executive officers with the short-term and long-term interest of our Unitholders by:

Providing our executive officers with an annual incentive target that encourages them to meet or exceed performance objectives on an annual basis;

Providing a long-term incentive plan that contributes to the sustainable, profitable growth of Suburban by permitting executive officers to share in future generated benefits; and

Providing a restricted unit plan that encourages both the retention of our executive officers over a five-year period and behaviors conducive to the long-term appreciation of our Common Units.

We believe that our executive compensation programs satisfy our overall goal of sustainable, profitable growth.

Accordingly, the Board of Supervisors recommends that the Unitholders approve the following advisory resolution:

RESOLVED, that the compensation paid to Suburban's named executive officers, as disclosed in this Proxy Statement pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby approved.

Although the vote is non-binding, the Board of Supervisors and the Compensation Committee value the opinions expressed by Unitholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for named executive officers.

Section 14A of the Exchange Act also requires public companies to allow their shareholders to have an advisory vote on whether say-on-pay proposals should be voted on by those shareholders every 1, 2, or 3 years. We are not including such a proposal at the upcoming Meeting because the Existing MLP Agreement provides (and if approved at the Meeting, the Restated MLP Agreement will provide) for Tri-Annual Meetings of our Unitholders (once every 3 years); however, we will, for so long as Section 14A requires us to do so, include a say-on-pay proposal at each Tri-Annual Meeting.

Vote Required and Recommendation of the Board of Supervisors

The affirmative vote of a majority of votes cast by the Unitholders, whether in person or by proxy, is required for the approval of this Say-on-Pay proposal. The Board of Supervisors unanimously recommends a vote **FOR** this Say-on-Pay proposal.

ADJOURNMENT OF THE TRI-ANNUAL MEETING

(Proposal No. 5 on the Proxy Card)

This Proposal, if adopted, will permit the Meeting to be adjourned, if necessary, to solicit additional proxies, in the event that there are not sufficient votes at the time of the Meeting to approve Proposal No. 2 the Financing Related Amendments Proposal or Proposal No. 3 the Delaware Forum Amendments Proposal.

Vote Required and Recommendation of the Board of Supervisors

The affirmative vote of a majority of the votes cast by the Unitholders is required for the approval of this proposal. The Board of Supervisors unanimously recommends a vote ***FOR*** approval of this proposal.

Nothing contained in this Section 2.6(a) shall be construed as authorizing the Board of Supervisors to amend this Agreement except in accordance with Article XIII or as may be otherwise expressly provided for in this Agreement.

(b) The foregoing power of attorney is hereby declared to be irrevocable and a power coupled with an interest, and it shall survive and, to the maximum extent permitted by law, not be affected by the subsequent death, incompetency, disability, incapacity, dissolution, bankruptcy or termination of any Limited Partner or Assignee and the ~~transfer~~Transfer of all or any portion of such Limited Partner's or Assignee's Partnership Interest and shall extend to such Limited Partner's or Assignee's heirs, successors, assigns and personal representatives. Each such Limited Partner or Assignee hereby agrees to be bound by any representation made by the Chief Executive Officer or President of the Partnership or the Liquidator acting in good faith pursuant to such power of attorney; and each such Limited Partner or Assignee, to the maximum extent permitted by law, hereby waives any and all defenses that may be available to contest, negate or disaffirm the action of the Chief Executive Officer or President of the Partnership or the Liquidator taken in good faith under such power of attorney. vested in the Partnership as soon as reasonably practicable; ~~provided, further,~~ that, prior to an event of withdrawal of the General Partner or as soon thereafter as practicable, the General Partner shall use reasonable efforts to effect the ~~transfer~~ Transfer of record title to the Partnership and, prior to any such ~~transfer~~ Transfer, will provide for the use of such assets in a manner satisfactory to the Board of Supervisors. Subject to the provisions of Section 7.12, which shall continue to be applicable to the Persons referred to therein, regardless of whether such Persons shall also be Limited Partners or Assignees, any Limited Partner or Assignee shall be entitled to and may have business interests and engage in business activities in addition to those relating to the Partnership, including business interests and activities in direct competition with the Partnership Group. REDEMPTION OF PARTNERSHIP INTERESTS

4.1 Certificates.

Upon the Partnership's issuance of Common Units to any Person, the Partnership shall issue one or more Certificates in the name of such Person evidencing the number of such Common Units being so issued. Supervisors elects to issue Common Units in global form, the Common Unit Certificates shall be valid upon receipt of a certificate from the Transfer Agent certifying that the Common Units have been duly registered in accordance with the directions of the Partnership. Any or all the signatures on the Certificate may be a facsimile. In case any Officer or Transfer Agent who has signed or whose facsimile signature has been placed upon a Certificate shall have ceased to be such Officer or Transfer Agent before such Certificate is issued, it may be issued by the Partnership with the same effect as if such person were such Officer or Transfer Agent at the date of issue. Notwithstanding anything to the contrary in this Section 4.1 or any other provision of this Agreement, the Partnership may allow interests in Common Units to be recorded and maintained in a Book-Entry System without the issuance of a Certificate.

4.2 Mutilated, Destroyed, Lost or Stolen Certificates.

(a) If any mutilated Certificate is surrendered to the Transfer Agent, the appropriate Officers of the Partnership shall execute, and the Transfer Agent shall countersign and deliver in exchange therefor, a new Certificate evidencing the same number of Units as the Certificate so surrendered.

(b) The appropriate Officers of the Partnership shall execute, and the Transfer Agent shall countersign and deliver (or, in the case of Common Units issued in global form, register in accordance with the rules and regulations of the Depository), a new Certificate in place of any Certificate previously issued if the Record Holder of the Certificate:

(i) makes proof by affidavit, in form and substance satisfactory to the Partnership, that a previously issued Certificate has been lost, destroyed or stolen;

(ii) requests the issuance of a new Certificate before the Partner has notice that the Certificate has been acquired by a purchaser for value in good faith and without notice of an adverse claim;

(iii) if requested by the Partnership, delivers to the Partnership a bond, in form and substance satisfactory to the Partnership, with surety or sureties and with fixed or open penalty as the Partnership may reasonably direct, in its sole discretion, to indemnify the Partnership, the Partners, the Board of Supervisors, the Partnership's officers, employees, agents and other representatives and the Transfer Agent against any claim that may be made on account of the alleged loss, destruction or theft of the Certificate; and

(iv) satisfies any other reasonable requirements imposed by the Partnership.

If a Limited Partner or Assignee fails to notify the Partnership within a reasonable time after such Person has notice of the loss, destruction or theft of a Certificate, and a ~~transfer~~ Transfer of the Limited Partner Interests represented by the lost, destroyed or stolen Certificate is registered before the Partnership, the Board of Supervisors or the Transfer Agent receives such notification, the Limited Partner or Assignee shall be precluded from making any claim against the Partnership, the Board of Supervisors and the Transfer Agent for such ~~transfer~~ Transfer or for a new Certificate.

(c) As a condition to the issuance of any new Certificate under this Section 4.2, the Partnership may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Transfer Agent) reasonably connected therewith.

4.3 Record Holders.

The Partnership shall be entitled to recognize the Record Holder as the Partner or Assignee with respect to any Partnership Interest and, accordingly, shall not be bound to recognize any equitable or other claim to or interest in such Partnership Interest on the part of any other Person, regardless of whether the Partnership shall have actual or other notice thereof, except as otherwise provided by law or any applicable rule, regulation, guideline or requirement of any National Securities Exchange on which the Units are listed for trading. Without limiting the foregoing, when a Person (such as a broker, dealer, bank, trust company or clearing corporation or an agent of any of the foregoing) is acting as nominee, agent or in some other representative capacity for another Person in acquiring and/or holding Units, as between the Partnership on the one hand, and such other Persons on the other, such representative Person (a) shall be the Limited Partner or Assignee (as the case may be) of record and beneficially, (b) must execute and deliver a Transfer Application and (c) shall be bound by this Agreement and shall have the rights and obligations of a Limited Partner or Assignee (as the case may be) hereunder and as provided for herein.

4.4 Transfer Generally.

(a) ~~When used in this Agreement, but subject to Section 4.4(b), the term Transfer means a transfer, sale, assignment, conveyance, gift, pledge, encumbrance, hypothecation, mortgage, exchange or other disposition, in whole or in part. The term Transfer also includes a grant of a proxy or other authorization to a third party to exercise voting or other rights with respect to any Group Member other than the Partnership.~~

(b) ~~(a) The term transfer, when~~When used in this Agreement, a Transfer with respect to a Partnership Interest, shall be deemed to refer to a transaction by which the General Partner ~~assigns~~Transfers its General Partner Interest to another Person or by which the holder of a Limited Partner Interest ~~assigns~~Transfers such Limited Partner Interest to another Person who is or becomes a Limited Partner or an Assignee, ~~and includes a sale, assignment, gift, pledge, encumbrance, hypothecation, mortgage, exchange or any other disposition by law or otherwise, in whole or in part.~~

(c) ~~(b)~~ No Partnership Interest shall be ~~transferred~~Transferred, in whole or in part, except in accordance with the terms and conditions set forth in this Article IV. Any ~~transfer~~Transfer or purported ~~transfer~~Transfer of a Partnership Interest not made in accordance with this Article IV shall be null and void.

(d) ~~(c)~~ Nothing contained in this Agreement shall be construed to prevent a ~~disposition~~Transfer by any securityholder of the General Partner of any or all of the issued and outstanding equity interests in the General Partner.

(e) ~~(d)~~ Nothing contained in this Agreement shall preclude the settlement of any transactions involving Partnership Interests entered into through the facilities of any National Securities Exchange on which such Partnership Interests are listed for trading.

4.5 Registration and Transfer of Units.

(a) The Partnership shall keep or cause to be kept on behalf of the Partnership a register in which, subject to such reasonable regulations as it may prescribe and subject to the provisions of Section 4.5(b), the Partnership will provide for the registration and ~~transfer~~Transfer of Units. The Transfer Agent is hereby appointed registrar and transfer agent for the purpose of registering Common Units and ~~transfers~~Transfers of such Common Units as herein provided. The Partnership shall not recognize ~~transfers~~Transfers of Certificates representing Units, or ~~transfers~~Transfers of Units recorded in a Book-Entry System, unless such ~~transfers~~Transfers are effected in the manner described in this Section 4.5. Upon surrender for registration of ~~transfer~~Transfer of any Units evidenced by a Certificate, and subject to the provisions of Section 4.5(b), the appropriate officers on behalf of the Partnership shall execute, and in the case of Common Units, the Transfer Agent shall countersign and deliver (or, in the case of Common Units issued in global form, register in accordance with the rules and regulations of the Depository), in the name of the holder or the designated transferee or transferees, as required pursuant to the holder's instructions, one or more new Certificates evidencing the same aggregate number of Units as was evidenced by the Certificate so surrendered.

(b) Except as otherwise provided in Section 4.10, the Partnership shall not recognize any ~~transfer~~Transfer of Units until the Certificates evidencing such Units, if any, are surrendered for registration of ~~transfer~~Transfer and such Certificates, or a request for ~~transfer~~Transfer of such Units made in accordance with the rules of the Book-Entry System, are accompanied by a Transfer Application duly executed by the transferee (or the transferee's attorney-in-fact duly authorized in writing). No charge shall be imposed by the Partnership for such ~~transfer~~Transfer; provided, however, that as a condition to the issuance of any new Certificate or to a ~~transfer~~Transfer of Units recorded in a Book-Entry System under this Section 4.5, the Partnership may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed with respect thereto.

(c) Units may be ~~transferred~~Transferred only in the manner described in this Section 4.5. The ~~transfer~~Transfer of any Units and the admission of any new Partner shall not constitute an amendment to this Agreement.

(d) Until admitted as a Substituted Limited Partner pursuant to Section 10.2, the Record Holder of a Common Unit shall be an Assignee in respect of such Common Unit. Limited Partners may include custodians, nominees, or any other individual or entity in its own or any representative capacity.

(e) A transferee of a Common Unit who has completed and delivered a Transfer Application shall be deemed to have (i) requested admission as a Substituted Limited Partner, (ii) agreed to comply with and be bound by and to have executed this Agreement, (iii) represented and warranted that such transferee has the right, power and authority and, if an individual, the capacity to enter into this Agreement, (iv) granted the powers of attorney set forth in this Agreement and (v) given the consents and approvals and made the waivers contained in this Agreement.

Table of Contents**4.6 Transfer of a General Partner's Partnership Interest.**

(a) Any ~~transfer~~Transfer by the General Partner of any portion of its General Partner Interest shall be subject to the prior approval of the Board of Supervisors. Notwithstanding anything herein to the contrary, no ~~transfer~~Transfer by the General Partner of all or any part of its General Partner Interest to another Person shall be permitted unless (i) the transferee agrees to assume the rights and duties of the General Partner under this Agreement and ~~the Operating Partnership Agreement and~~ to be bound by the provisions of this Agreement, ~~and the Operating Partnership Agreement,~~ (ii) the Partnership receives an Opinion of Counsel that such ~~transfer~~Transfer would not result in the loss of limited liability of any Limited Partner or of any limited partner of the Operating Partnership or cause the Partnership or the Operating Partnership to be treated as an association taxable as a corporation or otherwise to be taxed as an entity for federal income tax purposes (to the extent not already so treated or taxed) ~~and~~ (iii) such transferee also agrees to purchase all (or the appropriate portion thereof, if applicable) of the partnership interest of the General Partner as the general partner of each other Group Member. In the case of a ~~transfer~~Transfer pursuant to and in compliance with this Section 4.6, the transferee or successor (as the case may be) shall, subject to compliance with the terms of Section 10.3, be admitted to the Partnership as a General Partner simultaneously with the ~~transfer~~Transfer of the General Partner Interest, and is hereby authorized to and shall continue the business of the Partnership without dissolution.

(b) At any time ~~after the distribution contemplated by the Distribution, Release and Lock-up Agreement referred to in the Exchange Agreement,~~ and for any reason, the Board of Supervisors, on such terms and conditions that the Board of Supervisors shall determine, upon at least ten (10) Business Days' written notice to the General Partner, may (i) require the General Partner to ~~transfer~~Transfer its General Partner Interest in the Partnership or its Common Units (which it holds as a Limited Partner); (ii) require any or all of the members of the General Partner to ~~transfer~~Transfer their limited liability company interests in the General Partner, in each case to a designee of the Board of Supervisors, who may be admitted as a substitute member of the General Partner by the Board of Supervisors in accordance with the provisions of the First Amended and Restated Operating Agreement of the General Partner, dated as of the date hereof (the Restated GP Agreement); and (iii) admit a new member of the General Partner in accordance with the provisions of the Restated GP Agreement, if at any time the sole member of the General Partner ceases to be a member of the General Partner. The consideration for the ~~transfer~~Transfer of the General Partner Interest shall be \$10. The consideration for the ~~transfer~~Transfer of Common Units by the General Partner shall be the Current Market Price, determined as of the Trading Day immediately preceding the date such Units are ~~transferred~~Transferred. The consideration for the ~~transfer~~Transfer of limited liability company interests by the members of the General Partner shall be the product of (x) their percentage interest in the General Partner and (y) the aggregate Current Market Price of all Common Units then owned by the General Partner. If such ~~transfer~~Transfer, however, is pursuant to or in connection with a Merger Agreement or other transaction to which the Partnership is a party, the consideration for the Common Units owned by the General Partner shall be the consideration being paid on account of the Common Units in connection with the Merger Agreement or such other transaction, and shall be paid in the form of consideration being paid in such Merger or

other transaction. As of the date of this Agreement, the sole member of the General Partner is the Chief Executive Officer of the Partnership. If at any time, such member shall cease to be the Chief Executive Officer of the Partnership, he shall have the right, by written notice, to require the Board of Supervisors to designate a transferee for his limited liability company interests in the General Partner within thirty (30) days of receiving such notice for the consideration and otherwise in accordance with the provisions of this Section 4.6(b). If the Board of Supervisors admits a new member of the General Partner in accordance with the provisions of the Restated GP Agreement, the interest of the existing member shall be purchased in accordance with the provisions of this Section 4.6(b).

4.8 [Deleted]

4.9 Restrictions on Transfers.

(a) Notwithstanding the other provisions of this Article IV, no ~~transfer~~Transfer of any Partnership Interest shall be made if such ~~transfer~~Transfer would (i) violate the then applicable federal or state securities laws or rules and regulations of the Commission, any state securities commission or any other governmental authorities with jurisdiction over such ~~transfer~~Transfer, (ii) terminate the existence or qualification of the Partnership or the Operating Partnership under the laws of the jurisdiction of its formation, or (iii) cause the Partnership or the Operating Partnership to be treated as an association taxable as a corporation or otherwise to be taxed as an entity for federal income tax purposes (to the extent not already so treated or taxed).

(b) The Board of Supervisors may impose restrictions on the ~~transfer~~Transfer of Partnership Interests if a subsequent Opinion of Counsel determines that such restrictions are necessary to avoid a significant risk of the Partnership or the Operating Partnership becoming taxable as a corporation or otherwise to be taxed as an entity for federal income tax purposes. The restrictions may be imposed by making such amendments to this Agreement as the Board of Supervisors may determine to be necessary or appropriate to impose such restrictions without the consent of any Partner; provided, however, that any amendment that the Board of Supervisors believes, in the exercise of its reasonable discretion, could result in the delisting or suspension of trading of any class of Units on any National Securities Exchange on which such class of Units is then traded must be approved by the holders of at least a majority of the Outstanding Units of such class.

4.10 Citizenship Certificates; Non-citizen Assignees.

(a) If any Group Member is or becomes subject to any federal, state or local law or regulation that, in the reasonable determination of the Board of Supervisors, creates a substantial risk of cancellation or forfeiture of any property in which the Group Member has an interest based on the nationality, citizenship or other related status of a Limited Partner or Assignee, the Board of Supervisors may request any Limited Partner or Assignee to furnish to the Board of Supervisors, within 30 days after receipt of such request, an executed Citizenship Certification or such other information concerning his nationality, citizenship or other related status (or, if the Limited Partner or Assignee is a nominee holding for the account of another Person, the

Table of Contents

nationality, citizenship or other related status of such Person) as the Board of Supervisors may request. If a Limited Partner or Assignee fails to furnish to the Board of Supervisors within the aforementioned 30-day period such Citizenship Certification or other requested information or if upon receipt of such Citizenship Certification or other requested information the Board of Supervisors determines, with the advice of counsel, that a Limited Partner or Assignee is not an Eligible Citizen, the Partnership Interests owned by such Limited Partner or Assignee shall be subject to redemption in accordance with the provisions of Section 4.11. In addition, the General Partner may require that the status of any such Limited Partner or Assignee be changed to that of a Non-citizen Assignee and, thereupon, the General Partner shall be substituted for such Non-citizen Assignee as the Limited Partner in respect of such Non-citizen Assignee's Units.

(b) The General Partner shall, in exercising voting rights in respect of Units held by it on behalf of Non-citizen Assignees, distribute the votes in the same ratios as the votes of Limited Partners in respect of Units other than those of Non-citizen Assignees are cast, either for, against or abstaining as to the matter being voted upon.

(c) Upon dissolution of the Partnership, a Non-citizen Assignee shall have no right to receive a distribution in kind pursuant to Section 12.4 but shall be entitled to the cash equivalent thereof as determined in the sole discretion of the Board of Supervisors, and the Partnership shall provide cash in exchange for an assignment of the Non-citizen Assignee's share of the distribution in kind. Such payment and assignment shall be treated for Partnership purposes as a purchase by the Partnership from the Non-citizen Assignee of his Partnership Interest (representing his right to receive his share of such distribution in kind).

(d) At any time after a Non-citizen Assignee can and does certify that it has become an Eligible Citizen, a Non-citizen Assignee may, upon application to the Board of Supervisors, request admission as a Substituted Limited Partner with respect to any Units of such Non-citizen Assignee not redeemed pursuant to Section 4.11, and upon admission pursuant to Section 10.2, the General Partner shall cease to be deemed to be the Limited Partner in respect of the Non-citizen Assignee's Units.

4.11 Redemption of Partnership Interests of Non-citizen Assignees.

(a) If at any time a Limited Partner or Assignee fails to furnish a Citizenship Certification or other information requested within the 30-day period specified in Section 4.9(a), or if upon receipt of such Citizenship Certification or other information the Board of Supervisors determines, with the advice of counsel, that a Limited Partner or Assignee is not an Eligible Citizen, the Partnership may, unless the Limited Partner or Assignee establishes to the satisfaction of the Board of Supervisors that such Limited Partner or Assignee is an Eligible Citizen or has ~~transferred~~Transferred its Partnership Interests to a Person who is an Eligible Citizen and who furnishes a Citizenship Certification to the Board of Supervisors prior to the date fixed for redemption as provided below, redeem the Partnership Interest of such Limited Partner or Assignee as follows:

(i) The Board of Supervisors shall, not later than the 30th day before the date fixed for redemption, give notice of redemption to the Limited Partner or Assignee, at its last address designated on the records of the Partnership or the Transfer Agent, by

Table of Contents

registered or certified mail, postage prepaid. The notice shall be deemed to have been given when so mailed. The notice shall specify the Redeemable Interests, the date fixed for redemption, the place of payment, that payment of the redemption price will be made upon surrender of the Certificate evidencing the Redeemable Interests and that on and after the date fixed for redemption no further allocations or distributions to which the Limited Partner or Assignee would otherwise be entitled in respect of the Redeemable Interests will accrue or be made.

(ii) The aggregate redemption price for Redeemable Interests shall be an amount equal to the Current Market Price (the date of determination of which shall be the date fixed for redemption) of Partnership Interests of the class to be so redeemed multiplied by the number of Partnership Interests of each such class included among the Redeemable Interests. The redemption price shall be paid, in the discretion of the Board of Supervisors, in cash or by delivery of a promissory note of the Partnership in the principal amount of the redemption price, bearing interest at the rate of 10% annually and payable in three equal annual installments of principal together with accrued interest, commencing one year after the redemption date.

(iii) Upon surrender by or on behalf of the Limited Partner or Assignee, at the place specified in the notice of redemption, of the Certificate evidencing the Redeemable Interests, duly endorsed in blank or accompanied by an assignment duly executed in blank, the Limited Partner or Assignee or his duly authorized representative shall be entitled to receive the payment therefor.

(iv) After the redemption date, Redeemable Interests shall no longer constitute issued and Outstanding Partnership Interests.

(b) The provisions of this Section 4.11 shall also be applicable to Partnership Interests held by a Limited Partner or Assignee as nominee of a Person determined to be other than an Eligible Citizen.

(c) Nothing in this Section 4.11 shall prevent the recipient of a notice of redemption from ~~transferring~~Transferring such Person's Partnership Interests before the redemption date if such ~~transfer~~Transfer is otherwise permitted under this Agreement. Upon receipt of notice of such a ~~transfer~~Transfer, the Board of Supervisors shall withdraw the notice of redemption, provided the transferee of such Partnership Interests certifies in the Transfer Application that he is an Eligible Citizen. If the transferee fails to make such certification, such redemption shall be effected from the transferee on the original redemption date.

(b) For purposes of computing the amount of any item of income, gain, loss or deduction which is to be allocated pursuant to Article VI and is to be reflected in the Partners' Capital Accounts, the determination, recognition and classification of any such item shall be the same as its determination, recognition and classification for federal income tax purposes (including, ~~without limitation,~~ any method of depreciation, cost recovery or amortization used for that purpose), provided, that:

(i) Solely for purposes of this Section 5.5, the Partnership shall be treated as owning directly its proportionate share (as determined by the Board of Supervisors based upon the provisions of the Operating Partnership Agreement) of all property owned by the Operating Partnership or any other Subsidiary that is classified as a partnership for federal income tax purposes.

(ii) All fees and other expenses incurred by the Partnership to promote the sale of (or to sell) a Partnership Interest that can neither be deducted nor amortized under Section 709 of the Code, if any, shall, for purposes of Capital Account maintenance, be treated as an item of deduction at the time such fees and other expenses are incurred and shall be allocated among the Partners pursuant to Section 6.1.

(iii) Except as otherwise provided in Treasury Regulation Section 1.704--1(b)(2)(iv)(m), the computation of all items of income, gain, loss and deduction shall be made without regard to any election under Section 754 of the Code which may be made by the Partnership and, as to those items described in Section 705(a)(1)(B) or 705(a)(2)(B) of the Code, without regard to the fact that such items are not includable in gross income or are neither currently deductible nor capitalized for federal income tax purposes. To the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to Section 734(b) or 743(b) of the Code is required, pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(m) to be taken into account in determining Capital Accounts, the amount of such adjustment in the Capital Accounts shall be treated as an item of gain or loss.

(iv) Any income, gain or loss attributable to the taxable disposition of any Partnership property shall be determined as if the adjusted basis of such property as of such date of disposition were equal in amount to the Partnership's Carrying Value with respect to such property as of such date.

(v) In accordance with the requirements of Section 704(b) of the Code, any deductions for depreciation, cost recovery or amortization attributable to any Contributed Property shall be determined as if the adjusted basis of such property on the date it was acquired by the Partnership were equal to the Agreed Value of such property. Upon an adjustment pursuant to Section 5.5(d) to the Carrying Value of any Partnership property subject to depreciation, cost recovery or amortization, any further deductions for such depreciation, cost recovery or amortization attributable to such property shall

be determined (A) as if the adjusted basis of such property were equal to the Carrying Value of such property immediately following such adjustment and (B) using a rate of depreciation, cost recovery or amortization derived from the same method and useful life (or, if applicable, the remaining useful life) as is applied for federal income tax purposes; provided, however, that, if the asset has a zero adjusted basis for federal income tax purposes, depreciation, cost recovery or amortization deductions shall be determined using any reasonable method that the Board of Supervisors may adopt.

(vi) If the Partnership's adjusted basis in a depreciable or cost recovery property is reduced for federal income tax purposes pursuant to Section 48(q)(1) or 48(q)(3) of the Code, the amount of such reduction shall, solely for purposes hereof, be deemed to be an additional depreciation or cost recovery deduction in the year such property is placed in service and shall be allocated among the Partners pursuant to Section 6.1. Any restoration of such basis pursuant to Section 48(q)(2) of the Code shall, to the extent possible, be allocated in the same manner to the Partners to whom such deemed deduction was allocated.

(c) A transferee of a Partnership Interest shall succeed to a pro rata portion of the Capital Account of the transferor relating to the Partnership Interest so ~~transferred~~Transferred.

(d) (i) In accordance with Treasury Regulation Section 1.704-1(b)(2)(iv)(f), on an issuance of additional Units for cash or Contributed Property, the Capital Account of all Partners and the Carrying Value of each Partnership property immediately prior to such issuance shall be adjusted upward or downward to reflect any Unrealized Gain or Unrealized Loss attributable to such Partnership property, as if such Unrealized Gain or Unrealized Loss had been recognized on an actual sale of each such property immediately prior to such issuance and had been allocated to the Partners at such time pursuant to Section 6.1. In determining such Unrealized Gain or Unrealized Loss, the aggregate cash amount and fair market value of all Partnership assets (including, ~~without limitation~~, cash or cash equivalents) immediately prior to the issuance of additional Units shall be determined by the Board of Supervisors using such reasonable method of valuation as it may adopt; provided, however, that the Board of Supervisors, in arriving at such valuation, must take fully into account the fair market value of the Partnership Interests of all Partners at such time. The Board of Supervisors shall allocate such aggregate value among the assets of the Partnership (in such manner as it determines in its discretion to be reasonable) to arrive at a fair market value for individual properties.

(ii) In accordance with Treasury Regulation Section 1.704-1(b)(2)(iv)(f), immediately prior to any actual or deemed distribution to a Partner of any Partnership property (other than a distribution of cash that is not in redemption or retirement of a Partnership Interest), the Capital Accounts of all Partners and the Carrying Value of all Partnership property shall be adjusted upward or downward to reflect any Unrealized Gain or Unrealized Loss attributable to such Partnership property, as if such Unrealized Gain or Unrealized Loss had been recognized in a sale of such property immediately prior to such distribution for an amount equal to its fair market value, and had been allocated to the Partners, at such time, pursuant to Section 6.1. In determining such Unrealized Gain or Unrealized Loss the aggregate cash amount and fair market value of all Partnership assets (including, ~~without limitation~~, cash or cash equivalents)

immediately prior to a distribution shall (A) in the case of an actual distribution which is not made pursuant to Section 12.4, be determined and allocated in the same manner as that provided in Section 5.5(d)(i) or (B) in the case of a liquidating distribution pursuant to Section 12.4, be determined and allocated by the Liquidator using such reasonable method of valuation as it may adopt.

5.6 Issuances of Additional Partnership Securities.

(a) The Partnership may issue additional Partnership Securities for any Partnership purpose at any time and from time to time to such Persons for such consideration and on such terms and conditions as shall be established by the Board of Supervisors in its sole discretion, all without the approval of any Limited Partners.

(b) Each additional Partnership Security authorized to be issued by the Partnership pursuant to Section 5.6(a) may be issued in one or more classes, or one or more series of any such classes, with such designations, preferences, rights, powers and duties (which may be senior to existing classes and series of Partnership Securities), as shall be fixed by the Board of Supervisors in the exercise of its sole discretion, including (i) the right to share Partnership profits and losses or items thereof; (ii) the right to share in Partnership distributions; (iii) the rights upon dissolution and liquidation of the Partnership; (iv) whether, and the terms and conditions upon which, the Partnership may redeem the Partnership Security; (v) whether such Partnership Security is issued with the privilege of conversion and, if so, the terms and conditions of such conversion; (vi) the terms and conditions upon which each Partnership Security will be issued, evidenced by certificates and assigned or ~~transferred~~ Transferred; and (vii) the right, if any, of the holders of each such Partnership Security to vote on Partnership matters, including matters relating to the relative rights, preferences and privileges of such Partnership Security.

(c) The Board of Supervisors is hereby authorized and directed to take all actions that it deems necessary or appropriate in connection with each issuance of Partnership Securities pursuant to this Section 5.6 and to amend this Agreement in any manner that it deems necessary or appropriate to provide for each such issuance, to admit Additional Limited Partners in connection therewith and to specify the relative rights, powers and duties of the holders of the Units or other Partnership Securities being so issued. The Board of Supervisors shall do all things necessary to comply with the Delaware Act and is authorized and directed to do all things it deems to be necessary or advisable in connection with any future issuance of Partnership Securities, including compliance with any statute, rule, regulation or guideline of any federal, state or other governmental agency or any National Securities Exchange on which the Units or other Partnership Securities are listed for trading.

(d) No fractional Units shall be issued by the Partnership.

5.9 No Preemptive Rights.

No Person shall have any preemptive, preferential or other similar right with respect to the issuance of any Partnership Security, whether unissued, held in treasury by the Partnership or hereafter created.

5.10 Splits and Combinations.

(a) Subject to Section 5.10(d), the Partnership may make a Pro Rata distribution of Partnership Securities to all Record Holders of Common Units or may effect a subdivision or combination of Partnership Securities so long as, after any such event, each Limited Partner shall have the same Percentage Interest in the Partnership as before such event, and any amounts calculated on a per Unit basis or stated as a number of Units are proportionately adjusted retroactive to the beginning of the Partnership.

(b) Whenever such a distribution, subdivision or combination of Partnership Securities is declared, the Board of Supervisors shall select a Record Date as of which the distribution, subdivision or combination shall be effective and shall send notice thereof at least 20 days prior to such Record Date to each Record Holder as of the date not less than 10 days prior to the date of such notice. The Board of Supervisors also may cause a firm of independent public accountants selected by it to calculate the number of Partnership Securities to be held by each Record Holder after giving effect to such distribution, subdivision or combination. The Board of Supervisors shall be entitled to rely on any certificate provided by such firm as conclusive evidence of the accuracy of such calculation.

(c) Promptly following any such distribution, subdivision or combination, the Partnership may issue Certificates to the Record Holders of Partnership Securities as of the applicable Record Date representing the new number of Partnership Securities held by such Record Holders, or the Board of Supervisors may adopt such other procedures as it may deem appropriate to reflect such changes. If any such combination results in a smaller total number of Partnership Securities Outstanding, the Partnership shall require, as a condition to the delivery to a Record Holder of such new Certificate, the surrender of any Certificate held by such Record Holder immediately prior to such Record Date.

(d) The Partnership shall not issue fractional Units upon any distribution, subdivision or combination of Units. If a distribution, subdivision or combination of Units would result in the issuance of fractional Units but for the provisions of Section 5.6(d) and this Section 5.10(d), each fractional Unit shall be rounded to the nearest whole Unit (and a 0.5 Unit shall be rounded to the next higher Unit).

5.11 Fully Paid and Non-Assessable Nature of Limited Partner Interests.

All Limited Partner Interests issued pursuant to, and in accordance with the requirements of, this Article V shall be fully paid and non-assessable Limited Partner Interests, except as such non-assessability may be affected by Section 17-607 of the Delaware Act.

5.12 Loans from Partners.

Loans by a Partner to the Partnership shall not constitute Capital Contributions. If any Partner shall advance funds to the Partnership in excess of the amounts required hereunder to be contributed by it to the capital of the Partnership, the making of such excess advances shall not result in any increase in the amount of the Capital Account of such Partner. The amount of any such excess advances shall be a debt obligation of the Partnership to such Partner and shall be payable or collectible only out of the Partnership assets in accordance with the terms and conditions upon which such advances are made.

ARTICLE VI

ALLOCATIONS AND DISTRIBUTIONS

6.1 Allocations for Capital Account Purposes.

(a) **General.** In maintaining the Capital Accounts that determine the rights of the Partners among themselves, the Partnership's items of income, gain, loss and deduction (computed in accordance with Section 5.5(b)), shall be allocated among the Partners Pro Rata, except as otherwise provided below.

(b) [Deleted.]

(c) **Limitation on Losses.** Any deduction otherwise allocable to a Common Unitholder that would create or add to a deficit in his loss or Adjusted Capital Account shall instead be allocated to the General Partner. Thereafter, any income that would otherwise be allocable to such Common Unitholder shall be allocated to the General Partner, until the aggregate amount so allocated under this sentence equals the aggregate amount of losses and deductions previously allocated to the General Partner under the preceding sentence.

(d) [Deleted]

(e) **Special Allocations.** Notwithstanding any other provision of this Section 6.1, the following special allocations shall be made for such taxable period:

(i) **Partnership Minimum Gain Chargeback.** Notwithstanding any other provision of this Section 6.1, if there is a net decrease in Partnership Minimum Gain during any Partnership taxable period, each Partner shall be allocated items of Partnership income and gain for such period (and, if necessary, subsequent periods) in the manner and amounts provided in Treasury Regulation Sections 1.704-2(f)(6), 1.704-2(g)(2) and 1.704-2(j)(2)(i), or any successor provision. For purposes of this Section 6.1(e), each Partner's Adjusted Capital Account balance shall be determined, and the allocation of income or gain required hereunder shall be effected, prior to the application of any other allocations pursuant to this Section 6.1(e) with respect to such taxable period (other than an allocation pursuant to Sections 6.1(e)(vi) and 6.1(e)(vii)). This Section 6.1(e)(i) is intended to comply with the Partnership Minimum Gain chargeback requirement in Treasury Regulation Section 1.704-2(f) and shall be interpreted consistently therewith.

(ii) Chargeback of Partner Nonrecourse Debt Minimum Gain. Notwithstanding the other provisions of this Section 6.1 (other than Section 6.1(e)(i)), except as provided in Treasury Regulation Section 1.704-2(i)(4), if there is a net decrease in Partner Nonrecourse Debt Minimum Gain during any Partnership taxable period, any Partner with a share of Partner Nonrecourse Debt Minimum Gain at the beginning of such taxable period shall be allocated items of Partnership income and gain for such period (and, if necessary, subsequent periods) in the manner and amounts provided in Treasury Regulation Sections 1.704-2(i)(4) and 1.704-2(j)(2)(ii), or any successor provisions. For purposes of this Section 6.1(e), each Partner's Adjusted Capital Account balance shall be determined, and the allocation of income or gain required hereunder shall be effected, prior to the application of any other allocations pursuant to this Section 6.1(e), other than Section 6.1(e)(i) and other than an allocation pursuant to Sections 6.1(e)(vi) and 6.1(e)(vii), with respect to such taxable period. This Section 6.1(e)(ii) is intended to comply with the chargeback of items of income and gain requirement in Treasury Regulation Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(iii) [Deleted.]

(iv) Qualified Income Offset. In the event any Partner unexpectedly receives any adjustments, allocations or distributions described in Treasury Regulation Sections 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5), or 1.704-1(b)(2)(ii)(d)(6), items of Partnership income and gain shall be specially allocated to such Partner in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations promulgated under Section 704(b) of the Code, the deficit balance, if any, in its Adjusted Capital Account created by such adjustments, allocations or distributions as quickly as possible unless such deficit balance is otherwise eliminated pursuant to Section 6.1(e)(i) or (ii).

(v) Gross Income Allocations. In the event any Partner has a deficit balance in its Capital Account at the end of any Partnership taxable period in excess of the sum of (A) the amount such Partner is required to restore pursuant to the provisions of this Agreement and (B) the amount such Partner is deemed obligated to restore pursuant to Treasury Regulation Sections 1.704-2(g) and 1.704-2(i)(5), such Partner shall be specially allocated items of Partnership gross income and gain in the amount of such excess as quickly as possible; provided, that an allocation pursuant to this Section 6.1(e)(v) shall be made only if and to the extent that such Partner would have a deficit balance in its Capital Account as adjusted after all other allocations provided for in this Section 6.1 have been tentatively made as if this Section 6.1(e)(v) were not in this Agreement.

(vi) Nonrecourse Deductions. Nonrecourse Deductions for any taxable period shall be allocated to the Partners Pro Rata. If the Board of Supervisors determines in its good faith discretion that the Partnership's Nonrecourse Deductions must be allocated in a different ratio to satisfy the safe harbor requirements of the Treasury Regulations promulgated under Section 704(b) of the Code, the Board of Supervisors is authorized, upon notice to the Limited Partners, to revise the prescribed ratio to the numerically closest ratio that does satisfy such requirements.

Table of Contents

(vii) Partner Nonrecourse Deductions. Partner Nonrecourse Deductions for any taxable period shall be allocated 100% to the Partner that bears the Economic Risk of Loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable in accordance with Treasury Regulation Section 1.704-2(i). If more than one Partner bears the Economic Risk of Loss with respect to a Partner Nonrecourse Debt, such Partner Nonrecourse Deductions attributable thereto shall be allocated between or among such Partners in accordance with the ratios in which they share such Economic Risk of Loss.

(viii) Nonrecourse Liabilities. For purposes of Treasury Regulation Section 1.752-3(a)(3), the Partners agree that Nonrecourse Liabilities of the Partnership in excess of the sum of (A) the amount of Partnership Minimum Gain and (B) the total amount of Nonrecourse Built-in Gain shall be allocated among the Partners Pro Rata.

(ix) Code Section 754 Adjustments. To the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to Section 734(b) or 743(c) of the Code is required, pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis), and such item of gain or loss shall be specially allocated to the Partners in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such Section of the Treasury Regulations.

(x) [Deleted.]

(xi) Curative Allocation.

(A) Notwithstanding any other provision of this Section 6.1, other than the Required Allocations, the Required Allocations shall be taken into account in making the Agreed Allocations so that, to the extent possible, the net amount of items of income, gain, loss and deduction allocated to each Partner pursuant to the Required Allocations and the Agreed Allocations, together, shall be equal to the net amount of such items that would have been allocated to each such Partner under the Agreed Allocations had the Required Allocations and the related Curative Allocation not otherwise been provided in this Section 6.1. Notwithstanding the preceding sentence, Required Allocations relating to (1) Nonrecourse Deductions shall not be taken into account except to the extent that there has been a decrease in Partnership Minimum Gain and (2) Partner Nonrecourse Deductions shall not be taken into account except to the extent that there has been a decrease in Partner Nonrecourse Debt Minimum Gain. Allocations pursuant to this Section 6.1(e)(xi)(A) shall only be made with respect to Required Allocations to the extent the General Partner reasonably determines that such allocations will otherwise be inconsistent with the economic agreement among the Partners. Further, allocations pursuant to this Section 6.1(e)(xi)(A) shall be deferred with respect to allocations pursuant to clauses (1) and (2) hereof to the extent the Board of Supervisors reasonably determines that such allocations are likely to be offset by subsequent Required Allocations.

Table of Contents

(B) The Board of Supervisors shall have reasonable discretion, with respect to each taxable period, to (1) apply the provisions of Section 6.1(e)(xi)(A) in whatever order is most likely to minimize the economic distortions that might otherwise result from the Required Allocations, and (2) divide all allocations pursuant to Section 6.1(e)(xi)(A) among the Partners in a manner that is likely to minimize such economic distortions.

6.2 Allocations for Tax Purposes.

(a) General. Except as otherwise provided herein, for federal income tax purposes, each item of income, gain, loss and deduction shall be allocated among the Limited Partners in the same manner as its correlative item of book income, gain, loss or deduction is allocated pursuant to Section 6.1.

(b) Contributed Property. In an attempt to eliminate Book-Tax Disparities attributable to a Contributed Property or Adjusted Property, items of income, gain, loss, depreciation, amortization and cost recovery deductions shall be allocated for federal income tax purposes among the Partners as follows:

(i) (A) In the case of a Contributed Property, such items attributable thereto shall be allocated among the Partners in the manner provided under Section 704(c) of the Code that takes into account the variation between the Agreed Value of such property and its adjusted basis at the time of contribution; and (B) any item of Residual Gain or Residual Loss attributable to a Contributed Property shall be allocated among the Partners in the same manner as its correlative item of book gain or loss is allocated pursuant to Section 6.1.

(ii) (A) In the case of an Adjusted Property, such items shall (1) first, be allocated among the Partners in a manner consistent with the principles of Section 704(c) of the Code to take into account the Unrealized Gain or Unrealized Loss attributable to such property and the allocations thereof pursuant to Section 5.5(d)(i) or (ii), and (2) second, in the event such property was originally a Contributed Property, be allocated among the Partners in a manner consistent with Section 6.2(b)(i)(A); and (B) any item of Residual Gain or Residual Loss attributable to an Adjusted Property shall be allocated among the Partners in the same manner as its correlative item of book gain or loss is allocated pursuant to Section 6.1.

(iii) The Board of Supervisors shall apply the principles of Treasury Regulation Section 1.704-3(d) to eliminate Book-Tax Disparities.

Table of Contents

(c) Discretionary Allocation Authority. For the proper administration of the Partnership and for the preservation of uniformity of the Units (or any class or classes thereof), the Board of Supervisors shall have sole discretion to (i) adopt such conventions as it deems appropriate in determining the amount of depreciation, amortization and cost recovery deductions; (ii) make special allocations for federal income tax purposes of income (including, ~~without limitation,~~ gross income) or deductions; and (iii) amend the provisions of this Agreement as appropriate (x) to reflect the proposal or promulgation of Treasury Regulations under Section 704(b) or Section 704(c) of the Code or (y) otherwise to preserve or achieve uniformity of the Units (or any class or classes thereof). The Board of Supervisors may adopt such conventions, make such allocations and make such amendments to this Agreement as provided in this Section 6.2(c) only if such conventions, allocations or amendments would not have a material adverse effect on the Partners, the holders of any class or classes of Units issued and outstanding or the Partnership, and if such allocations are consistent with the principles of Section 704 of the Code.

(d) Discretionary Amortization Authority. The Board of Supervisors in its discretion may determine to depreciate or amortize the portion of an adjustment under Section 743(b) of the Code attributable to unrealized appreciation in any Adjusted Property (to the extent of the unamortized Book-Tax Disparity) using a predetermined rate derived from the depreciation or amortization method and useful life applied to the Partnership's common basis of such property, despite any inconsistency of such approach with Treasury Regulation Section 1.167(c)-1(a)(6). If the Board of Supervisors determines that such reporting position cannot reasonably be taken, the Board of Supervisors may adopt depreciation and amortization conventions under which all purchasers acquiring Units in the same month would receive depreciation and amortization deductions, based upon the same applicable rate as if they had purchased a direct interest in the Partnership's property. If the Board of Supervisors chooses not to utilize such aggregate method, the Board of Supervisors may use any other reasonable depreciation and amortization conventions to preserve the uniformity of the intrinsic tax characteristics of any Units that would not have a material adverse effect on the Limited Partners or the Record Holders of any class or classes of Units.

(e) Recapture Income. Any gain allocated to the Partners upon the sale or other taxable disposition of any Partnership asset shall, to the extent possible, after taking into account other required allocations of gain pursuant to this Section 6.2, be characterized as Recapture Income in the same proportions and to the same extent as such Partners (or their predecessors in interest) have been allocated any deductions directly or indirectly giving rise to the treatment of such gains as Recapture Income.

(f) Effect of Section 754 Election. All items of income, gain, loss, deduction and credit recognized by the Partnership for federal income tax purposes and allocated to the Partners in accordance with the provisions hereof shall be determined without regard to any election under Section 754 of the Code which may be made by the Partnership; provided, however, that such allocations, once made, shall be adjusted as necessary or appropriate to take into account those adjustments permitted or required by Sections 734 and 743 of the Code.

Table of Contents

(g) Assignor/Assignee Proration. Each item of Partnership income, gain, loss and deduction attributable to ~~transferred~~Transferred Units shall, for federal income tax purposes, be determined on an annual basis and prorated on a monthly basis and shall be allocated to the Partners as of the opening of the New York Stock Exchange on the first Business Day of each month; provided, that gain or loss on a sale or other disposition of any assets of the Partnership other than in the ordinary course of business shall be allocated to the Partners as of the opening of the New York Stock Exchange on the first Business Day of the month in which such gain or loss is recognized for federal income tax purposes. The Board of Supervisors may revise, alter or otherwise modify such methods of allocation as it determines necessary, to the extent permitted or required by Section 706 of the Code and the regulations or rulings promulgated thereunder.

(h) Nominee. Allocations that would otherwise be made to a Limited Partner under the provisions of this Article VI shall instead be made to the beneficial owner of Units held by a nominee in any case in which the nominee has furnished the identity of such owner to the Partnership in accordance with Section 6031(c) of the Code or any other method acceptable to the Board of Supervisors in its sole discretion.

6.3 Requirement and Characterization of Distributions; Distributions to Record Holders.

(a) Within 45 days following the end of each Quarter commencing with the Quarter ending on June 29, 1996, an amount equal to 100% of Available Cash with respect to such Quarter shall be distributed to the Common Unitholders Pro Rata, except as otherwise required by Section 5.6(b) in respect of additional Partnership Securities issued pursuant hereto, in accordance with this Article VI, by the Partnership to the Partners as of the Record Date selected by the Board of Supervisors in its reasonable discretion. All distributions required to be made under this Agreement shall be made subject to Section 17-607 or Section 17-804 of the Delaware Act.

(b) In the event of the dissolution and liquidation of the Partnership, all receipts received during or after the Quarter in which the Liquidation Date occurs, except as otherwise provided in (a)(ii) of the definition of Available Cash, shall be applied and distributed solely in accordance with, and subject to the terms and conditions of, Section 12.4.

(c) The Board of Supervisors shall have the discretion to treat taxes paid by the Partnership on behalf of, or amounts withheld with respect to, all or less than all of the Partners, as a distribution of Available Cash to such Partners.

(d) Each distribution in respect of a Partnership Interest shall be paid by the Partnership, directly or through the Transfer Agent or through any other Person or agent, only to the Record Holder of such Partnership Interest as of the Record Date set for such distribution. Such payment shall constitute full payment and satisfaction of the Partnership's liability in respect of such payment, regardless of any claim of any Person who may have an interest in such payment by reason of an assignment or otherwise.

ARTICLE VII

MANAGEMENT AND OPERATION OF BUSINESS

7.1 Management.

(a) Except as otherwise expressly provided in this Agreement, all management powers over the business and affairs of the Partnership shall be vested exclusively in the Board of Supervisors and, subject to the direction of the Board of Supervisors and in accordance with the provisions of Section 7.10, the Officers. Neither the General Partner (except as otherwise expressly provided in this Agreement) nor any Limited Partner or Assignee shall have any management power or control over the business and affairs of the Partnership. Each of the Partners and Assignees and each Person who may acquire an interest in a Partnership Interest hereby approves, consents to, ratifies and confirms such delegation. The delegation by the General Partner to the Board of Supervisors of management powers over the business and affairs of the Partnership pursuant to the provisions of this Agreement shall not cause the General Partner to cease to be a general partner of the Partnership nor shall it cause the Board of Supervisors or any member thereof to be a general partner of the Partnership or to have or be subject to the liabilities of a general partner of the Partnership. Except as otherwise specifically provided in Sections 7.14, 7.15, 7.16 and 7.17, the authority, functions, duties and responsibilities of the Board of Supervisors and of the Officers shall be identical to the authority, functions, duties and responsibilities of the board of directors and officers, respectively, of a corporation organized under the Delaware General Corporation Law.

(b) Consistent with the management powers delegated to the Board of Supervisors pursuant to the provisions of this Agreement, the Board of Supervisors shall have the powers now or hereafter granted a general partner of a limited partnership under the Delaware Act or any other applicable law and, except as otherwise expressly provided in this Agreement, shall have full power and authority to do all things and on such terms as it may deem necessary or appropriate to conduct the business of the Partnership, to exercise all powers set forth in Section 2.5 and to effectuate the purposes set forth in Section 2.4, including the following:

(v) the negotiation, execution and performance of any contracts, conveyances or other instruments (including instruments that limit the liability of the Partnership under contractual arrangements to all or particular assets of the Partnership, with the other party to the contract to have no recourse against the General Partner or its assets other than its interest in the Partnership, even if same results in the terms of the transaction being less favorable to the Partnership than would otherwise be the case);

(vi) the distribution of Partnership cash;

(vii) the selection and dismissal of employees (including employees who are Officers) and agents, outside attorneys, accountants, consultants and contractors and the determination of their compensation and other terms of employment or hiring;

proceedings, whether civil, criminal, administrative or investigative, in which any Indemnitee may be involved, or is threatened to be involved, as a party or otherwise, by reason of its status as an Indemnitee, provided, that in each case the Indemnitee acted in good faith and in a manner that such Indemnitee reasonably believed to be in, or not opposed to, the best interests of the Partnership and, with respect to any criminal proceeding, had no reasonable cause to believe its conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere, or its equivalent, shall not create a presumption that the Indemnitee acted in a manner contrary to that specified above. Any indemnification pursuant to this Section 7.14 shall be made only out of the assets of the Partnership, it being agreed that the General Partner shall not be personally liable for such indemnification and shall have no obligation to contribute or loan any monies or property to the Partnership to enable it to effectuate such indemnification.

(c) The indemnification provided by this Section 7.14 shall be in addition to any other rights to which an Indemnitee may be entitled under any agreement, pursuant to any vote of the holders of Outstanding Common Units, as a matter of law or otherwise, both as to actions in the Indemnitee's capacity as an Indemnitee and as to actions in any other capacity, and shall continue as to an Indemnitee who has ceased to serve in such capacity and shall inure to the benefit of the heirs, successors, assigns and administrators of the Indemnitee.

(d) The Partnership may purchase and maintain (or reimburse the members of the Board of Supervisors, the General Partner or its Affiliates for the cost of) insurance, on behalf of the General Partner and the members of the Board of Supervisors and such other Persons as the Board of Supervisors shall determine, against any liability that may be asserted against or expense that may be incurred by such Person in connection with the Partnership's activities, regardless of whether the Partnership would have the power to indemnify such Person against such liability under the provisions of this Agreement.

(e) For purposes of this Section 7.14, the Partnership shall be deemed to have requested an Indemnitee to serve as fiduciary of an employee benefit plan whenever the performance by it of its duties to the Partnership also imposes duties on, or otherwise involves services by, it to the plan or participants or beneficiaries of the plan; excise taxes assessed on an Indemnitee with respect to an employee benefit plan pursuant to applicable law shall constitute fines within the meaning of Section 7.14(a); and action taken or omitted by it with respect to any employee benefit plan in the performance of its duties for a purpose reasonably believed by it to be in the interest of the participants and beneficiaries of the plan shall be deemed to be for a purpose which is in, or not opposed to, the best interests of the Partnership.

(f) In no event may an Indemnitee subject the Limited Partners to personal liability by reason of the indemnification provisions set forth in this Agreement.

(g) An Indemnitee shall not be denied indemnification in whole or in part under this Section 7.14 because the Indemnitee had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

(h) The provisions of this Section 7.14 are for the benefit of the Indemnitees, their heirs, successors, assigns and administrators and shall not be deemed to create any rights for the benefit of any other Persons.

The Liquidator shall agree not to resign at any time without 15 days prior notice and may be removed at any time, with or without cause, by notice of removal approved by holders of at least a majority of the Outstanding Common Units. Upon dissolution, removal or resignation of the Liquidator, a successor and substitute Liquidator (who shall have and succeed to all rights, powers and duties of the original Liquidator) shall within 30 days thereafter be approved by holders of at least a majority of the Outstanding Common Units. The right to approve a successor or substitute Liquidator in the manner provided herein shall be deemed to refer also to any such successor or substitute Liquidator approved in the manner herein provided. Except as expressly provided in this Article XII, the Liquidator approved in the manner provided herein shall have and may exercise, without further authorization or consent of any of the parties hereto, all of the powers conferred upon the Board of Supervisors under the terms of this Agreement (but subject to all of the applicable limitations, contractual and otherwise, upon the exercise of such powers, other than the limitation on sale set forth in Section 7.10(a)) to the extent necessary or desirable in the good faith judgment of the Liquidator to carry out the duties and functions of the Liquidator hereunder for and during such period of time as shall be reasonably required in the good faith judgment of the Liquidator to complete the winding up and liquidation of the Partnership as provided for herein.

12.4 Liquidation.

The Liquidator shall proceed to dispose of the assets of the Partnership, discharge its liabilities, and otherwise wind up its affairs in such manner and over such period as the Liquidator determines to be in the best interest of the Partners, subject to Section 17-804 of the Delaware Act and the following:

(a) Disposition of Assets. The assets may be disposed of by public or private sale or by distribution in kind to one or more Partners on such terms as the Liquidator and such Partner or Partners may agree. If any property is distributed in kind, the Partner receiving the property shall be deemed for purposes of Section 12.4(c) to have received cash equal to its fair market value; and contemporaneously therewith, appropriate cash distributions must be made to the other Partners. Under certain circumstances and subject to certain limitations, the Liquidator may defer liquidation or distribution of the Partnership's assets for a reasonable time or distribute assets to the Partners in kind if it determines that a sale would be impractical or would cause undue loss to the Partners.

(b) Discharge of Liabilities. Liabilities of the Partnership include amounts owed to Partners otherwise than in respect of their distribution rights under Article VI. With respect to any liability that is contingent or is otherwise not yet due and payable, the Liquidator shall either settle such claim for such amount as it thinks appropriate or establish a reserve of cash or other assets to provide for its payment. When paid, any unused portion of the reserve shall be distributed as additional liquidation proceeds.

(c) Liquidation Distributions. All property and all cash in excess of that required to discharge liabilities as provided in Section 12.4(b) shall be distributed to the Partners in accordance with, and to the extent of, the positive balances in their respective Capital Accounts, as determined after taking into account all Capital Account adjustments (other than those made by reason of distributions pursuant to this Section 12.4(c)) for the taxable year of the Partnership during which the liquidation of the Partnership occurs (with such date of occurrence being determined pursuant to Treasury Regulation, Section 1.704-1(b)(2)(ii)(g)), and such distribution shall be made by the end of such taxable year (or, if later, within 90 days after said date of such occurrence).

12.5 Cancellation of Certificate of Limited Partnership.

Upon the completion of the distribution of Partnership cash and property as provided in Section 12.4 in connection with the liquidation of the Partnership, the Certificate of Limited Partnership and all qualifications of the Partnership as a foreign limited partnership in jurisdictions other than the State of Delaware shall be canceled and such other actions as may be necessary to terminate the Partnership shall be taken.

12.6 Return of Capital Contributions.

The General Partner shall not be personally liable for, and shall have no obligation to contribute or loan any monies or property to the Partnership to enable it to effectuate, the return of the Capital Contributions of the Limited Partners, or any portion thereof, it being expressly understood that any such return shall be made solely from Partnership assets.

12.7 Waiver of Partition.

To the maximum extent permitted by law, each Partner hereby waives any right to partition of the Partnership property.

12.8 Capital Account Restoration.

No Limited Partner shall have any obligation to restore any negative balance in its Capital Account upon liquidation of the Partnership. The General Partner shall be obligated to restore any negative balance in its Capital Account upon liquidation of its interest in the Partnership by the end of the taxable year of the Partnership during which such liquidation occurs, or, if later, within 90 days after the date of such liquidation.

(b) Notwithstanding the provisions of Sections 13.1 and 13.2, no amendment to this Agreement may (i) enlarge the obligations of any Limited Partner without its consent, unless such shall be deemed to have occurred as a result of an amendment approved pursuant to Section 13.3(c), (ii) enlarge the obligations of, restrict in any way any action by or rights of, or reduce in any way the amounts distributable, reimbursable or otherwise payable to the General Partner or any of its Affiliates without its consent, which may be given or withheld in its sole discretion, (iii) change Section 12.1(a) or (c), or (iv) change the term of the Partnership or, except as set forth in Section 12.1(c), give any Person the right to dissolve the Partnership.

(e) This Section 13.3 shall only be amended with the approval of the holders of at least 90% of the Outstanding Common Units.

13.4 Tri-Annual and Special Meetings.

one or more requests in writing stating that the signing Limited Partners wish to call a special meeting and indicating the general or specific purposes for which the special meeting is to be called. Within 60 days after receipt of such a call from Limited Partners or within such greater time as may be reasonably necessary for the Partnership to comply with any statutes, rules, regulations, listing agreements or similar requirements governing the holding of a meeting or the solicitation of proxies for use at such a meeting, the Board of Supervisors shall send a notice of the meeting to the Limited Partners either directly or indirectly through the Transfer Agent. A meeting shall be held at a time and place determined by the Board of Supervisors on a date not less than 10 days nor more than 60 days after the mailing of notice of the meeting. The Chairman of the Board of Supervisors, if any, and if present and acting, shall preside at all meetings of the Limited Partners. In the absence of the Chairman of the Board of Supervisors, the Chief Executive Officer, as chosen by the Board of Supervisors, shall preside, and in their absence, the President shall preside. Limited Partners shall not vote on matters that would cause the Limited Partners to be deemed to be taking part in the management and control of the business and affairs of the Partnership so as to jeopardize the Limited Partners' limited liability under the Delaware Act or the law of any other state in which the Partnership is qualified to do business.

13.5 Notice of a Meeting.

Notice of a meeting called pursuant to [Section 13.4](#) shall be given to the Record Holders in writing by mail or other means of written communication in accordance with [Section 16.1](#). The notice shall be deemed to have been given at the time when deposited in the mail or sent by other means of written communication.

13.6 Record Date.

For purposes of determining the Limited Partners entitled to notice of or to vote at a meeting of the Limited Partners or to give approvals without a meeting as provided in [Section 13.11](#), the Board of Supervisors may set a Record Date, which shall not be less than 10 nor more than 60 days before (a) the date of the meeting (unless such requirement conflicts with any rule, regulation, guideline or requirement of any National Securities Exchange on which the Units are listed for trading, in which case the rule, regulation, guideline or requirement of such exchange shall govern) or (b) in the event that approvals are sought without a meeting, the date by which Limited Partners are requested in writing by the Board of Supervisors to give such approval.

13.8 Waiver of Notice; Approval of Meeting; Approval of Minutes.

The transactions of any meeting of Limited Partners, however called and noticed, and whenever held, shall be as valid as if occurred at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, Limited Partners representing such quorum who were present in person or by proxy and entitled to vote, sign a written waiver of notice or an approval of the holding of the meeting or an approval of the minutes thereof. All waivers and approvals shall be filed with the Partnership records or made a part of the minutes of the meeting. Attendance of a Limited Partner at a meeting shall constitute a waiver of notice of the meeting, except when the Partner does not approve, at the beginning of the meeting, of the transaction of any business because the meeting is not lawfully called or convened; and except that attendance at a meeting is not a waiver of any right to disapprove the consideration of matters required to be included in the notice of the meeting, but not so included, if the disapproval is expressly made at the meeting.

13.9 Quorum.

The holders of a majority of the Outstanding Units of the class or classes for which a meeting has been called represented in person or by proxy shall constitute a quorum at a meeting of Limited Partners of such class or classes unless any such action by the Limited Partners requires approval by holders of a greater percentage of such Units, in which case the quorum shall be such greater percentage (excluding, in either case, if such are to be excluded from the vote, Outstanding Units owned by the General Partner and its Affiliates). At any meeting of the Limited Partners duly called and held in accordance with this Agreement at which a quorum is present, the act of Limited Partners holding Outstanding Units that in the aggregate represent a majority of the Outstanding Units entitled to vote and be present in person or by proxy at such meeting shall be deemed to constitute the act of all Limited Partners, unless a greater or different percentage is required with respect to such action under the provisions of this Agreement, in which case the act of the Limited Partners holding Outstanding Units that in the aggregate represent at least such greater or different percentage shall be required. The Limited Partners present at a duly called or held meeting at which a quorum is present may continue to transact business until adjournment, notwithstanding the withdrawal of enough Limited Partners to leave less than a quorum, if any action taken (other than adjournment) is approved by the required percentage of Outstanding Units specified in this Agreement. In the absence of a quorum any meeting of Limited Partners may be adjourned from time to time by the affirmative vote of holders of at least a majority of the Outstanding Units represented either in person or by proxy, but no other business may be transacted, except as provided in [Section 13.7](#).

13.10 Conduct of a Meeting.

The Chairman of the Board of Supervisors, or in his absence, the Vice Chairman or, in his absence, the Chief Executive Officer, or in his absence, the President, or in his absence, any Vice President, shall have full power and authority concerning the manner of conducting any meeting of the Limited Partners or solicitation of approvals in writing, including the determination of Persons entitled to vote, the existence of a quorum, the satisfaction of the requirements of [Section 13.4](#), the conduct of voting, the validity and effect of any proxies and the determination of any controversies, votes or challenges arising in connection with or during the

meeting or voting. The presiding Officer shall designate a Person to take the minutes of any meeting. All minutes shall be kept with the records of the Partnership maintained by the Board of Supervisors. The Board of Supervisors may make such other regulations consistent with applicable law and this Agreement as it may deem advisable concerning the conduct of any meeting of the Limited Partners or solicitation of approvals in writing, including regulations in regard to the appointment of proxies, the appointment and duties of inspectors of votes and approvals, the submission and examination of proxies and other evidence of the right to vote, and the revocation of approvals in writing.

13.11 Action Without a Meeting.

If authorized by the Board of Supervisors, any action that may be taken at a meeting of the Limited Partners may be taken without a meeting if an approval in writing setting forth the action so taken is signed by Partners owning not less than the minimum percentage of the Outstanding Units that would be necessary to authorize or take such action at a meeting at which all the Limited Partners were present and voted (unless such provision conflicts with any rule, regular guideline or requirement of any National Securities Exchange on which the Units are listed for trading, in which case the rule, regulation, guideline or requirement of such exchange shall govern). Prompt notice of the taking of action without a meeting shall be given to the Limited Partners who have not approved in writing. The Board of Supervisors may specify that any written ballot submitted to Limited Partners for the purpose of taking any action without a meeting shall be returned to the Partnership within the time period, which shall be not less than 20 days, specified by the Board of Supervisors. If a ballot returned to the Partnership does not vote all of the Units held by the Limited Partner, the Partnership shall be deemed to have failed to receive a ballot for the Units that were not voted. If approval of the taking of any action by the Limited Partners is solicited by any Person other than by or on behalf of the Board of Supervisors, the written approvals shall have no force and effect unless and until (a) they are deposited with the Partnership in care of the Board of Supervisors, (b) approvals sufficient to take the action proposed are dated as of a date not more than 90 days prior to the date sufficient approvals are deposited with the Partnership and (c) an Opinion of Counsel is delivered to the Board of Supervisors to the effect that the exercise of such right and the action proposed to be taken with respect to any particular matter (i) will not cause the Limited Partners to be deemed to be taking part in the management and control of the business and affairs of the Partnership so as to jeopardize the Limited Partners' limited liability, and (ii) is otherwise permissible under the state statutes then governing the rights, duties and liabilities of the Partnership and the Partners.

13.12 Voting and Other Rights.

(a) Only those Record Holders of the Units on the Record Date set pursuant to Section 13.6 shall be entitled to notice of, and to vote at, a meeting of Limited Partners or to act with respect to matters as to which the holders of the Outstanding Units have the right to vote or to act. All references in this Agreement to votes of, or other acts that may be taken by, the Outstanding Units shall be deemed to be references to the votes or acts of the Record Holders of such Outstanding Units.

The provisions of this Section 13.12(b) (as well as all other provisions of this Agreement) are subject to the provisions of Section 4.3.

(a) Notwithstanding the other provisions of this Article IV, no ~~transfer~~Transfer of any Partnership Interest shall be made if such ~~transfer~~Transfer would (i) violate the then applicable federal or state securities laws or rules and regulations of the Commission, any state securities commission or any other governmental authorities with jurisdiction over such ~~transfer~~Transfer, (ii) terminate the existence or qualification of the Partnership or the MLP under the laws of the jurisdiction of its formation or (iii) cause the Partnership or the MLP to be treated as an association taxable as a corporation or otherwise to be taxed as an entity for federal income tax purposes (to the extent not already so treated or taxed).

(b) The Board of Supervisors may impose restrictions on the ~~transfer~~Transfer of Partnership Interests if a subsequent Opinion of Counsel determines that such restrictions are necessary to avoid a significant risk of the Partnership or the MLP becoming taxable as a corporation or otherwise to be taxed as an entity for federal income tax purposes. The restrictions may be imposed by making such amendments to this Agreement as the Board of Supervisors may determine to be necessary or appropriate to impose such restrictions.

21.3 *Additional Capital Contributions.*

With the consent of the Board of Supervisors, any Limited Partner may, but shall not be obliged to, make additional Capital Contributions to the Partnership. Except as provided in Section 12.8, the General Partner shall not be obligated, nor permitted, to make any additional Capital Contributions to the Partnership in its capacity as the General Partner of the Partnership.

21.4 *Interest and Withdrawal.*

No interest shall be paid by the Partnership on Capital Contributions, and no Partner shall be entitled to withdraw or a return of any part of its Capital Contributions or to receive any distribution from the Partnership, except as provided in Articles VI, XI and XII.

21.5 *Capital Accounts.*

(a) The Partnership shall maintain for each Partner owning a Partnership Interest a separate Capital Account with respect to such Partnership Interest in accordance with the rules of Treasury Regulation Section 1.704 -1(b)(2)(iv). Such Capital Account shall be increased by (i) the amount of all Capital Contributions made to the Partnership with respect to such Partnership Interest pursuant to this Agreement (or any previous partnership agreement of the Partnership) and (ii) all items of Partnership income and gain (including, ~~without limitation,~~ income and gain exempt from tax) computed in accordance with Section 5.5(b) and allocated with respect to such Partnership Interest pursuant to Section 6.1, and decreased by (x) the amount of cash or the Net Agreed Value of all actual and deemed distributions of cash or property made with respect to such Partnership Interest pursuant to this Agreement (or any previous partnership agreement of the Partnership) and (y) all items of Partnership deduction and loss computed in accordance with Section 5.5(b) and allocated with respect to such Partnership Interest pursuant to Section 6.1. ~~Immediately following the consummation of the transactions contemplated in the Exchange Agreement, the~~ The General Partner's initial Capital Account ~~shall be as of the date hereof is~~ zero.

(b) For purposes of computing the amount of any item of income, gain, loss or deduction which is to be allocated pursuant to Article VI and is to be reflected in the Partners' Capital Accounts, the determination, recognition and classification of any such item shall be the same as its determination, recognition and classification for federal income tax purposes (including, ~~without limitation,~~ any method of depreciation, cost recovery or amortization used for that purpose), *provided*, that:

(i) Solely for purposes of this Section 5.5, the Partnership shall be treated as owning directly its proportionate share (as determined by the Board of Supervisors) of all property owned by any OLP Subsidiary that is classified as a partnership for federal income tax purposes.

(ii) All fees and other expenses incurred by the Partnership to promote the sale of (or to sell) a Partnership Interest that can neither be deducted nor amortized under Section 709 of the Code, if any, shall, for purposes of Capital Account maintenance, be treated as an item of deduction at the time such fees and other expenses are incurred and shall be allocated among the Partners pursuant to Section 6.1.

(iii) Except as otherwise provided in Treasury Regulation Section 1.704-1(b)(2)(iv)(m), the computation of all items of income, gain, loss and deduction shall be made without regard to any election under Section 754 of the Code which may be made by the Partnership and, as to those items described in Section 705(a)(1)(B) or 705(a)(2)(B) of the Code, without regard to the fact that such items are not includable in gross income or are neither currently deductible nor capitalized for federal income tax purposes. To the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to Section 734(b) or 743(b) of the Code is required, pursuant to Treasury Regulation Section 1.704-2(b)(2)(iv)(m) to be taken into account in determining Capital Accounts, the amount of such adjustment in the Capital Accounts shall be treated as an item of gain or loss.

(iv) Any income, gain or loss attributable to the taxable disposition of any Partnership property shall be determined as if the adjusted basis of such property as of such date of disposition were equal in amount to the Partnership's Carrying Value with respect to such property as of such date.

(v) In accordance with the requirements of Section 704(b) of the Code, any deductions for depreciation, cost recovery or amortization attributable to any Contributed Property shall be determined as if the adjusted basis of such property on the date it was acquired by the Partnership were equal to the Agreed Value of such property. Upon an adjustment pursuant to Section 5.5(d) to the Carrying Value of any Partnership property subject to depreciation, cost recovery or amortization, any further deductions for such depreciation, cost recovery or amortization attributable to such property shall be determined (A) as if the adjusted basis of such property were equal to the Carrying Value of such property immediately following such adjustment and (B) using a rate of depreciation, cost recovery or amortization derived from the same method and useful life (or, if applicable, the remaining useful life) as is applied for federal income tax purposes; *provided, however*, that, if the asset has a zero adjusted basis for federal income tax purposes, depreciation, cost recovery or amortization deductions shall be determined using any reasonable method that the Board of Supervisors may adopt.

(vi) If the Partnership's adjusted basis in a depreciable or cost recovery property is reduced for federal income tax purposes pursuant to Section 48(q)(1) or 48(q)(3) of the Code, the amount of such reduction shall, solely for purposes hereof, be deemed to be an additional depreciation or cost recovery deduction in the year such property is placed in service and shall be allocated among the Partners pursuant to Section 6.1. Any restoration of such basis pursuant to Section 48(q)(2) of the Code shall, to the extent possible, be allocated in the same manner to the Partners to whom such deemed deduction was allocated.

(c) A transferee of a Partnership Interest shall succeed to a pro rata portion of the Capital Account of the transferor relating to the Partnership Interest so ~~transferred~~ Transferred.

(d) (i) In accordance with Treasury Regulation Section 1.704-1(b)(2)(iv)(f), on an

issuance of additional Partnership Interests for cash or Contributed Property, the Capital Account of all Partners and the Carrying Value of each Partnership property immediately prior to such issuance shall be adjusted upward or downward to reflect any Unrealized Gain or Unrealized Loss attributable to such Partnership property, as if such Unrealized Gain or Unrealized Loss had been recognized on an actual sale of each such property immediately prior to such issuance and had been allocated to the Partners at such time pursuant to Section 6.1. In determining such Unrealized Gain or Unrealized Loss, the aggregate cash amount and fair market value of all Partnership assets (including, ~~without limitation,~~ cash or cash equivalents) immediately prior to the issuance of additional Partnership Interests shall be determined by the Board of Supervisors using such reasonable method of valuation as it may adopt; *provided, however,* that the Board of Supervisors, in arriving at such valuation, must take fully into account the fair market value of the Partnership Interests of all Partners at such time. The Board of Supervisors shall allocate such aggregate value among the assets of the Partnership (in such manner as it determines in its discretion to be reasonable) to arrive at a fair market value for individual properties.

(ii) In accordance with Treasury Regulation Section 1.704-1(b)(2)(iv)(f), immediately prior to any actual or deemed distribution to a Partner of any Partnership property (other than a distribution of cash that is not in redemption or retirement of a Partnership Interest), the Capital Accounts of all Partners and the Carrying Value of all Partnership property shall be adjusted upward or downward to reflect any Unrealized Gain or Unrealized Loss attributable to such Partnership property, as if such Unrealized Gain or Unrealized Loss had been recognized in a sale of such property immediately prior to such distribution for an amount equal to its fair market value, and had been allocated to the Partners, at such time, pursuant to Section 6.1. In determining such Unrealized Gain or Unrealized Loss the aggregate cash amount and fair market value of all Partnership assets (including, ~~without limitation,~~ cash or cash equivalents) immediately prior to a distribution shall (A) in the case of an actual distribution which is not made pursuant to Section 12.4, be determined and allocated in the same manner as that provided in Section 5.5(d)(i) or (B) in the case of a liquidating distribution pursuant to Section 12.4, be determined and allocated by the Liquidator using such reasonable method of valuation as it may adopt.

21.6 Loans from Partners.

Loans by a Partner to the Partnership shall not constitute Capital Contributions. If any Partner shall advance funds to the Partnership in excess of the amounts required hereunder to be contributed by it to the capital of the Partnership, the making of such excess advances shall not result in any increase in the amount of the Capital Account of such Partner. The amount of any such excess advances shall be a debt obligation of the Partnership to such Partner and shall be payable or collectible only out of the Partnership assets in accordance with the terms and conditions upon which such advances are made.

21.7 No Preemptive Rights.

No Person shall have any preemptive, preferential or other similar rights with respect to (a) additional Capital Contributions; (b) issuance or sale of any class or series of Partnership Interests, whether unissued, held in treasury by the Partnership or hereafter created; (c) issuance

of any obligations, evidences of indebtedness or other securities of the Partnership convertible into or exchangeable for, or carrying or accompanied by any rights to receive, purchase or subscribe to, any such Partnership Interests; (d) issuance of any right of subscription to or right to receive, or any warrant or option for the purchase of, any such Partnership Interests; or (e) issuance or sale of any other securities that may be issued or sold by the Partnership.

21.8 Fully Paid and Non-Assessable Nature of Limited Partner Partnership Interests.

All Limited Partner Partnership Interests issued pursuant to, and in accordance with the requirements of, this Article V shall be fully paid and non-assessable Partnership Interests in the Partnership, except as such non-assessability may be affected by Sections 17-607 and 17-804 of the Delaware Act.

ARTICLE XXII

Allocations and Distributions

22.1 Allocations for Capital Account Purposes.

(a) *General.* In maintaining the Capital Accounts that determine the rights of the Partners among themselves, the Partnership's items of income, gain, loss and deduction (computed in accordance with Section 5.5(b)), shall be allocated among the Partners in accordance with their relative Percentage Interests, except as otherwise provided below.

(b) *Limitation on Losses.* Any deduction otherwise allocable to a Limited Partner that would create or add to a deficit in its Adjusted Capital Account shall instead be allocated to the General Partner. Thereafter, any income that would otherwise be allocable to such Limited Partner shall be allocated to the General Partner until the aggregate amount so allocated under this sentence equals the aggregate deductions previously allocated to the General Partner under the preceding sentence.

(c) *Special Allocations.* Notwithstanding any other provision of this Section 6.1, the following special allocations shall be made for such taxable period:

(i) *Partnership Minimum Gain Chargeback.* Notwithstanding any other provision of this Section 6.1, if there is a net decrease in Partnership Minimum Gain during any Partnership taxable period, each Partner shall be allocated items of Partnership income and gain for such period (and, if necessary, subsequent periods) in the manner and amounts provided in Treasury Regulation Sections 1.704-2(f)(6), 1.704-2(g)(2) and 1.704-2(j)(2)(i), or any successor provision. For purposes of this Section 6.1(c), each Partner's Adjusted Capital Account balance shall be determined, and the allocation of income or gain required hereunder shall be effected, prior to the application of any other allocations pursuant to this Section 6.1(c) with respect to such taxable period (other than an allocation pursuant to Sections 6.1(c)(v) and 6.1(c)(vi)). This Section 6.1(c)(i) is intended to comply with the Partnership Minimum Gain chargeback requirement in Treasury Regulation Section 1.704-2(f) and shall be interpreted consistently therewith.

Table of Contents

(ii) *Chargeback of Partner Nonrecourse Debt Minimum Gain.* Notwithstanding the other provisions of this Section 6.1 (other than Section 6.1(c)(i)), except as provided in Treasury Regulation Section 1.704-2(i)(4), if there is a net decrease in Partner Nonrecourse Debt Minimum Gain during any Partnership taxable period, any Partner with a share of Partner Nonrecourse Debt Minimum Gain at the beginning of such taxable period shall be allocated items of Partnership income and gain for such period (and, if necessary, subsequent periods) in the manner and amounts provided in Treasury Regulation Sections 1.704-2(i)(4) and 1.704-2(j)(2)(ii), or any successor provisions. For purposes of this Section 6.1(c), each Partner's Adjusted Capital Account balance shall be determined, and the allocation of income or gain required hereunder shall be effected, prior to the application of any other allocations pursuant to this Section 6.1(c), other than Section 6.1(c)(i) and other than an allocation pursuant to Sections 6.1(c)(v) and 6.1(c)(vi), with respect to such taxable period. This Section 6.1(c)(ii) is intended to comply with the chargeback of items of income and gain requirement in Treasury Regulation Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(iii) *Qualified Income Offset.* In the event any Partner unexpectedly receives any adjustments, allocations or distributions described in Treasury Regulation Sections 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5), or 1.704-1(b)(2)(ii)(d)(6), items of Partnership income and gain shall be specially allocated to such Partner in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations promulgated under Section 704(b) of the Code, the deficit balance, if any, in its Adjusted Capital Account created by such adjustments, allocations or distributions as quickly as possible unless such deficit balance is otherwise eliminated pursuant to Section 6.1(c)(i) or (ii).

(iv) *Gross Income Allocations.* In the event any Partner has a deficit balance in its Capital Account at the end of any Partnership taxable period in excess of the sum of (A) the amount such Partner is required to restore pursuant to the provisions of this Agreement and (B) the amount such Partner is deemed obligated to restore pursuant to Treasury Regulation Sections 1.704-2(g) and 1.704-2(i)(5), such Partner shall be specially allocated items of Partnership gross income and gain in the amount of such excess as quickly as possible; *provided*, that an allocation pursuant to this Section 6.1(c)(iv) shall be made only if and to the extent that such Partner would have a deficit balance in its Capital Account as adjusted after all other allocations provided for in this Section 6.1 have been tentatively made as if this Section 6.1(c)(iv) were not in this Agreement.

(v) *Nonrecourse Deductions.* Nonrecourse Deductions for any taxable period shall be allocated to the Partners in accordance with their respective Percentage Interests. If the Board of Supervisors determines in its good faith discretion that the Partnership's Nonrecourse Deductions must be allocated in a different ratio to satisfy the safe harbor requirements of the Treasury Regulations promulgated under Section 704(b) of the Code, the Board of Supervisors is authorized, upon notice to the Limited Partners, to revise the prescribed ratio to the numerically closest ratio that does satisfy such requirements.

Table of Contents

(vi) *Partner Nonrecourse Deductions.* Partner Nonrecourse Deductions for any taxable period shall be allocated 100% to the Partner that bears the Economic Risk of Loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable in accordance with Treasury Regulation Section 1.704-2(i). If more than one Partner bears the Economic Risk of Loss with respect to a Partner Nonrecourse Debt, such Partner Nonrecourse Deductions attributable thereto shall be allocated between or among such Partners in accordance with the ratios in which they share such Economic Risk of Loss.

(vii) *Nonrecourse Liabilities.* For purposes of Treasury Regulation Section 1.752-3(a)(3), the Partners agree that Nonrecourse Liabilities of the Partnership in excess of the sum of (A) the amount of Partnership Minimum Gain and (B) the total amount of Nonrecourse Built-in Gain shall be allocated among the Partners in accordance with their respective Percentage Interests.

(viii) *Code Section 754 Adjustments.* To the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to Section 734(b) or 743(c) of the Code is required, pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis), and such item of gain or loss shall be specially allocated to the Partners in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such Section of the Treasury Regulations.

(ix) *Curative Allocation.*

(A) Notwithstanding any other provision of this Section 6.1, other than the Required Allocations, the Required Allocations shall be taken into account in making the Agreed Allocations so that, to the extent possible, the net amount of items of income, gain, loss and deduction allocated to each Partner pursuant to the Required Allocations and the Agreed Allocations, together, shall be equal to the net amount of such items that would have been allocated to each such Partner under the Agreed Allocations had the Required Allocations and the related Curative Allocation not otherwise been provided in this Section 6.1. Notwithstanding the preceding sentence, Required Allocations relating to (1) Nonrecourse Deductions shall not be taken into account except to the extent that there has been a decrease in Partnership Minimum Gain and (2) Partner Nonrecourse Deductions shall not be taken into account except to the extent that there has been a decrease in Partner Nonrecourse Debt Minimum Gain. Allocations pursuant to this Section 6.1(c)(ix)(A) shall only be made with respect to Required Allocations to the extent the Board of Supervisors reasonably determines that such allocations will otherwise be inconsistent with the economic agreement among the Partners. Further, allocations pursuant to this Section 6.1(c)(ix)(A) shall be deferred with respect to allocations pursuant to clauses (1) and (2) hereof to the extent the Board of Supervisors reasonably determines that such allocations are likely to be offset by subsequent Required Allocations.

Table of Contents

(B) The Board of Supervisors shall have reasonable discretion, with respect to each taxable period, to (1) apply the provisions of Section 6.1(c)(ix)(A) in whatever order is most likely to minimize the economic distortions that might otherwise result from the Required Allocations, and (2) divide all allocations pursuant to Section 6.1(c)(ix)(A) among the Partners in a manner that is likely to minimize such economic distortions.

22.2 Allocations for Tax Purposes.

(a) *General.* Except as otherwise provided herein, for federal income tax purposes, each item of income, gain, loss and deduction shall be allocated among the Partners in the same manner as its correlative item of book income, gain, loss or deduction is allocated pursuant to Section 6.1.

(b) *Contributed Property.* In an attempt to eliminate Book-Tax Disparities attributable to a Contributed Property or Adjusted Property, items of income, gain, loss, depreciation, amortization and cost recovery deductions shall be allocated for federal income tax purposes among the Partners as follows:

(i) (A) In the case of a Contributed Property, such items attributable thereto shall be allocated among the Partners in the manner provided under Section 704(c) of the Code that takes into account the variation between the Agreed Value of such property and its adjusted basis at the time of contribution; and (B) any item of Residual Gain or Residual Loss attributable to a Contributed Property shall be allocated among the Partners in the same manner as its correlative item of book gain or loss is allocated pursuant to Section 6.1.

(ii) (A) In the case of an Adjusted Property, such items shall (1) first, be allocated among the Partners in a manner consistent with the principles of Section 704(c) of the Code to take into account the Unrealized Gain or Unrealized Loss attributable to such property and the allocations thereof pursuant to Section 5.5(d)(i) or (ii), and (2) second, in the event such property was originally a Contributed Property, be allocated among the Partners in a manner consistent with Section 6.2(b)(i)(A); and (B) any item of Residual Gain or Residual Loss attributable to an Adjusted Property shall be allocated among the Partners in the same manner as its correlative item of book gain or loss is allocated pursuant to Section 6.1.

(iii) The Board of Supervisors shall apply the principles of Treasury Regulation Section 1.704-3(d) to eliminate Book-Tax Disparities.

(c) *Discretionary Allocation Authority.* For the proper administration of the Partnership and for the preservation of uniformity of the Units of the MLP (or any class or classes thereof), the Board of Supervisors shall have sole discretion to (i) adopt such conventions as it deems appropriate in determining the amount of depreciation, amortization and cost recovery deductions; (ii) make special allocations for federal income tax purposes of income (including, ~~without limitation,~~ gross income) or deductions; and (iii) amend the provisions of this Agreement as appropriate (x) to reflect the proposal or promulgation of Treasury Regulations

Table of Contents

under Section 704(b) or Section 704(c) of the Code or (y) otherwise to preserve or achieve uniformity of the Units of the MLP (or any class or classes thereof). The Board of Supervisors may adopt such conventions, make such allocations and make such amendments to this Agreement as provided in this Section 6.2(c) only if such conventions, allocations or amendments would not have a material adverse effect on the Partners, the holders of any class or classes of Units issued and outstanding or the Partnership, and if such allocations are consistent with the principles of Section 704 of the Code.

(d) *Discretionary Amortization Authority.* The Board of Supervisors in its discretion may determine to depreciate or amortize the portion of an adjustment under Section 743(b) of the Code attributable to unrealized appreciation in any Adjusted Property (to the extent of the unamortized Book Tax Disparity) using a predetermined rate derived from the depreciation or amortization method and useful life applied to the Partnership's common basis of such property, despite any inconsistency of such approach with Treasury Regulation Section 1.167(c)-1(a)(6). If the Board of Supervisors determines that such reporting position cannot reasonably be taken, the Board of Supervisors may adopt depreciation and amortization conventions under which all purchasers acquiring Units of the MLP in the same month would receive depreciation and amortization deductions, based upon the same applicable rate as if they had purchased a direct interest in the Partnership's property. If the Board of Supervisors chooses not to utilize such aggregate method, the Board of Supervisors may use any other reasonable depreciation and amortization conventions to preserve the uniformity of the intrinsic tax characteristics of any Units that would not have a material adverse effect on any Limited Partner or the holders of any class or classes of Units.

(e) *Recapture Income.* Any gain allocated to the Partners upon the sale or other taxable disposition of any Partnership asset shall, to the extent possible, after taking into account other required allocations of gain pursuant to this Section 6.2, be characterized as Recapture Income in the same proportions and to the same extent as such Partners (or their predecessors in interest) have been allocated any deductions directly or indirectly giving rise to the treatment of such gains as Recapture Income.

(f) *Effect of Section 754 Election.* All items of income, gain, loss, deduction and credit recognized by the Partnership for federal income tax purposes and allocated to the Partners in accordance with the provisions hereof shall be determined without regard to any election under Section 754 of the Code which may be made by the Partnership; *provided, however*, that such allocations, once made, shall be adjusted as necessary or appropriate to take into account those adjustments permitted or required by Sections 734 and 743 of the Code.

(g) *Proration.* The Board of Supervisors may adopt such methods of allocation of income, gain, loss or deduction between a transferor and a transferee of a Partnership Interest as it determines necessary, to the extent permitted or required by Section 706 of the Code and the regulations or rulings promulgated thereunder.

22.4 *General Distributions.*

(a) Within 45 days following the end of each Quarter commencing with the Quarter ending on June 29, 1996, an amount equal to 100% of Available Cash with respect to such Quarter shall be distributed in accordance with this Article VI by the Partnership to the Partners in accordance with their respective Percentage Interests. The immediately preceding sentence shall not require any distribution of cash if and to the extent such distribution would be prohibited by applicable law or by any loan agreement, security agreement, mortgage, debt instrument or other agreement or obligation to which the Partnership is a party or by which it is bound or its assets are subject. All distributions required to be made under this Agreement shall be made subject to Sections 17-607 or 17-804 of the Delaware Act.

(b) In the event of the dissolution and liquidation of the Partnership, all receipts received during or after the Quarter in which the Liquidation Date occurs, except as otherwise provided in (a)(ii) of the definition of Available Cash, shall be applied and distributed solely in accordance with, and subject to the terms and conditions of, Section 12.4.

(c) The Board of Supervisors shall have the discretion to treat taxes paid by the Partnership on behalf of, or amounts withheld with respect to, all or less than all of the Partners, as a distribution of Available Cash to such Partners.

ARTICLE XXIII

Management and Operation of Business

23.1 *Management.*

(a) Except as otherwise expressly provided in this Agreement, all management powers over the business and affairs of the Partnership shall be vested exclusively in the Board of Supervisors, and subject to the direction of the Board of Supervisors and in accordance with the provisions of Section 7.7, the Officers. Neither the General Partner (except as otherwise expressly provided in this Agreement) nor any Limited Partner shall have any management power or control over the business and affairs of the Partnership. Thus, except as otherwise expressly provided in this Agreement, the business and affairs of the Partnership shall be managed by or under the direction of the Board of Supervisors, and the day-to-day activities of the Partnership shall be conducted on the Partnership's behalf by the Officers, who shall be agents of the Partnership. In order to enable the Board of Supervisors to manage the business and affairs of the Partnership, the General Partner, except as otherwise expressly provided in this Agreement, hereby irrevocably delegates to the Board of Supervisors all management powers over the business and affairs of the Partnership that it may now or hereafter possess under applicable law. The General Partner further agrees to take any and all action necessary and appropriate, in the sole discretion of the Board of Supervisors, to effect any duly authorized actions by the Board of Supervisors or any Officer, including executing or filing any agreements, instruments or certificates, delivering all documents, providing all information and taking or refraining from taking action as may be necessary or appropriate to achieve the effective

delegation of power described in this Section 7.1(a). Each of the Partners and each Person who may acquire an interest in a Partnership Interest hereby approves, consents to, ratifies and confirms such delegation. The delegation by the General Partner to the Board of Supervisors of management powers over the business and affairs of the Partnership pursuant to the provisions of this Agreement shall not cause the General Partner to cease to be a general partner of the Partnership nor shall it cause the Board of Supervisors or any member thereof to be a general partner of the Partnership or to have or be subject to the liabilities of a general partner of the Partnership. Except as otherwise specifically provided in Sections 7.13, 7.14, 7.15 and 7.16, the authority, functions, duties and responsibilities of the Board of Supervisors and of the Officers shall be identical to the authority, functions, duties and responsibilities of the board of directors and officers, respectively, of a corporation organized under the Delaware General Corporation Law.

(b) Consistent with the management powers delegated to the Board of Supervisors pursuant to the provisions of this Agreement, the Board of Supervisors shall have the powers now or hereafter granted a general partner of a limited partnership under the Delaware Act or any other applicable law and, except as otherwise expressly provided in this Agreement, shall have full power and authority to do all things and on such terms as it may deem necessary or appropriate to conduct the business of the Partnership, to exercise all powers set forth in Section 2.5 and to effectuate the purposes set forth in Section 2.4, including the following:

(i) the making of any expenditures, the lending ~~or borrowing~~ of money ~~or incurrance of Indebtedness~~, the assumption or guarantee of, or other contracting for, ~~indebtedness~~Indebtedness and other liabilities, the issuance of evidences of ~~indebtedness~~Indebtedness and the incurring of any other obligations;

(iii) the acquisition, disposition, mortgage, pledge, encumbrance, hypothecation or exchange of any or all of the assets of the Partnership or the merger or other combination of the Partnership with or into another Person;

(iv) the use of the assets of the Partnership (including cash on hand) for any purpose consistent with the terms of this Agreement, including the financing of the conduct of the operations of any Group Member, the lending of funds to other Persons (including the MLP or any Subsidiary of the MLP), the repayment of obligations of any Group Member, the MLP or any Subsidiary of the MLP and the making of capital contributions to any Group Member, the MLP or any Subsidiary of the MLP.

(v) the negotiation, execution and performance of any contracts, conveyances or other instruments (including instruments that limit the liability of the Partnership under contractual arrangements to all or particular assets of the Partnership, with the other party to the contract to have no recourse against the General Partner or its assets other than its interest in the Partnership, even if same results in the terms of the transaction being less favorable to the Partnership than would otherwise be the case);

(vi) the distribution of Partnership cash;

(vii) the selection and dismissal of employees (including employees who are Officers) and agents, outside attorneys, accountants, consultants and contractors and the determination of their compensation and other terms of employment or hiring;

(viii) the maintenance of such insurance for the benefit of the Partnership Group and the Partners (including the assets of the Partnership) as it deems necessary or appropriate,

(ix) the formation of, or acquisition of an interest in, and the contribution of property and the making of loans to, any further limited or general partnerships, joint ventures, corporations, limited liability companies or other relationships;

(xi) the indemnification of any Person against liabilities and contingencies to the extent permitted by law.

(c) Notwithstanding any other provision of this Agreement and the MLP Agreement, and to the fullest extent permitted by applicable law, each of the Partners hereby (i) approves, consents to, ratifies and confirms the General Partner's delegation of management powers to the Board of Supervisors pursuant to paragraph (a) of this Section 7.1; ~~(ii) approves, consents to, ratifies and confirms the execution, delivery and performance by the parties thereto of the Exchange Agreement and the other agreements executed in connection therewith relating to the Partnership; (iii) agrees that the Partnership (through any duly authorized Officer of the Partnership) is authorized to execute, deliver and perform the agreements referred to in clause (ii) of this sentence and the other agreements, acts, transactions and matters described in or contemplated by the Proxy Statement without any further act, approval or vote of the Partners; and (iv and (ii) agrees that the execution, delivery or performance by the General Partner, the MLP, the Board of Supervisors or any member thereof, any duly authorized Officer of the Partnership, any Group Member or any Affiliate of any of them, of this Agreement or any agreement authorized or permitted under this Agreement, shall not constitute a breach by any such Person of any duty that any of such Persons may owe the Partnership, a Limited Partner or any other Persons under this Agreement (or any other agreements) or of any duty stated or implied by law or equity.~~

23.2 *The Board of Supervisors; Appointment; Manner of Acting.*

(a) The Board of Supervisors shall consist of those individuals who serve as members of the board of supervisors of the MLP.

as an Indemnitee, *provided*, that in each case the Indemnitee acted in good faith and in a manner that such Indemnitee reasonably believed to be in, or not opposed to, the best interests of the Partnership and, with respect to any criminal proceeding, had no reasonable cause to believe its conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere, or its equivalent, shall not create a presumption that the Indemnitee acted in a manner contrary to that specified above. Any indemnification pursuant to this Section 7.13 shall be made only out of the assets of the Partnership, it being agreed that the General Partner shall not be personally liable for such indemnification and shall have no obligation to contribute or loan any monies or property to the Partnership to enable it to effectuate such indemnification.

(b) To the fullest extent permitted by law, expenses (including legal fees, expenses and other disbursements) incurred by an Indemnitee who is indemnified pursuant to Section 7.13(a) in defending any claim, demand, action, suit or proceeding shall, from time to time, be advanced by the Partnership prior to the final disposition of such claim, demand, action, suit or proceeding upon receipt by the Partnership of any undertaking by or on behalf of the Indemnitee to repay such amount if it shall be determined by a final, non-appealable order of a court of competent jurisdiction that the Indemnitee is not entitled to be indemnified as authorized in this Section 7.13.

(c) The indemnification provided by this Section 7.13 shall be in addition to any other rights to which an Indemnitee may be entitled under any agreement, pursuant to any vote of the Partners, as a matter of law or otherwise, both as to actions in the Indemnitee's capacity as an Indemnitee and as to actions in any other capacity, and shall continue as to an Indemnitee who has ceased to serve in such capacity and shall inure to the benefit of the heirs, successors, assigns and administrators of the Indemnitee.

(d) The Partnership may purchase and maintain (or reimburse the members of the Board of Supervisors, the General Partner or its Affiliates for the cost of) insurance, on behalf of the General Partner and the members of the Board of Supervisors and such other Persons as the Board of Supervisors shall determine, against any liability that may be asserted against or expense that may be incurred by such Person in connection with the Partnership's activities, regardless of whether the Partnership would have the power to indemnify such Person against such liability under the provisions of this Agreement.

(e) For purposes of this Section 7.13, the Partnership shall be deemed to have requested an Indemnitee to serve as fiduciary of an employee benefit plan whenever the performance by it of its duties to the Partnership also imposes duties on, or otherwise involves services by, it to the plan or participants or beneficiaries of the plan; excise taxes assessed on an Indemnitee with respect to an employee benefit plan pursuant to applicable law shall constitute fines within the meaning of Section 7.13(a); and action taken or omitted by it with respect to any employee benefit plan in the performance of its duties for a purpose reasonably believed by it to be in the interest of the participants and beneficiaries of the plan shall be deemed to be for a purpose which is in, or not opposed to, the best interests of the Partnership.

(f) In no event may an Indemnitee subject any Limited Partner to personal liability by reason of the indemnification provisions set forth in this Agreement.

(g) An Indemnitee shall not be denied indemnification in whole or in part under this Section 7.13 because the Indemnitee had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

(h) The provisions of this Section 7.13 are for the benefit of the Indemnitees, their heirs, successors, assigns and administrators and shall not be deemed to create any rights for the benefit of any other Persons.

(i) No amendment, modification or repeal of this Section 7.13 or any provision hereof shall in any manner terminate, reduce or impair the right of any past, present or future Indemnitee to be indemnified by the Partnership, nor the obligations of the Partnership to indemnify any such Indemnitee under and in accordance with the provisions of this Section 7.13 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

23.14 *Liability of Indemnitees.*

(a) Notwithstanding anything to the contrary set forth in this Agreement, no Indemnitee shall be liable for monetary damages to the Partnership, any Limited Partner or any other Persons who have acquired interests in the Partnership, for losses sustained or liabilities incurred as a result of errors in judgment or any act or omission if such Indemnitee acted in good faith pursuant to authority granted in this Agreement.

(b) To the maximum extent permitted by law, the General Partner and its Affiliates shall not be responsible for any act or omission by the Board of Supervisors, any member of the Board of Supervisors, or any Officers of the Partnership.

(c) To the maximum extent permitted by law, the members of the Board of Supervisors and the Officers of the Partnership shall not be responsible for any act or omission by the General Partner and its Affiliates.

(d) Subject to its obligations and duties set forth in Section 7.1(a), the Board of Supervisors may exercise any of the powers granted to it by this Agreement and perform any of the duties imposed upon it hereunder either directly or by or through the Officers or other agents of the Partnership, and, to the maximum extent permitted by law, the Board of Supervisors shall not be responsible for any misconduct or negligence on the part of any such Officer or agent appointed by the Board of Supervisors in good faith.

(e) It will not constitute a breach of fiduciary or other duty for an Officer or member of the Board of Supervisors to engage attorneys, accountants, engineers and other advisors on behalf of the Partnership, its Board of Supervisors, or any committee thereof, even though such persons may also be retained from time to time by the General Partner or any of its Affiliates, and such persons may be engaged with respect to any matter in which the interests of the Partnership and the General Partner or any of its Affiliates may differ, or may be engaged by both the Partnership and the General Partner or any of its Affiliates with respect to a matter, as long as such Officer or member of the Board of Supervisors reasonably believes that any conflict between the Partnership and the General Partner or any of its Affiliates with respect to such matter is not material; and

(f) Any amendment, modification or repeal of this [Section 7.14](#) or any provision hereof shall be prospective only and shall not in any way affect the limitations on the liability to the Partnership and the Limited Partner, of the General Partner, its directors, officers and employees and any other Indemnitees under this [Section 7.14](#) as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

23.15 Resolution of Conflicts of Interest.

(a) Unless otherwise expressly provided in this Agreement or the MLP Agreement, whenever a potential conflict of interest exists or arises between the General Partner or any of its Affiliates, or any Officer or member of the Board of Supervisors, on the one hand, and the Partnership, the MLP, or any Partner, on the other, any resolution or course of action in respect of such conflict of interest shall be permitted and deemed approved by the Limited Partners, and shall not constitute a breach of this Agreement, of the MLP Agreement, or of any agreement contemplated herein or therein, or of any duty stated or implied by law or equity, if the resolution or course of action is, or by operation of this Agreement is deemed to be, fair and reasonable to the Partnership. The Board of Supervisors shall be authorized but not required in connection with its resolution of such conflict of interest to seek Special Approval of a resolution of such conflict or course of action. Any conflict of interest and any resolution of such conflict of interest shall be conclusively deemed fair and reasonable to the Partnership if such conflict of interest or resolution is (i) approved by Special Approval (as long as the material facts known to the General Partner or any of its Affiliates or such Officer or member of the Board of Supervisors regarding any proposed transaction were disclosed to the Audit Committee at the time it gave its approval), (ii) on terms no less favorable to the Partnership than those generally being provided to or available from unrelated third parties or (iii) fair to the Partnership, taking into account the totality of the relationships between the parties involved (including other transactions that may be particularly favorable or advantageous to the Partnership). The Board of Supervisors may also adopt a resolution or course of action that has not received Special Approval. The Board of Supervisors (including the Audit Committee in connection with Special Approval) shall be authorized in connection with its determination of what is fair and reasonable to the Partnership and in connection with its resolution of any conflict of interest to consider (A) the relative interests of any party to such conflict, agreement, transaction or situation and the benefits and burdens relating to such interest; (B) any customary or accepted industry practices and any customary or historical dealings with a particular Person; (C) any applicable generally accepted accounting practices or principles; and (D) such additional factors as the Board of Supervisors (including the Audit Committee) determines in its discretion to be relevant, reasonable or appropriate under the circumstances. Nothing contained in this Agreement, however, is intended to nor shall it be construed to require the Board of Supervisors (including the Audit Committee) to consider the interests of any Person other than the Partnership. In the absence of bad faith by the Board of Supervisors, the resolution, action or terms so made, taken or provided by the Board of Supervisors with respect to such matter shall not constitute a breach of this Agreement, the MLP Agreement or any other agreement contemplated herein or therein or a breach of any standard of care or duty imposed herein or therein or, to the extent permitted by law, under the Delaware Act or any other law, rule or regulation or existing in equity or otherwise.
