**Section 1 Registrant's Business and Operations**

**Item 1.01 Entry into a Material Definitive Agreement**

As previously reported (a) on November 23, 2010 in a Current Report on Form 8-K, on November 23, 2010, Armstrong World Industries, Inc. (the Company) entered into an amended and restated credit agreement (the Original Amended and Restated Credit Agreement) among the Company, the other borrower and guarantors named therein, Bank of America, N.A., as administrative agent and collateral agent, the other lenders party thereto, JPMorgan Chase Bank, N.A., as syndication agent, Barclays Bank PLC, as documentation agent, and Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities, Inc. and Barclays Capital, the investment banking division of Barclays Bank, PLC, as co-lead arrangers and joint book managers, and (b) on March 11, 2011 in a Current Report on Form 8-K, on March 10, 2011, the Company entered into Amendment No. 1 (Amendment No. 1) to the Original Amended and Restated Credit Agreement (as amended by Amendment No. 1, the Existing Amended and Restated Credit Agreement). The Existing Amended and Restated Credit Agreement provides the Company with a \$250 million revolving credit facility, with sublimits for letters of credit and swing-line loans, and provided a \$250 million term loan A and a \$550 million term loan B (Term Loan B).

On March 22, 2012, the Company entered into Amendment No. 2 (Amendment No. 2) to the Existing Amended and Restated Credit Agreement pursuant to which a \$250 million add-on term loan to the Term Loan B (Add-On Term Loan B) was disbursed by certain lenders to the Company and certain other amendments were effected. The Add-On Term Loan B was issued with an original issue discount of one percent (1.00%) of the principal amount of the Add-On Term Loan B such that the proceeds of the Add-On Term Loan B were advanced net of the original issue discount. When made, the Add-On Term Loan B became part of, and indistinguishable from, the Term Loan B, except that the Add-On Term Loan B will not share in or receive a share of the scheduled principal amortization payment due March 31, 2012. The proceeds of the Add-On Term Loan B will be used to partially fund a special cash dividend described in Item 8.01 below.

Certain of the other amendments that were effected with respect to the Existing Amended and Restated Credit Agreement include:

The restricted payments covenant was amended to permit a special dividend of up to \$525 million, in order to permit the dividend described in Item 8.01 below.

The uncommitted accordion feature that allows the Company to request the existing lenders or third party financial institutions to provide additional capacity in the form of increased revolving credit commitments, incremental term loans, other revolving credit commitments or a new term loan or loans, was retained, and increased to permit such new commitments or loans in an amount not to exceed the greater of \$400 million or up to a consolidated net secured leverage ratio of 2.50 to 1.00, from an amount not to exceed the greater of \$300 million or up to a consolidated net secured leverage ratio of 2.50 to 1.00; and

The requirement that the Company prepay outstanding loans with 50% of the Company's excess cash flow for each fiscal year commencing with the fiscal year ending December 31, 2011, subject to reduction based on the Company's leverage ratio, was amended to commence with the fiscal year ending December 31, 2013 instead of the fiscal year ending December 31, 2011.

If the Company makes a voluntary prepayment of Term Loan B within six months of March 22, 2012 in connection with any new or additional term loans that have an effective interest rate margin or weighted average yield that is less than the applicable rate for, or weighted average yield of, Term Loan B, the Company must pay a prepayment premium in an amount equal to one percent (1.0%) of the principal amount repaid.

The description of Amendment No. 2 does not purport to be complete and is qualified in its entirety by reference to Amendment No. 2, which is filed herewith as Exhibit 10.1, and is incorporated herein by reference.
