Record Date, Voting Rights and Outstanding Shares

The Board of Directors has fixed March 31, 2012 as the record date for determining the holders of our capital stock who are entitled to vote at the Annual Meeting.

We have two classes of common stock and one class of preferred stock issued and outstanding: Class A Common Stock, \$.001 par value per share, Class B Common Stock, \$.001 par value per share, and Series AA Preferred Stock, \$.001 par value per share. We refer to our Class A Common Stock and our Class B Common Stock collectively as our common stock.

With respect to the matters submitted for vote at the Annual Meeting, each share of Class A Common Stock is entitled to one vote, each share of Class B Common Stock is entitled to ten votes, and each share of Series AA Preferred Stock is entitled to one vote.

Our Class A Common Stock, Class B Common Stock and Series AA Preferred Stock will vote as a single class on the matters submitted at the Annual Meeting. On March 31, 2012, there were outstanding and entitled to vote 78,333,962 shares of Class A Common Stock, 14,910,365 shares of Class B Common Stock, and 5,719.49 shares of Series AA Preferred Stock.

The presence at the Annual Meeting, in person or by proxy, of the holders of one-third of the votes represented by the Class A Common Stock, the Class B Common Stock, and the Series AA Preferred Stock issued and outstanding on March 31, 2012 will constitute a quorum for the transaction of business. Proxies submitted by brokers that do not indicate a vote for the proposal because the brokers do not have discretionary voting authority and have not received instructions from the beneficial owners on how to vote on the proposal are called broker non-votes. We will count broker non-votes, votes withheld, and abstentions as being present at the Annual Meeting in determining whether a quorum exists for the transaction of business at the Annual Meeting.

Stockholders who do not attend the Annual Meeting in person may submit proxy cards by mail. Proxy cards in the enclosed form, if received in time for voting and not revoked, will be voted at the Annual Meeting according to the instructions on the proxy cards. If no instructions are indicated, the shares represented by the proxy will be voted:

FOR the election of the Director nominees named herein;

FOR the approval of an amendment of the Company's 2009 Employee Stock Purchase Plan;

FOR the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the 2012 fiscal year; and

In accordance with the judgment of the proxy holders as to any other matter that may be properly brought before the Annual Meeting or any adjournments of the Annual Meeting.

We will not count shares that abstain from voting on a particular matter or shares represented by broker non-votes as votes cast on that matter. Accordingly, abstentions and broker non-votes will have no effect on the outcome of voting on matters to be voted on at the Annual Meeting that require the affirmative vote of a certain percentage or a plurality of the votes cast on a matter.

Voting of Proxies

You may vote by mail or in person at the Annual Meeting. To vote by mail, please sign, date, and complete the enclosed proxy card and return it in the enclosed self-addressed envelope. If you hold your shares through a bank, broker or other nominee, it will give you separate instructions for voting your shares.

Revocability of Proxies

You may revoke the proxy by filing an instrument of revocation or a duly executed proxy bearing a later date with our Secretary at our principal executive offices, 5321 Corporate Boulevard, Baton Rouge, Louisiana 70808. You may also revoke your proxy by attending the Annual Meeting and voting in person. If you do not revoke your proxy, we will vote the proxy at the Annual Meeting in accordance with the instructions indicated on your proxy card.

He also brings valuable insight into the issues facing our management through his experience as a founder and principal in other media companies. Mr. Reilly is also a general partner of our controlling stockholder, the Reilly Family Limited Partnership. The RFLP and members of the Reilly family are permitted holders of our Class B Common Stock, which was put in place in connection with our initial public offering in 1996 to provide continuity of control over the company and entitles its holders to ten votes per share. In addition, board representation by members of the Reilly family, which has ties to the Lamar family dating back to 1958, also serves to preserve the principles that Lamar was founded upon.</p>	2005

Family Relationships

Kevin P. Reilly, Jr., our Chairman of the Board and President, Sean Reilly, our Chief Executive Officer, and our directors Anna Reilly and Wendell Reilly are siblings. Kevin P. Reilly, Jr., Anna Reilly and Wendell Reilly are also nominees for director at the Annual Meeting.

BOARD OF DIRECTORS AND COMMITTEES

During the year ended December 31, 2011, our Board of Directors held six meetings. Each of our directors attended at least 75% of the aggregate of the total number of meetings of our Board and the total number of meetings of our Board's committee meetings for the committee(s) on which that director served. The Board has standing Audit, Compensation and Nominating and Governance Committees. During the year ended December 31, 2011, the Audit Committee held eight meetings, the Compensation Committee held four meetings, and the Nominating and Governance Committee held four meetings. We encourage, but do not require, our board members to attend the Annual Meeting of Stockholders. Last year, all of our directors attended the Annual Meeting of Stockholders.

Leadership Structure. Kevin Reilly, Jr. currently serves as our Chairman of the Board, and Sean E. Reilly serves as our Chief Executive Officer. The Board does not have a policy regarding the separation of the roles of Chairman of the Board and Chief Executive Officer, as the Board believes it is in our best interests to make this determination based on an assessment of the current condition of our Company and composition of the Board. The Board has determined that having a member of senior management serve as Chairman of the Board is in the best interests of our stockholders at this time. This structure makes the best use of management's extensive knowledge of the Company and our industry, as well as fostering greater communication between management and the Board.

Director Independence. The Board has determined that Messrs. Hamilton, Koerner, Mumblow and Reifenheiser are independent directors as defined in the Nasdaq Stock Market listing standards. In making this determination, the Board considered that Mr. Hamilton serves as Executive Vice-Chancellor & Provost and has served as Dean of the Manship School of Mass Communications of Louisiana State University (the Manship School) of which the Reilly Center for Media & Public Affairs (the Reilly Center) is a part. The Reilly Center was originally formed based in part from charitable donations of Kevin Reilly, Sr. and Dee Dee Reilly (the parents of Kevin Reilly, Jr., Sean Reilly, Anna Reilly and Wendell Reilly). The Board also considered certain donations by the Reilly Family Foundation, a charitable foundation with which Mr. Kevin Reilly, Sr. is affiliated, to the Manship School. The Board noted the following: that Mr. Hamilton has never and does not currently receive any compensation from the Reilly Family Foundation or the Reilly Center; all decisions regarding donations made by the Reilly Family Foundation are made by an independent board of directors; and neither Kevin Reilly Jr., Sean Reilly, Anna Reilly nor Wendell Reilly contribute to or are affiliated with the Reilly Family Foundation, in making its determination that these relationships do not affect Mr. Hamilton's independence.

Meetings in Executive Session. Our independent directors have regularly scheduled meetings at which only independent directors are present. During 2011, the independent directors met in executive session on two occasions.

Risk Oversight. As part of its charter, the Board is responsible for monitoring the risks that affect the Company, including operational, legal, regulatory, strategic and reputational risks. As part of routine Board meetings, management presents the Board with updates regarding key facets of the Company's operations. The Board is responsible for assessing risks based on their working knowledge of the Company and the risks inherent in its business. As discussed below, the Audit Committee is responsible for monitoring the company's financial risk.

Audit Committee. The Audit Committee currently consists of Stephen P. Mumblow (Chairman), Thomas V. Reifenheiser and John E. Koerner, III. Our Board of Directors has determined that each member of the Audit Committee satisfies the independence and financial literacy requirements as defined by applicable Nasdaq Stock Market listing standards governing the qualifications of Audit Committee members. Stephen P. Mumblow qualifies as an audit committee financial expert under the rules of the SEC and satisfies the financial sophistication requirements under applicable Nasdaq Stock Market listing

qualifications. The Audit Committee assists our Board of Directors in fulfilling its responsibility for general oversight over the integrity of our financial statements, including compliance with legal and regulatory requirements, the independent registered public accounting firm's qualifications and independence, and the performance of our internal audit function. The Audit Committee is also responsible for the appointment (and when appropriate, replacement) and oversight of our independent registered public accounting firm and our internal auditor. The Audit Committee operates under a written charter adopted by the Board of Directors. The Audit Committee has been delegated by the Board the responsibility of monitoring the company's financial risks. Any material financial risks identified by the Audit Committee are reported to the full Board.

Compensation Committee. The Compensation Committee currently consists of Thomas V. Reifenheiser (Chairman), John Maxwell Hamilton, and Stephen P. Mumblow, each of whom meets the independence requirements as defined by applicable Nasdaq Stock Market listing standards governing the independence of directors. The Committee's responsibilities include evaluating the performance of the Chief Executive Officer and our other executive officers and reviewing and determining such officers' cash and equity-based compensation and benefits. The Compensation Committee operates under a written charter adopted by the Board of Directors. For additional information regarding the Compensation Committee's role in setting compensation, delegation of their authority and our use of compensation consultants, please see the Compensation Discussion and Analysis section of this proxy statement, which begins on page 16.

Nominating and Governance Committee. The Nominating and Governance Committee currently consists of Thomas V. Reifenheiser (Chairman), John Maxwell Hamilton and Stephen P. Mumblow, each of whom meets the independence requirements as defined by applicable Nasdaq Stock Market listing standards governing the independence of directors. The Committee's responsibilities include identifying individuals qualified to become Board members and recommending to the Board the director nominees for the next Annual Meeting of Stockholders, as well as candidates to fill vacancies on the Board. Additionally, the Committee recommends to the Board the directors to be appointed to Board committees. The Committee also developed and recommended to the Board a set of corporate governance guidelines and oversees the effectiveness of our corporate governance in accordance with those guidelines. The Nominating and Governance Committee operates under a written charter adopted by the Board of Directors.

The process followed by the Nominating and Governance Committee to identify and evaluate director candidates includes requesting Board members and others to submit recommendations, evaluating biographical information and background materials relating to potential candidates, and interviewing (with Board members) selected candidates.

In considering whether to recommend any candidate for inclusion in the Board's slate of director nominees, the Nominating and Governance Committee will evaluate the candidate against the standards and qualifications set out in the Company's Corporate Governance Guidelines, including, among others:

the extent to which the candidate's skills, experience, and perspective adds to the range of talent appropriate for the Board and whether such attributes are relevant to our industry;

the candidate's ability to dedicate the time and resources sufficient for the diligent performance of Board duties;

whether the candidate meets the independence requirements under applicable Nasdaq Stock Market listing standards; and

the extent to which the candidate holds any position that would conflict with responsibilities to the Company.

The Committee believes that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge, and abilities that will allow the Board to fulfill its responsibilities.

The Nominating and Governance Committee and the Board do not have a formal diversity policy. In identifying nominees for director, however, consideration is given to the diversity of professional experience, education and backgrounds among the directors so that a variety of points of view are represented in Board discussions and deliberations concerning our business.

Stockholders may recommend candidates for the Nominating and Governance Committee to consider as potential director nominees by submitting names, biographical information, and background materials to the Nominating and Governance Committee, c/o General Counsel, Lamar Advertising Company, 5321 Corporate Boulevard, Baton Rouge, Louisiana 70808. The Nominating and Governance Committee will consider a recommendation only if appropriate biographical information and background material is provided on a timely basis as further described in the Committee's charter. See Board and Committee Meetings Committee Charters below. Assuming that appropriate biographical and background material is provided for candidates recommended by stockholders, the Nominating and Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria used for candidates submitted by Board members. The Committee will also consider whether to nominate any person nominated by a stockholder in accordance with the provisions of the Company's bylaws relating to stockholder nominations as described in Deadline for Stockholder Proposals and Director Nominations below. To date, no stockholder has recommended a candidate for director nominee to the Nominating and Governance Committee or to the Board of Directors.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee currently consists of Thomas V. Reifenheiser (Chairman), John Maxwell Hamilton, and Stephen P. Mumblow. EXECUTIVE OFFICER AND DIRECTOR COMPENSATION

Compensation Discussion and Analysis

Our Compensation Committee has responsibility for establishing, implementing and maintaining the compensation program for our executive officers. For the year ended December 31, 2011, our executive officers consisted of our Chairman of the Board and President, Chief Executive Officer and Chief Financial Officer, which are also referred to herein as the named executive officers. This Compensation Discussion and Analysis sets forth the objectives and material elements of the compensation paid to our named executive officers for fiscal 2011.

Executive Compensation Philosophy

The primary objective of our executive compensation program is to retain and reward executive officers who contribute to our long-term success. We believe this requires a competitive compensation structure both as compared to similarly situated companies in the media industry and other companies that are our peers in terms of annual revenues. Additionally, we seek to align a significant portion of executive officer compensation to the achievement of specified Company performance goals. Incentive cash bonuses are included to drive executive performance by having pay at risk so that a significant portion of potential cash compensation is tied to goal achievement. We also include performance-based equity grants as a significant component of prospective executive compensation so that the value of a portion of executive compensation is tied directly to the performance of our Class A Common Stock. In addition, the Compensation Committee instituted a discretionary bonus program in 2008. This program was adopted as an acknowledgement that compensation might be warranted for reasons outside the scope of the performance metrics used in the Company's incentive programs.

Use of Compensation Consultants and Peer Group Data

Our Compensation Committee did not consult with any compensation consultants in conjunction with its executive officer compensation determinations for fiscal 2011. The Committee developed the basic framework for its executive compensation program in conjunction with a compensation consultant in 2006 and has continued to use this framework for its executive compensation determinations for fiscal 2011. The Committee did not obtain peer group information, as it did not seek to set executive officer compensation to a specific percentile of the range of total compensation represented by a specified group when making its executive compensation determinations for fiscal 2011.

Material Elements of Executive Officer Compensation

The key elements of compensation for our executive officers are: base salaries, performance-based cash incentive awards, performance-based equity awards and discretionary cash bonus awards. Executives may also participate, on the same terms as all other employees, in a 401(k) retirement savings plan and health and welfare benefits.

Base Salary. We pay a base salary to each of our named executive officers. The objective of base salary is to provide a fixed component of cash compensation to the executive that reflects the level of responsibility associated with the executive's position and is competitive with the base compensation the executive could earn in a similar position at comparable companies. Base salary for our named executive officers is reviewed annually in light of market compensation, tenure, individual performance, Company performance and other subjective considerations. Typically our Chairman of the Board and President makes recommendations to the Compensation Committee with regard to base salary for the executive officers that he believes are justified in light of these considerations.

In March 2011, the Compensation Committee reviewed current base salaries in conjunction with our Chairman of the Board and President in the context of the Company's current performance and the overall economic environment. The Committee considered the Company's performance in 2010 and budget for 2011 as well as the continued uncertainties in the economy. The recent promotion in February 2011 of Sean Reilly to CEO was also considered but, in light of all factors, the Committee determined that no increases to base salaries were warranted and approved all executive officer base salaries at current levels, which have remained unchanged since 2006.

Performance-Based Incentive Compensation. The Company's incentive compensation program consists of two types of awards that are granted under the Company's 1996 Equity Incentive Plan (the "Incentive Plan"): (i) a performance-based incentive cash bonus and (ii) a performance-based incentive equity award. This compensation program was designed by the Committee to link a significant portion of overall executive officer compensation to the achievement of enumerated performance targets while maximizing the Company's ability to deduct named executive officer compensation for tax purposes under Section 162(m) of the Internal Revenue Code. By including a fixed share equity award as a significant portion of executive compensation, the aggregate value of each executive officer's compensation is dependent on the performance of the Company's Class A Common Stock.

Incentive Cash Bonus. The Committee sets target amounts for incentive cash bonuses for each of the named executive officers with corresponding performance goals. The Committee reviews those target amounts annually based on the executive's roles and responsibilities, the Company's performance, and the current economic environment. In line with its determination with respect to base salaries, the target cash amounts have remained constant year over year since 2006. The Committee then approved the performance goals for 2011 pursuant to which any payout of incentive cash bonus awards would be based. The Committee also continued its practice of providing the possibility of higher payouts that provide incentives for superior performance above the 100% targeted levels of achievement, which can result in an incentive cash bonus in an amount that is up to 200% of the target amount. To better align the Company's performance and the level of award achievement, the Committee also increased the threshold for minimum achievement of an incentive cash bonus to 65% of the target amount from 50% in the prior year.

When setting the performance goals for the executive officers' incentive cash bonuses for fiscal 2011, the Committee met with management to review current operating budgets and financial projections along with any current initiatives that could impact the Company's anticipated 2011 results. The Committee determined that the Company's pro forma net revenue growth and pro forma earnings before interest, taxes, depreciation and amortization and adjusted for gain or loss on disposition of assets and investments (referred to in this proxy statement as "EBITDA") growth are the appropriate measures on which to base incentive compensation as these measures are the primary measures used by both management and the investor community to evaluate the Company's performance.

The Committee's goal when determining the specific performance thresholds is to set target (100%) goal achievement at a challenging but achievable level based on the 2011 operating budget in order to provide appropriate incentives for management in the context of the current fiscal year's projected results and current business plan. For 2011 the Committee also adjusted the increments that had been used in the 2010 performance grid to increase the minimum level of achievement required to be eligible for both cash incentive and equity incentive awards. The Committee also noted that the 2011 performance goals were based on a 2011 budget that was aggressive given the continued uncertainty in general economic conditions. The 2011 performance goals for incentive cash bonuses were based on achievement of pro forma revenue growth and pro forma EBITDA growth for fiscal 2011 over fiscal 2010 with 50% of the total bonus amount tied to each metric. Tables setting forth the actual performance thresholds for fiscal 2011 are set forth below on pages 20 and 21.

In February 2012, the Committee reviewed the Company's 2011 performance. Despite pro forma revenue and EBITDA growth below targeted performance levels, the Company continued to manage its balance sheet by making over \$200 million in net payments on debt outstanding under its senior credit facility and repurchasing and retiring approximately \$47 million in aggregate principal amount of its 6⁵/₈% Senior subordinated notes due 2015. The Company's successful growth of its digital platform was also noted, with over 1400 units in operation at year end.

Following this review, the Committee certified that (i) the Company's pro forma net revenue growth did not meet the minimum threshold required for a cash incentive bonus for fiscal 2011 based on revenue, and (ii) the Company's pro forma EBITDA growth resulted in attainment of 65% of each executive officer's target cash incentive bonus for fiscal 2010 based on EBITDA. The total 2011 cash incentive bonus for each executive is set forth below and is reflected in the Non-Equity Incentive Plan Compensation column of the 2010 Summary Compensation Table on page 25 of this proxy statement.

Incentive Equity Awards. The Committee also determined the target amount of incentive equity awards for each of the named executive officers at its March 2011 meeting. These target equity award amounts were set at 44,000 shares for both Kevin Reilly, Jr. and Sean Reilly and at 26,000 shares for Keith Istre. The Committee maintained the same fixed share amounts used since 2006. The Committee noted the unpredictability and volatility in the market at that time and determined that the share amounts and potential value to each executive officer appropriately reflected historical share prices and comported with its view of the equity incentive as a long-term incentive that should not be adjusted based on near-term volatility.

Under the terms of the Company's incentive equity award program, no shares of stock are issued unless and until the relevant performance goals have been met and certified by the Compensation Committee. Any earned shares are issued as soon as practicable following such certification and are fully vested at the time of issuance. The shares earned by Kevin Reilly and Sean Reilly for 2011 have not yet been issued to them pending receipt of required regulatory approvals. The Committee feels that the use of stock awards as a part of its compensation program aligns executive compensation to the creation of shareholder value but not to such an extent that it would create incentives for executives to focus solely on short term stock appreciation to the exclusion of long term strategy.

The pro forma revenue growth and pro forma EBITDA growth metrics for fiscal 2011 over fiscal 2010 used in the context of the incentive cash awards were used to determine the achievement of incentive equity awards, except that the amounts were calculated after giving effect to the payment of executive officer cash incentive bonus awards. In addition, unlike incentive cash awards, there is no opportunity to achieve greater than 100% of the target equity awards. On that basis, (i) the Company's pro forma net revenue growth did not meet the minimum threshold required for an equity incentive award for 2011 based on revenue and (ii) the Company's pro forma EBITDA growth resulted in attainment of

65% of each executive officer's target incentive equity award for 2011 based on EBITDA. The total 2011 incentive equity awards earned by each executive is set forth below and reflected in the Stock Awards column of the 2011 Summary Compensation Table on page 25 of this proxy statement (see footnote 1 to the 2011 Summary Compensation Table, which describes the assumptions underlying the calculation of the aggregate grant date fair value of these awards).

The tables that follow set forth the level of pro forma net revenue and pro forma EBITDA growth required for fiscal 2011 over fiscal 2010 to achieve the stated percentage of target incentive awards for our named executive officers, as set by the Committee in March 2011. These goals relate to achievement of both incentive cash and incentive equity awards, except that equity awards cannot exceed their target amount irrespective of goal achievement in excess of the 100% level.

Discretionary Bonus Awards. In 2010, the Committee continued the discretionary bonus program initiated in 2008. This program was adopted to provide for awards of discretionary cash compensation to reward, if applicable, individual performance or successful initiatives during the course of the fiscal year that may not otherwise be captured by the Company's incentive award program. Payment under the discretionary bonus program is not contingent upon the failure to attain the performance goals under the incentive award program. Pursuant to this program, the Committee may grant a cash bonus to any executive officer in an amount up to 50% of such executive officer's 2011 base salary, in its sole discretion. Any such award is based upon the Committee's evaluation of each executive officer's respective 2010 performance.

In February 2012, the Committee reviewed the Company's performance against budget and the actions taken by management to grow its digital platform and continue to strengthen its balance sheet in fiscal 2011. After consideration of these factors and review with management of the cash bonus awards being made to non-executive officers of the Company, the Committee decided to award discretionary bonuses to the executive officers as follows.

Kevin P. Reilly, Jr.	130,000
Sean E. Reilly	81,250
Keith A. Istre	81,250

Consideration of the 2011 Stockholder Advisory Vote on Executive Compensation

At the Company's 2011 annual meeting of stockholders, over 98% of shares present at the meeting for purposes of the proposal were voted to approve, on an advisory basis, the compensation of our named executive officers, thus ratifying our compensation philosophy and approach. No specific component of our 2011 executive compensation program was altered based upon this high passage rate. However, the Committee will continue to monitor stockholder feedback as it reviews and establishes future executive compensation plans and determines awards for our named executive officers. Our Board of Directors has determined that an advisory vote will be conducted on a triennial basis.

Other Compensation Components

Perquisites. We provide certain perquisites to our executive officers, including use of the Company's aircraft and a Company car. Our executive officers are entitled to use our Company aircraft. Our executive officers also have access to Company aircraft for personal travel. These perquisites provide flexibility to the executives and increase travel efficiencies, allowing more productive use of executive time. More detail on these perquisites and other perquisites provided to our executive officers may be found below in the 2011 Summary Compensation Table.

Deferred Compensation. The Company has a deferred compensation plan for certain officers. Under this plan, officers who meet certain years of service and other criteria are eligible to receive Company contributions into their accounts in the Lamar Deferred Compensation Plan. Officers do not have the option of deferring any portion of their earned cash compensation through additional voluntary contributions to the plan. Due to economic conditions, the Company did not contribute to any employee deferred compensation accounts for fiscal 2009 or 2008, but reinstated deferred compensation payments to eligible employees beginning in 2010.

The deferred compensation plan is not funded by us, and participants have an unsecured contractual commitment from us to pay the amounts due under the deferred compensation plan. When payments under the plan are due, the funds are distributed from our general assets. The Company does not offer preferential earnings on deferred compensation. Deferred compensation is intended as a long-term savings vehicle for our officers in light of the fact that the Company does not offer any traditional pension or defined benefit plan. The Compensation Committee does not consider deferred compensation accounts when setting executive pay levels, since this represents compensation that has previously been earned and individual accounts are a function of personal investment choices and market-based earnings.

Tax Implications

U.S. federal income tax law (Section 162(m) of the Code) prohibits publicly-traded companies from taking a tax deduction for certain compensation paid in excess of \$1,000,000 to the company's CEO and three other most highly compensated executive officers (other than the Chief Financial Officer). However, the statute exempts qualifying performance-based compensation from the deduction limit provided certain requirements are met. The Company's policy is to design its incentive compensation programs to qualify for full corporate deductibility to the extent feasible and consistent with the Company's overall compensation goals and objectives. However, the Committee may exercise its discretion to pay nondeductible compensation if following the requirements of Section 162(m) of the Code would not be in the interests of shareholders.

Stock options granted under an equity compensation plan are performance-based compensation if (a) stockholders approve a maximum aggregate per person limit on the number of shares that may be granted each year, (b) any stock options are granted by a committee consisting solely of outside directors, and (c) the stock options have an exercise price that is not less than the fair value of common stock on the date of grant. In the case of performance-based incentive cash awards, restricted stock, restricted stock units and unrestricted stock issuable upon achievement of performance goals, Section 162(m) requires that the general business criteria of any performance goals that are established by our Compensation Committee be approved and periodically reapproved by stockholders (generally, every five years) in order for such awards to be considered performance-based and deductible by the employer. Generally, the performance goals must be established before the beginning of the relevant performance period. Furthermore, satisfaction of any performance goals during the relevant performance period must be certified by the Compensation Committee. Our shareholder approved 1996 Equity Incentive Plan meets the conditions necessary for deductibility of certain performance-based awards issued under the plan, and our Compensation Committee designed the 2011 incentive compensation program with the intention of satisfying Section 162(m) with respect to stock options, incentive stock awards and incentive cash awards granted to covered employees.

Payments Upon Termination or Change in Control

We do not have employment agreements or other agreements with any of our executive officers that entitle them to payments upon termination or in the event of a change-in-control.

Compensation Policies and Practices as they Relate to Risk Management

Our management has reviewed its compensation policies and practices in conjunction with our Compensation Committee to determine if these policies and practices create risks that are reasonably likely to have a material adverse effect on the Company. The Company's basic compensation structure, as described above, includes base salaries, incentive cash bonuses and, for officers of the Company (including certain non-executive officers), incentive equity compensation that primarily consists of annual performance-based equity awards. In light of this review of the compensation structure and its mix of both fixed and variable compensation, the Company concluded that there are no risks arising from our compensation policies and practices for our employees that are reasonably likely to have a material adverse effect on the Company.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management. Based on this review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement, for the year ended December 31, 2011, for filing with the Securities and Exchange Commission.

- Reflects the aggregate grant date fair value recognized for financial statement reporting purposes in accordance with ASC Topic 718. With respect to stock awards, the grant date fair value is calculated assuming the probable outcome of achievement, which on the grant date was expected to be 100% of the target equity incentive award amount, rather than the value of the actual award earned on the date when issued to the officer. For the assumptions underlying the valuation of these awards see Note 14 to the Consolidated Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2011 filed with the SEC on February 27, 2012.
- Amounts shown in the Non-Equity Incentive Plan Compensation column reflect the incentive cash awards granted at the beginning of each year, earned based on performance during that fiscal year and paid in the following fiscal year. The 2011 awards are described in further detail under the heading Performance-Based Incentive Compensation Incentive Cash Bonus in the Compensation Discussion and Analysis and are also reflected in the table Grants of Plan-Based Awards under the column Estimated Possible Payouts Under Non-Equity Incentive Plan Awards.
- Includes \$ 61,773, \$83,878 and \$43,569 for Kevin P. Reilly, Jr. and \$74,415, \$55,517 and \$13,051 for Sean Reilly for the personal use of Company aircraft in 2011, 2010 and 2009, respectively, as further described below. The amounts included in the All Other Compensation column also include the following perquisites provided to our named executive officers (except as otherwise indicated), which are valued at the Company's incremental cost, none of which individually exceeded \$25,000: (a) personal use of a Company car, (b) Company-paid health insurance premiums and medical reimbursements, and (c) Company-paid premiums for term life insurance for Mr. Kevin P. Reilly, Jr. Executives also have access to a country club at which the Company has a membership, but the executives pay all fees related to such personal use, resulting in no additional incremental cost to the Company.

The Company's incremental cost for personal use of the corporate aircraft is based on the incremental cost to the Company calculated based on the variable costs, related to the number of flight hours used, including fuel costs, landing/ramp fees, trip-related maintenance, crew travel expenses, supplies and catering, aircraft accrual expenses per hour of flight, any customs and foreign permit or similar fees. Our fixed costs that do not change based on usage, such as pilot salaries and the cost of maintenance not related to trips are excluded. The incremental cost to the Company for personal use of a Company car is calculated as a portion of the annual lease, mileage and fuel attributable to the personal use.

- Also includes employer contributions under the Company's deferred compensation plan of \$57,500 for Mr. Kevin Reilly, Jr. and \$50,000 for each of Mr. Sean Reilly and Mr. Keith Istre for 2011.
- The ASC Topic 718 value of the shares actually earned based on achievement of performance goals for fiscal 2011, which awards were certified as earned by the Compensation Committee on February 20, 2011, was \$457,600 for both Mr. Kevin Reilly, Jr. and Mr. Sean Reilly. These shares have not yet been issued pending required regulatory approval.
- The ASC Topic 718 value of the shares actually earned and issued to Mr. Istre based on achievement of performance goals for fiscal 2011, which awards were certified as earned by the Compensation Committee on February 20, 2011, was \$270,400.
- Award was certified as earned by the Compensation Committee and issued on February 21, 2011.
- The ASC Topic 718 value of shares awarded based on the shares actually earned and issued based on achievement of performance goals for fiscal 2009, which awards were certified as earned by the Compensation Committee and issued on February 22, 2010, was \$189,783 for both Mr. Kevin Reilly, Jr. and Mr. Sean Reilly and \$112,145 for Mr. Istre.

PROPOSAL 2: TO APPROVE AN AMENDMENT OF THE COMPANY S

2009 EMPLOYEE STOCK PURCHASE PLAN

We are asking stockholders to approve an amendment of the Company s 2009 Employee Stock Purchase Plan (the Purchase Plan) to increase the number of shares of Class A Common Stock of the Company available for issuance under the plan by two hundred fifty thousand (250,000) shares. We believe the Purchase Plan is essential to our ability to attract and retain highly qualified employees in an extremely competitive environment in which employees view equity incentives as an important component of their compensation. The description below summarizes the material provisions of the Purchase Plan and is qualified entirely by reference to the full text of the Purchase Plan, as amended by our Board of Directors and subject to stockholder approval, which has been filed with the SEC and will be made available upon written request to our principal executive offices at 5321 Corporate Boulevard, Baton Rouge, Louisiana 70808, Attention: Secretary.

Summary of the 2009 Employee Stock Purchase Plan

General

Under the Purchase Plan, eligible employees of the Company may purchase shares of Class A Common Stock at a discount from fair market value. The purpose of the Purchase Plan is to provide employees of the Company who wish to become stockholders of the Company an opportunity to purchase Class A Common Stock of the Company. As of April 2, 2012, approximately 200,000 shares currently remain available for issuance under the Purchase Plan. We believe that continuing to provide the benefits available under the Purchase Plan to our employees will help us attract and retain top quality personnel, motivate them to acquire an equity stake in the Company and provide an incentive for them to achieve long-range performance goals to the extent they retain the shares purchased under the Purchase Plan. Our Board of Directors strongly believes that continuing to offer a program in which our employees can purchase shares of our common stock is an important component of our compensation program. The Purchase Plan is intended to qualify as an employee stock purchase plan under Section 423 of the Internal Revenue Code.

Administration and Eligibility

Currently, six hundred sixty-six thousand eighty-two (666,082) shares of Class A Common Stock (subject to adjustments for stock-splits and similar capital changes) have been reserved for issuance under the Purchase Plan, consisting of (i) five hundred thousand (500,000) shares originally issuable under the Purchase Plan, (ii) eighty-eight thousand one hundred fifty-four (88,154) shares added from the terminated 2000 Employee Stock Purchase Plan, and (iii) seventy-seven thousand nine hundred twenty-eight (77,928) shares added pursuant to the automatic share increase effective January 1, 2012, of which four hundred fifty-five thousand eight hundred seventy-eight (455,878) shares have been issued under the Purchase Plan to date. If the proposed amendment is approved, the maximum number of shares reserved for issuance under the Purchase Plan will be increased to nine hundred sixteen thousand eighty-two (916,082), resulting in a total of four hundred sixty thousand two hundred and four (460,204) shares available for future issuance. The number of shares issuable under the Purchase Plan is also subject to an annual increase equal to the least of (i) 500,000 shares of Class A Common Stock, (ii) one-tenth of one percent of the total number of shares of Class A Common Stock outstanding on the last day of the preceding fiscal year, and (iii) a lesser amount determined by our Board of Directors.

As of April 2, 2012, approximately two thousand six hundred (2,600) employees are eligible to participate under the Purchase Plan. The Purchase Plan is intended to qualify as an employee stock purchase plan within the meaning of Section 423. Rights to purchase Class A Common Stock under the Purchase Plan are granted at the discretion of the Compensation Committee, which determines the

frequency and duration of individual offerings under the Purchase Plan and the dates when stock may be purchased. Offerings may last up to twenty-seven months, or such longer period as may then be consistent with Section 423 of the Code, however the Company currently expects that each offering will last six months. Eligible employees participate voluntarily and may withdraw from any offering at any time before stock is purchased. Participation terminates automatically upon termination of employment, except termination because of disability or death.

The purchase price per share of Class A Common Stock in an offering is determined by the Compensation Committee from time to time; provided that the purchase price per share shall not be less than 85% of the lesser of its fair market value at the beginning of the offering period or on the applicable exercise date. The purchase price may be paid through payroll deductions, lump sum payments, delivery of shares of Class A Common Stock of the Company, or a combination thereof subject to the discretion of the Compensation Committee, but purchases are currently being allowed only through payroll deductions. The Purchase Plan terminates on July 1, 2019.

In accordance with Section 423 of the Code, no employee may participate in an offering under the Purchase Plan if, immediately after the right to acquire shares of Class A Common Stock in the offering is granted, the employee would own 5% or more of the voting stock of the Company (including stock that may be purchased through subscriptions under the Purchase Plan or any other options), nor may an employee buy more than \$25,000 worth of stock (determined by the fair market value of the Class A Common Stock at the time the right to purchase the Class A Common Stock is granted) through the Purchase Plan in any calendar year.

Federal Income Tax Consequences

If the stockholders approve the Purchase Plan, participants will not realize taxable income at the commencement of an offering or at the time shares are purchased under the Purchase Plan. If a participant holds shares purchased under the Purchase Plan for the prescribed statutory holding periods (*i.e.*, until the later of two years from the offering commencement date and one year from the purchase date), then upon sale of the shares, the participant will be treated as having received taxable compensation income of 15% of the fair market value of the stock at the commencement of the offering (or, if less, any amount realized on sale of such shares in excess of the purchase price). No deduction will be allowed to the Company for Federal income tax purposes upon the purchase of shares or, if the participant waits the prescribed period to sell, upon sale. However, if the participant does not wait the prescribed period to sell, he or she will be treated as having received taxable compensation income upon sale equal to the excess of the fair market value of the stock on the date of purchase over the actual purchase price, and the Company will be allowed to deduct that amount. In either case, any difference over or under the participant's tax cost (the purchase price plus the amount of taxable compensation income that the participant recognizes upon sale of the shares) will be treated as capital gain or loss.

If a participant dies during the prescribed holding period while owning shares purchased under the Purchase Plan, 15% of the fair market value of the stock at the commencement of the offering period (or, if less, the fair market value of such shares on the date of death in excess of the purchase price) is taxed to the participant as ordinary income in the year of death, and the Company would not be allowed a deduction for Federal income tax purposes.

New Plan Benefits

Eligible employees may purchase shares of our Class A Common Stock at their discretion, subject to the limitations under Section 423 of the Code described above. Consequently, it is not possible for us to determine the amounts or benefits that our employees will receive under the Purchase Plan at this time.

Required Vote

The affirmative vote of a majority of the total votes properly cast on this proposal will constitute the approval of an amendment of the Purchase Plan to increase the number of shares of Class A Common Stock of the Company available for issuance under the plan by two hundred fifty thousand (250,000) shares. Abstentions and broker non-votes will not be treated as votes cast for the purpose of determining the outcome of the vote on this proposal.

The Board of Directors recommends a vote FOR this Proposal.

PROPOSAL NO. 3: RATIFICATION OF INDEPENDENT**REGISTERED PUBLIC ACCOUNTING FIRM**

The firm of KPMG LLP, an independent registered public accounting firm, has audited our financial statements for each of the years ending December 31, 2011, 2010 and 2009. Our Audit Committee has appointed them to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2012. Representatives of KPMG LLP are expected to attend the annual meeting to respond to appropriate questions. Representatives of KPMG LLP will also have the opportunity to make a statement, if they desire.

Detailed disclosure of the audit and tax fees we paid to KPMG LLP in 2011 and 2010 is set forth below. Based on these disclosures and information in the Audit Committee Report on page 30 of this proxy statement, our Audit Committee is satisfied that our accountants are sufficiently independent of management to perform their duties properly.

Although not legally required to do so, our Board considers it desirable to seek, and recommends, shareholder ratification of our selection of KPMG LLP as our independent registered public accounting firm for fiscal 2012. If the stockholders fail to ratify our selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interest of the Company and its stockholders.

Audit Fees and Services

The fees for services provided by KPMG LLP to the Company in 2011 and 2010 were as follows:

	Fiscal 2011	Fiscal 2010
Audit Fees ⁽¹⁾	\$ 1,114,000	\$ 1,018,000
Audit-Related Fees ⁽²⁾	18,500	102,500
Tax Fees ⁽³⁾	157,483	133,675
All Other Fees		
Total	\$ 1,289,983	\$ 1,254,175

- (1) Audit Fees for the years ended December 31, 2011 and 2010 were for professional services rendered for the audits of our consolidated financial statements and review of financial statements included in our quarterly and annual financial statements and subsidiary audits. Audit Fees for the years ended December 31, 2011 and 2010 also include costs associated with KPMG LLP's audit of our internal control over financial reporting.
- (2) Audit related fees consist of professional services rendered for the audit of our employee benefit plan and the issuance of consents and for assistance with review of documents filed with the SEC.
- (3) Tax Fees as of the years ended December 31, 2011 and 2010, respectively, included tax compliance fees of \$56,898 and \$40,701 and tax planning fees of \$100,585 and \$92,974.

The Audit Committee has adopted policies and procedures that require pre-approval of all audit and permitted non-audit services to be provided by KPMG. All fees in the table above were approved in accordance with the policies and procedures established by the Audit Committee.

Required Vote

The ratification of KPMG LLP as our independent public accounting firm will require a majority of the votes cast by the stockholders entitled to vote on this proposal at the meeting. Abstentions, broker non-votes, and votes withheld will not be treated as votes cast for this purpose and will not affect the outcome of the election.

The Board of Directors recommends a vote FOR the ratification of KPMG.

ADDITIONAL INFORMATION

Other Matters

The Board of Directors is unaware of any business to be conducted at the Annual Meeting of Stockholders other than the matters described in the Notice to Stockholders. If other business is properly presented for consideration at the Annual Meeting, the enclosed proxy authorizes the persons named therein to vote the shares in their discretion on that matter.

Communications From Stockholders

The Board will give appropriate attention to written communications submitted by stockholders, and will respond if and as appropriate. Absent unusual circumstances or as contemplated by committee charters, the Chairman of the Audit Committee will, with the assistance of our General Counsel, (i) be primarily responsible for monitoring communications from stockholders and (ii) provide copies or summaries of such communications to the other directors as he considers appropriate. Communications specifically addressed to a particular director will be forwarded to that director.

Communications will be forwarded to all directors if they relate to substantive matters and include suggestions or comments that the Chairman of the Audit Committee considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to the Board should address such communications to the Chairman of the Audit Committee, c/o General Counsel, Lamar Advertising Company, 5321 Corporate Boulevard, Baton Rouge, Louisiana 70808.

Deadline For Stockholder Proposals and Director Nominations

In order for a stockholder proposal to be considered for inclusion in our proxy materials for the 2013 Annual Meeting of Stockholders, we must receive it no later than December 27, 2012 (120 days before the anniversary of the mailing date of this proxy statement) at the following address: 5321 Corporate Boulevard, Baton Rouge, Louisiana 70808, Attention: Secretary.

In addition, our bylaws require a stockholder who wishes to bring business before an annual meeting or propose director nominations at an annual meeting to give advance written notice to the Secretary as described in the bylaws. To be timely for the 2013 Annual Meeting of Stockholders, proposals must be received by no later than the close of business on March 10, 2013 (assuming that our 2013 annual meeting is held not more than 30 days before or after May 24, 2013, the anniversary date of this year's annual meeting).

Expenses Of Solicitation

We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others of forwarding solicitation material to beneficial owners of common stock. In addition to the use of mails, proxies may be solicited by our officers and any regular employees in person or by telephone. We expect that the costs incurred in the solicitation of proxies will be nominal.

LAMAR ADVERTISING COMPANY

2009 EMPLOYEE STOCK PURCHASE PLAN

(as amended through February 2012)

1. Purpose.

This 2009 Employee Stock Purchase Plan (the Plan) is adopted by Lamar Advertising Company (the Company) to provide Eligible Employees who wish to become shareholders of the Company an opportunity to purchase shares of Class A Common Stock, par value \$.001 per share, of the Company (Common Stock). The Plan is intended to qualify as an employee stock purchase plan under Section 423 of the Internal Revenue Code of 1986, as amended (the Code), and the provisions of the Plan shall be construed so as to extend and limit participation in a manner consistent with the requirements of Section 423; provided that, if and to the extent authorized by the Board, the fact that the Plan does not comply in all respects with the requirements of Section 423 shall not affect the operation of the Plan or the rights of Employees hereunder.

2. Certain Definitions.

As used in this Plan:

- (a) Board means the Board of Directors of the Company, and Committee means the Executive Committee of the Board or such other committee as the Board may appoint from time to time to administer the Plan.
- (b) Coordinator means the officer of the Company or other person charged with day-to-day supervision of the Plan as appointed from time to time by the Board or the Committee.
- (c) Designated Beneficiary means a person designated by an Employee in the manner prescribed by the Committee or the Coordinator to receive certain benefits provided in this Plan in the event of the death of the Employee.
- (d) Eligible Employee with respect to any Offering hereunder means any Employee who, as of the Offering Commencement Date for such Offering:
 - (i) has been a Full-time Employee of the Company or any of its Subsidiaries for not less than twelve months; and
 - (ii) would not, immediately after any right to acquire Shares in such Offering is granted, own stock or rights to purchase stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or of any subsidiary corporation, determined in accordance with Section 423.
- (e) Employee means an employee (as that term is used in Section 423) of the Company or any of its Subsidiaries.

- (f) Fair Market Value of a Share shall mean the fair market value of a share of Common Stock, as determined by the Committee.
- (g) Full-time Employee is an Employee whose customary employment is for more than (i) 20 hours per week and (ii) five months, in the calendar year during which the respective Offering Commencement Date occurs.
- (h) Offering is an offering of Shares pursuant to Section 5 of the Plan.
- (i) Offering Commencement Date means the date on which an Offering under the Plan commences, and Offering Termination Date means the date on which an Offering under the Plan terminates.
- (j) Purchase Date means each date on which the rights granted under the Plan may be exercised for the purchase of Shares.
- (k) Section 423 and subdivisions thereof refer to Section 423 of the Code or any successor provision(s).
- (l) Shares means shares of Common Stock.
- (m) Subsidiary means a subsidiary corporation, as defined in Section 424 of the Code, of the Company the Employees of which are designated by the Board of Directors or the Committee as eligible to participate in the Plan.

3. Administration of the Plan.

The Committee shall administer, interpret and apply all provisions of the Plan as it deems necessary or appropriate, subject, however, at all times to the final jurisdiction of the Board of Directors. The Board may in any instance perform any of the functions of the Committee hereunder. The Committee may delegate administrative responsibilities to the Coordinator, who shall, for matters involving the Plan, be an ex officio member of the Committee. Determinations made by the Committee and approved by the Board of Directors with respect to any provision of the Plan or matter arising in connection therewith shall be final, conclusive and binding upon the Company and upon all participants, their heirs or legal representatives.

4. Shares Subject to the Plan.

The maximum aggregate number of Shares that may be purchased upon exercise of rights granted under the Plan shall be 750,000 plus (a) all Shares, if any, that remain available for purchase under the 2000 Employee Stock Purchase Plan upon its termination on June 30, 2009 and (b) an annual increase to be added on the first day of each fiscal year of the Company beginning with the 2010 fiscal year equal to the least of (i) 500,000 Shares, (ii) one-tenth of one percent of the total number of Shares outstanding on the last day of the preceding fiscal year, and (iii) a lesser amount determined by the Board. Appropriate adjustments in such amount, the number of Shares covered by outstanding rights granted hereunder, the securities that may be purchased hereunder, the Exercise Price, and the maximum number of Shares or other securities that an employee may purchase (pursuant to Section 8 below) shall be made to give effect to any

mergers, consolidations, reorganizations, recapitalizations, stock splits, stock dividends or other relevant changes in the capitalization of the Company occurring after the effective date of the Plan; provided that any fractional Share otherwise issuable hereunder as a result of such an adjustment shall be adjusted downward to the nearest full Share. Any agreement of merger or consolidation involving the Company will include appropriate provisions for protection of the then existing rights of participating employees under the Plan. Either authorized and unissued Shares or treasury Shares may be purchased under the Plan. The Committee may impose restrictions on transfer on Shares purchased under the Plan. If for any reason any right under the Plan terminates in whole or in part, Shares subject to such terminated right may again be subjected to a right under the Plan.

5. Offerings: Participation.

(a) From time to time, the Company, by action of the Committee, will grant rights to purchase Shares to Eligible Employees pursuant to one or more Offerings, each having an Offering Commencement Date, an Offering Termination Date, and one or more Purchase Dates as designated by the Committee. No Offering may last longer than twenty-seven (27) months or such longer period as may then be consistent with Section 423. The Committee may limit the number of Shares issuable in any Offering, either before or during such Offering.

(b) Participation in each Offering shall be limited to Eligible Employees who elect to participate in such Offering in the manner, and within the time limitations, established by the Committee. No person otherwise eligible to participate in any Offering under the Plan shall be entitled to participate if he or she has elected not to participate. Any such election not to participate may be revoked only with the consent of the Committee.

(c) An Employee who has elected to participate in an Offering may make such changes in the level of payroll deductions as the Committee may permit from time to time, or may withdraw from such Offering, by giving written notice to the Company before any Purchase Date. No Employee who has withdrawn from participating in an Offering may resume participation in the same Offering, but he or she may participate in any subsequent Offering if otherwise eligible.

(d) Upon termination of a participating Employee's employment for any reason, including retirement but excluding death or disability (as defined in Section 22(e)(3) of the Code) while in the employ of the Company or a Subsidiary, such Employee will be deemed to have withdrawn from participation in all pending Offerings to the extent administratively feasible.

(e) Upon termination of a participating Employee's employment because of disability or death, the Employee or his or her Designated Beneficiary, if any, as the case may be, shall have the right to elect, with respect to each Offering in which the Employee was then participating, by written notice given to the Coordinator within 30 days after the date of termination of employment (but not later than the next applicable Purchase Date for each Offering), either (i) to withdraw from such Offering or (ii) to exercise the Employee's right to purchase Shares on the next Purchase Date of such Offering to the extent of the accumulated payroll deductions in the Employee's account at the date of termination of employment. If no

such election with respect to any Offering is made within such period, the Employee shall be deemed to have withdrawn from such Offering on the date of termination of employment. The foregoing election is not available to any person, such as a legal representative, as such, other than the Employee or a Designated Beneficiary.

6. Exercise Price.

The rights granted under the Plan shall be exercised and Shares shall be purchased at a price per Share (the Exercise Price) determined by the Committee from time to time; provided that the Exercise Price shall not be less than eighty-five percent (85%) of the Fair Market Value of a Share on (a) the respective Offering Commencement Date or (b) the respective Purchase Date, whichever is lower.

7. Exercise of Rights; Method of Payment.

(a) Participating Employees may pay for Shares purchased upon exercise of rights granted hereunder solely through regular payroll deductions. No interest shall be paid upon payroll deductions (whether or not used to purchase Shares) unless specifically provided for by the Committee. All payroll deductions received or held by the Company under this Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such amounts.

(b) Subject to any applicable limitation on purchases under the Plan, and unless the Employee has previously withdrawn from the respective Offering, rights granted to a participating Employee under the Plan will be exercised automatically on the Purchase Date of the respective Offering coinciding with the Offering Termination Date, and the Committee may provide that such rights may at the election of the Employee be exercised on one or more other Purchase Dates designated by the Committee within the period of the Offering, for the purchase of the number of Shares that may be purchased at the applicable Exercise Price with the accumulated payroll deductions as of the respective Purchase Date. Fractional Shares will be issued under the Plan, unless the Committee determines otherwise. If fractional Shares are not issued, any amount that would otherwise have been applied to the purchase of a fractional Share shall be retained and applied to the purchase of Shares in the following Offering unless the respective Employee elects otherwise. The Company will deliver to each participating Employee or to an account of the participating Employee designated by the Committee evidence of ownership of the shares of Common Stock purchased within a reasonable time after the Purchase Date in such form as the Committee determines will give the participating Employee full ownership of and rights to transfer the Shares. The Committee may require that the participating Employee hold such Shares in an account of the participating Employee designated by the Committee.

(c) Any amounts withheld from the Employee's compensation that are not used for the purchase of Shares, whether because of such Employee's withdrawal from participation in an Offering (voluntarily, upon termination of employment, or otherwise) or for any other reason, except as provided in Section 7(b), shall be repaid to the Employee or his or her Designated Beneficiary or legal representative, as applicable, within a reasonable time thereafter.

(d) The Company's obligation to offer, sell and deliver Shares under the Plan at any time is subject to (i) the approval of any governmental authority required in connection with the authorized issuance or sale of such Shares, (ii) satisfaction of the listing requirements of any national securities exchange or securities market on which the Common Stock is then listed, and (iii) compliance, in the opinion of the Company's counsel, with all applicable federal and state securities and other laws.

8. Limitations on Purchase Rights.

(a) Any provision of the Plan or any other employee stock purchase plan of the Company or any subsidiary (collectively, "Other Plans") to the contrary notwithstanding, no Employee shall be granted the right to purchase Common Stock (or other stock of the Company and any subsidiary) under the Plan and all Other Plans at a rate that exceeds an aggregate of \$25,000 (or such other maximum as may be prescribed from time to time by Section 423) in Fair Market Value of such stock (determined at the time the rights are granted) for each calendar year in which any such right is outstanding.

(b) An Employee's participation in any one or a combination of Offerings under the Plan shall not exceed such additional limits as the Committee may from time to time impose.

9. Tax Withholding.

Each participating Employee shall pay to the Company or the applicable Subsidiary, or make provision satisfactory to the Committee for payment of, any taxes required by law to be withheld in respect of the purchase or disposition of Shares no later than the date of the event creating the tax liability. In the Committee's discretion and subject to applicable law, such tax obligations may be paid in whole or in part by delivery of Shares to the Company, including Shares purchased under the Plan, valued at Fair Market Value on the date of delivery. The Company or the applicable Subsidiary may, to the extent permitted by law, deduct any such tax obligations from any payment of any kind otherwise due to the Employee or withhold Shares purchased hereunder, which shall be valued at Fair Market Value on the date of withholding.

10. Participants' Rights as Shareholders and Employees.

- (a) No participating Employee shall have any rights as a shareholder in the Shares covered by a right granted hereunder until such right has been exercised, full payment has been made for such Shares, and the Share certificate is actually issued.
- (b) Neither the adoption, maintenance, nor operation of the Plan nor any grant of rights hereunder shall entitle any Employee to continued employment or other service with the Company or any Subsidiary or restrict the right of any of such entities to terminate such employment or service or otherwise change the terms of such employment or service at any time or for any reason.

11. Rights Not Transferable.

Rights under the Plan are not assignable or transferable by a participating Employee other than by will or the laws of descent and distribution and, during the Employee's lifetime, are exercisable only by the Employee. The Company may treat any attempted *inter vivos* assignment as an election to withdraw from all pending Offerings.

12. Amendments to or Termination of the Plan.

The Board shall have the right to amend, modify or terminate the Plan at any time without notice, subject to any stockholder approval that the Board determines to be necessary or advisable; provided that the rights of Employees hereunder with respect to any ongoing or completed Offering shall not be adversely affected.

13. Governing Law.

Subject to overriding federal law, the Plan shall be governed by and interpreted consistently with the laws of Delaware.

14. Effective Date and Term.

This Plan will become effective on July 1, 2009. No rights shall be granted under the Plan after July 1, 2019.

As approved by the Board of Directors on February 19, 2009

As approved by the Company's Stockholders at a meeting held on May 28, 2009

As amended by the Board of Directors on February 22, 2012 (subject to Stockholder approval)
