**Item 1.01. Entry into a Material Definitive Agreement.**

Accretive Health, Inc. (the Company) and Ascension Health (Ascension) are in the process of finalizing the terms for an expected five year renewal of the Amended and Restated Master Services Agreement between the Company and Ascension, dated as of December 13, 2007 (the Agreement). On June 28, 2012, the Company and Ascension amended the Agreement to shorten the 180 day notice period referenced in Section 27.04 of the Agreement to 154 days. In connection with the anticipated conclusion of those discussions, the Company and Ascension, on July 30, 2012, amended the Agreement to shorten the notice period to 147 days (permitting any such notice to be delivered on or before August 6, 2012). The Company anticipates that this amendment will provide sufficient time to finalize the renewal of the Agreement.

As set forth in the definitive proxy statement for the Company's 2012 Annual Meeting of Stockholders, Ascension beneficially owned approximately 7% of the Company's common stock outstanding as of March 20, 2012.

**Safe Harbor Statement**

The above statements regarding renewal of the Agreement are forward-looking statements and involve risks and uncertainties. These forward-looking statements are based on our current assumptions and expectations. Although we believe that our assumptions and expectations are reasonable, these assumptions and expectations may prove to be incorrect and may not be realized as a result of various risks and uncertainties, including those set forth in our Quarterly Report on Form 10-Q filed with the SEC on May 9, 2012, under the heading Risk Factors. If one or more of these risks and uncertainties materialize, or if our underlying assumptions or expectations prove incorrect, the Agreement may not be renewed as anticipated. Our failure to renew the Agreement would have a material adverse effect on our business, results of operations and financial condition. All forward-looking statements included in this report are expressly qualified in their entirety by the foregoing cautionary statements. We assume no, and we specifically disclaim any, obligation to update, amend or clarify these forward-looking statements to reflect changes in factors or assumptions affecting such forward-looking statements after the date hereof. We advise you, however, to consult any further disclosures we make on this subject in our periodic reports that we file with or furnish to the U.S. Securities and Exchange Commission.
