The underwriters have agreed to pay certain of our expenses incurred in connection with the offering of the Notes.

USE OF PROCEEDS

We estimate that the net proceeds (after underwriting discounts and commissions and estimated net offering expenses) from the sale of the Notes will be approximately US\$1,491.6 million. We plan to use approximately US\$1,141.6 million of the net proceeds from the sale of the Notes for general corporate purposes and approximately US\$350.0 million to retire amounts outstanding under the credit facility dated July 14, 2011, of which US\$200.0 million is owed and will be repaid to Australia and New Zealand Banking Group Limited, one of the underwriters of this offering. The effective interest rate of the debt to be retired (including bank charges) is 1.87% and such debt is scheduled to mature in July 2013.
