Item 1.01 Entry Into a Material Definitive Agreement

Underwritten Public Offering of Common Units

On December 4, 2012, Atlas Pipeline Partners, L.P. (the Partnership) entered into an underwriting agreement (the Underwriting Agreement) with Wells Fargo Securities, LLC, Deutsche Bank Securities Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, Barclays Capital Inc., Citigroup Global Markets Inc., Goldman, Sachs & Co., J.P. Morgan Securities LLC, Morgan Stanley & Co. LLC and RBC Capital Markets, LLC, as representatives of the several underwriters named therein (collectively, the Underwriters), to issue and sell up to 11,212,500 common units representing limited partner interests of the Partnership (the Units), including up to 1,462,500 Units to cover the Underwriters' option, at a public offering price of \$31.00 per unit in an underwritten public offering (the Equity Offering). Assuming no exercise of the Underwriters' option, the net proceeds of the Equity Offering, including the Partnership's general partner's proportionate capital contribution, and after underwriting discounts and estimated expenses, will be approximately \$296.2 million.

The Underwriting Agreement contains customary representations, warranties and covenants among the parties as of the date of entering into the Underwriting Agreement; these representations, warranties and covenants are not factual information to investors about the Partnership. The Underwriting Agreement is filed as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference. The description of the material terms of the Underwriting Agreement is qualified in its entirety by reference to such exhibit.

The Units were registered under the Securities Act of 1933, as amended (the Securities Act), pursuant to a shelf registration statement on Form S-3ASR (Registration No. 333-170735) automatically effective on November 19, 2010 (the Registration Statement). The Equity Offering is being made under the prospectus supplement dated December 4, 2012 (Prospectus Supplement), and the accompanying prospectus dated November 19, 2010, constituting a part of the Registration Statement.

Private Placement of Senior Notes due 2020

On December 6, 2012, Atlas Pipeline Escrow, LLC (the Escrow Issuer), a newly-formed wholly-owned subsidiary of the Partnership, entered into a purchase agreement with the initial purchasers named therein (the Purchase Agreement) for the private issuance under Rule 144A and Regulation S of the Securities Act of \$175 million of 6 5/8% Senior Notes due 2020 (the Notes). Closing of the offering is expected on or about December 20, 2012, and, upon issuance, the Notes will not have been registered under the Securities Act, and may not be offered or sold in the United States absent registration or an exemption from the registration requirements of the Securities Act.

The net proceeds of this offering, together with cash in an amount sufficient to fund the special mandatory redemption payment (described below), when and if due, will be deposited into a segregated escrow account on the closing date and will be held as collateral security for the Escrow Issuer's obligations in respect of the Notes during the escrow period.

If (1) the Partnership's previously-announced acquisition of substantially all of the assets of Cardinal Midstream LLC (the Acquisition) is not completed on or before February 15, 2013, or (2) the Acquisition agreement is terminated or the Partnership determines that the Acquisition will not otherwise be pursued, then the Escrow Issuer will be required to redeem the Notes at 100% of the issue price of the Notes, plus accrued and unpaid interest from September 28, 2012 up to, but excluding, the redemption date (the special mandatory redemption payment). At the time of the closing of the Acquisition, (1) the Partnership and its wholly-owned subsidiary, Atlas Pipeline Finance Corporation (Finance Co.), will assume all of Escrow Issuer's obligations under the Notes and the related indenture through a merger, liquidation, sale of assets or otherwise, such that the Partnership and Finance Co. will become the direct obligors of the Notes and (2) the offering proceeds and deposit of cash to fund the special mandatory redemption payment will be released to the Partnership.

In the event the Acquisition closes concurrently with the settlement of the Notes, the Notes will be issued by the Partnership and Finance Co. rather than the Escrow Issuer. In such case, the proceeds of the Notes will be used at closing to finance the Acquisition and not be placed in escrow or otherwise be held as collateral for the Notes, and the Notes will not be subject to any special mandatory redemption payment. In addition, in such event, the Notes will be issued under the indenture governing the Partnership and Finance Co.'s existing 6 5/8% Senior Notes due 2020 as additional notes thereunder, with all such notes treated as a single series of notes and voting as a single class for all matters submitted to a vote of noteholders under the indenture.

The Purchase Agreement contains customary representations, warranties and covenants among the parties as of the date of entering into such Purchase Agreement; these representations, warranties and covenants are not factual information to investors about the Partnership. The Purchase Agreement is filed as Exhibit 1.2 to this Current Report on Form 8-K and is incorporated herein by reference. The description of the material terms of the Purchase Agreement is qualified in its entirety by reference to such exhibit.

Item 1.02 Termination of a Material Definitive Agreement

Edgar Filing: ATLAS PIPELINE PARTNERS LP - Form 8-K

Pursuant to the terms of the previously-disclosed Class D Preferred Unit Purchase Agreement dated November 30, 2012 by and among the Partnership and the purchasers named therein (the "Class D Purchase Agreement"), on December 10, 2012, upon the completion of the Equity Offering, the Class D Purchase Agreement terminated. Accordingly, the Partnership will not issue or sell any Class D preferred units under the Class D Purchase Agreement.

Item 8.01 Other Events

On December 5, 2012, the Partnership filed with the Securities and Exchange Commission the Prospectus Supplement to the base prospectus contained in the Partnership's Registration Statement with respect to the Equity Offering. Exhibits 1.1, 5.1, 8.1, 23.1 and 23.2 attached to this Current Report on Form 8-K are incorporated by reference in their entirety into the Prospectus Supplement and Registration Statement.
