PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON MAY 17, 2013

This proxy statement is being furnished in connection with the solicitation of proxies by the Board of Directors (which we sometimes refer to as the Board in this proxy statement) of The Chefs Warehouse, Inc. (the Company) for use at the Annual Meeting of Stockholders (the Annual Meeting) to be held on Friday, May 17, 2013 at 10:00 a.m. eastern daylight time at The Ridgefield Playhouse, 80 East Ridge Street, Ridgefield, Connecticut 06877 and simultaneously on the Internet through a virtual web conference at www.virtualshareholdermeeting.com/chef13, and any adjournments or postponements of the Annual Meeting. The Board is soliciting proxies for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. We will bear the cost of soliciting the proxies.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to be Held on May 17, 2013:

As outlined in the notice we mailed to you on or about April 3, 2013 (the Notice of Proxy Availability), the proxy statement, proxy card and Annual Report to Stockholders for the fiscal year ended December 28, 2012 are available on the Internet at www.proxyvote.com.

INFORMATION ABOUT THE MEETING

Record Date and Share Ownership

Only stockholders of record on our books at the close of business on Monday, March 18, 2013 (the Record Date) will be entitled to vote at the Annual Meeting and any adjournments or postponements of the Annual Meeting. As of the close of business on the Record Date, we had 21,167,064 shares of common stock outstanding and eligible to vote on each matter brought before the Annual Meeting. Each share of common stock entitles the record holder to one vote on each matter to be voted upon at the Annual Meeting. Copies of the Notice of Annual Meeting of Stockholders, this proxy statement, the proxy card and our Annual Report to Stockholders for the fiscal year ended December 28, 2012 are being made available to stockholders of record on or about April 3, 2013. We are making these materials available to you on the Internet or, upon your request, by delivering printed versions of these materials to you without charge by mail. On or about April 3, 2013, we mailed to all stockholders of record as of the Record Date the Notice of Proxy Availability, which contains instructions on how to access these materials and vote their shares of our common stock.

We will, upon written request of any stockholder, furnish without charge a copy of our Annual Report on Form 10-K for the fiscal year ended December 28, 2012, as filed with the Securities and Exchange Commission (the SEC), without exhibits. Please address all such requests to the attention of Alexandros Aldous, General Counsel and Corporate Secretary, The Chefs Warehouse, Inc., 100 East Ridge Road, Ridgefield, Connecticut 06877. Exhibits will be provided upon written request to Mr. Aldous and payment of an appropriate processing fee.

Submitting and Revoking Your Proxy

Edgar Filing: Chefs' Warehouse, Inc. - Form DEF 14A

If you complete and submit a proxy, the persons named as proxies will vote the shares represented by your proxy in accordance with your instructions. If you submit a proxy but do not complete the voting instructions, the persons named as proxies will vote the shares represented by your proxy as follows:

FOR the election of Dominick Cerbone, John A. Couri, Joseph M. Cugine, Alan C. Guarino, Stephen Hanson, Christopher Pappas and John Pappas as directors to hold office until the next annual meeting of stockholders and until their respective successors are elected and qualified (Proposal 1);

Table of Contents

FOR the ratification of the selection of BDO USA, LLP as our independent registered public accounting firm for fiscal 2013 (Proposal 2); and

FOR the non-binding, advisory vote on the compensation of the Company's named executive officers as disclosed in this proxy statement (Proposal 3).

If other matters come before the Annual Meeting, the persons named as proxies will vote on such matters in accordance with their best judgment. We have not received notice of other matters that may properly be presented at the Annual Meeting.

You may revoke or revise your proxy at any time before it is exercised by (1) delivering to us a signed proxy card with a date later than your previously delivered proxy, (2) voting in person or via the Internet while attending the virtual Annual Meeting, (3) granting a subsequent proxy through the Internet or telephone, or (4) sending a written revocation to our corporate secretary at 100 East Ridge Road, Ridgefield, Connecticut 06877. Attendance at the Annual Meeting, whether in person or through the Internet, will not itself be deemed to revoke your proxy unless you vote in person or via the Internet while attending the Annual Meeting. If you attend the Annual Meeting in person and want to vote in person, you can request that your previously submitted proxy not be used. If your shares are held through a broker, bank or other institution in street name, you will need to obtain a proxy form from the institution that holds your shares. Your most current proxy card or telephone or Internet proxy is the one that is counted.

If you hold shares of common stock in a stock brokerage account or through a bank or other nominee, you are considered to be the beneficial owner of shares held in street name and these proxy materials are being made available to you by your broker, bank or nominee. You may not vote directly any shares held in street name; however, as the beneficial owner of the shares, you have the right to direct your broker, bank or nominee on how to vote your shares. If you do not provide your broker, bank or nominee instructions on how to vote your shares on non-discretionary items, a broker non-vote will occur. Proposal 1 (election of seven nominees as directors) and Proposal 3 (non-binding, advisory vote on executive compensation) are non-discretionary items for which your broker, bank or nominee will not be able to vote your shares without your instructions. Proposal 2 (ratification of the selection of BDO USA, LLP) is a discretionary item, and your broker, bank or nominee may vote your shares in their discretion in the event that they do not receive voting instructions from you. Accordingly, it is possible for there to be broker non-votes for Proposals 1 and 3, but not for Proposal 2. In the case of a broker non-vote, your shares would be included in the number of shares considered present at the meeting for the purpose of determining whether there is a quorum. A broker non-vote, being shares not entitled to vote, would not have any effect on the outcome of the vote on Proposals 1 or 3.

In addition to solicitations by mail and the Internet, our directors, officers and employees may, without additional remuneration, solicit proxies by telephone, facsimile and personal interviews. We will request brokerage houses, banks and nominees to forward copies of the proxy materials to those persons for whom they hold shares and request instructions for voting the proxies. We will reimburse such brokerage houses, banks and other nominees for their reasonable expenses in connection with this distribution.

How to Vote

For Proposal 1 (election of seven nominees as directors), you may vote **FOR** each of the nominees to the Board, or you may **WITHHOLD AUTHORITY**. A properly executed proxy marked **WITHHOLD AUTHORITY** with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. For Proposal 2 (ratification of the selection of BDO USA, LLP) and Proposal 3 (non-binding, advisory vote on executive compensation), you may vote **FOR** or **AGAINST** each proposal or abstain from voting on the proposal.

Table of Contents

Stockholders of Record: If you are a stockholder of record on the Record Date, there are four ways to vote:

by voting in person at the Annual Meeting;

by completing, signing, dating and returning your proxy card by mail, if you request a paper copy of the proxy materials;

by making a toll-free telephone call within the United States or Canada using a touch-tone telephone to the toll-free number provided on your proxy card; or

by voting on the Internet. To vote on the Internet, go to the website address indicated on your Notice of Proxy Availability to complete an electronic proxy card. You will be asked to provide the control number from the Notice of Proxy Availability. You may also vote on the Internet while attending the Annual Meeting virtually through the Internet at www.virtualshareholdermeeting.com/chef13.

If you plan to vote by telephone or Internet in advance of the Annual Meeting, your vote must be received by 11:59 p.m., eastern daylight time, on May 16, 2013 to be counted. Internet voting during the Annual Meeting is also permissible through the virtual web meeting hosted at www.virtualshareholdermeeting.com/chef13.

Street Name Holders: If you hold your shares in street name, the Notice of Proxy Availability was forwarded to you by your brokerage firm, bank or other nominee and you should follow the voting instructions provided by your broker, bank or nominee. You may complete and return a voting instruction card to your broker, bank or nominee. Please check your Notice of Proxy Availability for more information. If you hold your shares in street name and wish to vote at the Annual Meeting, you must have your 12-digit control number from your Notice of Proxy Availability.

We provide Internet proxy voting to allow you to vote your shares online both before and during the Annual Meeting, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

Quorum

Presence by attendance at the Annual Meeting or by proxy of a majority of the shares of common stock outstanding at the close of business on the Record Date and entitled to vote at the Annual Meeting will be required for a quorum. Shares of common stock present by attendance at the Annual Meeting or represented by proxy (including shares that abstain or do not vote with respect to one or more of the matters presented for stockholder approval and broker non-votes) will be counted for purposes of determining whether a quorum exists at the Annual Meeting.

Votes Required

Proposal 1 (election of seven nominees as directors) is an uncontested director election. Our Bylaws require that each nominee be elected by a plurality of votes cast at any meeting for the election of directors at which a quorum is present. Broker non-votes will have no effect on Proposal 1 because they are not considered votes cast.

With respect to Proposal 2 (ratification of the selection of BDO USA, LLP) and Proposal 3 (non-binding, advisory vote on executive compensation), the affirmative vote of a majority of the shares represented at the meeting and entitled to vote on the proposal is necessary for approval. Abstentions will be equivalent to a vote against Proposals 2 and 3. Broker non-votes will have no effect on the results of Proposal 3 because they are not considered votes cast. However, regarding Proposal 2, the ratification of the appointment of our independent registered public accounting firm is considered a routine item and brokerage firms may vote in their discretion on this matter on behalf of clients who have not furnished voting instructions before the date of the Annual Meeting.

Householding

The SEC has adopted a rule concerning the delivery of annual reports and proxy statements. It permits us, with your permission, to send a single Notice of Proxy Availability and, to the extent requested, a single set of these proxy materials to any household at which two or more stockholders reside if we believe they are members of the same family. This rule is called "householding" and its purpose is to help reduce printing and mailing costs of proxy materials. To date, the Company has not instituted this procedure, but may do so in the future.

A number of brokerage firms have instituted householding. If you and members of your household have multiple accounts holding shares of the Company's common stock, you may have received a householding notification from your broker. Please contact your broker directly if you have questions, require additional copies of this proxy statement, the 2012 Annual Report or other proxy materials or wish to revoke your decision to household. These options are available to you at any time.

CORPORATE GOVERNANCE

Summary

We are committed to maintaining strong corporate governance practices and principles. The Board actively monitors developments relating to the corporate governance of public corporations, and the Board has consulted with our legal counsel and independent registered public accounting firm to evaluate our current corporate governance and other practices in light of these developments. We believe our policies and practices reflect corporate governance best practices and compliance with the requirements of the Sarbanes-Oxley Act of 2002, SEC rules and regulations and the Listing Rules of the NASDAQ Stock Market ([NASDAQ](#)). For example:

The Board has adopted our Corporate Governance Guidelines, which were most recently revised in March 2013 and which outline the roles and responsibilities of the Board and its committees and establish policies regarding governance matters such as Board meetings and communications, performance evaluations of the Board and our chief executive officer, director stock ownership guidelines, and director orientation and continuing education;

A majority of the members of the Board are independent directors within the NASDAQ Listing Rules definition, and the Board makes an affirmative determination regarding the independence of each director annually;

All members of the Board's standing committees the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee are independent directors within the NASDAQ Listing Rules definition;

The independent members of the Board meet regularly without the presence of management;

We have designated an independent director to serve as our Lead Director to coordinate the activities of the other independent members of the Board;

We have a Code of Business Conduct and Ethics that applies to our principal executive officer and all members of our finance department, including our principal financial officer and principal accounting officer;

The charters of the Board's committees clearly establish their respective roles and responsibilities; and

The Audit Committee has procedures in place for the anonymous submission of employee complaints on accounting, internal controls or auditing matters.

In addition, our Corporate Governance Guidelines limit the directors serving on our Audit Committee from serving on more than three public company audit committees without the Board's determination that such simultaneous service would not impair the ability of such member to effectively serve on the Company's Audit Committee. Directors must notify the chairman of the Nominating and Corporate Governance Committee in advance of accepting an invitation to serve on another corporate board. Directors are also required to notify the Board when their principal occupation or business association changes, at which point the Board will evaluate the propriety of continued Board service.

We maintain a corporate governance page on our website that includes key information about our corporate governance initiatives. The corporate governance page can be found at www.chefswarehouse.com, by clicking on Investors, then clicking on Corporate Governance. Copies of our Corporate Governance Guidelines, our Code of Business Conduct and Ethics and the charters for each of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee can be found on the corporate governance page of our website. Information contained on our website is not incorporated by reference into this proxy statement or considered to be part of this document.

Table of Contents

Director Independence

Our Corporate Governance Guidelines require a majority of the members of the Board to be independent directors as such term is defined in the NASDAQ Listing Rules. The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has determined that five of its seven members are independent. Our five independent directors are Dominick Cerbone, John A. Couri, Joseph M. Cugine, Alan C. Guarino and Stephen Hanson. Christopher Pappas and John Pappas are our employees; therefore, Messrs. C. Pappas and J. Pappas are not independent directors. In making this independence determination, the Board considered our transactions with a New York City-based multi-concept restaurant operator holding company, of which Mr. Hanson is the president and a 50% owner, and the Board determined that Mr. Hanson still qualifies as an independent director as such term is defined in the NASDAQ Listing Rules. For more information regarding our transactions with this holding company in fiscal 2012, see the information under the caption "CORPORATE GOVERNANCE - Certain Relationships and Related Transactions - Transactions with Related Persons - Transactions with Directors" on page 10 of this proxy statement.

Our Corporate Governance Guidelines and the charter for each of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee requires all members of these committees to be independent within the meaning of the SEC's rules and regulations and the NASDAQ Listing Rules. The charter of the Audit Committee also requires each of its members to meet the definition of independence under Section 10A of the Securities Exchange Act of 1934, as amended (the Exchange Act), and the SEC's rules thereunder. The charter of the Compensation Committee requires each of its members to be a non-employee director within the meaning of Rule 16b-3 under the Exchange Act and an outside director within the meaning of Section 162(m) of the Internal Revenue Code, as amended (the Code). The charter of the Compensation Committee also requires that, beginning on the earlier of the Company's first annual meeting of stockholders after January 14, 2014, or October 31, 2014, its members must not accept directly or indirectly any consulting, advisory or other compensatory fee from the Company or any subsidiary thereof (except (x) fees paid for service on the Board or any committee thereof and (y) fixed amounts of compensation received under a retirement plan (including deferred compensation) for prior service with the Company, provided that such compensation is not contingent in any way on continued service). Also pursuant to the charter of the Compensation Committee, in determining whether a director is eligible to serve on the Compensation Committee, the Board, beginning on the earlier of the Company's first annual meeting of stockholders after January 14, 2014, or October 31, 2014, must consider whether the director is affiliated with the Company, a subsidiary of the Company or an affiliate of a subsidiary of the Company to determine whether such affiliation would impair the director's judgment as a member of the Committee.

Lead Director

The Board has created the position of Lead Director. Mr. John A. Couri, chairman of the Nominating and Corporate Governance Committee, currently serves as the Lead Director. In accordance with our Corporate Governance Guidelines, the Lead Director must be independent within the meaning of the SEC's rules and regulations and the NASDAQ Listing Rules. The Lead Director is responsible for coordinating the activities of the other independent directors and for performing such other duties and responsibilities as the Board may determine from time to time, including the following:

Serving as a liaison between Christopher Pappas, our chief executive officer and chairman of the Board, and the independent directors of the Board;

Advising the chairman of the Board as to an appropriate schedule of and agenda for the Board's meetings and ensuring the Board's input into the agenda for the Board's meetings;

Advising the chief executive officer as to the quality, quantity and timeliness of the information submitted by the Company's management that is necessary or appropriate for the independent directors to effectively and responsibly perform their duties;

Certain Relationships and Related Transactions

Review and Approval of Related Person Transactions

The Board recognizes that transactions or relationships with us and our subsidiaries and our directors, director nominees, executive officers and greater than 5% beneficial owners of our common stock, and the immediate family members of each of the foregoing, may involve potential conflicts of interest. As a result, the Board adopted a written Related Party Transaction Policy (the "Policy") requiring the prior approval of the Audit Committee before a related party may enter into a transaction or relationship in which we or a subsidiary of ours is a participant and the related party would have a direct or indirect interest, unless such transaction involves less than \$120,000. Under the Policy, any proposed related party transactions are reviewed at the regularly scheduled meetings of the Audit Committee. Additionally, ongoing relationships are periodically reviewed and assessed to determine whether, based on all relevant facts, information and circumstances (including our and our subsidiaries' contractual obligations), the related party transaction remains appropriate or should otherwise be modified or terminated. Any member of the Audit Committee who is a related party with respect to a transaction under review will not be able to vote on the approval or ratification of the transaction; however, the director shall provide all material information and may, if so requested by the chairman of the Audit Committee, participate in some or all of the Audit Committee's discussions concerning the related party transaction. We require that any related party transaction must be on terms no less favorable to us than could be obtained from unaffiliated third parties. As required under SEC regulations, those transactions or series of similar transactions to which we or a subsidiary of ours is or will be a participant in which the amount involved exceeded or will exceed \$120,000 and in which any related person had or will have a direct or indirect material interest is disclosed in this proxy statement if required to so be disclosed by SEC regulations.

Other than the transactions described below and the arrangements described under *EXECUTIVE COMPENSATION Compensation Discussion and Analysis*, since December 30, 2011, there has not been, and there is not currently proposed, any transaction or series of similar transactions required to be disclosed by SEC regulations to which we or any of our subsidiaries were or will be a participant in which the amount involved exceeded or will exceed \$120,000 and in which any related person had or will have a direct or indirect material interest.

Transactions with Related Persons

Warehouse and Office Leases

We lease two warehouse and office facilities from two entities that are wholly-owned by two of our directors and one of their family members (as such term is defined in the NASDAQ Listing Rules), who is also a former member of our Board, pursuant to long-term operating lease agreements. Our subsidiary, Dairyland USA Corporation, subleases a warehouse and office facility in the Bronx, New York from The Chefs Warehouse Leasing Co., LLC, a New York limited liability company that is wholly-owned equally by Christopher Pappas, John Pappas and Dean Facatselis, a family member of each of Christopher Pappas and John Pappas and a former member of our Board. The Chefs Warehouse Leasing Co., LLC leases the facility from the New York City Industrial Development Agency and subleases the facility to Dairyland USA Corporation. The annual base rent under the sublease agreement equals the amount of rent payable by The Chefs Warehouse Leasing Co., LLC to the New York City Industrial Development Agency plus an amount necessary to allow The Chefs Warehouse Leasing Co., LLC to service the indebtedness it incurred to finance the completion of the facility. The annual base rent under the sublease was initially \$950,000, which has been subject to cumulative annual increases of 3.5%. Dairyland USA Corporation paid The Chefs Warehouse Leasing Co., LLC \$1,208,665 under the terms of the sublease arrangement in fiscal 2012. The aggregate amount of all periodic payments under the sublease agreement due on or after the beginning of fiscal year 2013 through December 31, 2014 is approximately \$2,545,721, plus annual taxes and operating expenses.

Table of Contents

From January 1, 2015 through June 29, 2030, the aggregate amount of all periodic payments due under the sublease agreement is approximately \$9.3 million. In connection with this sublease arrangement, Dairyland USA Corporation and two of our other subsidiaries are required to act as conditional guarantors of The Chefs' Warehouse Leasing Co., LLC's mortgage obligation on the distribution center. The mortgage payoff date is December 2029 and the potential obligation under this conditional guarantee totaled \$10.6 million at December 28, 2012. On July 1, 2005 the Company entered into a consent and release agreement with the mortgagee in which the entity guarantors were conditionally released from their respective obligations. The Company and the entity guarantors continue to be in compliance with the specified conditions. The Chefs' Warehouse Leasing Co., LLC has the ability to opt out of its lease agreement with the New York City Industrial Development Agency by giving 60 days notice. This action would cause the concurrent reduction in the term of the sublease with Dairyland USA Corporation to December 2014. Dairyland USA Corporation does not have an option to acquire the facility under any of the agreements governing this facility.

Dairyland USA Corporation also leases a warehouse and office facility in Hanover, Maryland from Candlewood Road Property, LLC, a Maryland limited liability company that is wholly-owned by Christopher Pappas, John Pappas and Dean Facatselis, pursuant to a lease agreement dated September 14, 2004. Candlewood Road Property, LLC is the owner of the property. The lease expires on September 30, 2014. The initial annual base rent under the lease agreement was \$360,000 and is subject to cumulative annual increases of 3.5%. In fiscal 2012, Dairyland USA Corporation paid Candlewood Road Property, LLC \$462,028 in rent under the terms of the lease. The aggregate amount of all periodic payments under the lease agreement due on or after the beginning of fiscal year 2013 through the end of the lease is approximately \$846,181, plus annual taxes and operating expenses.

Employment of Family Members

Christopher Pappas's brother, John Pappas, is one of our employees and a member of our Board. We paid John Pappas approximately \$302,098 in total compensation in fiscal 2012. John Pappas did not receive any compensation for his service on our Board.

John Pappas's brother-in-law, Constantine Papataros, is one of our employees. We paid him approximately \$140,179 in total compensation in fiscal 2012.

Transactions with Directors

One of our non-employee directors, Stephen Hanson, is the President and a 50% owner of a New York City-based multi-concept restaurant operator holding company. Certain subsidiaries of this holding company are customers of the Company and its subsidiaries that purchased an aggregate of approximately \$3.2 million of products from us during fiscal 2012. Terms provided to these customers were determined in the ordinary course of business, at arm's length and materially consistent with those of other customers with similar volumes and purchasing patterns.

Each of Christopher Pappas, John Pappas and Dean Facatselis owns 8.33% of a New York City-based restaurant customer of the Company and its subsidiaries that purchased an aggregate of approximately \$213,000 of products from us during fiscal 2012. Messrs. C. Pappas, J. Pappas and Facatselis have no other interest in the restaurant other than these equal interests and are not involved in the day-to-day operation or management of this restaurant. Terms provided to this customer were determined in the ordinary course of business, at arm's length and materially consistent with those of other customers with similar volumes and purchasing patterns.

Board Leadership Structure

The Board currently combines the roles of chairman of the Board and chief executive officer. Our Corporate Governance Guidelines do not require the chairman of the Board to be independent and do not specify whether the positions of chairman of the Board and chief executive officer must be separated. Considering the Company's successful performance over extended periods under Christopher Pappas's leadership, the Board believes that the Company benefits from Mr. C. Pappas's services in both roles. Mr. C. Pappas has served as our chief executive officer since 1985. The Board believes Mr. C. Pappas to be the most qualified to serve as our chairman because he is the director most familiar with the Company's business and the foodservice distribution industry and as a result is best suited to effectively identify strategic priorities and lead the discussion and execution of strategy. The Board believes the combined position of chairman and chief executive officer promotes a unified direction and leadership for the Board and gives a single, clear focus for the chain of command for our organization, strategy and business plans.

Table of Contents

As discussed above, the Board also maintains an independent lead director. John A. Couri currently serves as our lead director. We believe it is important to have an independent lead director to establish a system of checks and balances between the independent directors of the Board and Mr. C. Pappas. The lead director provides leadership to the Board to ensure it operates in an independent, cohesive manner. The Board believes that having a lead director vested with key duties and responsibilities (as discussed above) and the Board's standing committees comprised of and chaired by independent directors (as discussed below) provides a formal structure for strong independent oversight of our management team.

Risk Oversight

The Board has overall responsibility for risk oversight. The Board oversees risk management with a focus on our primary areas of risk: risk related to our business strategy, financial risk, legal/compliance risk and operational risk. Our president and chief executive officer and each of our other executive officers are responsible for managing risk in their respective areas of authority and expertise, identifying key risks to the Board and explaining to the Board how those risks are being addressed.

Certain standing committees of the Board also have responsibility for risk oversight. The Audit Committee focuses on financial risk, including fraud risk and risks relating to our internal controls over financial reporting. The Compensation Committee addresses risks relating to our executive compensation strategies and is tasked with monitoring our executive compensation program to ensure that it does not encourage our executive officers to take unnecessary and excessive risks. The Board receives regular reports from the chairs of the Audit Committee and Compensation Committee regarding these committees' risk management efforts and receives reports and other meeting materials provided to each of the committees. In addition, we have established a Disclosure Committee which consists of our executive officers and assists the Board in fulfilling its oversight responsibility with respect to regulatory compliance and receives regular reports from our general counsel and other employees responsible for our regulatory compliance. All committees report to the full Board as appropriate, including when a matter rises to the level of a material or enterprise level risk. We believe the division of risk management responsibilities described above is an effective approach for addressing the risks we face.

Compensation Risk

Our Compensation Committee is comprised solely of independent directors and is principally responsible for establishing, overseeing and administering our compensation plans and policies for our executive officers, including our equity incentive plans. Our Compensation Committee is also responsible for overseeing risks related to our compensation programs and practices. Our Compensation Committee has assessed the risk associated with our compensation policies and practices for our employees and determined that the risks associated with such policies and practices are not reasonably likely to have a material adverse effect on us. Following our initial public offering (IPO) in fiscal 2011, we began to incorporate compensation practices that we believe discourage our employees from excessive risk-taking that could be reasonably likely to have a materially adverse effect on us, including the following:

The base salary component of compensation does not encourage risk-taking because it is a fixed amount.

We have a combination of both short-term and long-term elements of executive compensation.

All equity awards granted to our employees following our IPO were granted in the form of either time-based vesting restricted stock which vests pro-rata over a period of three to five years or performance-based vesting restricted stock which vests over three years if we achieve certain earnings per share targets. The time-based vesting structure disincentivizes short-term risk-taking at the expense of long-term stockholder value and a multi-year performance-based award discourages risk-taking that would generate higher short-term returns at the expense of performance in the remaining years in a performance period.

Table of Contents

Our chief executive officer and vice chairman maintain a significant ownership interest in our company, which closely aligns their interests with our stockholders' interests and disincentivizes them from engaging in, or encouraging our other executive officers to engage in, unreasonable or excessive risk-taking.

We have instituted a clawback, or recoupment, policy on awards granted under our annual incentive cash compensation program.

A majority of the awards to executives under the Company's annual incentive cash compensation program are based on the achievement of at least two objective performance measures, thus diversifying the risk associated with any single indicator of performance.

For the Company's annual incentive cash compensation program for fiscal 2012 and 2013, our Compensation Committee selected performance measures that we believe are less susceptible to judgments and interpretations (for example, revenue and earnings per share) than other performance measures that it could have selected.

Assuming achievement of a threshold level of performance, payouts under our annual incentive cash compensation program result in some compensation at levels below full target achievement, rather than an all-or-nothing approach, which could encourage excessive risk-taking.

Our Compensation Committee determines achievement levels under the Company's annual incentive cash compensation plan in its discretion after reviewing Company and executive performance.

Our Compensation Committee is being advised by an independent compensation consultant who also reviews the results of our annual analysis and assessment of our compensation programs.

Nomination of Directors

The Nominating and Corporate Governance Committee reviews the qualifications of every person recommended as a nominee to the Board to determine whether the recommended nominees are qualified to serve on the Board. The Nominating and Corporate Governance Committee has adopted qualitative standards by which it determines if nominees are qualified to serve on the Board. The Nominating and Corporate Governance Committee evaluates recommended nominees in accordance with the following criteria:

Personal characteristics. The Nominating and Corporate Governance Committee considers the personal characteristics of each nominee, including the nominee's integrity, accountability, ability to make informed judgments, financial literacy, professionalism and willingness to meaningfully contribute to the Board (including by possessing the ability to communicate persuasively and address difficult issues). In addition, the Nominating and Corporate Governance Committee evaluates whether the nominee's previous experience reflects a willingness to establish and meet high standards of performance, both for him or herself and for others.

Core Competencies. The Nominating and Corporate Governance Committee considers whether the nominee's knowledge and experience would contribute to the Board's achievement of certain core competencies. The Nominating and Corporate Governance Committee believes that the Board, as a whole, should possess competencies in accounting and finance, business judgment, management best practices, crisis response, industry knowledge, leadership, strategy and vision.

Board Independence. The Nominating and Corporate Governance Committee considers whether the nominee would qualify as an independent director under the NASDAQ Listing Rules.

Edgar Filing: Chefs' Warehouse, Inc. - Form DEF 14A

Director Commitment. The Nominating and Corporate Governance Committee expects that each of our directors will prepare for and actively participate in meetings of the Board and its committees, provide advice and counsel to our management, develop a broad knowledge of our business and industry and, with respect to an incumbent director, maintain the expertise that led the Nominating and Corporate Governance Committee to initially select the director as a nominee. The Nominating and Corporate Governance Committee evaluates each nominee on his or her ability to provide this level of commitment if elected to the Board.

Table of Contents

Additional Considerations. Each nominee also is evaluated based on the overall needs of the Board and the diversity of experience he or she can bring to the Board, whether in terms of specialized knowledge, skills or expertise. Although we do not have a formal policy with regard to the consideration of diversity in identifying director nominees, the Nominating and Corporate Governance Committee strives to nominate directors with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills and expertise to oversee the Company's businesses.

Following this evaluation, the Nominating and Corporate Governance Committee will make recommendations for membership on the Board and review such recommendations with the Board, which will decide whether to invite the candidate to be a nominee for election to the Board.

Director Nominees Recommended by Stockholders

The Nominating and Corporate Governance Committee evaluates nominees recommended by stockholders on the same basis as nominees recommended by any other sources, including making a determination whether the candidate is qualified to serve on the Board based on the qualitative standards described above. To be considered by the Nominating and Corporate Governance Committee, a stockholder who wishes to recommend a director nominee must deliver or send by first class U.S. mail a written notice addressed to Alexandros Aldous, General Counsel and Corporate Secretary, The Chefs' Warehouse, Inc., 100 East Ridge Road, Ridgefield, Connecticut 06877. The written notice must be received by our corporate secretary not less than 90 days nor more than 120 days prior to the date of the annual meeting; provided, however, that in the event the annual meeting is scheduled to be held on a date more than 30 days prior to or delayed by more than 60 days after the anniversary date of the last annual meeting of stockholders, notice by the stockholder in order to be timely must be so received not later than the close of business on the 10th day following the earlier of the day on which notice of the date of the meeting was mailed or public disclosure of the meeting was first made. The notice to our corporate secretary must include the information specified in our bylaws, including the following: (a) as to each proposed nominee (i) the name, age, business address and, if known, residence address of each such nominee, (ii) the principal occupation or employment of each such nominee, (iii) the class or series and number of our shares which are owned beneficially or of record by each such nominee, (iv) any other information concerning the nominee that must be disclosed as to nominees in proxy solicitations pursuant to Regulation 14A under the Exchange Act (including such person's written consent to be named as a nominee and to serve as a director if elected), and (v) a description of all direct and indirect compensation and other material monetary agreements, arrangements and understandings during the past three years, and any other material relationships, between or among such stockholder and beneficial owner, if any, and their respective affiliates and associates, or others acting in concert therewith, on the one hand, and each proposed nominee, and his or her respective affiliates and associates, or others acting in concert therewith, on the other hand, including without limitation all information that would be required to be disclosed pursuant to Rule 404 promulgated under the SEC's Regulation S-K if the stockholder making the nomination and any beneficial owner on whose behalf the nomination is made, if any, or any affiliate or associate thereof or person acting in concert therewith, were the registrant for purposes of such rule and the nominee were a director or executive officer of such registrant; and (b) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the proposal is made (i) the name and record address of such stockholder, as it appears on the Company's books, and of such beneficial owner, if applicable, and of their respective affiliates or associates or others acting in concert therewith, (ii)(A) the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by such stockholder and such beneficial owner, as applicable, and their respective affiliates or associates or others acting in concert therewith, (B) any option, warrant, convertible security, stock appreciation right, or similar right with an exercise or conversion privilege or a settlement payment or mechanism at a price related to any class or series of shares of the Company or with a value derived in whole or in part from the value of any class or series of shares of the Company, any derivative or synthetic arrangement having the characteristics of a long position in any class or series of shares of the Company, or any contract, derivative, swap or other transaction or series of transactions designed to produce economic benefits and risks that correspond substantially to the ownership of any class or series of shares of the Company, including due to the fact that the value of such contract, derivative, swap or other transaction or series of transactions is determined by reference to the price, value or

We may require any proposed nominee to furnish such other information as may be reasonably required by the Nominating and Corporate Governance Committee to determine the eligibility of such proposed nominee to serve as a member of the Board.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

This compensation discussion and analysis discusses the objectives and elements of our compensation programs and the compensation awarded to our named executive officers in the 2012 fiscal year. This information should be read in conjunction with the Summary Compensation Table and the related tables and narratives that follow this compensation discussion and analysis. For fiscal 2012, the following individuals were our named executive officers:

Christopher Pappas, our chairman, president and chief executive officer;

John Austin, our chief financial officer;

Kenneth Clark, our former chief financial officer;*

Frank O Dowd, our chief information officer;

Patricia Lecouras, our chief human resources officer;

Alexandros Aldous, our general counsel and corporate secretary; and

James Wagner, our former chief operating officer.**

* Kenneth Clark resigned as our chief financial officer effective June 30, 2012.

** Effective August 31, 2012, James Wagner's employment terminated.

Overview of Compensation Process

We have established a compensation committee of our board of directors, which consists solely of directors that are independent under the rules and regulations of the SEC and NASDAQ. The Compensation Committee has overall responsibility for the compensation program for our executive officers, including our named executive officers. For fiscal 2012, the Compensation Committee engaged a compensation consultant, Hay Group, to help it in establishing executive officer and director compensation for fiscal 2012. A representative of Hay Group attends Compensation Committee meetings when requested, reviews compensation data with the Compensation Committee, and participates in general discussions regarding executive compensation issues. The Compensation Committee has authorized Hay Group to interact with management on behalf of the Compensation Committee as needed in connection with advising the Compensation Committee. While the Compensation Committee considers input from Hay Group, the Compensation Committee's decisions ultimately reflect many factors and considerations. The Compensation Committee evaluated the independence of Hay Group pursuant to SEC rules and the NASDAQ Listing Rules and concluded that Hay Group is independent and that its work for the Compensation Committee does not raise any conflict of interest.

The Compensation Committee meets during the first month of a fiscal year to set compensation for that fiscal year. Hay Group and management play integral roles in the compensation-setting process. The Compensation Committee actively works with Hay Group to formulate compensation decisions for our chief executive officer. Management, with input from Hay Group, makes recommendations to the Compensation Committee for the rest of the executive officers. Management's and Hay Group's recommendations are accompanied by competitive market data from the peer groups established by the Compensation Committee based on recommendations from Hay Group. This peer group analysis is

Edgar Filing: Chefs' Warehouse, Inc. - Form DEF 14A

discussed in further detail beginning on page 20 of this proxy statement.

In setting fiscal 2012 compensation for our named executive officers, the Compensation Committee, following discussions with management and Hay Group, considered the compensation practices of the companies within our peer groups, our operating performance in fiscal 2011 and each individual named executive officer's performance of his or her duties. Members of management, including our chief executive officer, were not present when the Compensation Committee deliberated or voted on such member's fiscal 2012 compensation package.

2012 Non-Binding, Advisory Say-on-Pay Proposal

In May 2012, our stockholders approved a non-binding, advisory say-on-pay proposal at our 2012 annual meeting with over 97% of the votes cast voting **FOR** the proposal. The Compensation Committee reviewed the results of the stockholder vote and took the high percentage of votes cast in favor of the proposal as an indication that our stockholders supported the pay-for-performance approach that we have adopted. The Compensation Committee will continue to monitor our current compensation structure and consider the results of future non-binding, advisory say-on-pay votes when establishing our pay programs in the future.

Compensation Philosophy and Objectives

The principal objectives of our executive compensation program are to attract, motivate and retain highly-qualified executives by providing total compensation for each position that the Compensation Committee believes is competitive within our business sector and compared to the companies within our peer groups. We also seek to provide appropriate incentives for our named executive officers to achieve performance metrics related to our company-wide performance and, in most instances, the individual's particular performance goals. Finally, through the issuance of equity-based incentives, we seek to retain our key employees, other than our founders, and reward performance that enhances our long-term value.

Our Compensation Committee has strived to implement a compensation program that enables us to attract and retain high-quality leadership and to ensure that our named executive officers are compensated in a manner consistent with stockholder interests, the policies adopted by the Compensation Committee, internal equity considerations, competitive practice and the requirements of appropriate regulatory bodies. In determining the relevant amounts of each of these components, our Compensation Committee has adopted a compensation program that it believes consists of a mix of compensation that:

aligns interests of all eligible employees with our business plans;

incentivizes achievement of annual financial, functional, and individual objectives;

provides a systematic plan for establishing definitive performance goals; and

creates a fair and measureable compensation model for rewarding performance.

Competitive Marketplace Assessment

Although the Compensation Committee does not engage in benchmarking, the Compensation Committee, with the assistance of management and Hay Group, does compare our performance and compensation against a group of companies identified by Hay Group. Market data from our primary peer group was taken into consideration in setting the fiscal 2012 compensation of each of our named executive officers except Alexandros Aldous. The primary peer group was also referenced in our review of program designs, including an assessment of pay vehicles and performance metrics. In determining a primary peer group for fiscal 2012, Hay Group considered the following factors:

Company Type The companies in the primary peer group are all publicly traded on a U.S. exchange.

Size Annual revenues of the companies in the primary peer group range from approximately \$300 million to approximately \$1 billion. This size range reflected our near-term aggressive growth plans and our need to recruit executive talent with larger company experience to aid us as we seek to achieve such growth.

Table of Contents

Business The companies in the primary peer group represent multiple industry segments, including packaged foods, specialty and online retailers and other wholesalers and distributors. The foodservice distribution industry is a highly fragmented industry with several very large national players and numerous small, privately-held local players; accordingly, it was necessary to select our primary peer group from various industry segments.

Peers of Peers Our primary peer group consists of companies that other peers consider part of their talent market. Reflecting the factors outlined above, our primary peer group for fiscal 2012 consisted of the following companies:

Cal-Maine Foods, Inc.	Hain Celestial Group, Inc.	SunOpta, Inc.
Myers Industries, Inc.	J&J Snack Foods Corp.	Diamond Foods, Inc.
John B. Sanfilippo & Son, Inc.	1-800-FLOWERS.COM, Inc.	DXP Enterprises, Inc.
Dunkin' Brands Group, Inc.	H&E Equipment Services, Inc.	B&G Foods, Inc.
Nutrisystem, Inc.	Farmer Bros. Co.	Bravo Brio Restaurant Group, Inc.

In setting the fiscal 2012 compensation for all of our named executive officers, Hay Group also established a secondary peer group, which consisted of large foodservice distribution companies, to test compensation design and performance metrics; however, due to the size of these companies, they were not appropriate to reference in determining fiscal 2012 pay levels of our named executive officers. Our secondary peer group consisted of the following companies:

SYSCO Corp.	Core-Mark Holding Co.	Nash-Finch Co.	United Natural Foods, Inc.
-------------	-----------------------	----------------	----------------------------

Finally, in setting the fiscal 2012 compensation for all of our named executive officers, Hay Group referenced Hay Group's 2011 U.S. National Executive Compensation Report to determine market levels of compensation. Our named executive officers were matched by job title and revenue size to the survey data, which was averaged from two annual revenue buckets: (i) \$250 million to \$499 million, and (ii) \$500 million to \$999 million.

We do not benchmark compensation in the traditional manner, as we do not directly tie individual components of compensation to particular benchmarks. In general, the Compensation Committee references the 25th and 75th percentiles and the median of the competitive compensation marketplace as well as data regarding compensation design and performance metrics, but market data is only one factor among many considered by the Compensation Committee when making determinations regarding executive compensation. Other factors considered include individual performance, scope of responsibilities, tenure, criticality of the position, retention concerns and the need to recruit new officers.

Components of Fiscal 2012 Compensation for Our Named Executive Officers

Taking into account the above-described objectives and our peer group analyses, when setting fiscal 2012 compensation the Compensation Committee focused on designing a compensation package for our named executive officers that consisted of (i) base salaries, (ii) performance-based, annual cash incentive awards and (iii) for our named executive officers other than Christopher Pappas, equity-based awards consisting of a mix of time-based vesting and performance-based vesting restricted stock awards. Base salary provides a competitive rate of fixed pay and reflects different levels of responsibility within the Company, the skills and experience required for the job, individual performance and labor market conditions. Performance-based, annual cash incentive awards are designed to reward the annual achievement of financial, strategic and, in some cases, individual objectives. Long-term, equity-based awards are tied to pre-determined performance measures and are intended to reward performance over a multi-year period, align the interests of executives with those of stockholders, instill an ownership culture, enhance

the personal stake of executive officers in the growth and success of the Company and provide an incentive for continued service at the Company. Each of the three compensation components are discussed in greater detail below:

Base Salary.

We provide our named executive officers with a base salary to compensate them for performing their daily responsibilities during the year. We believe that base salaries must be competitive based upon the named executive officer's scope of responsibilities and what we believe to be market rates of compensation for executives performing similar functions for comparable companies within our peer groups. For fiscal 2012, our chief executive officer's base salary was set by the Compensation Committee, following discussions with the Compensation Committee, our chief financial officer and Hay Group. Notwithstanding our chief executive officer's strong performance, his base salary was unchanged in fiscal 2012 from fiscal 2011, and the Compensation Committee decided to focus instead on variable awards related to performance. The fiscal 2012 base salaries for our named executive officers other than our chief executive officer were established by the Compensation Committee, following discussions with our chief executive officer, chief financial officer, chief human resources officer and Hay Group. The fiscal 2012 base salaries for our named executive officers other than our chief executive officer were principally based on the Compensation Committee's and management's assessment of our operating performance in fiscal 2011 and the individual named executive officer's performance of his or her duties, as well as our understanding of compensation of executive officers in comparable positions within our peer groups. Our named executive officers, other than Mr. C. Pappas, have had their performance reviewed periodically and have been eligible for merit-based base salary increases as a result of these reviews. Taking all of these factors into account, the Compensation Committee approved the following base salaries for our named executive officers for the 2012 fiscal year:

Name	2012 Base Salary
Christopher Pappas	\$ 750,000
John Austin	\$ 290,000(1)
Kenneth Clark	\$ 275,000(2)
Frank O. Dowd	\$ 235,000
Patricia Lecouras	\$ 235,000
Alexandros Aldous	\$ 195,833(3)
James Wagner	\$ 250,000(4)

- (1) On May 24, 2012, the Compensation Committee set the annual base salary for Mr. Austin at \$290,000, which was effective July 1, 2012 and prorated for his service during the last six months of the 2012 fiscal year.
 - (2) Mr. Clark's annual base salary was \$275,000 until his resignation became effective on June 30, 2012. Mr. Clark remained employed by us following his resignation, but his annual base salary was reduced to \$25,000 beginning July 1, 2012 through the remainder of 2012.
 - (3) Mr. Aldous's annual base salary was \$175,000 for the first two months of fiscal 2012, and then it was increased to \$200,000 for the remainder of fiscal 2012.
 - (4) Mr. Wagner's annual base salary was \$250,000 for the first eight months of 2012 until his employment terminated on August 31, 2012.
- As described above, Mr. C. Pappas's base salary for fiscal 2012 was unchanged from his base salary for fiscal 2011. The fiscal 2012 base salaries for Mr. O. Dowd and Ms. Lecouras increased approximately 7.5% from their fiscal 2011 base salaries. Mr. Clark's and Mr. Wagner's base salaries for fiscal 2012 (prior to the effectiveness of their resignation or termination of employment, as applicable) were approximately 10.4% and 0.7%, respectively, higher than their base salaries in fiscal 2011. Mr. Aldous's fiscal 2012 base salary was approximately 26.3% higher than his fiscal 2011 base salary. Mr. Austin served as a director of our company from our IPO until his resignation from our board on May 24, 2012 when he was appointed our chief financial officer, but he was not employed by us prior to such appointment. All of the base salary increases were a result of general market increases, peer group analyses and fiscal 2011 individual performances. The increase in Mr. Clark's base salary was also the result of his increased responsibilities in connection with our becoming a public company.

Table of Contents**Performance-Based, Annual Cash Incentive Compensation.****Overview**

To closely align our named executive officers' compensation to our goals, we believe that a significant portion of a named executive officer's compensation should be incentive-based. Accordingly, we have utilized, and continue to utilize, an annual cash incentive compensation program that provides our named executive officers with the opportunity to earn substantial cash incentive compensation for the achievement of annual goals related to our performance and, in some cases, the executive officer's individual performance.

Each of our named executive officers was eligible to receive performance-based cash incentive payments in the first quarter of 2013 under our 2012 Cash Incentive Plan (the "2012 Plan") upon (i) the Company's achievement of performance targets related to our fiscal 2012 revenue and fully-diluted earnings per share, or EPS, each of which were to be weighted equally and adjusted for the impact of acquisitions in fiscal 2012, and (ii) in certain instances, upon the individual's achievement of certain individual performance goals. In choosing performance metrics for the 2012 Plan, the Compensation Committee considered the annual incentive plan designs of members of our peer groups, as well as our specific corporate goals and budgetary considerations. The target awards under the 2012 Plan, expressed as a percentage of annual base salary, for each of Mr. C. Pappas, Mr. Clark, Mr. O'Dowd, Ms. Lecouras, Mr. Aldous and Mr. Wagner were as set forth below:

Name	Total Target Award as a Percentage of Annual Base Salary	% of Award Based on Corporate Goals (Revenue and EPS)(1)	% of Award Based on Individual Performance Goals
Christopher Pappas	100%	100%	0%
John Austin (2)	75%	100%	0%
Kenneth Clark	50%	80%	20%
Frank O'Dowd	50%	80%	20%
Patricia Lecouras	50%	80%	20%
Alexandros Aldous	35%	60%	40%
James Wagner	100%	100%	0%

- (1) The portion of each individual's award related to corporate goals is based 50% on our fiscal 2012 revenue and 50% on our fiscal 2012 fully-diluted EPS, each of which were adjusted for the impact of acquisitions in fiscal 2012.
- (2) The target awards under the 2012 Plan for Mr. Austin above are expressed as a percentage of his pro-rated 2012 annual base salary. The maximum possible payout under the 2012 Plan with respect to the foregoing named executive officers was 200% of the target. Except for payouts to Mr. C. Pappas, any payout exceeding 100% of an individual's target would be paid in restricted stock which would vest on the first anniversary of the date of grant.

In setting the corporate performance targets under the 2012 Plan, the Compensation Committee considered historic levels of our performance for revenue and EPS, taking into consideration our acquisitions in fiscal 2011, and based the corporate performance targets on results that were improvements over the prior year's results. Furthermore, the Compensation Committee set the corporate performance targets at levels that required successful implementation of corporate operating objectives for meaningful payouts to occur. The Compensation Committee believed that the targets related to threshold performance were highly achievable in light of budgeted expectations, but the payouts for maximum performance required significant improvement over the prior year's comparable performance. The performance targets selected by the Committee for each of the named executive officers during fiscal 2012 are set forth in the tables below.

Of Mr. Aldous' possible award under the 2012 Plan, 40% of the award, which is equivalent to 14% of his annual base salary, or \$28,000, was based on his achievement, as determined by the Compensation Committee following discussions with management, of certain individual goals, including goals related to the Company's legal budget and the handling of the Company's legal affairs.

Mr. Wagner's total target award under the 2012 Plan was 100% of his annual base salary. All of Mr. Wagner's possible award under the 2012 Plan was based on our achievement of certain levels of EPS and revenue. The targets and possible payouts associated with Mr. Wagner's award are set forth in the table below:

Fiscal 2012 Results and Payouts

No award distributions were to be made under the 2012 Plan unless we achieved either EPS of \$0.84 or revenue of \$414 million for fiscal 2012, each adjusted for the impact of acquisitions in fiscal 2012. Our fiscal 2012 EPS fell below the EPS threshold required for payouts under the 2012 Plan; however, we achieved revenue of \$430.1 million. Messrs. C. Pappas and Austin elected to forgo their awards under the 2012 Plan prior to the end of fiscal 2012 and before the awards were earned. Mr. Clark resigned and Mr. Wagner terminated his employment with us prior to the end of fiscal 2012, and, therefore, they were not eligible for distribution of awards under the 2012 Plan. Mr. O Dowd, Ms. Lecouras and Mr. Aldous received award distributions under the 2012 Plan on March 6, 2013 based upon our achievement of the threshold revenue level and their achievement of certain individual performance goals in fiscal 2012, as determined by the Compensation Committee. The amounts paid to our named executive officers under the 2012 Plan, and the related target amounts, for fiscal 2012 performance are set forth in the following table:

NAME	TARGET AWARD(1)	ACTUAL AWARD
Christopher Pappas	\$ 750,000	\$ 0(2)
John Austin	\$ 108,750	\$ 0(2)
Kenneth Clark	\$ 137,500	\$ 0(3)
Frank O Dowd	\$ 117,500	\$ 42,300(4)
Patricia Lecouras	\$ 117,500	\$ 47,000(5)
Alexandros Aldous	\$ 70,000	\$ 38,500(6)
James Wagner	\$ 250,000	\$ 0(3)

- (1) For Messrs. Pappas, Clark, O Dowd and Wagner and Ms. Lecouras, target awards were based on the fiscal 2012 annual base salary amounts set by the Compensation Committee in January 2012. Mr. Austin's target award was based on his prorated annual base salary, which went into effect July 1, 2012. Mr. Aldous's target award was based on his annual base salary of \$200,000, which went into effect in March 2012.
- (2) Christopher Pappas and John Austin elected to forgo their possible awards under the 2012 Plan prior to the end of fiscal 2012 and before the awards were earned.
- (3) Neither Mr. Clark nor Mr. Wagner was eligible for distribution of awards under the 2012 Plan.
- (4) Reflects a payment to Mr. O Dowd of \$23,500 for our achievement of the threshold revenue goal and \$18,800 for his achievement of his individual performance goals related to compliance with the requirements of the Sarbanes-Oxley Act.

- (5) Reflects a payment to Ms. Lecouras of \$23,500 for our achievement of the threshold revenue goal and \$23,500 for her achievement of all of her individual performance goals.

Long-Term Equity Compensation.

In addition to performance-based cash incentive awards, Mr. Clark, Mr. O Dowd, Ms. Lecouras, Mr. Aldous and Mr. Wagner also received equity-based awards consisting of a mix of time-based vesting and performance-based vesting restricted stock in the first quarter of fiscal 2012, which awards were issued under The Chefs Warehouse, Inc. 2011 Omnibus Equity Incentive Plan (the 2011 Incentive Plan). In setting the fiscal 2012 long-term equity compensation, the Compensation Committee considered long-term equity incentive plan designs of members of our peer groups, as well as our specific long-term corporate goals and budgetary considerations. The amount of shares granted to each individual was calculated based on a percentage of such individual's 2012 annual base salary, as determined by the Compensation Committee in January 2012. Each of Mr. Clark, Mr. O Dowd, Ms. Lecouras and Mr. Wagner received a number of shares of time-based vesting restricted stock equal to 30% of his or her 2012 annual base salary. Mr. Aldous received a number of shares of time-based vesting restricted stock equal to 25% of his 2012 annual base salary. The time-based vesting restricted stock vests in equal one-fourth increments as of the first through fourth anniversary dates of the grant date.

Each of Mr. Clark, Mr. O Dowd, Ms. Lecouras and Mr. Wagner also received a number of shares of performance-based vesting restricted stock equal to 45% of his or her 2012 annual base salary. Mr. Aldous received a number of shares of performance-based vesting restricted stock equal to 25% of his 2012 annual base salary. The performance-based vesting restricted stock vests in one-third increments each year based upon the Company's achievement of certain EPS performance targets for the 2012, 2013 and 2014 fiscal years. Additionally, to encourage the long-term growth of the Company, vesting of the performance-based restricted stock is cumulative, such that should the restrictions with respect to shares of performance-based restricted stock not lapse for a particular performance period because the Company's EPS for the fiscal year applicable to that performance period was not met, the restrictions with respect to those shares of performance-based restricted stock shall lapse if the Company's EPS for any subsequent fiscal year within the applicable three-year performance period equals or exceeds the EPS amount required for the forfeiture restrictions with respect to the shares of performance-based restricted stock associated with that fiscal year to lapse. For fiscal 2012, the EPS target was \$0.93. Because our EPS for fiscal 2012 was below this targeted amount, the forfeiture restrictions with respect to the portion of the performance-based vesting restricted stock granted to Mr. O Dowd, Ms. Lecouras and Mr. Aldous related to fiscal 2012 performance did not lapse; however, as noted above, the forfeiture restrictions with respect to the portion of these awards related to fiscal 2012 performance may lapse if the EPS targets for either fiscal 2013 or fiscal 2014 are achieved. Each of Messrs. Clark and Wagner forfeited his performance-based vesting restricted stock as of May 29, 2012 and August 31, 2012, respectively.

Mr. Austin's employment as our chief financial officer was effective on July 1, 2012. In connection with our hiring of Mr. Austin as our chief financial officer, we awarded him an equity interest in our company totaling 100,000 shares of restricted stock, which will vest 20% per year on each of the first five anniversaries following the grant date. In connection with his employment, Mr. Austin also received equity-based awards consisting of a mix of time-based vesting and performance-based vesting restricted stock on July 1, 2012, which awards were issued under our 2011 Incentive Plan. Mr. Austin received a number of shares of time-based vesting restricted stock equal to 30% of his pro-rated 2012 annual base salary. The time-based vesting restricted stock vests in equal one-fourth increments on each of January 12, 2013, January 12, 2014, January 12, 2015 and January 12, 2016. Mr. Austin also received a number of shares of performance-based vesting restricted stock equal to 45% of his pro-rated 2012 annual base salary. The performance-based vesting restricted stock vests in one-third increments each year based upon the Company's achievement of certain EPS performance targets for the 2012, 2013 and 2014 fiscal years. For fiscal 2012, the EPS target was \$0.93. Because our EPS for fiscal 2012 was below this targeted amount, the forfeiture restrictions with respect to the portion of the performance-based vesting restricted stock granted to Mr. Austin related to fiscal 2012 performance did not lapse; however, the forfeiture restrictions with respect to the portion of these awards related to fiscal 2012 performance may lapse if the EPS targets for either fiscal 2013 or fiscal 2014 are achieved.

Employment Agreements, Offer Letters and Severance Benefits

Christopher Pappas's Employment Agreement.

We entered into an employment agreement with Christopher Pappas immediately prior to the consummation of our IPO. Mr. C. Pappas's employment agreement has a three-year term and will allow for the automatic extension of the term for successive one-year terms unless either party to the agreement elects not to renew the agreement at least 60 days prior to the end of the term. The agreement provides for an annual base salary of \$750,000, an annual cash bonus opportunity to be determined by the Board (or a committee thereof) and the right to participate in our equity-based incentive plans. Additionally, the agreement provides for four weeks of paid vacation annually, a monthly car allowance of \$2,000 and participation in our employee benefit plans and programs for salaried employees to the extent permissible under such plans or programs.

The agreement also provides for severance benefits if Mr. C. Pappas is terminated by us without cause. Upon such a termination, the agreement provides for the continued payment of base salary for one year from the date of termination and the right to receive any bonus that has been earned but remains unpaid on the date of termination. The agreement also includes a non-competition and non-solicitation provision, pursuant to which Mr. C. Pappas agrees, among other things, that for one year following the termination of his employment with us, he will not (i) compete with us or our subsidiaries; (ii) induce a customer or supplier of ours to cease doing business with us; or (iii) induce an employee of ours to leave our employ. For purposes of Mr. C. Pappas's employment agreement, cause is defined as (i) engaging in willful misconduct that is injurious to our company or our affiliates or (ii) the embezzlement or misappropriation of our, or our affiliates', funds or property; provided, however, that no act, or failure to act, is to be considered willful unless done, or omitted to be done, not in good faith and without reasonable belief that the action or omission was in the best interest of our company.

Additionally, pursuant to the terms of Mr. Austin's offer letter and a time-based vesting restricted share award agreement entered into between Mr. Austin and us, Mr. Austin received a one-time sign-on bonus equal to 100,000 restricted shares of the Company's common stock, which will vest in equal one-fifth increments as of the first through fifth anniversary dates of the commencement of Mr. Austin's employment with us.

If the Company terminates Mr. Austin's employment without cause, Mr. Austin will be entitled to receive his then current base salary for a period of twelve months following such termination. Cause is defined in Mr. Austin's offer letter to mean termination of Mr. Austin's employment by us due to (i) his conviction of, or plea of, nolo contendere, with respect to any felony, or any act of fraud, embezzlement or dishonesty by Mr. Austin against us or any of our subsidiaries, or any act of moral turpitude or any conduct in which he engages during his employment that tends to bring us or any of our subsidiaries into substantial public disgrace or disrepute, (ii) the commission of any act or omission by Mr. Austin involving fraud with respect to us or any of our subsidiaries or in connection with any relationship between us or any of our subsidiaries and any customer or supplier, (iii) Mr. Austin's use of illegal drugs or repetitive abuse of other drugs or repetitive excess consumption of alcohol interfering with the performance of his duties, (iv) the gross negligence or willful misconduct in the performance of Mr. Austin's duties with respect to us or any of our subsidiaries, or (v) Mr. Austin's failure to follow the lawful directives of our president and chief executive officer where Mr. Austin has been given written notice of the acts or omissions constituting such failure and Mr. Austin failed to cure such conduct, where susceptible to cure, within 30 days following such notice.

Kenneth Clark

Kenneth Clark resigned as our chief financial officer and assistant secretary effective June 30, 2012; however, Mr. Clark remained an employee of the Company through March 6, 2013 to assist in the transition of his duties and to oversee certain other projects. The terms of Mr. Clark's employment from July 1, 2012 through March 6, 2013 were governed by an employment agreement entered into between the Company and Mr. Clark on May 29, 2012 (the "Clark Employment Agreement"). Pursuant to the terms of the Clark Employment Agreement, beginning on July 1, 2012 and continuing through March 6, 2013 (the "Employment Period"), Mr. Clark received a base salary of \$25,000 per annum. During the Employment Period, Mr. Clark remained eligible to participate in all of the Company's health, disability, life insurance and other employee benefit programs for which similar employees of the Company are generally eligible. Additionally, subject to certain conditions, in connection with his entry into the Clark Employment Agreement and as additional consideration for his release of claims, Mr. Clark received a signing bonus in the amount of \$1,000. Following the Employment Period, Mr. Clark also received a \$1,000 completion bonus, receipt of which was subject to the satisfactory performance of his duties as set forth in the Clark Employment Agreement, his execution of a separation and release agreement with the Company and certain other conditions.

Beginning May 29, 2012, Mr. Clark was no longer eligible to participate in the Company's 2012 Plan. Additionally, all of the equity awards granted to Mr. Clark following the Company's IPO, including the time-based vesting restricted stock and performance-based vesting restricted stock awarded to him in January 2012, were forfeited effective May 29, 2012. The portion of the equity award granted to Mr. Clark prior to the Company's IPO which was scheduled to vest on June 16, 2013 was also forfeited. However, as set forth in the Clark Employment Agreement, the portions of the equity awards granted to Mr. Clark prior to the Company's IPO which were scheduled to vest on June 16, 2012 and March 5, 2013 were unaffected by the change in Mr. Clark's employment and vested in accordance with the original vesting schedules for those awards.

encourage any employee of the Company to leave his or her employment with the Company in each case for a period of two years from August 31, 2012. The Separation Agreement superseded all other documents covering the terms of Mr. Wagner's employment with us.

In determining the length of the severance benefits that we would pay our named executive officers following their termination, we considered the need to be able to competitively recruit and retain talented executive officers who oftentimes seek protection against the possibility that they might be terminated without cause or forced to resign without cause, particularly following a change of control. None of our named executive officers are entitled to receive single trigger cash payments upon a change in control involving us.

2013 Compensation of Named Executive Officers

For fiscal 2013, the base salary for Mr. C. Pappas will remain \$750,000. Mr. Austin's annual base salary will increase to \$300,000. The annual base salaries of Mr. O. Dowd and Ms. Lecouras will remain \$235,000 for fiscal 2013, and the annual base salary of Mr. Aldous will increase to \$235,000 for fiscal 2013. The increases to the base salaries of Messrs. Austin and Aldous are based on market increases, peer group comparisons and individual performance in fiscal 2012.

Each of our named executive officers will be eligible to receive performance-based cash incentive payments in the first quarter of 2014 under our 2013 Cash Incentive Plan upon the Company's achievement of performance targets related to our fiscal 2013 revenues and fully-diluted earnings per share (excluding the impact of duplicate rent), or EPS, each of which will be weighted equally, and, in the case of Mr. Austin, Mr. O. Dowd, Ms. Lecouras and Mr. Aldous, upon the individual's achievement of certain individual performance goals. The target awards under our 2013 Cash Incentive Plan, expressed as a percentage of annual base salary, for each of Mr. C. Pappas, Mr. Austin, Mr. O. Dowd, Ms. Lecouras and Mr. Aldous are 100%, 75%, 50%, 50% and 50%. The maximum payout under the 2013 Cash Incentive Plan with respect to the foregoing named executive officers is 200% of the target. Except for payouts to Mr. C. Pappas, any payout exceeding 100% of an individual's target will be paid in restricted stock which will vest on the first anniversary of the date of grant.

In addition to performance-based cash incentive awards, Mr. Austin, Mr. O. Dowd, Ms. Lecouras and Mr. Aldous also received equity-based awards consisting of a mix of time-based vesting and performance-based vesting restricted stock in the first quarter of fiscal 2013, which awards were issued under our 2011 Incentive Plan. Mr. Austin received a number of shares of time-based vesting restricted stock equal to 45% of his 2013 annual base salary. Each of Mr. O. Dowd, Ms. Lecouras and Mr. Aldous received a number of shares of time-based vesting restricted stock equal to 30% of his or her 2013 annual base salary. The time-based vesting restricted stock will vest in equal one-third increments as of the first through third anniversary dates of the grant date. Mr. Austin also received a number of shares of performance-based vesting restricted stock equal to 180% of his 2013 annual base salary. Each of Mr. O. Dowd, Ms. Lecouras and Mr. Aldous received a number of shares of performance-based vesting restricted stock equal to 120% of his or her 2013 annual base salary. The performance-based vesting restricted stock will vest in one-third increments each year based upon the Company's achievement of certain EPS performance targets for the 2013, 2014 and 2015 fiscal years. Additionally, to encourage the long-term growth of the Company, vesting of the performance-based restricted stock will be cumulative, such that should the restrictions with respect to shares of performance-based restricted stock not lapse for a particular performance period because the Company's EPS for the fiscal year applicable to that performance period was not met, the restrictions with respect to those shares of performance-based restricted stock shall lapse if the Company's EPS for any subsequent fiscal year within the applicable three-year performance period equals or exceeds the EPS amount required for the forfeiture restrictions with respect to the shares of performance-based restricted stock associated with that fiscal year to lapse. The Compensation Committee determined that, beginning in 2013 and going forward, the Compensation Committee will make equity grants to the named executive officers once every three years. Accordingly, the named executive officers receiving equity grants in fiscal 2013 are not expected to receive equity grants in fiscal 2014 or fiscal 2015. The Compensation Committee also determined to make 80% of each individual's equity grant in fiscal 2013 subject to performance-based vesting rather than time-based vesting to motivate the executives to achieve our corporate objectives and enhance stockholder value.

Tax and Accounting Implications

Deductibility of Executive Compensation.

Our Compensation Committee considers the effect of accounting and tax treatment regarding executive compensation when making decisions regarding the amount and form of compensation that we pay our named executive officers. For instance, our Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Code, which generally disallows tax deductions to public companies for certain compensation in excess of \$1,000,000 that is paid in any one tax year to certain of our most highly compensated employees. There is an exception to the limit on deductibility for performance-based compensation that meets certain requirements. We believe that the compensation paid under the 2011 Incentive Plan, including any performance-based cash incentive compensation paid under our 2012 Plan, should be fully deductible for federal income tax purposes. In certain situations, however, we may approve compensation that will not meet these requirements in order to ensure competitive levels of total compensation for our named executive officers.

Accounting for Equity-Based Compensation.

Accounting rules require that we expense equity-based compensation awards, including awards under the 2011 Incentive Plan.

Compensation Committee Report

We have reviewed and discussed the foregoing Compensation Discussion and Analysis with management, as required by Item 402(b) of Regulation S-K. Based on our review and discussions with management, we have recommended to the Board that the Compensation Discussion and Analysis be included in this proxy statement and the Company's Annual Report on Form 10-K for the year ended December 28, 2012.

- (2) The amounts reflected in these columns represent performance-based vesting restricted stock awards made under the 2011 Incentive Plan, which awards will vest in one-third increments each year based upon the Company's achievement of certain EPS performance targets for the 2012, 2013 and 2014 fiscal years. Additionally, to encourage the long-term growth of the Company, vesting of the performance-based restricted stock is cumulative, such that should the restrictions with respect to shares of performance-based restricted stock not lapse for a particular performance period because the Company's EPS for the fiscal year applicable to that performance period was not met, the restrictions with respect to those shares of performance-based restricted stock shall lapse if the Company's EPS for any subsequent fiscal year within the applicable three-year performance period equals or exceeds the EPS amount required for the forfeiture restrictions with respect to the shares of performance-based restricted stock associated with that fiscal year to lapse. The target number of shares is also the threshold and maximum number of shares achievable under these awards.

Director Stock Ownership Requirement

To further align the interests of the Board with the interests of the Company's stockholders, the Company believes that its independent directors should be stockholders and have a significant personal financial stake in the Company. Accordingly, each independent director is required to own shares of the Company's common stock valued at three times the director's equity component of the then-current annual retainer. Each director will have three years from the later of the consummation of the Company's IPO and the date of the director's election to the Board to attain such level of stock ownership. After achieving the minimum level of stock ownership, ownership of the minimum amount must be maintained as long as the director remains on the Board. The Nominating and Corporate Governance Committee in its discretion may extend the period of time for attainment of such ownership levels in appropriate circumstances. Until the stock ownership requirements are met, directors are required to retain the net number of shares of the Company's common stock received by the directors pursuant to awards granted to the directors or exercised by the directors pursuant to the 2011 Incentive Plan.

PROPOSAL 3 ADVISORY VOTE ON EXECUTIVE COMPENSATION

As described in this proxy statement under the caption *EXECUTIVE COMPENSATION Compensation Discussion and Analysis*, the Compensation Committee's goal in setting executive compensation is to attract and retain highly-qualified executives by providing total compensation for each position that our board of directors and chief executive officer believe is competitive within our business sector. We also seek to provide appropriate incentives for our named executive officers to achieve performance metrics related to company-wide performance and the individual's relevant performance goals. In applying these principles, we seek to integrate compensation with our short- and long-term strategic plans and to align the interests of our named executive officers with the long-term interests of our stockholders.

Stockholders are urged to read the Compensation Discussion and Analysis contained in this proxy statement, which discusses how our compensation policies and procedures implement our compensation objectives and philosophies, as well as the summary compensation table set forth in *EXECUTIVE COMPENSATION Summary Compensation Table Fiscal Years 2010-2012* and other related compensation tables and narrative disclosure which describe the compensation of our named executive officers in fiscal 2012.

The Compensation Committee and the Board believe that the policies and procedures articulated in the Compensation Discussion and Analysis are effective in aligning the interests of our executives with those of our stockholders and in incentivizing performance that supports our short- and long-term strategic objectives and that the compensation of our named executive officers in fiscal 2012 reflects and supports these compensation policies and procedures.

As required by Section 14A of the Exchange Act and as a matter of good corporate governance, stockholders will be asked at the Annual Meeting to approve the following advisory resolution:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion is, hereby APPROVED.

This advisory vote, commonly referred to as a say-on-pay advisory vote, is non-binding on the Board. At our 2012 annual meeting, a majority of our stockholders voted, on a non-binding, advisory basis, to hold the say-on-pay advisory vote every year, and our Board subsequently determined that the Company will do so until the next required vote on the frequency of such say-on-pay advisory votes occurs. Accordingly, we will hold the next say-on-pay advisory vote at our 2014 annual meeting of stockholders. Although non-binding, the Board and the Compensation Committee will review the voting results of the say-on-pay advisory vote and take them into consideration when making future decisions regarding our executive compensation programs.

The Board unanimously recommends that stockholders vote FOR the non-binding, advisory vote on executive compensation. Proxies received by the Board will be voted FOR the non-binding, advisory vote on executive compensation unless a contrary choice is specified in the proxy.

Vote Required

An affirmative vote of a majority of the shares represented at the Annual Meeting in person (including by webcast) or by properly executed proxy and entitled to vote on Proposal 3 is necessary for approval. Broker non-votes will have no effect on the outcome of this proposal, and abstentions will be equivalent to a vote against this proposal. If no voting specification is made on a properly returned or voted proxy card, the proxy card will vote FOR Proposal 3.

OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers and holders of more than 10% of our common stock (Reporting Persons) to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities. To the Company's knowledge, based solely upon a review of Forms 3, 4 and 5 and amendments thereto furnished to the Company for the fiscal year ended December 28, 2012 pursuant to Rule 16a-3(e) of the Exchange Act and written representations from Reporting Persons that all required reports had been filed, the Company believes that all Reporting Persons filed the required reports on a timely basis, except that James Wagner, our former chief operating officer, had one late report for one transaction relating to his surrender of stock back to the Company to cover withholding taxes on a release of restricted stock.

Stockholder Proposals for the 2014 Annual Meeting of Stockholders

Eligible stockholders interested in submitting a matter to be brought before the Company's 2014 annual meeting although not included in the Company's proxy materials may do so by following the procedures prescribed in the Company's Bylaws. In order for the proposal to be considered timely for the Company's 2014 annual meeting, such stockholder proposal must be received by the Company at the address stated above not less than 90 days nor more than 120 days prior to the first anniversary of the preceding year's annual meeting of stockholders (i.e., not earlier than January 16, 2014 and not later than February 15, 2014); provided, however, that if the date of the annual meeting is advanced more than 30 days prior to such anniversary date or delayed more than 60 days after such anniversary date, then to be timely such notice must be so received not later than the tenth (10th) day following the day on which notice of the date of the annual meeting was mailed or public disclosure of the date of the annual meeting was first made, whichever occurs first.
