Mr. Chairman of the

Comisión Nacional de Valores

Lic. Alejandro Vanoli

Dear Sir,

RE.: Submission of further information in the case entitled FEDERACIÓN ARGENTINA DE LAS TELECOMUNICACIONES Y OTROS c/ TELECOM ARGENTINA S.A. s/PART. ACCION. OBRERO - Expte N° 17185/13 (Argentine Telecommunications Federation and others vs. Telecom Argentina S.A. File No. 17185/13)

I am writing to you as **Responsible for Market Relations of Telecom Argentina S.A** (Telecom Argentina or the Company) in order to update the information about the above referenced case, reported through our letter dated June 10th 2013.

In this regard, I inform you that on June 17th, the Company filed an answer to the complaint, opposing the continuation of the legal action based on the following defenses:

Defense based on the court's lack of jurisdiction, requesting the case be transferred to the Federal Civil and Commercial Court.

Citation of the Argentine Government as an interested third party.

Defense based on the statute of limitations, given that the term to claim the non-constitutionality of Decree 395/92 must be computed from its enactment on March 12, 1992.

Defense based on *lis pendens* and *res judicata* for all the individual lawsuits, complaints and judgments brought by employees and ex-employees of Telecom Argentina who have made claims for the same purpose.

Defense of substance regarding the lack of standing to sue, given that it is not a claim with a collective purpose, and the workers associations are not authorized by individual employees to bring legal actions on their behalf.

Defense of substance regarding the lack of standing to be sued of Telecom Argentina.

Defense regarding the constitutionality of Decree No. 395/92.

Sincerely,

Telecom Argentina S.A.

/s/ Pedro Insussarry
Responsible for Market Relations
