**CORVEX AND RELATED RELEASE DETAILED PRESENTATION OUTLINING
CASE FOR CHANGE AND OPPORTUNITY FOR SIGNIFICANT VALUE CREATION
AT COMMONWEALTH REIT**

Estimate CWH s Current NAV to be Approximately \$35 Per Share Unencumbered From Current

Management, Believe CWH Could be Valued at Approximately \$40 Per Share by End of 2015

Urge Shareholders to Remove the Entire CWH Board and Vote the GOLD Consent Card

New York, January 30, 2014 Corvex Management LP and Related Fund Management, LLC, whose separately managed investment funds collectively own approximately 9.6% of the outstanding shares of Commonwealth REIT (NYSE:CWH), today released an investor presentation in connection with their consent solicitation.

The presentation outlines:

The clear rationale and path for the removal of the entire Commonwealth Board as a result of the abysmal performance of CWH by almost any metric over any relevant time period, 28 years of poor governance practices, and the Trustees desperate attempts during the last year to muzzle Commonwealth s shareholders.

The financial analysis underpinning the belief that the removal of the Trustees will unlock substantial value for shareholders:

CWH s current net asset value (NAV) would be approximately \$35 per share, 50% higher than the closing price on January 29, 2014; and

CWH could be valued at approximately \$40 per share by end of 2015.

A turnaround and governance plan designed to enhance shareholder value by:

Electing a new Board consisting solely of truly independent Trustees;

Establishing best-in-class corporate governance to impose accountability;

Internalizing management and aligning management compensation with shareholder returns;

Implementing improved operating strategies to right the ship ;

Removing the poison pill;

Ceasing all acquisition activity and dilutive capital raises until stock price exceeds its NAV; and

Ceasing all related party transactions not approved by a vote of disinterested shareholders.

The presentation is available at www.shareholdersforcommonwealth.com.
