Item 4. Purpose of Transaction

Agreement and Plan of Merger and Reorganization

On March 18, 2014, the Issuer entered into an Agreement and Plan of Merger and Reorganization (the Merger Agreement) by and among Holdings, Vidara, the Issuer, Hamilton Holdings (USA), Inc., a Delaware corporation and wholly owned subsidiary of Vidara (US Holdco) and Hamilton Merger Sub, Inc., a Delaware corporation and wholly owned subsidiary of Vidara (Merger Sub). Under the terms of the Merger Agreement and subject to the satisfaction or waiver of the conditions therein, the Issuer and Vidara will combine their businesses in a stock transaction in which (i) Vidara will effectuate a restructuring described in the Merger Agreement (the Reorganization) and (ii) Merger Sub will merge with and into the Issuer (the Merger), with the Issuer as the surviving corporation in the Merger as a wholly owned subsidiary of Vidara. At or prior to the completion of the Merger, Vidara will change its name to Horizon Pharma plc (New Horizon). The transaction has been approved by the boards of directors of both the Issuer and Vidara.

At the effective time of the Merger, (i) each share of the Issuer's Common Stock then issued and outstanding will be canceled in exchange for one ordinary share of New Horizon, (ii) each outstanding option under the Issuer's equity incentive plans will be converted into an option to acquire, on substantially the same terms and conditions as were applicable under such option before the effective time of the Merger, the number of New Horizon ordinary shares equal to the number of shares of the Issuer's Common Stock subject to such option immediately prior to the effective time of the Merger, at an exercise price per New Horizon ordinary share equal to the exercise price per share of the Issuer's Common Stock otherwise purchasable pursuant to such option, (iii) each other stock award that is outstanding under the Issuer's equity incentive plans will be converted into a right to receive, on substantially the same terms and conditions as were applicable under such stock award before the effective time of the Merger, the number of New Horizon ordinary shares equal to the number of shares of the Issuer's Common Stock subject to such stock award immediately prior to the effective time and (iv) each outstanding warrant to acquire the Issuer's Common Stock will be

converted into a warrant to acquire, on substantially the same terms and conditions as were applicable under such warrant before the effective time of the Merger, the number of New Horizon ordinary shares equal to the number of shares of the Issuer's Common Stock subject to such warrant immediately prior to the effective time, at an exercise price per New Horizon ordinary share equal to the exercise price per share of the Issuer's Common Stock otherwise purchasable pursuant to such warrant. Upon consummation of the Merger (the Closing), the security holders of the Issuer prior to the Closing would own approximately 75% of New Horizon, and Vidara's shareholders would own approximately 25%.

The New Horizon ordinary shares to be issued to the stockholders of the Issuer will be registered with the Securities and Exchange Commission (the SEC) and are expected to be listed on the NASDAQ Global Stock Market. Upon consummation of the Merger, the Issuer's Common Stock will be delisted from the NASDAQ Global Stock Market and will be eligible for termination of registration under the Securities Exchange Act of 1934, as amended, pursuant to Section 12(g)(4) thereof.

The Merger Agreement contains customary covenants of Vidara, including covenants requiring Vidara: (i) to conduct its business and operations solely in the ordinary course of business and consistent with past practices during the period between the execution of the Merger Agreement and the Closing and (ii) not to solicit, initiate or encourage the submission of any proposal, indication of interest, inquiry or offer relating to a competing transaction, or to participate in any or continue any discussions or negotiations regarding, or furnish to any other person any information with respect to, a competing transaction. The Merger Agreement also contains customary covenants of each of the parties to use its respective reasonable best efforts to take all actions necessary to consummate the transactions contemplated by the Merger Agreement and covenants with respect to the registration of the New Horizon ordinary shares to be outstanding as of the Closing under the Securities Act of 1933, as amended.

The obligation of each party to consummate the Merger or the transactions contemplated by the Merger Agreement is subject to certain conditions, including conditions with respect to the receipt of the requisite approval by the stockholders of the Issuer; accuracy of the representations and warranties of the other party to the applicable standard provided by the Merger Agreement; compliance by the other party with its covenants in the Merger Agreement in all material respects; absence of a material adverse effect on the other party's business, financial condition, operations or results of operations (subject to certain exceptions) since the date of the Merger Agreement; satisfaction of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended; approval for listing of the New Horizon ordinary shares to be issued in the Merger and the New Horizon ordinary shares held by the Vidara shareholders as of the Closing and effectiveness of the registration statement filed with the SEC with respect to the New Horizon ordinary shares to be issued in the Merger, as well as other customary closing conditions. In addition, the Issuer's obligation to consummate the Merger is subject to completion of the Reorganization.

The Merger Agreement also contains termination rights, including that (i) the parties may terminate the transaction by mutual consent and (ii) either party will have the right to terminate the transaction if (A) the Closing has not occurred within 180 days from the date of the Merger Agreement (provided that no party shall have the right to terminate pursuant to this provision if such party's failure to fulfill any obligation under the Merger Agreement has been the cause of the failure of the Closing to occur), (B) any government authority shall have issued an order permanently restraining or prohibiting the Merger or the Reorganization and such order becomes final and nonappealable, (C) the Issuer's stockholders fail to approve the Merger at a meeting of the stockholders of the Issuer at which a vote is taken, (D) the other party breaches such party's representations, warranties or covenants in the Merger Agreement in a manner that renders the closing conditions relating to the accuracy of the representations and warranties and compliance with covenants incapable of being satisfied (subject to cure period) or (E) after the date of the Merger Agreement the other party experiences a material adverse effect with respect to its business, financial condition, operations or results of operations (subject to certain exceptions).

The foregoing description of the Merger Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, a copy of which is included as Exhibit 1 and is hereby incorporated into this report by reference.

Pursuant to the Voting Agreements, the Supporting Stockholders agreed, among other things, to vote their shares of the Issuer in favor of the Merger, in favor of the execution and delivery by the Issuer of the Merger Agreement and the adoption and approval of the Merger Agreement and the terms thereof and in favor of each of the other actions contemplated by the Merger Agreement. In addition, pursuant to the Voting Agreements, the Supporting Stockholders granted an irrevocable proxy to Vidara (as well as, Balaji Venkataraman and Virinder Nohria, solely in their capacities as directors of Vidara) to vote all of their shares of Common Stock at the special meeting of stockholders of Horizon to approve the Merger and the other matters set forth in the Voting Agreements. The Supporting Stockholders also collectively hold options and warrants exercisable for an aggregate of 4,542,071 shares of Common Stock. If any Supporting Stockholder exercises any such option or warrant, the shares of Common Stock issued upon such exercise will become subject to the respective Voting Agreement, and as a result Vidara may be deemed to have shared voting power in respect of such shares. All of the 12,051,301 shares of Common Stock, as well as any shares of Common Stock that may be issued upon the exercise by any Supporting Stockholder of any of the options or warrants referred to in this paragraph, are referred to as the Subject Securities .

The foregoing description of the Voting Agreements does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Voting Agreements, a form of which is attached hereto as Exhibit 2 and is hereby incorporated into this report by reference. All of the Voting Agreements are identical, with the exception of the name and address of the applicable Supporting Stockholder and the number of shares owned by such Supporting Stockholder. The name of each Supporting Stockholder and the applicable shares held by such Supporting Stockholder are set forth on Schedule 2 hereto.

Item 5. Interest in Securities of the Issuer

(a)-(b) As described in Item 4 of this Schedule 13D, as a result of the Voting Agreements and the grant by the Supporting Stockholders of their respective proxies to Vidara to vote their shares to approve the Merger and the other matters set forth in the Voting Agreement, the Reporting Person may be deemed to share the power to vote or to direct the vote of the Subject Securities with respect to such matters. The Reporting Person's current beneficial ownership in the Issuer and the Common Stock arising from such shared ownership is set forth on the cover page to this Schedule 13D and is incorporated by reference herein. The ownership percentage appearing on such cover page has been calculated based on an aggregate total of 68,563,819 shares of Common Stock issued and outstanding as of March 18, 2014, as represented by the Issuer in the Merger Agreement.

The number of outstanding shares of Common Stock of Issuer that may be deemed to be beneficially owned by the Reporting Person with respect to which there is (i) sole voting power is none, (ii) shared voting power is 12,051,301, with respect to those matters set forth in the Voting Agreements, (iii) sole dispositive power is none, and (iv) shared dispositive power is none. The foregoing does not include 4,542,071 shares of Common Stock that may be issued to the Supporting Stockholders upon exercise of options or warrants held by the Supporting Stockholders. If any Supporting Stockholder exercises any such option or warrant, the shares of Common Stock issued upon such exercise

will become subject to the respective Voting Agreement, and as a result the Reporting Person may be deemed to have shared voting power in respect of such shares.

The filing of this Schedule 13D by the Reporting Person shall not be considered an admission that the Reporting Person is the beneficial owner of any of the shares of Common Stock covered by this Schedule 13D for any purpose, and the Reporting Person expressly disclaims such beneficial ownership.

(c) Except as set forth in this Schedule 13D with reference to the Merger Agreement and the Voting Agreements, neither the Reporting Person nor, to the knowledge of the Reporting Person, any director or officer of the Reporting Person or the other persons listed in Item 2(a)-(c) or in Schedule 1 hereto, has effected any transaction in the Common Stock during the past 60 days.

(d) To the knowledge of the Reporting Person, no other person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Subject Securities.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

Other than as described in Items 3, 4 and 5, which are incorporated herein by reference, and in the agreements and documents attached as exhibits hereto or incorporated herein by reference, to the knowledge of the Reporting Person, there are no contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 or between such persons and any other person with respect to any securities of the Issuer, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, the existence of which would give another person voting or investment power over the securities of the Issuer.
