PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

To be held on June 19, 2014

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the Board) of Lifetime Brands, Inc., a Delaware corporation (the Company), for use at the Annual Meeting of Stockholders of the Company (the Meeting) to be held on the date, at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. Stockholders of record at the close of business on May 1, 2014 are entitled to notice of and to vote at the Meeting. This Proxy Statement and the accompanying Proxy shall be mailed to stockholders on or about May 12, 2014.

THE MEETING

On April 30, 2014, there were 13,482,823 shares of the Company's common stock, \$.01 par value, issued and outstanding. Each share of the Company's common stock entitles the holder thereof to one vote on each matter submitted to a vote of stockholders at the Meeting.

All shares of common stock represented by properly executed proxies will be voted at the Meeting in accordance with the directions marked on the proxies, unless such proxies have previously been revoked. If no directions are indicated on such proxies, they will be voted **FOR** Proposal 1 - the election of each nominee named under *Election of Directors*, **FOR** Proposal 2 - the ratification of the appointment of Ernst & Young LLP as the independent registered public accounting firm of the Company for 2014 and **FOR** Proposal 3 - approval of the compensation of the Company's named executive officers. If any other matters are properly presented at the Meeting for action, the proxy holders will vote the proxies (which confer discretionary authority upon such holders to vote on such matters) in accordance with their best judgment. Each proxy executed and returned by a stockholder may be revoked at any time before it is voted by timely submission of a written notice of revocation or by submission of a duly executed proxy bearing a later date (in either case directed to the Secretary of the Company), or, if a stockholder is present at the Meeting, he or she may elect to revoke his or her proxy and vote his or her shares personally.

VOTE REQUIRED FOR APPROVAL

A majority of the Company's outstanding shares of common stock represented at the Meeting, in person or by proxy, shall constitute a quorum. Abstentions will be counted for purposes of determining the presence or absence of a quorum. Assuming a quorum is present, (1) the affirmative vote of a plurality of the shares so represented is necessary for the election of directors, (2) the affirmative vote of a majority of the shares so represented is necessary to ratify the appointment of Ernst & Young LLP as the independent registered public accounting firm of the Company and (3) the affirmative vote of a majority of the shares so represented is necessary to approve, on a non-binding advisory basis, the compensation of the Company's named executive officers:

Edgar Filing: LIFETIME BRANDS, INC - Form DEF 14A

With respect to Proposal 1, you may vote for all nominees, withhold your vote as to all nominees, or vote for all nominees except those specific nominees from whom you withhold your vote. The ten nominees receiving the most FOR votes will be elected. Properly executed proxies marked WITHHOLD with respect to the election of one or more directors will not be voted with respect to the director or directors indicated. Proxies may not be voted for more than ten directors and stockholders may not cumulate votes on the election of directors.

- 1 -

With respect to Proposals 2 and 3, you may vote for, against or abstain from voting on either of these proposals.

If a stockholder, present in person or by proxy, abstains on a matter, such stockholder's shares of common stock, although included in the quorum, will not be voted on such matter. Thus, an abstention from voting on either Proposal 2 or 3 has the same legal effect as a vote against the matter.

Brokers or other nominees who hold shares of the Company's common stock for a beneficial owner have the discretion to vote on routine proposals when they have not received voting instructions from the beneficial owner at least ten days prior to the Meeting. A broker non-vote occurs when a Broker or other nominee does not receive voting instructions from the beneficial owner and does not have the discretion to direct the voting of the shares. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Meeting, but will not be counted for purposes of determining the number of votes present in person or represented by proxy and entitled to vote with respect to a particular proposal. Thus, a broker non-vote will not impact the Company's ability to obtain a quorum and will not otherwise affect the outcome of the vote on a proposal that requires a plurality of votes cast (Proposal 1) or the approval of a majority of the votes present in person or represented by proxy and entitled to vote (Proposals 2 and 3).

MAJORITY VOTING GOVERNANCE PRINCIPLE

Although the Company's By-laws provide for a plurality voting standard for the election of directors, the Board has adopted, as a governance principle, a majority voting standard for uncontested director elections and a plurality voting standard for contested elections. For this purpose, a majority of votes cast means that the number of votes cast for a nominee's election exceeds the number of votes cast against that nominee's election. Accordingly, subsequent to the election of directors at the Meeting, any elected director who is not elected by an affirmative vote of a majority of the votes cast at the Meeting shall submit his or her resignation to the Board. Upon receipt by the Board of such resignation, the Board shall, in its sole judgment and discretion, within ninety (90) days from the submission of such director's resignation as a director of the Company, determine whether to accept or reject such director's resignation. If the Board rejects such director's resignation as a director of the Company, then the Company shall prepare and file a Form 8-K to explain the Board's rationale for its rejection of such director's resignation.

PROXY SOLICITATION

The Company will bear the cost of preparing, printing, assembling and mailing the proxy, this Proxy Statement and other material that may be sent to stockholders in connection with this solicitation. The Company has retained Georgeson, Inc., a proxy solicitation firm, at an estimated cost of \$7,500 plus reimbursement of expenses, to assist in soliciting proxies from brokers, banks, nominees, and institutional holders. Georgeson, Inc. may solicit votes personally or by telephone, mail or electronic means.

It is contemplated that brokerage houses will forward the proxy materials to beneficial holders at the request of the Company. In addition to the solicitation of proxies by the use of mail, officers and other employees of the Company may solicit proxies personally, by telephone or by electronic means without being paid any additional compensation. The Company will reimburse such persons for their reasonable out-of-pocket expenses in accordance with the regulations of the Securities and Exchange Commission (SEC).

**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

All directors, who served as directors at the time, attended the Company's 2013 Annual Meeting of Stockholders. Directors are expected, but not required, to attend the Annual Meeting of Stockholders. The Board holds meetings on at least a quarterly basis and more often, if necessary, to fulfill its responsibilities. The Board held 6 regularly scheduled meetings and 1 special meeting, or a total of seven meetings held during the fiscal year ended December 31, 2013. During the 2013 fiscal year, each director attended a minimum of 75% of the board meetings and meetings of committees on which the director served.

STOCKHOLDER COMMUNICATION WITH DIRECTORS

Stockholders who wish to communicate with members of the Board, including the independent directors, individually or as a group, may send correspondence to them in care of the Secretary at the Company's principal office, 1000 Stewart Avenue, Garden City, New York 11530. Alternatively, the directors may be contacted via e-mail at BoardofDirectors@lifetimebrands.com.

BOARD NOMINATION PROCESS

The Board nominates candidates to serve as directors of the Company based on the recommendation of the Board's Nominating and Governance Committee.

Nominating and Governance Committee's procedures for identifying and evaluating candidates include third party search firm engagement as well as requests for candidate recommendations from within the housewares industry and from outside independent professional advisors to the Company, as the case

may be. In selecting a director nominee, the Nominating and Governance Committee focuses on skills, expertise and background that would complement those of the existing members of the Board, recognizing the nature of the Company's business.

Directors are elected annually by the stockholders of the Company and serve until the next annual meeting of the stockholders and until their successors have been elected and qualified or until their earlier resignation or removal.

The Board has adopted, as a governance principle, a majority voting standard for uncontested director elections and a plurality voting standard for contested elections and, therefore, when the number of director nominees exceeds the number of board seats, a plurality voting standard shall apply. Any director elected by a plurality voting standard, as provided for in the Company's By-laws, at an annual meeting of the Company's stockholders in an uncontested election that does not receive a majority of the votes cast at such annual meeting shall submit his or her resignation to the Board. The Board shall then, in its sole judgment and discretion, within 90 days from submission of such director's resignation, determine whether to accept or reject such director's resignation. If the Board rejects the director's resignation, then the Company shall prepare and file a Form 8-K to explain the Board's rationale for rejecting such director's resignation.

NOMINATING AND GOVERNANCE COMMITTEE

The Nominating and Governance Committee is composed of seven of the Company's independent directors: John Koegel (Chair), David E. R. Dangoor, Michael Jeary, Cherrie Nanninga, Dennis E. Reaves, Michael J. Regan and William U. Westerfield. The Nominating and Governance Committee held four meetings in 2013.

The Nominating and Governance Committee has the following responsibilities:

To evaluate the qualifications of candidates for Board membership and, following consultation with the Chief Executive Officer, recommend to the Board nominees for open or newly created director positions;

To consider nominees recommended by stockholders as long as such recommendations are received at least 120 days before the stockholders meet to elect directors;

To periodically review the composition of the Board to determine whether it may be appropriate to add individuals with different backgrounds or skill sets from those already on the Board, and submit to the Board on an annual basis a report summarizing its conclusions regarding these matters;

To develop and make recommendations to the Board regarding governance principles applicable to the Company;

To periodically assess the structure and operations of the committees of the Board, develop and recommend corporate governance guidelines and review such guidelines at least annually;

To perform an evaluation of the Committee's performance at least annually;

To review the compensation of the Board and recommend changes to the Board; and

To perform such other duties as the Board may assign to the Committee.

The complete text of the Nominating and Governance Committee charter was set forth as Appendix C to the 2012 Proxy Statement. The Nominating and Governance Committee charter is available on the Company's website at www.lifetimebrands.com.

STOCKHOLDER NOMINATION PROCESS

Although the Nominating and Governance Committee has not adopted a policy on stockholder nominations of director candidates, under the Company's By-laws, any stockholder of record (both as of the time notice of such nomination is given and as of the record date) of the Company who is entitled to vote at a meeting may nominate candidates for election as directors. Any such stockholder who seeks to make such a nomination, or its representative, must be present in person at the meeting. Notice of nomination must be given in writing to the Secretary of the Company, which must be received by the Company not less than 90 calendar days nor more than 120 calendar days prior to the anniversary of the prior year's annual meeting. The form of the notice must include the requirements in Section 2.9 of the Company's By-laws.

There are no differences in the manner in which the Nominating and Governance Committee evaluates candidates for director whether an individual is recommended by a stockholder or otherwise.

BOARD DIVERSITY

The Company's diversity policy provides that, while diversity and the variety of experiences and viewpoints represented on the Board should always be considered, a director nominee should not be chosen nor excluded because of race, color, gender, national origin or sexual orientation or identity. The Nominating and Governance Committee assesses the effectiveness of the diversity policy by periodically reviewing the skills, expertise and background of each of the existing members of the Board to determine whether it may be appropriate to add individuals with different backgrounds or skill sets from those existing members of the Board.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors of the Company (the "Audit Committee") reviewed and discussed the consolidated financial statements of the Company and its subsidiaries that are set forth in the Company's 2013 Annual Report to Stockholders and in Item 8 of the Company's Annual Report on Form 10-K for the year ended December 31, 2013 with the management of the Company and with Ernst & Young LLP, the independent registered public accounting firm of the Company.

The Audit Committee discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended, which includes, among other items, matters relating to the conduct of an audit of the Company's financial statements and the adequacy of internal controls.

The Audit Committee received the written disclosures and the letter from Ernst & Young LLP required by Rule 3256 of the Public Company Accounting Oversight Board, *Communications Concerning Independence*, and discussed with Ernst & Young LLP that firm's independence from the Company. The Committee concluded that the provision by Ernst & Young LLP of non-audit services, including tax preparation services, to the Company is compatible with its independence.

Based on the review and discussions with the management of the Company and with Ernst & Young LLP, referred to above, the Audit Committee recommended to the Board that the Company publish the consolidated financial statements of the Company and its subsidiaries for the year ended December 31, 2013 in the Company's Annual Report on Form 10-K for the year ended December 31, 2013.

COMPENSATION DISCUSSION AND ANALYSIS

EXECUTIVE SUMMARY

The Company achieved certain financial and strategic goals during 2013. Consolidated net sales in 2013 increased 3.3% and product margins remained stable, as compared to the prior year. The Company's U.S. wholesale business achieved solid, profitable growth.

The financial highlights for 2013 included the following:

Net sales were \$502.7 million in 2013, as compared to net sales of \$486.8 million in 2012.

Income from operations was \$28.2 million in 2013, as compared to \$27.3 million in 2012.

Income before income taxes and equity in earnings was \$23.2 million in 2013, as compared to \$20.1 million in 2012.

Net income was \$9.3 million in 2013, as compared to net income of \$20.9 million in 2012.

The Company's compensation program, which reflects the Company's long-standing philosophy and objectives, is designed to align executive compensation with the financial results and the achievements of the executives, yielding a high level of correlation between pay and performance. The financial results are evaluated and adjusted by the Compensation Committee to exclude income and expenses, which the Compensation Committee believes should be excluded, to provide for a direct correlation of the financial results and executive compensation.

In 2011, the Board provided stockholders with the opportunity to cast an advisory vote on executive compensation. At the Company's Annual Meeting of Stockholders, held on June 16, 2011, approximately 97.8% of the shares present at the meeting voted to approve the compensation of our named executive officers. Although this vote was non-binding and advisory, the Compensation Committee believes that the outcome affirms stockholder support of the Company's approach to executive compensation. In view of the overwhelming support demonstrated by the stockholders, the Board and Compensation Committee continued their existing approach to determining executive compensation when considering executive compensation decisions in 2012 and 2013. The next advisory vote on executive compensation will occur at the Company's Annual Meeting of Stockholders in 2014. Both the Board and Compensation Committee expect to take into account the outcome of the vote when considering future executive compensation decisions.

COMPENSATION PHILOSOPHY AND OBJECTIVES

The Company's compensation program historically has been designed to attract, reward and retain capable executives and to provide incentives for the attainment of short-term performance objectives and strategic long-term performance goals. A number of key principles guide management and the Compensation Committee in determining compensation for hiring, motivating, rewarding and retaining executive officers who create both short and long-term stockholder value for the Company, including:

A significant amount of compensation should be linked to measurable success in business performance;

Management's interests should be aligned with those of the stockholders;

Both short and long-term financial and business objectives should be incentivizing; and

Compensation should be set at levels that will be competitive with the compensation offered by those companies against whom the Company competes for executive talent so that the Company is able to attract and retain talented and experienced executives.

In an effort to balance the need to retain executive talent yet motivate executives to achieve superior performance, the Company has adopted a compensation philosophy that contains both fixed and variable elements of compensation. The Company's compensation philosophy is to reward executives with compensation aligned with the Company's short-term and long-term financial goals and the establishment of performance targets that do not promote excessive risk. The elements of the Company's total executive compensation are base salary, cash bonus and stock incentives. The compensation program was designed to create a substantial percentage of variable compensation for executives, subject to increases or decreases based on the attainment of specified achievements and targets. Consistent with the Company's goal of linking pay and performance, the performance-based compensation of the Company's CEO and COO amounted to 61% and 57% of their total compensation, respectively, for 2013.

The Compensation Committee uses its reasonable discretion in allocating compensation between long- and short-term incentives and cash and non-cash components. Although long-term incentive is considered of great significance in aligning performance with shareholder interests, it has traditionally been a smaller component of aggregate compensation and in line with other companies in the Company's peer group.

The Compensation Committee has the authority to review and approve compensation principles that apply generally to the Company's executive and senior employees. The Committee reviews corporate goals and objectives relevant to the compensation of the CEO and the COO of the Company, evaluates their performance in light of the established goals and objectives and approves their annual compensation. The Committee also reviews the corporate goals and objectives established by the CEO and the COO of the Company relevant to the compensation of all other executive officers of the Company and all direct reports of the CEO and COO. Based primarily on the evaluations and recommendations of the CEO and the COO of the Company of the performance of such executive officers and direct reports in light of the established goals and objectives, the Compensation Committee approves their annual compensation. The Committee reviews the evaluation process and compensation structure for the other members of the senior management of the Company and provides oversight regarding management's decisions concerning the performance and compensation of such members of senior management. The Compensation Committee relies on reports of its independent compensation consultant, Pearl Meyer & Partners, as to the elements of compensation among the Company's peer group of companies (discussed under *Role of Compensation Committee*) and the proportion

of each component relative to the total compensation.

- 17 -

The named executive officers (NEOs) of the Company are:

Jeffrey Siegel Chairman of the Board of Directors, Chief Executive Officer and Director

Ronald Shiftan Vice Chairman of the Board of Directors and Chief Operating Officer and Director

Daniel Siegel President

Craig Phillips Senior Vice-President Distribution and Director

Laurence Winoker Senior Vice-President Finance, Treasurer and Chief Financial Officer

ROLE OF THE COMPENSATION CONSULTANT

Since 2008, the Compensation Committee has engaged Pearl Meyer & Partners as the Compensation Committee's independent outside compensation consultant to provide services related to executive and non-employee director compensation. Pearl Meyer & Partners does not provide other services to the Company unless approved by the Compensation Committee.

Pearl Meyer & Partners assists the Compensation Committee in its evaluation of the Company's compensation philosophy and with the development of relevant metrics used by the Compensation Committee to assure internal equity and market parity. Pearl Meyer provides compensation benchmark data and information relative to the Company's peer group. Pearl Meyer & Partners developed a peer group of companies with characteristics generally comparable to the Company's revenue and market capitalization for review and approval by the Compensation Committee. The peer group companies used in the analysis are:

Blyth Inc.

Kenneth Cole Productions Inc.

CSS Industries Inc.

Perry Ellis Intl Inc.

G-III Apparel Group

Helen of Troy

JAKKS Pacific Inc.

Libbey Inc.

Kid Brands, Inc.

The Compensation Committee believes that the companies included in the peer group are the most comparable public companies; however, most of the Company's direct competitors are either smaller, international or privately-held. The Compensation Committee considers the competitive data compiled by Pearl Meyer & Partners as reference points, but does not benchmark to specific pay levels when establishing goals and objectives relevant to the Company's compensation policy. In 2010, Pearl Meyer & Partners provided competitive data and a market analysis which was used by the Compensation Committee in negotiating the terms of the CEO's new employment agreement, which became effective on January 1, 2011.

As required under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, the Compensation Committee analyzed whether the services of Pearl Meyer & Partners could result in any conflicts of interest, giving consideration to the following factors:

Pearl Meyer & Partners does not provide any services to the Company other than as disclosed;

The fees paid by the Company amount to less than 1% of Pearl Meyer & Partners' total revenue for the applicable period;

The policies and procedures of the Compensation Committee were designed to ensure independence;

Pearl Meyer & Partners does not have any business or personal relationship with any executive officer of the Company or any member of the Compensation Committee; and

Neither Pearl Meyer & Partners, nor any of its consultants that provide services to the Compensation Committee, own any stock of the Company.

The Compensation Committee has determined, based on its own analysis, that the services of Pearl Meyer & Partners, including the individual compensation advisors employed by Pearl Meyer & Partners, have not created any conflicts of interest. On an annual basis, the Compensation Committee will continue to monitor the independence of its compensation consultant.

SPECIFIC ELEMENTS OF NEO COMPENSATION

SALARY

Salary is intended to compensate the executive for performance of core job responsibilities and duties.

The salaries of Jeffrey Siegel and Ronald Shiftan are fixed by employment agreements that were negotiated between Messrs. Siegel and Shiftan, respectively, and the Compensation Committee of the Board of Directors. The amount and components of aggregate compensation for comparable positions in the Company's peer group of companies as well as the preferences of Messrs. Siegel and Shiftan were taken into account by the Compensation Committee in determining their compensation.

In determining Mr. Siegel's compensation, the Compensation Committee took into account Mr. Siegel's long-standing executive role in the Company, his extensive knowledge of and experience in the housewares industry and his role in directing the growth of the Company. The Compensation Committee views Mr. Siegel as one of the most experienced and successful executives in the housewares industry. The Compensation Committee also reviewed the amount and composition of compensation being paid to other chief executive officers among the Company's peer group of companies (discussed under *Role of Compensation Consultant*) having the depth of experience, knowledge and industry awareness possessed by Mr. Siegel.

In determining Mr. Shiftan's compensation, the Compensation Committee took into account his significant role in developing, structuring and implementing the Company's growth and acquisition strategies. The Compensation Committee also considered Mr. Shiftan's role in assisting Mr. Siegel in various aspects of the Company's business.

The salaries of Craig Phillips and Laurence Winoker are set forth in their employment agreements with the Company. The employment agreements were negotiated between Messrs. Phillips and Winoker, respectively, with the Chief Executive Officer and the Chief Operating Officer, in consultation with the Compensation Committee. The salaries set forth in their employment agreements were determined by the Chief Executive Officer and Chief Operating Officer, in consultation with the Compensation Committee, taking into consideration their roles and responsibilities within the Company, as well as the amount and components of aggregate compensation for comparable positions in the Company's peer group of companies.

Daniel Siegel does not have an employment agreement with the Company. The salary of Mr. Daniel Siegel is determined annually by the Compensation Committee, in consultation with the Chief Executive Officer and Chief Operating Officer, taking into consideration his role and responsibility within the Company, as well as his experience and prior performance.

NON-EQUITY INCENTIVE PLAN COMPENSATION

Non-equity incentive plan compensation is intended to compensate an executive for achievement of specific performance goals for a specified performance period.

Mr. Jeffrey Siegel and Mr. Shiftan receive cash bonuses based on certain targets established pursuant to their respective employment agreements that are based on earnings before interest and taxes adjusted for certain items, and individual goals as more fully described below. Cash bonuses were awarded to Mr. Siegel and Mr. Shiftan pursuant to the Company's Amended 2000 Incentive Bonus Compensation Plan (the "Amended 2000 Bonus Plan").

The purpose of the Amended 2000 Bonus Plan is: (i) to retain and motivate key executives of the Company who have been designated as participants in this plan for a given performance period by providing them with the opportunity to earn bonus awards that are based on specified performance goals for the specified performance period and (ii) to structure bonus opportunities in a way that will qualify the awards as performance-based for purposes of Section 162(m) of the Internal Revenue Code (the "Code") so that the Company will be entitled to a tax deduction for the payment of such incentive bonus awards to the designated participants.

The Compensation Committee has determined that Adjusted IBIT best measures the efforts and productivity of Messrs. Jeffrey Siegel, Shiftan, Winoker and Daniel Siegel and that Adjusted EPS is a meaningful measure of the performance of Mr. Phillips. The term "Adjusted IBIT," as it applies to any particular year, means that amount for such year equal to the Company's income before income taxes and equity in earnings, as reported in the Company's Form 10-K, subject to such adjustments as are set forth in the Adjusted IBIT Performance Bonus Table for such year. The term "Adjusted EPS" means reported EPS adjusted for any acquisition-related expenses and any charges or credits to net income that are determined to be non-recurring or unusual in nature.

In determining to use Adjusted IBIT and Adjusted EPS as performance measures for this purpose, the Compensation Committee was also guided by the extent to which these measures are within the control of the respective named executive officer. For the purpose of establishing the target Adjusted IBIT or Adjusted EPS for the named executive officers entitled to cash bonus incentive awards in a given year, the Compensation Committee relied on Pearl Meyer & Partners, the Compensation Committee's independent outside compensation consultant as to benchmarks among the Company's peer group of companies. The Compensation Committee also relied on the annual budget for the Company in establishing the threshold, target and maximum bonus tied to achievement of these targets for the CEO and COO and for the other named executive officers.

The target performance metric for the 2013 fiscal year for Adjusted IBIT was \$20.2 million and for Adjusted EPS was \$1.08. The Company achieved an Adjusted IBIT of \$25.9 million and an Adjusted EPS of \$1.19 for the 2013 fiscal year.

In addition to Adjusted IBIT, individual goals are established for Messrs. Siegel and Shiftan by the Compensation Committee. With respect to Messrs. Phillips, Winoker and Daniel Siegel, individual goals are established by the Chief Executive Officer and Chief Operating Officer in consultation with the Compensation Committee. The individual goals of each of the named executive officers for 2013 are discussed below. At the end of the fiscal year, Mr. Jeffrey Siegel and Mr. Shiftan prepare written materials to the Compensation Committee based on their assessment of whether

the individual goals have been achieved during the year. The Compensation Committee reviews these materials and assesses independently the extent to which individual goals were achieved.

Cash bonuses paid to Mr. Jeffrey Siegel of \$1,535,091 and Mr. Shiftan of \$886,340 in 2013 represented 68% and 63%, respectively, of the maximum cash bonuses available to them of \$2,250,000 and \$1,397,500, respectively, pursuant to their employment agreements.

Mr. Phillips and Mr. Winoker are each entitled to receive a bonus determined based on financial and performance objectives set forth in writing at the beginning of each calendar year during the term of their employment agreements by the Chief Executive Officer and Chief Operating Officer, in consultation with the Compensation Committee.

Mr. Daniel Siegel is entitled to receive a bonus determined based on financial and performance objectives set forth in writing at the beginning of each calendar year by the Chief Executive Officer and Chief Operating Officer, in consultation with the Compensation Committee.

Jeffrey Siegel

Jeffrey Siegel's employment agreement entitles him to receive (a) an Annual Adjusted IBIT Performance Bonus at a target of 100% of salary based on an Adjusted IBIT Performance Bonus Table prepared by the Compensation Committee and the annual budget reviewed and approved by the Board of Directors of the Company and (b) an Annual Individual Goal Bonus based on certain measurable objectives (discussed below for 2013). Pursuant to Mr. Siegel's employment agreement, the threshold Adjusted IBIT for such year would be 50% of the target Adjusted IBIT for such year which, if achieved, would entitle Mr. Siegel to receive 50% of the target bonus for such year consistent with the Adjusted IBIT Performance Bonus Table for such year. Similarly, the maximum Adjusted IBIT for such year would be 200% of the target Adjusted IBIT for such year which, if achieved, would entitle Mr. Siegel to receive 200% of the target bonus for such year consistent with the Adjusted IBIT Performance Bonus Table for such year. The Employment Agreement also provided that the Adjusted IBIT Performance Bonus for any such year would be zero if the Adjusted IBIT achieved by the Company for such year was less than the threshold Adjusted IBIT for such year.

Mr. Siegel's employment agreement further entitles Mr. Siegel to receive an Annual Individual Goal Bonus equal to 25% of his salary for such year based on meeting individual measurable objectives set by the Compensation Committee in consultation with Mr. Siegel. If Mr. Siegel satisfies at least 50% of such objectives, he shall be entitled to an Annual Individual Goal Bonus equal to 12.5% of his salary for such year. If Mr. Siegel meets less than 50% of such objectives, he shall not be entitled to receive any Annual Individual Goal Bonus for such year.

For 2013, 80% of Mr. Siegel's target cash bonus was tied to Adjusted IBIT and 20% was tied to individual goals that included: development of a marketing and branding plan for the Fred and Friends business (which the Company acquired in December 2012), updating of the Company's succession plans, the launch of new brands, the expansion of certain existing brands, the addition of owned or licensed brands needed for different parts of the Company's business and reduction of the loss of the Home Décor business. The Compensation Committee evaluated Mr. Siegel's achievement of his performance objectives set forth and determined that the objectives were met. For 2013, Mr. Siegel was entitled to receive an Annual Adjusted IBIT Performance Bonus of \$1.0 million, or 100% of his salary, based upon the attainment of an Adjusted IBIT target of \$20.2 million in 2013. The 2013 threshold Adjusted IBIT was \$10.1 million and would have entitled Mr. Siegel to receive 50% of the target Adjusted IBIT bonus amount of \$1.0 million. For the year ended December 31, 2013, the Adjusted IBIT amounted to \$25.9 million, or 129% of the target Adjusted IBIT, and Mr. Siegel was paid a bonus of \$1.285 million, or 129% of the target bonus, based on the Adjusted IBIT achieved. Mr. Siegel was also entitled to receive and was paid an Annual Individual Goal Bonus of \$250,000, equal to 25% of his salary, which was based on the attainment of his individual goals described above. Mr. Siegel received his target Individual Goal Bonus.

Ronald Shiftan

Mr. Shiftan's Second Amended and Restated Employment Agreement, as described under the *Summary Compensation Table* entitled Mr. Shiftan to receive (a) an Annual Adjusted IBIT Performance Bonus at a target of 90% of salary based on an Adjusted IBIT Performance Bonus Table prepared by the Compensation Committee and the annual budget reviewed and approved by the Board of Directors of the Company and (b) an Annual Individual Goal Bonus based on certain measurable objectives (discussed below for 2013). Pursuant to the Second Amended and Restated Employment Agreement, the threshold Adjusted IBIT for any such year would be 50% of the target Adjusted IBIT for such year which, if achieved, would entitle Mr. Shiftan to receive 50% of the target bonus for such year consistent with the Adjusted IBIT Performance Bonus Table for such year. Similarly, the maximum Adjusted IBIT for such year would be 200% of the target Adjusted IBIT for such year which, if achieved, would entitle Mr. Shiftan to receive 200% of the salary payable to Mr. Shiftan for such year consistent with the Adjusted IBIT Performance Bonus Table for such year. The Second Amended and Restated Employment Agreement also provides that the Adjusted IBIT Performance Bonus for any such year would be zero if the Adjusted IBIT achieved by the Company for such year was less than the threshold Adjusted IBIT for such year.

The Second Amended and Restated Employment Agreement also entitles Mr. Shiftan to receive an Annual Individual Goal Bonus equal to 15% of his salary for such year based on meeting individual measurable objectives set by the Chief Executive Officer and monitored by the Compensation Committee of the Board of Directors. If Mr. Shiftan met at least 50% of such objectives, he would be entitled to an Annual Individual Goal Bonus equal to at least 7.5% of his salary for such year. If Mr. Shiftan satisfied less than 50% of such objectives, he would not be entitled to receive any Annual Individual Goal Bonus for such year.

For 2013, 85.7% of Mr. Shiftan's target cash bonus was tied to Adjusted IBIT and 14.3% was tied to individual goals that included: identifying opportunities to manufacture products in North America, improving the Company's B2B and B2C e-commerce businesses, the implementation of e-commerce systems at Vasconia, GSI and the Company's subsidiaries and identifying possible M&A opportunities for the Company and at its international affiliate and partner companies. The Compensation Committee evaluated Mr. Shiftan's achievement of the performance objectives set forth and determined that the objectives were met. In 2013, Mr. Shiftan was entitled to receive an Annual Adjusted IBIT Performance Bonus of \$585,000, or 90% of salary, based upon the attainment of an Adjusted IBIT target of \$20.2 million in 2013. The 2013 threshold Adjusted IBIT was \$10.1 million and would have entitiled Mr. Shiftan to receive 50% of the target Adjusted IBIT bonus amount of \$585,000. For the year ended December 31, 2013, Adjusted IBIT amounted to \$25.9 million, or 129% of the target amount, and Mr. Shiftan was paid a bonus of \$788,840, or 135% of the target bonus, based on the Adjusted IBIT achieved. Mr. Shiftan was also entitled to receive and was paid an Annual Individual Goal Bonus of \$97,500, equal to 15% of his salary, which was based on the attainment of his individual goals described above. Mr. Shiftan received his target Individual Goal Bonus.

Craig Phillips

Mr. Phillips's employment agreement provides for an annual bonus determined by the Company's Chief Executive Officer and Chief Operating Officer, in consultation with the Compensation Committee of the Board of Directors, based primarily upon the Chief Executive Officer's and Chief Operating Officer's evaluation of Mr. Phillips's performance during such calendar year.

For 2013, Mr. Phillips was entitled to receive a performance bonus based on an earnings target and individual performance objectives set forth at the beginning of the year. The earnings target and

performance objectives were determined by the Company's Chief Executive Officer and Chief Operating Officer, in consultation with the Compensation Committee. For 2013, 40% of Mr. Phillips' cash bonus was tied to Adjusted EPS and 60% was tied to individual goals including a reduction of warehouse expenses as a percentage of wholesale warehouse sales, a measurable decrease in compliance related charge-backs and development of sustainability programs at all Company facilities. No cash bonus was to be payable to Mr. Phillips if the Company had less than \$5 million in net income and the amount payable in connection with individual goals was subject to adjustment if the Company earned less than \$10 million.

The Company's Chief Executive Officer and Chief Operating Officer, in consultation with the Compensation Committee, evaluated Mr. Phillips' achievement of the performance objectives set forth and determined that the objectives had been met. For 2013, Mr. Phillips was awarded a total bonus of \$147,600, or 41% of his salary, based upon his attainment of the 2013 objectives. The 2013 threshold Adjusted EPS was \$0.86 per share and would have entitled Mr. Phillips to receive 80% of the target bonus amount of \$36,000. Actual 2013 Adjusted EPS amounted to \$1.19 per share, which resulted in a bonus award of \$39,600. The target amount of his individual performance bonus was \$54,000 or 15% of his salary and the maximum amount he could receive was 200% of the target bonus. The attainment of the individual performance objectives resulted in the payment to Mr. Phillips of an individual performance bonus of \$108,000 which represented 30% of Mr. Phillips' salary and 200% of the target bonus.

Laurence Winoker

Mr. Winoker's employment agreement provides for a performance bonus based on performance objectives set forth in writing at the beginning of each calendar year during the term of the employment agreement.

For 2013, Mr. Winoker was entitled to receive a performance bonus based on an earnings target and individual performance objectives that were set forth at the beginning of the year. The earnings target and performance objectives were determined by the Company's Chief Executive Officer and Chief Operating Officer, in consultation with the Compensation Committee of the Board of Directors. For 2013, 75% of Mr. Winoker's cash bonus was tied to Adjusted IBIT and 25% was tied to individual goals including improvement in the timeliness of the Company's financial reporting, implementation of strategies for increasing profitability, and completion of the integration of the Fred & Friends business. No cash bonus was to be payable to Mr. Winoker if the Company had less than \$5 million in net income and the amount payable in connection with individual goals was subject to adjustment if the Company earned less than \$10 million.

The Company's Chief Executive Officer and Chief Operating Officer, in consultation with the Compensation Committee, evaluated Mr. Winoker's achievement of his performance objectives set forth and determined that the objectives were met. For 2013, Mr. Winoker was awarded a total bonus of \$333,664, or 79% of his salary, based upon his attainment of the 2013 objectives. The 2013 threshold Adjusted IBIT was \$10.1 million and would have entitled Mr. Winoker to receive 50% of his target bonus amount of \$106,250. For the year ended December 31, 2013, the Adjusted IBIT amounted to \$25.9 million, or 129% of the target, and Mr. Winoker was paid a bonus of \$227,414, or 54% of Mr. Winoker's salary, based on the Adjusted IBIT achieved. The attainment of the individual performance objectives, as established at the beginning of the year, resulted in the payment to Mr. Winoker of an individual performance bonus of \$106,250, which represented 25% of Mr. Winoker's salary and 100% of the target bonus.

Daniel Siegel

For 2013, 75% of Mr. Daniel Siegel's cash bonus was tied to Adjusted IBIT and 25% was tied to individual goals including fulfillment by Mr. Siegel of his oversight responsibility for product development, marketing, and strategic planning, development of new business initiatives and fulfillment of his responsibility for category manager training and development. STOCK OPTIONS

Stock option compensation is intended to incentivize employees and to promote a closer identity of interest between the Company's employees and its stockholders. Additionally, stock options are also aimed at retention as the vesting period, generally, ranges from 3 to 5 years.

The Compensation Committee granted stock options to Jeffrey Siegel, Ronald Shiftan and Laurence Winoker in connection with their entering into their respective employment agreements. In addition, each NEO generally receives stock options once a year in connection with annual performance reviews based on an assessment of such person's individual performance and, where appropriate, the performance of such person's business unit (division), as well as overall Company performance and the dilutive effect of the stock options. Stock option awards to named executive officers in 2013 were not based on any pre-established quantitative performance metrics. In determining the number of stock options to be granted to employees, Mr. Siegel and Mr. Shiftan annually develop a list of employees who are paid a salary of more than \$200,000 a year (excluding themselves). The entire number of stock options to be granted in a year, which is generally options to purchase in the range of 250,000 to 350,000 shares of the Company's stock, are divided into tiers corresponding to the salary tiers of the employees on the list. Certain high performing, high-potential employees who earn a salary of less than \$200,000 a year are added to the list at the discretion of the Company's management. Stock option share amounts are then proposed for individual employees by Messrs. Siegel and Shiftan in consultation with the Company's human resources department. The list of proposed stock option share grants is then submitted to the Compensation Committee who reviews and discusses with management and additionally determines the number of stock option shares to be granted to Mr. Siegel and Mr. Shiftan in line with the numbers of stock option shares granted to other employees. The grant date fair value of annual options awards granted to the NEOs in 2013, 2012 and 2011 represented 6 to 10% of the NEOs' total compensation.

In 2009, Pearl Meyer & Partners provided the Compensation Committee with guidelines for long-term incentives that approximated the Company's targeted competitive position of between the 50th and 75th percentiles with respect to the Company's peer group and long-term incentive survey data, which was measured using a variety of different perspectives in recognition of the Company's share price volatility leading up to the date of the analysis.

Stock options granted in 2013, 2012 and 2011 were granted pursuant to the Company's 2000 Long-Term Incentive Plan, as amended (the "2000 Long-Term Plan"). Under the 2000 Long-Term Plan, up to 4,200,000 shares of the Company's common stock may be subject to outstanding awards granted by the Board of Directors of the Company, or a duly appointed committee thereof, to directors, officers, employees, consultants and service providers to the Company and its affiliates in the form of stock options or other equity-based awards. At December 31, 2013, 643,073 shares of the total 4,200,000 shares authorized under the 2000 Long-Term Plan were available for awards that could be granted.

ACCOUNTING AND TAX CONSIDERATIONS

Section 162(m) of the Code generally disallows a tax deduction to public companies for compensation in excess of \$1 million paid to any of the company's chief executive officer and other named executive officers. Qualifying performance-based compensation is not subject to the deduction limitation if certain requirements are met. The Company periodically reviews the potential consequences of Section 162(m) and may structure the performance-based portion of an executive's compensation to comply with certain exemptions in Section 162(m). However, the Company reserves the right to use its judgment to authorize compensation payments that do not comply with the exemptions in Section 162(m), when the Company believes that such payments are appropriate and in the best interests of the stockholders, after taking into consideration changing business conditions and the executive officer's performance.

POLICY REGARDING RESTATEMENTS

The Company does not have a formal policy regarding adjustment or recovery of awards or payments if the relevant performance measures upon which they are based are restated or otherwise adjusted in a manner that would reduce the size of the award or payment. Under those circumstances, the Board or the Compensation Committee would evaluate whether adjustments or recoveries of awards would be appropriate based upon the facts and circumstances surrounding the restatement. The Company will comply with any future regulatory requirements as mandated under the Dodd Frank Act as they become effective.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management. The Compensation Committee also evaluates the levels of risks arising from the Company's compensation policies and practices and reviews suggested practices to mitigate such risks. The risks considered by the Compensation Committee included the following:

Strategic risk, which involves the alignment of performance metrics of executives with the objective of long-term value creation for shareholders;

Governance risk, focused on the independence and level of expertise of Compensation Committee members as well as the use of a compensation consultant; and

Pay-mix risk, which includes the balancing of the fixed and variable performance components of executive compensation.

The Company concluded that the risks arising from the Company's compensation policies and practices are not reasonably likely to have a material adverse effect on the Company. Based on this review, discussion and evaluation of risks, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in the Company's Proxy Statement.

The Employment Agreement for Mr. Siegel, which became effective as of January 1, 2011, extended the term of Mr. Siegel's employment through December 31, 2013, with automatic renewals for additional one year periods unless his employment is terminated by either the Company or Mr. Siegel; provides for an annual base salary of \$1,000,000; Company-paid automobile expenses; reimbursement of certain legal, financial and other professional services up to \$10,000 during any 12-month period; and reimbursement of insurance premiums up to \$60,000 per year. The amendment eliminated all gross-up payments for taxes on such additional payments.

Pursuant to the Employment Agreement, the Company granted Mr. Siegel an option to purchase 150,000 shares of the Company's common stock at a price per share equal to the closing stock price on March 4, 2011. Such stock option vested in three installments, the last of which became exercisable on December 31, 2013 and the option will expire ten years from the date of grant.

The Employment Agreement also entitles Mr. Siegel to receive an Annual Adjusted IBIT Performance Bonus and an Annual Individual Goal Bonus as described under *Non-Equity Incentive Plan Compensation*.

Jeffrey Siegel

Jeffrey Siegel's Employment Agreement contains the following provisions regarding termination and change of control. These provisions are substantially similar to the corresponding provisions under his New Employment Agreement.

Termination for cause; resignation without good reason.

If Mr. Siegel's employment is terminated by the Company for cause or if Mr. Siegel resigns other than for good reason, Mr. Siegel shall be entitled to be paid the following amounts (collectively, the "Accrued Obligations"):

His salary accrued up to and including the date of termination or resignation of his employment,

An amount in lieu of any accrued but unused vacation time, and

The amount of any unreimbursed expenses.

- 37 -

Notwithstanding anything to the contrary in his employment agreement, Mr. Siegel shall be entitled to exercise any then-outstanding stock options granted to Mr. Siegel that shall have vested on or prior to such termination or resignation of employment.

Involuntary Termination.

If Mr. Siegel's employment is terminated (i) by the Company for any reason other than cause, (ii) by Mr. Siegel for good reason, (iii) by the Company or Mr. Siegel due to Mr. Siegel's disability or (iv) by reason of Mr. Siegel's death (such a resignation or termination being hereinafter referred to as an *Involuntary Termination*), Mr. Siegel shall be entitled to payment of the Accrued Obligations.

In addition, in the event of Mr. Siegel's *Involuntary Termination*, the Company shall pay to Mr. Siegel as severance (the *Severance Payments*) the following amounts:

3.0 times his salary,

3.0 times the average annual bonus paid by the Company to Mr. Siegel with respect to the two immediately preceding years, and

The Annual Adjusted IBIT Performance Bonus accrued to the date of termination.

Anything in his employment agreement to the contrary notwithstanding, no such *Severance Payments* shall be payable if Mr. Siegel's employment with the Company ends at the expiration or non-renewal of the term of his employment under his employment agreement (the *Term*).

In addition, Mr. Siegel shall continue to participate, at the Company's expense, in the Company's health and medical plans and any other benefits provided to Mr. Siegel at the time of such *Involuntary Termination* until the end of the *Term* or until Mr. Siegel obtains other employment, whichever occurs first.

In addition, in the event of Mr. Siegel's *Involuntary Termination*, all of Mr. Siegel's then-outstanding stock options shall be immediately vested and exercisable.

Involuntary Termination in connection with certain changes in control.

If, during the *Term*, the Company undergoes a *Change in Control*, and either (i) Mr. Siegel's employment is thereafter terminated under circumstances that would constitute an *Involuntary Termination* or (ii) Mr. Siegel undergoes an *Involuntary Termination* and within 90 days of the *Involuntary Termination*, the Company executes a definitive agreement to enter into a transaction the consummation of which would result in a change in control and such transaction is actually consummated, then Mr. Siegel shall be entitled to all payments, benefits and stock based compensation as outlined under the *Involuntary Termination* section above. The Company shall make the payments and provide the benefits to be paid and provided under his employment agreement. However, if all or any portion of the payments and benefits would constitute a *parachute payment* within the meaning of Section 280G of the Code (or a similar or successor provision), the Company shall reduce such payments to the extent necessary so that (i) no portion thereof shall be subject to the excise tax imposed by Section 4999 of the Code (or a similar or successor provision); and, (ii) by reason of such reduction, the net after-tax benefit to Mr. Siegel shall exceed the net after-tax benefit if such reduction were not made.

Termination due to disability.

In the event of Mr. Siegel's disability, either the Company or Mr. Siegel shall be entitled to terminate Mr. Siegel's employment. In the event that Mr. Siegel elects to terminate his employment due to disability, such termination shall be deemed to be an Involuntary Termination and Mr. Siegel shall be entitled to payment of the Accrued Obligations, the Severance Payments and any disability benefits that are provided under the terms of any pension, medical, disability or life insurance plan applicable to senior executives of

the Company, applicable to Mr. Siegel at the time of his disability. In addition, in the event Mr. Siegel's employment is terminated due to disability, all of Mr. Siegel's then-outstanding stock options shall be immediately vested and exercisable.

Death.

Except in certain circumstances, no salary or benefits shall be payable under the New Employment Agreement following the date of Mr. Siegel's death. In the event of Mr. Siegel's death, the Accrued Obligations and the Severance Payments shall be paid to Mr. Siegel's beneficiary. Mr. Siegel's beneficiary shall also be entitled to any death benefits that are provided under the terms of any pension, medical, disability or life insurance plan applicable to senior executives of the Company, applicable to Mr. Siegel at the time of death. In addition, in the event of Mr. Siegel's death, all of Mr. Siegel's then-outstanding stock options shall be immediately vested and exercisable.

Continuation of Life Insurance.

Notwithstanding the termination of Mr. Siegel's employment (other than for cause or by reason of his death) the Company shall continue in force and pay the premiums on life insurance on the life of Mr. Siegel that the Company is required to maintain and pay the premiums on pursuant to the New Employment Agreement.

Ronald Shiftan

The Company shall make the payments and provide the benefits to be paid and provided under his employment agreement. However, if all or any portion of the payments and benefits would constitute a parachute payment within the meaning of Section 280G of the Code (or a similar or successor provision), the Company shall reduce such payments to the extent necessary so that (i) no portion thereof shall be subject to the excise tax imposed by Section 4999 of the Code (or a similar or successor provision); and, (ii) by reason of such reduction, the net after-tax benefit to Mr. Shiftan shall exceed the net after-tax benefit if such reduction were not made.

Termination due to disability.

In the event of Mr. Shiftan's disability, either the Company or Mr. Shiftan shall be entitled to terminate Mr. Shiftan's employment. In the event that Mr. Shiftan elects to terminate his employment due to disability, such termination shall be deemed to be an Involuntary Termination and Mr. Shiftan shall be entitled to payment of the Accrued Obligations, the Severance Payments and any disability benefits that are provided under the terms of any pension, medical, disability or life insurance plan applicable to senior executives of the Company, applicable to Mr. Shiftan at the time of his disability. RISK ASSESSMENT OF COMPENSATION PROGRAMS

The Company does not believe that its compensation programs create risks that are reasonably likely to have a material adverse effect on the Company. The Company's Compensation Committee is charged with the responsibility to review compensation programs that may create incentives that can affect the Company's risk and management of that risk.

LIMITATION ON DIRECTORS AND OFFICERS LIABILITY

The Company's Second Restated Certificate of Incorporation contains a provision which eliminates the personal liability of a director for monetary damages other than for breaches of the director's duty of loyalty to the Company or its stockholders, acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law or violations under Section 174 of the Delaware General Corporation Law or for any transaction from which the director derived an improper personal benefit.

The Company has entered into indemnification agreements with each of its officers and directors which provide that the Company will indemnify the indemnitee against expenses, including reasonable attorney's fees, judgments, penalties, fines and amounts paid in settlement, actually and reasonably incurred by him or her in connection with any civil or criminal action or administrative proceeding arising out of the performance of his or her duties as a director, officer, employee or agent of the Company. Such indemnification is available if the acts of the indemnitee were in good faith, if the indemnitee acted in a manner he or she reasonably believed to be in or not opposed to the best interests of the Company and, with respect to any criminal proceeding, the indemnitee had no reasonable cause to believe his or her conduct was unlawful.

The Company maintains directors and officers liability insurance policies. The policies insure the directors and officers of the Company against loss arising from certain claims made against such directors or officers by reason of certain wrongful acts.

PROPOSAL NO. 2**RATIFICATION OF APPOINTMENT OF****INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2014**

The Audit Committee appointed the firm of Ernst & Young LLP (Ernst & Young) as the independent registered public accounting firm to audit the Company's financial statements for the fiscal year ended December 31, 2013. Ernst & Young has audited the Company's financial statements since 1984.

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related and tax services and other services performed by the independent auditor. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it. The Audit Committee has delegated to the Chair of the Audit Committee authority to approve permitted services costing up to \$50,000 provided that the Chair reports any decisions to the Committee at its next scheduled meeting.

The following table sets forth fees paid or payable to Ernst & Young for services provided in each of the years ended December 31, 2013 and 2012:

	2013	2012
Audit fees	\$ 1,374,000	\$ 1,395,000
Audit-related fees	405,000	165,000
Tax fees	282,000	313,000
All other fees	2,000	2,000
Total	\$ 2,063,000	\$ 1,875,000

Audit fees

Audit fees are fees paid to Ernst & Young for the annual audit of the Company's financial statements, the quarterly reviews of the Company's financial statements included in its Forms 10-Q, fees related to the Company's annual audit of internal controls over financial reporting, statutory audit fees and fees for regulatory filings.

Audit-related fees

Audit related fees are fees paid to Ernst & Young for assurance and related services that are related to the performance of the audit or review of the financial statements but not reported as audit fees as well as other audit and due diligence procedures in connection with acquisitions or dispositions.

Tax fees

Tax fees are billed for services rendered for tax compliance including the preparation of tax returns and tax advisory services.

All other fees

All other fees consist of fees paid to Ernst & Young for access to Ernst & Young's online accounting research tool.

In making its appointment of Ernst & Young to audit the Company's financial statements for the fiscal year ending December 31, 2014, the Audit Committee reviewed past audit, audit related and other non-audit services performed during 2013. In selecting Ernst & Young, the Audit Committee carefully considered their independence. The Audit Committee has determined that the performance of such non-audit services did not impair the independence of Ernst & Young.

Ernst & Young has confirmed to the Audit Committee that it is in compliance with all rules, standards and policies of the Public Company Accounting Oversight Board and the SEC governing auditor independence.

If the stockholders do not ratify this appointment, the Audit Committee will reconsider the appointment.

Representatives of Ernst & Young are expected to be present at the Meeting and will have the opportunity to make a statement if they desire and to respond to appropriate questions of stockholders. The Audit Committee recommends that stockholders vote **FOR** the ratification of the appointment of Ernst & Young.

PROPOSAL NO. 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 enables stockholders to vote to approve, on an advisory (non-binding) basis, the compensation of the Company's named executive officers as disclosed in this Proxy Statement in accordance with the Security and Exchange Commission's rules.

As described in detail under the heading "Compensation Discussion and Analysis - Compensation Philosophy and Objectives," the Company's compensation program has been designed to attract, reward and retain capable executives and to provide incentives for the attainment of short-term performance objectives and strategic long-term performance goals. A strong link between compensation and performance provides incentives for achieving short and long-term financial and business objectives and increasing the value of the Company's common stock, thereby increasing value to the Company's stockholders. Please read the "Compensation Discussion and Analysis" beginning on page 16 for additional details about the Company's executive compensation programs, including information about the fiscal year 2013 compensation of the Company's named executive officers.

The Board requests stockholders to indicate their support of the named executive officers' compensation as described in this Proxy Statement. This proposal, commonly known as a "say-on-pay" proposal, gives the Company's stockholders the opportunity to express their views on the Company's named executive officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the named executive officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, the Board asks its stockholders to vote **FOR** the following resolution at the Annual Meeting:

RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2014 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission in accordance with Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the 2013 Summary Compensation Table and other related tables and disclosures.

The "say-on-pay" vote is advisory, as required pursuant to Section 14A of the Exchange Act, and therefore not binding on the Company, the Compensation Committee or the Board of Directors. The Board of Directors and Compensation Committee value the opinions of its stockholders and to the extent there are any significant votes against any named executive officer compensation as disclosed in this Proxy Statement, the Board will consider stockholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

The Board recommends that stockholders vote **FOR** the approval of the compensation of the Company's named executive officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC.

STOCKHOLDER PROPOSALS

A stockholder proposal intended to be presented at the Company's 2015 Annual Meeting of Stockholders pursuant to Rule 14a-8 as promulgated under the Exchange Act must be received by the Company at its principal executive office on or before December 31, 2014, to be included in the Company's proxy statement and proxy relating to that meeting and must comply with the requirements of Rule 14a-8. A stockholder proposal intended to be presented at the Company's 2015 Annual Meeting of Stockholders that is made outside of Rule 14a-8 under the Exchange Act must comply with the requirements of Section 1.3 of the Company's By-laws. Under Section 1.3 of the Company's By-laws, a stockholder or its representative must be present in person at the meeting. Notice of a proposal must be given in writing to the Secretary of the Company, which must be received by the Company not less than 90 calendar days nor more than 120 calendar days prior to the anniversary of the prior year's annual meeting. The form of the notice must satisfy the requirements set forth in Section 1.3 of the Company's By-laws.

Additionally, the making of the proposal must be permitted by law, the Certificate of Incorporation of the Company and the By-Laws of the Company.

HOUSEHOLDING OF MATERIALS

The Company, as well as some banks, brokers, and other nominee record holders participate in the practice of householding proxy statements and annual reports. This means that only one copy of the Company's proxy statement or annual report is sent to multiple stockholders in the same household unless the Company or such bank, broker or other nominee holder has received contrary instructions from one or more of the stockholders. The Company will promptly deliver a separate copy of either document to any stockholder upon request by writing the Company at the following address: Lifetime Brands, Inc., 1000 Stewart Avenue, Garden City, New York 11530, Attention: Laurence Winoker, Senior Vice-President Finance, Treasurer and Chief Financial Officer; or by calling the Company at the following phone number: (516) 683-6000. Any stockholder who wants to receive separate copies of the annual report and proxy statement in the future, or who is currently receiving multiple copies and would like to receive only one copy for his or her household, should contact his or her bank, broker, or other nominee record holder, or contact the Company at the above address and phone number.

OTHER MATTERS

The management of the Company does not know of any matters other than those stated in this Proxy Statement which are to be presented for action at the Meeting. If any other matters should properly come before the Meeting, it is intended that proxies in the accompanying form will be voted on such other matters in accordance with the judgment of the persons voting such proxies. Discretionary authority to vote on such matters is conferred by such proxies upon the persons voting them.

Financial statements for the Company are included in the Annual Report of the Company for the fiscal year ended December 31, 2013, which accompanies this Proxy Statement.

Upon the written request of any person who on the record date was a record owner of common stock of the Company, or who represents in good faith that he or she was on such date a beneficial owner of common stock of the Company, the Company will send to such person, without charge, a copy of its Annual Report on Form 10-K for the fiscal year ended December 31, 2013, including financial statements and schedules, as filed with the SEC. Requests for this report should be directed to Laurence Winoker, Senior Vice-President Finance, Treasurer and Chief Financial Officer, Lifetime Brands, Inc., 1000 Stewart Avenue, Garden City, New York 11530.
