**SECTION 8. OTHER EVENTS.**

**Item 8.01. Other Events.**

As we have previously disclosed, we have received requests for information from the U.S. Department of Justice ( DOJ ) in the Northern District of California in connection with a criminal investigation relating to the transportation of packages for online pharmacies that may have shipped pharmaceuticals in violation of federal law. On July 17, 2014, the DOJ filed a criminal indictment in the United States District Court for the Northern District of California in connection with the matter. The indictment alleges that FedEx Corporation, FedEx Express and FedEx Services, together with certain pharmacies, conspired to unlawfully distribute controlled substances, unlawfully distributed controlled substances and conspired to unlawfully distribute misbranded drugs. We continue to believe that our employees have acted in good faith at all times and that we have not engaged in any illegal activities. Accordingly, we will vigorously defend ourselves in this matter. If we are convicted, remedies could include fines, penalties, forfeiture and compliance conditions. Given the early stage of this proceeding, we cannot estimate the amount or range of loss, if any; however, it is reasonably possible that it could be material if we are convicted.
