Item 1.01. Entry into a Material Definitive Agreement.

The Amended and Restated Merger Agreement

On July 18, 2014, Pepco Holdings, Inc., a Delaware corporation (PHI), entered into an Amended and Restated Agreement and Plan of Merger (the Amended and Restated Merger Agreement) with Exelon Corporation, a Pennsylvania corporation (Exelon), and Purple Acquisition Corp., a Delaware corporation and a wholly owned subsidiary of Exelon (Merger Sub). The Amended and Restated Merger Agreement amends and restates the Agreement and Plan of Merger, dated as of April 29, 2014, among PHI, Exelon and Merger Sub (the Original Merger Agreement).

The Amended and Restated Merger Agreement includes a revised form of certificate of incorporation of the surviving corporation in the merger. In addition, the Amended and Restated Merger Agreement extends the date by which PHI must file its preliminary proxy statement from June 11, 2014 to July 24, 2014 and the date by which PHI and Exelon must make all filings related to the Hart-Scott-Rodino Antitrust Improvements Act of 1976 and with the Federal Communication Commission and the Maryland Public Service Commission from June 28, 2014 to September 3, 2014. The Amended and Restated Merger Agreement also clarifies that Company PSUs (as that term is defined in the Amended and Restated Merger Agreement) that are required to be granted by the terms of an agreement in place as of the date of the Original Merger Agreement are treated as pre-signing date grants, not subject to the prorated payout applicable to equity awards granted after the date of the Original Merger Agreement. The terms and conditions of the Amended and Restated Merger Agreement otherwise are substantially the same as the terms of the Original Merger Agreement, including the merger consideration to be paid to PHI stockholders.

The representations, warranties and covenants of PHI contained in the Amended and Restated Merger Agreement have been made solely for the benefit of Exelon and Merger Sub. In addition, such representations, warranties and covenants (a) have been made only for purposes of the Amended and Restated Merger Agreement, (b) have been qualified by confidential disclosures made to Exelon and Merger Sub in connection with the Original Merger Agreement, (c) are subject to materiality qualifications contained in the Amended and Restated Merger Agreement, which may differ from what may be viewed as material by investors, (d) were made only as of specific dates, and (e) have been included in the Amended and Restated Merger Agreement for the purpose of allocating risk between the contracting parties rather than establishing any matters as facts. Accordingly, the Amended and Restated Merger Agreement has been filed as an exhibit to this Form 8-K solely to provide investors with information regarding the terms of the Amended and Restated Merger Agreement, and not to provide investors with any other factual information regarding PHI or its business. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of PHI or any of its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may have changed since the date the representation or warranty was made or may change in the future, which subsequent information may or may not be fully reflected in PHI 's public disclosures. The Amended and Restated Merger Agreement should not be read alone, but should be read in conjunction with the other information regarding PHI that is or will be contained in, or incorporated by reference into, the Forms 10-K and 10-Q, and other documents that PHI files with the SEC.

The foregoing summary of the Amended and Restated Merger Agreement does not purport to be complete and is subject to, and is qualified in its entirety by, the full text of the Amended and Restated Merger Agreement, attached as Exhibit 2.1 and incorporated herein by reference.

CAUTIONARY STATEMENTS REGARDING FORWARD-LOOKING STATEMENTS

Except for the historical information contained herein, certain of the matters discussed in this communication constitute forward-looking statements within the meaning of the Securities Act of 1933 and the Securities Exchange Act of 1934, both as amended by the Private Securities Litigation Reform Act of 1995. Words such as may, might, will, should, could, anticipate, estimate, expect, predict, project, future, potential, intend, see, believe, target, forecast, goal, objective and continue or the negative of such terms or other variations thereof words and terms of similar substance used in connection with any discussion of future plans, actions, or events identify forward-looking statements. These forward-looking statements include, but are not limited to, statements regarding benefits of the proposed merger, integration plans and expected synergies, the expected timing of completion of the transaction and anticipated future financial and operating performance and results, including estimates for growth. These statements are based on the current expectations of management of PHI and its utility subsidiaries. There are a number of risks and uncertainties that could cause actual results to differ materially from the forward-looking statements included in this communication. For example, (1) PHI may be unable to obtain shareholder approval required for the merger; (2) PHI or Exelon may be unable to obtain regulatory approvals required for the merger, or required regulatory approvals may delay the merger or cause the companies to abandon the merger; (3) conditions to the closing of the merger may not be satisfied; (4) an unsolicited offer of another company to acquire assets or capital stock of PHI could interfere with the merger; (5) problems may arise in successfully integrating the businesses of the companies, which may result in the combined company not operating as effectively and efficiently as expected; (6) the combined company may be unable to achieve cost-cutting synergies or it may take longer than expected to achieve those synergies; (7) the merger may involve unexpected costs, unexpected liabilities or unexpected delays, or the effects of purchase accounting may be different from the companies' expectations; (8) the credit ratings of the combined company or its subsidiaries may be different from what the companies expect; (9) the businesses of PHI and its utility subsidiaries may suffer as a result of uncertainty surrounding the merger; (10) PHI and its utility subsidiaries may not realize the values expected to be obtained for properties expected or required to be sold; (11) the industry may be subject to future regulatory or legislative actions that could adversely affect PHI and its utility subsidiaries; and (12) PHI and its utility subsidiaries may be adversely affected by other economic, business, and/or competitive factors. Other unknown or unpredictable factors could also have material adverse effects on future results, performance or achievements of the combined company. Therefore, forward-looking statements are not guarantees or assurances of future performance, and actual results could differ materially from those indicated by the forward-looking statements. Discussions of some of these other important factors and assumptions are contained in PHI's filings with the Securities and Exchange Commission (SEC), and are available at the SEC's website at www.sec.gov, including PHI's 2013 Annual Report on Form 10-K in (a) ITEM 1A. Risk Factors, (b) ITEM 7. Management's Discussion and Analysis of Financial Condition and Results of Operations and (c) ITEM 8, Financial Statements and Supplementary Data, and PHI's Quarterly Report on Form 10-Q for the quarter ended March 31, 2014 in (x) PART I, ITEM 1. Financial Statements, (y) PART I, ITEM 2. Management's Discussion and Analysis of Financial Condition and Results of Operations and (z) PART II, ITEM 1A. Risk Factors. These risks, as well as other risks associated with the proposed merger, will be more fully discussed in the proxy statement that PHI intends to file with the SEC and mail to its stockholders in connection with the proposed merger. In light of these risks, uncertainties, assumptions and factors, the forward-looking events discussed in this communication may not occur. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this communication. PHI does not undertake any obligation to publicly release any revision to its forward-looking statements to reflect events or circumstances after the date of this communication. New factors emerge from time to time, and it is not possible for PHI to predict all such factors. Furthermore, it may not be possible to assess the impact of any such factor on PHI's or its utility subsidiaries' businesses (either individually or collectively) or the extent to which any factor, or combination of factors, may cause results to differ materially from those contained in any forward-looking statement. Any specific factors that may be provided should not be construed as exhaustive.
