Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On December 15, 2014, the Board of Directors of Universal Stainless and Alloy Products, Inc. (the Company) approved and adopted the Second Amended Restated By-Laws of the Company (the Second Amended and Restated By-Laws), effective immediately. The Second Amended and Restated By-Laws replace the Company s Amended and Restated By-Laws, which were adopted in 2007. The Second Amended and Restated By-Laws incorporate more recent provisions of the Delaware General Corporation Law, including provisions regarding the use of electronic communications in connection with Board of Directors and stockholder meetings, and reflect several updates made generally to modernize the Company s by-laws. The Second Amended and Restated By-Laws also incorporate the concept of a Lead Director, which was created by the Company s Board of Directors in 2010. In addition, the Second Amended and Restated By-laws include: (i) provisions setting forth advance notice requirements for stockholders to bring business before an annual meeting and for director nominations; (ii) adjustments to provisions relating to the calling of special meetings of stockholders and the taking of action by stockholders by written consent; and (iii) a new forum selection provision covering certain legal actions or proceedings, including derivative actions or proceedings brought on behalf of the Company and actions asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of the Company to the Company or the company s stockholders. The Second Amended and Restated By-laws also contain a number of conforming changes and other non-material changes.

The foregoing summary of the Second Amended and Restated By-Laws is qualified in its entirety by reference to the Second Amended and Restated By-Laws filed as Exhibit 3.1 hereto and incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.
