PROXY STATEMENT

April 27, 2015

THE MEETING

The accompanying proxy is solicited on behalf of the Board of Directors (the "Board of Directors" or the "Board") of Dave & Buster's Entertainment, Inc., a Delaware corporation (sometimes referred to herein as "we," "us," "our" or the "Company"), for use at the 2015 Annual Meeting of Stockholders (the "Annual Meeting") to be held at the Hilton Rosemont Hotel, 5550 N. River Road, Rosemont, IL 60018, on June 11, 2015, at 8:30 a.m. local time. We posted this Proxy Statement and the accompanying proxy on or about April 27, 2015, to our website at www.daveandbusters.com, and mailed notice on or about April 27, 2015 to all shareholders entitled to vote at the Annual Meeting.

Voting Rights, Quorum and Required Vote

Only holders of record of our common stock at the close of business on April 17, 2015, which is the record date, will be entitled to vote at the Annual Meeting. At the close of business on April 17, 2015, we had 40,269,379 million shares of common stock outstanding and entitled to vote. Holders of the Company's common stock are entitled to one vote for each share held as of the above record date. A quorum is required for our stockholders to conduct business at the Annual Meeting. The holders of a majority in voting power of all issued and outstanding stock entitled to vote at the Annual Meeting, present in person or represented by proxy, will constitute a quorum for the transaction of business. Abstentions and broker non-votes (described below) will be counted in determining whether there is a quorum.

Proposal No. 1 Election of Directors: Directors will be elected by a plurality of the votes of the shares of common stock cast at the Annual Meeting, which means that the ten nominees receiving the highest number of for votes will be elected. Withheld votes and broker non-votes (as defined below) will have no effect on Proposal No. 1.

Proposal No. 2 Ratification of Appointment of Independent Registered Public Accounting Firm: Requires the affirmative vote of the holders of a majority in voting power of the stock entitled to vote at the Annual Meeting, present in person or represented by proxy. Abstentions will count the same as votes against Proposal No. 2. Broker non-votes (as defined below) will have no effect on Proposal No. 2.

Voting Your Shares

If you are a registered holder, meaning that you hold our stock directly (not through a bank, broker or other nominee), you may vote in person at the Annual Meeting or vote by completing, dating and signing the accompanying proxy and promptly returning it in the envelope enclosed with the paper copies of the proxy materials, or electronically through the Internet by following the instructions included on your proxy card. All signed, returned proxies that are not revoked will be voted in accordance with the instructions contained therein. Signed proxies that give no instructions as to how they should be voted on a particular proposal at the Annual Meeting will be counted as votes for such proposal or in the case of the election of directors, as a vote for election to the Board of all nominees presented by the Board.

Table of Contents

If your shares are held through a bank, broker or other nominee, you are considered the beneficial owner of those shares. You may be able to vote by telephone or electronically through the Internet in accordance with the voting instructions provided by that nominee. You must obtain a legal proxy from the nominee that holds your shares if you wish to vote in person at the Annual Meeting. If you do not provide voting instructions to your broker in advance of the Annual Meeting, The NASDAQ Stock Market LLC (NASDAQ) rules grant your broker discretionary authority to vote on routine proposals. The ratification of the appointment of the independent public accounting firm in Proposal No. 2 is the only item on the agenda for the Annual Meeting that is considered routine. Where a proposal is not routine, a broker who has received no instructions from a client does not have discretion to vote such client's uninstructed shares on that proposal, and the unvoted shares are referred to as broker non-votes.

In the event that sufficient votes in favor of the proposals are not received by the date of the Annual Meeting, the Chairman of the Annual Meeting may adjourn the Annual Meeting to permit further solicitations of proxies.

The telephone and Internet voting procedures are designed to authenticate stockholders' identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been recorded properly. Stockholders voting via the telephone or Internet should understand that there may be costs associated with telephonic or electronic access, such as usage charges from telephone companies and Internet access providers, which must be borne by the stockholder.

Expenses of Solicitation

The expenses of soliciting proxies to be voted at the Annual Meeting will be paid by the Company. Following the original distribution of the proxies and other soliciting materials, the Company and/or its directors, officers or employees (for no additional compensation) may also solicit proxies in person, by telephone, or email. Following the original distribution of the proxies and other soliciting materials, we will request that banks, brokers and other nominees distribute the proxy and other soliciting materials to persons for whom they hold shares of common stock and request authority for the exercise of proxies. We will reimburse banks, brokers and other nominees for reasonable charges and expenses incurred in distributing soliciting materials to their clients.

Revocability of Proxies

Any person submitting a proxy has the power to revoke it prior to the Annual Meeting or at the Annual Meeting prior to the vote. A proxy may be revoked by a writing delivered to the Company stating that the proxy is revoked, by (a) a subsequent proxy that is submitted via telephone or Internet no later than 1:00 a.m. (CT) on June 11, 2015, (b) a subsequent proxy that is signed by the person who signed the earlier proxy and is delivered before or at the Annual Meeting, or (c) attendance at the Annual Meeting and voting in person. In order for beneficial owners to change any of their previously reported voting instructions, they must contact their bank, broker or other nominee directly.

Delivery of Documents to Stockholders Sharing an Address

We have adopted a procedure approved by the Securities and Exchange Commission (SEC) called householding under which multiple stockholders who share the same address will receive only one copy of the Annual Report, Proxy Statement, or Notice of Internet Availability of Proxy

Table of Contents

Materials, as applicable, unless we receive contrary instructions from one or more of the stockholders. If you wish to opt out of householding and receive multiple copies of the proxy materials at the same address, or if you have previously opted out and wish to participate in householding, you may do so by notifying us by mail at Dave & Buster's Entertainment, Inc., 2481 Mañana Drive, Dallas, TX 75220; Attn: Investor Relations or by email at investorrelations@daveandbusters.com. You may also request additional copies of the proxy materials by notifying us in writing at the same address or email address. Stockholders with shares registered in the name of a brokerage firm or bank may contact their brokerage firm or bank to request information about householding.

Proxy Materials

Beginning on April 27, 2015, we mailed notice to all stockholders entitled to vote at the Annual Meeting a Notice Regarding the Availability of Proxy Materials with instructions on how to access our proxy materials over the Internet and how to vote. If you received a notice and would prefer to receive paper copies of the proxy materials you may notify us at the email address and mailing address provided above.

Explanatory Note

As of April 27, 2015, we are an emerging growth company as defined in the Jumpstart Our Business Startups Act of 2012 (the JOBS Act). For as long as we are an emerging growth company, we will not be required to provide an auditor's attestation report on management's assessment of the effectiveness of our system of internal control over financial reporting pursuant to Section 404(b) of the Sarbanes-Oxley Act of 2002. In addition, because we are an emerging growth company, we are not required to include a Compensation Discussion and Analysis section in this Proxy Statement and have elected to comply with the scaled-down executive compensation disclosure requirements applicable to emerging growth companies.

We could be an emerging growth company for up to five years from October 9, 2014, the date of our initial public offering, or until the earliest of (i) the last day of the full fiscal year in which our annual gross revenues exceed \$1 billion, (ii) the date that we become a large accelerated filer as defined in Rule 12b-2 under the Securities Exchange Act of 1934, as amended (the Exchange Act), which would occur at the end of the fiscal year during which the market value of our common stock that is held by non-affiliates exceeds \$700 million as of the last business day of our most recently completed second fiscal quarter, or (iii) the date on which we have issued more than \$1 billion in non-convertible debt during the preceding three year period. Under Section 107(b) of the JOBS Act, emerging growth companies may delay adopting new or revised accounting standards until such time as those standards apply to private companies. We have irrevocably elected not to avail ourselves of this exemption from new or revised accounting standards and, therefore, we are subject to the same new or revised accounting standards as other public companies that are not emerging growth companies.

If any of the nominees is unable or unwilling to be a candidate for election by the time of the Annual Meeting (a contingency which the Board does not expect to occur), the stockholders may vote for a substitute nominee chosen by the present Board to fill a vacancy. In the alternative, the stockholders may vote for just the remaining nominees leaving a vacancy that may be filled at a later date by the Board. Alternatively, the Board may reduce the size of the Board.

Table of Contents**PROPOSAL NO. 2****RATIFICATION OF APPOINTMENT OF INDEPENDENT****REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board of Directors has selected KPMG LLP (KPMG), to be the Company's independent registered public accounting firm for the year ending January 31, 2016, and recommends that the stockholders vote for ratification for such appointment. KPMG has been engaged as our independent registered public accounting firm since 2010. As a matter of good corporate governance, the Audit Committee has requested the Board of Directors to submit the selection of KPMG as the Company's independent registered public accounting firm for 2015 to stockholders for ratification. In the event of a negative vote on such ratification, the Audit Committee will reconsider its selection. We expect representatives of KPMG to be present at the Annual Meeting. They will have the opportunity to make a statement at the Annual Meeting if they desire to do so, and will be available to respond to appropriate questions.

Audit and Related Fees

The following table sets forth the fees (dollars shown are in thousands) for professional audit services and fees for other services provided to the Company by KPMG, for the 2013 fiscal year which ended on February 2, 2014 and the 2014 fiscal year which ended on February 1, 2015:

	2014	2013
Audit Fee ⁽¹⁾	\$620	\$503
Audit-Related Fees ⁽²⁾	\$24	-
Tax Fees	-	-
Total	\$644	\$503

(1) Includes fees for services for the audit of the Company's annual financial statements, the reviews of the interim financial statements, implementation of accounting pronouncements, assistance with SEC filings, and fees related to the initial public offering of our Common Stock on October 9, 2014.

(2) Includes fees related to certain capital market transactions.

The Audit Committee has established a policy whereby the outside auditors are required to annually provide service-specific fee estimates and seek pre-approval of all audit, audit-related, tax and other services prior to the performance of any such services. Individual engagements anticipated to exceed the pre-approved thresholds must be separately approved by the Audit Committee. For both fiscal 2014 and 2013, 100% of all audit, audit-related services and tax services were pre-approved by the Audit Committee, which concluded that the provision of such services by KPMG was compatible with such firm's independence.

The Board of Directors recommends a vote FOR the ratification of the appointment of KPMG LLP.

DIRECTORS AND CORPORATE GOVERNANCE

Composition and Board Independence

Our Board of Directors currently consists of ten members. Our Board of Directors has affirmatively determined that all of our directors other than our Chief Executive Officer are independent directors under the applicable rules of NASDAQ. In addition, our Board of Directors has affirmatively determined that each member of the Audit Committee, Messrs. Griffith, Halkyard and Sheehan, satisfies the independence requirements for members of an audit committee as set forth in Rule 10A-3(b)(1) of the Exchange Act.

The Oak Hill Funds own a majority of our outstanding common stock. As a result, we are a controlled company within the meaning of NASDAQ corporate governance standards. Under these rules, a controlled company may elect not to comply with certain NASDAQ corporate governance standards, including:

- n the requirement that we have a nominating and corporate governance committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities;
- n the requirement that we have a compensation committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities; and
- n the requirement for an annual performance evaluation of the Nominating and Corporate Governance Committee and Compensation Committee.

Although we are not utilizing these exemptions today, we may in the future elect to utilize these exemptions. In addition, as a controlled company we may in the future elect not to comply with the requirement that a majority of the Board of Directors consist of independent directors, although currently a majority are independent. As a result, we may not have a majority of independent directors, our Nominating and Corporate Governance Committee and Compensation Committee may not consist entirely of independent directors, and such committees would not be subject to annual performance evaluations. Accordingly, our stockholders may not have the same protections afforded to shareholders of companies that are subject to all of the NASDAQ corporate governance requirements.

Corporate Governance

The Board of Directors met four times in fiscal 2014, including regular and special meetings. During this period, no individual director attended fewer than 75% of the aggregate of (1) the total number of meetings of the Board of Directors and (2) the total number of meetings held by all committees on which such director served.

The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The charters for each of these committees are posted on our website at <http://ir.daveandbusters.com/governance.cfm>.

The Audit Committee, comprised of Messrs. Griffith, Halkyard and Sheehan, and chaired by Mr. Sheehan, recommends to the Board of Directors the appointment of the Company's independent auditors, reviews and approves the scope of the annual audits of the Company's financial statements,

Table of Contents

reviews our internal control over financial reporting, reviews and approves any non-audit services performed by the independent auditors, reviews the findings and recommendations of the independent auditors and periodically reviews major accounting policies. It operates pursuant to a charter that was adopted in October 2014. The Audit Committee held one meeting during fiscal 2014. Prior to the Company's initial public stock offering in October 2014 (the IPO), Audit Committee activities were handled by the Audit Committee of our subsidiary, Dave & Busters, Inc. In addition, the Board of Directors has determined that each of the members of the Audit Committee is qualified as a financial expert under the provisions of the Sarbanes-Oxley Act of 2002 and the rules and regulations of the SEC.

The Compensation Committee comprised of Ms. Mueller and Messrs. Griffith, Halkyard, Jones, Lacy and Wolfram, and chaired by Mr. Jones, reviews the Company's compensation philosophy and strategy, administers incentive compensation and stock option plans, reviews the Chief Executive Officer's performance and compensation, reviews recommendations on compensation of other executive officers, and reviews other special compensation matters, such as executive employment agreements. The Compensation Committee formed a subcommittee, the Plan Subcommittee, comprised of Ms. Mueller and Messrs. Griffith and Halkyard, to administer and make awards under our performance or incentive based plans and stock option or equity-based compensation plans. The Compensation Committee operates pursuant to a charter that was adopted in October 2014. The Compensation Committee held one meeting during fiscal 2014. Prior to the IPO, Compensation Committee activities were handled by the Compensation Committee of our subsidiary, Dave & Buster's, Inc.

In connection with the IPO, we established a Nominating and Corporate Governance Committee, comprised of Messrs. Lacy, Mailender and Wolfram, and chaired by Mr. Wolfram, which identifies and recommends the individuals qualified to be nominated for election to the Board of Directors, recommends the member of the Board of Directors qualified to be nominated for election as its Chairperson, recommends the members and chairperson for each committee of the Board of Directors, periodically reviews and assesses our Corporate Governance Guidelines and Principles and Code of Business Conduct and Ethics and oversees the annual self-evaluation of the performance of the Board of Directors and the annual evaluation of the performance of our management. The Nominating and Corporate Governance Committee operates pursuant to a charter that was adopted in October 2014. The Oak Hill Funds have the right to nominate the members of the Nominating and Corporate Governance Committee, up to a number of nominees not to exceed the number of directors designated by the Oak Hill Funds on the Board of Directors, and the remaining members will be nominated by the Board of Directors. For so long as the Oak Hill Funds (or one or more of their affiliates, to the extent assigned thereto) own 20% or more of the voting power of the outstanding shares of our common stock, the Nominating and Corporate Governance Committee shall consist of no more than three members. The Nominating and Corporate Governance Committee did not meet in 2014.

The entire Board of Directors is engaged in risk management oversight. At the present time, the Board of Directors has not established a separate committee to facilitate its risk oversight responsibilities. The Board of Directors will continue to monitor and assess whether such a committee would be appropriate. The Audit Committee assists the Board of Directors in its oversight of our risk management and the process established to identify, measure, monitor, and manage risks, in particular major financial risks. The Board of Directors receives regular reports from management, as well as from the Audit Committee, regarding relevant risks and the actions taken by management to adequately address those risks.

Our board leadership structure separates the Chairman and Chief Executive Officer roles into two positions. We established this leadership structure based on our ownership structure and other relevant factors. The Chief Executive Officer is responsible for our strategic direction and our day-to-day leadership and performance, while the Chairman of the Board provides guidance to the Chief Executive Officer and presides over meetings of the Board of Directors. We believe that this structure is appropriate under current circumstances, because it allows management to make the operating decisions necessary to manage the business, while helping to keep a measure of independence between the oversight function of our Board of Directors and operating decisions.

The SERP is a defined contribution plan designed to permit a select group of management or highly compensated employees to set aside base salary on a pre-tax basis. The SERP has a variety of investment options similar in type to our 401(k) plan. Any employer contributions to a participant's account vest in equal portions over a five-year period, and become immediately vested upon termination of a participant's employment on or after age 65 or by reason of the participant's death or disability, and upon a change of control (as defined in the SERP). Pursuant to Section 409A of the Code, however, such distribution cannot be made to certain employees of a publicly traded corporation before the earlier of six months following the employee's termination date or the death of the employee. Withdrawals from the SERP may be permitted in the event of an unforeseeable emergency.

Employment Agreements

We have entered into employment agreements with our NEOs to reflect the then current compensation arrangements of each of the NEOs and to include additional restrictive covenants, including a one-year non-competition provision and a two-year non-solicitation and non-hire provision. The employment agreement for each NEO provides for an initial term of two years, subject to automatic one-year renewals unless terminated earlier by the NEO or us. Under the terms of the employment agreements, each NEO is entitled to a minimum base salary and may receive an annual salary increase commensurate with such officer's performance during the year, as determined by the Board of Directors of Dave & Buster's Management Corporation, Inc. Our NEOs are also entitled to participate in the 2014 Stock Incentive Plan and in any profit sharing, qualified and nonqualified retirement plans and any health, life, accident, disability insurance, sick leave, supplemental medical reimbursement insurance, or benefit plans or programs as we may choose to make available now or in the future. NEOs also receive an annual perquisite allowance. In addition, the employment agreements contain provisions providing for severance payments and continuation of benefits under certain circumstances including termination by us without Cause (as defined in the employment agreement), upon execution of a general release of claims in favor of us. Each employment agreement also contains a confidentiality and noncompetition covenant.

Table of Contents

Potential Payments Upon Termination or Change of Control

The following is a discussion of the rights of the NEOs under the 2010 Stock Incentive Plan, the 2014 Stock Incentive Plan and the employment agreements with the NEOs following a termination of employment or change of control.

2010 Stock Incentive Plan

Pursuant to the 2010 Stock Incentive Plan, certain vested stock options shall terminate on the earliest of (a) the day on which the executive officer is no longer employed by us due to the termination of such employment for cause, (b) the thirty-first day following the date the executive officer is no longer employed by us due to the termination of such employment upon notice to us by the executive officer without good reason having been shown, (c) the 366th day following the date the executive officer is no longer employed by us by reason of death, disability, or due to the termination of such employment (i) by the executive officer for good reason having been shown or (ii) by us for reason other than for cause, or (d) the tenth anniversary of the date of grant. Subject to the provisions of the immediately following sentence, all options that are not vested and exercisable on the date of termination of employment shall immediately terminate and expire on such termination date. Following the adoption of the 2014 Stock Incentive Plan in connection with the IPO, no further grants of stock options, stock appreciation rights, restricted stock, other stock-based awards, or cash-based awards will be made pursuant to the 2010 Stock Incentive Plan.

2014 Stock Incentive Plan

Pursuant to grants previously made under the 2014 Stock Incentive Plan, all stock options will terminate on the day on which the executive officer is no longer employed by us due to the termination of such employment for cause. Due to a termination of employment caused by reason of death or disability of the executive officer, any unvested portion of stock options shall immediately become vested and all vested options shall remain exercisable until the earlier of (a) one year following the date of death or disability and (b) the expiration of the option term. Upon the termination of employment by reason of retirement (defined as termination of employment other than for cause, after obtaining (a) age 60 and completing ten years of continued service with the Company or (b) age 65), the unvested portion of the stock option shall continue to vest on each remaining vesting date and the vested portion of the stock option shall remain exercisable until the expiration of the option term. Upon the termination of employment for any reason other than those described above, any unvested portion of the option shall immediately terminate and be forfeited without consideration and the vested stock options shall remain exercisable until the earlier of (a) 90 days following such termination of employment and (b) the expiration of the option term. Future award agreements will specify the effect of a holder's termination of employment, including the extent to which equity grants will be forfeited and the extent to which awards requiring exercise will remain exercisable. Such provisions will be determined in the sole discretion of the Compensation Committee.

If there is a change of control of the Company, then, unless prohibited by law, the Committee is authorized (but not obligated) to make adjustments to the terms and conditions of outstanding awards, including, without limitation, continuation or assumption of outstanding awards; substitution of new awards with substantially the same terms as outstanding awards; accelerated exercisability, vesting and/or lapse of restrictions for outstanding awards immediately prior to the occurrence of such event; upon written notice, provision that any outstanding awards must be exercised, to the extent then exercisable, during a specified period determined by the Committee (contingent upon

Table of Contents

the consummation of the change of control), following which unexercised awards shall terminate; and cancellation of all or any portion of outstanding awards for fair market value (which may be the intrinsic value of an option or SAR and may be zero); and cancellation of all or any portion of outstanding awards for fair value (as determined in the sole discretion of the Committee and which may be zero).

Under the 2014 Stock Incentive Plan, a change of control generally is triggered by the occurrence of any of the following: (i) an acquisition of 30% or more of the outstanding shares or the voting power of the outstanding securities generally entitled to vote in the election of directors; (ii) with certain exceptions, individuals on the Board of Directors on the date of effectiveness of the plan cease to constitute a majority of the Board of Directors; (iii) consummation of a reorganization, merger, amalgamation, statutory share exchange, consolidation or like event to which the Company is a party or a sale or disposition of all or substantially all of the Company's assets, unless the Company's shareholders continue to own more than 50% of the outstanding voting securities, no person beneficially owns 30% or more of the outstanding securities of the Company and at least a majority of the members of the Board of Directors after such event were members of the Board of Directors prior to the event; or (iv) a complete liquidation or dissolution of the Company.

Employment Agreements

Deferred Compensation. All contributions made by an executive officer to a deferred compensation account, and all vested portions of our contributions to such deferred compensation account, shall be disbursed to the executive officer upon termination of employment for any reason. Currently, only Messrs. King and Jenkins have made contributions to a deferred compensation account.

Resignation. If an executive officer resigns from employment with us, such officer is not eligible for any further payments of salary, bonus, or benefits and such officer shall only be entitled to receive that compensation which has been earned by the officer through the date of termination.

Involuntary Termination Not for Cause. In the event of involuntary termination of employment other than for Cause (as defined in the employment agreements), an executive officer would be entitled to 12 months of severance pay at such officer's then-current base salary, the pro rata portion of the annual bonus, if any, earned by the officer for the then-current fiscal year, 12 months continuation of such officer's perquisite allowance, and monthly payments for a period of six months equal to the monthly premium required by such officers to maintain health insurance benefits provided by our group health insurance plan, in accordance with the requirements of the Consolidated Omnibus Budget Reconciliation Act of 1985.

Termination for Cause. In the event of termination for Cause, the officer is not eligible for any further payments of salary, bonus, or benefits and shall be only entitled to receive that compensation which has been earned by the officer through the date of termination.

Termination for Good Reason. In the event the employee chooses to terminate his or her employment for reasons such as material breach of the employment agreement by us, relocation of the office where the officer performs his or her duties, assignment to the officer of any duties, authority, or responsibilities that are materially inconsistent with such officer's position, authority, duties or responsibilities or other similar actions, such officer shall be entitled to the same benefits described above under *Involuntary Termination Not for Cause*.

Table of Contents

Death or Disability. The benefits to which an officer (or such officer's estate or representative) would be entitled in the event of death or disability are as described above under *Involuntary Termination Not for Cause*. However, the amount of salary paid to any such disabled officer shall be reduced by any income replacement benefits received from the disability insurance we provide.

TRANSACTIONS WITH RELATED PERSONS

Relationship with Oak Hill Capital Partners

Our Directors, J. Taylor Crandall, Kevin M. Mailender and Tyler J. Wolfram are Partners of Oak Hill. Our Director, David A. Jones is a Senior Advisor to the Oak Hill Funds and our Director Alan J. Lacy, served as a Senior Advisor to the Oak Hill Funds until December 2014.

Expense Reimbursement Agreement

We entered into an expense reimbursement agreement with Oak Hill in 2010. Pursuant to this agreement, we reimbursed Oak Hill approximately \$41,000 in fiscal 2014 for costs and expenses. The expense reimbursement agreement was terminated upon the consummation of our IPO. The Oak Hill Funds and their affiliates will be reimbursed for certain costs and expenses pursuant to the stockholders' agreement described below.

Stockholders' Agreement

In connection with the IPO, we and the Oak Hill Funds entered into a stockholders' agreement. Our Board of Directors currently has ten directors. The stockholders' agreement provides that the Oak Hill Funds (or one or more of their affiliates, to the extent assigned thereto), individually or in the aggregate, are entitled to designate directors to serve on the Board of Directors proportionate to the Oak Hill Funds' (or one or more of their affiliates, to the extent assigned thereto) aggregate ownership of the outstanding shares of our common stock, at any meeting of stockholders at which directors are to be elected to the extent that the Oak Hill Funds do not have such proportionate number of director designees then serving on the Board of Directors; provided that for so long as the Oak Hill Funds (or one or more of their affiliates, to the extent assigned thereto), individually or in the aggregate, own 5% or more of the voting power of the outstanding shares of our common stock, the Oak Hill Funds are entitled to designate one director designee to serve on the Board of Directors at any meeting of stockholders at which directors are to be elected to the extent that the Oak Hill Funds do not have a director designee then serving on the Board of Directors. Such proportionate number of director designees is determined by taking the product of the Oak Hill Funds' (or one or more of their affiliates, to the extent assigned thereto) aggregate ownership interest in our Company multiplied by the then current number of directors on our Board of Directors (rounded up to the next whole number to the extent the product does not equal a whole number). The Oak Hill Funds' director designees are currently J. Taylor Crandall, Kevin M. Mailender and Tyler J. Wolfram, and, therefore, the Oak Hill Funds are entitled to designate additional directors in order for the Oak Hill Funds to have their proportionate number of director designees. We will expand the size of our Board of Directors if necessary to provide for such proportionate representation.

Subject to applicable law and applicable NASDAQ rules, the stockholders' agreement also provides that the Oak Hill Funds are entitled to nominate the members of the Nominating and Corporate Governance Committee up to a number of nominees not to exceed the number of directors designated by the Oak Hill Funds on the Board of Directors, and the remaining members will

be nominated by the Board of Directors. For so long as the Oak Hill Funds (or one or more of their affiliates, to the extent assigned thereto) own 20% or more of the voting power of the outstanding shares of our common stock, the Nominating and Corporate Governance Committee shall consist of no more than three members. In addition, subject to applicable law and applicable NASDAQ rules, each other committee of our Board of Directors, other than the Audit Committee, will consist of at least one member designated by the Oak Hill Funds. The stockholders' agreement also provides that the Oak Hill Funds and their affiliates will be reimbursed for costs and out of pocket expenses incurred in connection with (i) counsel retained by the Oak Hill Funds to advise its nominees and/or us in connection with matters related to or arising out of meetings of the Board of Directors (or committees thereof) or otherwise raised by management, (ii) any review, amendment or enforcement of the stockholders' agreement, (iii) the agreements entered into in connection with the IPO and transactions contemplated thereby and (iv) any of our regulatory filings involving the Oak Hill Funds or its affiliates. In furtherance of our amended and restated certificate of incorporation, the stockholders' agreement provides that the Oak Hill Funds and their affiliates have no obligation to offer us an opportunity to participate in business opportunities presented to Oak Hill Funds or their respective affiliates even if the opportunity is one that we might reasonably have pursued (and therefore may be free to compete with us in the same business or similar businesses), and that neither the Oak Hill Funds nor their respective affiliates will be liable to us or our stockholders for breach of any duty by reason of any such activities unless, in the case of any person who is a director or officer of our company, such business opportunity is expressly offered to such director or officer in writing solely in his or her capacity as an officer or director of our company under the stockholders' agreement, the Oak Hill Funds have consent rights with respect to the following matters so long as the Oak Hill Funds (or one or more of their affiliates, to the extent assigned thereto) own 25% or more of the outstanding shares of our common stock: declaration or payments of non-pro rata dividends or non-pro rata repurchases of our common stock or amendments to our organizational documents in a manner adverse to the Oak Hill Funds. In addition, under the stockholders' agreement, the Oak Hill Funds are granted access to our customary non-public information and members of our management team and are permitted to disclose our confidential information to their affiliates, representatives and advisors. The Oak Hill Funds and their affiliates are permitted to disclose our confidential information if requested or required by law. The Oak Hill Funds and their affiliates are also permitted to disclose our confidential information to any potential purchaser of Dave & Buster's Entertainment, Inc. that executes a customary confidentiality agreement. The Oak Hill Funds, as part of a privately negotiated sale of its shares, may assign all or any portion of its rights under the stockholders' agreement to any transferee. The stockholders' agreement will terminate upon the written request of the Oak Hill Funds or at such time as the Oak Hill Funds own less than 5% of our common stock.

Registration Rights Agreement

In connection with the IPO, we, the Oak Hill Funds and other of our stockholders prior to the IPO, including some of our directors and executive officers, entered into a registration rights agreement. The registration rights agreement provides that the Oak Hill Funds, under certain circumstances, have the ability to cause us to register our common equity securities under the Securities Act, and provide for procedures by which certain of our equity holders may participate in such registrations. The Oak Hill Funds have an unlimited amount of demand registrations and all holders of registrable securities have customary piggyback registration rights providing them with the right to require us to include shares of common stock held by them in applicable registrations. The Oak Hill Funds may assign, to any of their respective affiliates or as part of a privately negotiated sale of their respective shares, in each case, all or any portion of their rights under the registration rights agreement to any transferee who agrees to be bound by the agreement.

Funds managed by Oak Hill Advisors, L.P. (the OHA Funds) collectively comprise one of the creditors participating in the term loan portion of our senior secured credit facility. As of February 1, 2015, the OHA Funds held approximately 8.3%, or \$35.6 million, of our total term loan obligation. Oak Hill Advisors, L.P. is an independently managed investment firm that is not an affiliate of Oak Hill or the Oak Hill Funds. Oak Hill Advisors, L.P. and an affiliate of Oak Hill co-manage Oak Hill Special Opportunities Fund, L.P., a private fund. Certain employees of Oak Hill, in their individual capacities, have passive investments in Oak Hill Advisors, L.P. and/or the funds it manages.

REPORT OF THE AUDIT COMMITTEE

We have reviewed and discussed with management and KPMG, the independent registered public accounting firm, our audited financial statements as of and for the year ended February 1, 2015. We have also discussed with KPMG the matters required to be discussed by Statement on Auditing Standards No. 16, as amended, *Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board (PCAOB)*.

We have received and reviewed the written disclosures and the letter from KPMG required by applicable requirements of the PCAOB regarding KPMG s communications with the Audit Committee concerning independence, have considered the compatibility of non-audit services with the firm s independence, and discussed with the auditors the firm s independence.

Based on the reviews and discussions referred to above, we have recommended to the Board of Directors that the financial statements referred to above be included in our Annual Report on Form 10-K.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities and Exchange Act of 1934 and SEC rules require our directors, executive officers and persons who own more than 10% of any class of our common stock to file reports of their ownership and changes in ownership of our common stock with the Securities and Exchange Commission. Based solely on our review of the reports filed during 2014, and on written representations from such reporting persons, we determined that no director, executive officer or beneficial owner of more than 10% of any class of our common stock failed to file in a timely basis during 2014.
