[July] [ ], 2015

Dear Fellow Shareholder:

You are cordially invited to attend a special meeting of shareholders of Quality Distribution, Inc., which will be held on [ ], 2015, beginning at [ ] a.m. (Eastern Time). The meeting will be held at [ ].

At the special meeting, our shareholders will be asked to consider and vote on a proposal to approve and adopt the Agreement and Plan of Merger, dated as of May 6, 2015 (as it may be amended from time to time, the merger agreement ), by and among Quality Distribution, Inc., Gruden Acquisition, Inc. ( Parent ) and Gruden Merger Sub, Inc. ( Merger Sub ), pursuant to which Merger Sub will merge with and into Quality Distribution, Inc. (the merger ) and each share of our common stock outstanding immediately prior to the effective time of the merger (other than certain shares as set forth in the merger agreement) will be canceled and converted into the right to receive \$16.00 in cash, without interest and less any applicable withholding taxes. If the merger is completed, we will become a wholly owned subsidiary of Parent, an entity which will be indirectly owned by funds advised by Apax Partners LLP.

**After careful consideration, our board of directors unanimously (i) authorized, approved and adopted the merger agreement and all agreements and documents related thereto and contemplated thereby and the transactions contemplated thereby, including the merger, (ii) determined that the merger is in the best interests of us and our shareholders, (iii) recommended that our shareholders approve and adopt the merger agreement, and (iv) directed that the merger agreement be submitted to our shareholders for consideration and approval and adoption at the special meeting.**

**Our board of directors unanimously recommends that shareholders vote FOR the proposal to approve and adopt the merger agreement and thereby approve and adopt the transactions contemplated by the merger agreement, including the merger.**

At the special meeting, shareholders will also be asked to vote on (i) an advisory (non-binding) proposal to approve compensation that will or may become payable to our named executive officers in connection with the merger and (ii) a proposal to approve the adjournment of the special meeting from time to time, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to approve and adopt the merger agreement. **Our board of directors unanimously recommends that shareholders vote FOR each of these proposals.**

The enclosed proxy statement describes the merger, the merger agreement and related agreements, and provides specific information concerning the special meeting. In addition, you may obtain information about us from documents filed with the Securities and Exchange Commission. We urge you to, and you should, read the entire proxy statement carefully, including the annexes and the documents incorporated by reference therein, as it sets forth the details of the merger agreement and other important information related to the merger.

**Your vote is very important. The merger cannot be completed unless holders of a majority of the outstanding shares of our common stock vote in favor of the proposal to approve and adopt the merger agreement. If you fail to vote in favor of the approval and adoption of the merger agreement, the effect will be the same as a vote against the approval and adoption of the merger agreement.**

Although shareholders may exercise their right to vote their shares in person, we recognize that many shareholders may not be able to attend the special meeting. Accordingly, we have enclosed a proxy card and provided other methods, including a toll-free telephone number and use of the Internet, that will enable your

**Table of Contents**

shares to be voted on the matters to be considered at the special meeting even if you are unable to attend in person. We have provided instructions on the proxy card for authorizing your shares to be voted by telephone or the Internet. Submitting a proxy will not prevent you from voting your shares in person if you subsequently choose to attend the special meeting. Even if you plan to attend the special meeting in person, we request that you complete, sign, date and return the enclosed proxy card or vote by telephone or the Internet to ensure that your shares will be represented at the special meeting if you are unable to attend.

If you hold your shares in street name through a broker, bank or other nominee, you should follow the directions provided by your broker, bank or other nominee regarding how to instruct your broker, bank or other nominee to vote your shares. Without those instructions, your shares will not be voted, which will have the same effect as voting against the proposal to approve and adopt the merger agreement.

If you have any questions or need assistance in voting your shares, or if you need to obtain copies of the accompanying proxy statement, proxy cards, election forms or other documents incorporated by reference in the proxy statement, please contact our proxy solicitor, Georgeson, toll free at 866-216-0459.

Thank you for your continued support.

Very truly yours,

Gary R. Enzor

Chairman and Chief Executive Officer

**Neither the Securities and Exchange Commission nor any state securities regulatory agency has approved or disapproved the merger, passed upon the merits or fairness of the merger or passed upon the adequacy or accuracy of the disclosure in this document. Any representation to the contrary is a criminal offense.**

The attached proxy statement is dated [ ], 2015 and is first being mailed to shareholders of Quality Distribution, Inc. on or about [ ], 2015.

**NOTICE OF SPECIAL MEETING OF SHAREHOLDERS**

To the Shareholders of Quality Distribution, Inc.:

NOTICE IS HEREBY GIVEN that a Special Meeting of the Shareholders (the special meeting) of Quality Distribution, Inc. (we, our or us) will be held at [ ], on [ ], 2015, at [ ], Eastern Time, to consider and vote on a proposal:

1. to approve and adopt the Agreement and Plan of Merger, dated as of May 6, 2015 (as it may be amended from time to time, the merger agreement), by and among Quality Distribution, Inc., Gruden Acquisition, Inc. and Gruden Merger Sub, Inc.;
2. to approve, on an advisory (non-binding) basis, compensation that will or may become payable to our named executive officers in connection with the merger contemplated by the merger agreement (the merger); and
3. to approve the proposal to adjourn the special meeting from time to time, if necessary or appropriate to, among other things, solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to approve and adopt the merger agreement.

The holders of record of our common stock, no par value, at the close of business on [ ], 2015, the record date for the special meeting, are entitled to notice of and to vote at the special meeting or at any adjournment or postponement thereof. All shareholders are cordially invited to attend the special meeting in person.

After careful consideration, our board of directors unanimously (i) authorized, approved and adopted the merger agreement and all agreements and documents related thereto and contemplated thereby and the transactions contemplated thereby, including the merger, (ii) determined that the merger is in the best interests of us and our shareholders, (iii) recommended that our shareholders approve and adopt the merger agreement, and (iv) directed that the merger agreement be submitted to our shareholders for consideration and approval and adoption at the special meeting.

**Our board of directors unanimously recommends that shareholders vote FOR the proposal to approve and adopt the merger agreement, FOR the advisory (non-binding) proposal to approve compensation that will or may become payable to our named executive officers in connection with the merger and FOR the proposal to adjourn the special meeting from time to time, if necessary or appropriate to, among other things, solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to approve and adopt the merger agreement.**

Your vote is important, regardless of the number of shares of common stock you own. The approval and adoption of the merger agreement and the transactions contemplated by the merger agreement, including the merger, requires the affirmative vote of holders of a majority of the outstanding shares of common stock and is a condition to the consummation of the merger. The advisory (non-binding) proposal to approve compensation that will or may become payable to our named executive officers in connection with the merger, as well as the proposal to adjourn the special meeting from time to time, if necessary or appropriate to, among other things, solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to approve and adopt the merger agreement and thereby approve the transactions contemplated by the merger agreement, including the merger, each requires the affirmative vote of holders of a majority of the shares of common stock voted on such proposal at the special meeting. **Even if you plan to attend the special meeting in person, we request that you complete, sign, date and return the enclosed proxy card or vote your shares of**

**Table of Contents**

**common stock by telephone or the Internet to ensure that your shares of common stock will be represented at the special meeting if you are unable to attend. A failure to vote your shares of common stock or an abstention from voting will have the same effect as a vote against the proposal to approve and adopt the merger agreement.**

If you sign, date and return your proxy card without indicating how you wish to vote, your proxy will be voted in favor of (i) the proposal to approve and adopt the merger agreement and thereby approve the transactions contemplated by the merger agreement, including the merger, (ii) the advisory (non-binding) proposal to approve compensation that will or may become payable to our named executive officers in connection with the merger, and (iii) the proposal to adjourn the special meeting from time to time, if necessary or appropriate to, among other things, solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to approve and adopt the merger agreement. If you fail to attend the special meeting in person or submit your proxy, your shares will not be counted for purposes of determining whether a quorum is present at the special meeting and will have the same effect as a vote against the proposal to approve and adopt of the merger agreement, but this will not affect the advisory (non-binding) vote to approve compensation that will or may become payable to our named executive officers in connection with the merger or the vote regarding the adjournment of the special meeting, if necessary or appropriate to, among other things, solicit additional proxies.

If the Agreement and Plan of Merger is effected, shareholders dissenting therefrom may be entitled, if they comply with the provisions of the FBCA regarding appraisal rights, to be paid the fair value of their shares. Notwithstanding the foregoing, we have concluded that shareholders are not entitled to assert appraisal rights under Chapter 607 of the FBCA and have attached a copy of sections 607.1301 - 607.1333 of the FBCA solely for statutory notice purposes.

You may revoke your proxy at any time before the vote on the approval and adoption of the merger agreement, at the special meeting by following the procedures described in the accompanying proxy statement.

By order of the Board of Directors,

John T. Wilson

*Corporate Secretary*

**The Special Meeting (Page 23)**

The special meeting will be held at [ ], on [ ], 2015, at [ ], Eastern Time.

## **Table of Contents**

### **Proposals to be Voted on at the Special Meeting (Page 23)**

At the special meeting, you will be asked to consider and vote upon the following proposals:

to approve and adopt the merger agreement;

to approve, on an advisory (non-binding) basis, compensation that will or may become payable to our named executive officers in connection with the merger; and

to approve the proposal to adjourn the special meeting from time to time, if necessary or appropriate to, among other things, solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to approve and adopt the merger agreement.

### **The Merger (Page 28 and Annex A)**

The merger agreement provides that at the effective time of the merger, Merger Sub will be merged with and into the Company, with the Company as the surviving corporation in the merger (the surviving corporation). At the effective time of the merger, each outstanding share of our common stock, no par value (common stock), other than shares owned by the Company or Parent, will be converted into the right to receive \$16.00 in cash (the merger consideration), without interest and less any applicable withholding taxes, and each share of Merger Sub's common stock will be converted into one share of common stock of the surviving corporation. As a result, following the merger we will be a privately held company, wholly owned by Parent, and our common stock will be delisted from the NASDAQ and deregistered under the Securities Exchange Act of 1934, as amended (the Exchange Act). The terms and conditions of the merger are contained in the merger agreement, a copy of which is attached to this proxy statement as Annex A.

### **Record Date and Quorum (Page 23)**

The holders of record of our common stock as of the close of business on [ ], 2015 (the record date for determining those shareholders entitled to notice of and to vote at the special meeting), are entitled to receive notice of and to vote at the special meeting. As of the close of business on the record date, there were [ ] shares of common stock outstanding.

The presence at the special meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding as of the close of business on the record date will constitute a quorum. Under our amended and restated by-laws, in the absence of a quorum at the special meeting, the special meeting may be adjourned by a majority of the shares represented at the meeting to another place, date or time.

### **Required Vote (Page 24)**

To complete the merger, under Florida law, shareholders holding at least a majority of the shares of common stock outstanding at the close of business on the record date must vote **FOR** the proposal to approve and adopt the merger agreement. In addition, under the merger agreement, the receipt of this vote is a condition to the consummation of the merger. A failure to vote your shares of common stock or an abstention from voting your shares will have the same effect as a vote against the proposal to approve and adopt the merger agreement.

The proposal to approve, on an advisory (non-binding) basis, compensation that will or may become payable to our named executive officers in connection with the merger, as well as the proposal to approve the proposal to adjourn the special meeting from time to time, if necessary or appropriate to, among other things, solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to approve and adopt the merger agreement, each requires the affirmative vote of holders of a majority of the shares of common stock voted on such proposal at the special meeting.

**Table of Contents**

**Conditions to the Merger (Page 79)**

Each party's obligation to complete the merger is subject to the satisfaction or waiver of the following conditions:

the approval and adoption of the merger agreement by the required vote of the shareholders;

the expiration or termination of any applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the HSR Act), which was satisfied by the Federal Trade Commission's (the FTC) grant of early termination of the HSR Act waiting period on June 1, 2015, and the obtaining of the CFIUS Approval (as described below).

the absence of any order, injunction, ruling, decree or judgment issued by any court or agency of competent jurisdiction or other legal restraint or prohibition preventing the consummation of the merger; and

The obligations of Parent and Merger Sub to complete the merger are subject to the satisfaction (or waiver if permissible under applicable law) of the following additional conditions:

the accuracy of the representations and warranties of the Company (subject to materiality, material adverse effect and other qualifications specified in the merger agreement);

the Company having performed in all material respects, the obligations under the merger agreement required to be performed by it at or prior to the closing;

since the date of the merger agreement, there having not been any circumstance that, individually or in the aggregate, has had or would reasonably be expected to have a company material adverse effect and that is continuing; and

the delivery of an officer's certificate by the Company certifying that the conditions in the first two bullets above have been satisfied. Our obligation to complete the merger is subject to the satisfaction (or waiver if permissible under applicable law) of the following additional conditions:

the accuracy of the representations and warranties of Parent and Merger Sub (subject to materiality, material adverse effect and other qualifications specified in the merger agreement);

Parent having performed in all material respects, the obligations under the merger agreement required to be performed by it at or prior to the closing; and

the delivery of an officer's certificate by Parent certifying that the conditions in the two bullets above have been satisfied.

**When the Merger Becomes Effective (Page 65)**

We anticipate completing the merger in the third calendar quarter of 2015, subject to the approval and adoption of the merger agreement by our shareholders as specified herein and the satisfaction of the other closing conditions.

**Recommendation of the Company's Board of Directors (Pages 23 and 44)**

After careful consideration, our board of directors unanimously (i) authorized, approved and adopted the merger agreement and all agreements and documents related thereto and contemplated thereby and the transactions contemplated thereby, including the merger, (ii) determined that the merger is in the best interests of us and our shareholders, (iii) recommended that our shareholders approve and adopt the merger agreement, and (iv) directed that the merger agreement be submitted to our shareholders for consideration and approval and

adoption at the special meeting. Our board of directors unanimously recommends that shareholders vote **FOR** the approval and adoption of the merger agreement and the transactions contemplated by the merger agreement, including the merger, **FOR** the proposal to approve, on an advisory (non-binding) basis, compensation that will or may become payable to our named executive officers in connection with the merger and **FOR** the proposal to approve the proposal to adjourn the special meeting from time to time, if necessary or appropriate to, among other things, solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to approve and adopt the merger agreement.

For a description of the reasons considered by our board of directors in deciding to recommend approval and adoption of the merger agreement and the transactions contemplated by the merger agreement, including the merger, by our shareholders, see *The Merger (Proposal 1) Reasons for the Merger*.

### **Opinion of the Company's Financial Advisor (Page 44 and Annex B)**

In connection with the merger, the Company's financial advisor, RBC Capital Markets, LLC, referred to as RBC Capital Markets, delivered a written opinion, dated May 6, 2015, to the Company's board of directors as to the fairness, from a financial point of view and as of the date of the opinion, of the \$16.00 per share cash consideration to be received by holders of Company common stock pursuant to the merger agreement. The full text of RBC Capital Markets' written opinion, dated May 6, 2015, is attached as Annex B to this proxy statement and sets forth, among other things, the procedures followed, assumptions made, factors considered and qualifications and limitations on the review undertaken by RBC Capital Markets in connection with its opinion. **RBC Capital Markets delivered its opinion to the Company's board of directors for the benefit, information and assistance of the Company's board of directors (in its capacity as such) in connection with and for purposes of its evaluation of the merger consideration from a financial point of view. RBC Capital Markets' opinion did not address any other aspect of the merger, the merger agreement or any related documents and no opinion or view was expressed as to the underlying business decision of the Company to engage in the merger or the relative merits of the merger compared to any alternative business strategy or transaction that might be available to the Company or in which the Company might engage. RBC Capital Markets' opinion does not constitute a recommendation to any shareholder as to how such shareholder should vote or act in connection with the merger or any other matter.**

### **Treatment of Outstanding Equity Awards (Page 55)**

#### ***Stock Options***

At the effective time of the merger, each stock option to purchase shares of the Company's common stock that is outstanding immediately prior to the effective time, whether or not vested, will vest and be canceled in exchange for the right to receive an amount in cash (subject to any applicable withholding) equal to the product of (i) the total number of shares of the Company's common stock subject to the stock option as of the effective time of the merger and (ii) the amount by which the merger consideration exceeds the exercise price per share of the Company's common stock underlying the stock option.

#### ***Time-Based Vesting Restricted Stock and Restricted Stock Units***

At the effective time of the merger, each time-based vesting restricted stock award or restricted stock unit award that is outstanding prior to the effective time, which we refer to as a Company RSA, will vest and be canceled in exchange for the right to receive an amount in cash (subject to any applicable withholding) determined by multiplying (i) the merger consideration by (ii) the total number of shares of the Company's common stock subject to such Company RSA as of the effective time of the merger.

---

**Table of Contents**

***Performance-Based Vesting Restricted Stock Units***

At the effective time of the merger, each performance-based vesting restricted stock unit award that is outstanding immediately prior to the effective time, which we refer to as a Company PSA, will be canceled and the holder will be entitled to receive an amount in cash (subject to any applicable withholding) equal to the amount determined by multiplying (i) the merger consideration and (ii) the sum of (x) 100% of the total number of shares of the Company's common stock subject to any such Company PSA granted in 2014, assuming vesting at the maximum level, and (y) 25% of the total number of shares of the Company's common stock subject to any such Company PSA granted in 2015, assuming vesting at the target level.

**Interests of the Company's Directors and Executive Officers in the Merger (Page 55)**

In considering the recommendation of our board of directors with respect to the proposal to approve and adopt the merger agreement, you should be aware that some of our directors and executive officers have interests in the merger that are different from, or in addition to, the interests of our shareholders generally. Interests of officers and directors that may be different from or in addition to the interests of our shareholders include, among others:

accelerated vesting of certain equity and equity-based awards simultaneously with the effective time of the merger and the settlement of such awards in exchange for cash. The aggregate value of the equity and equity-based awards held by executive officers and directors for which vesting accelerates at the effective time of the merger is estimated to be \$15,417,043.

separation payments and other benefits that are payable to our executive officers under their employment agreements in the event of a termination of employment under certain conditions following the consummation of the merger. If each executive officer experiences a qualifying termination of employment immediately after the merger, the aggregate value of cash severance and benefits continuation to be received by the executive officers is estimated to be \$3,939,787.

arrangements that provide for tax reimbursements for employees who may become subject to excise taxes pursuant to Section 4999 of the Internal Revenue Code. Assuming that each executive officer enters into an agreement or an amendment to an existing agreement that provides for a tax reimbursement and each such executive officer's employment is terminated in connection with the merger, the aggregate value of the tax reimbursement is estimated to be \$5,192,737 and if no executive officer's employment is terminated in connection with the merger, the aggregate value of the tax reimbursement is estimated to be \$1,422,129.

a retention bonus pool that allows for grants to certain of our employees with an aggregate value not to exceed \$3 million, with each retention award to be paid in cash in equal installments on each of the first three anniversaries of the closing date of the merger, generally subject to continued employment through the payment date; and

continued indemnification and insurance coverage following consummation of the merger under indemnification agreements and the merger agreement.

If the proposal to approve and adopt the merger agreement is approved and adopted by our shareholders, the shares of common stock held by our directors and executive officers will be treated in the same manner as outstanding shares of common stock held by all other shareholders of the Company entitled to receive the merger consideration.

These interests are discussed in more detail in the section entitled *The Merger (Proposal 1) Interests of Our Directors and Executive Officers in the Merger*. Our board of directors was aware of the different or additional interests set forth herein and considered such interests along with other matters in approving the merger agreement and the transactions contemplated thereby, including the merger.

## **Table of Contents**

### **Financing (Page 52)**

Parent estimates that the total amount of funds required to complete the merger and related transactions and pay related fees and expenses will be approximately \$[ ] million. Parent expects this amount to be funded through a combination of the following:

debt financing consisting of (i) a senior secured first lien term loan facility in an aggregate principal amount of \$400.0 million, (ii) a senior secured second lien term loan facility in an aggregate principal amount of \$135.0 million, and (iii) an asset based revolving credit facility in an aggregate principal amount of \$100.0 million, on terms and conditions set forth in the debt commitment letter (as defined and described in *The Merger (Proposal 1) Financing* ); and

a cash equity investment by Apax Investors in Parent of up to \$322 million.

The consummation of the merger is not subject to a financing condition (although the funding of the debt and cash equity financing is subject to the satisfaction of the conditions set forth in the commitment letters under which the financing will be provided).

### **Parent Fee Commitment Letter (Page 52)**

Concurrently with the execution of the merger agreement, Apax Investors also executed and delivered a parent fee commitment in our favor (the parent fee commitment letter ), pursuant to which Apax Investors absolutely and irrevocably committed, subject to the terms and conditions of the parent fee commitment letter, to make a cash equity investment in Parent, up to an aggregate amount of up to \$32.5 million, for purpose of allowing Parent to pay:

a reverse termination fee of \$32.0 million if the merger agreement is terminated under specified circumstances which are described in *The Merger Agreement Termination Fees*; and

certain additional amounts, including certain reimbursement and indemnification obligations of Parent under the merger agreement. Apax Investors' obligations under the parent fee commitment letter are subject to an aggregate cap equal to \$32.5 million.

### **Material U.S. Federal Income Tax Consequences of the Merger (Page 61)**

For U.S. federal income tax purposes, the receipt of cash by a U.S. Holder (as defined under *The Merger Material U.S. Federal Income Tax Consequences of the Merger* beginning on page [ ]) in exchange for such U.S. Holder's shares of Quality Distribution, Inc. common stock in the merger generally will result in the recognition of gain or loss in an amount equal to the difference, if any, between the cash such U.S. Holder receives in the merger and such U.S. Holder's adjusted tax basis in the shares of Quality Distribution, Inc. common stock surrendered in the merger. **Shareholders (including Non-U.S. Holders (as defined under *The Merger Material U.S. Federal Income Tax Consequences of the Merger* beginning on page [ ])) should consult their own tax advisors concerning the U.S. federal income tax consequences relating to the merger in light of their particular circumstances and any consequences arising under the laws of any U.S. state or local or non-U.S. taxing jurisdiction.** A more complete description of the material U.S. federal income tax consequences of the merger is provided under *The Merger Material U.S. Federal Income Tax Consequences of the Merger* beginning on page [ ].

### **Regulatory Approvals (Page 63)**

#### ***HSR Act and U.S. Antitrust Matters.***

Under the HSR Act and related rules, certain transactions, including the merger, may not be completed until notifications have been given and information furnished to the Antitrust Division of the United States Department of Justice ( Antitrust Division ) and the FTC and all statutory waiting period requirements have been satisfied or early termination has been granted by the applicable agencies. On May 20, 2015, we and Parent each filed our respective Notification and Report Forms with the Antitrust Division and the FTC. The FTC granted early termination of the HSR Act waiting period on June 1, 2015.

#### ***CFIUS Approval.***

The merger is subject to approval by CFIUS, which requires that the Committee on Foreign Investment in the United States ( CFIUS ) has determined that there are no unresolved national security concerns with respect to the merger and the other transactions contemplated by the merger agreement, has determined that the transaction is not a covered transaction and not subject to review under applicable law or has sent a report to the President of the United States requesting the President's decision on the CFIUS notice submitted by us and Parent and either (1) the period under the Defense Production Act of 1950, as amended, during which the President may announce his decision to take action to suspend, prohibit or place any limitations on the merger or the other transactions contemplated by the merger agreement has expired without any such action being threatened, announced or taken or (2) the President has announced a decision not to take any action to suspend, prohibit or place any limitations on the merger or the other transactions contemplated by the merger agreement (the CFIUS Approval ).

On June 29, 2015, we and Parent submitted a joint voluntary notice to CFIUS. CFIUS formally accepted our filing on July 6, 2015 and commenced its 30-day review period. CFIUS may determine that an additional 45-day investigation period is warranted at the conclusion of the initial 30-day review period.

### **Solicitations of Other Offers (Page 73)**

#### ***Go-Shop Period***

From the date of the merger agreement until 11:59 p.m. (Eastern Time) on June 15, 2015, which period we refer to as the go-shop period, we and our subsidiaries and our respective representatives were permitted to, directly or indirectly:

initiate, solicit, facilitate and encourage any inquiry or the making of any proposals or offers relating to certain alternative transactions, including by providing access to non-public information relating to the Company and its subsidiaries pursuant to an acceptable confidentiality agreement (as defined in *The Merger Agreement Restrictions on Solicitations of Acquisition Proposals* ), as long as we promptly provide the same non-public information to Parent that was not previously provided to Parent; and

engage and enter into, continue and otherwise participate in discussions or negotiations with respect to potential alternative transactions (as defined in *The Merger Agreement Restrictions on Solicitations of Acquisition Proposals* ) or otherwise cooperate with, or assist or participate in, or facilitate, any such inquiries, proposals, discussions or negotiations.

Upon the conclusion of the go-shop period we were required to immediately cease and terminate any existing solicitation activities, discussions or negotiations with, any third party (other than excluded parties) relating to any acquisition proposal.

Within three business days following the end of the go-shop period, we were required to provide Parent with a written list identifying each excluded party (as defined in *The Merger Agreement Restrictions on Solicitations of Acquisition Proposals* ), if any.

**Table of Contents**

See *The Merger (Proposal 1) Background of the Merger* beginning on page 40 for information regarding the results of the go-shop process to date.

***No-Shop Period***

Except as otherwise provided in the merger agreement, from and after 12:00 a.m. (Eastern Time), on June 16, 2015 until the effective time of the merger, or if earlier, the termination of the merger agreement in accordance with its terms, we and our affiliates and our respective representatives may not:

initiate, solicit, knowingly facilitate or knowingly encourage the submission of an acquisition proposal; or

engage in, enter into, continue or otherwise participate in any discussions or negotiations regarding or provide any information relating to us or our subsidiaries or afford access to our, or our subsidiaries' business, properties, assets, books or records to any third party in connection with or for the purpose of facilitating or encouraging an acquisition proposal.

Notwithstanding the foregoing restrictions, if, prior to obtaining the required vote of our shareholders to approve and adopt the merger agreement, (i) we receive an unsolicited acquisition proposal from a third party that in the good faith judgment of our board of directors, after consultation with outside legal and financial advisors, constitutes, or would reasonably be expected to lead to, a superior proposal (as defined below under *The Merger Agreement Restrictions on Solicitations of Acquisition Proposals*) and (ii) other than with respect to taking such actions with an excluded party (for so long as such person remains an excluded party), our board of directors determines in good faith, after consultation with outside legal counsel, that the failure to take such action would be inconsistent with its fiduciary duties under applicable law, then we may take the following actions:

provide nonpublic information to the third party and its representatives after entering into an acceptable confidentiality agreement, as long as we promptly provide the same non-public information to Parent that was not previously provided to Parent; and

engage in discussions or negotiations with a third party and its representatives with respect to the acquisition proposal.

***Change of Recommendation; Superior Proposal***

Under the merger agreement, generally, our board of directors may not:

withhold, withdraw, qualify or modify (or publicly propose or resolve to withhold, withdraw, qualify or modify), in a manner adverse to Parent, our board of directors' recommendation of the merger contained in this proxy statement; (ii) approve, authorize, adopt or recommend or otherwise declare advisable, or propose publicly to approve, authorize, adopt or recommend or otherwise declare advisable, any acquisition proposal; or (iii) fail to include in the proxy statement when filed the recommendation of our board of directors to the shareholders of the Company to approve and adopt the merger agreement (we refer to any of the foregoing actions as an "change of recommendation"); or

other than an acceptable confidentiality agreement, authorize, adopt, approve recommend or otherwise declare advisable, or cause or permit us to execute or enter into, any letter of intent, memorandum of understanding or definitive merger agreement or other similar agreement relating to any acquisition proposal, which we refer to as "acquisition proposal documentation."

## Table of Contents

Notwithstanding the foregoing restrictions, subject to our compliance with our obligations under the merger agreement, including providing Parent with advance notice and giving Parent an opportunity to make revisions to the merger agreement, at any time prior to the approval and adoption of the merger agreement by our shareholders, our board of directors may:

make a change of recommendation if there is a change, event, occurrence, state of facts or development that was unknown to our board of directors as of the date of the merger agreement and subsequently becomes known to our board of directors (which such change, event, occurrence, state of facts or development we refer to as an *intervening event*), and our board of directors determines in good faith (after consultation with its outside legal counsel) that the failure to make such change of recommendation would be inconsistent with the directors' fiduciary duties under applicable law; or

make a change of recommendation and/or authorize the termination of the merger agreement in order to enter into a definitive agreement with respect to an acquisition proposal if our board of directors determines in good faith (after consultation with its outside legal counsel and financial advisor) that such acquisition proposal constitutes a superior proposal, provided that we may terminate the merger agreement only if we pay to Parent the applicable termination fee under the merger agreement prior to or concurrently with such termination (as described in more detail below under *The Merger Agreement - Termination*).

### **Termination (Page 81)**

The merger agreement may be terminated by mutual written consent of the Company and Parent at any time before the effective time of the merger. In addition, at any time prior to the effective time of the merger (regardless whether our shareholders have previously approved and adopted the merger agreement) either the Company or Parent may terminate the merger agreement if:

the effective time of the merger has not occurred on or before November 6, 2015 (the *termination date*);

any permanent injunction or other order has been issued by any court of competent jurisdiction restraining, enjoining or otherwise prohibiting the consummation of the merger and such injunction or other order has become final and non-appealable; or

the meeting of our shareholders to approve and adopt the merger agreement (including any adjournment, postponement or recess thereof) has been held and the approval by our shareholders of the proposal to approve and adopt the merger agreement has not been obtained.

provided that the party seeking to terminate the merger agreement has not breached or failed to fulfill any provision of the merger agreement in any manner that was the primary cause of failure of any condition set forth above to have been satisfied on or before the termination date.

We may terminate the merger agreement:

if, at any time prior to receiving the shareholder approval, our board of directors authorizes us to enter into a definitive agreement with respect to a superior proposal to the extent permitted by, and subject to our compliance with, the applicable terms and conditions of the merger agreement, provided that immediately prior, or substantially concurrently (i) we pay to Parent the applicable termination fee and (ii) enter into such definitive agreement with respect to a superior proposal;

if, Parent or Merger Sub has breached any of their respective representations or warranties or failed to perform any covenants or other agreements contained in the merger agreement and such breach or failure would result in certain closing conditions not being satisfied, and such breach is incapable of being cured by the termination date or, if curable, is not cured by Parent prior to the earlier of (x) the 30<sup>th</sup> day after Parent's receipt from us of written notice of such breach or (y) the termination date; or

## **Table of Contents**

if, (i) all of the conditions to Parent's and Merger Sub's obligation to consummate the merger are satisfied or have been waived (other than those conditions that by their terms are to be satisfied at the closing, each of which is then capable of being satisfied if the closing were to occur), (ii) we have notified Parent and Merger Sub in writing that we are ready and willing to consummate the merger, and (iii) Parent and Merger Sub fail to consummate the merger within two business days following the date the closing should have occurred pursuant to the merger agreement (a "Parent Failure to Close Termination").

Parent may terminate the merger agreement:

if prior to obtaining the required vote of our shareholders, our board of directors effects a change of recommendation or there will have been a material breach of our covenants regarding acquisition proposals and the go-shop period, the proxy statement or the shareholders meeting which impairs, prevents or materially delays the consummation of the transactions contemplated by the merger agreement and, with respect to our covenants regarding the proxy statement and the shareholders meeting, such breaches cannot be or are not cured reasonably promptly after written notice thereof; or

if, we have breached any of our representations or warranties or failed to perform any covenants or other agreements contained in the merger agreement and such breach or failure would result in certain closing conditions not to be satisfied, and such breach is incapable of being cured by the termination date or, if curable, is not cured prior to the earlier of (x) the 30<sup>th</sup> day after our receipt of written notice of such breach from Parent or (y) the termination date.

### **Termination Fees (Page 82)**

The merger agreement provides that, upon termination of the merger agreement under certain circumstances, including termination of the merger agreement by Parent as a result of a change of recommendation by our board of directors or our termination to accept a superior proposal, we will be required to pay Parent a termination fee of (i) \$8.2 million if such termination occurs in respect of a superior proposal from an excluded party or (ii) in all other circumstances, \$16.7 million.

Upon termination of the merger agreement by us or Parent under specified circumstances, Parent will be required to pay us a termination fee of \$32.0 million.

See *The Merger (Proposal 1) The Merger Agreement Termination Fees* beginning on page 82 for information regarding circumstances under which either the Company or Parent will be obligated to pay a termination fee.

### **Reimbursement of Expenses (Page 82)**

If the merger agreement is terminated by either party because of the failure of our shareholders to approve and adopt the merger agreement, and an acquisition proposal has been publicly announced and not publicly withdrawn prior to our shareholders' meeting to approve and adopt the merger agreement, we will be required to reimburse Parent and its affiliates for all expenses and out-of-pocket costs incurred by Parent, Merger Sub or their respective affiliates in connection with the merger agreement and the transactions contemplated by the merger agreement, including the financing, up to a maximum amount of \$3 million. If we subsequently become obligated to pay a termination fee to Parent, any such expense reimbursement paid by us will reduce the amount of any termination fee payable to Parent.

See *The Merger (Proposal 1) The Merger Agreement Termination Fees* beginning on page 82 for information regarding circumstances under which we will be obligated to pay expense reimbursement.

**Appraisal Rights (Page 90)**

At the close of business on [ ], 2015, the record date for the special meeting, the Company's common stock was listed on the NASDAQ. Further, on the record date for the special meeting, the Company's common stock was held by at least 2,000 shareholders and the market value of the common stock held by non-affiliates exceeded \$10,000,000. Therefore, pursuant to section 607.1302(2)(a) of the FBCA, shareholders are not entitled to assert appraisal rights (including those who give timely written notice of intent to demand payment and do not vote any shares in favor of the merger agreement) in connection with the merger agreement, the merger or the other matters to be voted on at the special meeting. Notwithstanding the fact that appraisal rights are not available, a copy of sections 607.1301 - 607.1333 of the FBCA is attached hereto solely for statutory notice purposes.

**QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING AND THE MERGER**

The following questions and answers address briefly some commonly asked questions regarding the special meeting, the merger agreement and the merger. These questions and answers may not address all questions that may be important to you as a shareholder. Please refer to the more detailed information contained elsewhere in this proxy statement, the annexes to this proxy statement and the documents incorporated by reference herein.

**Q: Why am I receiving this proxy statement?**

A: On May 6, 2015, the Company entered into the merger agreement providing for the merger of Merger Sub, a wholly owned subsidiary of Parent, with and into the Company, with the Company surviving the merger as a wholly owned subsidiary of Parent. We are sending you this proxy statement and the accompanying materials in connection with the solicitation of proxies by our board of directors and to help you decide how to vote your shares of common stock with respect to the matters to be considered at the special meeting. The merger cannot be completed unless holders of a majority of the outstanding shares of our common stock vote in favor of the proposal to approve and adopt the merger agreement.

**Q: What is the proposed transaction?**

A: The proposed transaction is the merger of Merger Sub with and into the Company pursuant to the merger agreement. Following the effective time of the merger, we will become a privately held company, wholly owned by Parent, and our common stock will be delisted from the NASDAQ and deregistered under the Exchange Act.

**Q: What will I receive in the merger?**

A: If the merger is completed you will be entitled to receive \$16.00 in cash, without interest and less any applicable withholding taxes, for each share of our common stock that you own. For example, if you own 100 shares of common stock, you will be entitled to receive \$1,600 in cash in exchange for your shares of common stock, less any applicable withholding taxes. You will not be entitled to receive shares in the surviving corporation or in Parent.

**Q: What was the market price of our shares at the time we entered into the merger agreement as compared to the merger consideration agreed to by the parties in the merger agreement?**

A: On May 6, 2015, the date on which we entered into the merger agreement, the closing price of our common stock was \$9.80 per share, as compared to the merger consideration of \$16.00 per share agreed to by the parties in the merger agreement.

**Q: Where and when is the special meeting?**

A: The special meeting will take place at [ ] on [ ], 2015, at [ ], Eastern Time.

**Q: What matters will be voted on at the special meeting?**

## Edgar Filing: QUALITY DISTRIBUTION INC - Form PRER14A

A: You will be asked to consider and vote on the following proposals:

to approve and adopt the merger agreement;

to approve, on an advisory (non-binding) basis, compensation that will or may be become payable to our named executive officers in connection with the merger; and

to approve the proposal to adjourn the special meeting from time to time, if necessary or appropriate to, among other things, solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to approve and adopt the merger agreement.

**Table of Contents**

**Q: Who is entitled to vote at the special meeting? How many votes do I have?**

A: The holders of our common stock at the close of business on [ ], 2015, the record date for the special meeting, are entitled to receive notice of and to vote (in person or by proxy) at the special meeting and any adjournment thereof. You are entitled to one vote for each share of common stock that you owned as of the close of business on the record date.

**Q: What vote of our shareholders is required to approve the proposal to approve and adopt the merger agreement?**

A: Under Florida law, shareholders holding a majority of the shares of common stock outstanding at the close of business on the record date must vote **FOR** the proposal to approve and adopt the merger agreement. In addition, under the merger agreement, the receipt of this vote is a condition to the consummation of the merger. A failure to vote your shares of common stock or an abstention from voting your shares will have the same effect as a vote **AGAINST** the proposal to approve and adopt the merger agreement.

As of the close of business on [ ], 2015, the record date for the special meeting, there were [ ] shares of common stock outstanding.

**Q: How will our directors and executive officers vote on the proposal to approve and adopt the merger agreement?**

A: Our directors and executive officers have informed us that, as of the date of this proxy statement, they intend to vote in favor of the proposal to approve and adopt the merger agreement.

As of the close of business on [ ], 2015, the record date for the special meeting, our directors and executive officers owned, in the aggregate, [ ]% of our outstanding shares of common stock.

**Q: How does our board of directors recommend that I vote?**

A: Our board of directors approved the merger agreement and determined that the merger agreement and the transactions contemplated thereby, including the merger, are in the best interests of us and our shareholders. Our board of directors unanimously recommends that our shareholders vote **FOR** the proposal to approve and adopt the merger agreement. Our board of directors also unanimously recommends that our shareholders vote, **FOR** the proposal to approve, on an advisory (non-binding) basis, compensation that will or may become payable to our named executive officers in connection with the merger and **FOR** the proposal to approve the proposal to adjourn the special meeting from time to time, if necessary or appropriate to, among other things, solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to approve and adopt the merger agreement.

**Q: What factors did our board of directors consider in evaluating the merger agreement and the merger?**

A: In evaluating the merger agreement and the merger, our board of directors consulted with our senior management team and outside legal and financial advisors and, in reaching its unanimous decision to approve the merger agreement and the merger and to recommend that our shareholders approve and adopt the merger agreement our board of directors considered a variety of factors, including positive factors and potential benefits of the merger, as well as negative factors concerning the merger.

Some of the selected positive factors considered by our board of directors included, among other things:

the fact that the merger consideration consists solely of cash;

the fact that the merger consideration of \$16.00 per share represents an approximate premium of 62% to the \$9.85 closing price per share of our common stock on May 5, 2015, the day before our board of directors approved and adopted the merger agreement;

**Table of Contents**

the business reputation and capabilities of Apax; and

the opinion of RBC Capital Markets, dated May 6, 2015, to our board of directors as to the fairness, from a financial point of view, of the \$16.00 per share cash consideration to be received by holders of Company common stock pursuant to the merger agreement. Some of the negative factors considered by our board of directors included, among other things:

the fact that, subsequent to the completion of the merger, the Company will no longer exist as an independent public company and that the nature of the transaction as a cash transaction would preclude our shareholders from participating in any value creation that the business could generate, as well as any future appreciation in our value beyond the merger consideration;

the risk that necessary regulatory approvals and clearances may be delayed, conditioned or denied; and

the restrictions on the conduct of our business prior to the completion of the merger, which could delay or prevent us from undertaking business opportunities that may arise or any other action we would otherwise take with respect to our operations absent the pending completion of the merger.

The above factors were not given greater weight than other factors considered by our board of directors. For a more detailed description of the numerous factors considered by our board of directors when evaluating the merger agreement and the merger, which we encourage shareholders to read in their entirety, see *The Merger (Proposal 1) Reasons for the Merger* beginning on page 41.

After careful consideration of both positive and negative factors associated with the merger agreement and the merger, our board of directors unanimously determined that, in the aggregate, the positive factors far outweighed the negative factors. Therefore, our board of directors unanimously concluded that entering into the merger agreement and consummating the merger was in the best interests of our shareholders.

**Q: Do any of our directors or executive officers have interests in the merger that may differ from, or be in addition to, my interests as a shareholder?**

A: Yes. In considering the recommendation of our board of directors with respect to the proposal to approve and adopt the merger agreement, you should be aware that our directors and executive officers have interests in the merger that are different from, or in addition to, the interests of our shareholders generally. Our board of directors was aware of, and considered, these differing interests, among other matters, in evaluating and negotiating the merger agreement, and our board of directors unanimously recommends that the merger agreement be approved and adopted by our shareholders. See *The Merger (Proposal 1) Interests of Our Directors and Executive Officers in the Merger*.

**Q: What vote of our shareholders is required to approve other matters to be presented at the special meeting?**

A: The proposal to approve, on an advisory (non-binding) basis, compensation that will or may become payable to our named executive officers in connection with the merger, as well as the proposal to approve the proposal to adjourn the special meeting from time to time, if necessary or appropriate to, among other things, solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to approve and adopt the merger agreement, each require the affirmative vote of holders of a majority of the shares of common stock voted on such proposal at the special meeting.

**Q: What is a quorum?**

## Edgar Filing: QUALITY DISTRIBUTION INC - Form PRER14A

- A: A quorum will be present if holders of a majority of the shares of common stock outstanding as of the close of business on the record date are present in person or represented by proxy at the special meeting. Under our amended and restated by-laws, if a quorum is not present at the special meeting, a majority of the shares represented at the meeting may adjourn the meeting to another place, date or time.

## **Table of Contents**

If you submit a proxy but fail to provide voting instructions or abstain on any of the proposals listed on the proxy card, your shares will be counted for purpose of determining whether a quorum is present at the special meeting.

If your shares are held in street name by your broker, bank or other nominee and you do not tell the nominee how to vote your shares, these shares will not be counted for purposes of determining whether a quorum is present for the transaction of business at the special meeting.

### **Q: What effects will the merger have on the Company?**

A: Our common stock is currently registered under the Exchange Act and quoted on the NASDAQ under the symbol QLTY. As a result of the merger, the Company will cease to be a publicly traded company and will be a wholly owned subsidiary of Parent. Following the consummation of the merger, the registration of our common stock and our reporting obligations under the Exchange Act will be terminated. In addition, our common stock will no longer be listed on any stock exchange or quotation system, including the NASDAQ.

### **Q: What happens if the merger is not consummated?**

A: If the merger agreement is not approved and adopted by our shareholders, or if the merger is not consummated for any other reason, our shareholders will not receive any payment for their shares. Instead, we will remain a public company and shares of our common stock will continue to be listed and traded on the NASDAQ, and we will continue to file periodic reports with the SEC. Under specified circumstances, we may be required to reimburse certain of Parent's expenses incurred in respect of the transactions contemplated by the merger agreement or pay Parent a termination fee, or we may be entitled to receive a reverse termination fee from Parent, upon the termination of the merger agreement. See *The Merger Agreement Termination Fees*.

### **Q: What will happen if shareholders do not approve the advisory (non-binding) proposal on executive compensation that will or may become payable to our named executive officers in connection with the merger?**

A: The approval of this proposal is not a condition to the completion of the merger. SEC rules require us to seek approval on an advisory (non-binding) basis of certain payments that will or may become payable to our named executive officers in connection with the merger. The vote on this proposal is an advisory vote and will not be binding on us or on Parent. If the merger agreement is approved and adopted by our shareholders and the merger is completed, the merger-related compensation may be paid to our named executive officers even if shareholders fail to approve this proposal.

### **Q: What do I need to do now?**

A: We urge you to read this proxy statement carefully, including its annexes and the documents incorporated by reference herein, and to consider how the merger affects you. Then complete, sign, date and return, as promptly as possible, the enclosed proxy card in the accompanying postage-paid envelope or grant your proxy electronically over the Internet or by telephone, so that your shares can be voted at the special meeting. If you hold your shares in street name, please refer to the voting instruction forms provided by your bank, broker or other nominee to vote your shares. **Please do not send your stock certificates with your proxy card.** Your vote is important. A failure to vote your shares of common stock will have the same effect as a vote AGAINST the proposal to approve and adopt the merger agreement.

### **Q: How do I vote my shares of common stock?**

## Edgar Filing: QUALITY DISTRIBUTION INC - Form PRER14A

A: If you are a shareholder of record (that is, if your shares of common stock are registered in your name with Georgeson, our transfer agent), there are four ways to vote:

by completing, dating, signing and returning the enclosed proxy card by mail using the accompanying postage-paid envelope;

## **Table of Contents**

by calling the toll-free number (within U.S. or Canada) listed on your proxy card;

by submitting a proxy by Internet, at the address provided on your proxy card; or

by attending the special meeting and voting in person.

If you hold your shares in street name through a broker, bank or other nominee, you should follow the directions provided by your broker, bank or other nominee regarding how to instruct your broker, bank or other nominee to vote your shares. Without those instructions, your shares will not be voted, which will have the same effect as voting against the proposal to approve and adopt the merger agreement.

### **Q: What should I do if I want to attend the special meeting and vote in person?**

A: All holders of shares of common stock as of the close of business on the record date for the special meeting, including shareholders of record and beneficial owners of common stock registered in the street name of a bank, broker or other nominee, are invited to attend the special meeting. If you are a shareholder of record, please be prepared to provide proper identification, such as a driver's license. If you hold your shares in street name, you will need to provide proof of ownership, such as a recent account statement or voting instruction form provided by your bank, broker or other nominee or other similar evidence of ownership, along with proper identification.

Even if you plan to attend the special meeting in person, we encourage you to complete, sign, date and return the enclosed proxy or vote electronically over the Internet or via telephone to ensure that your shares will be represented at the special meeting. If you attend the special meeting and vote in person, your vote by ballot will revoke any proxy previously submitted. If you hold your shares in street name, because you are not the shareholder of record, you may not vote your shares in person at the special meeting unless you request and obtain a valid legal proxy from your bank, broker or other nominee.

### **Q: Can I revoke my proxy?**

A: Yes. You can revoke your proxy at any time before the vote is taken at the special meeting. If you are a shareholder of record, you may revoke your proxy by notifying our Corporate Secretary in writing at Quality Distribution, Inc., Attn: Corporate Secretary, 4041 Park Oaks Boulevard, Suite 200, Tampa, FL 33610, or by submitting a new proxy by telephone, the Internet or mail, in each case, dated after the date of the proxy being revoked. In addition, you may revoke your proxy by attending the special meeting and voting in person (simply attending the special meeting will not cause your proxy to be revoked). Please note that if you hold your shares in street name and you have instructed a broker, bank or other nominee to vote your shares, the above-described options for revoking your voting instructions do not apply, and instead you must follow the instructions received from your broker, bank or other nominee to revoke your voting instructions.

### **Q: What happens if I do not vote?**

A: The vote required to approve and adopt the merger agreement is based on the total number of shares of common stock outstanding as of the close of business on the record date, not just the shares that are voted. If you do not vote, it will have the same effect as a vote against the proposal to approve and adopt the merger agreement.

If the merger is completed, whether or not you voted at the special meeting, you will be entitled to receive the merger consideration for your shares of common stock upon completion of the merger.

**Q:**

Edgar Filing: QUALITY DISTRIBUTION INC - Form PRER14A

**If my shares are held in street name by my broker, bank or other nominee, will my broker, banker or other nominee vote my shares for me?**

- A: Your broker will *not* vote your shares on your behalf unless you provide instructions to your broker on how to vote. You should follow the directions provided by your broker regarding how to instruct it to vote your

## **Table of Contents**

shares. Without those instructions, your shares will not be voted, which will have the same effect as voting AGAINST the approval and adoption of the merger agreement, but will have no effect for purposes of the advisory (non-binding) vote on merger-related executive compensation or the proposal to approve the proposal to adjourn the special meeting, if necessary or appropriate to, among other things, solicit additional proxies.

**Q: Will my shares held in street name or another form of record ownership be combined for voting purposes with shares I hold of record?**

A: No. Because any shares you may hold in street name will be deemed to be held by a different shareholder than any shares you hold of record, any shares so held will not be combined for voting purposes with shares you hold of record. Similarly, if you own shares in various registered forms, such as jointly with your spouse, as trustee of a trust or as custodian for a minor, you will receive, and will need to sign and return, a separate proxy card for those shares because they are held in a different form of record ownership. Shares held by a corporation or business entity must be voted by an authorized officer of the entity. Shares held in an individual retirement account must be voted under the rules governing the account.

**Q: What happens if I sell my shares of common stock before completion of the merger?**

A: If you transfer your shares of common stock before completion of the merger, you will have transferred your right to receive the merger consideration in the merger. In order to receive the merger consideration, you must hold your shares of common stock through completion of the merger.

The record date for shareholders entitled to vote at the special meeting is earlier than the date on which the merger will be consummated. Consequently, if you transfer your shares of common stock after the record date but before the special meeting, you will have transferred your right to receive the merger consideration in the merger, but retained the right to vote at the special meeting.

**Q: Should I send in my stock certificates or other evidence of ownership now? How will I receive merger consideration for my shares?**

A: **No, do not send in your certificates now.** After the merger is completed, if you hold shares represented by certificates, you will receive a letter of transmittal from the paying agent for the merger with detailed written instructions for exchanging your shares of common stock for the merger consideration and if you hold book entry shares you will receive a check or wire transfer for the merger consideration with respect to such shares. If your shares of common stock are held in street name by your broker, bank or other nominee, you may receive instructions from your broker, bank or other nominee as to what action, if any, you need to take to effect the surrender of your street name shares in exchange for the merger consideration.

**Q: I do not know where my stock certificate is how will I get the merger consideration for my shares?**

A: If the merger is completed, the transmittal materials you will receive after the completion of the merger will include the procedures that you must follow if you cannot locate your stock certificate. This will include an affidavit that you will need to sign attesting to the loss of your stock certificate. You may also be required to provide a customary indemnity agreement in order to cover any potential loss.

**Q: Am I entitled to exercise appraisal rights instead of receiving the merger consideration for my shares of common stock?**

A: At the close of business on [ ], 2015, the record date for the special meeting, the Company's common stock was listed on the NASDAQ. Further, on the record date for the special meeting, the Company's common stock was held by at least 2,000 shareholders and the market

affiliates exceeded \$10,000,000. Therefore, pursuant to section 607.1302(2)(a) of the FBCA, shareholders are not entitled to assert appraisal rights (including those who give timely written notice of intent to demand payment and do not vote any shares in favor of the merger agreement) in connection with the merger agreement, the merger or the other matters to be voted on at the special meeting. Notwithstanding the fact that appraisal rights are not available, a copy of sections 607.1301 - 607.1333 of the FBCA is attached hereto solely for statutory notice purposes.

**Q: Will I have to pay taxes on the merger consideration I receive?**

A: The receipt of cash in exchange for shares of common stock pursuant to the merger generally will be a taxable transaction for U.S. federal income tax purposes. You should consult your tax advisor regarding the particular tax consequences to you of the exchange of shares of common stock for cash pursuant to the merger in light of your particular circumstances (including the application and effect of any state, local or foreign income and other tax laws).

**Q: What are the U.S. federal income tax consequences of exchanging my shares of Quality Distribution, Inc. common stock pursuant to the merger?**

A: If you are a U.S. Holder (as defined under The Merger Material U.S. Federal Income Tax Consequences of the Merger beginning on page 61), the exchange of shares of Quality Distribution, Inc. common stock for cash in the merger generally will result in the recognition of gain or loss for U.S. federal income tax purposes in an amount equal to the difference, if any, between the amount of cash received in the merger and your adjusted tax basis in the shares of Quality Distribution, Inc. common stock surrendered in the merger. Shareholders (including Non-U.S. Holders (as defined under The Merger Material U.S. Federal Income Tax Consequences of the Merger beginning on page 61)) should consult their own tax advisors concerning the U.S. federal income tax consequences relating to the merger in light of their particular circumstances and any consequences arising under the laws of any U.S. state or local or non-U.S. taxing jurisdiction.

**Q: What does it mean if I get more than one proxy card or voting instruction card?**

A: If your shares are registered differently or are held in more than one account, you will receive more than one proxy card or voting instruction card. Please complete and return all of the proxy cards or voting instruction cards you receive (or submit each of your proxies by telephone or the Internet, if available to you) to ensure that all of your shares are voted.

**Q: Who can help answer my other questions?**

A: If you have more questions about the merger, or require assistance in submitting your proxy or voting your shares or need additional copies of the proxy statement or the enclosed proxy card, please contact Georgeson, which is acting as our proxy solicitation agent in connection with the merger.

Forward-looking statements are subject to numerous assumptions, risks and uncertainties which change over time and which could cause the actual results to differ materially from such forward-looking statements. In some cases, you can identify forward-looking statements by words such as believe, expect, may, could, should, plan, project, anticipate, intend, estimate, contemplate, would and the negative of these terms and other similar expressions that contemplate future events. Such forward-looking statements include statements about the expected completion and timing of the merger and other information relating to the merger. Although we believe that the expectations reflected in forward-looking statements contained in or incorporated by reference into this proxy statement are reasonable, we cannot assure you that the actual results or developments we anticipate will be realized, or even if realized, that they will have the expected effects on our business or operations. The forward-looking statements contained in or incorporated by reference into this proxy statement speak only as of the date on which such statements were made, and we undertake no obligation to update or revise any forward-looking statements made in this proxy statement or elsewhere as a result of new information, future events or otherwise. Important factors that could cause actual results to differ materially from those indicated by any forward-looking statements contained in or incorporated by reference in this proxy statement include:

the inability to consummate the merger within the expected time period, or at all, for any reason, including due to the failure to obtain the shareholder approval and adoption of the merger and the merger agreement or failure to satisfy the other conditions to the completion of the merger (including the receipt of required regulatory approvals);

the occurrence of any event, change or other circumstance that could result in the termination of the merger agreement, and the possibility that we would be required to pay either a \$8.2 million or \$16.7 million termination fee, as applicable, in connection therewith, which fees could require the Company to seek loans or use its available cash that would have otherwise been available for operations, dividends or other general corporate purposes;

if the merger agreement is terminated, under certain circumstances, we may be obligated to reimburse Parent for costs incurred related to the merger, which costs could require us to seek loans or use our available cash that would have otherwise been available for operations, dividends or other general corporate purposes;

the failure of Parent to obtain the equity or debt financing contemplated by the financing commitments entered into in connection with the merger agreement, or alternative financing if necessary, or the failure of any such financing to be sufficient to consummate the merger and the other transactions contemplated by the merger agreement;

the diversion of management and employee attention from our ongoing business operations due to the pendency of the merger;

the effect of the announcement of the merger on our ability to retain and hire key personnel and maintain relationships with our customers, suppliers, and others with whom we do business, or on our operating results and business generally;

changes in general economic conditions or the economic conditions of the industries and markets within which we operate;

the nature, cost and outcome of any pending or future legal proceedings against us or others relating to the transactions contemplated by the merger agreement;

the effect of the costs, fees, expenses and charges related to the transactions contemplated by the merger agreement;

the potential adverse effect on our business, properties and operations because of certain covenants we agreed to in the merger agreement;

certain of our executive officers and directors have interests in the merger that are different from, or in addition to, the interests of the Company shareholders generally, which could have influenced their decision to support or approve the merger;

the merger agreement contains provisions that could discourage a potential acquiror of the Company from seeking to acquire the Company or could result in a competing proposal being offered at a lower price than it might otherwise be;

At the close of business on [ ], 2015, the record date for the special meeting, the Company's common stock was listed on the NASDAQ. Further, on the record date for the special meeting, the Company's common stock was held by at least 2,000 shareholders and the market value of the common stock held by non-affiliates exceeded \$10,000,000. Therefore, pursuant to section 607.1302(2)(a) of the FBCA, shareholders are not entitled to assert appraisal rights (including those who give timely written notice of intent to demand payment and do not vote any shares in favor of the merger agreement) in connection with the merger agreement, the merger or the other matters to be voted on at the special meeting. **THE SPECIAL MEETING**

**Date, Time and Place of the Special Meeting**

This proxy statement is being furnished to our shareholders as part of the solicitation of proxies by our board of directors for use at the special meeting to be held at [ ] on [ ], 2015, starting at [ ], Eastern Time, or at any adjournment or postponement thereof.

**Purpose of the Special Meeting**

The purpose of the special meeting is for our shareholders to consider and vote upon the merger agreement. Our shareholders must approve and adopt the merger agreement for the merger to occur. If our shareholders fail to approve the proposal to approve and adopt the merger agreement, the merger will not occur. A copy of the merger agreement is attached as Annex A to this proxy statement and the material provisions of the merger agreement are described under *The Merger Agreement*. Our shareholders are also being asked to approve the proposal to adjourn the special meeting from time to time, if necessary or appropriate to, among other things, solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to approve and adopt the merger agreement.

In addition, in accordance with Section 14A of the Exchange Act, we are providing our shareholders with the opportunity to cast an advisory (non-binding) vote on the compensation that may be paid or become payable to our named executive officers in connection with the merger, the value of which is disclosed in *The Merger Interests of Our Directors and Executive Officers in the Merger*. This advisory (non-binding) vote on compensation is a vote separate and apart from the vote to approve the merger. Accordingly, a shareholder may vote to approve the compensation that may be paid or become payable to our named executive officers in connection with the merger and still vote not to approve and adopt the merger agreement, or vice versa. Because the vote is advisory, it will not be binding on us or Parent. Accordingly, if the merger is approved and adopted by our shareholders, we intend to pay the disclosed compensation to our named executive officers in accordance with our existing contractual obligations regardless of the outcome of the advisory (non-binding) vote on the compensation that may be paid or become payable to our named executive officers in connection with the merger.

**Recommendation of Our Board of Directors**

After careful consideration, our board of directors unanimously (i) authorized, approved and adopted the merger agreement and all agreements and documents related thereto and contemplated thereby and the transactions contemplated thereby, including the merger, (ii) determined that the merger is in the best interests of us and our shareholders, (iii) recommended that our shareholders approve and adopt the merger agreement, and (iv) directed that the merger agreement be submitted to our shareholders for consideration and approval and adoption at the special meeting. Certain factors considered by our board of directors in reaching its decision to approve the merger and to approve and adopt the merger agreement can be found in the section entitled *The Merger Reasons for the Merger*.

***Our board of directors unanimously recommends that shareholders vote FOR approval and adoption the merger agreement and thereby approve the transactions contemplated by the merger agreement, including the merger, FOR the proposal to approve, on an advisory (non-binding) basis, compensation that will or may become payable to our named executive officers in connection with the merger and FOR the proposal to approve the proposal to adjourn the special meeting from time to time, if necessary or appropriate to, among other things, solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to approve and adopt the merger agreement.***

**Record Date and Quorum**

The holders of record of our common stock as of the close of business on [ ], 2015, the record date for the special meeting, are entitled to receive notice of and to vote at the special meeting and any adjournment thereof. As of the close of business on the record date, [ ] shares of common stock were outstanding.

## **Table of Contents**

The presence at the special meeting, in person or by proxy, of the holders of a majority of shares of common stock outstanding as of the close of business on the record date will constitute a quorum, permitting us to conduct business at the special meeting. Under our amended and restated by-laws, in the absence of a quorum at the special meeting, the special meeting may be adjourned by a majority of the shares represented at the meeting to another place, date or time.

Once a share is present, either in person or by proxy, at the special meeting, it will be counted for the purpose of determining a quorum at the special meeting and any adjournment or postponement of the special meeting. However, if a new record date for the special meeting is set by our board of directors, then a new quorum will have to be established. Proxies received, but marked as abstentions, will be included in the calculation of the number of shares considered to be present at the special meeting.

### **Required Vote**

To complete the merger, under Florida law, shareholders holding a majority of the shares of common stock outstanding at the close of business on the record date must vote **FOR** the proposal to adopt of the merger agreement. In addition, under the merger agreement, the receipt of this vote is a condition to the consummation of the merger. The failure to vote your shares of common stock or an abstention from voting your shares will have the same effect as a vote **AGAINST** the proposal to approve and adopt the merger agreement.

The proposal to approve, on an advisory (non-binding) basis, compensation that will or may become payable to our named executive officers in connection with the merger, as well as the proposal to approve the proposal to adjourn the special meeting from time to time, if necessary or appropriate to, among other things, solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to approve and adopt the merger agreement and thereby approve the transactions contemplated by the merger agreement, including the merger, each require the affirmative vote of holders of a majority of the shares of common stock voted on such proposal at the special meeting. As a result, abstentions and failures to vote will have no effect on the outcome of these proposals.

### **Voting by the Company's Directors and Executive Officers**

At the close of business on the record date, our directors and executive officers were entitled to vote [ ] shares of common stock, or approximately [ ]% of the shares of common stock outstanding on the record date. We currently expect our directors and executive officers will vote their shares in favor of each of the proposals to be considered at the special meeting, although none of them is obligated to do so.

### **Voting; Proxies; Revocation**

#### ***Attendance***

All holders of shares of common stock as of the close of business on the record date for voting at the special meeting, including shareholders of record and beneficial owners of common stock registered in the street name of a bank, broker or other nominee, are invited to attend the special meeting. If you are a shareholder of record, please be prepared to provide proper identification, such as a driver's license. If you hold your shares in street name, you will need to provide proof of ownership, such as a recent account statement or voting instruction form provided by your bank, broker or other nominee or other similar evidence of ownership, along with proper identification.

#### ***Voting in Person***

Shareholders of record will be able to vote in person at the special meeting. If you are not a shareholder of record, but instead hold your shares in street name through a bank, broker or other nominee, you must provide a legal proxy executed in your favor from your bank, broker or other nominee in order to be able to vote in person at the special meeting.

## **Table of Contents**

### ***Submitting a Proxy or Providing Voting Instructions***

To ensure that your shares are voted at the special meeting, we recommend that you provide voting instructions promptly by proxy, even if you plan to attend the special meeting in person.

*Shares Held by Record Holder.* If you are a shareholder of record, you may provide voting instructions by proxy using one of the methods described below.

*Submit a Proxy by Telephone or via the Internet.* This proxy statement is accompanied by a proxy card with instructions for submitting voting instructions. You may vote by telephone by calling the toll-free number or via the Internet by accessing the Internet address as specified on the enclosed proxy card. Your shares will be voted as you direct in the same manner as if you had completed, signed, dated and returned your proxy card, as described below.

*Submit a Proxy Card.* If you complete, sign, date and return the enclosed proxy card by mail so that it is received in time for the special meeting, your shares will be voted in the manner directed by you on your proxy card.

If you sign, date and return your proxy card without indicating how you wish to vote, your proxy will be voted in favor of each of (i) the proposal to approve and adopt the merger agreement, (ii) the proposal to approve, on an advisory (non-binding) basis, compensation that will or may become payable to our named executive officers in connection with the merger and (iii) the proposal to approve the proposal to adjourn of the special meeting from time to time, if necessary or appropriate to, among other things, solicit additional proxies if there are insufficient votes at the time of the special meeting to approve the proposal to approve and adopt the merger agreement.

If you fail to return your proxy card, unless you attend the special meeting and vote in person, the effect will be that your shares will not be counted for purposes of determining whether a quorum is present at the special meeting and will have the same effect as a vote AGAINST the proposal to approve and adopt the merger agreement, but will not affect the vote on the proposal to approve, on an advisory basis, the compensation payable to our named executive officers in connection with the merger or the proposal to adjourn the special meeting, if necessary or appropriate to, among other things, solicit additional proxies in favor of the approval and adoption of the merger agreement.

*Shares Held in Street Name.* If your shares are held by a bank, broker or other nominee on your behalf in street name, your bank, broker or other nominee will send you instructions as to how to provide voting instructions for your shares by proxy. Many banks and brokerage firms have a process for their customers to provide voting instructions by telephone or via the Internet, in addition to providing voting instructions by proxy card.

In accordance with the applicable rules, banks, brokers and other nominees who hold shares of common stock in street name for their customers do not have discretionary authority to vote the shares with respect to any of the proposals to be acted on at the special meeting. If you hold your shares in street name, the failure to instruct your broker, bank or other nominee on how to vote your shares will result in a broker non-vote, and each broker non-vote will count as a vote AGAINST the proposal to approve adopt the merger agreement, but will not affect the vote on the proposal to approve, by advisory (non-binding) vote, compensation that will or may become payable to our named executive officers in connection with the merger or the proposal to approve one or more adjournments of the special meeting to a later date or dates, if necessary or appropriate to, among other things, solicit additional proxies if there are insufficient votes at the time of the special meetings to approve the proposal to approve and adopt the merger agreement.

## **Table of Contents**

### ***Revocation of Proxies***

Any person giving a proxy pursuant to this solicitation has the power to revoke and change it any time before it is voted. If you are a shareholder of record, you may revoke your proxy at any time before the vote is taken at the special meeting by:

submitting a new proxy with a later date, by using the telephone or Internet proxy submission procedures described above, or by completing, signing, dating and returning a new proxy card by mail;

attending the special meeting and voting in person; or

delivering to our Corporate Secretary of the Company a written notice of revocation c/o Quality Distribution, Inc., 4041 Park Oaks Boulevard, Suite 200, Tampa, FL 33610.

Please note, however, that only your last-dated proxy will count. Attending the special meeting without taking one of the actions described above will not in itself revoke your proxy. Please note that if you want to revoke your proxy by mailing a new proxy card to the Company or by sending a written notice of revocation, you should insure that you send your new proxy card or written notice of revocation in sufficient time for it to be received by us before the special meeting.

If you hold your shares in street name through a bank, broker or other nominee, you will need to follow the instructions provided to you by your bank, broker or other nominee in order to revoke your proxy or submit new voting instructions.

### **Abstentions**

An abstention occurs when a shareholder attends a meeting, either in person or by proxy, but abstains from voting. Abstentions will be included in the calculation of the number of shares of common stock represented at the special meeting for purposes of determining whether a quorum has been achieved. Abstaining from voting will have the same effect as a vote **AGAINST** the proposal to approve and adopt the merger agreement, but will not affect the vote on the approval, on an advisory basis, of compensation payable to our named executive officers in connection with the merger or the proposal to adjourn the special meeting, if necessary or appropriate to, among other things, solicit additional proxies in favor of the approval and adoption of the merger agreement.

### **Adjournments and Postponements**

Our shareholders are being asked to approve a proposal to adjourn the special meeting from time to time, if necessary or appropriate, for the purpose of soliciting additional proxies if there are not sufficient votes at the time of the special meeting to adopt the merger. If this proposal is approved and adopted by our shareholders, the special meeting could be adjourned to any date for the purpose of soliciting additional proxies if there are not sufficient votes at the time of the special meeting to adopt the merger. If there is not a quorum present at the special meeting, under our amended and restated by-laws, the special meeting may be adjourned by a majority of the shares represented at the meeting.

Any adjournment or postponement of the special meeting for the purpose of soliciting additional proxies will allow our shareholders who have already sent in their proxies to revoke them at any time prior to their use at the special meeting as adjourned or postponed.

### **Solicitation of Proxies**

Our board of directors is soliciting your proxy, and we will bear the cost of soliciting proxies. This includes the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners

Proxies may be solicited by mail, personal interview, e-mail, telephone, or via the Internet by [ ] or, without additional compensation, by certain of our directors, officers and employees.

**Other Information**

You should not return your stock certificate or send documents representing common stock with the proxy card. If the merger is completed, the paying agent for the merger will send you a letter of transmittal and instructions for exchanging your shares of common stock for the merger consideration.

### **THE MERGER (PROPOSAL 1)**

#### **Certain Effects of the Merger**

If the merger agreement is approved and adopted by our shareholders and the other conditions to the closing of the merger specified in the merger agreement are either satisfied or waived, Merger Sub will be merged with and into the Company with the Company continuing as the surviving corporation in the merger.

Upon the consummation of the merger, each share of our common stock issued and outstanding immediately prior to the effective time of the merger (other than shares we own or shares owned by Parent or Merger Sub) will be converted into the right to receive \$16.00 in cash.

Our common stock is currently registered under the Exchange Act and is quoted on the NASDAQ under the symbol QLTQ. As a result of the merger, we will cease to be a publicly traded company and will be wholly owned by Parent. Following the consummation of the merger, the registration of our common stock and our reporting obligations under the Exchange Act will be terminated. In addition, upon the consummation of the merger, our common stock will no longer be listed on any stock exchange or quotation system, including the NASDAQ.

#### **Background of the Merger**

*The following chronology summarizes material events and contacts that led to the signing of the merger agreement. It does not purport to catalogue every conversation among our board of directors, members of our senior management team or our representatives and other parties with respect to the merger.*

As part of the ongoing evaluation of our business, our board of directors and members of our senior management team periodically review and assess our business, operations and financial performance and industry and market conditions as they may impact our long-term strategic goals and plans, including the assessment of potential opportunities to maximize shareholder value.

Our senior management team, led by our chairman and chief executive officer, Gary R. Enzor, and our executive vice president and chief financial officer, Joseph J. Troy, regularly meets with investors and other market participants. Over the past few years, Mr. Enzor and Mr. Troy met, among others, representatives of Apax Partners LLP (together with and on behalf of certain funds advised by it, Apax ) at various industry gatherings and elsewhere and from time to time had general conversations regarding our industry, market conditions and the Company.

In early April 2014, Ashish Karandikar of Apax contacted Mr. Enzor to request a meeting. On April 15, 2014, Mr. Karandikar and Mr. Enzor met in Tampa, Florida and Mr. Karandikar informed Mr. Enzor that Apax was interested in exploring a potential transaction with the Company. On April 16, 2014, Mr. Enzor informally advised Alan Schumacher, our lead independent director, of Apax's interest in exploring a potential transaction with the Company. On a subsequent date, Mr. Enzor informally discussed with various board members the preliminary nature of Apax's expression of interest and, based on these discussions, a formal response was not made. Mr. Enzor informed the directors that he would keep them apprised of any further developments or contacts with representatives of Apax.

In early May 2014, Mr. Karandikar called Mr. Enzor to reiterate Apax's interest in a potential transaction with the Company and requested a meeting with Mr. Enzor and Mr. Troy to discuss the Company's business and financial results. Mr. Enzor informally notified Mr. Schumacher and other members of our board of directors, and on May 8, 2014, the Company and Apax entered into a confidentiality agreement to facilitate the meeting and exchange of information.

On May 16, 2014, representatives of Apax traveled to Tampa, Florida and met with Mr. Enzor and Mr. Troy. At the meeting, representatives of Apax and Mr. Enzor and Mr. Troy discussed general industry dynamics, the Company's business, financial and operating performance and other publicly available

**Table of Contents**

information. A telephonic discussion between Mr. Troy and representatives of Apax was held on May 22, 2015 to address additional questions regarding the Company's business. On June 2, 2014, Mr. Karandikar called Mr. Enzor and Mr. Troy and requested a meeting with management to further discuss the Company's financial and operating information, so that Apax could refine its valuation analysis. On June 4, 2014, Mr. Troy met with representatives of Apax in Tampa, Florida, and the parties further discussed the Company's business, financial and operating performance.

At a June 9, 2014 meeting of our board of directors, Mr. Enzor provided our board of directors with a summary of senior management's recent meetings and discussions with representatives of Apax and its potential interest in pursuing a transaction involving the Company. Mr. Enzor reported that Apax had indicated a willingness to submit a written proposal. Following a discussion among the directors and senior management regarding Apax's potential interest as well as the Company's broader long-term plans, the board directed Mr. Enzor to inform Apax that the board of directors would consider a written proposal from Apax, if it chose to submit one. Mr. Enzor was also directed not to engage in substantive discussions with Apax regarding the terms and conditions of any proposal until authorized to do so by the board of directors. The closing price of our common stock on June 9, 2014, was \$15.43 per share.

On June 13, 2014, Mr. Karandikar called Mr. Enzor to communicate Apax's interest in making a formal proposal to acquire the Company. Later that afternoon, Apax delivered a letter to our board outlining a preliminary non-binding proposal for the purchase of 100% of the outstanding common shares of the Company by Apax at a price per share of \$16.75-\$17.00 in cash. The closing price of the Company's shares on June 13, 2014 was \$15.11 per share. Apax's proposal implied a premium of approximately 11%-12.5% to our then current stock price and it included a request that the Company enter into exclusive negotiations with Apax regarding a potential transaction for a period of five weeks.

At a June 18, 2014 meeting of our board of directors, the board considered the Apax proposal and discussed an appropriate response. At the outset of the meeting, a representative of Shumaker, Loop & Kendrick LLP, the Company's regular Florida counsel ( Shumaker ), instructed the board of directors regarding its fiduciary duties owed to the Company's shareholders. Representatives of Fried, Frank, Harris, Shriver & Jacobson LLP, the Company's outside counsel ( Fried Frank ), reviewed the terms and conditions contained in the Apax proposal. The board of directors instructed management to contact an investment bank to assist the Company in conducting a valuation analysis of the Company and reviewing potential strategic alternatives available to it. The board of directors further instructed management to inform Apax that a response to its proposal would be forthcoming after the board of directors had an opportunity to fully consider the intrinsic value of the Company. Mr. Enzor and Mr. Troy contacted representatives of Apax later that day to communicate the board of directors' determination. On behalf of the Company, senior management requested that Investment Bank Z provide the board of directors with Investment Bank Z's perspectives on the intrinsic value of the Company. The closing price of our common stock on June 18, 2014, was \$15.08 per share.

On July 2, 2014, Mr. Enzor, Mr. Troy and Mr. Karandikar discussed the status of our board of directors' consideration of the Apax proposal. Mr. Enzor informed Mr. Karandikar that the board of directors' review was continuing and that the Company would need additional time before responding to the proposal.

At an August 5, 2014 meeting of our board of directors, at which members of senior management, representatives of Investment Bank Z and Fried Frank were also present, Investment Bank Z discussed with the board of directors its perspective on the valuation of the Company. After discussion among the members of the board, senior management and other parties in attendance, our board of directors determined not to pursue Apax's proposal and instead instructed senior management to continue to focus on operating the business in accordance with the Company's strategic plan. Our board of directors believed that at that time the Company's shareholders would be better served by having our management team focus on executing the strategic plan, including a potential debt refinancing that the Company was considering, rather than pursuing a transaction with Apax. The closing price of our common stock on August 5, 2014, was \$13.64 per share. Even though Apax's

**Table of Contents**

June 13 proposal of \$16.75 - \$17.00 per share appeared to be more attractive in light of the recent decline in our stock price, our board of directors did not view our stock price as an appropriate measure of intrinsic value and our board of directors recognized that Apax's proposal was made without the benefit of any due diligence review by Apax. Additionally, the Company was planning to refinance its high-yield debt and, as a result, the Company expected to save a substantial amount in interest expense payments, which our senior management and our board of directors believed would result in stock price appreciation. From an operational perspective, the fundamentals of the business were strong and our board of directors believed the Company would continue to perform well and drive value for our shareholders. One of the fundamental inputs for our energy business is the price of oil. At the time our board of directors was evaluating Apax's June 13 proposal, oil prices were at \$106.91 per barrel. It is worthwhile to note that the oil market experienced significant volatility between the date of this board meeting and the date on which the Company entered into the merger agreement with Apax. At the time the transaction with Apax was publicly announced, oil prices were at \$60.93 per barrel. This downward pressure on oil prices negatively impacted the results of our energy-related business as well as the prospects for that business.

At the direction of our board of directors, on August 8, 2014, Mr. Enzor and Mr. Troy called Mr. Karandikar to inform him that, after consideration of Apax's June 13 proposal, our board of directors had determined not to pursue a potential transaction with Apax and the Company would instead continue to focus on the execution of its strategic plan. Mr. Karandikar acknowledged the position of our board of directors and asked whether the Company would be willing to share details of its strategic plan so that Apax might take that into account in determining whether it could improve its proposal. Mr. Enzor and Mr. Troy declined to provide this information to Apax but advised Mr. Karandikar that our board of directors would carefully consider any improved proposal, if Apax wished to submit one. There were no further discussions regarding Apax's June 13 proposal.

On November 6, 2014, Mr. Karandikar contacted Mr. Enzor and Mr. Troy to request a meeting. On November 11, 2014, after sharing such request with Alan Schumacher, Mr. Enzor and Mr. Troy met with Mitch Truwit, the Co-Chief Executive Officer of Apax, and Mr. Karandikar in New York City while there on other Company business. During this meeting, Mr. Truwit and Mr. Karandikar indicated that Apax remained interested in pursuing a potential transaction involving the Company at a proposed purchase price of \$17.00 per share in cash. Mr. Truwit also indicated that Apax would submit a written proposal to our board of directors, if desired. On November 13 and 14, 2014, Mr. Enzor and Mr. Troy engaged in additional discussions with representatives of Apax regarding the Company's business and prospects. During these discussions, Mr. Enzor and Mr. Troy advised Mr. Karandikar that the proposed purchase price of \$17.00 per share was unlikely, at that time, to generate significant interest by our board of directors.

At a November 25, 2014 meeting of our board of directors, at which members of the Company's senior management team and a representative of Fried Frank were also present, Mr. Enzor and Mr. Troy conveyed to the board of directors the substance of their November 11 meeting (and follow-up discussions) with representatives of Apax, including Apax's continued interest in a potential transaction involving the Company and its proposed purchase price of \$17.00 per share. Following discussion, our board of directors instructed Mr. Enzor and Mr. Troy to request a written proposal from Apax reflecting the terms and conditions of its proposal. Our board of directors also directed Mr. Enzor and Mr. Troy not to discuss potential future employment arrangements with representatives of Apax, in the event that topic was raised. At the conclusion of its November 25 meeting, our board of directors instructed the senior management team to organize meetings with several investment banks for the purpose of selecting a financial advisor to the Company in the event the board of directors determined to engage in discussions with Apax concerning a potential transaction or to pursue a different strategic alternative. The closing price of our common stock on November 25, 2014, was \$12.47 per share.

Following the November 25 meeting, Mr. Enzor and Mr. Troy contacted representatives of Apax and requested a written proposal letter reflecting the terms and conditions of its proposal. Later that day, Apax submitted a letter to the board of directors outlining a preliminary non-binding proposal for the purchase of 100% of the outstanding common stock of the Company by Apax for a purchase price of \$17.50 to \$18.00 per share in

cash. The closing price for the Company's shares on November 25, 2014 was \$12.47 per share. In its letter, Apax also requested exclusive negotiations for a period of five weeks.

At a December 8, 2014 meeting of our board of directors, representatives of RBC Capital Markets and three other investment banks met in Tampa, Florida with our board of directors regarding a potential engagement as financial advisor to the Company in connection with its review of potential strategic alternatives, including a potential transaction with Apax. Members of the senior management team and a representative of Fried Frank also attended these meetings. Each investment bank provided general perspectives regarding then current market conditions, preliminary financial matters relating to the Company based on publicly available information and certain potential strategic alternatives that could be considered by the board of directors, including a potential sale of the Company, a divestiture of its energy business, a potential leveraged recapitalization or share repurchase, or a potential refinancing of the Company's debt. While the discussion among our board of directors and the various investment banks involved certain aspects of the Company's business and prospects, our board of directors did not specifically consider these matters relative to Apax's November 25 proposal at this meeting. Our board of directors determined that it wanted to carefully review potential strategic alternatives for the Company with the assistance of the Company's financial advisor prior to comparing Apax's November 25 proposal to the Company's potential strategic alternatives. The closing price for our common stock on December 8, 2014 was \$10.36 per share.

On December 9, 2014, Apax contacted Mr. Enzor and Mr. Troy to inquire as to the Company's response to its November 25 proposal. On December 10, 2014, Mr. Enzor and Mr. Troy informed representatives of Apax that the board of directors was considering the proposal in the context of other potential strategic alternatives, and would not be in a position to respond to Apax's proposal until it had fully evaluated the Apax proposal and other potential strategic alternatives with its advisors.

At a December 15, 2014 meeting of our board of directors, the sessions held on December 8 with representatives of RBC Capital Markets and the three other investment banks were discussed. Our board of directors unanimously determined that RBC Capital Markets would be the preferred investment bank to serve as the Company's financial advisor based on, among other things, its qualifications, experience, reputation, knowledge of the trucking and transportation industry generally and specific knowledge of the Company. Our board of directors directed representatives of Fried Frank to work with RBC Capital Markets to determine RBC Capital Markets' relationships with Apax and its affiliates, and to identify steps to mitigate actual or potential conflicts of interest, if any. Fried Frank was also directed by our board of directors to negotiate with Investment Bank X regarding the terms of a potential engagement in the event that our board of directors determined to engage a second financial advisor. The board of directors did not discuss the Company's business or prospects at this meeting relative to Apax's November 25 proposal; however, the board of directors stressed the importance of quickly clearing any actual or potential conflicts so that the Company could engage a financial advisor and promptly review, with the assistance of the selected financial advisor, potential strategic alternatives for the Company to enable the board of directors to respond on an informed basis to Apax's proposal. The closing price for our common stock on December 15, 2014 was \$9.25 per share.

At December 16 and December 18, 2014 meetings of our board of directors, representatives of Fried Frank updated the board of directors in connection with the identified relationships between Apax and its affiliates, on the one hand, and each of the potential financial advisors, on the other hand. Our board of directors further discussed with Fried Frank appropriate actions to be taken by RBC Capital Markets, through separate deal teams or otherwise, to mitigate any potential conflicts arising from RBC Capital Markets' relationships with Apax and its affiliates. Our board of directors determined that appropriate safeguards could be implemented to mitigate any potential conflicts and determined to engage RBC Capital Markets as the Company's lead financial advisor. Our board of directors also instructed senior management to explore the terms of a potential engagement with Investment Bank X, in the event the board of directors determined it was desirable to engage a second financial advisor at a later date. At the December 18, 2014 meeting, Mr. Enzor indicated that Apax inquired about the timing of our response to its proposal. The board of directors instructed Messrs. Enzor and Troy to advise Apax

**Table of Contents**

that our board required additional time to evaluate the Company's potential strategic alternatives before the Company would be in a position to respond. The board of directors did not specifically discuss the Company's business or prospects relative to Apax's November 25 proposal at either of these meetings. Our board of directors determined that it wanted to carefully review potential strategic alternatives for the Company with the assistance of the Company's financial advisor prior to comparing Apax's November 25 proposal to the Company's potential strategic alternatives. The closing prices for our common stock on December 16, 2014 and December 18, 2014 were \$9.00 and \$9.62 per share, respectively.

During early January 2015, a representative of Party B called Mr. Enzor to express Party B's interest in a potential transaction involving the Company. During the call, Mr. Enzor indicated that if authorized by the board to do so, he would consider a meeting with representatives of Party B later that month.

At a January 6, 2015 meeting of our board of directors, Mr. Troy and representatives of Fried Frank updated the board of directors on the status of the ongoing discussions with RBC Capital Markets regarding its engagement. The board of directors also determined not to engage an additional financial advisor at that time, but directed Mr. Troy to continue to contact other investment banks in the event that a second financial advisor was deemed desirable and appropriate at a later date.

Also at this meeting, Mr. Enzor advised the board that Party B had communicated its interest in a potential transaction with the Company, and that Party B had requested an initial meeting with Mr. Enzor and Mr. Troy. The board of directors directed Mr. Enzor and Mr. Troy to arrange a meeting with Party B. The board of directors directed Mr. Enzor and Mr. Troy not to engage in price discussions with Party B during that meeting but instead to gauge Party B's interest and seek to understand Party B's strategic rationale with respect to a potential transaction to acquire the Company. Separately, while the board of directors did not specifically discuss the Company's business and prospects relative to Apax's November 25 proposal, the board of directors instructed Mr. Enzor and Mr. Troy to inform Apax that our board expected to review Apax's proposal with the assistance of the Company's financial advisor on January 22, 2015 and that Apax could expect a response from the Company shortly thereafter. Our board of directors determined that it wanted to carefully review potential strategic alternatives for the Company with the assistance of the Company's financial advisor prior to comparing Apax's November 25 proposal to the Company's potential strategic alternatives. The closing price for our common stock on January 6, 2015 was \$9.35 per share.

At a January 22, 2015 meeting of our board of directors, the board of directors reviewed and discussed the Apax proposal and the Company's other potential strategic alternatives. Members of the senior management team and representatives of RBC Capital Markets, Fried Frank and Shumaker were present at this meeting. A representative of Shumaker delivered a presentation to the board of directors regarding its fiduciary duties under Florida law. The board of directors also discussed challenges facing the Company's business, in particular its energy logistics segment, which had experienced a decline in the demand for the Company's services and was also subject to pricing pressures, including the potential effect of conditions in the energy market on the financial performance of the energy logistics segment. RBC Capital Markets discussed with the board of directors potential strategic alternatives for the Company, including maintaining the status quo, a leveraged recapitalization, a refinancing of the Company's debt, a potential divestiture of the Company's energy business and a potential sale of the entire Company. The board of directors engaged in a lengthy discussion regarding these strategic alternatives, including Apax's proposal and the interest communicated by Party B. No decisions regarding potential strategic alternatives were made. Rather, the board of directors determined to reconvene on January 26, 2015, after Mr. Enzor's and Mr. Troy's meeting with Party B, to further discuss potential strategic alternatives and possible responses to both Apax and Party B. Also at this meeting, Fried Frank discussed with the board of directors the existing confidentiality agreement between Apax and the Company. The board of directors determined that the existing confidentiality agreement should be amended to include additional provisions, such as restrictions on the solicitation of employees and standstill provisions, in the event the board of directors determined to grant Apax further access to confidential information. The board of directors instructed Fried Frank to prepare an amendment to the existing confidentiality agreement addressing these matters, and the

**Table of Contents**

amendment was delivered to Apax for its review. On the same day, our board of directors held its regular year-end meeting, which included an update by senior management on the full year operating and financial performance of the Company for 2014 and the outlook for 2015. The closing price of our common stock on January 22, 2015, was \$9.32 per share.

On January 23, 2015, Mr. Enzor and Mr. Troy met with representatives of Party B. During this meeting, Party B's representatives discussed the strategic rationale for a potential transaction between Party B and the Company. Given that there was no confidentiality agreement at that time between the Company and Party B, Mr. Enzor and Mr. Troy only shared publicly available information about the Company with representatives of Party B. At the end of the meeting, a representative of Party B requested that the parties schedule a further discussion during the following week. Mr. Enzor, Mr. Troy and the representative of Party B discussed entering into a confidentiality agreement and the parties agreed to do so if discussions progressed sufficiently beyond the preliminary stage.

At a January 26, 2015 meeting of our board of directors, the board continued discussions regarding the Company's business and prospects, and potential strategic alternatives available to the Company. Members of the senior management team and representatives of RBC Capital Markets, Fried Frank and Shumaker were also present. A representative of Shumaker delivered a presentation to the board of directors regarding its fiduciary duties under Florida law. Mr. Enzor updated the board of directors regarding the meeting between Mr. Enzor, Mr. Troy, and representatives of Party B. RBC Capital Markets informed the board of directors that representatives of Apax had inquired about the timing of a response to its November 25 proposal and, consistent with the board of directors' previous determination not to respond to Apax until it had evaluated potential strategic alternatives for the Company, representatives of RBC Capital Markets informed Apax that the board needed additional time to fully consider Apax's proposal in the context of other potential strategic alternatives. Given the amount of time that had passed since Apax submitted its proposal on November 25, 2014 and its desire not to distract the senior management team from executing on the Company's strategic plan if the price included in Apax's November 2014 proposal was not firm, our board of directors directed RBC Capital Markets to request that Apax reaffirm its proposed purchase price. Separately, the board of directors instructed the senior management team to pursue further discussions with Party B with respect to a potential transaction. The closing price of our common stock on January 26, 2015, was \$9.16 per share.

On January 28, 2015, the Company and Apax entered into an amendment to Apax's confidentiality agreement, which included customary non-solicitation and standstill provisions. Commencing on that date, the Company, with the assistance of RBC Capital Markets, uploaded documents responsive to Apax's preliminary due diligence request list to an electronic data room. The Company granted data room access to Apax and its authorized representatives on February 2, 2015. Between February 2, 2015 and the end of February, the Company's management team participated in various in-person due diligence meetings with representatives of Apax and hosted representatives of Apax on site visits to the Company's facilities. During these meetings, the Company's management team discussed with representatives of Apax various aspects of our business, financial performance and prospects, including our business plan and potential strategic and operating initiatives.

At a February 6, 2015 meeting of our board of directors, members of our senior management team updated the board of directors on in-person diligence meetings with Apax, its advisors and members of Company management. The closing price of our common stock on February 6, 2015, was \$9.91 per share.

At meetings of our board of directors held on February 7, 2015 and February 19, 2015, at which members of senior management and representatives of RBC Capital Markets and Fried Frank were present, our board of directors received a status update from RBC Capital Markets on Apax's diligence review process in anticipation of Apax reaffirming its valuation of the Company. At the February 19 meeting of our board of directors, RBC Capital Markets informed the board of directors that Apax had indicated that it planned to complete its preliminary diligence review on February 25 or 26 and would be in a position to update its proposal after an investment committee meeting on March 2, 2015. Apax also indicated that it expected to provide highly confident letters from potential debt financing sources with its proposal. The closing price of our common stock on February 19, 2015, was \$11.04 per share.

On February 25, 2015, we announced our financial results for fiscal year 2014.

On March 6, 2015, Apax submitted an updated written proposal to our board of directors to acquire 100% of the outstanding common stock of the Company for \$14.75 per share in cash. In its proposal, Apax indicated that it had reduced its proposed per share purchase price from its November 2014 proposal of \$17.50-\$18.00 per share as a result of four primary factors: (i) its revised view on valuation based on adjustments by Apax to the Company's 2014 EBITDA for non-cash items, (ii) Apax's lowered views on the Company's growth rate estimates for its chemical business, (iii) negative market trends affecting the Company's energy business, and (iv) higher than originally anticipated costs of debt financing for Apax. Apax provided highly confident debt financing letters indicating that certain banks were willing to provide debt financing to facilitate an acquisition of the Company. The closing price for the Company's shares on March 6, 2015 was \$10.10 per share. Apax's proposal included a request that the Company enter into exclusive negotiations with Apax for a period of three weeks.

At a March 8, 2015 meeting of our board of directors, the board of directors discussed Apax's revised proposal. Senior management and representatives of RBC Capital Markets and Fried Frank attended this meeting. Following a discussion of the terms of Apax's proposal, RBC Capital Markets discussed with the board of directors financial matters relating to the Company. Senior management also provided the board of directors with its views on the energy markets at that time and the outlook on the Company's financial performance. After a lengthy discussion, it was the consensus of the board of directors that the proposal from Apax to acquire the Company for \$14.75 per share in cash was insufficient. The board of directors determined, however, that it was important to understand the assumptions underlying the four factors identified by Apax as the basis for the reduction in its proposed purchase price. Our board of directors directed RBC Capital Markets to contact representatives of Apax to discuss and better understand the basis for the reduced price, and to inform Apax that the Company would terminate discussions with Apax if the \$14.75 per share price set forth in the revised proposal was Apax's best price. The board of directors requested that Mr. Enzor and Mr. Troy also attend such discussion for informational purposes. The closing price of our common stock on March 6, 2015, the last trading day before the meeting of our board of directors, was \$10.40 per share.

On March 10, 2015, in accordance with our board of directors' directives, representatives of RBC Capital Markets, along with Mr. Enzor and Mr. Troy, contacted Mr. Truwit and Mr. Karandikar to discuss Apax's proposal and the factors that Apax considered in reducing its proposed purchase price. On that call, representatives of Apax provided representatives of RBC Capital Markets and Mr. Enzor and Mr. Troy with Apax's perspectives on the Company's business and prospects, and the challenges facing the Company's energy logistics segment.

At a March 11, 2015 meeting of our board of directors, at which senior management, representatives of RBC Capital Markets and Fried Frank were present, RBC Capital Markets and Mr. Enzor and Mr. Troy updated the board on their discussion with representatives of Apax regarding its revised proposal and Apax's perspectives on the Company's value. The board of directors discussed with senior management the validity of Apax's assumptions in developing its financial model, including the assumed growth rate for the Company's chemical business, developments in the energy business and the potential impact of asset sales on the Company's projections. The board also discussed other potential strategic alternatives and the Company's ability, on a standalone basis, to maximize shareholder value. Following this discussion, the board of directors determined that it was not interested in pursuing a potential transaction with Apax at a proposed purchase price of \$14.75 per share. The board of directors directed RBC Capital Markets to inform Apax of the board's conclusion and its determination to cease discussions with Apax. Later that day, in accordance with the board of directors' directives, representatives of RBC Capital Markets informed representatives of Apax that the board of directors had concluded that Apax's proposed purchase price of \$14.75 per share was insufficient and that the Company had determined to terminate discussions with Apax regarding a potential transaction. The closing price of our common stock on March 11, 2015, was \$10.43 per share.

On March 17, 2015, Mr. Karandikar contacted Mr. Enzor and Mr. Troy to reiterate Apax's continued interest in a transaction involving the Company and advised them that Apax could potentially increase its proposed purchase price if it were able to obtain financing commitments on more favorable terms. Apax requested permission for two other potential debt financing sources to conduct due diligence with respect to the potential transaction in order to determine if such debt financing sources could potentially offer more favorable financing terms than currently proposed by Apax's debt financing sources.

At a March 18, 2015 meeting of our board of directors at which members of senior management, representatives of RBC Capital Markets and Fried Frank were present, Mr. Enzor and Mr. Troy reported on their discussion with Apax and its request to allow two additional banks to conduct due diligence to support a potentially higher purchase price proposal. The board of directors discussed the potential for such other banks to provide financing on more favorable terms and the implications of granting access to such banks, including the board's concern regarding confidentiality and the increased potential for a leak to develop as more parties became aware of a potential transaction. The closing price of our common stock on March 18, 2015, was \$10.68 per share.

Between March 18-20, 2015, representatives of Apax also contacted representatives of RBC Capital Markets and stated that Apax was working to increase its proposed purchase price for the Company and requested that the two additional potential financing sources be given the opportunity to conduct due diligence.

At a March 20, 2015 meeting of our board of directors, at which a member of senior management and representatives of Fried Frank were present, RBC Capital Markets updated the board on its recent communications with representatives of Apax. The board of directors considered Apax's request to provide due diligence access to two additional debt financing sources in an effort to allow Apax to potentially increase its proposed purchase price. The board also considered other possible options to maximize shareholder value, including a potential refinancing of the Company's outstanding debt followed by a repurchase of shares of Company common stock, and the challenges and uncertainties inherent in such initiatives. After discussion, the board of directors determined that it was in the best interests of the Company's shareholders to ascertain whether Apax could increase its proposed purchase price within a short timeframe so as to, among other reasons, minimize the risk of a leak, and accordingly determined to provide the additional banks with access to diligence information, including data room access, subject to appropriate confidentiality agreements. The closing price of our common stock on March 20, 2015, was \$10.67 per share.

On March 20, 2015, in accordance with the board of directors' directives, representatives of RBC Capital Markets informed representatives of Apax that the two additional potential debt financing sources would be permitted to conduct due diligence for a period of 10 days, after which the Company would expect Apax to communicate a revised proposal to acquire the Company, reflecting a higher price.

Between March 20 and April 3, 2015, representatives of Apax and our senior management team held informational conference calls regarding the Company's financial model, business plan and other operational, legal and financial matters, including, among other things, labor and employment matters and environmental matters.

In late March 2015, Party B requested a meeting with Company management to gain a better understanding of the Company and its business. On March 26 and March 27, 2015, Mr. Enzor and Mr. Troy met with a representative of Party B in Tampa, Florida. Given that there was no confidentiality agreement at that time between the Company and Party B, Mr. Enzor and Mr. Troy only shared publicly available information about the Company with the representative of Party B.

At an April 3, 2015 meeting of our board of directors, at which members of senior management and representatives of RBC Capital Markets and Fried Frank were present, the board of directors received a report from senior management on the ongoing discussions with Apax. Representatives of RBC Capital Markets

informed the board of directors that Apax had indicated that it planned to submit an updated proposal with an improved purchase price after its investment committee meeting later that day, together with highly confident letters from its debt financing sources. The board of directors determined to meet again following receipt of a revised proposal from Apax. The closing price of our common stock on April 2, 2015, the last trading day before the meeting of our board of directors, was \$10.07 per share.

Later on April 3, 2015, Mr. Troy spoke with a representative of Party B to answer follow-up financial questions. During the discussion, Mr. Troy was told that Party B's board of directors was fully informed of the ongoing discussions with the Company and supported a potential transaction between Party B and the Company. The representative of Party B asked Mr. Troy for guidance with respect to the price per share that would be compelling to our board of directors. Mr. Troy said that he was not authorized to discuss pricing, but suggested that Party B consider the intrinsic value of the Company in formulating any proposal and not to simply apply a premium to the Company's then current market price, as a customary premium to the Company's then current market price would not be viewed as a compelling proposal by our board of directors. Party B informed Mr. Troy that it intended to deliver a written indication of interest on or around April 6, 2015 and, if accepted, Party B would need three to four weeks to conduct confirmatory due diligence on the Company.

Also on April 3, 2015, representatives of Apax informed representatives of RBC Capital Markets that Apax intended to increase its proposed purchase price to \$16.00 per share in cash. Representatives of Apax requested certain confirmatory diligence items and access to the Company's senior management team for additional confirmatory diligence. RBC Capital Markets indicated that it would relay Apax's requests to the board of directors, and requested that Apax deliver an updated written proposal to the board reflecting its revised proposal.

At an April 4, 2015 meeting of our board of directors, at which members of senior management and representatives of Fried Frank were present, RBC Capital Markets updated the board of directors on its discussions with representatives of Apax regarding its revised \$16.00 per share purchase price proposal. Mr. Troy also reported on discussions with Party B, including the timeframe for receiving Party B's indication of interest. The board of directors determined to reconvene after it received a revised written proposal from Apax and, potentially, a written indication of interest from Party B. The closing price of our common stock on April 2, 2015, the last trading day before the meeting of our board of directors, was \$10.07 per share.

On April 6, 2015, the board received a revised written proposal from Apax, proposing the acquisition of 100% of the outstanding common stock of the Company by Apax for \$16.00 per share in cash, which price represented a premium of approximately 59% to the Company's April 2, 2015 closing stock price of \$10.07 per share. Apax's proposal also included highly confident letters from Apax's financing sources to provide financing for a potential transaction. Apax's proposal included a request that the Company enter into exclusive negotiations with Apax for a period of three weeks.

Also on April 6, 2015, Party B executed a confidentiality agreement with the Company, which had first been discussed with Party B on January 23, 2015.

On April 7, 2015, a representative of Party B contacted Mr. Enzor and orally presented a preliminary non-binding proposal to acquire 100% of the Company's outstanding common stock for \$12.50-\$13.00 per share in cash. Mr. Enzor rejected the proposal on behalf of the Company given the significant valuation gap between Party B's proposal and Apax's April 6 proposal. Subsequently, a representative of Party B again contacted Mr. Enzor and attempted to ascertain whether a purchase price of \$13.50-\$14.00 per share would be given serious consideration by our board of directors. Given the significant valuation gap between Party B's proposal and Apax's April 6 proposal, Mr. Enzor declined to engage in price discussions and no further discussions occurred with Party B. However, Mr. Enzor advised the representative of Party B that our board of directors would carefully consider any improved proposal, if Party B wished to submit one.

At an April 8, 2015 meeting of our board of directors, the board of directors discussed Apax's revised proposal to acquire the Company for \$16.00 per share in cash and Mr. Enzor's discussions with Party B that occurred on April 7. Senior management and representatives of RBC Capital Markets, Fried Frank and Shumaker were also present. RBC Capital Markets provided preliminary financial perspectives on the Company and reviewed the Apax proposal, including Apax's assumptions in arriving at its purchase price, the terms and conditions of the proposal and financing terms. The board of directors noted that Apax had requested a three-week exclusive negotiating period and discussed with its advisors the advantages and disadvantages of granting exclusivity. The board of directors also discussed the advantages and disadvantages of conducting a market check prior to signing any definitive agreement, and whether a go-shop process post-signing would deter other potential acquirors from bidding for the Company. RBC Capital Markets discussed with the board of directors its views regarding other potential buyers, both financial and strategic, and the perceived interest and capability of such other parties to acquire the Company for a purchase price in excess of \$16.00 per share. RBC Capital Markets stated that, based on, among other things, the current landscape and relative strategy/positioning of potential acquirors, the highly confident financing for, and nearly fully-diligenced nature of, Apax's proposal and the significantly lower purchase price proposal of Party B, it believed it was unlikely at such time that another party would consummate a transaction at a purchase price greater than \$16.00 per share. After consideration and discussion of the views of RBC Capital Markets, our board of directors further discussed the merits and considerations of various forms of a potential market check to assess the interest of potential alternative buyers prior to entering into a definitive agreement with Apax. Our board of directors expressed concerns regarding potential disruptive effects of conducting a broader and likely, non-confidential, sale process, including the potential issues associated with retaining current customers and attracting new customers, the difficulties of retaining key employees and the dislocation to the business in the event the public sale process was not successful. Our board of directors also noted the possibility that Apax may terminate negotiations if it learned the Company was soliciting other proposals. Taking into account these concerns and considerations, our board of directors concluded that the benefits of a pre-signing market check did not outweigh the substantial risks to the Company, particularly if the sale process became public. Additionally, our board of directors believed, taking into consideration the views of the Company's advisors, that a well-managed go-shop process after public announcement of a transaction coupled with a low termination fee would not deter a third party interested in acquiring the Company. The board of directors then discussed the process and timing of responding to Apax regarding its proposal. After a lengthy discussion, the board of directors determined to pursue a possible transaction with Apax but directed representatives of RBC Capital Markets, together with Alan Schumacher, to seek to obtain a higher per share purchase price from Apax. The board of directors also noted Apax's request, as indicated in its revised proposal, to meet with members of Company management and directed our senior management team not to engage in any discussion of potential employment or compensation arrangements with Apax until authorized by the board of directors to do so. The board of directors also discussed the merits of engaging a second financial advisor to deliver a separate fairness opinion and/or manage any solicitation process during a potential go-shop period, but determined that it was not necessary to do so given RBC Capital Markets' deep knowledge of the industry and its broad network of contacts with strategic buyers and financial sponsors. The closing price of our common stock on April 8, 2015, was \$9.99 per share.

Later on April 8, 2015, in accordance with the directives of our board of directors, Mr. Schumacher and representatives of RBC Capital Markets called Apax seeking a higher per share purchase price. Apax stated that the proposal to acquire the Company for \$16.00 per share was its best and final offer, and that it would not further increase its proposed purchase price.

Throughout April 2015, members of senior management participated in various in-person and telephonic due diligence meetings with representatives of Apax and its advisors and hosted Apax on multiple site visits to the Company's facilities. During these meetings, senior management discussed with Apax various aspects of our business, financial performance and prospects, including our business plan and potential strategic initiatives.

On April 20, 2015, the compensation committee of our board of directors ( Compensation Committee ) held a meeting. Representatives of Fried Frank were also present. During the meeting, Fried Frank advised the

Compensation Committee about various matters to be considered by the Compensation Committee regarding compensation and equity-arrangements in light of the potential transaction, and the Compensation Committee discussed the importance of retaining key employees of the Company following the announcement of any transaction.

Also on April 20, 2015, we delivered a draft merger agreement to Apax in connection with the potential transaction. This draft merger agreement included, among other terms, a go-shop provision permitting the Company to solicit alternative acquisition proposals after signing the merger agreement, and allowing the Company to terminate the merger agreement in order to accept a superior proposal from another potential buyer, subject to compliance with the terms of the merger agreement.

On April 22 and 23, 2015, members of senior management and representatives of Apax conducted in-person diligence meetings in Houston, Texas.

On April 25, 2015, Skadden, Arps, Slate, Meagher & Flom LLP ( Skadden ), counsel to Apax, delivered a revised draft of the merger agreement to Fried Frank. During the weeks of April 27, 2015 and May 4, 2015 until May 6, 2015, the Company and its advisors engaged in a series of negotiations with Apax and its advisors regarding the terms and conditions of the merger agreement, including negotiations regarding the terms of the go-shop and no-shop provisions (including the length of the go-shop period), the board's ability to consider alternative acquisition proposals, the amount of the respective termination fees and circumstances under which such termination fees and expense reimbursement would be payable, the treatment of employee equity award arrangements (including the vesting level for the performance share awards), the size and scope of employee retention arrangements (if any), covenants regarding the conduct of our business between signing and closing, and the conditions to each party's obligation to consummate the proposed transaction. During this period, Fried Frank and Skadden also negotiated the terms of other agreements relating to the proposed transaction, including the equity commitment letter and the parent fee commitment letter which would support the obligation of Parent to pay any reverse termination fee payable to the Company under the merger agreement. Concurrently, Fried Frank and Kirkland & Ellis LLP, financing counsel to Apax, negotiated the terms of the debt commitment letters.

On April 27, 2015, the Compensation Committee held a meeting by teleconference to consider Apax's proposal with respect to the treatment of our employee equity awards in connection with the proposed transaction as reflected in the April 25th draft merger agreement. Representatives of Fried Frank were also present at the meeting. Following discussion, the Compensation Committee unanimously recommended certain terms that would decrease the payout in respect of such equity awards. The Compensation Committee also unanimously determined to propose that a \$4 million retention bonus pool be established for employees of the Company, which amount would be allocated by the Company's chief executive officer over a specified period following the closing of the potential transaction, generally requiring continued employment of the recipient during that time. However, this amount was subsequently negotiated to a \$3 million retention bonus pool. The Compensation Committee also discussed with Fried Frank the potential excise tax liability for employees of the Company in the event of a potential transaction and considered the possibility of providing protection against the impact of the potential excise tax to affected employees.

On April 28, 2015, at Apax's request, Mr. Enzor and Mr. Troy met with Mr. Truwit, Mr. Karandikar and another Apax representative. Representatives of RBC Capital Markets also attended this meeting. At this meeting, Mr. Truwit and Mr. Karandikar reviewed certain outstanding due diligence matters and described Apax's vision for the Company post-closing. The parties also discussed the importance of retaining key employees following the announcement of a transaction, and Mr. Enzor and Mr. Troy described the retention bonus pool being considered by the Compensation Committee. Apax provided a general overview of the terms of various historical equity packages established for executives of its previously acquired portfolio companies; however, other than the discussion with respect to a post-closing retention bonus pool, there was no discussion with respect to post-closing employment or equity arrangements for any of the Company's senior management or employees. Each of Mr. Enzor and Mr. Troy indicated that he would be open to having discussions regarding such matters at the appropriate time following execution of the merger agreement.

At an April 30, 2015 meeting of our board of directors, the status of the potential transaction with Apax was discussed. Senior management as well as representatives of RBC Capital Markets, Fried Frank and Shumaker were also present. Fried Frank reviewed with our board the terms and conditions reflected in the latest draft merger agreement and updated the board on Fried Frank's discussions with Skadden regarding Apax's proposals on material terms of the merger agreement, including the duration of the go-shop period, our right to terminate the agreement in order to accept a superior proposal, the amounts of the respective break-up fees, the interim operating covenants, the treatment of the employee equity awards and the size, duration and other terms of the retention bonus pool. The board of directors engaged in a discussion regarding the merits of a transaction with Apax and whether to contact other potential acquirors regarding a transaction. After a lengthy discussion, and taking into account, among other things, (i) RBC Capital Markets' advice regarding the current landscape and relative strategy/positioning of potential acquirors, (ii) the committed financing for, and fully-diligenced nature of, Apax's proposal, (iii) the significantly lower purchase price proposal of Party B, (iv) the determination by the board of directors that the go-shop, no-shop, superior proposal, and termination fee provisions in the draft merger agreement with Apax would not deter other potential acquirors from bidding for the Company following execution of such agreement during the go-shop period, and (v) the possibility that Apax would terminate negotiations if it learned the Company was soliciting other proposals at this stage in the process, our board of directors determined that it was in the best interests of the Company's shareholders to proceed with the potential transaction with Apax, and to contact other potential acquirors during a go-shop period rather than conduct a pre-signing market check.

On May 1, 2015, Fried Frank delivered a revised draft of the merger agreement to Apax and its advisors.

At a May 4, 2015 morning meeting of our board of directors, at which senior management and representatives of RBC Capital Markets and Fried Frank were present, RBC Capital Markets and Fried Frank updated the board of directors on communications with Apax following the April 30 board meeting and the status of negotiations with Apax on the proposed transaction.

Later on May 4, 2015, Skadden circulated a revised draft of the merger agreement to the Company and our advisors.

At a May 4, 2015 evening meeting of our board of directors, attended by senior management and the Company's advisors, Fried Frank updated our board of directors on the material open items in the most recent draft merger agreement. Our board of directors also discussed the anticipated timeline for the parties to finalize the merger agreement and the other transaction agreements. After discussion, our board of directors determined counterproposals with respect to the open issues and Fried Frank was directed to engage in negotiations with Skadden regarding these matters. The closing price of our common stock on May 4, 2015, was \$9.92 per share.

Over the course of the next two days, senior management and the respective advisors to the Company and Apax exchanged drafts of the transaction documents and engaged in numerous telephonic discussions to resolve open issues. Among others, the significant open issues that were resolved during this period, included (i) conditionality related to the inclusion of certain regulatory approvals, (ii) the definition of material adverse effect, (iii) the duration of the go-shop period, (iv) the definition of excluded party for purposes of the go-shop period, (v) the amount of the termination fees, (vi) treatment of existing performance share awards (vii) the size, duration and other terms of a retention bonus pool, and (viii) the extension of excise tax protection to affected employees.

At a May 5, 2015 meeting of our board of directors, Fried Frank updated the board of directors regarding the status of remaining open points in the draft merger agreement and generally on the status of the proposed transaction. Representatives of senior management and RBC Capital Markets also attended the meeting. The closing price of our common stock on May 5, 2015, was \$9.85 per share.

At a May 6, 2015 meeting of our board of directors, at which members of senior management and representatives of the Company's legal and financial advisors were also present, the board of directors reviewed

the proposed transaction and related transaction documents. Fried Frank discussed with the board of directors the outcome of the negotiations with Apax and reviewed material provisions of the transaction agreements, including the merger agreement, which were circulated prior to the meeting. RBC Capital Markets reviewed with the board of directors RBC Capital Markets' financial analysis of the \$16.00 per share merger consideration and rendered an oral opinion, which opinion was confirmed by delivery of a written opinion dated May 6, 2015, to the board of directors to the effect that, as of that date and based on and subject to the assumptions made, the procedures followed, factors considered and limitations on the review undertaken, the \$16.00 per share merger consideration to be received by holders of the Company's common stock was fair, from a financial point of view, to such holders. Following careful consideration of the factors described under "Reasons for the Merger", our board of directors unanimously determined that the merger agreement and the transactions contemplated thereby, including the merger, were advisable and in the best interests of the Company's shareholders. Our board of directors unanimously adopted resolutions authorizing the executive officers of the Company to execute and deliver the merger agreement and to submit the merger agreement and the transactions contemplated thereby to the Company shareholders for their approval, and determined to recommend that our shareholders approve and adopt the merger agreement. The closing price of our common stock on May 6, 2015, was \$9.80 per share.

Later that day, the merger agreement was executed by the Company, Parent and Merger Sub. At approximately 10:40 p.m. Eastern Daylight Time, a joint press release was issued by the Company and Apax announcing the execution of the definitive merger agreement.

### *Subsequent Events*

In accordance with the provisions of the merger agreement, we and our subsidiaries and our respective representatives were permitted, until 11:59 p.m., New York City time, on June 15, 2015, to initiate, solicit, facilitate and encourage inquiries, proposals and offers relating to alternative transactions to the merger, including by providing access to non-public information relating to the Company and its subsidiaries pursuant to an acceptable confidentiality agreement, so long as we promptly provided to Parent any such non-public information that was not previously provided to Parent, and to engage in discussions and negotiations with respect to potential alternative transactions to the merger. Upon the conclusion of this go-shop period, we were required to immediately cease and terminate any existing solicitation activities, discussions or negotiations with any third party relating to any potential alternative transaction to the merger, other than parties (excluded parties), if any, that made an acquisition proposal during the go-shop period that our board of directors determined in good faith constituted or would reasonably be expected to lead to a superior proposal. Within three business days following the end of the go-shop period, we were required to provide Parent with a written list identifying any excluded parties.

The Company's go-shop process was commenced, at the direction of our board of directors with the assistance of RBC Capital Markets, on May 7, 2015. During that process, 103 potential acquirors (37 strategic parties and 66 financial sponsors) were contacted regarding their interest in exploring a potential transaction with us. Potential acquirors were selected, among other things, based on their perceived interest in the Company's business and ability to execute a transaction.

Of the 103 parties contacted, 18 parties requested a summary of public information regarding the Company, together with a form confidentiality agreement. Of the 18 parties that requested the summary information, five parties executed a confidentiality agreement with the Company. These five parties (one strategic and four financial sponsors) were provided with access to certain non-public information regarding the Company through an electronic data room and were requested to submit an initial indication of value for the Company in advance of arranging a meeting with our senior management. However, none of such parties submitted an initial indication of value or proposed to acquire the Company. Additionally, since the conclusion of the go-shop period through the date of this proxy statement, no other party has submitted a competing acquisition proposal.

### Reasons for the Merger

In evaluating the merger agreement and the merger, our board of directors consulted with our senior management team and outside legal and financial advisors and, in reaching its unanimous decision to approve the merger agreement and the merger and to recommend that our shareholders approve and adopt the merger agreement, our board of directors considered a variety of factors, including the following:

our business, current and projected financial condition, operations, current earnings and earnings prospects as an independent public company;

the review undertaken by our board of directors and senior management team with respect to the potential strategic alternatives available to the Company;

the risks associated with continuing as an independent public company, in particular, the execution risks of our standalone strategic plan, our ability to execute on short-term and long-term opportunities and the fact that our operating performance could be affected by, among other things, the risks and uncertainties described in the Risk Factors section of our Annual Report on Form 10-K for the fiscal year ended December 31, 2014, filed with the SEC on March 13, 2015, as updated by our Quarterly Report on Form 10-Q, filed with the SEC on May 8, 2015;

our board of directors' belief that our limited access to capital given our leveraged balance sheet position would constrain our ability to expand our business if we remain an independent public company;

our board of directors' understanding of our industry and competitive position;

our board of directors' review, with the assistance of our senior management team and legal and financial advisors, of our current and historical financial condition, results of operations, prospects, business strategy, competitive position, industry, properties and assets, including the potential impact of those factors on the trading price of our common stock;

our board of directors' views regarding our likely value as a standalone independent public company, taking into account our potential future growth and ability to achieve such growth, which belief was based on a number of factors, including:

the risks and uncertainties associated with maintaining our performance as a standalone independent public company, including, among other risks and uncertainties, generally the execution risk of implementing our standalone strategy;

projections prepared by our management (see *Projected Financial Information*) and the inherent uncertainty of attaining management's internal financial projections, including that our actual financial results in future periods could be materially less than projected results; and

our board of directors' consideration of other potential strategic alternatives available to us, based upon, among other things, our board of directors' knowledge of (i) our business, financial condition and results of operations, from both a historical and prospective perspective, and (ii) the risk-adjusted probabilities associated with achieving our long-term strategic plans as a standalone independent public company as compared to the certainty of value afforded to our shareholders through the merger;

the fact that the merger consideration consists solely of cash, providing our shareholders with immediate value and liquidity upon consummation of the merger;

recent and historical market prices for our common stock, as compared to the merger consideration, including the fact that the merger consideration of \$16.00 per share represents an approximate premium of:

62% to the \$9.85 closing price per share of our common stock on May 5, 2015, the day before our board of directors approved and adopted the merger agreement;

**Table of Contents**

58% to the \$10.11 volume-weighted average closing price per share of our common stock for the one-month period ended May 5, 2015;

54% to the \$10.42 volume-weighted average closing price per share of our common stock for the three-month period ended May 5, 2015;

56% to the \$10.28 volume-weighted average closing price per share of our common stock for the six-month period ended May 5, 2015;

33% to the \$12.00 volume-weighted average closing price per share of our common stock for the 12 month period ended May 5, 2015;

the fact that our board of directors negotiated an increase in the merger consideration to \$16.00 from Apax's March 6, 2015 proposal of \$14.75, as described above under *The Merger (Proposal 1) Background of the Merger*, and that Apax represented that the \$16.00 per share purchase price was Apax's best and final offer;

the terms of the merger agreement, including the fact that the merger agreement includes a go-shop provision that is intended to help ensure that the Company's shareholders receive the highest price per share reasonably available, including:

our right to solicit offers with respect to alternative acquisition proposals for 40 days after signing the merger agreement, and to continue discussions with certain third parties that make acquisition proposals during the go-shop period;

our right, subject to certain conditions, to respond to and negotiate with third parties with respect to certain unsolicited acquisition proposals made after the end of the go-shop period and prior to the time the Company's shareholders approve the proposal to adopt the merger agreement;

the ability of our board of directors to withdraw or change its recommendation in favor of the merger agreement, and our right to terminate the merger agreement and accept a superior proposal (should a superior proposal emerge), subject to compliance with the terms of the merger agreement;

our belief that the termination fees and other limitations applicable to alternative acquisition proposals agreed to in the merger agreement were reasonable and customary and would not preclude a serious and financially capable potential acquirer from submitting a proposal to acquire us for a higher value per share following the announcement of the merger;

the fact that the termination fee payable by us in the event we accept a superior proposal that was made by an excluded party is substantially lower than the termination fee that would be payable by us in other circumstances;

the opinion of RBC Capital Markets, dated May 6, 2015, to our board of directors as to the fairness, from a financial point of view and as of the date of the opinion, of the \$16.00 per share cash consideration to be received by holders of Company common stock pursuant to the merger agreement, which opinion was based on and subject to the procedures followed, assumptions made, factors considered and qualifications and limitations on the review undertaken as more fully described in the section entitled *Opinion of the Company's Financial Advisor*;

the fact that it is a condition to the closing of the merger that the merger agreement has been adopted by our shareholders, which allows for an informed vote by the shareholders on the merits of the merger;

the likelihood of the merger being completed, based on, among other things:

the fact that Parent has provided a debt commitment letter and an equity commitment letter in connection with the execution of the merger agreement;

**Table of Contents**

the absence of any financing condition in the merger agreement;

our ability, under certain circumstances, to seek specific performance of Parent's obligation to cause, and, pursuant to the equity commitment letters, to seek specific performance to directly cause, the equity financing sources under the equity commitment letter to fund their respective commitments at closing as contemplated by those letters;

the likelihood and anticipated timing of completing the proposed merger in light of the scope of the conditions to completion;

the fact that the merger agreement was the product of extensive arms-length negotiations, and that members of our senior management team, as well as our legal and financial advisors, were involved throughout the negotiations and updated our board of directors regularly;

the fact that management did not enter into any contracts or arrangements (including as to post-closing employment) with Apax or its affiliates in connection with the execution of the merger agreement; and

the business reputation and capabilities of Apax, including numerous public to private transactions, and the substantial financial resources of the Apax Funds and, by extension, Parent and Merger Sub.

In the course of its deliberations, our board of directors, in consultation with our senior management team and outside legal and financial advisors, also considered a variety of risks and other potentially negative factors relating to the merger, including the following:

the fact that, subsequent to completion of the merger, the Company will no longer exist as an independent public company and that the nature of the transaction as a cash transaction would preclude our shareholders from participating in any value creation that the business could generate, as well as any future appreciation in our value beyond the merger consideration;

the risk that necessary regulatory approvals and clearances may be delayed, conditioned or denied;

the restrictions on the conduct of our business prior to the completion of the merger, which could delay or prevent us from undertaking business opportunities that may arise or any other action we would otherwise take with respect to our operations absent the pending completion of the merger;

the announcement and pendency of the merger, the solicitation activities during the go-shop period or the failure to close the merger, may cause substantial harm to relationships with our employees, vendors, customers, independent affiliates, independent owner operators and other partners and may divert management and employee attention away from the day-to-day operation of our business;

the risk that, while the merger agreement is not by its terms subject to a financing condition, if sufficient debt financing is not obtained by Apax the merger may not be consummated;

we have incurred and will continue to incur significant transaction costs and expenses in connection with the proposed transaction, regardless of whether the merger is consummated;

## **Opinion of the Company's Financial Advisor**

The Company retained RBC Capital Markets to act as the Company's financial advisor to assist the Company in connection with its review and evaluation of potential strategic alternatives, including the merger. As part of this engagement, the Company's board of directors requested that RBC Capital Markets evaluate the fairness, from a financial point of view, of the consideration to be received by holders of Company common stock in the proposed merger. On May 6, 2015, at a meeting of the Company's board of directors held to evaluate the merger, RBC Capital Markets rendered an oral opinion, confirmed by delivery of a written opinion dated May 6, 2015, to the Company's board of directors to the effect that, as of that date and based on and subject to the matters described in the opinion, the \$16.00 per share cash consideration to be received by holders of Company common stock pursuant to the merger agreement was fair, from a financial point of view, to such holders.

The summary below of RBC Capital Markets' material financial analyses provided to the Company's board of directors in connection with RBC Capital Markets' opinion is not a comprehensive description of all analyses undertaken or factors considered by RBC Capital Markets in connection with its opinion. The preparation of a financial opinion is a complex analytical process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, a financial opinion is not readily susceptible to partial analysis or summary description.

In performing its analyses, RBC Capital Markets considered industry performance, general business and economic conditions and other matters, many of which are beyond the control of the Company. The estimates of the future performance of the Company in or underlying RBC Capital Markets' analyses are not necessarily indicative of actual values or actual future results, which may be significantly more or less favorable than those estimates or those suggested by RBC Capital Markets' analyses. The analyses do not purport to be appraisals or to reflect the prices at which a company might actually be sold or acquired or the prices at which any securities

have traded or may trade at any time in the future. Accordingly, the estimates used in, and the ranges of valuations resulting from, any particular analysis described below are inherently subject to substantial uncertainty and should not be taken as RBC Capital Markets' view of the actual value of the Company.

The consideration payable in the merger was determined through negotiations between the Company and Apax and was approved by the Company's board of directors. RBC Capital Markets was not requested to, and it did not, recommend the specific consideration payable in the proposed merger or that any given consideration constituted the only appropriate consideration for the merger. The decision to enter into the merger agreement was solely that of the Company's board of directors, and RBC Capital Markets' opinion and analyses were only one of many factors considered by the Company's board of directors in its evaluation of the merger and should not be viewed as determinative of the views of the Company's board of directors, management or any other party with respect to the merger or the merger consideration.

The following is a brief summary of the material financial analyses provided by RBC Capital Markets to the Company's board of directors in connection with RBC Capital Markets' opinion, dated May 6, 2015. **The financial analyses summarized below include information presented in tabular format. In order to fully understand the financial analyses performed by RBC Capital Markets, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Selecting portions of RBC Capital Markets' financial analyses or factors considered or focusing on the data set forth in the tables below without considering all analyses or the full narrative description of the analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of RBC Capital Markets' financial analyses.** For purposes of the financial analyses described below, references to estimated earnings before interest, taxes, depreciation and amortization, or EBITDA, means EBITDA as adjusted for significant items that are not part of regular operating activities and after non-cash stock-based compensation expense, and references to EBITDAP means EBITDA as adjusted for pension expenses.

*Selected Public Companies Analysis.* RBC Capital Markets performed a selected public companies analysis of the Company in which RBC Capital Markets reviewed certain financial and stock market information of the Company and the following five selected companies that RBC Capital Markets considered generally relevant for comparative purposes as U.S. publicly traded companies in the industries in which the Company operates that do not directly own a significant portion of their operating assets, collectively referred to as the selected companies:

UTI Worldwide Inc.

HubGroup, Inc.

Forward Air Corporation

Roadrunner Transportation Systems Inc.

Universal Truckload Services, Inc.

Estimated financial data of the selected companies were based on publicly available research analysts' consensus estimates, public filings and other publicly available information. Estimated financial data of the Company were based on the Company's public filings and internal financial forecasts and other estimates of the Company's management. RBC Capital Markets reviewed, among other things, enterprise values of the selected companies, calculated as equity values based on closing stock prices and diluted shares outstanding on May 5, 2015 plus debt, less cash and cash equivalents, as a multiple of calendar year 2015 estimated EBITDA. The overall low to high calendar year 2015 estimated EBITDA multiples observed for the selected companies were 6.9x to 15.4x (with a mean of 10.7x and a median of 10.7x). The Company's observed calendar year 2015 estimated EBITDA multiples were 7.2x (based on publicly available research analysts' consensus estimates) and 7.4x (based on internal financial forecasts and other estimates of the Company's management). RBC Capital Markets then applied a selected range of calendar year 2015 estimated EBITDA multiples of 8.0x to 11.0x

RBC Capital Markets reviewed transaction values, based on reported purchase prices or calculated as equity values of the target companies based on the purchase prices paid in the selected transactions plus debt less cash and cash equivalents, as a multiple of such target companies' latest 12 months EBITDA prior to announcement of the transaction. The overall low to high latest 12 months EBITDA multiples observed for the selected transactions were 6.5x to 12.5x (with a mean of 9.1x and a median of 8.0x). RBC Capital Markets then applied a selected range of latest 12 months EBITDA multiples derived from the selected transactions of 7.5x to 10.5x to the Company's calendar year 2014 EBITDAP. This analysis indicated the following approximate implied equity value per share reference range for the Company, as compared to the per share merger consideration:

No company or transaction used in this analysis is identical to the Company or the proposed merger. Accordingly, an evaluation of the results of this analysis is not entirely mathematical. Rather, this analysis involves complex considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the acquisition or other values of the companies or transactions to which the Company and the merger were compared.

*Discounted Cash Flow Analysis.* RBC Capital Markets performed a discounted cash flow analysis of the Company by calculating the estimated present value of the standalone unlevered, after-tax free cash flows that the Company was forecasted to generate from the second quarter of the calendar year ending December 31, 2015 through the full calendar year ending December 31, 2019 based on internal financial forecasts and other estimates of the Company's management. For purposes of this analysis, (i) the potential U.S. federal income tax savings expected by the Company's management to be realized from the utilization of net operating loss carryforwards was taken into account and (ii) stock-based compensation was treated as a cash expense. The implied terminal value of the Company was calculated by applying to the Company's estimated unlevered, after-tax free cash flows for the calendar year ended December 31, 2019 a selected range of perpetuity growth rates of 3% to 4%. Present values (as of March 31, 2015) of the cash flows, terminal values and net operating losses were calculated using a discount rate range of 10.5% to 12.5%. This analysis indicated the following approximate implied equity value per share reference range for the Company, as compared to the per share merger consideration:

Implied Equity Value		Per Share	
Per Share Reference Range		Merger Consideration	
\$12.56	\$22.74	\$	16.00

*Theoretical Leveraged Buyout Analysis.* RBC Capital Markets performed a theoretical leveraged buyout analysis of the Company based on internal financial forecasts and other estimates of the Company's management by calculating a range of theoretical purchase prices that could be paid by a hypothetical financial buyer in an acquisition of the Company assuming, among other things, a transaction closing date of March 31, 2015, pro forma leverage of 6.0x the Company's calendar year 2014 EBITDAP and a  $\frac{3}{4}$ -year investment period. Estimated exit value ranges for the Company were calculated by applying to the Company's estimated EBITDAP for the calendar year ending December 31, 2019 a selected range of exit multiples of 8.0x to 10.0x. RBC Capital Markets then derived a range of theoretical purchase prices for an illustrative exit transaction at the end of the Company's calendar year ending December 31, 2019 based on an assumed range of internal rates of return for a financial buyer of 20% to 25%. This analysis indicated the following approximate implied equity value per share reference range for the Company, as compared to the per share merger consideration:

Implied Equity Value		Per Share	
Per Share Reference Range		Merger Consideration	
\$14.52	\$20.64	\$	16.00

*Other Factors.* RBC Capital Markets observed certain additional factors that were not considered part of RBC Capital Markets' financial analyses with respect to its opinion but were referenced for informational purposes, including, among other things, the following:

the historical trading performance of the Company's common stock during the 52-week period ended May 5, 2015, which reflected low to high closing prices for the Company's common stock during such period of \$8.32 to \$15.83 per share; and

stock price targets for the Company's common stock reflected in publicly available Wall Street research analysts' reports, which indicated low to high stock price targets (discounted by one year using a 16.5% discount rate based on the Company's cost of equity) for the Company's common stock of \$8.59 to \$15.45 per share; and

premiums paid in selected precedent transactions with transaction values of \$500 million to \$1.5 billion announced from January 1, 2013 to May 5, 2015 which, after applying the 25<sup>th</sup> to 75<sup>th</sup> percentile of the

premiums implied in such transactions of approximately 18.6% to 50.2% to the target company's 30-day unaffected closing stock price, indicated an approximate implied equity value reference range for the Company of \$11.68 to \$14.80 per share.

*Miscellaneous.* In connection with RBC Capital Markets' services as the Company's financial advisor, the Company has agreed to pay RBC Capital Markets an aggregate fee currently estimated to be approximately \$7.8 million, of which a portion was payable upon delivery of its opinion and approximately \$6.8 million is payable contingent upon consummation of the merger. The Company also has agreed to reimburse RBC Capital Markets for its expenses, including fees and disbursements of legal counsel, reasonably incurred in connection with RBC Capital Markets' services under its engagement and to indemnify RBC Capital Markets and related persons against liabilities, including liabilities under the federal securities laws, arising out of RBC Capital Markets' engagement.

As the Company's board of directors also was aware, RBC Capital Markets and certain of its affiliates have direct or indirect investments in certain investment funds managed or advised by Apax (including, during the two-year period prior to the date of RBC Capital Markets' opinion, a \$10 million investment in a fund managed or advised by Apax which is not involved in the merger).

### **Projected Financial Information**

As a matter of course, we do not develop or publicly disclose long-term projections or internal projections of our future performance and are especially wary of making projections for extended periods due to the unpredictability of the underlying assumptions and estimates. However, in evaluating our strategic and financial alternatives, including the merger, our management prepared certain financial projections and forecasts that were made available to our board of directors and our legal and financial advisors. Certain of these financial projections and forecasts were also made available to Apax in connection with its due diligence review of a possible transaction. This information was used as the basis for the financial analyses conducted by RBC Capital Markets summarized above in *Opinion of the Company's Financial Advisor*.

A summary of this financial information (collectively, the *Management Projections*) is provided below to give shareholders access to certain non-public information prepared by our management in connection with our evaluation of strategic and financial alternatives, including the merger. The *Management Projections* were not prepared with a view to public disclosure and are included in this proxy statement only because such information was made available as described above. The *Management Projections* were not prepared with a view to compliance with generally accepted accounting principles as applied in the United States (*GAAP*), the published guidelines of the SEC regarding projections or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. For example, certain metrics included in the *Management Projections* are non-GAAP financial measures, and the *Management Projections* do not include footnote disclosures as may be required by GAAP. Furthermore, PricewaterhouseCoopers LLP, our independent registered public accounting firm, has not examined, reviewed, compiled or otherwise applied procedures to the *Management Projections* and, accordingly, assumes no responsibility for, and expresses no opinion on, the *Management Projections*. The *Management Projections* included in this proxy statement have been prepared by, and are the responsibility of, our management. The *Management Projections* were prepared solely for our internal use as part of the previously described review of strategic alternatives, and both the *Management Projections* and the underlying assumptions upon which they are based are subjective in many respects.

The *Management Projections* reflect numerous estimates and assumptions with respect to industry performance, general business, economic, market and financial conditions, changes to our business, financial condition or results of operations, and other matters. Many of these estimates and assumptions are difficult to predict, subject to significant economic and competitive uncertainties, are beyond our control, and may cause the *Management Projections* or the underlying assumptions not to be realized. Since the *Management Projections* cover multiple years, the information contained therein, and the estimates and assumptions on which it is based, by their nature become less predictive with each successive year. Further, the *Management Projections* do not take into account any circumstances or events occurring after the date they were prepared. As a result, there can be no assurance that the *Management Projections* will be realized or that our actual results will not be significantly higher or lower than projected.

For the foregoing reasons, as well as the basis and assumptions on which the *Management Projections* were compiled, the inclusion of specific portions of the *Management Projections* in this proxy statement should not be regarded as an indication that such *Management Projections* will necessarily be predictive of actual future events, and they should not be relied on as such. Except as required by applicable securities laws, we do not intend to update or otherwise revise the *Management Projections* or the specific portions presented to reflect circumstances existing after the date when made or to reflect the occurrence of future events, even in the event that any or all of the assumptions are shown to be in error. For more information on certain of the factors that may cause our future results to materially vary from that expressed in the *Management Projections*, see *Cautionary Statement Concerning Forward-Looking Statements*.

**Table of Contents**

*In light of the foregoing factors and the uncertainties inherent in the Management Projections, we caution our shareholders not to rely on the Management Projections included in this proxy statement.*

**Financial Projections**

Portions of the Management Projections are summarized as follows:

**Financing**

Parent estimates that the total amount of funds required to complete the merger and related transactions and pay related fees and expenses will be approximately \$[ ] million. Parent expects this amount to be funded through a combination of the following:

debt financing consisting of (i) a senior secured first lien term loan facility in an aggregate principal amount of \$400.0 million, (ii) a senior secured second lien term loan facility in an aggregate principal amount of \$135.0 million, and (iii) an asset based revolving credit facility in an aggregate principal amount of \$100.0 million. Parent has received firm commitments from certain financial institutions to provide the debt financing; and

a cash equity investment by Apax Investors in Parent of up to \$322 million.

The consummation of the merger is not subject to a financing condition (although the funding of the debt and cash equity financing is subject to the satisfaction of the conditions set forth in the commitment letters under which the financing will be provided).

**Equity Financing**

On May 6, 2015, Apax Investors entered into an equity commitment letter (which we refer to as the equity commitment letter and, together with the debt commitment letter described below, the commitment letters ) with Parent pursuant to which Apax Investors committed to purchase (or cause to be purchased) from Parent equity securities of Parent having an aggregate purchase price in cash of \$322 million. We refer to the financing described above as the equity financing. The equity financing is subject to the following conditions:

the satisfaction or waiver by Parent of each of the conditions to Parent's obligations to consummate the transactions contemplated by the merger agreement, in each case, as contemplated by the merger agreement, other than any conditions that by their nature are to be satisfied at the closing, but subject to the prior or substantially contemporaneous satisfaction of such conditions;

- (i) the substantially contemporaneous consummation of the closing in accordance with the terms of the merger agreement or (ii) us having irrevocably confirmed in writing that if an order of specific performance is granted that

Edgar Filing: QUALITY DISTRIBUTION INC - Form PRER14A

would require Parent and Merger Sub to consummate the merger and the debt financing and the financing contemplated by equity commitment letter agreement is funded, then we will consummate the merger; and

the consummation of the debt financing pursuant to the debt financing commitment prior to or substantially contemporaneously with such funding by Apax Investors.

the consummation of the merger;

the termination of the merger agreement in accordance with its terms;

the funding of the equity commitment pursuant to the equity commitment letter; or

we or our affiliates or representatives assert (A) specified claims against Apax Investors and its affiliates and related persons, or (B) that any provision of the equity commitment letter is illegal, invalid or unenforceable or that Apax Investors are liable in excess of \$322 million.

We are an express third-party beneficiary of the equity commitment letter and have the right to specific performance to enforce Apax Investors' obligations under the equity commitment letter solely to the extent we have the right to seek specific performance under the merger agreement to require Parent to cause the equity commitment under the equity commitment letter to be funded. See *The Merger Agreement - Specific Performance*.

If any portion of the debt financing becomes unavailable on the terms and conditions contemplated by the debt commitment letter, Parent is required to promptly notify us in writing and use its reasonable best efforts to obtain substitute financing on terms and conditions not materially less favorable to Parent and Merger Sub, taken as a whole, than the terms and conditions of the debt commitment letter (including the flex provisions contained in the fee letter referenced in the debt commitment letter) in an amount sufficient to enable Parent to consummate the merger and the other transactions contemplated by the merger agreement. *Treatment of Stock Options*

As of June 1, 2015, there were 772,639 outstanding stock options held by directors and executive officers of the Company of which 109,674 were unvested stock options as of that date. As of the effective time of the merger, each outstanding stock option to purchase shares of the Company's common stock will vest and be canceled in exchange for the right to receive an amount in cash (subject to any applicable withholding) equal to the product of (i) the total number of shares of the Company's common stock subject to the stock option as of the effective time of the merger and (ii) the amount by which the merger consideration exceeds the exercise price per share of the Company's common stock underlying the stock option. For more information, please see the discussion under the caption *Summary of Quality Distribution's Equity Awards to Be Accelerated Upon Completion of the Merger* below and the discussion under the caption *The Merger Agreement Treatment of Outstanding Equity Awards*.

*Treatment of Time-Based Vesting Restricted Stock and Restricted Stock Units*

As of June 1, 2015, there were 285,465 outstanding Company RSAs held by directors and executive officers of the Company. As of the effective time of the merger, each such Company RSA will vest and be canceled in exchange for the right to receive an amount in cash (subject to any applicable withholding) equal to the amount determined by multiplying (i) the merger consideration by (ii) the total number of shares of the Company's subject to such Company RSA as of the effective time of the merger. For more information, please see the discussion under the caption *Summary of Quality Distribution's Equity Awards to Be Accelerated Upon Completion of the Merger* below and the discussion under the caption *The Merger Agreement Treatment of Outstanding Equity Awards*.

*Treatment of Performance-Based Vesting Restricted Stock Units*

As of June 1, 2015, there were 823,000 outstanding Company PSAs held by executive officers of the Company (assuming performance at maximum level). As of the effective time of the merger, each outstanding Company PSA will be canceled and the holder will be entitled to receive an amount in cash (subject to any applicable withholding) equal to the amount determined by multiplying (i) the merger consideration and (ii) the sum of (x) 100% of the total number of shares of the Company's common stock subject to any such Company PSA granted in 2014, assuming vesting at the maximum level, and (y) 25% of the total number of shares of the Company's common stock subject to any such Company PSA granted in 2015, assuming vesting at the target level. For more information, please see the discussion under the caption *Summary of Quality Distribution Equity Awards to Be Accelerated Upon Completion of the Merger* below and the discussion under the caption *The Merger Agreement Treatment of Outstanding Equity Awards*.

**Table of Contents***Summary of the Company's Equity Awards to Be Accelerated Upon Completion of the Merger*

The following table sets forth the number and value of unvested stock options, Company RSAs and Company PSAs held by executive officers and non-employee directors of the Company that would be subject to accelerated vesting upon the consummation of the merger, assuming that the effective time of the merger occurs on August 1, 2015.

**Employment Agreements with Executive Officers**

The Company previously entered into employment agreements with each of its executive officers that contain substantially similar severance provisions. The agreements provide for certain payments and benefits to be made or provided upon a termination of employment by the Company without cause or if the executive officer terminates employment with good reason, including, in each case, in connection with a change in control (which we refer to, in each case, as a qualifying termination of employment). Under Messrs. Strutz, Giroir and Broussard and Ms. Ernst's agreements, good reason includes a material breach of the applicable agreement. Under Messrs. Enzor, Troy, and Wilson's agreements, good reason generally includes a material diminution of duties or authority, a change in reporting assignment, an involuntary relocation of more than 50 miles of the executive's principal place of business, and a material breach of the agreement. Additionally, good reason under Mr. Enzor's agreement includes the Company's failure to carry at least \$10 million in directors' and officers' liability insurance or to make Mr. Enzor an insured thereunder.

*Employment Agreements with Executive Officers*

Under the terms of the employment agreements with each of the executive officers previously entered into by the Company, if the executive officer has a qualifying termination of employment, the executive officer would be entitled to the following amounts:

Accrued but unpaid compensation and benefits, including:

base salary through the termination date;

the balance of any awarded but as yet unpaid annual cash bonus or other incentive awards for any fiscal year prior to the fiscal year of the termination date;

## Edgar Filing: QUALITY DISTRIBUTION INC - Form PRER14A

any vested but not forfeited benefits on the termination date under the Company's employee benefit plans in accordance with the terms of such plans; and

any benefit continuation and conversion rights to which the executive officer is entitled under the Company's employee benefit plans;

## **Table of Contents**

An amount equal to annual cash bonus for the portion of the year worked, at target level, prorated from the first day of the fiscal year through the termination date, which is payable in the following year at the same time as annual cash bonuses are normally paid to similarly situated executives, except that Mr. Broussard is not entitled to such payment;

If participating in the Company's medical benefits at the time of termination, Company-provided medical benefits for each executive officer (and his or her eligible dependents) at active employee contribution rates for one year following the termination date, except that Mr. Enzor and Mr. Troy are entitled to such benefits for two years; and

An amount equal to base salary payable in accordance with the normal payroll cycles of the Company for one year following the termination date for each executive officer, except that Mr. Enzor and Mr. Troy are entitled to such base salary payments for two years.

In order to receive the foregoing severance benefits, the executive officer must agree to release the Company from all claims arising out of his employment relationship. Each executive employment agreement also contains restrictive covenants including non-competition, confidentiality, employee non-solicitation and customer non-solicitation and non-disparagement clauses to protect the Company. The non-competition and non-solicitation provisions protect the Company during the period of employment and for a defined period following employment equal to one year for the executive officers, except Mr. Enzor's non-solicitation period extends for 18 months.

Assuming that Ms. Ernst and Mr. Broussard both experience a qualifying termination of employment immediately following the consummation of the merger (which is assumed to be August 1, 2015), the total severance benefits (including the value of continuing benefits and assuming their agreement was amended to provide for tax reimbursements, as described below) for Ms. Ernst and Mr. Broussard would be approximately \$931,346. For more information, please see the discussion under the caption *Merger-Related Compensation to Named Executive Officers of the Company* below.

### ***Arrangements with Parent***

As of the date of this proxy statement, none of our executive officers has entered into any agreement with Parent or any of its affiliates regarding employment with, or the right to purchase or participate in the equity of, the surviving corporation or one or more of its affiliates. Prior to or following the closing of the merger, however, some or all of our executive officers may discuss or enter into agreements with Parent or any of its affiliates regarding employment with, or the right to purchase or participate in the equity of, the surviving corporation or one or more of its affiliates. Notwithstanding the foregoing, the merger agreement provides that Parent will assume and honor the Company's and its subsidiaries obligations under each severance plan, retention plan, employment agreement and any other employee benefit plans following the merger.

### ***Retention Bonus Pool***

The merger agreement allows the Company, during the period between the execution of the merger agreement and the closing of the merger and subject to certain conditions, to grant cash retention awards to its employees with an aggregate value not to exceed \$3 million. The individual allocations will be determined by the Chief Executive Officer of the Company (or his designee), with such allocations to be subject to the approval of Parent. Each cash retention award will be paid in equal installments on each of the first three anniversaries of the closing date of the merger, subject to continued employment through each applicable payment date. In the event of a termination of the recipient's employment without cause or for good reason prior to the full payment of the cash retention award, the payment of the unpaid portion of the retention award will be accelerated. No cash retention award may result in a payment that would be non-deductible under Section 280G of the Internal Revenue Code. As of June 5, 2015, no employee has been granted a retention award.

### ***Excise Tax Considerations***

The Company has agreed that in the event that it is determined that any of the compensation or benefits payable in connection with the merger (including as a result of the employee's termination of employment in

**Table of Contents**

connection with the merger) would subject employees to excise taxes under Section 4999 of the Internal Revenue Code, the Company may enter into arrangements with such employees to provide for payments that would place the employees in the same positions as if the excise taxes did not apply. As of June 5, 2015, no employees have entered into an arrangement of this type with the Company.

**Merger-Related Compensation to Named Executive Officers of the Company**

In accordance with Item 402(t) of Regulation S-K, the table below titled Potential Change in Control Payments to Named Executive Officers sets forth the compensation that is based on or otherwise relates to the transaction that will or may become payable to each of the Company's named executive officers in connection with the merger. Please see the previous portions of this section for further information regarding this compensation.

The amounts indicated in the table below titled Potential Change in Control Payments to Named Executive Officers are estimates of the amounts that would be payable, assuming, solely for purposes of this table, that the merger is consummated on August 1, 2015, and each of the named executive officers experiences a qualifying termination of employment on that date. As described below, some of the amounts set forth in the table would be payable by virtue of the consummation of the merger (single-trigger payments), while other amounts would be payable only if a qualifying termination of employment occurs in connection with the merger (double-trigger payments). In addition to the assumptions regarding the consummation date of the merger and termination of the employment of the named executive officers, these estimates are based on a number of other assumptions, including those described in the footnotes accompanying the table below. Accordingly, the ultimate values to be received by a named executive officer in connection with the merger may materially differ from the amounts set forth below.

- (1) **Cash:** The amounts in this column reflect the cash severance payment to which the named executive officers would be entitled based upon their respective employment agreement. The employment agreements provide for severance upon a termination of employment by the Company without cause or by the named executive officer for good reason (as described above) at any time after the consummation date of the merger. The double trigger cash severance amounts are based on two years of continued base salary for Messrs. Enzor and Troy; one year of continued base salary for Messrs. Giroir, Strutz and Wilson; and a prorated portion of each named executive officer's target annual bonus based on the date of termination of employment (which, for the purposes of this table, is August 1, 2015), payable in the following year at the same time as annual cash bonuses are normally paid to similarly situated executives. The following table breaks down these amounts by type of cash payment.

- (2) **Equity:** The amounts in this column reflect the value of the accelerated vesting of the executive officers' unvested equity awards that would occur at the effective time of the merger, as provided by the merger agreement (single trigger). The following table breaks down these amounts by type of award.

- (a) As of the effective time of the merger, each outstanding stock option to purchase shares of the Company's common stock, whether or not vested, will vest and be canceled in exchange for the right to receive an amount in cash (subject to any applicable withholding) equal to the product of (i) the total number of shares of the Company's common stock subject to the stock option as of the effective time of the merger and (ii) the amount by which \$16 exceeds the exercise price per share of the Company's common stock underlying the stock option.
- (b) As of the effective time of the merger, each time-based vesting restricted stock award or restricted stock unit award that is outstanding prior to the effective time ( Company RSA ), will vest and be canceled in exchange for the right to receive an amount in cash determined by multiplying (i) \$16 by (ii) the total number of shares of the Company's common stock subject to such Company RSA as of the effective time of the merger.
- (c) As of the effective time of the merger, each performance-based vesting restricted stock unit award ( Company PSA ) that is outstanding immediately prior to the effective time will be canceled and the holder will be entitled to receive an amount in cash (subject to any applicable withholding) equal to the amount determined by multiplying (i) \$16 and (ii) the sum of (x) 100% of the total number of shares of the Company's common stock subject to any such Company PSA granted in 2014, assuming vesting at the maximum level, and (y) 25% of the total number of shares of the Company's common stock subject to any such Company PSA granted in 2015, assuming vesting at the target level.
- (3) **Perquisites/Benefits:** The amounts in this column reflect the value of medical benefits for the named executive officers for the benefits continuation period (two years for Messrs. Enzor and Troy and one year for Messrs. Giroir, Strutz and Wilson) to which each named executive officer would be entitled upon a termination of employment by the Company without cause or by the named executive officer for good reason (as described above) at any time after the consummation date of the merger ( double trigger ).
- (4) **Tax Reimbursements:** As described under the caption *Excise Tax Considerations* above, the Company has agreed that in the event that it is determined that any of the compensation or benefits payable in connection with the merger (including as a result of the employee's termination of employment in connection with the merger) would subject employees to excise taxes under Section 4999 of the Internal Revenue Code, the Company may enter into arrangements with such employees to provide for payments that would place the employees in the same positions as if the excise taxes did not apply. Arrangements have not yet been entered into with any of the named executive officers; however, for the purposes of this table, it is assumed that each of the named executive officers is entitled to tax reimbursements, regardless of whether there is a termination of employment ( single trigger ). Despite the single-trigger nature of the arrangements, tax reimbursements will not be necessary for the named executive officers (and the amounts for those who would be entitled to tax reimbursements would be materially less) if the applicable named executive officer's employment is not terminated in connection with the merger. The amounts in this column take certain positions and make assumptions that are considered to be reasonable based on the applicable regulations and the relevant facts.

**Indemnification and Insurance of Directors and Executive Officers**

From and after the effective time, the surviving corporation will, and Parent will cause the surviving corporation and its subsidiaries to, fulfill and honor, in all respects, the obligations of the Company and its subsidiaries pursuant to any indemnification agreements and any indemnification provision, expense advancement provision and any exculpation provision set forth in the articles of incorporation, bylaws or equivalent organization documents of the Company and its subsidiaries. Furthermore, Parent agrees that the organizational documents of the surviving corporation will contain provisions with respect to indemnification, expense advancement and exculpation from liability that are at least as favorable as such provisions in the Company's existing organizational documents and that such provisions will not be amended, repealed or otherwise modified in any manner that could adversely affect the rights of any indemnified party during the period beginning at the effective time and ending on the sixth anniversary of the effective time.

The merger agreement also provides that prior to the effective time of the merger, the Company, at Parent's expense, will cause the indemnified parties to be covered for a period of six years from the effective time by the directors' and officers' liability insurance policy maintained by the Company with respect to acts or omissions occurring prior to the effective time that were committed by such indemnified parties in their applicable capacities as such (provided, that Parent or the surviving corporation, as applicable, will not be required to pay an

annual premium for such insurance in excess of 250% of the aggregate annual premiums paid by the Company on annualized basis). The merger agreement provides that in lieu of the foregoing coverage, at any time after the execution of the merger agreement, the Company may (at Parent's expense), purchase a six-year prepaid tail policy that provides coverage no less favorable to the indemnified parties than the coverage described above.

**Material U.S. Federal Income Tax Consequences of the Merger**

The following discussion is a summary of the material U.S. federal income tax consequences of the merger that are relevant to certain holders of shares of Quality Distribution, Inc. common stock whose shares are converted into the right to receive cash pursuant to the merger. This discussion is based upon the Internal Revenue Code of 1986, as amended, which we refer to as the Code, Treasury Regulations promulgated under the Code, court decisions, administrative rulings, published positions of the Internal Revenue Service, which we refer to as the IRS, and other applicable authorities, all as in effect on the date of this proxy statement and all of which are subject to change or differing interpretations, possibly with retroactive effect. This discussion is limited to holders who hold their shares of Quality Distribution, Inc. common stock as capital assets within the meaning of Section 1221 of the Code (generally, property held for investment purposes). For purposes of this discussion, a holder means either a U.S. Holder or a Non-U.S. Holder (each as defined below) or both, as the context may require.

This discussion is for general information only and does not address all of the tax consequences that may be relevant to a holder in light of its particular circumstances. For example, this discussion does not address:

Tax consequences that may be relevant to holders who may be subject to special treatment under U.S. federal income tax laws, such as: financial institutions; tax-exempt organizations; S corporations, partnerships or any other entities or arrangements treated as partnerships or pass-through entities for U.S. federal income tax purposes; insurance companies; mutual funds; dealers in stocks and securities; traders in securities that elect to use the mark-to-market method of accounting for their securities; regulated investment companies; real estate investment trusts; or certain expatriates or former long-term residents of the United States;

Tax consequences to holders holding the shares as part of a hedging, constructive sale or conversion, straddle or other risk reducing transaction;

Tax consequences to holders that received their shares of Quality Distribution, Inc. common stock in a compensatory transaction;

Tax consequences to holders who own an equity interest, actually or constructively, in Parent and Merger Sub or the surviving corporation following the merger;

Tax consequences to U.S. Holders whose functional currency is not the U.S. dollar;

The U.S. federal estate, gift or alternative minimum tax consequences, if any, to holders; or

Any U.S. state or local or non-U.S. tax consequences.

If a partnership (including an entity or arrangement treated as a partnership for U.S. federal income tax purposes) is a beneficial owner of shares of Quality Distribution, Inc. common stock, the tax treatment of a partner in such partnership will generally depend upon the status of the partner and the activities of the partnership. Partnerships holding the shares of Quality Distribution, Inc. common stock and partners therein should consult their tax advisors regarding the consequences of the merger.

No ruling has been or will be obtained from the IRS regarding the U.S. federal income tax consequences of the merger described below. If the IRS contests a conclusion set forth herein, no assurance can be given that a holder would ultimately prevail in a final determination by a court.

**Table of Contents**

**THIS DISCUSSION IS PROVIDED FOR GENERAL INFORMATION ONLY AND DOES NOT CONSTITUTE LEGAL ADVICE TO ANY HOLDER. EACH HOLDER SHOULD CONSULT ITS OWN TAX ADVISORS CONCERNING THE U.S. FEDERAL INCOME TAX CONSEQUENCES RELATING TO THE MERGER IN LIGHT OF ITS PARTICULAR CIRCUMSTANCES AND ANY CONSEQUENCES ARISING UNDER THE LAWS OF ANY U.S. STATE OR LOCAL OR NON-U.S. TAXING JURISDICTION.**

***U.S. Holders***

For purposes of this discussion, a U.S. Holder is a beneficial owner of shares of Quality Distribution, Inc. common stock who or that is for U.S. federal income tax purposes:

An individual who is a citizen or resident of the United States;

A corporation, or other entity taxable as a corporation for U.S. federal income tax purposes, created or organized in or under the laws of the United States or any state thereof or the District of Columbia;

An estate, the income of which is subject to U.S. federal income taxation regardless of its source; or

A trust (i) that is subject to the primary supervision of a court within the United States and the control of one or more United States persons as defined in section 7701(a)(30) of the Code or (ii) that has a valid election in effect under applicable Treasury regulations to be treated as a United States person.

The receipt of cash by a U.S. Holder in exchange for shares of Quality Distribution, Inc. common stock pursuant to the merger will be a taxable transaction for U.S. federal income tax purposes. In general, such U.S. Holder's gain or loss will be equal to the difference, if any, between the amount of cash received in the merger and the U.S. Holder's adjusted tax basis in the shares surrendered pursuant to the merger. A U.S. Holder's adjusted tax basis generally will equal the amount that such U.S. Holder paid for the shares. If a U.S. Holder acquired different blocks of Quality Distribution, Inc.'s common stock at different times or different prices, such holder must determine its gain or loss and holding period separately with respect to each block of Quality Distribution, Inc. common stock. Such gain or loss will be capital gain or loss and will be long-term capital gain or loss if such U.S. Holder's holding period in such shares is more than one year at the time of the completion of the merger. Long-term capital gains of non-corporate U.S. Holders generally are subject to U.S. federal income tax at preferential rates. There are limitations on the deductibility of capital losses.

***Non-U.S. Holders***

For purposes of this discussion, the term Non-U.S. Holder means a beneficial owner of shares of Quality Distribution, Inc. common stock who or that is neither a U.S. Holder nor a partnership for U.S. federal income tax purposes.

Special rules not discussed below may apply to certain Non-U.S. Holders subject to special tax treatment such as controlled foreign corporations or passive foreign investment companies. Non-U.S. Holders should consult their own tax advisors to determine the U.S. federal, state, local and other tax consequences that may be relevant to them in light of their particular circumstances.

Any gain realized by a Non-U.S. Holder pursuant to the merger generally will not be subject to U.S. federal income tax unless:

The gain is effectively connected with a trade or business of such Non-U.S. Holder in the United States (and, if required by an applicable income tax treaty, is attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States), in which case such gain generally will be subject to U.S. federal income tax at rates generally applicable to U.S. persons, and, if the Non-U.S. Holder is a corporation, such gain may also be subject to the branch profits tax at a rate of 30% (or a lower rate under an applicable tax treaty);

---

## **Table of Contents**

Such Non-U.S. Holder is an individual who is present in the United States for 183 days or more in the taxable year of that disposition, and certain other specified conditions are met, in which case such gain will be subject to U.S. federal income tax at a rate of 30% (or a lower rate under an applicable tax treaty); or

Such Non-U.S. holder owned (directly, indirectly or constructively) more than 5% of Quality Distribution, Inc.'s outstanding common stock at any time during the five years preceding the merger, and Quality Distribution, Inc. was a United States real property holding corporation for U.S. federal income tax purposes at any time within the shorter of the five-year period preceding the merger and such Non-U.S. Holder's holding period with respect to Quality Distribution, Inc. common stock. Although there can be no assurances in this regard, Quality Distribution, Inc. does not believe that it is, or within the last five years has been, a United States real property holding corporation for U.S. federal income tax purposes.

### ***Information Reporting and Backup Withholding***

Information reporting and backup withholding (at a rate of 28%) may apply to the proceeds received by a holder pursuant to the merger. Information reporting will generally not apply to the proceeds received by a Non-U.S. Holder that provides a certification of its foreign status on IRS Form W-8 (or a substitute or successor form). Backup withholding will generally not apply to a holder that (1) furnishes a correct taxpayer identification number and certifies that such holder is not subject to backup withholding on a properly completed IRS Form W-9 (or a substitute or successor form), (2) provides a certification of such holder is not a U.S. person on an appropriate and properly completed IRS Form W-8 (or a substitute or successor form), or (3) otherwise establishes an exemption from backup withholding. Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules will be allowed as a credit against the holder's U.S. federal income tax liability, and may entitle such holder to a refund, provided that the required information is timely furnished to the IRS.

### ***Additional Tax on Investment Income***

**Certain U.S. Holders that are individuals, estates or trusts and whose income exceeds certain thresholds will be subject to a 3.8% Medicare contribution tax on unearned income, including, among other things, capital gains from the sale or taxable disposition of shares of Quality Distribution, Inc. common stock, subject to certain limitations and exceptions. U.S. Holders should consult their tax advisors with respect to the potential application of this additional tax.**

### **Regulatory Approvals**

#### ***HSR Act and U.S. Antitrust Matters.***

Under the HSR Act and related rules, certain transactions, including the merger, may not be completed until notifications have been given and information furnished to the Antitrust Division and the FTC and all statutory waiting period requirements have been satisfied or early termination has been granted by the applicable agencies. On May 20, 2015, we and Parent each filed our respective Notification and Report Forms with the Antitrust Division and the FTC. The FTC granted early termination of the HSR Act waiting period on June 1, 2015.

At any time before or after the effective time of the merger, the Antitrust Division or the FTC could take action under the antitrust laws, including seeking to enjoin the consummation of the merger. In addition, U.S. state attorneys general could take such action under the antitrust laws as they deem necessary or desirable in the public interest, including seeking to enjoin the consummation of the merger or permitting completion subject to regulatory conditions. Although neither we nor Parent believe that the merger violates the antitrust laws, there can be no assurance that a challenge to the merger on antitrust grounds will not be made or, if such a challenge is made, that it would not be successful.

***CFIUS Approval.***

The merger is subject to approval by CFIUS, which requires that the Committee on Foreign Investment in the United States ( CFIUS ) has determined that there are no unresolved national security concerns with respect to the merger and the other transactions contemplated by the merger agreement, has determined that the transaction is not a covered transaction and not subject to review under applicable law or has sent a report to the President of the United States requesting the President 's decision on the CFIUS notice submitted by us and Parent and either (1) the period under the Defense Production Act of 1950, as amended, during which the President may announce his decision to take action to suspend, prohibit or place any limitations on the merger or the other transactions contemplated by the merger agreement has expired without any such action being threatened, announced or taken or (2) the President has announced a decision not to take any action to suspend, prohibit or place any limitations on the merger or the other transactions contemplated by the merger agreement (the CFIUS Approval ).

On June 29, 2015, we and Parent submitted a joint voluntary notice to CFIUS. CFIUS formally accepted our filing on July 6, 2015 and commenced its 30-day review period. CFIUS may determine that an additional 45-day investigation period is warranted at the conclusion of the initial 30-day review period.

**THE MERGER AGREEMENT**

*The following is a summary of the material terms and conditions of the merger agreement. This summary does not purport to be complete and may not contain all of the information about the merger agreement that is important to you. This summary is qualified in its entirety by reference to the complete text of the merger agreement, a copy of which is attached to this proxy statement as Annex A, and which is incorporated by reference into this proxy statement. We encourage you to read the merger agreement carefully and in its entirety because it is the legal document that governs the merger.*

**Explanatory Note Regarding the Merger Agreement**

The following summary of the merger agreement is intended to provide information regarding the terms of the merger agreement. The merger agreement contains representations and warranties by us, Parent and Merger Sub which were made only for purposes of that agreement and as of specified dates. The representations, warranties and covenants in the merger agreement were made solely for the benefit of the parties to the merger agreement and were made for the purposes of allocating contractual risk between the parties to the merger agreement instead of establishing these matters as facts. The representations, warranties and covenants in the merger agreement may be subject to limitations agreed upon by the contracting parties, including being qualified by the disclosure letter delivered contemporaneously with the execution of the merger agreement, and being subject to contractual standards of materiality or material adverse effect that generally differ from those applicable to investors. In addition, information concerning the subject matter of the representations, warranties and covenants may change after the date of the merger agreement, which subsequent information may or may not be fully reflected in our public disclosures.

**Structure of the Merger**

At the effective time of the merger, Merger Sub will merge with and into us. We will be the surviving corporation in the merger and will continue our corporate existence under Florida law as a wholly owned subsidiary of Parent. At the effective time of the merger, the articles of incorporation of the Company will be amended and restated in their entirety to be in the form attached as Exhibit A to the merger agreement. The by-laws of Merger Sub in effect at the effective time of the merger and with such modifications as may be required pursuant to the merger agreement, will be the by-laws of the surviving corporation. The directors of Merger Sub at the effective time of the merger will be the directors of the surviving corporation and our officers at the effective time of the merger will be the initial officers of the surviving corporation, in each case until their respective successors are duly elected or appointed and qualified, as the case may be.

**Closing and Effective Time of the Merger**

The closing of the merger (the closing) will take place on the later of (i) the third business day following the satisfaction or waiver of the conditions set forth in the merger agreement and described below under *Conditions to Completion of the Merger* (other than those conditions that by their nature are to be satisfied at the closing, but subject to the satisfaction or waiver of those conditions at the closing) or (ii) the first business day following the final day of the go-shop period, unless we and Parent otherwise mutually agree or unless the marketing period has not yet ended, in which case the closing will occur on the earliest of (x) any business day before or during the marketing period specified by Parent on no less than two business days notice and (y) the third business day after the final day of the marketing period.

The merger will become effective at such time as the articles of merger are duly filed with the Florida Secretary of State or at such later time as may be specified in the articles of merger. As of the date of this proxy statement, we expect to complete the merger in the third calendar quarter of 2015. However, completion of the

merger is subject to the satisfaction or waiver of the conditions to the completion of the merger, and it is possible that factors outside the control of us or Parent could delay the completion of the merger, or prevent it from being completed at all. There may be a substantial amount of time between the special meeting and the completion of the merger. We expect to complete the merger promptly following the receipt of all required approvals.

### **Effect of the Merger on Our Stock**

At the effective time of the merger, each share of our common stock outstanding immediately prior to the effective time of the merger (other than shares we own or shares owned by Parent or Merger Sub, collectively, the "excluded shares") will be converted into the right to receive \$16.00 in cash, without interest. At the effective time of the merger, all of the shares of our common stock (other than the excluded shares) will cease to be outstanding, will automatically be canceled and retired and will cease to exist, and will thereafter represent only the right to receive the per share merger consideration of \$16.00, without interest.

At the effective time of the merger, each share of our common stock held by us or Parent will be canceled without payment of any consideration. Each share of common stock of Merger Sub outstanding immediately prior to the effective time of the merger will be converted into one share of common stock of the surviving corporation.

At the close of business on [ ], 2015, the record date for the special meeting, the Company's common stock was listed on the NASDAQ. Further, on the record date for the special meeting, the Company's common stock was held by at least 2,000 shareholders and the market value of the common stock held by non-affiliates exceeded \$10,000,000. Therefore, pursuant to section 607.1302(2)(a) of the FBCA, shareholders are not entitled to assert appraisal rights (including those who give timely written notice of intent to demand payment and do not vote any shares in favor of the merger agreement) in connection with the merger agreement, the merger or the other matters to be voted on at the special meeting. Notwithstanding the fact that appraisal rights are not available, a copy of sections 607.1301 - 607.1333 of the FBCA is attached hereto solely for statutory notice purposes.

### **Procedures for Surrendering Shares for Payment**

Prior to the effective time of the merger, Parent will make available to a paying agent reasonably acceptable to us cash in the aggregate amount necessary for the paying agent to pay the merger consideration to our shareholders.

Promptly (and no later than three business days) after the effective time of the merger, the surviving corporation in the merger will cause to be mailed to each record holder, as of the effective time of the merger, of an outstanding certificate that immediately prior to the effective time of the merger represented outstanding shares of our common stock which have converted into the right to receive the merger consideration with respect thereto a form of letter of transmittal and instructions for effecting the surrender of any certificates representing shares of our common stock in exchange for the merger consideration to which such shareholder is entitled pursuant to the merger agreement.

Upon surrender to the paying agent of a certificate representing shares of our common stock, together with letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, the paying agent will issue and deliver to the holder of such certificate the merger consideration for such shares (less any required tax withholdings).

Promptly (and no later than three business days) after the effective time of the merger, the paying agent will deliver to each holder of uncertified shares of our common stock that were issued and outstanding immediately prior to the effective time of the merger and represented by book entry (which we refer to as "book-entry shares") the merger consideration for such shares (less any required tax withholdings) without such holder being required to deliver a certificate or an executed letter of transmittal.

Prior to the effective time of the merger, the Company and Parent will cooperate to establish procedures with the paying agent and the Depository Trust Company ("DTC") to ensure that (i) if the closing occurs at or

## **Table of Contents**

prior to 11:30 a.m. (New York City time) on the closing date, the paying agent will transmit to DTC or such nominee immediately prior to the effective time of the merger an amount of cash (less any required tax withholdings) equal to the product of the merger consideration and the number of all book-entry shares (such amount, the DTC payment ), and (ii) if the closing occurs after 11:30 a.m. (New York City time) on the closing date, the paying agent will transmit to DTC or its nominees on the first business day after the closing date an amount in cash in immediately available funds equal to the DTC Payment.

If any certificate representing shares of our common stock has been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such certificate to be lost, stolen or destroyed and, if required by the surviving corporation or the paying agent, the posting by such person of a bond in a customary and reasonable amount as directed by the surviving corporation or the paying agent, the paying agent will pay an amount equal to the consideration that would be payable in respect thereof pursuant to the merger agreement.

In the event of a transfer of ownership of shares of our common stock that is not registered in the transfer records of the Company, it will be a condition of payment that such certificate so surrendered will be properly endorsed or will be otherwise in proper form for transfer or such book-entry share will be properly transferred and that the person requesting such payment will have paid any transfer and other taxes required by reason of the payment of the merger consideration to a person other than the registered holder of the certificate or book-entry share surrendered or will have established to the satisfaction of Parent that such tax either has been paid or is not applicable.

Any portion of the funds deposited with the paying agent for payment to the shareholders that remain unclaimed by our shareholders twelve months after the effective time of the merger will be returned to Parent, upon demand. Any holder of our common stock will thereafter look only to Parent for payment of the merger consideration.

## **Withholding**

The paying agent, the Company, the surviving corporation and Parent are entitled to deduct and withhold from the consideration otherwise payable to any person pursuant to the merger agreement such amounts as they are required to deduct and withhold with respect to the making of such payment under the Code or any other applicable state, local or foreign tax law. To the extent that amounts are withheld, such amounts will be treated as having been paid to the person in respect of which such deduction and withholding was made.

## **Treatment of Our Equity-Based Awards**

The merger agreement provides that the Company's equity and equity-based awards that are outstanding immediately prior to the effective time will be subject to the following treatment at the effective time:

**Stock Options.** Each stock option to purchase shares of the Company's common stock that is outstanding immediately prior to the effective time, whether or not vested, will vest and be canceled in exchange for the right to receive an amount in cash (subject to any applicable withholding) equal to the product of (i) the total number of shares of the Company's common stock subject to the stock option as of the effective time of the merger and (ii) the amount by which the merger consideration exceeds the exercise price per share of the Company's common stock underlying the stock option.

**Time-Based Vesting Restricted Stock and Restricted Stock Units.** Each time-based vesting restricted stock award or restricted stock unit award that is outstanding prior to the effective time, which we refer to as a Company RSA, will vest and be canceled in exchange for the right to receive an amount in cash (subject to any applicable withholding) determined by multiplying (i) the merger consideration by (ii) the total number of shares of the Company's common stock subject to such Company RSA as of the effective time of the merger.

**Performance-Based Vesting Restricted Stock Units.** Each performance-based vesting restricted stock unit award that is outstanding immediately prior to the effective time, which we refer to as a Company PSA will

be canceled and the holder will be entitled to receive an amount in cash (subject to any applicable withholding) equal to the amount determined by multiplying (i) the merger consideration and (ii) the sum of (x) 100% of the total number of shares of the Company's common stock subject to any such Company PSA granted in 2014, assuming vesting at the maximum level, and (y) 25% of the total number of shares of the Company's common stock subject to any such Company PSA granted in 2015, assuming vesting at the target level.

## **Closing Payments**

At the closing, Parent will pay or cause to be paid the amounts required for the repurchase of the Company Notes pursuant to a redemption, tender offer and/or consent solicitation, as applicable. At the closing, Parent shall pay to the agent for the benefit of the lenders under the Credit Agreement an amount necessary to pay off all outstanding loans and other obligations under the Credit Agreement, and terminate all commitments thereunder.

## **Representations and Warranties**

### **Definition of Company Material Adverse Effect**

Many of our representations and warranties in the merger agreement are qualified by a company material adverse effect standard (that is, they will not be deemed to be untrue or incorrect unless their failure to be true or correct has had or would reasonably be expected to have a company material adverse effect). For purposes of the merger agreement, a company material adverse effect means a change, event, occurrence, state of facts or development (which we refer to as event ) that (i) has a material adverse effect on the financial condition, business or results of operations of us and our subsidiaries, taken as a whole; or (ii) prevents us from consummating the merger and the other transactions contemplated by the merger agreement; other than, solely with respect to clause (i), any event arising out of or resulting from:

events generally affecting the economy, credit, capital, securities or financial markets or political or geopolitical conditions in the United States or elsewhere in the world (provided that solely to the extent such events have a disproportionate material adverse impact on us and our subsidiaries, taken as a whole (but only to the extent of such disproportionate material adverse impact), compared to similarly situated participants operating in the industries in which we or any of our subsidiaries operate, such changes may be taken into account in determining whether there has been a company material adverse effect);

events that are the result of acts of war (whether or not declared), armed hostilities, sabotage, terrorism or any man-made or natural disasters, or any escalation or worsening of any such acts of war (whether or not declared), armed hostilities, sabotage, terrorism or any man-made or natural disasters (provided that solely to the extent such events have a disproportionate material adverse impact on us and our subsidiaries, taken as a whole (but only to the extent of such disproportionate material adverse impact), compared to similarly situated participants operating in the industries in which we or any of our subsidiaries operate, such changes may be taken into account in determining whether there has been a company material adverse effect);

events that are the result of factors generally affecting any of the industries in which we or any of our subsidiaries operate (including tank trucking, transportation logistics, chemical bulk transportation, transportation of oil, water and other materials related to the oil and gas market or intermodal ISO tank container or depot services) (provided that solely to the extent such events have a disproportionate material adverse impact on us and our subsidiaries, taken as a whole (but only to the extent of such disproportionate material adverse impact), compared to similarly situated participants operating in the industries in which we or any of our

subsidiaries, operate such changes may be taken into account in determining whether there has been a company material adverse effect);

any change in applicable law or GAAP on or after the date of the merger agreement (provided that solely to the extent such changes have a disproportionate material adverse impact on us and our subsidiaries, taken as a whole (but only to the extent of such disproportionate material adverse impact), compared to similarly situated participants operating in the industries in which we or any of our subsidiaries operate, such changes may be taken into account in determining whether there has been a company material adverse effect);

any failure by us to meet any internal or public projections or forecasts or estimates of revenues or earnings for any period (provided, that the facts or occurrences giving rise to or contributing to such failure that are not otherwise excluded may be taken into account in determining whether there has been a company material adverse effect);

any decline in the market price or trading volume of our common stock on the NASDAQ in and of itself (provided, that the facts or occurrences giving rise to or contributing to such failure that are not otherwise excluded may be taken into account in determining whether there has been a company material adverse effect);

the public announcement or pendency of the merger agreement, including public announcement of the identity of (or any facts or circumstances relating to) Parent and Merger Sub or their respective affiliates, or any communication by Parent or Merger Sub or any of their respective affiliates regarding their plans or intentions with respect to the post-closing conduct of the business or assets of the Company or its subsidiaries;

any action or omission explicitly required under the merger agreement or any action taken or omitted to be taken at the specific request of Parent or Merger Sub, or any action or omission to which any of Parent or Merger Sub has expressly consented in writing; or

the matters set forth in the company disclosure letter delivered contemporaneously with the execution of the merger agreement (provided, that such matters may be taken into account in determining whether there has been a company material adverse effect, in each case to the extent that such events result in a material worsening (but only to the extent of such material worsening) in the state of facts relating to any such matter compared to the state of facts known as of the date of the merger agreement).

### **Conduct of the Business Pending the Merger**

We have agreed to certain covenants in the merger agreement restricting the conduct of our business between the date of the merger agreement and the effective time of the merger. In general, except with Parent's prior written consent (which may not be unreasonably withheld, conditioned or delayed), as required by applicable law, expressly contemplated or permitted by the merger agreement or as set forth in the company disclosure letter delivered contemporaneously with the execution of the merger agreement, we are required, and required to cause our subsidiaries, to conduct our and their business in the ordinary course consistent with past practice in all material respects and use our and their commercially reasonable efforts to, in all material respects, preserve our and their business organizations intact and maintain existing material relationships and goodwill with governmental entities, suppliers, customers, independent affiliates, owner operators, business associates and key employees.

In addition, except with Parent's prior written consent (which may not be unreasonably withheld, conditioned or delayed), as required by applicable law, as expressly contemplated by the merger agreement or as set forth in the disclosure letter delivered contemporaneously with the execution of the merger agreement, we may not, and may not permit any of our subsidiaries to, take any of the following actions, among other things and with certain exceptions set for on a schedule in addition to those described below:

**Acquisition Proposals; Go-Shop Period**

***Go-Shop Period***

The merger agreement provides that during the period from May 6, 2015 until 11:59 p.m. (Eastern Time) on June 15, 2015 (which we refer to as the go-shop period ), we, our subsidiaries and our and their respective directors, officers, employees, investment bankers, attorneys, accountants, agents and other advisors or representatives (collectively representatives ) have the right to directly or indirectly:

initiate, solicit, facilitate and encourage (publicly or otherwise) any inquiry or the making of any proposals or offers that constitute acquisition proposals (as defined below), including by way of providing access to non-public information to any person and its representatives, its affiliates and its prospective equity and debt financing sources subject to an acceptable confidentiality agreement; provided that we shall promptly make available to Parent any non-public information that we provide to any person given such access if such information was not previously made available to Parent; and

engage or enter into, continue or otherwise participate in any discussions or negotiations with any persons or groups of persons and their representatives, their affiliates and their prospective equity and debt financing sources with respect to any acquisition proposals or otherwise cooperate with or assist or participate in, or facilitate any such inquiries, proposals, discussions or negotiations or any effort or attempt to make any acquisition proposals.

For purposes of the merger agreement (i) acquisition proposal means, other than with respect to the transactions contemplated by the merger agreement, any proposal or offer with respect to a merger, consolidation, business combination or similar transaction with any person or group of persons that involves us or any of our subsidiaries, or any acquisition by any person or group of persons which, if consummated, would result in any person or group of persons becoming the beneficial owner of equity securities of us or any of our respective subsidiaries representing

As promptly as reasonably practicable, and in any event within three business days following the expiration of the go-shop period, we are required to provide Parent with a written list identifying each excluded party, if

any. Under the merger agreement, an **Excluded Party** means any person or group of persons from whom the company has received during the go-shop period a bona fide written acquisition proposal, (i) that remains pending as of, and shall not have been irrevocably withdrawn prior to, the expiration of the go-shop period, (ii) that the company board, or such committee thereof, determines in good faith constitutes or would be reasonably expected to lead to a superior proposal and (iii) as of any date following the no-shop period start date, has not been withdrawn.

For purposes of the merger agreement, **superior proposal** means a bona fide written acquisition proposal for more than 50% of all of our outstanding equity securities (by vote or value), or more than 50% of the revenues or the consolidated total assets of us and our subsidiaries, taken as a whole, that our board of directors determines, in good faith after consultation with its outside legal counsel and financial advisor, (a) is reasonably likely to be consummated in accordance with its terms, taking into account all legal and financial terms and conditions of such proposal and the person making such proposal (including the expected timing and likelihood of consummation) and (b) if consummated, would be more favorable from a financial point of view to the holders of our common stock than the merger, taking into account all the terms and conditions of such acquisition proposal and the merger agreement (including any offer by Parent to amend the terms of the merger agreement).

### ***No-Shop Period***

We have agreed that we and our subsidiaries and our and their respective officers and directors, will, and that we will instruct and use commercially reasonable efforts to cause our and our subsidiaries' other representatives to:

at 12:01 a.m. (Eastern Time) on June 16, 2015 (which we refer to as the **no-shop period start date** ) immediately cease any solicitation activity with respect to an acquisition proposal or any discussions or negotiations with any persons that may be ongoing with respect to an acquisition proposal, other than any person who is an excluded party (but only for so long as such person remains an excluded party);

from the no-shop period start date until the effective time of the merger, or if earlier, the termination of the merger agreement in accordance with its terms, initiate, solicit, knowingly facilitate or knowingly encourage the submission of an acquisition proposal, or engage in, enter into, continue or otherwise participate in any discussions or negotiations regarding or provide any information concerning us or our subsidiaries or afford access to our, or our subsidiaries' books, records, management, employees or properties to any person relating to, or that would reasonably be expected to lead to, any acquisition proposal.

We have agreed that after the end of the go-shop period, except with respect to excluded parties, we will promptly, and in any event within two business days, notify Parent of the receipt by us of any acquisition proposal, indicating the identity of the person making the acquisition proposal and the material terms and conditions thereof (including, if applicable, copies of any written proposals or offers) and in the event that any such acquisition proposal is modified in any material respect, we must notify Parent within two business days after receipt of such modified acquisition proposal of the fact that such acquisition proposal has been modified and the terms of such modification (including, if applicable, copies of any written documentation reflecting such modification). We have agreed not to, and to cause our subsidiaries not to, enter into any confidentiality with any person that prohibits us from providing to Parent any of the information to be provided to Parent consistent with these obligations.

Notwithstanding these restrictions, other than with respect to taking actions with an excluded party (for so long as such person remains an excluded party), if at any time after the no-shop period start date and prior to the approval and adoption of the merger agreement by our shareholders, we or any of our representatives receives an acquisition proposal (that did not result from any breach of our non-solicitation obligations under the merger agreement) we and our representatives may:

contact such person solely to clarify the terms and conditions thereof;

**Table of Contents**

furnish to such third party or its representatives non-public information relating to us pursuant to an acceptable confidentiality agreement (as long as we promptly provide the same non-public information to Parent that was not previously provided to Parent); and

engage in negotiations or discussions with such third party and its representatives.

However, we can furnish non-public information to, and engage in negotiations or discussions with such third parties as described above if and only to the extent that prior to taking such actions:

our board of directors determines in good faith, after consultation with its outside legal counsel and financial advisor, that such acquisition proposal constitutes, or would reasonably be expected to result in a superior proposal; and

our board of directors determines in good faith, after consultation with outside legal counsel, that the failure to take such action would be inconsistent with its fiduciary duties under applicable law.

***Change of Recommendations; Acquisition Proposals***

Except as otherwise permitted under the merger agreement, neither our board of directors nor any committee thereof may:

(i) withhold, withdraw, qualify or modify (or publicly propose or resolve to withhold, withdraw, qualify or modify), in a manner adverse to Parent, our board of directors' recommendation of the merger contained in this proxy statement; (ii) approve, authorize, adopt or recommend or otherwise declare advisable, or propose publicly to approve, authorize, adopt or recommend or otherwise declare advisable, any acquisition proposal; or (iii) fail to include in the proxy statement when filed the recommendation of our board of directors to the shareholders of the Company to approve and adopt the merger agreement (any of the foregoing actions is referred to as a change of recommendation); or

other than an acceptable confidentiality agreement, authorize, adopt, approve recommend or otherwise declare advisable, or cause or permit us to execute or enter into, any letter of intent, memorandum of understanding or definitive merger agreement or other similar agreement relating to any acquisition proposal.

Notwithstanding anything to the contrary in the merger agreement, prior to the approval and adoption of the merger agreement by our shareholders, if (i) in response to an intervening event (which refers to any change, event, occurrence, state of facts or development that was not known to our board of directors as of the date of the merger agreement and subsequently becomes known to our board of directors), our board of directors or any committee thereof determines in good faith, after consultation with its outside legal counsel, that any failure to make a change of recommendation would be inconsistent with its fiduciary duties under applicable law, or (ii) we receive an acquisition proposal (that did not result from any material breach of our non-solicitation obligations under the merger agreement) that our board of directors or any committee thereof determines in good faith, after consultation with its financial advisor and outside legal counsel, constitutes a superior proposal, and our board of directors or any committee thereof determines in good faith, after consultation with its outside legal counsel, that any failure to make the following actions would be inconsistent with its fiduciary duties under applicable law, then our board of directors or any committee thereof may:

make an change of recommendation; and

in the case of a superior proposal, authorize the termination of the merger agreement in order to enter into a definitive acquisition agreement with respect to such superior proposal if we pay the applicable termination fee to Parent substantially concurrently with such termination, as further described in *Termination of the Merger Agreement* and *Termination Fees - Termination Fees Payable by Us*.

## **Table of Contents**

However, we can make a change of recommendation or terminate the merger agreement as described above if and only if we have taken the following actions:

we have given Parent at least four business day s prior notice of our intention to take such action (which notice will, in the event of a superior proposal, specify the identity of the person making such superior proposal and include the current version of such agreement, and, in the event of an intervening event, provide a description of such intervening event in reasonable detail);

if requested by Parent, we have negotiated in good faith with Parent during such the four business day period following our delivery of the notice described above (the negotiation period ), making revisions to the terms and conditions of the merger agreement, so that so that failure to effect such change of recommendation or terminate the merger agreement would no longer be inconsistent with the directors fiduciary duties under applicable law;

following the end of the negotiation period, our board of directors or any committee thereof has considered in good faith Parent s written proposal, if any, and determined such superior proposal continues to constitute a superior proposal or the failure to effect a change of recommendation with respect to such intervening event continues to be inconsistent with fiduciary duties under applicable law even if the revisions in Parent s written proposal, if any, were given effect; and

in the event of any material change to the material terms of such superior proposal, we have delivered to Parent an additional notice consistent the requirements described above and extended the negotiation period for four business days.

### **Board Obligation to Call a Shareholders Meeting**

We have agreed under the merger agreement to call, give notice of, and convene a special meeting of our shareholders to approve and adopt the merger agreement as promptly as reasonably practicable following the no-shop period start date and after the date on which the SEC confirms that is has no further comments on the proxy statement. Prior to the date of the shareholders meeting, we have the right to make one or more successive postponements or adjournments of the shareholder meeting (i) with the prior written consent of Parent, (ii) for the absence of a quorum, (iii) to solicit additional proxies, or (iv) as required by applicable law.

### **Required Efforts to Consummate the Merger**

We and Parent have agreed to cooperate and use our respective reasonable best efforts to take or cause to be taken, and do or cause to be done all things, necessary, proper or advisable under the merger agreement and applicable laws to:

consummate, as soon as possible, the merger and the other transactions contemplated by the merger agreement, including preparing and filing as promptly as practicable all documentation to effect all necessary notices, reports and other filings and to obtain as promptly as practicable the expiration or termination of any applicable waiting period;

obtain all necessary actions, non actions, waivers, consents, registrations, approvals, permits and authorizations that may be required, necessary or advisable to be obtained from any third party or government entity to consummate the merger; and

contest and resist any administrative or judicial action or proceeding instituted (or threatened in writing to be instituted), and to lift or rescind any injunction or restraining order or other order, adversely affecting the ability of the parties hereto to consummate the merger or any of the other transactions contemplated by the merger agreement.

We and Parent have agreed to file or cause to be filed any and all initial notifications with respect to the merger and other transactions contemplated by the merger agreement required under the HSR Act as promptly as practical and in any event within ten business days after the date of the merger agreement and to use our

## **Table of Contents**

reasonable best efforts to cause the expiration or termination of any applicable waiting periods under the HSR Act. As previously noted, we and Parent each filed our respective Notification and Report Forms with the Antitrust Division and the FTC on May 20, 2015. The FTC granted early termination of the HSR Act waiting period on June 1, 2015.

We and Parent have agreed that we will have the right to review in advance and that we will consult with the other on and consider in good faith the views of the other in connection with, any filing made with, or written materials submitted to, any third party and/or any governmental entity in connection with the merger. We and Parent have agreed that we keep the other apprised of the status of matters relating to completion of the transactions, and promptly furnish the other party with copies of notices or communications from governmental entities with respect to the merger and other transactions contemplated by the agreement. Neither we nor Parent may participate in any meeting or discussion without consulting the other party in advance and giving the other party the opportunity to participate, if possible.

### **Shareholder Litigation Related to the Merger**

We have agreed that if any shareholder or derivative litigation related to the merger agreement or the merger is brought, or is known by us to be threatened in writing prior to the effective time of the merger, against us, we will promptly notify Parent of any such litigation and keep Parent reasonably informed regarding such litigation. We will consult with Parent regarding the defense or settlement of such litigation and will not settle such litigation without Parent's prior written consent.

On June 17, 2015, a putative class action lawsuit entitled *Delman v. Quality Distribution, Inc., et al.* ( *Delman* action ) was filed in the Circuit Court of the 13th Judicial Circuit in and for Hillsborough County, Florida.

The *Delman* action names as defendants the Company, our board of directors, Parent, Merger Sub, Apax Investors and Apax. The action was brought individually and on behalf of a putative class of the Company's shareholders, and alleges that the members of our board of directors breached their fiduciary duties in connection with the proposed acquisition of the Company by Parent, depriving the Company's shareholders of the full and fair value of their ownership interest in the Company. The action further alleges that the Company has failed to inform the Company's shareholders of material facts regarding the proposed transaction, and additionally alleges that Apax, Parent, Merger Sub and the Apax Investors aided and abetted the alleged breaches by our board of directors. The *Delman* action seeks equitable relief, including, among other things, to enjoin consummation of the transaction, as well as compensatory and/or rescissory damages, and an award of all costs, including attorneys' fees and other expenses.

### **Employee Benefits Matters**

Until the first anniversary of the closing date, each employee of the Company or our subsidiaries who remains employed following the merger, who we refer to as a continuing employee, will be provided (i) an annual base salary or regular hourly wage that is no less than the annual base salary or regular hourly wage provided to the continuing employee immediately prior to the effective time of the merger, (ii) incentive compensation opportunities no less favorable, in the aggregate, than the incentive compensation opportunities provided to such continuing employee immediately prior to the effective time of the merger, (iii) employee benefits that are no less favorable, in the aggregate, than those provided to the continuing employee immediately prior to the effective time of the merger, and (iv) severance benefits in accordance with the severance guidelines that are consistent with the Company's past practice. Parent has also agreed to assume and honor the Company's and our subsidiaries' obligations under each severance plan, retention plan, employment agreement and any other employee benefit plans following the merger.

Parent has agreed that it would give the continuing employees credit for their service with the Company prior to the merger in connection with any employee benefit plan maintained by the Parent or one of its

subsidiaries (including the surviving corporation) for purposes of eligibility, vesting, level of benefits and benefit accrual thereunder (other than for benefit accruals under defined benefit pension plans) to the same extent that such service was credited under any analogous benefit plan of the Company (except to the extent that such recognition of service would result in the duplication of benefits with respect to the same period of service).

Parent has agreed, with respect to the continuing employees, Parent will, or will cause the surviving corporation to (i) cause any waiting periods, pre-existing condition exclusions and actively-at-work requirements and similar limitations, eligibility waiting periods and evidence of insurability to be waived for continuing employees and (ii) give credit for deductibles, co-payments and out-of-pocket maximums.

For the calendar year during which the closing date of the merger occurs, Parent has agreed that it will honor the terms of each of certain of the Company's incentive plans; provided that the Company does not amend, alter or modify, by interpretation or otherwise, the terms of such incentive plans. Additionally, Parent has agreed that it (i) will honor determinations made by the Company prior to the effective time of the merger in the ordinary course of business with respect to calculating the achievement of performance metrics under the incentive plans paid on a quarterly basis, (ii) will act in good faith, together with the Company's Chief Executive Officer, in making adjustments to the performance metrics under the incentive plans consistent with past practice, (iii) will apply adjustments to performance metrics under the incentive plans consistent with past practice and (iv) will refrain from exercising discretion under the Company's 2012 Equity Incentive Plan to reduce the amounts payable under formulaic performance metrics of the incentive plans.

## **Directors and Officers Indemnification and Insurance**

From and after the effective time of the merger, Parent, Merger Sub and the surviving corporation, will indemnify, defend and hold harmless, and advance expenses (subject to certain conditions) to our and our subsidiaries' current or former directors, officer and managers (or equivalent position), against any and all losses, claims, damages, costs, expenses (including attorneys' fees and disbursements), fines, liabilities, judgments, and amounts that are paid in settlement incurred in any threatened (in writing) or actual claim, action, suit, proceeding or investigation, whether civil, criminal or administrative, based on or pertaining to (i) the fact that he or she is or was a director, officer or manager or equivalent position of Company, or served at the request of the Company as a director, officer, manager, employee, fiduciary, agent or trustee of another person, prior to the merger, (ii) matters existing or occurring at or prior to the merger, including the merger agreement, or (iii) actions or omissions by any such party taken at the request of the Company, whether asserted or claimed prior to, at, or after the merger, in each case to the fullest extent permitted by Florida law or other applicable laws or provided under the governing documents of us and our subsidiaries as in effect on the date of the merger agreement. Neither Parent nor the surviving corporation shall settle, compromise or consent to the entry of any judgment in such proceeding with respect to any such party unless such settlement, compromise or consent includes a release of any such party all liability arising out of such proceeding or any such party otherwise consents.

After the effective time of the merger, Parent has agreed to cause the surviving corporation to fulfill and honor in all respects our and our subsidiaries' obligations pursuant to any indemnification agreement with our and our subsidiaries' directors, officers and managers (or equivalent position) and any indemnification, expense advancement and exculpation provision set forth in the articles of incorporation or bylaws or equivalent organizational documents of us or our subsidiaries as in effect on the date of the merger agreement. Parent has agreed that the articles of incorporation and bylaws of the surviving corporation will contain indemnification, expense advancement and exculpation provisions at least as favorable as the corresponding provisions in existence on the date of the merger agreement set forth in our articles of incorporation and bylaws, and, that for six years from the effective time of the merger, such provisions shall not be amended, repealed or otherwise modified in any manner that could adversely affect the rights the beneficiaries thereunder.

Parent agreed that the Company (at Parent's expense) will cause our and our subsidiaries' current or former directors, officer and managers (or equivalent position) to be covered for a period of six years from the effective

time of the merger by the directors and officers liability insurance policy maintained by us (provided, that we may substitute therefor policies of at least the same coverage and amounts containing terms and conditions that are not less advantageous to the beneficiaries thereof than such policy and with carriers having a rating comparable to the Company's current carrier) with respect to acts or omissions occurring prior to the effective time of the merger that were committed by such persons in their applicable capacities as such (provided, that Parent or the Surviving Corporation, as applicable, will not be required to pay an annual premium for such insurance in excess of 250% of the aggregate annual premiums currently paid by us on annualized basis). Parent agreed that in lieu of the foregoing insurance coverage, at any time after the date of the merger agreement we may purchase a six year prepaid tail policy that provides coverage no less favorable to the beneficiaries than the coverage described above.

Our and our subsidiaries' current and former directors, officers and managers who are covered by the foregoing provisions are intended third party beneficiaries of such provisions.

## **Financing of the Merger**

In the merger agreement, Parent and Merger Sub expressly acknowledged and agreed that their respective obligations thereunder are not conditioned upon obtaining financing. In addition, Parent provided us with a true and complete copy of the debt commitment letter prior to executing the merger agreement and represented that such letter was in full force and effect and was a valid and binding obligation (subject to certain enforceability exceptions) on Parent and, to the knowledge of Parent, the Lenders. We have agreed to use reasonable best efforts, and to use reasonable best efforts, to cause our representatives, at Parent's sole expense, to cooperate with Parent's efforts to consummate the debt financing.

Furthermore, after the date of the merger agreement until the effective time of the merger, Parent may not amend or otherwise modify the debt commitment letter if such amendment or modification would reasonably be expected to (i) reduce the aggregate amount of funds available to Parent below the amount of funds required to consummate the transactions contemplated by the merger agreement, or (ii) impose new or additional conditions to the drawdown of funds under the debt commitment letter that would reasonably be expected to materially delay or prevent the closing date of the merger or adversely impact the ability of Parent to consummate the transaction contemplated by the merger agreement or the debt commitment letter.

## **Other Covenants**

The merger agreement contains other covenants, including (among others) those relating to access to information, stock exchange delisting, publicity, takeover statutes, matters related to reporting requirements of Section 16(a) of the Exchange Act notices of certain events, transfer taxes, director resignation and confidentiality.

## **Conditions to Completion of the Merger**

The obligations of us, Parent and Merger Sub to consummate the merger are subject to the satisfaction of each of the following conditions:

approval and adoption of the merger agreement by an affirmative vote of the majority of the outstanding shares of our common stock entitled to vote thereon in accordance with Florida law;

any applicable waiting period (and any extension thereof) under the HSR Act relating to the merger will have expired or been terminated, which was satisfied by the FTC's grant of early termination of the HSR Act waiting period on June 1, 2015, and the CFIUS Approval will have been obtained; and

no restraining order, preliminary or permanent injunction or other order issued by any court of competent jurisdiction restraining, enjoining or otherwise preventing the consummation of the merger will be in effect, and no law shall be enacted that makes the merger illegal.

**Table of Contents**

The obligations of Parent and Merger Sub to consummate the merger are also subject to the satisfaction (or waiver, if permissible under applicable law) at or prior to the effective time of the merger of each of the following conditions:

our representations and warranties relating to no company material adverse effect and those relating to our capital structure and, including number of shares of our common stock and options outstanding, will be true and correct as of the date of the merger agreement and as of the closing date, as through made at and as of such time, except, with respect to our capital structure, for any de-minimis inaccuracies;

our representations and warranties relating to organization, good standing and qualification, corporate authority and approvals, brokers and finders fees and the application of state anti-takeover statutes will be true and correct in all material respects (in each case without giving effect to any qualification as to materiality or company material adverse effect set forth therein) as of the date of the merger agreement and as of the closing date, as through made at and as of such time (other than any such representation and warranty that addresses matters only as of another specified time, which shall be true and correct in all respects only as of such time);

all our other representations and warranties set forth in the merger agreement will be true and correct (in each case without giving effect to any qualification as to materiality or company material adverse effect set forth therein) as of the date of the merger agreement and as of the closing date, as through made at and as of such time (other than any such representation and warranty that addresses matters only as of another specified time, which shall be true and correct in all respects only as of such time), in each case without giving effect to any qualification as to materiality or company material adverse effect set forth therein, except for such failures to be true and correct which, individually or in the aggregate, have not had and would not reasonably be expected to have a company material adverse effect;

we will have performed in all material respects all obligations required to be performed by us under the merger agreement at or prior to the closing;

since the date of the merger agreement, there will not have occurred and be continuing an event that has had, or would reasonably be expected to have, a company material adverse effect; and

we will have delivered to Parent a certificate signed by one of our executive officers, dated as of the date of the merger, certifying that the above conditions regarding the representations and warranties and the performance of obligations of the Company have been satisfied.

Our obligation to consummate the merger is also subject to the satisfaction (or waiver, if permissible under applicable law) at or prior to the effective time of the merger of each of the following conditions:

Parent's representations and warranties relating to organization, good standing and qualification, corporate authority and approvals and certain matters relating to Florida law, including ownership of our common stock will be true and correct in all material respects as of the date of the merger agreement and as of the closing date, as through made at and as of such time (other than any such representation and warranty that addresses matters only as of another specified time, which shall be true and correct in all respects only as of such time);

all Parent's other representations and warranties contained in the merger agreement will be true and correct in all respects as of the date of the merger agreement and as of the closing date, as through made at and as of such time (other than any such representation and warranty that addresses matters only as of another specified time, which shall be true and correct in all respects only as of such time), in each case without giving effect to any qualification as to materiality set forth

therein, except for such failures to be true and correct which, individually or in the aggregate, would not reasonably be expected to materially and adversely affect Parent's or Merger Sub's ability to perform any of their respective obligations under the merger agreement in a timely manner, or prevent, materially delay or materially impede the consummation of the merger and the other transactions contemplated thereby;

## **Table of Contents**

Parent and Merger Sub will have performed in all material respects all obligations required to be performed by them under the merger agreement at or prior to the closing; and

Parent will have delivered to us a certificate signed by an executive officer of Parent, dated as of the date of the merger, certifying that the above conditions have been satisfied.

Neither we nor Parent may rely on the failure of any condition set forth above, to be satisfied to excuse such party's obligation to effect the merger if such failure was caused, in whole or in part, by such party's breach of any provision of the merger agreement.

### **Termination of the Merger Agreement**

The merger agreement may be terminated and the merger may be abandoned at any time prior to the effective time of the merger (regardless of whether our shareholders have previously approved and adopted the merger agreement):

by mutual written agreement of us and Parent;

by either us or Parent if:

the Merger shall not have been consummated by 11:59 p.m. (Eastern Time) on November 6, 2015, provided that this termination right will not be available to any party whose breach of any provision of the merger agreement results in the failure of the merger to be consummated by such time;

any permanent injunction or other order has been issued by any court of competent jurisdiction restraining, enjoining or otherwise prohibiting the consummation of the merger and such injunction or other order has become final and non-appealable; or

the meeting of our shareholders to approve and adopt the merger agreement (including any adjournment, postponement or recess thereof) has been held and the approval and adoption by our shareholders of the proposal to approve and adopt the merger agreement has not been obtained;

by us, if:

prior to the approval and adoption of the merger agreement by our shareholders, in order to enter into definitive agreement for a superior proposal, if we have complied in all material respects with our obligation described in *Restrictions on Solicitation of Acquisition Proposals* and, immediately prior to or substantially concurrently with such termination, we enter into such definitive agreement and we pay to Parent any terminations fees we are required to pay as described in *Termination Fees*;

a breach of any representation or warranty or failure to perform any covenant or agreement on the part of Parent or Merger Sub set forth in the merger agreement has occurred and such breach would cause any condition to our obligations set forth in *Conditions to the Completion of the Merger* not to be satisfied, and such breach is incapable of being cured by the termination date or, if curable, such breach is not cured by Parent prior to the earlier of (i) the thirtieth day after Parent's receipt of written notice thereof from us or (ii) the termination date; provided that we may not terminate the merger agreement pursuant to the provision described herein if we are in breach of the merger agreement and such breach would cause certain conditions to Parent's and Merger Sub's obligations set forth in *Conditions to the Completion of the Merger* not to be satisfied; or

## Edgar Filing: QUALITY DISTRIBUTION INC - Form PRER14A

(x) the conditions to Parent's obligations set forth in *Conditions to the Completion of the Merger* above have been satisfied or waived (other than conditions that by their terms cannot be satisfied other than at the closing), (y) we provided written notice to Parent and Merger Sub that we were ready, willing and able to consummate the transactions contemplated by the merger

agreement (subject to the satisfaction of all conditions described in *Conditions to Completion of the Merger* ) and (z) Parent and Merger Sub fail to consummate the merger within two business days following the date on which the closing should have occurred under the terms of the merger agreement.

by Parent, if

(i) our board of directors effects a change of recommendation or there will have been a material breach of our covenants regarding acquisition proposals and the go-shop period, proxy statement and shareholders meeting which impairs, prevents or materially delays the consummation of the transactions contemplated by the merger agreement and, with respect to our covenants regarding proxy statement and shareholders meeting, such breaches cannot be or are not cured reasonably promptly after written notice thereof; and

(ii) a breach of any representation or warranty or failure to perform any covenant or agreement on our part set forth in the merger agreement has occurred and such breach would cause certain conditions to Parent's and Merger Sub's obligations set forth in *Conditions to the Completion of the Merger* not to be satisfied, and such breach is incapable of being cured by the termination date or, if curable, such breach is not cured by us prior to the earlier of (a) the twentieth business day after our receipt of written notice thereof from Parent or (b) the termination date; provided that Parent may not terminate the merger agreement pursuant to the provision described herein if Parent or Merger Sub are in breach of the merger agreement and such breach would cause certain conditions to our obligations set forth in *Conditions to the Completion of the Merger* not to be satisfied.

**Termination Fees**

***Termination Fees Payable by Us***

We have agreed to pay to Parent a termination fee in the following circumstances:

if (i) the merger agreement is terminated by Parent or by us as a result of the failure of our shareholders to approve and adopt the merger agreement, and at the time of such termination all of the other closing conditions have been satisfied or waived (or are then capable of being satisfied), (ii) an acquisition proposal has been publicly announced after the date of the merger agreement and not withdrawn prior to our shareholders' meeting to approve and adopt the merger agreement, and (iii) within 12 months after such termination of the merger agreement, we enter into definitive agreement for an acquisition proposal (which is later consummated) or consummate an acquisition proposal (for purposes of this provision, each reference to 20% in the definition of acquisition proposal will be deemed to be changed to 50% );

if we have terminated the merger agreement in order to enter into definitive agreement for a superior proposal; or

if Parent has terminated the merger agreement as a result of a change of recommendation by our board of directors or any committee thereof or as a result of a breach of our covenants regarding acquisition proposals and the go-shop period, proxy statement and shareholders meeting;

The amount of termination fee payable by us to Parent will be \$8.2 million (the go-shop termination fee ) if Parent terminates because a change of recommendation has occurred in respect of a superior proposal made by an excluded party or we terminate to enter into definitive agreement for a superior proposal made by an excluded party. In all other circumstances where a termination fee is payable by us to Parent, the amount of the termination fee will be \$16.7 million (the Termination Fee ).

In addition, if the merger agreement is terminated by either party because of the failure of our shareholders to approve and adopt the merger agreement, and an acquisition proposal has been publicly announced and not

publicly withdrawn prior to our shareholders' meeting to approve and adopt the merger agreement, we will be required to reimburse Parent and its affiliates for all expenses and out-of-pocket costs, including the fees and expenses of advisors, incurred by Parent, Merger Sub or their respective affiliates in connection with the merger agreement and the transactions contemplated by the merger agreement, including the financing, up to a maximum amount of \$3 million. If we subsequently become obligated to pay a termination fee to Parent, any such expense reimbursement paid by us will reduce the amount of any termination fee payable to Parent.

### ***Termination Fee Payable by Parent***

Parent has agreed to pay us a termination fee of \$32.0 million (the "reverse termination fee") in the event that the merger agreement is terminated:

by us if Parent or Merger Sub has breached any of their respective representations or warranties or failed to perform any covenants or other agreements contained in the merger agreement and such breach or failure would cause certain conditions to our obligations set forth in "Conditions to the Completion of the Merger" not to be satisfied, and such breach is incapable of being cured by the termination date or, if curable, such breach is not cured by Parent prior to the earlier of (i) the 30<sup>th</sup> day after Parent's receipt of written notice thereof from us or (ii) the termination date; or

by us if (x) the conditions to Parent's obligations set forth in "Conditions to the Completion of the Merger" above have been satisfied or waived (other than conditions that by their terms cannot be satisfied other than at the closing), (y) we provided written notice to Parent and Merger Sub that we were ready, willing and able to consummate the transactions contemplated by the merger agreement (subject to the satisfaction of all conditions described in "Conditions to Completion of the Merger") and (z) Parent and Merger Sub fail to consummate the merger within two business days following the date on which the closing should have occurred under the terms of the merger agreement.

### **Remedies**

The merger agreement provides that, Parent's receipt of the go-shop termination fee or the termination fee and the expense reimbursement will be the sole and exclusive remedy of Parent and Merger Sub and their respective affiliates against us, our subsidiaries, and any of our and their respective former, current, or future general or limited partners, shareholders, directors, officers, employees, managers, members, affiliates or agents ("Company obligors"), in which case neither Parent nor Merger Sub may seek to obtain any recovery, judgment or damages of any kind, including consequential, indirect or punitive damages, against us or any of the company obligors. In no event will we be required to pay more than one termination fee.

The merger agreement further provides that, our receipt of the reverse termination fee together with the rights and remedies available to us pursuant to the indemnification and reimbursement obligations of Parent described in the section entitled "Financing of the Merger", the equity financing commitment and the parent fee commitment letter (subject to certain limitations), shall be the sole and exclusive remedies of us and our subsidiaries against Parent, Merger Sub, their financing sources and any of their respective former, current, or future general or limited partners, shareholders, managers, members, directors, officers, employees, affiliates or agents (the "buyer party obligors"), and we may not seek to obtain any recovery, judgment or damages of any kind, including consequential, indirect or punitive damages, against any of the buyer party obligors.

### **Specific Performance**

The merger agreement provides that the parties will be entitled to an injunction, specific performance and other equitable relief to prevent breaches of the merger agreement and to specifically enforce the performance of the terms and provisions of the merger agreement. The Company and Parent and Merger Sub have explicitly agreed that we will be entitled to specific performance as a third party beneficiary under the parent fee commitment letter, subject to the terms thereof, and to specific performance of Parent's and Merger Sub's

## **Table of Contents**

obligation to cause Apax Investors to fund their obligations thereunder. The Company and Parent and Merger Sub have explicitly agreed that we will be entitled to seek specific performance as a third party beneficiary under the equity commitment letter. Our ability to obtain an injunction or other appropriate form of specific performance or equitable relief to cause Parent and Merger Sub to fund the equity financing or to consummate the closing is subject to the requirement that (i) all conditions to Parent's obligations to consummate the merger set forth in Conditions to the Completion of the Merger have been satisfied (other than those conditions that, by their nature, are to be satisfied at the closing (provided such conditions would be satisfied as of such date)), (ii) the funding of the debt financing prior to or concurrently with the closing if the equity financing is funded at the closing and (iii) our irrevocable written confirmation that if specific performance or other equitable relief is granted and the equity and debt financings are funded, then the closing will occur.

## **Fees and Expenses**

Except as set forth in the section entitled *Termination Fees* above and the section entitled *Financing of the Merger*, all costs and expenses incurred in connection with the merger agreement will be paid by the party incurring such costs or expenses.

## **Amendments, Waivers**

At any time prior to the effective time of the merger, the parties may amend or waive any provision of the merger agreement. Any such amendment must be in writing and signed by each party to the merger agreement and any such waiver must be in writing and signed by each party against whom the waiver is to be effective. After our shareholders have approved and adopted the merger agreement, there will be no amendment or waiver that would require the further approval of our shareholders under Florida law without such approval having first been obtained. Certain specified provisions of the merger agreement affecting the Lenders under the debt financing may not be amended or waived in a manner adversely affecting the Lenders under the debt financing without their prior written consent.

## **Governing Law and Venue, Waiver of Jury Trial**

The merger agreement is governed by and will be construed in accordance with Delaware law, without regard to the Delaware conflicts of law rules, except to the extent that it is mandatory, under the laws of the State of Florida that the FBCA apply to the merger. Each party agreed to irrevocably consent to the exclusive jurisdiction of the Court of Chancery of the State of Delaware or, if such court does not have jurisdiction, any federal court located in the State of Delaware or other Delaware state courts (and in each case, any appellate court therefrom) for purposes of any action, suit or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, the merger agreement or the transactions contemplated by the merger agreement. Each party further irrevocably waived any and all right to trial by jury in any legal proceeding arising out of or related to the merger agreement or the transactions contemplated by the merger agreement.

**MERGER-RELATED COMPENSATION**

**(PROPOSAL 2)**

We are submitting to our shareholders a proposal to approve on an advisory (non-binding) basis compensation that will or may become payable to our named executive officers in connection with the merger. This compensation is summarized under the heading Potential Change in Control Payments to Named Executive Officers in *The Merger (Proposal 1) Interests of the Company's Directors and Executive Officers in the Merger*.

Our board of directors encourages you to review carefully the merger-related compensation information disclosed in this proxy statement. Our board of directors unanimously recommends that our shareholders approve the following resolution:

RESOLVED, that the shareholders of Quality Distribution, Inc. hereby approve, on an advisory (non-binding) basis, the compensation that will or may become payable by Quality Distribution, Inc. to its named executive officers that is based on or otherwise relates to the merger as disclosed in the proxy statement.

The vote to approve the merger-related compensation that will or may become payable to our named executive officers is a vote separate and apart from the vote on the proposal to approve and adopt the merger agreement. Accordingly, you may vote FOR the approval of the proposal to approve and adopt the merger agreement, and AGAINST the proposal to approve merger-related compensation, or vice versa. Because the vote to approve the merger-related compensation to be paid or become payable to our named executive officers is advisory only, it will not be binding on us or Parent. Accordingly, if the merger agreement is approved and adopted and the merger is completed, the compensation will be payable, subject only to the conditions applicable thereto, regardless of the outcome of this advisory (non-binding) vote.

The above resolution approving the merger-related compensation of our named executive officers on an advisory basis will require the affirmative vote of holders of a majority of the shares of common stock voted on this resolution at the special present.

***Our board of directors unanimously recommends a vote FOR the approval of compensation that will or may become payable to our named executive officers in connection with the merger.***

**VOTE ON ADJOURNMENT (PROPOSAL 3)**

Our shareholders are being asked to approve a proposal that will give us authority to adjourn the special meeting from time to time, if necessary or appropriate, for the purpose of soliciting additional proxies if there are not sufficient votes at the time of the special meeting to approve the proposal to approve and adopt the merger agreement. If this proposal is approved and adopted, the special meeting could be adjourned by our board of directors to any date for the purpose of soliciting additional proxies if there are not sufficient votes at the time of the special meeting to approve the proposal to approve and adopt the merger agreement. If there is not a quorum present at the special meeting, under our amended and restated by-laws the special meeting may be adjourned by a majority of the shares represented at the meeting. In addition, our board of directors could postpone the special meeting before it commences, whether for the purpose of soliciting additional proxies or for other reasons. If the special meeting is adjourned, shareholders who have already submitted their proxies will be able to revoke them at any time prior to their use. We do not intend to call a vote on this proposal if the proposal to approve and adopt the merger agreement has been approved and adopted by our shareholders at the special meeting.

Approval of this proposal requires the affirmative vote of holders of a majority of the shares of common stock voted on this proposal at the special meeting.

***Our board of directors unanimously recommends a vote FOR the proposal to approve the proposal to adjourn the special meeting from time to time, if necessary or appropriate, for the purpose of soliciting additional proxies if there are not sufficient votes at the time of the special meeting to approve the proposal to approve and adopt the merger agreement.***

The following table sets forth certain information regarding the beneficial ownership of our common stock as of June 1, 2015 (based on shares of common stock outstanding), by:

each person known by us to be a beneficial owner of more than 5.0% of our outstanding common stock;

each of our directors and director nominees;

Under these rules, more than one person may be deemed a beneficial owner of the same securities and a person may be deemed a beneficial owner of securities as to which he or she has no economic interest. The number of shares of common stock outstanding used in calculating the percentage for each listed person includes the shares of common stock underlying options and restricted stock units held by that person that are exercisable within 60 days after June 1, 2015, but excludes shares of common stock and restricted stock units underlying options held by any other person.

Any interest and other income resulting from such investment shall become a part of the Exchange Fund, and any amounts in excess of the aggregate amounts payable under [Section 4.1\(a\)](#) shall be returned to Parent in accordance with [Section 4.2\(e\)](#). No such investment or losses thereon shall relieve Parent, the Surviving Corporation or the Paying Agent from making the payments required by this [Article IV](#) or affect the amount of Per Share Merger Consideration payable to holders of Company Common Stock, and to the extent that there are any losses with respect to any such investments, or the Exchange Fund diminishes for any reason below the level required for the Paying Agent to make prompt cash payment under [Section 4.1\(a\)](#), Parent shall promptly provide additional cash to the Paying Agent to add to the Exchange Fund so as to ensure that the Exchange Fund is at all times maintained at a level sufficient for the Paying Agent to make such payments under [Section 4.1\(a\)](#). Parent shall pay all charges and expenses, including those of the Paying Agent, in connection with the exchange of Company Common Stock for the Per Share Merger Consideration.

(b) [Exchange Procedures](#). Promptly after the Effective Time and in any event not later than the third (3rd) Business Day following the Effective Time, the Surviving Corporation shall cause to be mailed to each record holder, as of the Effective Time, of an outstanding certificate or outstanding certificates that immediately prior to the Effective Time represented outstanding shares of Company Common Stock, which have converted into the right to receive the Per Share Merger Consideration with respect thereto pursuant to [Section 4.1](#), a form of letter of transmittal (which shall be in customary form and shall specify that delivery shall be effected, and risk of loss and title to the shares of Company Common Stock represented by any certificates held by such person shall pass, only upon proper delivery of such certificates to the Paying Agent) and instructions for use in effecting the surrender of the certificates. Upon surrender to the Paying Agent of a certificate representing shares of Company Common Stock, together with such letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, the Paying Agent shall issue and deliver to the holder of such certificate, by check or wire transfer (as specified in the letter of transmittal), a cash amount (less any required Tax withholdings as provided in [Section 4.6](#)) equal to the product of (i) the Per Share Merger Consideration and (ii) the number of shares of Company Common Stock formerly represented by such certificate and such certificate (and the shares of Company Common Stock represented thereby) shall then be canceled. Promptly after the Effective Time and in any event not later than the third (3rd) Business Day following the Effective Time, the Paying Agent shall issue and deliver to each holder of uncertificated shares of Company Common Stock that was issued and outstanding immediately prior to the Effective Time and were represented by book-entry ([Book-Entry Shares](#)) a check or wire transfer for an amount of cash (less any required Tax withholdings as provided in [Section 4.6](#)) equal to the product of (i) the Per Share Merger Consideration and (ii) the number of such Book-Entry Shares, without such holder being required to deliver a certificate or an executed letter of transmittal to the Paying Agent, and such Book-Entry Shares shall then be canceled. No interest shall be paid or accrued for the benefit of holders of the shares of Company Common Stock on the Per Share Merger Consideration payable in respect thereof. In the event of a transfer of ownership of shares of Company Common Stock that is not registered in the transfer records of the Company, it shall be a condition of payment that such certificate so surrendered shall be properly endorsed or shall be otherwise in proper form for transfer or such Book-Entry Share shall be properly transferred and that the Person requesting such payment shall have paid any transfer and other Taxes required by reason of the payment of the Per Share Merger Consideration to a person other than the registered holder of the certificate or Book-Entry Share surrendered or shall have established to the satisfaction of Parent that such Tax either has been paid or is not applicable. (c) [Depository Trust Company](#). Prior to the Effective Time, Parent and the Company shall cooperate to establish procedures with the Paying Agent and the Depository Trust Company ([DTC](#)) to ensure that (i) if the Closing occurs at or prior to 11:30 a.m. (New York City time) on the Closing Date, the Paying Agent will transmit to DTC or such nominee immediately prior to the Effective Time an amount of cash (less any required Tax withholdings as provided in [Section 4.6](#)) equal to the product of (i) the Per Share Merger Consideration and

(ii) the number of all Book-Entry Shares (such amount, the DTC Payment ), and (ii) if the Closing occurs after 11:30 a.m. (New York City time) on the Closing Date, the Paying Agent will transmit to DTC or its nominees on the first Business Day after the Closing Date an amount in cash in immediately available funds equal to the DTC Payment.

(d) Transfers. From and after the Effective Time, there shall be no transfers on the stock transfer books of the Company of the Company Common Stock. If, after the Effective Time, any certificate representing shares of Company Common Stock is presented to the Surviving Corporation, Parent or the Paying Agent for transfer, it shall be cancelled and, subject to compliance with the procedures set forth in Section 4.2(b), exchanged for the cash amount to which the holder thereof is entitled pursuant to this Article IV (less any required Tax withholdings as provided in Section 4.6) to be paid in the manner specified in the letter of transmittal to an account designated by such holder.

(e) Termination of Exchange Fund. At any time after the date that is twelve (12) months after the Closing Date, Parent shall be entitled to require the Paying Agent to deliver to it any portion of the Exchange Fund (including the proceeds of any investments thereof) that remains unclaimed by the holders of the Company Common Stock issued and outstanding immediately prior to the Effective Time. Any holder of shares of Company Common Stock issued and outstanding immediately prior to the Effective Time (other than Excluded Shares) who has not theretofore complied with this Article IV shall thereafter look only to Parent (subject to abandoned property, escheat or other similar laws) for payment of the amount to which such record holder is entitled as a result of the Merger (upon due surrender of their shares of Company Common Stock in accordance with the terms hereof).

(f) Lost, Stolen or Destroyed Certificates. In the event any certificate representing shares of Company Common Stock shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such certificate to be lost, stolen or destroyed and, if required by Parent, the posting by such Person of a bond in customary amount and upon such terms as may be reasonably required by Parent as indemnity against any claim that may be made against it or the Surviving Corporation or the Paying Agent with respect to such certificate, the Paying Agent will deliver, in exchange for shares of Company Common Stock represented by such lost, stolen or destroyed certificate, an amount in cash (less any required Tax withholdings as provided in Section 4.6) equal to the product of (i) the number of shares of Company Common Stock represented by such lost, stolen or destroyed certificate and (ii) the Per Share Merger Consideration.

(g) Dissenting Shares. Notwithstanding any provision of this Agreement to the contrary, if required by FBCA (but only to the extent required thereby), shares of Company Common Stock that are issued and outstanding immediately prior to the Effective Time and that are held by holders who have not voted in favor of the adoption of this Agreement or consented thereto in writing and who have properly exercised appraisal rights with respect to their shares of Company Common Stock in accordance with, and who have complied with, Sections 607.1301-607.1333 of FBCA (the Dissenting Shares ) will not be converted into the right to receive the Per Share Merger Consideration, and holders of such Dissenting Shares will be entitled to receive payment of the fair value of such Dissenting Shares in accordance with the provisions of such Sections 607.1301-607.1333 unless and until any such holder fails to perfect or effectively withdraws or loses its rights to appraisal and payment under FBCA. If, after the Effective Time, any holder of Dissenting Shares fails to perfect or effectively withdraws or loses such right, such Dissenting Shares will thereupon be treated as if they had been converted into and have become exchangeable for, at the Effective Time, the right to receive the Per Share Merger Consideration, without any interest thereon, and Parent shall remain liable for payment of the Per Share Merger Consideration for such shares. At the Effective Time, any holder of Dissenting Shares shall cease to have any rights with respect thereto, except the rights provided in Sections 607.1301-607.1333 of FBCA and as provided in the previous sentence. The Company will give Parent (x) prompt notice of any demands received by the Company for appraisals and any withdrawals of such demands and (y) the opportunity to participate in all negotiations and proceedings with respect to such notices and demands. The Company shall not, except with the prior written consent of Parent, voluntarily make any payment with respect to any demands for appraisal or settle, compromise, offer to settle or compromise, or otherwise negotiate any such demands.

(b) Restricted Stock Awards. At the Effective Time, except as otherwise agreed to by Parent and the holder of any restricted stock award, restricted stock unit award or other similar equity award that is not a Company PSA (a Company RSA ), each Company RSA issued by the Company under the Stock Plan or otherwise, and which has not already vested and is outstanding as of immediately prior to the Effective Time, shall vest in full, be canceled, and the holder thereof shall be entitled to receive, as soon as administratively practicable after the Effective Time (but in any event no later than the payment date for the first full payroll cycle following the Effective Time) for each such Company RSA an amount in cash, without interest, determined by multiplying (i) the Per Share Merger Consideration by (ii) the number of shares of Company Common Stock covered by such Company RSA, less applicable Taxes required to be withheld with respect to such payment.

(c) Performance Share Awards. At the Effective Time, except as otherwise agreed to by Parent and the holder of any performance share award (a Company PSA ), each Company PSA granted under the Stock Plan or otherwise, and which is outstanding as of immediately prior to the Effective Time, shall vest at (i) maximum level (as such term is used in the applicable performance share award agreement) for Company PSAs granted in 2014, and (ii) target level (as such term is used in the applicable performance share award agreement) for Company PSAs granted in 2015 (subject to the proration of the number of shares covered by each such Company PSA as set forth below), be canceled, and the holder thereof shall be entitled to receive, as soon as administratively practicable after the Effective Time (but in any event no later than the payment date for the first full payroll cycle following the Effective Time) for each Company PSA an amount in cash, without interest, determined by multiplying (i) the Per Share Merger Consideration by (ii) (x) the number of shares of Company Common Stock covered by each Company PSA granted in 2014 at maximum level (without proration) and (y) twenty-five percent (25%) of the number of shares of Company Common Stock covered by each Company PSA granted in 2015 at target level, in each case less applicable Taxes required to be withheld with respect to such payment.

(d) Payment of Equity Amounts. Parent will take all actions necessary so that, at or after the Effective Time, the Surviving Corporation shall pay or cause to be paid to each holder of Company Options, Company RSAs and Company PSAs granted under the Stock Plan or otherwise the awards to which such holder is entitled as determined in accordance with this Section 4.3 through the Surviving Corporation's or applicable Subsidiary's payroll, unless alternative arrangements are specified by such holder, to the extent permitted thereby. In the event that the Surviving Corporation has insufficient cash to make such payment to each holder of Company Options, Company RSAs and Company PSAs, Parent shall pay such amounts or provide to the Surviving Corporation sufficient cash to pay such amounts.

(e) Corporate Actions. At or prior to the Effective Time, the Company, the Company Board and the compensation committee of the Company Board (or another committee duly authorized by the Company Board), as applicable, shall adopt resolutions and provide any notices required to holders of Company Options, Company RSAs and Company PSAs to (i) implement the provisions of this Section 4.3 and (ii) cause there to be no rights to acquire Company Common Stock following the Effective Time.

4.4 Adjustments to Prevent Dilution. If, between the date of this Agreement and the Effective Time there is any change in the number of shares of Company Common Stock or securities convertible or exchangeable into or exercisable for Company Common Stock as a result of a reclassification, stock split (including a reverse stock split), stock dividend or distribution, recapitalization, merger, issuer tender or exchange offer, or other similar transaction, the Per Share Merger Consideration shall be equitably adjusted, without duplication, to provide to the holders thereof the same economic effect as contemplated by this Agreement prior to such event.

4.5 No Liability. To the fullest extent permitted by applicable Law, none of the parties to this Agreement, the Surviving Corporation or the Paying Agent will be liable to any shareholders of the Company or other Person in respect of any cash properly delivered to a public official pursuant to any applicable abandoned property, escheat or similar Laws. Any portion of the Exchange Fund remaining unclaimed by shareholders of the Company as of a date that is immediately prior to such time as such amounts would otherwise escheat to or become property of any Governmental Entity will, to the extent permitted by applicable Law, become the property of Parent free and clear of any claims or interest of any Person previously entitled thereto.

4.6 Withholding Rights. Each of Parent, the Company, the Surviving Corporation and the Paying Agent shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to the transactions contemplated by this Agreement such amounts as it is required to deduct and withhold with respect to the making of such payment under the Internal Revenue Code of 1986, as amended (the Code ) and the rules and regulations promulgated thereunder or any other applicable state, local or non-U.S. Tax Law and shall timely remit any amounts so withheld to the applicable Governmental Entity. 4.7 Closing Payments. At the Closing, (a) (i) Parent shall pay or cause to be paid, on behalf of the issuers under the Indenture (the Issuers ), to the trustee under the Indenture (the Trustee ) and/or a depository under the Company Notes Tender Offer, as applicable, funds in an amount equal to (x) the aggregate amount payable in connection with the Company Notes Tender Offer amount (if the Company elects to make the Company Notes Tender Offer pursuant to Section 6.13(d)), and (y) an amount necessary for the Issuers to redeem all of the Company Notes on the redemption date (after giving effect to any purchases of Company Notes on the Closing Date pursuant to the Company Notes Tender Offer, if applicable), and (ii) with respect to any Company Notes that will remain outstanding after the Closing Date, the Company shall deliver to the Trustee (A) an officer's certificate stating that, at or after the Closing, the Company shall, or shall have caused the Trustee to, mail or cause to be mailed an irrevocable redemption notice in accordance with the Indenture to each holder of the outstanding Company Notes, stating that the Issuers intend to irrevocably call all of the outstanding Company Notes for redemption, on a redemption date no later than thirty (30) days after the Closing (or if such day is not a Business Day, the following Business Day) or as soon as reasonably practicable under the Indenture, and (B) an officer's certificate of the Issuers and opinion of counsel, in each case in accordance with Section 8.01 of the Indenture, to effect the satisfaction and discharge of the Company Notes in accordance with the Indenture and (b) Parent shall pay to the agent for the benefit of the lenders under the Credit Agreement an amount necessary to pay off all outstanding loans and other obligations under the Credit Agreement, and terminate all commitments thereunder.
