CALCULATION OF REGISTRATION FEE

	Amount	Proposed maximum to be offering price	Proposed maximum aggregate offering price	Amount of registration fee
Title of securities to be registered	registered (1)	per share (2)	offering price	registration fee

- (1) Pursuant to Rule 416(a)-(b) under the Securities Act of 1933, as amended (the Securities Act), the number of Common Shares being registered hereunder may be increased from time to time in order to prevent dilution resulting from any stock split, stock dividend or similar transaction. In addition, pursuant to Rule 416(c) under the Securities Act, this Registration Statement covers an indeterminate amount of interests to be offered or sold pursuant to the employee benefit plan described herein.
- (2) The registration fee has been calculated, and the offering price estimated, in accordance with the Rules 457(c) and (h) under the Securities Act upon the basis of the average of the high and low sales prices of Common Shares as reported on the NYSE MKT on October 27, 2015, which was \$27.58 per Common Share.

Explanatory Note

The Gorman-Rupp Company (the Company or the Registrant) previously filed registration statements on Form S-8 registering its Common Shares, without par value, that may be offered under The Gorman-Rupp Company 401(k) Plan (as amended and/or restated to date, the Plan) from time to time. The most recent such prior registration statement is File No. 333-105682 filed on May 30, 2003 covering 300,000 shares. The Company is filing this registration statement to register 150,000 additional Common Shares that may be offered under the Plan from time to time.

It is not presently anticipated that either treasury shares or original issue shares of the Company will be issued under the Plan, and therefore no such shares are hereby registered. The Company contemplates that the Plan trustee will purchase Common Shares for the accounts of the participants on the open market or otherwise from sources other than the Company. The number of shares registered hereunder represents the estimated maximum number of presently outstanding Common Shares that could be purchased under the Plan with employee and Company contributions based upon the closing price of Common Shares of \$26.80 on the NYSE MKT on October 27, 2015.

PART I

All documents subsequently filed by the Company or the Plan pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated herein by reference and to be part hereof from the date of filing of such documents, other than the portions of such documents that by statute or rule, by designation in such document or otherwise, are not deemed to be filed with the Commission or are not required to be incorporated herein by reference.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

None.

Item 6. Indemnification of Directors and Officers

Section 1701.13(E) of the Ohio Revised Code sets forth the conditions and limitations governing a corporation's indemnification of officers, directors and other persons. Section 1701.13(E) provides that a corporation shall have the power to indemnify any person who was or is a party or threatened to be made a party to any threatened, pending or contemplated action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation in a similar capacity with another corporation or other entity, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection therewith if he or she acted in good faith and in a manner that he or she reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to a criminal proceeding, had no reasonable cause to believe that his or her conduct was unlawful.

With respect to a suit by or in the right of the corporation, indemnity may be provided to the foregoing persons under Section 1701.13(E) on a basis similar to that set forth above, except that no indemnity may be provided in respect of any claim, issue or matter as to which such person has been adjudged to be liable to the corporation unless and to the extent that the court of common pleas or the court in which such action, suit or proceeding was brought determines that despite the adjudication of liability but in view of all the circumstances of the case such person is entitled to indemnity for such expenses as the court deems proper.

Moreover, Section 1701.13(E) provides for mandatory indemnification of a director, officer, employee or agent of the corporation to the extent that such person has been successful in defense of any such action, suit or proceeding and provides that a corporation shall pay the expenses of an officer or director in defending an action, suit or proceeding upon receipt of an undertaking to repay such amounts if it is ultimately determined that such person is not entitled to be indemnified. Section 1701.13(E) establishes provisions for determining whether a given person is entitled to indemnification, and also provides that the indemnification provided by or granted under Section 1701.13(E) is not exclusive of any rights to indemnity or advancement of expenses to which such person may be entitled under any articles, regulations, agreement, vote of shareholders or disinterested directors or otherwise.

The general effect of Article IV of the Company's Regulations is to provide for the indemnification of its directors, officers and employees to the full extent permitted by applicable law, on terms generally consistent with the statutory authority in Section 1701.13(E) of the Ohio Revised Code. Article IV of the Company's Regulations further provides that such indemnification is not exclusive of any other rights to which those seeking indemnification may be entitled, including under the Company's Articles of Incorporation or any agreement, vote of shareholders or disinterested directors or otherwise.

The Company has entered into Indemnification Agreements (the "Indemnification Agreements") with each present director and such officers of the Company and its subsidiaries as have been designated by the Board of Directors and expects to enter into similar agreements with its directors and certain officers elected or appointed in the future at the time of their election or appointment. The effect of the Indemnification Agreements is to provide for mandatory indemnification of an officer or director of the Company, or of an individual who serves at the request of the Company as an officer, director, member, manager, trustee, employee or agent of another corporation, limited liability company, partnership, joint venture, trust or other entity or enterprise, whether or not for profit, if the individual meets certain standards of conduct required by the Indemnification Agreements. The Indemnification Agreements provide indemnification to an individual who was or is a party to any threatened, asserted, pending or completed claim, demand, action, suit or proceeding, including those made, instituted or conducted by the Company. The Indemnification Agreements also contemplate indemnification in connection with arbitral, administrative and investigative proceedings as well as criminal and civil claims, demands, actions, suits or proceedings.

The Company also maintains insurance covering certain liabilities of the directors and officers of the Company and its subsidiaries.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits

The Exhibit Index immediately preceding the exhibits is incorporated herein by reference.

No original issue Common Shares of the Company are hereby registered. In accordance Item 8(a) of Form S-8, therefore, no opinion as to the legality of the shares is included in this filing.

The Company has submitted or will submit the Plan and any amendment thereto to the Internal Revenue Service ("IRS") in a timely manner, and has made or will make all changes required by the IRS in order to qualify the Plan.

Item 9. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
