ITEM 5.02 DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS

Chief Executive Officer. On March 15, 2016 Stein Mart, Inc. (the Company) issued a press release, a copy of which is attached as Exhibit 99.1, announcing the appointment of Dawn Robertson, age 60, as chief executive officer and her election to Stein Mart's board of directors. Robertson will also have the responsibilities of chief merchant for the foreseeable future. Her appointment is effective March 14, 2016. She succeeds Jay Stein, the Company's founder and long standing chief executive officer, who had advised the Board of his desire to step back from that position but remain Stein Mart's chairman of the board. Ms. Robertson has not had any related party transactions with the Company and, due to her position as an employee of the Company, she will not serve on any committees of the Board other than the Executive Committee.

Over the past decade, Ms. Robertson was the chief executive officer or president of several retail companies where she was recruited by private equity. Ms. Robertson served as Chief Executive Officer of UNKNWN, LLC, a sneaker and streetwear company, from August 2015 to January 2016; Chief Executive Officer of Deb Shops, Inc., a specialty retailer, from July 2013 to January 2015; President of Nygard, International, a Canadian fashion apparel wholesaler and retailer, from March 2012 to June 2013; and President and Chief Executive Officer of The Avenue, a woman's apparel retailer, from September 2010 to February 2012. Prior to 2010, Ms. Robertson also held various executive positions at Sean John, Old Navy, Myer Stores, Federated Department Stores, Saks and May Department Stores.

Employment Agreement. In connection with Ms. Robertson's appointment, the Company and Ms. Robertson executed an employment agreement dated March 12, 2016 (the Employment Agreement), a copy of which is attached as Exhibit 10.1. The Employment Agreement, among other things, provides for: (i) a term of five years, which will be extended for additional one-year periods unless the executive or the Company cancels the automatic extension by providing at least 90 days advance written notice, (ii) an annual base salary of \$700,000 per year, (iii) severance compensation equal to 50% of annual base salary and continuation of insurance benefits for one year if executive is terminated without cause by the Company or with good reason by the executive within the first six months, (iv) severance compensation equal to 100% of annual base salary and continuation of insurance benefits for one year if executive is terminated without cause by the Company or with good reason by the executive after six months, but before the first anniversary, (v) if terminated without cause by the Company or with good reason by the executive after the first anniversary or following a change of control, severance compensation equal to (a) 200% of annual base salary and (b) 200% of bonuses earned in the year of termination, (vi) if terminated with cause by the Company or without good reason by the executive only base salary through the termination date is due, (vii) a restrictive covenant against recruiting any Company personnel for two years following termination, and (viii) vesting of all unvested options or restricted shares upon death or disability. The executive remains eligible for other benefit plans and incentive plans in effect from time to time.

Equity Grant Agreement. On March 14, 2015, Ms. Robertson was granted an option to purchase 800,000 shares of the Company's common stock, at an exercise price of \$7.35, under the Company's 2001 Omnibus Plan. The option, which expires on March 13, 2026, is valued at \$1.7 million. One-fifth of the option vests on each of the first five (5) anniversary dates of the grant. If executive is terminated without cause by the Company or with good reason by the executive within the first year, vesting a pro-rated portion of the first 20% of the option based on the number of days executive was employed from the grant date to the termination date. If executive is terminated without cause by the Company or with good reason by the executive between anniversary dates, vesting a pro-rated portion of the next 20% of the

option based on the number of days between the preceding vesting date and the termination date. In the event of a change in control, the option becomes fully vested. A copy of the Equity Grant Agreement is attached as Exhibit 10.2.

The preceding summary of the material terms of both the Employment Agreement and the Equity Grant Agreement are qualified in their entirety by the full text of such agreements, which are filed herewith as Exhibit 10.1 and Exhibit 10.2, respectively. In the event of any discrepancy between the preceding summaries and the text of the agreements, the text of the agreements shall control. Terms used and not defined herein have the respective meanings given to such terms in the Employment Agreement and the Equity Grant Agreement, respectively.
