Beginning on or about May 10, 2016, we mailed to our stockholders a Notice of Internet Availability of Proxy Materials (the Notice) containing instructions on how to access our proxy materials. As used in this proxy statement, the terms Veeva, the Company, we, us, and our mean Veeva Systems Inc. and its subsidiaries unless the context indicates otherwise.

QUESTIONS AND ANSWERS ABOUT PROCEDURAL MATTERS

Annual Meeting

Q: Why am I receiving these proxy materials?

A: Our Board of Directors is providing these proxy materials to you in connection with the solicitation of proxies for use at the Annual Meeting to be held on Wednesday, June 22, 2016 at 3:30 p.m. Pacific Time, and at any adjournment or postponement thereof, for the purpose of considering and acting upon the matters set forth herein. The Notice, this proxy statement and accompanying form of proxy card are being made available to you on or about May 10, 2016. This proxy statement includes information that we are required to provide to you under SEC rules and that is designed to assist you in voting your shares.

Q: What is included in the proxy materials?

A: The proxy materials include:

This proxy statement for the Annual Meeting;

Our 2016 Annual Report to Stockholders, which consists of our annual report on Form 10-K for the fiscal year ended January 31, 2016; and

The proxy card or a voting instruction form for the Annual Meeting, if you have requested that the proxy materials be mailed to you.

Q: How can I get electronic access to the proxy materials?

A: The proxy materials are available at www.astproxyportal.com/ast/18559 and at <http://ir.veeva.com>. Our website address is included for reference only. The information contained on our website is not incorporated by reference into this proxy statement.

You can find directions on how to instruct us to send future proxy materials to you by email at www.astproxyportal.com/ast/18559. Choosing to receive future proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact of our annual meetings on the environment. If you choose to receive future proxy materials by email, you will receive an email message next year with instructions containing a link to those materials and a link to the proxy voting website. Your election to receive proxy materials by email will remain in effect until you terminate it.

Table of Contents

Q: What information is contained in this proxy statement?

A: The information in this proxy statement relates to the proposals to be voted on at the Annual Meeting, the voting process, the compensation of our directors and certain of our executive officers, corporate governance and certain other required information.

Q: Where is the Annual Meeting?

A: The Annual Meeting will be held at our principal executive offices located at 4280 Hacienda Drive, Pleasanton, California 94588. The telephone number at that location is (925) 452-6500.

Q: Can I attend the Annual Meeting?

A: You are invited to attend the Annual Meeting if you were a stockholder of record or a beneficial owner as of May 3, 2016 (the Record Date). Admission will begin at 3:00 p.m. Pacific Time on the date of the Annual Meeting, and you must present valid picture identification such as a driver's license or passport and, if asked, provide proof of stock ownership as of the Record Date. The use of mobile phones, pagers, recording or photographic equipment, tablets and/or computers is not permitted at the Annual Meeting. The meeting will begin promptly at 3:30 p.m. Pacific Time. Stockholders may request directions to our principal executive offices in order to attend the Annual Meeting by calling (925) 452-6500 or visiting www.astproxyportal.com/ast/18559.

Stock Ownership

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: *Stockholders of record* If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC (AST), you are considered, with respect to those shares, the stockholder of record, and the Notice was provided to you directly by us. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote in person at the Annual Meeting.

Beneficial owners Many Veeva stockholders hold their shares through a broker, trustee or other nominee, rather than directly in their own name. If your shares are held in a brokerage account or by a bank or another nominee, you are considered the beneficial owner of shares held in street name. The Notice was forwarded to you by your broker, trustee or nominee who is considered, with respect to those shares, the stockholder of record.

As the beneficial owner, you have the right to direct your broker, trustee or nominee on how to vote your shares. Beneficial owners are also invited to attend the Annual Meeting. However, since beneficial owners are not stockholders of record, you may not vote your shares in person at the Annual Meeting unless you follow your broker's procedures for obtaining a legal proxy. If you request a printed copy of the proxy materials by mail, your broker or nominee will provide a voting instruction card for you to use.

Quorum and Voting

Q: How many shares must be present or represented to conduct business at the Annual Meeting?

A: A quorum is the minimum number of shares required to be present at the Annual Meeting for the meeting to be properly held under our Bylaws and Delaware state law. The presence, in person or by proxy, of a majority of the aggregate voting power of the issued and outstanding shares of stock entitled to vote at the meeting will constitute a quorum at the meeting. Except as otherwise expressly provided by our Certificate of Incorporation or Bylaws, the holders of shares of Class A common stock and Class B common stock will

Table of Contents

vote together as a single class on all matters submitted to a vote or for the consent of the stockholders of Veeva. Each holder of Class A common stock will have the right to one vote per share of Class A common stock and each holder of Class B common stock will have the right to ten votes per share of Class B common stock. A proxy submitted by a stockholder may indicate that the shares represented by the proxy are not being voted (stockholder withholding) with respect to a particular matter.

Under the General Corporation Law of the State of Delaware, abstentions and broker non-votes are counted as present and entitled to vote and are, therefore, included for purposes of determining whether a quorum is present at the Annual Meeting.

A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Q: Who is entitled to vote at the Annual Meeting?

A: Holders of record of our common stock at the close of business on the Record Date are entitled to receive notice of and to vote their shares at the Annual Meeting. As of the Record Date, we had 96,417,278 shares of Class A common stock outstanding and 38,048,612 shares of Class B common stock outstanding. In deciding all matters at the Annual Meeting, each holder of Class A common stock of Veeva will be entitled to one vote for each share of Class A common stock held as of the close of business on the Record Date, and each holder of Class B common stock of Veeva will be entitled to ten votes for each share of Class B common stock held as of the close of business on the Record Date. We do not have cumulative voting rights for the election of directors.

Q: How can I vote my shares in person at the Annual Meeting?

A: Shares held in your name as the stockholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person at the Annual Meeting only if you obtain a legal proxy from the broker, trustee or other nominee that holds your shares giving you the right to vote the shares. **Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy card, if you have requested one, or follow the voting directions described below, so that your vote will be counted if you later decide not to attend the meeting.**

Q: How can I vote my shares without attending the Annual Meeting?

A: *Stockholder of record* If you are a stockholder of record, there are three ways to vote without attending the Annual Meeting:

Via the Internet You may vote by proxy via the Internet by following the instructions provided in the Notice or, if you requested printed copies of the proxy materials by mail, by following the instructions provided in the proxy card.

By Telephone You may vote by proxy by telephone by following the instructions provided in the Notice or, if you requested printed copies of the proxy materials by mail, by calling the toll free number found on the proxy card.

By Mail If you request printed copies of the proxy materials by mail, you will receive a proxy card and you may vote by proxy by filling out the proxy card and returning it in the envelope provided.

Beneficial owners If you are a beneficial owner holding shares through a bank, broker or other nominee, please refer to your Notice or other information forwarded by your bank or broker to see which voting options are available to you.

Table of Contents

Q: What proposals will be voted on at the Annual Meeting?

A: At the Annual Meeting, stockholders will be asked to vote:

- (1) To elect the two directors identified in this proxy statement to serve as Class III directors until the annual meeting held in 2019 and until their successors are duly elected and qualified;
- (2) To ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending January 31, 2017; and
- (3) To transact such other business as may properly come before the Annual Meeting or any adjournment thereof.

Q: What is the voting requirement to approve each of the proposals?

A: *Proposal One* The election of directors requires a plurality vote of the shares of common stock voted at the meeting. Plurality means that the individuals who receive the largest number of votes cast FOR are elected as directors. As a result, any shares not voted FOR a particular nominee (whether as a result of stockholder withholding or a broker non-vote) will not be counted in such nominee's favor.

Proposal Two The affirmative vote of a majority in voting power of votes cast affirmatively or negatively is required to ratify the appointment of KPMG LLP as our independent registered public accounting firm. You may vote FOR, AGAINST or ABSTAIN on this proposal. Abstentions and broker non-votes will have no effect on the outcome of this proposal.

Q: How does the Board of Directors recommend that I vote?

A: Our Board of Directors unanimously recommends that you vote your shares:

FOR the two nominees for election as director listed in Proposal One; and

FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending January 31, 2017.

Q: What happens if I do not give specific voting instructions?

A: *Stockholder of record* If you are a stockholder of record and you:

Indicate when voting on the Internet or by telephone that you wish to vote as recommended by our Board of Directors or

Sign and return a proxy card without giving specific voting instructions, then the persons named as proxy holders will vote your shares in the manner recommended by the Board of Directors on all matters presented in this proxy statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial owners If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions then, under applicable rules, the organization that holds your shares may generally vote on routine matters but cannot vote on non-routine matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, that organization will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a broker non-vote.

Q: How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions?

A: Brokerage firms and other intermediaries holding shares of common stock in street name for customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely

Table of Contents

directions, your broker will have discretion to vote your shares on our sole routine matter the proposal to ratify the appointment of KPMG LLP. Your broker will not have discretion to vote on the following non-routine matter absent direction from you: the election of directors.

Please note that brokers may not vote your shares on the election of directors in the absence of your specific instructions as to how to vote, so we encourage you to provide instructions to your broker regarding the voting of your shares.

Q: What happens if additional matters are presented at the Annual Meeting?

A: If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to adjourn the Annual Meeting to another time or place (including, without limitation, for the purpose of soliciting additional proxies), the persons named in the proxy card and acting thereunder will have discretion to vote on those matters in accordance with their best judgment. We do not currently anticipate that any other matters will be raised at the Annual Meeting.

Q: Can I change or revoke my vote?

A: Subject to any rules your broker, trustee or nominee may have, you may change your proxy instructions at any time before your proxy is voted at the Annual Meeting.

If you are a stockholder of record, you may change your vote by (1) filing with our Corporate Secretary, prior to your shares being voted at the Annual Meeting, a written notice of revocation or a duly executed proxy card, in either case dated later than the prior proxy card relating to the same shares, or (2) by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not by itself revoke a proxy). A stockholder of record that has voted on the Internet or by telephone may also change his or her vote by later making a timely and valid Internet or telephone vote.

If you are a beneficial owner of shares held in street name, you may change your vote (1) by submitting new voting instructions to your broker, trustee or other nominee or (2) if you have obtained a legal proxy from the broker, trustee or other nominee that holds your shares giving you the right to vote the shares, by attending the Annual Meeting and voting in person.

Any written notice of revocation or subsequent proxy card must be received by our Corporate Secretary prior to the taking of the vote at the Annual Meeting. Such written notice of revocation or subsequent proxy card should be hand delivered to our Corporate Secretary or should be sent so as to be delivered to our principal executive offices, Attention: Corporate Secretary.

Q: Who will bear the cost of soliciting votes for the Annual Meeting?

A: We will bear all expenses of this solicitation, including the cost of preparing and mailing these proxy materials. We may reimburse brokerage firms, custodians, nominees, fiduciaries and other persons representing beneficial

owners of common stock for their reasonable expenses in forwarding solicitation material to such beneficial owners. Directors, officers and employees of Veeva may also solicit proxies in person or by other means of communication. Such directors, officers and employees will not be additionally compensated but may be reimbursed for reasonable out-of-pocket expenses in connection with such solicitation. We may engage the services of a professional proxy solicitation firm to aid in the solicitation of proxies from certain brokers, bank nominees and other institutional owners. Our costs for such services, if retained, will not be significant. If you choose to access the proxy materials and/or vote through the Internet, you are responsible for any Internet access charges you may incur.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Veeva or to third parties, except as necessary to meet applicable legal requirements, to allow for the tabulation of votes and certification of the vote or to facilitate a successful proxy solicitation.

Table of Contents

Q: Who will serve as inspector of elections?

A: The inspector of elections will be a representative from AST.

Q: Where can I find the voting results of the Annual Meeting?

A: We intend to announce preliminary voting results at the Annual Meeting and will publish final results in a current report on Form 8-K within four business days after the Annual Meeting.

Stockholder Proposals and Director Nominations

Q: What is the deadline to propose actions for consideration at next year's annual meeting of stockholders or to nominate individuals to serve as directors?

A: You may submit proposals, including director nominations, for consideration at future stockholder meetings. *Requirements for stockholder proposals to be considered for inclusion in our proxy materials* Stockholders may present proper proposals for inclusion in our proxy statement and for consideration at our next annual meeting of stockholders by submitting their proposals in writing to our Corporate Secretary in a timely manner. In order to be included in the proxy statement for the 2017 annual meeting of stockholders, stockholder proposals must be received by our Corporate Secretary no later than January 10, 2017, and must otherwise comply with the requirements of Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the Exchange Act).

Requirements for stockholder proposals to be brought before an annual meeting In addition, our Bylaws establish an advance notice procedure for stockholders who wish to present certain matters before an annual meeting of stockholders. In general, nominations for the election of directors may be made by our Board of Directors or any committee thereof or any stockholder, who is a stockholder of record on the date of the giving of such notice and on the record date for the determination of stockholders entitled to vote at such meeting, who is entitled to vote at such meeting and who has delivered written notice to our Corporate Secretary no later than the Notice Deadline (as defined below), which notice must contain specified information concerning the nominees and concerning the stockholder proposing such nominations.

Our Bylaws also provide that the only business that may be conducted at an annual meeting is business that is (1) specified in the notice of meeting (or any supplement thereto) given by or at the direction of our Board of Directors, (2) otherwise properly brought before the meeting by or at the direction of our Board of Directors (or any committee thereto) or (3) properly brought before the meeting by a stockholder who has delivered written notice to our Corporate Secretary no later than the Notice Deadline (as defined below).

The Notice Deadline is defined as that date which is not less than 90 days nor more than 120 days prior to the one-year anniversary of the previous year's annual meeting of stockholders. As a result, the Notice Deadline for the 2017 annual meeting of stockholders is between February 22, 2017 and March 24, 2017.

If a stockholder who has notified us of his or her intention to present a proposal at an annual meeting does not appear to present his or her proposal at such meeting, we need not present the proposal for vote at such meeting.

Recommendation of director candidates You may recommend candidates to our Board of Directors for consideration by our Nominating and Governance Committee by following the procedures set forth below in Corporation Governance Stockholder Recommendations for Nominations to the Board of Directors.

Q: How may I obtain a copy of the bylaw provisions regarding stockholder proposals and director nominations?

A: A copy of the full text of the Bylaw provisions discussed above may be obtained by writing to our Corporate Secretary. A copy of our Bylaws is posted on the Investors portion of our website at <http://ir.veeva.com>. All notices of proposals by stockholders, whether or not included in Veeva's proxy materials, should be sent to our principal executive offices, Attention: Corporate Secretary.

Additional Information about the Proxy Materials

Q: Why did I receive a notice regarding the availability of proxy materials on the Internet instead of a full set of proxy materials?

A: In accordance with the rules of Securities and Exchange Commission (SEC), we have elected to furnish our proxy materials, including this proxy statement and our annual report to our stockholders, primarily via the Internet. Beginning on or about May 10, 2016, we mailed to our stockholders a Notice of Internet Availability of Proxy Materials that contains notice of the Annual Meeting and instructions on how to access our proxy materials on the Internet, how to vote at the meeting and how to request printed copies of the proxy materials and annual report. Stockholders may request to receive all future proxy materials in printed form by mail or electronically by e-mail by following the instructions contained at www.astproxyportal.com/ast/18559. We encourage stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact of our annual meetings.

Q: What does it mean if multiple members of my household are stockholders but we only received one Notice or full set of proxy materials in the mail?

A: We have adopted a procedure called householding, which the SEC has approved. Under this procedure, we deliver a single copy of the Notice and, if applicable, the proxy materials to multiple stockholders who share the same address unless we received contrary instructions from one or more of the stockholders. This procedure reduces our printing costs, mailing costs and fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written request, we will deliver promptly a separate copy of the Notice and, if applicable, the proxy materials to any stockholder at a shared address to which we delivered a single copy of any of these documents. To receive a separate copy of the Notice and, if applicable, the proxy materials, stockholders should send their requests to our principal executive offices, Attention: Corporate Secretary. Stockholders who hold shares in street name may contact their brokerage firm, bank, broker-dealer or other similar organization to request information about householding.

Q: What is the mailing address for Veeva's principal executive offices?

A: Our principal executive offices are located at 4280 Hacienda Drive, Pleasanton, California 94588. The telephone number at that location is (925) 452-6500.

Any written requests for additional information, copies of the proxy materials and 2016 Annual Report, notices of stockholder proposals, recommendations for candidates to our Board of Directors, communications to our Board of Directors or any other communications should be sent to the address above.

**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE
STOCKHOLDER MEETING TO BE HELD ON JUNE 22, 2016.**

The proxy statement and annual report to stockholders is available at www.astproxyportal.com/ast/18559.

Table of Contents**PROPOSAL ONE****ELECTION OF DIRECTORS****General**

Our Board of Directors may establish the authorized number of directors from time to time by resolution. Our Board of Directors is currently comprised of six members who are divided into three classes with staggered three-year terms. A director serves in office until his respective successor is duly elected and qualified or until his earlier death or resignation. Our restated certificate of incorporation and amended and restated bylaws that are in effect authorize only our Board of Directors to fill vacancies on our Board of Directors until the next annual meeting of stockholders. Any additional directorships resulting from an increase in the authorized number of directors would be distributed among the three classes so that, as nearly as possible, each class would consist of one-third of the authorized number of directors. Your proxy cannot be voted for a greater number of persons than the number of nominees named in this proxy statement.

Nominees

Two Class III directors have been nominated for election at the Annual Meeting for a three-year term each expiring in 2019. Upon the recommendation of our Nominating and Governance Committee, our Board of Directors has nominated Ronald E.F. Codd and Peter Gassner for election as Class III directors. The term of office of each person elected as director will continue until such director's term expires in 2019, or until such director's successor has been duly elected and qualified.

PROPOSAL TWO

RATIFICATION OF THE APPOINTMENT OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

General

Our Audit Committee has appointed the firm of KPMG LLP, independent registered public accountants, to audit our financial statements for the fiscal year ending January 31, 2017. KPMG LLP has audited our financial statements since the fiscal year ended January 31, 2010.

Notwithstanding its selection and even if our stockholders ratify the selection, our Audit Committee, in its discretion, may appoint another independent registered public accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interests of Veeva and its stockholders. At the Annual Meeting, the stockholders are being asked to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending January 31, 2017. Our Audit Committee is submitting the selection of KPMG LLP to our stockholders because we value our stockholders' views on our independent registered public accounting firm and as a matter of good corporate governance. Representatives of KPMG LLP will be present at the Annual Meeting and they will have an opportunity to make statements and will be available to respond to appropriate questions from stockholders.

If this proposal does not receive the affirmative approval of a majority of the votes cast on the proposal, the Audit Committee would reconsider the appointment.

CORPORATE GOVERNANCE

Code of Conduct

Our Board of Directors has adopted a Code of Conduct that applies to all of our directors, employees and officers, including our Chief Executive Officer, Chief Financial Officer and other executive and senior financial officers. The full text of our Code of Conduct is posted on the Investors portion of our website at <http://ir.veeva.com>. We intend to disclose any future amendments to, or waiver of, our Code of Conduct, at the same location on our website identified above.

Board Composition

Our business affairs are managed under the direction of our Board of Directors, which is currently composed of six members. Five of our directors are independent within the meaning of the listing standards of the New York Stock Exchange (NYSE). Our Board of Directors is divided into three classes with staggered three-year terms. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election.

Directors in a particular class will be elected for three-year terms at the annual meeting of stockholders in the year in which their terms expire. As a result, only one class of directors will be elected at each annual meeting of our stockholders, with the other classes continuing for the remainder of their respective three-year terms. Each director's term continues until the election and qualification of his or her successor, or the earlier of his or her death, resignation or removal. The classification of our Board of Directors may have the effect of delaying or preventing changes in our control or management.

Director Independence

Our Class A common stock is listed on the NYSE. The listing standards of this stock exchange generally require that a majority of the members of a listed company's board of directors be independent. In addition, the listing standards of the NYSE require that, subject to specified exceptions, each member of a listed company's audit, compensation, and nominating and corporate governance committees be independent. Under the listing standards of the NYSE, a director will only qualify as an independent director if, in the opinion of that company's board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Our Board of Directors has determined that none of our non-employee directors has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is independent as that term is defined under the listing standards of the NYSE. The independent members of our Board of Directors hold separate regularly scheduled executive session meetings at which only independent directors are present.

Audit Committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Exchange Act. In order to be considered independent for purposes of Rule 10A-3, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors or any other board committee: accept, directly or indirectly, any consulting, advisory or other compensatory fee from the listed company or any of its subsidiaries; or be an affiliated person of the listed company or any of its subsidiaries. Each of Messrs. Barabe, Chamberlain and Codd qualify as an independent director pursuant to Rule 10A-3.

Board Leadership Structure

Pursuant to our Corporate Governance Principles, our Board of Directors may separate or combine the roles of the Chairman of the Board of Directors and Chief Executive Officer when and if it deems it advisable and in

Table of Contents

our best interests and in the best interests of our stockholders to do so. We currently separate the positions of Chairman and Chief Executive Officer. Our Board of Directors is currently chaired by Mr. Ritter. Separating the positions of Chief Executive Officer and Chairman allows our Chief Executive Officer to focus on our day-to-day business, while allowing the Chairman to lead our Board of Directors in its fundamental role of providing independent advice to, and oversight of, management. Our Board of Directors believes that having an independent director serve as Chairman is the appropriate leadership structure for us at this time. Mr. Ritter, as our Chairman, presides over separate regularly scheduled executive session meetings at which only independent directors are present. Our Corporate Governance Principles are posted on the Investors portion of our website at <http://ir.veeva.com>.

Board Committees

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Governance Committee. Our Board of Directors and its committees set schedules for meeting throughout the year and also hold special meetings and act by written consent from time to time, as appropriate. Our Board of Directors has delegated various responsibilities and authority to its committees as generally described below. The committees will regularly report on their activities and actions to the full Board of Directors. Each member of each committee of our Board of Directors qualifies as an independent director in accordance with NYSE listing standards. Each committee of our Board of Directors has a written charter approved by our Board of Directors. Copies of each charter are posted on the Investors portion of our website at <http://ir.veeva.com>.

Audit Committee

During our fiscal year ended January 31, 2016, our Audit Committee held nine meetings. The members of our Audit Committee are Messrs. Barabe, Chamberlain and Codd, each of whom is a non-employee member of our Board of Directors and can read and understand fundamental financial statements. Messrs. Barabe, Chamberlain and Codd are each independent under the rules and regulations of the SEC and the listing standards of the NYSE applicable to Audit Committee members. Mr. Codd serves as chair of our Audit Committee. Our Board of Directors has determined that Mr. Codd's service on the audit committee of three other public company boards of directors will not impair his ability to serve effectively on our Audit Committee. Our Board of Directors has also determined that Messrs. Barabe, Chamberlain and Codd qualify as audit committee financial experts within the meaning of SEC regulations and meet the financial sophistication requirements of the NYSE. The designation does not impose on Messrs. Barabe, Chamberlain and Codd any duties, obligations or liabilities that are greater than are generally imposed on any other member of our Audit Committee and our Board of Directors.

The Audit Committee oversees our accounting practices, system of internal controls, audit processes and financial reporting processes. Among other things, our Audit Committee is responsible for reviewing our disclosure controls and processes and the adequacy, effectiveness of our internal controls and the performance of our internal audit function. It also discusses the scope and results of the audit with our independent registered public accounting firm, reviews with our management and our independent registered public accounting firm our interim and year-end operating results and, as appropriate, initiates inquiries into aspects of our financial affairs. Our Audit Committee is responsible for establishing procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters and for the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters. In addition, our Audit Committee has sole and direct responsibility for the appointment, retention, compensation and oversight of the work of our independent registered public accounting firm, including approving services and fee arrangements. Significant related party transactions will be approved by our Audit Committee before we enter into them, as required by applicable rules and NYSE listing standards.

Compensation Committee

During our fiscal year ended January 31, 2016, our Compensation Committee held five meetings. The members of our Compensation Committee are Messrs. Codd and Ritter, each of whom is a non-employee director under Rule 16b-3 of the Exchange Act, an outside director under applicable tax (IRC Section 162(m))

Table of Contents

rules and each of whom our Board of Directors has determined qualify as independent under Rule 10C of the Exchange Act and related NYSE listing standards. Mr. Ritter serves as chair of our Compensation Committee. The purpose of our Compensation Committee is to discharge the responsibilities of our Board of Directors relating to executive compensation policies and programs. Among other things, specific responsibilities of our Compensation Committee include evaluating the performance of our Chief Executive Officer and determining our Chief Executive Officer's compensation. The Compensation Committee also determines the compensation of our other executive officers in consultation with our Chief Executive Officer. In addition, our Compensation Committee administers our stock-based compensation plans, including granting equity awards and approving modifications of such awards. Our Compensation Committee also reviews and approves various other compensation policies and matters and has both the authority to engage its own advisors to assist it in carrying out its function and the responsibility to assess the independence of such advisors in accordance with SEC rules and NYSE listing standards.

Our Compensation Committee has delegated to the non-executive equity committee, consisting of our Chief Executive Officer, the authority to approve equity grants within certain guidelines, which include a prohibition on the approval of equity grants to our executive officers. Our Chief Executive Officer, Chief Financial Officer and General Counsel assist our Compensation Committee in carrying out its functions, although they do not participate in deliberations or decisions with respect to their own compensation. During our fiscal year ended January 31, 2016, our Compensation Committee engaged the services of Compensia, Inc., a compensation consulting firm, to advise it regarding the amount and types of compensation that we provide to our executives and directors and how our compensation practices compared to the compensation practices of other companies. Compensia reports directly to the Compensation Committee. Compensia does not provide any services to us other than the services provided to the Compensation Committee. Our Compensation Committee believes that Compensia does not have any conflicts of interest in advising the Compensation Committee under applicable SEC rules or NYSE listing standards.

Nominating and Governance Committee

During our fiscal year ended January 31, 2016, our Nominating and Governance Committee held two meetings. The members of our Nominating and Governance Committee are Messrs. Barabe and Sekhri, each of whom is a non-employee member of our Board of Directors. Messrs. Barabe and Sekhri are each independent under the listing standards of the NYSE applicable to Nominating and Governance Committee members. Mr. Barabe serves as chair of our Nominating and Governance Committee. The Nominating and Governance Committee oversees the nomination of directors, including, among other things, identifying, evaluating and making recommendations of nominees to our Board of Directors and evaluates the performance of our Board of Directors and individual directors. Our Nominating and Governance Committee is also responsible for reviewing developments in corporate governance practices, evaluating the adequacy of our governance practices and making recommendations to our Board of Directors concerning corporate governance matters.

Compensation Committee Interlocks and Insider Participation

During our fiscal year ended January 31, 2016, our Compensation Committee consisted of Messrs. Codd and Ritter. None of our executive officers serves, or served during our fiscal year ended January 31, 2016, as a member of the Board of Directors or Compensation Committee of any other entity that has or has had one or more executive officers serving as a member of our Board of Directors or our Compensation Committee.

Meetings of the Board of Directors

Our Board of Directors met six times during our fiscal year ended January 31, 2016. Other than Mr. Sekhri, no director attended fewer than 75%, in the aggregate, of the total number of meetings of the Board of Directors and the

total number of committee meetings of which he was a member during our fiscal year ended January 31, 2016. Mr. Sekhri attended ten, in the aggregate, of the 15 meetings of the Board of Directors and committees of which he was a member.

Table of Contents

It is our policy that directors are invited and encouraged to attend our annual meetings of stockholders. We have scheduled our Annual Meeting on the same day as a regularly scheduled Board of Directors meeting in order to facilitate attendance by the members of our Board of Directors. Last year, each member of our Board of Directors attended our annual meeting of stockholders.

Board Oversight of Risk

One of the key functions of our Board of Directors is informed oversight of our risk management process. In particular, our Board of Directors is responsible for monitoring and assessing strategic risk exposure. Our executive officers are responsible for the day-to-day management of the material risks we face. Our Board of Directors administers its oversight function directly as a whole, as well as through various standing committees of our Board of Directors that address risks inherent in their respective areas of oversight. For example, our Audit Committee is responsible for overseeing the management of risks associated with our financial reporting, accounting and auditing matters, as well as overseeing our internal audit function, which focuses on these and other enterprise risks; our Compensation Committee oversees major risks associated with our compensation policies and programs; and our Nominating and Governance Committee oversees the management of risks associated with director independence, conflicts of interest, composition and organization of our Board of Directors and director succession planning.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis.

This compensation discussion and analysis reviews and discusses our compensation programs and policies for our fiscal year ended January 31, 2016 for the following individuals:

Peter P. Gassner, Chief Executive Officer and Director

Timothy S. Cabral, Chief Financial Officer

Frank Defesche, former Senior Vice President, Global Customer Services, who is no longer an executive officer but has assumed another role within Veeva effective March 23, 2016

Alan Mateo, Executive Vice President, Global Sales

E. Nitsa Zuppas, Chief Marketing Officer

We refer to these executive officers collectively in this Compensation Discussion and Analysis (CD&A) and the accompanying compensation tables as our named executive officers or NEOs. More detailed information about the compensation provided to our NEOs for our fiscal year ended January 31, 2016 (fiscal 2016) is set forth in the Summary Compensation Table and other tables that follow this section, as well as the accompanying footnotes and narratives relating to those tables. This CD&A also discusses our executive compensation philosophy, objectives and design; how and why our Compensation Committee arrived at the compensation decisions and actions involving our executive team, including the NEOs, with respect to compensation paid for our fiscal 2016; the role of Compensia, our Compensation Committee's outside compensation consultant; the peer group used in evaluating executive officer compensation; individual components of our executive compensation programs; and certain other policies affecting executive compensation at Veeva.

Executive Compensation Philosophy, Objectives and Components

We operate in the software/technology industry and face a highly competitive environment for top-level executive talent. It is critical to accomplishing our business objectives that we are able to attract and retain talented executives whose skills and experience enable them to contribute to our long-term success. As such, the principal objectives and philosophy of our executive compensation programs are to attract, fairly compensate, appropriately incentivize and retain our executives in a manner that aligns their long-term interests with those of our stockholders. The primary components of our compensation programs for our NEOs are base salary and stock options and, with respect to certain NEOs, restricted stock units (RSUs) and variable cash compensation.

Role of Compensation Committee, Management and Compensation Consultant

Role of Compensation Committee. Our Board of Directors has established a Compensation Committee to discharge its responsibilities relating to our executive compensation policies and programs. Our Compensation Committee

evaluates the performance of our Chief Executive Officer and determines his compensation. The Compensation Committee also determines the compensation of our other executive officers in consultation with our Chief Executive Officer. In making its decisions, our Compensation Committee considers such matters as the members deem appropriate, including our financial and operating performance, the performance of our Class A common stock, factors specific to individual officers such as their individual achievements and retention concerns, our operational goals, and the comparative compensation data described below. From time to time, our Board of Directors approves equity grants to our executive officers upon the recommendation of the Compensation Committee, although our Compensation Committee is also authorized to approve such grants. Our Compensation Committee has delegated authority to our Chief Executive Officer to make certain routine equity award grants, as described below. For additional information on the Compensation Committee, see Committees of the Board of Directors Compensation Committee elsewhere in this proxy statement.

Table of Contents

Role of Management. Members of management, including our Chief Executive Officer, Chief Financial Officer and our General Counsel, work with our Compensation Committee and often attend the Compensation Committee meetings. Members of management also make presentations to our Compensation Committee regarding our equity grants and the adequacy of the remaining equity pool to achieve retention objectives. Although our Chief Executive Officer participates in the discussion and decisions relating to the compensation of our other executive officers, he does not participate in the decision-making process with respect to his own compensation. Our Chief Executive Officer comprises the Non-Executive Equity Committee, to which our Compensation Committee has delegated authority to make routine equity award grants to newly-hired, non-officer-level employees, as well as promotional and refresh equity award grants to non-officer-level employees, all within certain share parameters established and reviewed from time to time by the Compensation Committee.

Role of Compensation Consultant. Our Compensation Committee has the authority to engage its own advisers to assist it in performing its duties, and we pay the fees charged by such advisors. Compensia has been engaged to assist the Compensation Committee in its decision-making process by providing information on competitive market compensation practices, identifying a peer group against which to compare our compensation programs, providing information including market data on our outside director compensation program and supplying such other information and recommendations as the Compensation Committee may from time to time to request.

Peer Group and Competitive Data

In making compensation decisions for our NEOs for fiscal 2016, our Compensation Committee considered data supplied by Compensia on the compensation of executives at the peer companies listed below. Our Compensation Committee believes it is useful to review this comparative data when evaluating our executive compensation programs and making compensation decisions for our NEOs. While it uses this data as a reference point, the Compensation Committee does not feel it necessary at this stage to mirror the compensation provided by these other companies or to target any specific percentile or range of percentiles for cash, incentive, equity or total compensation for our executive officers relative to these peer companies.

At the end of fiscal 2014, Compensia recommended a peer group, which our Compensation Committee accepted. Compensia evaluates our peer group annually, and no changes have been made to this peer group since fiscal 2014. Our Compensation Committee considered the peer group's compensation practices data for compensation decisions during and with respect to fiscal 2016. The peer group consisted of the following companies, which our Compensation Committee has determined are appropriate based upon industry, revenue, market cap, profitability and headcount:

Aspen Technology	athenahealth	CommVaultSystems	Concur Technologies ⁽¹⁾
Cornerstone OnDemand	Guidewire Software	Infoblox	Medidata Solutions
NetSuite	Palo Alto Networks	Qlik Technologies	ServiceNow
SolarWinds	Splunk	Tableau Software	The Ultimate Software Group
Workday			

(1) SAP SE completed its acquisition of Concur Technologies, Inc. in December 2014.

Advisory Votes on Compensation

We submitted two non-binding proposals to our stockholders at the annual meeting of stockholders in 2015. These proposals consisted of an advisory vote to approve the compensation of the NEOs as disclosed in the proxy statement (say-on-pay vote) and an advisory vote on the frequency of future say-on-pay votes (frequency vote). In accordance with the results of the 2015 frequency vote, we are conducting say-on-pay votes every three years. As a result, we will hold our second advisory say-on-pay vote at the annual meeting of stockholders in 2018 and our next frequency vote no later than the annual meeting of stockholders in 2021.

Table of Contents

Approximately 99.9% of the votes cast were cast in favor of the advisory say-on-pay vote at the annual meeting of stockholders in 2015. After considering this result and following our annual review of our executive compensation philosophy, the Compensation Committee decided to retain our overall approach to executive compensation. The Compensation Committee intends to continue to monitor stockholder concerns, including the results of the say-on-pay votes, in making future decisions affecting the compensation of the NEOs.

Principal Elements of Compensation

The compensation of our NEOs for fiscal 2016 consisted of base salary and stock options (including stock options granted in prior fiscal years that continued vesting during fiscal 2016) and, with respect to certain NEOs, RSUs and variable cash compensation. The relative proportion of these components have not been dictated by any particular formula, and the mix and amount of compensation elements has been and will continue to be within the discretion and business judgment of our Compensation Committee.

With respect to our chief executive officer and our chief financial officer, as well as an additional executive officer and co-founder who is not an NEO for fiscal 2016, our Compensation Committee purposefully emphasized long-term incentive compensation in the form of stock options to align the officers' long-term interests with those of our stockholders. Prior to completing our initial public offering (IPO) in 2013, our Compensation Committee determined to maintain through the IPO and for some time thereafter a straight-forward executive compensation program for these executives that would continue to foster an ownership mentality by emphasizing long-term equity compensation, in the form of stock options, over cash compensation. We do not currently provide these executive officers any form of compensation other than base salary, which is the same for each of these executives, and the stock options granted prior to our IPO. To date, our Compensation Committee is of the view that this compensation approach is appropriate for these most senior executive officers.

Compensation for our other NEOs consists of base salary, stock options, RSUs and, in the case of our former Senior Vice President, Global Customer Services, a cash bonus based on the achievement of profitability goals. Our Compensation Committee has structured these compensation programs to attract new senior executives, provide competitive levels of more liquid and less volatile compensation through base salary and RSUs, continue to foster an ownership mentality and alignment with the long-term interests of stockholders through the use of RSUs and stock options and encourage the achievement of key operational goals.

Base Salary. We provide base salaries to our NEOs to compensate them for services rendered on a day-to-day basis and to provide sufficient fixed cash compensation to allow them to fund their personal and household expenses while remaining focused on their responsibilities to Veeva. Our Compensation Committee reviewed base salary levels in fiscal 2016 and determined not to change those levels for any NEO. Base salaries paid to our NEOs for fiscal 2016 are reflected in the Summary Compensation Table below. We expect that our Compensation Committee will generally review base salary levels annually and may review them more frequently, for example in connection with a promotion.

Annual Cash Incentive Bonuses. Our Compensation Committee determined in fiscal 2016 not to establish a broadly applicable short-term cash incentive bonus program for our NEOs in part based on our view that our reliance on equity compensation adequately facilitates the achievement of corporate operational goals and aligns the NEO with long-term stockholder interest. However, in order to encourage the maintenance of a profitable professional services business, Mr. Defesche, our former Senior Vice President, Global Customer Services, received variable cash compensation equal to 1% of global professional services profit, excluding professional services associated with certain new product lines. Information about Mr. Defesche's variable cash compensation for fiscal 2016 is included in the Summary Compensation Table below.

Equity Awards. We grant stock options and RSUs from time to time to employees, including our NEOs, under our stock plans. Stock options allow our executive officers to purchase shares of our common stock at a price per share equal to the fair market value of our common stock on the date of grant. Our options typically have a five-year vesting schedule. Our Compensation Committee believes that options are inherently performance-based because the holder benefits only if our stock price increases following the option grant date,

Table of Contents

aligning the option holder's interest closely with those of our stockholders. RSUs provide that shares will be issued upon satisfaction of service period vesting conditions, typically over a four-year vesting schedule. Our Compensation Committee believes that a grant of RSU awards serves as an effective retention tool for our executive officers because unvested awards are forfeited if an executive officer voluntarily leaves us before the awards have vested and because they have a more readily ascertainable cash value and liquidity. We believe that the combination of stock options and RSUs in our long-term equity program emphasizes an ownership culture and rewards our executives for growing Veeva and our business.

In keeping with the compensation approach applied to our Chief Executive Officer and Chief Financial Officer described above, equity awards were last granted to these officers in March 2013 in the form of stock options. Information about these stock options can be found in the Outstanding Equity Awards at Fiscal 2016 Year-End table below. Neither our Chief Executive Officer nor our Chief Financial Officer has been granted any additional equity awards since 2013.

In fiscal 2016, our Board of Directors granted RSUs to Mr. Defesche and Ms. Zuppas in order to provide competitive compensation using a more liquid and less volatile means as compared to stock option grants. In fiscal 2016 and in connection with joining Veeva, our Compensation Committee granted Mr. Mateo stock options and RSUs. Details regarding fiscal 2016 equity awards to these NEOs is set forth in the Summary Compensation Table and Fiscal 2016 Grants of Plan-Based Awards table below.

Perquisites, Retirement and Other Benefits. We generally do not provide perquisites or other benefits to our NEOs other than those available to employees generally. We have established a 401(k) tax-deferred savings plan, which permits participants, including our NEOs, to make contributions by salary deduction pursuant to Section 401(k) of the Internal Revenue Code of 1986, as amended (Code). We are responsible for administrative costs of the 401(k) plan. We may, at our discretion, make matching contributions to the 401(k) plan. No employer contributions have been made to date.

Severance and Change in Control Benefits. None of our NEOs is currently eligible for any severance or change in control-related benefits.

Other Compensation-Related Policies***Executive Officer Recoupment Policy***

We have not adopted a policy on whether we will make retroactive adjustments to any cash or equity-based incentive compensation paid to the NEOs (or others) where the payment was predicated upon the achievement of financial results that were subsequently the subject of a restatement. Our Compensation Committee anticipates adopting a recoupment policy during fiscal 2017 and, in the meantime, we intend to comply with all applicable laws and regulations requiring any adjustments to or recovery of incentive compensation.

Stock Ownership Guidelines; Trading and Hedging Policies

Our Corporate Governance Principles encourage our executive officers to own Veeva stock. We do not, however, have stock ownership guidelines for our executive officers that require ownership of a specific amount of Veeva stock because our Compensation Committee believes that the stock and option holdings of our executive officers are sufficient at this time to align their interests with those of our stockholders. However, we continue to evaluate the usefulness and appropriateness of such guidelines from time to time. Our executive officers are subject to our insider trading policy that prohibits, among other things, hedging transactions in our common stock as well as pledging of our

securities.

Compensation Policies and Practices as They Relate to Risk Management

Our Compensation Committee has reviewed our compensation-related risks and does not believe that our compensation policies and practices encourage undue or inappropriate risk taking or create risks that are reasonably

Table of Contents

likely to have a material adverse effect on Veeva, since our straight-forward executive compensation program continues to foster an ownership mentality by emphasizing long-term equity compensation over cash compensation.

Tax and Accounting Considerations

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code, or the Code, will limit the amount that we may deduct from our federal income taxes for remuneration paid to our executive officers to one million dollars per executive officer per year, unless certain requirements are met. Section 162(m) provides an exception from this deduction limitation for certain forms of performance-based compensation, as well as for the gain recognized by executive officers upon the exercise of qualifying compensatory stock options. Gain from settlement of restricted stock units and bonus payments to executives may not be tax deductible. While our Compensation Committee is mindful of the benefit to us of the full deductibility of compensation and will consider deductibility when analyzing potential compensation alternatives, our Compensation Committee believes that it should not be constrained by the requirements of Section 162(m) where those requirements would impair flexibility in compensating our executive officers in a manner that can best promote our corporate objectives. Therefore, our Compensation Committee has not adopted a policy that requires that all compensation be deductible.

No Gross-ups of Parachute Payments and Deferred Compensation

We did not provide any executive officer, including any NEO, with a gross-up or other reimbursement payment for any tax liability that he or she might owe as a result of the application of Sections 280G, 4999, or 409A of the Code during fiscal 2016, and we have not agreed and are not otherwise obligated to provide any NEOs with such a gross-up or other reimbursement.

Accounting Treatment

We account for stock compensation in accordance with the authoritative guidance set forth in ASC Topic 718, which requires companies to measure and recognize the compensation expense for all share-based awards made to employees and directors, including stock options and RSUs, over the period during which the award recipient is required to perform services in exchange for the award (for executive officers, generally the four- or five-year vesting period of the award). We estimate the fair value of stock options granted using the Black-Scholes option-valuation model fair value of these awards. This calculation is performed for accounting purposes and reported in the compensation tables below.

In reliance on the review and discussions referred to above, our Compensation Committee has recommended to our board of directors that this Compensation Discussion and Analysis be incorporated by reference into the Annual Report on Form 10-K for the year ended January 31, 2016 and included in this proxy statement.

each of our named executive officers;

each of our directors;

all of our executive officers and directors as a group; and

each stockholder known by us to be the beneficial owner of more than 5% of our outstanding shares of Class A common stock or Class B common stock.

We have determined beneficial ownership in accordance with the rules of the SEC. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons and entities named in the table below have sole voting and investment power with respect to all shares of Class A common stock or Class B common stock that they beneficially own, subject to applicable community property laws.

Applicable percentage ownership is based on 91,279,150 shares of Class A common stock and 42,913,295 shares of Class B common stock outstanding at March 31, 2016. In computing the number of shares of common stock beneficially owned by a person and the percentage ownership of that person, we deemed to be outstanding all shares of common stock subject to options and restricted stock units held by that person or entity that are currently exercisable or releasable or that will become exercisable or releasable within 60 days of March 31, 2016. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person.
