**Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers**

On June 14, 2016, Pegasystems Inc. (the Company) announced that it has appointed Ken Stillwell, age 45, as the Company's Chief Administrative Officer, Chief Financial Officer and Senior Vice President, effective July 7, 2016.

Mr. Stillwell's offer letter specifies the details of his compensation and provides for his employment on an at-will basis at an annual base salary of \$400,000. Mr. Stillwell is eligible for an annual bonus of up to fifty percent of his base salary, subject to the funding provisions of the applicable bonus plan. Mr. Stillwell is also eligible to receive a \$200,000 sign-on bonus, which is repayable to the Company in the event of a voluntary termination by Mr. Stillwell, or a causal termination by the Company, within twelve months of Mr. Stillwell's date of hire. In the event the Company terminates Mr. Stillwell's employment without cause, he is eligible to receive a severance payment equal to six months of his base salary, plus an additional month for each year of service up to a maximum of twelve months, provided Mr. Stillwell signs a mutually acceptable form of release. Additionally, in the event of a change of control and termination of Mr. Stillwell's employment, Mr. Stillwell's unvested equity will accelerate.

The Company will also provide Mr. Stillwell with an equity grant, of which sixty percent will be stock options and forty percent restricted stock units, and for which the Company will incur a \$3,000,000 expense and the estimated timeframe for consideration for an additional grant will be deferred to January 2018. The grant is subject to approval by the Company's Compensation Committee following the commencement of Mr. Stillwell's employment. The vesting schedule for the equity grant is subject to acceleration in full, in the event of a change in control and termination of Mr. Stillwell's employment.

A copy of Mr. Stillwell's offer letter is attached hereto as Exhibit 99.1.
