## **Item 2.01 Completion of Acquisition or Disposition of Assets.**

On February 10, 2016, Mylan N.V. ( Mylan ) announced a recommended public offer to the shareholders of Meda Aktiebolag (publ.) ( Meda ) to tender all their shares in Meda to Mylan (the Offer ), with an enterprise value, including the net debt of Meda, of approximately SEK 83.6 billion (based on a SEK/USD exchange rate of 8.4158) or \$9.9 billion at announcement. An offer document regarding the Offer (the Offer Document ) and the prospectus issued in connection with the Offer (the EU Prospectus ) were each made public on June 16, 2016 and, on July 21, 2016, Mylan published supplements to each of the Offer Document and the EU Prospectus. Mylan has also filed the Registration Statement (as defined below).

The acceptance period of the Offer expired at 5:00 p.m. (CET) on July 29, 2016. On August 2, 2016, Mylan announced the results of the Offer and declared the Offer to be unconditional. A total of 342,578,694 Meda shares were validly tendered and not withdrawn. The tendered shares represent approximately 94% of the total number of outstanding shares and votes in Meda as of July 29, 2016.

Settlement with respect to the Meda shares duly tendered by July 29, 2016 occurred on August 5, 2016. Meda shareholders that duly tendered received (i) in respect of 80% of the number of Meda shares tendered, SEK 165 in cash per Meda share, and (ii) in respect of the remaining 20% of the number of Meda shares tendered, 0.386 Mylan ordinary shares per Meda share, subject to the treatment of fractional shares in accordance with the Offer Document. Total consideration for the Meda shares acquired at settlement was approximately \$6.6 billion, which includes cash consideration of approximately \$5.3 billion and the issuance of approximately 26.4 million Mylan ordinary shares. Upon settlement, Meda became a controlled subsidiary of Mylan. Mylan has initiated compulsory acquisition proceedings under Swedish law regarding the Meda shares not tendered in the Offer and has acted to have Meda's shares delisted from Nasdaq Stockholm.

The cash portion of the Offer consideration was financed in part with a portion of the net proceeds of Mylan's private offering of \$6.5 billion aggregate principal amount of senior notes which was completed on June 9, 2016.

The issuance of the Mylan ordinary shares in connection with the Offer, as described above, was registered under the Securities Act of 1933, as amended, pursuant to Mylan's Registration Statement on Form S-4 (File No. 333-210696), initially filed with the Securities and Exchange Commission (the SEC ) on April 11, 2016 and declared effective on June 16, 2016 (as amended, the Registration Statement ).

## **Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

As described under Item 2.01 of this Current Report on Form 8-K, the contents of which are incorporated by reference into this Item 2.03, upon settlement of the Offer on August 5, 2016, Meda became a controlled subsidiary of Mylan. As described in the Registration Statement, Meda is party to certain debt obligations, all of which remained outstanding following the settlement of the Offer. As of June 30, 2016, approximately SEK 28.35 billion aggregate principal amount of Meda's outstanding debt obligations and committed bank facilities contained change of control provisions that were triggered upon settlement of the Offer.

The settlement of the Offer constituted a change of control under the Facilities Agreement, dated as of December 17, 2014 (as amended on October 29, 2015, the Facilities Agreement ), among Meda, as borrower, the lenders party thereto (the Lenders ) and Danske Bank A/S, as agent ( Danske ). As of June 30, 2016, there was SEK 20.31 billion aggregate principal amount of loans outstanding under the Facilities Agreement. In accordance with the terms of the Facilities Agreement, Meda is negotiating with Danske and the Lenders to agree to terms and conditions acceptable for continuing the Facilities Agreement. If no agreement is reached within 30 days of Danske's receipt of notice from Meda of such change of control, each Lender may cancel its commitments and request repayment of its loans under

the Facilities Agreement by notice to Meda, with repayment to be made not less than 30 days after such notice to Meda.

The settlement of the Offer constituted a Change of Control (as defined in the Loan Agreement referred to below) under the Loan Agreement, dated as of September 17, 2014 (the Loan Agreement), between Meda, as borrower, and AB Svensk Exportkredit (publ), as lender (Svensk Exportkredit). As of June 30, 2016, there was SEK 2 billion aggregate principal amount of loans outstanding under the Loan Agreement. In accordance with the terms of the Loan Agreement, Meda may negotiate with Svensk Exportkredit to agree to terms and conditions acceptable for continuing the Loan Agreement. If no agreement is reached within 30 days of Svensk Exportkredit's receipt of notice from Meda of the Change of Control, Svensk Exportkredit may cancel its commitment and demand repayment of the loans under the Loan Agreement by notice to Meda, with repayment to be made not less than 30 days after such notice to Meda. The loans under the Loan Agreement will be repaid in accordance with the terms thereof.

The settlement of the Offer constituted a change of control under the terms of the notes issued by Meda under its MTN Program. As of June 30, 2016, there was SEK 1.35 billion aggregate principal amount of notes outstanding under Meda's MTN program. In accordance with the terms of the notes, Meda notified the noteholders of the occurrence of the change of control on August 5, 2016. As a result of such change of control, each noteholder has an individual right (a put right) to demand early redemption of the notes at their principal amount, together with accrued interest up to and including the date of redemption. The date of redemption for the notes of the noteholders that choose to exercise their put rights will be November 3, 2016. Each noteholder that wishes to exercise a put right must inform Meda thereof no later than October 4, 2016. The distribution of the redemption amount will be administered by Euroclear Sweden AB.

The settlement of the Offer constituted an Acceleration Event (as defined in the Rottapharm Agreement referred to below) under the Sale and Purchase Agreement, dated as of July 30, 2014 (the Rottapharm Agreement), among Fidim S.r.l., Meda Pharma S.p.A and Meda, the occurrence of which accelerated a deferred payment of 275 million relating to Meda's acquisition of Rottapharm S.p.A. which otherwise would have been payable in January 2017.

Mylan anticipates that it will have sufficient liquidity to repurchase, repay or refinance any of the foregoing Meda debt obligations to the extent required.
