Item 1.01 Entry into a Material Definitive Agreement

The information included in Item 2.03 of this Current Report on Form 8-K relating to the Indenture (as defined below) is incorporated by reference into this Item 1.01 of this Current Report on Form 8-K.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant

On December 19, 2016, Rowan Companies, Inc. (Rowan Delaware) and its parent company, Rowan Companies plc (Rowan UK and together with Rowan Delaware, the Obligor), completed an underwritten public offering of \$500 million aggregate principal amount of Rowan Delaware's 7.375% Senior Notes due 2025 (the Notes) along with the related guarantees of the Notes on a full and unconditional basis by Rowan UK (the Guarantees and together with the Notes, the Securities). The Notes constitute a new series of debt securities under an indenture dated as of July 21, 2009 (the Base Indenture) between Rowan Delaware and U.S. Bank National Association, as trustee (the Trustee), as amended and supplemented by the eighth supplemental indenture thereto dated as of December 19, 2016 (the Eighth Supplemental Indenture) by and among the Obligor and the Trustee. The Base Indenture, as supplemented by the Eighth Supplemental Indenture is referred to herein as the Indenture and sets forth the specific terms applicable to the Securities. The description of the Indenture contained in this Current Report on Form 8-K does not purport to be complete and is qualified in its entirety by reference to the full text of the Base Indenture, a copy of which was filed as Exhibit 4.4 of the Registration Statement on Form S-3ASR filed on May 16, 2012 and is incorporated by reference herein, and the Eighth Supplemental Indenture, a copy of which is filed herewith as Exhibit 4.2 and is incorporated by reference herein.

Interest on the Notes is payable semi-annually on June 15 and December 15 of each year, commencing on June 15, 2017. The Notes will mature on June 15, 2025.

Net proceeds from the offering of the Securities, after deducting the underwriting discount, estimated offering expenses and a structuring fee, are approximately \$492.7 million. Rowan Delaware intends to use such net proceeds, together with cash on hand, to fund its recently announced tender offers (the Tender Offers) to purchase for cash up to \$750 million aggregate purchase price, excluding accrued interest, of Rowan Delaware's 5.000% Senior Notes due 2017 (the 2017 Notes), 7.875% Senior Notes due 2019 (the 2019 Notes), 4.875% Senior Notes due 2022 (the 2022 Notes) and 4.750% Senior Notes due 2024 (the 2024 Notes). If the Tender Offers are not consummated, or the aggregate purchase price of the notes tendered in the Tender Offers and accepted for payment is less than the net proceeds of the offering, the Company will use the remainder of such proceeds for general corporate purposes, including capital expenditures.

At any time and from time to time prior to March 15, 2025, Rowan Delaware may redeem any or all of the Notes for a redemption price equal to 100% of the principal amount of the Notes redeemed plus accrued and unpaid interest to, but excluding, the redemption date plus a make-whole premium. There will be no make-whole premium applicable to redemption of the Notes on and after March 15, 2025. If a Change of Control Repurchase Event (as defined in the Indenture) occurs, then holders may require Rowan Delaware to repurchase the Notes at a cash repurchase price equal to 101% of the principal amount of the Notes to be repurchased, plus accrued and unpaid interest to the repurchase date.

The Notes are Rowan Delaware's senior unsecured obligations and rank senior in right of payment to all of the subordinated indebtedness of Rowan Delaware and *pari passu* in right of payment with any of Rowan Delaware's existing and future senior indebtedness, including Rowan Delaware's 2017 Notes, 2019 Notes, 2022 Notes, 2024 Notes, 5.400% Senior Notes due 2042, 5.850% Senior Notes due 2044 and any indebtedness under Rowan Delaware's senior revolving credit facility. The Notes rank effectively junior to Rowan Delaware's secured indebtedness, if any (including any letter of credit reimbursement obligations under our credit facility that are secured by cash deposits), to

the extent of the value of its assets constituting collateral securing that indebtedness and effectively junior to all indebtedness and other liabilities, including trade payables, of Rowan Delaware's subsidiaries (other than indebtedness and liabilities owed to Rowan Delaware). The Notes are fully and unconditionally guaranteed on a senior unsecured basis by Rowan UK.

The following are events of default with respect to each series of the Notes:

- (1) default in the payment of any interest upon the Notes of such series when due and payable that continues for 30 days;
- (2) default in the payment of principal of, or premium, if any, on the Notes of such series when due at its maturity, declaration of acceleration, call for redemption or otherwise;
- (3) default in the performance, or breach, of any covenant set forth in Article Ten of the Indentures (other than a covenant for which default or breach is specifically addressed within these events of default) that continues for 60 days after there has been given written notice from the trustee or holders of at least 25% in principal amount of the Notes of such series outstanding specifying such default or breach and requiring it to be remedied and stating that such notice is a Notice of Default under the respective Indenture;
- (4) default in the performance, or breach, of any covenant of the Indentures (other than a covenant in Article Ten of the Indentures and any other covenant for which default or breach is specifically addressed within these events of default) that continues for 120 days after there has been given written notice from the trustee or holders of at least 25% in principal amount of the Notes of such series outstanding specifying such default or breach and requiring it to be remedied and stating that such notice is a Notice of Default under the respective Indenture;
- (5) certain events of bankruptcy, insolvency or reorganization with respect to Rowan Delaware;
- (6) default in the deposit of any sinking fund payment when due;
- (7) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any current or future debt of Rowan Delaware or any of its Significant Subsidiaries (as such term is defined in Article I, Rule 1-02(w) of Regulation S-X, promulgated pursuant to the Securities Act of 1933, as amended), or the payment of which is guaranteed by Rowan Delaware or any of its Significant Subsidiaries, if such default (a) is caused by a failure to pay principal of or premium, if any, or interest on such debt prior to the expiration of the grace period for such debt on the date of such default, or payment default, or (b) results in the acceleration of such debt prior to its express maturity and in each case described in (a) or (b), the principal amount of such debt, together with the principal amount of any other such debt under which there has been a payment default or the maturity of which has been so accelerated, aggregates at least \$35.0 million; or
- (8) Rowan Delaware's failure to repurchase all of the notes tendered for purchase upon a Change of Control Repurchase Event.

If an event of default with respect to the Notes of either series occurs and is continuing, the trustee or the holders of not less than 25% in principal amount of the outstanding Notes of such series may declare the principal amount of the Notes of such series to be due and payable. Upon such a declaration, such principal amount will become due and payable immediately. If an event of default relating to certain events of bankruptcy, insolvency or reorganization with respect to Rowan Delaware occurs and is continuing, the principal amount of the Notes outstanding will become immediately due and payable without any declaration or other act on the part of the trustee or any holders of the Notes. However the effect of such provision may be limited by applicable law. Under certain circumstances, the holders of a majority in principal amount of the outstanding Notes of each series may rescind any such acceleration with respect to the Notes of such series, and its consequences.

Item 8.01 Other Events.

On December 19, 2016, Rowan UK announced early tender results and amendments with respect to Rowan Delaware's previously announced Tender Offers.

A copy of the press release describing the early tender results and amendments is filed herewith as Exhibit 99.1 and is incorporated herein by reference. Other than the terms and conditions amended thereby, all terms and conditions of the Tender Offers described in Rowan Delaware's Offer to Purchase, dated December 5, 2016, remain unchanged.
