**PROXY STATEMENT**

**FOR THE 2017 ANNUAL MEETING OF STOCKHOLDERS**

**To Be Held On May 17, 2017 at 10:00 a.m., Eastern Daylight Time**

**QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING**

**Why am I receiving these materials?**

The Board of Directors (the Board) of The ExOne Company (we, the Company, or ExOne) is soliciting your proxy to vote at the 2017 Annual Meeting of Stockholders (the Annual Meeting) to be held on May 17, 2017 at 10:00 a.m., Eastern Daylight Time, at ExOne's principal executive offices, 127 Industry Boulevard, North Huntingdon, Pennsylvania 15642.

You are invited to attend the Annual Meeting to vote on the proposals described in this Proxy Statement. However, you do not need to attend the meeting to vote your shares. If you are a registered holder, you may vote by telephone, over the Internet or by completing, signing and returning a proxy card to us at 127 Industry Boulevard, North Huntingdon, Pennsylvania 15642. If you hold your shares through a broker, bank or other nominee, you will receive voting instructions from your broker, bank or other nominee. Please follow the instructions that you receive to vote your shares.

We intend to mail to all stockholders of record entitled to vote at the Annual Meeting either the Internet Notice or a full set paper copy of this Proxy Statement, together with our 2016 Annual Report, the Notice of Annual Meeting and the accompanying proxy card on or about April 6, 2017.

Copies of our 2016 Annual Report furnished to our stockholders do not contain copies of exhibits to our Annual Report on Form 10-K for the year ended December 31, 2016. You can obtain copies of these exhibits electronically at the website of the Securities and Exchange Commission (the SEC) at [www.sec.gov](http://www.sec.gov) or by mail from the Public Reference Section of the SEC at 100 F Street, N.E., Washington, D.C. 20549 at prescribed rates. The exhibits are also available as part of the Form 10-K for the year ended December 31, 2016 which is available on ExOne's corporate website at [www.exone.com](http://www.exone.com). Stockholders may also obtain copies of exhibits without charge by contacting our Executive Vice President, Chief Legal Officer and Corporate Secretary at (724) 863-9663.

We will also post this Proxy Statement, our 2016 Annual Report and the Notice of Annual Meeting on the Internet at [HTTP://WWW.PROXYVOTE.COM](http://WWW.PROXYVOTE.COM) on or about April 6, 2017, which you may access using your 16-digit control number.

**Why did I receive an Internet Notice in the mail regarding the Internet availability of proxy materials instead of a full set paper copy of this Proxy Statement, the 2016 Annual Report and the Notice of Annual Meeting?**

We are taking advantage of an SEC rule that allows companies to furnish their proxy materials over the Internet rather than in paper form. This rule allows a company to send some or all of its stockholders the Internet

## **Table of Contents**

Notice regarding Internet availability of proxy materials. Instructions on how to access the proxy materials over the Internet or how to request a paper copy of proxy materials may be found in the Internet Notice.

If you would prefer to receive proxy materials (including a proxy card) in printed form by mail or electronically by email, please follow the instructions contained in the Internet Notice.

### **Why didn't I receive an Internet Notice in the mail regarding the Internet availability of proxy materials?**

The SEC rule that allows us to furnish our proxy materials over the Internet rather than in paper form does not require us to do so for all stockholders. We may choose to send certain stockholders the Internet Notice, while sending other stockholders a full set paper copy of our Proxy Statement, 2016 Annual Report, Notice of Annual Meeting and proxy card.

### **Who can vote at the Annual Meeting and when is the Record Date?**

Only stockholders of record at the close of business on March 23, 2017 are entitled to vote at the Annual Meeting. On the record date, there were 16,141,286 shares of ExOne common stock ( Common Stock ) outstanding. All holders of these outstanding shares are entitled to one vote for each share of Common Stock held by them as of the close of business on March 23, 2017 for each matter to be voted on at the Annual Meeting.

### **How can I access the proxy materials over the Internet?**

An electronic copy of this Proxy Statement, the 2016 Annual Report and the Notice of Annual Meeting are available with your 16-digit control number at [HTTP://WWW.PROXYVOTE.COM](http://WWW.PROXYVOTE.COM).

### **What proposals are being considered?**

There are two matters scheduled for a vote at the Annual Meeting:

*Proposal No. 1:* Election of the seven (7) nominees to the Board identified in Proposal No. 1, each for a term that expires at the 2018 Annual Meeting of Stockholders.

*Proposal No. 2:* Ratification of the appointment of Schneider Downs & Co., Inc. as ExOne's independent registered public accounting firm for the year ending December 31, 2017.

### **How do I vote?**

For Proposal No. 1, you may vote **For** or **Against** each director nominee or you may **Abstain** from voting for any nominee. For Proposal No. 2, you may vote **For** or **Against** the proposal or **Abstain** from voting.

**Stockholder of Record (Shares Registered in Your Name)** If on March 23, 2017, your shares were registered directly in your name with ExOne's transfer agent, American Stock Transfer & Trust, LLP, then you are a stockholder of record with respect to those shares.

As a stockholder of record, you may vote by proxy by telephone, over the Internet or by returning a proxy card, or you may vote in person at the Annual Meeting. Regardless of whether you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

If you received your proxy materials in the mail, you may vote your shares by proxy over the Internet, by telephone or by returning your proxy card by mail in the envelope provided. Instructions to vote over the Internet or by telephone are printed on your proxy card. To vote using the proxy card, please complete,

sign and date the enclosed proxy card and return it promptly to us. If you vote by proxy by telephone, over the Internet or by returning your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

To vote in person, please come to the Annual Meeting and we will give you a ballot when you arrive.

**Beneficial Owner (Shares Registered in the Name of a Broker, Bank or Other Nominee)** If on March 23, 2017, your shares were held in an account at a broker, bank, or other similar organization as your nominee, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting.

As a beneficial owner, you have the right to direct that organization on how to vote the shares in your account. Please refer to the voting instructions provided by your broker, bank or other nominee. Many organizations allow beneficial owners to give voting instructions via telephone or the Internet, as well as in writing. You also are invited to attend the Annual Meeting, but you will need to bring a copy of a brokerage statement reflecting stock ownership as of March 23, 2017. Because you are not the stockholder of record, you may not vote your shares in person at the meeting, unless you provide a valid proxy (sometimes referred to as a legal proxy ) from your broker, bank or other nominee.

### **How many votes do I have?**

You have one vote for each share of Common Stock you own as of the close of business on March 23, 2017 for each matter to be voted on at the Annual Meeting. You may vote on each proposal presented for consideration at the Annual Meeting. There are no cumulative voting rights with respect to our Common Stock.

### **What if I return a proxy card but do not make specific choices?**

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted **For** the election of each of the seven (7) nominees for director, and **For** ratification of Schneider Downs & Co., Inc. as our independent registered public accounting firm for the year ending December 31, 2017. If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

### **What do I need to do to attend the Annual Meeting in person?**

Space for the Annual Meeting is limited. Therefore, admission will be on a first-come, first-served basis. Registration will open at 9:45 a.m. Eastern Daylight Time, and the Annual Meeting will begin at 10:00 a.m. Each stockholder should be prepared to present:

1. Valid government issued photo identification, such as a driver's license or passport; and
2. Beneficial owners holding their shares through a broker, bank or other nominee will need to bring proof of beneficial ownership as of March 23, 2017, the record date, such as their most recent account statement reflecting their stock ownership prior to March 23, 2017, a copy of the voting instruction card provided by their broker, bank or other nominee, or similar evidence of ownership.

Use of cameras, recording devices, computers and other electronic devices, such as smart phones and tablets, are not permitted at the Annual Meeting. Photography and video are prohibited at the Annual Meeting.

Please allow ample time for check-in. Please note that large bags and packages are not allowed at the Annual Meeting. Persons may be subject to search.

## **Table of Contents**

### **Who is paying for this proxy solicitation?**

ExOne will pay for the entire cost of soliciting proxies. In addition to ExOne mailing these proxy materials, ExOne's directors and employees also may solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. ExOne may reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

### **What does it mean if I receive more than one set of proxy materials?**

If you receive more than one set of proxy materials (including multiple Internet Notices or multiple copies of this Proxy Statement, Notice of Annual Meeting and proxy card), your shares are registered in more than one name or are registered in different accounts. Please make sure that you vote all of your shares by following the directions on each Internet Notice or proxy card.

### **Can I change my vote after submitting my proxy?**

Yes. You can change your vote at any time before the final vote at the meeting.

If you are a stockholder of record, you may change your vote in any one of the following ways:

You may submit another properly completed proxy (including by telephone or over the Internet) with a later date.

You may send a written notice that you are revoking your proxy to our Corporate Secretary at The ExOne Company, 127 Industry Boulevard, North Huntingdon, Pennsylvania 15642.

You may attend the Annual Meeting and vote in person by ballot. Simply attending the meeting will not, by itself, revoke your proxy. If you are a beneficial owner of shares held in street name, you may change your vote in any one of the following ways:

You may submit new voting instructions to your broker, bank or other nominee.

If you have obtained a legal proxy from the broker, bank or other nominee that holds your shares giving you the right to vote the shares, by attending the Annual Meeting and voting in person.

### **How are votes counted?**

We have designated a representative of C. T. Hagberg LLC as the inspector of elections who will validate the votes.

With respect to Proposal No. 1, the inspector of elections will count **For** votes and **Against** votes. Abstentions and broker non-votes will not be counted as having been voted on the proposal, nor will they affect the outcome of Proposal No. 1.

With respect to Proposal No. 2, the inspector of elections will count separately **For**, **Against** and **Abstain** votes and broker non-votes. **Abstain** votes will be counted towards the vote total for the proposal, and will have the same effect as **Against** votes. Because broker non-votes are not deemed to be votes entitled to be cast, they will not affect the outcome of Proposal No. 2.

See *How many votes are needed to approve each proposal?* for further details regarding the votes needed to approve each proposal.

## **Table of Contents**

### **What is a broker non-vote ?**

If your shares are held by your broker, bank or other similar organization as your nominee (that is, in street name ), you will need to follow the voting instructions provided by that organization on how to vote your shares. If you do not provide voting instructions, your shares may constitute broker non-votes. Generally, broker non-votes occur on a matter when a broker, bank or other nominee is not permitted to vote on that matter, including the election of directors, without instructions from the beneficial owner and instructions are not given.

In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, while broker non-votes will be counted as present for the purpose of determining the presence of a quorum at the meeting, broker non-votes will **not** affect the outcome of any matter being voted on at the meeting.

### **How many votes are needed to approve each proposal?**

*Proposal No. 1.* Directors will be elected by the vote of a majority of the shares cast with respect to the director at the Annual Meeting. This means that the number of votes cast **For** a director's election must exceed the number of votes cast **Against** that director's election. Stockholders may not cumulate votes in the election of directors. Abstentions and broker non-votes will not be counted as having been voted on the proposal, nor will they affect the outcome of this proposal.

*Proposal No. 2.* Ratification of the appointment of Schneider Downs & Co., Inc. as ExOne's independent registered public accounting firm for the year ending December 31, 2017 requires the affirmative vote of a majority of the shares represented at the Annual Meeting and entitled to vote on this matter. Abstentions will have the same effect as an **Against** vote. Because broker non-votes are not deemed to be votes entitled to be cast, they will not affect the outcome of this proposal.

### **What are the Board's voting recommendations?**

*Proposal No. 1:* **For** election of each of the seven (7) nominees to the Board.

*Proposal No. 2:* **For** ratification of the appointment of Schneider Downs & Co., Inc. as ExOne's independent registered public accounting firm for the year ending December 31, 2017.

### **What is the quorum requirement?**

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if a majority of all outstanding shares entitled to vote is represented by stockholders present at the meeting or represented by proxy. On the record date, there were 16,141,286 shares of Common Stock outstanding and entitled to vote. This means that at least 8,070,644 shares must be represented by stockholders present at the meeting or represented by proxy to have a quorum. Your shares will be counted towards the quorum if you submit a valid proxy or vote at the meeting.

### **How can I find out the results of the voting at the Annual Meeting?**

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K filed with the SEC within four business days following the Annual Meeting. In the event we are unable to obtain the final voting results within four business days, we will file the preliminary voting results in a Current Report on Form 8-K within four business days following the Annual Meeting, and will file an amended Current Report on Form 8-K with the final voting results within four business days after the final voting results are known.

## **Table of Contents**

### **How can stockholders submit a proposal for inclusion in our Proxy Statement for the 2018 Annual Meeting of Stockholders?**

Our 2018 Annual Meeting of Stockholders will be held on May 16, 2018 at 10:00 a.m. To be included in our Proxy Statement for the 2018 Annual Meeting of Stockholders, stockholder proposals must comply with the requirements of Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the Exchange Act ). To be eligible for inclusion, such proposals must be received by ExOne by December 7, 2017, which is at least 120 calendar days before the anniversary date of the release of ExOne's Proxy Statement to stockholders in connection with the previous year's annual meeting.

### **How can stockholders submit nominations of persons for election to the Board or proposals of business to be transacted by the stockholders for the 2018 Annual Meeting of Stockholders?**

A stockholder of record may submit nominations of persons for election to the Board or proposals of business to be transacted by the stockholders only if he or she complies with Article III, Section 13 of our Amended and Restated Bylaws, as amended (the Bylaws ). This section provides that a stockholder must give advance notice to our Corporate Secretary of any business, including nominations of directors for our Board, that the stockholder wishes to raise at the 2018 Annual Meeting of Stockholders at our principal executive offices (i) not earlier than 120 days prior to such meeting and (ii) at least 45 days prior to the anniversary date of the filing of ExOne's Proxy Statement with the SEC in connection with the previous year's annual meeting. Therefore, for the 2018 Annual Meeting, such notice must be received by ExOne no sooner than January 16, 2018 and no later than February 20, 2018.

With respect to a stockholder's nomination of a candidate for our Board, the stockholder notice to our Corporate Secretary must contain certain information as set forth in our Bylaws about both the nominee and the stockholder making the nomination. With respect to any other business that the stockholder proposes, the stockholder notice must contain a brief description of such business, the reasons for conducting such business at the meeting, any personal or other direct or indirect material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made, and certain other information specified in our Bylaws.

If you wish to bring a stockholder proposal or nominate a candidate for director, you are advised to review our Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

If a stockholder wishes only to recommend a candidate for consideration by the Nominating and Governance Committee as a potential nominee for director, see the procedures discussed in *Corporate Governance - Nominating and Governance Committee*.

### **What are the implications of being an emerging growth company ?**

We qualify as an emerging growth company as defined in the Jumpstart our Business Startups Act of 2012 (the JOBS Act ). An emerging growth company may take advantage of specified reduced reporting requirements and is relieved of certain other significant requirements that are otherwise generally applicable to public companies.

As an emerging growth company:

We are exempt from the requirement to obtain an attestation and report from our independent registered public accounting firm on the assessment of our internal control over financial reporting pursuant to the Sarbanes-Oxley Act of 2002;

We are permitted to provide less extensive disclosure about our executive compensation arrangements;

**Table of Contents**

We are not required to give our stockholders non-binding advisory votes on executive compensation or golden parachute arrangements; and

We have elected to use an extended transition period for complying with new or revised accounting standards. We will continue to operate under these provisions through December 31, 2018, or such earlier time that we no longer qualify as an emerging growth company. We would cease to be an emerging growth company if we have more than \$1.0 billion in annual revenues, qualify as a large accelerated filer under the Exchange Act, which requires us to have more than \$700 million in market value of our Common Stock held by non-affiliates, or issue more than \$1.0 billion of non-convertible debt over a three-year period. We may choose to take advantage of some, but not all, of these reduced burdens.

**PROPOSAL 1 ELECTION OF DIRECTORS**

**General**

This year, the Nominating and Governance Committee has selected seven (7) nominees for election to the Board for consideration at the Annual Meeting; our Board has approved the nominees. Each nominee elected as a director at the Annual Meeting will continue to serve until the 2018 Annual Meeting of Stockholders, until his or her successor has been elected or qualified, or until his or her earlier death, resignation or removal.

**Director Qualifications**

Our Nominating and Governance Committee believes each member of our Board and nominee for director possesses the individual qualities necessary to serve on ExOne's Board, including high personal and professional ethical standards and integrity, honesty and good values. Our directors are highly educated and have diverse backgrounds and extensive track records of success in what we believe are highly relevant positions with large international companies, firms and major private and public institutions. Our incumbent directors have each demonstrated an ability to exercise sound judgment and have exhibited a commitment of service to ExOne and to the Board, and each of our directors and director nominees possesses strong communication skills. In addition, we believe that each director brings the skills, experience and perspective that, when taken as a whole, create a Board that possesses the requirements necessary to oversee ExOne's business. Each nominee's particular experience, qualifications, attributes and skills that led the Board to conclude that such nominee should serve as a director for ExOne are set forth below under *Nominees*.

**Vote Required**

Directors will be elected by the vote of a majority of the shares cast with respect to the director at the Annual Meeting. This means that the number of votes cast **For** a director's election must exceed the total number of votes cast **Against** that director's election. Abstentions and broker non-votes will not be counted as having been voted on the proposal, nor will they affect the outcome of Proposal No. 1.

If a nominee is not elected, the director shall offer to tender his or her resignation to the Board. The Nominating and Governance Committee of the Board will make a recommendation to the Board as to whether to accept or reject the resignation, or whether other action should be taken. The Board will act on the Nominating and Governance Committee's recommendation and publicly disclose its decision and rationale within 90 days following the date of the certification of the election results. The director who tenders his or her resignation will not participate in the Board's decision with respect to that resignation.

The proxy holders intend to vote all proxies received by them **For** the nominees listed below unless otherwise instructed. **CORPORATE GOVERNANCE**

**Highlights of Our Corporate Governance Practices**

Our Board is committed to establishing and maintaining corporate governance policies and practices that are appropriate for a company like ExOne. Highlights of our implemented measures include:

Strong independent Lead Director and enhanced use of independent committees to ensure a balanced process;

Annual election of directors;

Majority voting standard for non-contested election of directors;

Supermajority of independent directors on the Board (5 out of 7 independent directors upon election at 2017 Annual Meeting);

100% independent members on Audit, Compensation and Nominating and Governance Committees;

Stock retention policy for directors and executive officers;

Anti-hedging and anti-pledging policies for directors and executive officers;

Clawback policy for restatement of financial statements;

Succession and executive talent planning at the Board level;

Strong ethics policy, whistleblower policy and international policies on import and export matters;

Process for review and approval of related person transactions;

Board compensation in form and amount appropriate for our size and state of development; and

Annual Board self-evaluation process.

**Structure and Size of the Board**

Our Board may establish the authorized number of directors from time-to-time by resolution, as permitted under our Bylaws. Currently, the Board has established that the Board will have seven members. Our current directors (if elected at the Annual Meeting) will continue to serve until the 2018 Annual Meeting of Stockholders, until his or her successor has been elected or qualified, or until his or her earlier death, resignation or removal.

**Independence of the Board and Committees**

A majority of our directors are independent under the applicable rules of NASDAQ. The Board determined in February 2017 that Messrs. Kilmer, Pashke, Semple and Strome and Ms. Wachtel each qualify as independent directors in accordance with the published listing requirements of NASDAQ.

As required by the NASDAQ rules, the Board has made a subjective determination as to each independent director that no relationships exist which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the directors reviewed and discussed information provided by the directors and ExOne with regard to each director's business and personal activities as they may relate to us and our management.

Upon the election of the directors at the 2017 Annual Meeting, we will have five (5) out of seven (7) independent directors on the Board, and each committee will have only independent members.

## **Table of Contents**

### **Board Leadership Structure and Our Independent Lead Director**

Our Bylaws give the Board the flexibility to determine whether the roles of Chief Executive Officer and Board Chairman should be held by the same person or by two separate individuals. In August 2016, our Board made the decision to split the roles of Chairman and Chief Executive Officer, and appointed S. Kent Rockwell to serve as Executive Chairman and James L. McCarley to serve as our Chief Executive Officer.

Mr. Rockwell's role as Executive Chairman is to focus on strategy of the Company and its business and leading the Board. As the founder of the Company and former Chief Executive Officer, the Board believes that Mr. Rockwell is uniquely positioned to continue to take the lead on strategic planning for the Company, management succession issues and leading the Board while transitioning away from handling the Company's daily operations. As the leader of the Board, Mr. Rockwell continues to set Board agendas and lead Board meetings. As part of this transition, the Board also appointed Mr. McCarley as the Chief Executive Officer, who oversees and leads the Company's operations and business.

The Board also has elected Mr. Semple to serve as the Lead Director of our independent directors, which is an important role for our Company because he provides leadership to the Board if circumstances arise in which Mr. Rockwell (who is also a significant stockholder) may be, or may be perceived to be, in conflict with the Company. As the Lead Director, Mr. Semple also:

Regularly meets with and assists Mr. Rockwell in preparing for meetings of the Board;

Presides at executive sessions of the independent directors;

Chairs certain meetings when the Executive Chairman is not in attendance;

Serves as a liaison between the other independent directors and Mr. Rockwell;

Guides the Board's governance processes, including annual self-evaluations, succession planning and other governance related matters;

May call meetings of the independent directors in his discretion;

Makes himself available for consultation and direct communication with our major stockholders; and

Performs any other functions as the Board may direct.

Each meeting of the Board includes a meeting of the independent directors (led by our Lead Director), which takes place without any members of management or employees present.

### **Risk Oversight Management**

Our management is responsible for the day-to-day management of the risks that we face including, without limitation, strategic, financial, operational, legal/compliance and reputational risks.

Our Board, as a whole, has responsibility for the oversight of enterprise risk management, and our Audit Committee is responsible for overseeing the process by which management assesses and manages our exposure to risk, as well as our major financial risk exposures and the steps management takes to monitor and control such exposures, based on consultation with our management and independent auditors. The Board's and Audit Committee's oversight roles are supported by management reporting processes that are designed to provide the Board and the Audit Committee insight into the identification, assessment and management of critical risks. The Board receives regular updates related to risks

and risk management.

**Information Regarding the Board and its Committees**

Our Board has established three committees: an Audit Committee, a Compensation Committee and a Nominating and Governance Committee.

**Table of Contents**

The following table provides membership information for each of the Board committees as of March 23, 2017:

Name	Audit Committee	Compensation Committee	Nominating and Governance Committee
S. Kent Rockwell			
John Irvin			
Raymond J. Kilmer		X	X
Gregory F. Pashke	X		
Lloyd A. Semple (Lead Director)		X	C
William F. Strome	C		X
Bonnie K. Wachtel	X	C	

C Denotes committee chair as of March 23, 2017.

Below is a description of each committee of the Board. A copy of the charter for each committee is posted on our website at <http://www.exone.com> under the Corporate Governance section and within the Investor Relations section.

During 2016, the Board met nine (9) times. During that period, each director attended 75% or more of the total meetings of the Board and the committees on which he or she served.

**Audit Committee**

The Audit Committee of our Board assists the Board in overseeing:

The integrity of our financial statements;

The effectiveness of our internal control over financial reporting;

Our compliance with legal and regulatory requirements;

The independence, qualifications and performance of our independent registered public accounting firm;

Our processes and procedures relating to risk assessment and risk management; and

Review and approval of significant related person transactions.

During 2016, the Audit Committee met eight (8) times. The current members of the Audit Committee are Messrs. Pashke and Strome and Ms. Wachtel, each of whom is independent for Audit Committee purposes under the rules and regulations of the SEC and the listing standards of NASDAQ. Mr. Strome currently chairs the Audit Committee.

The Board has determined that Mr. Strome is an audit committee financial expert as defined in Item 407(d)(5)(ii) of Regulation S-K and that he, therefore, also satisfies the financial sophistication requirement of the NASDAQ rules. The designation does not impose on Mr. Strome any duties, obligations or liabilities that are greater than are generally imposed on him as a member of the Audit Committee and the Board.

## Edgar Filing: ExOne Co - Form DEF 14A

The Audit Committee is overseeing ExOne's remediation of the material weakness ExOne has identified in its internal control over financial reporting. In connection with the preparation of our consolidated financial statements for the year ended December 31, 2016, we concluded that there is a material weakness in the design and operating effectiveness of our internal control over financial reporting as defined in SEC Regulation S-X. A material weakness is a control deficiency, or combination of deficiencies, in internal control over financial reporting such that there is a reasonable possibility that a material misstatement of annual or interim financial statements will not be prevented or detected on a timely basis.

## **Table of Contents**

A description of the identified material weakness in internal control over financial reporting is as follows:

*The design and operating effectiveness of internal controls related to our information technology systems specific to our ExOne GmbH subsidiary was not sufficient to allow for accurate and timely reporting of our consolidated financial results.* The information technology system specific to our ExOne GmbH subsidiary responsible for recording, processing and summarizing transactions has not been sufficiently implemented to reduce the amount of manual processes and controls necessary to ensure accurate and timely reporting of financial information, in particular as it relates to our accounting for ExOne GmbH specific inventories. As a result, in connection with the financial statement closing process specific to our ExOne GmbH subsidiary, we recorded certain manual, post-close adjustments to inventories which delayed internal reporting of our subsidiary operating results in preparing our consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2016.

With the oversight of executive management and our Audit Committee, we are developing a project plan to address the identified material weakness in our information technology system platform specific to our ExOne GmbH subsidiary, in particular, how this information technology system platform impacts our accounting for inventories specific to ExOne GmbH. This project plan includes the identification and remediation of known errors in the original implementation of, and subsequent changes to, this information technology system platform in an effort to reduce certain manual processes and controls necessary to ensure accurate and timely reporting of operating results associated with this subsidiary.

## **Compensation Committee**

The Compensation Committee is charged with the following responsibilities, among others:

Reviewing and approving or providing recommendations with respect to any employment agreements or severance arrangements or plans, including any benefits to be provided in connection with a change in control, for the Chief Executive Officer and other executive officers;

Determining stock ownership guidelines for the Chief Executive Officer and other executive officers and monitoring compliance with such guidelines;

Reviewing and approving or providing recommendations with respect to all employee benefit plans;

Reviewing the Company's incentive compensation arrangements to determine whether they encourage excessive risk-taking, reviewing and discussing at least annually the relationship between risk management policies and practices and compensation, and evaluating compensation policies and practices that could mitigate any such risk;

## **Table of Contents**

During 2016, the Compensation Committee met three (3) times. The current members of our Compensation Committee are Messrs. Kilmer and Semple and Ms. Wachtel, each of whom is independent for Compensation Committee purposes under the rules and regulations of the SEC and the listing standards of NASDAQ. Ms. Wachtel currently chairs the Compensation Committee. Each of the members also is a non-employee director within the meaning of Rule 16b-3 of the Exchange Act and an outside director, as that term is defined under Section 162(m) of the Internal Revenue Code of 1986.

Neither our Executive Chairman nor Chief Executive Officer participates in the determination of his own compensation or the compensation of directors. However, each makes recommendations to the Compensation Committee regarding the amount and form of the compensation of the other executive officers and key employees, and each participates in the Compensation Committee's deliberations about the compensation of the other executive officers and key employees. No other executive officers or employees participate in the determination of the amount or form of the compensation of executive officers or directors.

In 2016, the Compensation Committee engaged Longnecker & Associates, an independent compensation consultant, to advise it in connection with considering and approving Mr. McCarley's compensation when he joined the Company as our Chief Executive Officer. Longnecker & Associates did not provide any other services to the Company in 2016.

### **Director Nomination Process**

The Nominating and Governance Committee believes that members of the Board should have certain minimum qualifications, including having the highest professional and personal ethics and values, broad experience at the policy-making level in business, government, education, technology or public interest, a commitment to enhancing stockholder value, and sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. The Nominating and Governance Committee also considers such other guidelines and various relevant career experience, relevant skills, financial expertise, diversity and local and community ties. While we do not maintain a formal policy requiring the consideration of diversity in identifying nominees for director, diversity is, as noted above, one of the factors our Nominating and Governance Committee considers in conducting its assessment of director nominees. We view diversity expansively to include those attributes that we believe will contribute to a Board that, through a variety of backgrounds, viewpoints, professional experiences, skills, educational experiences and other such attributes, is best able to guide ExOne and its strategic direction. Candidates for director nominees are reviewed in the context of the current make-up of the Board. The Nominating and Governance Committee will conduct any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Governance Committee meets to discuss and consider such candidates' qualifications and then selects a nominee for recommendation to the Board.

The Nominating and Governance Committee will consider director candidates recommended by stockholders, although a formal policy has not been adopted with respect to consideration of such candidates because stockholder recommendations may be informally submitted and considered by the Nominating and Governance Committee under its charter. Director candidates recommended by stockholders will be evaluated by the Nominating and Governance Committee using the same criteria as candidates identified by the Board or the Nominating and Governance Committee for consideration. If a stockholder of ExOne wishes to recommend a director candidate for consideration by the Nominating and Governance Committee, the stockholder should refer to page 6 of this Proxy Statement for information regarding advance notice. The stockholder recommendation should be delivered to the Corporate Secretary of ExOne at our principal executive offices and should include:

To the extent reasonably available, information relating to such director candidate that would be required to be disclosed in a proxy statement pursuant to Regulation 14A under the Exchange Act, in which such individual is a nominee for election to the Board;

The director candidate's written consent to (i) if selected, be named in ExOne's Proxy Statement and proxy; and (ii) if elected, serve on the Board; and

Any other information that such stockholder believes is relevant in considering the director candidate.

### **Code of Ethics and Business Conduct**

Our Board has adopted a code of ethics and business conduct. The code of ethics and business conduct applies to all of our employees, officers and directors. The full text of our code of ethics and business conduct is posted on our website at <http://www.exone.com> under the Corporate Governance section within the Investor Relations section. We will disclose any future amendments to the code of ethics and business conduct that relate to our executive officers on our website, as well as any waivers of the code of ethics and business conduct that relate to the executive officers of ExOne.

**Table of Contents****TRANSACTIONS WITH RELATED PERSONS****Approval of Related Person Transactions**

On February 23, 2016, the Board of ExOne amended and restated The ExOne Company Policy and Procedures with Respect to Related Person Transactions. Under the written policy, ExOne will enter into or ratify related person transactions involving more than \$50,000 only when the Board, acting through the Audit Committee, has determined that the transaction in question is in, or is not inconsistent with, the best interests of ExOne. Prior to entering into a related person transaction, the related person is required to provide notice to the Chief Legal Officer of the facts and circumstances of the transaction. Upon determining that the proposed transaction involves an amount greater than \$50,000 and is a related person transaction, the proposed transaction will be submitted to the Audit Committee for consideration. The Audit Committee will consider all relevant facts and circumstances and approve only those related person transactions that are in the best interests of ExOne and its stockholders.

**Related Person Transactions***Commercial Transactions*

In December 2015, the Company entered into a sale agreement for a 3D printing machine with Alcoa Inc. ( Alcoa ). This sale was determined to be a related person transaction on the basis that our director, Mr. Kilmer (a related person), also receives his principal compensation from Alcoa. Total consideration for the 3D printing machine (approximately \$120,000) was determined to represent a fair market value selling price (based on comparable 3D printing machine sales to third parties) and was approved prior to execution by the Audit Committee. During 2015, the Company recorded revenue of approximately \$120,000 based on the delivery of products and/or services. None of the proceeds associated with this transaction had been received by the Company at December 31, 2015. At December 31, 2015, the amount due from Alcoa relating to this transaction was reflected in accounts receivable net, in the consolidated balance sheet. All of the proceeds associated with this transaction were received by the Company at December 31, 2016.

*Revolving Credit Facility with RHI Investments, LLC*

On October 23, 2015, the Company and its ExOne Americas LLC and ExOne GmbH subsidiaries, as guarantors, entered into a Credit Agreement (the Credit Agreement ) with RHI Investments, LLC ( RHI ), a company controlled by Mr. Rockwell, our former Chairman and Chief Executive Officer (our Executive Chairman effective August 19, 2016) (a related person), on a \$15,000,000 revolving credit facility to (i) assist us in our efforts to finance customer acquisition of our 3D printing machines and 3D printed and other products and services and (ii) provide us with additional funding for working capital and general corporate purposes. Prior to execution, the Credit Agreement was subject to review and approval by a sub-committee of independent members of the Board (which included each member of the Audit Committee). The Company incurred approximately \$215,000 in debt issuance costs associated with the Credit Agreement.

On January 10, 2016, the Company delivered notice to RHI of its intent to terminate the Credit Agreement in connection with the closing of a registered direct offering of common equity to a separate entity under common control by Mr. Rockwell (see further discussion below). There were no borrowings under the Credit Agreement from its inception through the effective date of its termination, January 13, 2016. In connection with the termination, the Company settled its remaining accrued interest under the Credit Agreement of approximately \$5,000 relating to the commitment fee on the unused portion of the revolving credit facility (100 basis points, or 1.0% on the unused portion of the revolving credit facility). In addition, in the quarter ended March 31, 2016, the Company recorded approximately \$204,000 to interest expense related to the accelerated amortization of debt issuance costs. Upon termination of the Credit Agreement, all liens and guaranties in respect thereof were released.

The terms of this transaction were reviewed and approved by a sub-committee of independent members of the Board (which included each of the members of the Audit Committee). The sub-committee of independent directors were advised on the transaction by an independent financial advisor and independent legal counsel. Concurrent with the approval of this sale of shares under the terms identified, the independent directors also approved the termination of our revolving credit facility with RHI (see further discussion above). Gross proceeds from the sale of shares in this offering were approximately \$12,999,997. Net proceeds to us from the sale of shares in this offering were approximately \$12,446,768 (after deducting offering expenses).

**COMPENSATION OF NAMED EXECUTIVE OFFICERS**

As an emerging growth company, ExOne is permitted to exclude a Compensation Discussion and Analysis from this Proxy Statement and to omit some disclosure on compensation that is required of non-emerging growth companies. In addition, as an emerging growth company ExOne is not required to conduct a say-on-pay advisory vote on executive compensation.

**Compensation Discussion and Analysis**

The Compensation Committee and management provide the following Compensation Discussion and Analysis on a voluntary basis.

For purposes of this discussion, we define Named Executive Officers as:

each person who served as our Chief Executive Officer in 2016,

each of the next two most highly compensated executive officers who were serving as executive officers as of December 31, 2016 and

a former executive officer who would have qualified under the second bullet above but for the fact that the individual does not continue to serve as an executive officer as of December 31, 2016.

Any references to executive officers also include the executive officers listed in Executive Officers of ExOne section of this Proxy Statement.

***Overview***

ExOne's executive compensation is performance driven.

For 2016, our named executive officers received a combination of base salary and equity incentive awards.

***Compensation Goal***

The Compensation Committee has responsibility for reviewing the compensation of ExOne's Executive Chairman and Chief Executive Officer as well as the executives of the Company and making recommendations about this compensation to the Board.

The Compensation Committee's goal when considering executive compensation is to provide performance-based compensation to Company executives and to retain and reward leaders of the Company who create long-term value for our stockholders. This goal affects the compensation elements we use and our compensation decisions.

***Significant Equity Ownership Creates Strong Alignment Between Our Leadership and Our Stockholders***

We believe that the interests of ExOne's executive officers are strongly aligned with the interests of our stockholders through equity ownership. Our Executive Chairman, Mr. Rockwell, is ExOne's largest beneficial owner (as the beneficial owner of approximately 28.5% of our outstanding Common Stock as of April 1, 2017). In addition, certain of our other executive officers have invested their own money in ExOne and all of them have been granted equity incentive awards for their service to the Company. This ownership provides a strong foundation of alignment between ExOne stockholders and the ExOne management team.

***2016 Compensation Considerations (Mr. Rockwell, Mr. Smith and Ms. Dillon)***

For 2016, our Named Executive Officers (other than Mr. McCarley and Mr. Sack who are discussed in separate sections below) received a combination of base salary and equity incentive awards as their compensation in 2016. The Compensation Committee determined not to

establish a cash bonus or an incentive award plan for 2016.

## **Table of Contents**

Mr. Rockwell served as Chief Executive Officer through August 19, 2016 and was paid a base salary through that date at an annual rate of \$300,000 per year. In August 2016, Mr. Rockwell became Executive Chairman and is paid a base salary at an annual rate of \$50,000 per year. Each of our other Named Executive Officers is paid a base salary depending on the scope of the Named Executive Officer's responsibility, leadership skills and values, and performance and length of service.

The Compensation Committee elected to award restricted shares to Mr. Rockwell, Mr. Smith and Ms. Dillon as incentive awards for 2016 with the goal of further aligning the interests of our executives with those of our stockholders as well as to retain and reward the executives for creating long-term value for our stockholders.

### ***Appointment of Mr. McCarley as Chief Executive Officer in August 2016 and Related Compensation Actions***

Mr. McCarley joined the Company as Chief Executive Officer on August 19, 2016. In connection with Mr. McCarley's appointment as Chief Executive Officer, the Company entered into an employment agreement with Mr. McCarley. Under the Employment Agreement, Mr. McCarley receives an annual base salary of \$375,000 and will be eligible to participate in any annual bonus plan or long-term incentive compensation plan maintained by the Company, in both cases on the terms established from time-to-time by the Company's Board of Directors or its Compensation Committee.

In connection with Mr. McCarley's appointment as Chief Executive Officer, on August 19, 2016, the Company granted to Mr. McCarley options to purchase 100,000 shares of our Common Stock. The options are exercisable at a price equal to \$13.82 per share and vest as follows:

options vested with respect to 33,333 shares of Common Stock on August 19, 2016,

options with respect to an additional 33,333 shares of Common Stock will vest on August 19, 2017 and

options with respect to the remaining 33,334 shares of Common Stock will vest on August 19, 2018.

In 2016, the Compensation Committee engaged Longnecker & Associates, an independent compensation consultant, to advise it in connection with considering and approving Mr. McCarley's compensation when he joined the Company as our Chief Executive Officer. Longnecker & Associates did not provide any other services to the Company in 2016.

### ***Retirement of Hans Sack***

Mr. Sack retired from his role as President of the Company effective as of August 31, 2016. In connection with his resignation, the Company paid Mr. Sack a severance payment of \$101,014 in bi-weekly installments from September 1, 2016 to December 31, 2016, less all applicable deductions. In connection with his retirement, Mr. Sack also forfeited all unvested shares of restricted stock.

### ***2013 Equity Incentive Plan***

The Board adopted our 2013 Equity Incentive Plan (the "2013 Equity Incentive Plan") on January 24, 2013. The 2013 Equity Incentive Plan was approved by stockholders on August 19, 2013. The purpose of the 2013 Equity Incentive Plan is to provide incentives to attract, retain and motivate eligible persons whose present and potential contributions are important to the success of ExOne and its subsidiaries, by offering them an opportunity to participate in ExOne's future performance through the grant of awards. The 2013 Equity Incentive Plan permits a variety of awards to be made at the discretion of the Compensation Committee including stock options, restricted stock, restricted stock units, stock bonus awards, performance awards and stock appreciation rights. The 2013 Equity Incentive Plan will terminate January 24, 2023, unless it is terminated earlier by our Board. The 2013 Equity Incentive Plan is administered by the Compensation Committee.

## **Table of Contents**

### ***Limited Perquisites***

The Company does not provide any perquisites to its Chief Executive Officer other than a Company contribution to a 401(k) retirement plan sponsored by the Company. The Company provides a car allowance to Mr. Smith as further described in the Summary Compensation Table.

### ***Benefits***

We provide our Named Executive Officers with other benefits that we believe are reasonable, competitive and consistent with our overall executive compensation program.

### ***Clawback Policy and Other Actions Available to ExOne for Misconduct***

In March 2015, the Compensation Committee adopted a clawback policy that enables ExOne to recover all or any portion of any Performance-Based Compensation granted or paid to any current or former Section 16 Officer, or in which any current or former Section 16 Officer became vested, at any time within the three (3) year period immediately preceding the date on which ExOne is required to prepare an accounting restatement due to material non-compliance with any financial reporting requirements under the securities laws, as determined by the Audit Committee and confirmed by our independent registered public accounting firm.

In addition, in cases of detrimental misconduct by an executive officer, the Board may also take a range of other actions to remedy the misconduct, prevent its recurrence, and discipline the individual as appropriate, including, depending on the facts and circumstances, terminating the individual's employment. These remedies would be in addition to, and not in lieu of, any actions imposed by law enforcement agencies, regulators or other authorities.

### ***Stock Retention Policy and Equity Grant Practices***

**Stock Retention Policy.** In February 2015, the Compensation Committee adopted a stock retention policy that requires our directors and our Section 16 executive officers to retain 50% of all shares received on the vesting of equity awards (net of any shares withheld to pay exercise price or taxes). All shares must be retained for a period of at least one year after the vesting. Once the one-year period has ended, directors and executives may sell shares so long as the director or executive holds a total minimum amount equal to two times such director's annual retainer or such executive's base salary.

**Anti-hedging policy.** We do not believe our executive officers or directors should speculate or hedge their interests in our stock. We therefore prohibit them (in our insider trading policy) from making short sales of ExOne stock or from purchasing or selling options, puts, calls, straddles, equity swaps or other derivative securities that are directly linked to ExOne stock.

**Anti-pledging policy.** In addition, our insider trading policy prohibits our executive officers and directors from pledging ExOne stock.

**Equity grant practices.** All equity grants are made two business days after the date of approval by the Compensation Committee. The exercise price of each stock option awarded under the 2013 Equity Incentive Plan is the closing price of ExOne stock on the date of grant. ExOne Board and committee meetings are generally scheduled at least a year in advance and without regard to anticipated earnings releases or other major company announcements.

### ***Other Compensation Practices and Policies***

**Compensation Committee Oversees Executive Compensation and Succession Planning.** The Compensation Committee has the primary responsibility for helping the Board develop and evaluate potential candidates for executive positions and for overseeing the development of executive succession

plans. As part of this responsibility, the Compensation Committee oversees the design, development and implementation of the compensation program for the Chief Executive Officer and the other executive officers. Our Chief Executive Officer assists the Compensation Committee in administering our compensation program.

**Use of Compensation Consultant.** The Compensation Committee has the authority to delegate any of its responsibilities, along with the authority to take action in relation to such responsibilities, to one or more subcommittees as the Compensation Committee may deem appropriate in its sole discretion. In 2016, the Compensation Committee engaged Longnecker & Associates, an independent compensation consultant, to advise it in connection with considering and approving Mr. McCarley's compensation when he joined the Company as our Chief Executive Officer. Longnecker & Associates did not provide any other services to the Company in 2016.

**Peer group comparisons.** The Compensation Committee reviews many factors in setting pay. It does not target a peer group or percentile within a peer group in exercising its judgment about the types and amounts of compensation the Company provides.

***Employment Arrangements with Named Executive Officers***

*Mr. Rockwell.* On August 19, 2016, Mr. Rockwell transitioned his role from Chief Executive Officer to Executive Chairman, and in connection with such transition, his annual base compensation was revised. Our employment agreement with Mr. Rockwell automatically extended for an additional one year term ending on September 1, 2017, and will continue to automatically be extended for a new one-year term on each one year anniversary thereof unless not later than 90 days immediately preceding any anniversary, we or Mr. Rockwell has given written notice to the other that they do not wish to extend the employment agreement.

Under the employment agreement, Mr. Rockwell is entitled to receive an annual base salary and is eligible to participate in an annual bonus plan on terms established from time-to-time by the Board. During the term of the employment agreement, Mr. Rockwell is eligible to participate in any long-term incentive plan, and in all employee benefit and fringe benefit plans and arrangements made available to the Company's employees generally or its executives.

The employment agreement provides, among other matters, that if the executive resigns for good reason (as defined in the employment agreement) or is terminated without cause (as defined in the employment agreement) and in each such case has timely delivered a release of claims, he is entitled to receive, among other severance payments and benefits, an amount equal to one times his then-current base salary, one times the target annual bonus amount (subject to his compliance with the confidentiality, non-competition and non-solicitation restrictions set forth in the employment agreement), a pro-rata portion of his target bonus for the year of termination and payment of the executive's COBRA health insurance continuation premium for the COBRA continuation period (generally 18 months) or until such time as the executive is employed, whichever is earlier. The confidentiality provisions survive the termination of Mr. Rockwell's employment with us and the non-competition and non-solicitation provisions survive for a period of two years following the termination of his employment.

*Mr. McCarley.* In connection with Mr. McCarley's appointment as Chief Executive Officer, the Company entered into an employment agreement with Mr. McCarley, the initial term of which commenced on August 19, 2016 and terminates on December 31, 2018. Pursuant to the employment agreement, Mr. McCarley is entitled to receive an initial annual base salary of \$375,000 and will be eligible to participate in any annual bonus plan or long-term incentive compensation plan maintained by the Company, in both cases on the terms established from time-to-time by the Company's Board of Directors or its Compensation Committee. Furthermore, under the employment agreement, Mr. McCarley may participate in all employee benefit and fringe benefit plans and arrangements made available by the Company to its executives and key management.

*Ms. Dillon.* We entered into an employment agreement with Ms. Dillon on March 7, 2013. The employment agreement with Ms. Dillon will automatically extend for additional one year terms on March 11 of each year, unless not later than 90 days immediately preceding March 11 of the applicable year, we or Ms. Dillon has given written notice to the other that it does not wish to extend the employment agreement. *Mr. Sack.* Under our letter agreement with Mr. Sack dated March 10, 2015, he was entitled to receive an annual base salary and to participate in our benefit plans, subject to their terms and conditions. In connection with Mr. Sack's retirement as president of the Company and as a condition for the severance payments made to Mr. Sack upon his retirement described above, Mr. Sack entered into a separate letter agreement with the Company dated August 19, 2016 pursuant to which, among other things, he and the Company terminated the letter agreement dated March 10, 2015, effective as of August 19, 2016, which set forth the terms of his employment of the Company.

*Mr. Smith.* Mr. Smith serves at the will of the Chief Executive Officer and does not have an individual employment, severance or change-of-control agreement.

***Tax Deductibility of Compensation***

Under the Internal Revenue Code, a public company is limited to a \$1 million deduction for compensation paid to its Chief Executive Officer or any of its three other most highly compensated executive officers (other than the Chief Financial Officer) who are employed at year-end. This limitation does not apply to compensation that meets the tax code requirements for qualifying performance-based compensation (compensation paid only if the individual's performance meets pre-established objective goals based on performance criteria approved by stockholders).

**PROPOSAL 2 RATIFICATION OF APPOINTMENT OF  
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board has selected Schneider Downs & Co., Inc. as our independent registered public accounting firm for the year ending December 31, 2017, and has further directed that management submit the appointment of the independent registered public accounting firm for ratification by the stockholders at the Annual Meeting.

Representatives of Schneider Downs & Co., Inc. are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our Bylaws nor other governing documents or law require stockholder ratification of the appointment of Schneider Downs & Company, Inc. as our independent registered public accounting firm. However, the Board is submitting the appointment of Schneider Downs & Co., Inc. to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain that firm. Even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of ExOne and our stockholders.

Ratification of the appointment of Schneider Downs & Co., Inc. as ExOne's independent registered public accounting firm for the year ending December 31, 2017 requires the affirmative vote of a majority of the shares represented at the Annual Meeting and entitled to vote on this matter. Abstentions will have the same effect as an "Against" vote. Because broker non-votes are not deemed to be votes entitled to be cast, they will not affect the outcome of this proposal.

**The Board Recommends a Vote FOR the Ratification of the Appointment of Schneider Downs & Co., Inc. as ExOne's Independent Registered Public Accounting Firm for the Year Ending December 31, 2017.**

In addition, the Audit Committee discussed with Schneider Downs & Co., Inc. the matters required to be discussed by AS 16, *Communications with Audit Committees*, Rule 2-07, *Communication with Audit Committees*, of Regulation S-X, and other PCAOB Rules and Standards.

In addition, we received from and discussed with Schneider Downs & Co., Inc. the written disclosures and the letter required by PCAOB Rule 3526, *Communication With Audit Committees Concerning Independence*, and discussed Schneider Downs & Co., Inc.'s independence with them. Upon completing these activities, the Audit Committee concluded that Schneider Downs & Co., Inc. is independent from ExOne and its management.

ExOne's management is responsible for preparing our financial statements and ensuring they are complete and accurate and prepared in accordance with generally accepted accounting principles. **Table of Contents****AUDIT FEES AND SERVICES****Changes in Independent Registered Public Accounting Firms**

The Audit Committee conducted a comprehensive, competitive process to determine the Company's independent registered public accounting firm for the year ending December 31, 2016. The Audit Committee considered a number of registered public accounting firms, and narrowed that group down to two firms, including Baker Tilly Virchow Krause, LLP, the Company's then independent registered public accounting firm. As a result of this process, effective March 24, 2016, the Audit Committee approved the engagement of Schneider Downs & Co., Inc. as the Company's independent registered public accounting firm for the year ending December 31, 2016, and dismissed Baker Tilly Virchow Krause, LLP from that role. Baker Tilly Virchow Krause, LLP's reports on the Company's consolidated financial statements as of and for the years ended December 31, 2015 and 2014, did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to the uncertainty, audit scope or accounting principles.

During the years ended December 31, 2015 and 2014, and the subsequent interim period through March 24, 2016, there were (i) no disagreements as that term is defined in Item 304(a)(1)(iv) of the SEC's Regulation S-K, between the Company and Baker Tilly Virchow Krause, LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, any of which that, if not resolved to Baker Tilly Virchow Krause, LLP's satisfaction, would have caused Baker Tilly Virchow Krause, LLP to make reference to the subject matter of any such disagreement in connection with its reports for such years and interim period and (ii) no reportable events within the meaning of Item 304(a)(1)(v) of the SEC's Regulation S-K during the years ended December 31, 2015 and 2014 and the subsequent interim period, except for the material weaknesses in internal control over financial reporting disclosed in the Company's Annual Reports on Form 10-K for the years ended December 31, 2015 and December 31, 2014. These material weaknesses were discussed by the Company's management and the Audit Committee with Baker Tilly Virchow Krause, LLP. The Audit Committee authorized Baker Tilly Virchow Krause, LLP to respond fully to the inquiries of Schneider Downs & Co., Inc., the Company's new independent registered public accounting firm, concerning these material weaknesses.

On March 25, 2016, the Company filed a Current Report on Form 8-K disclosing the appointment of Schneider Downs & Co., Inc. as its new independent registered public accounting firm and the related dismissal of Baker Tilly Virchow Krause, LLP from that role. The Company provided Baker Tilly Virchow Krause, LLP with a copy of the disclosures in the Current Report on Form 8-K prior to the time that it was filed with the SEC, and requested that Baker Tilly Virchow Krause, LLP furnish a letter addressed to the SEC stating whether or not it agrees with the statements made therein. A copy of Baker Tilly Virchow Krause, LLP's letter dated March 25, 2016 was attached as Exhibit 16.1 to that report.

Prior to engaging Schneider Downs & Co., Inc. on March 24, 2016, neither the Company nor anyone on its behalf consulted with Schneider Downs & Co., Inc. regarding (i) the application of accounting principles to a specific transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements and neither a written report nor oral advice was provided to the Company that Schneider Downs & Co., Inc. concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing, or financial reporting issue, (ii) any matter that was the subject of a disagreement within the meaning of Item 304(a)(1)(iv) of the SEC's Regulation S-K, or (iii) any reportable event within the meaning of Item 304(a)(1)(v) of the SEC's Regulation S-K.

Schneider Downs & Co., Inc.'s report on the Company's consolidated financial statements as of and for the year ended December 31, 2016, included in the Company's Annual Report on Form 10-K for the year ended December 31, 2016, did not contain an adverse opinion or a disclaimer of opinion and was not qualified or modified as to the uncertainty, audit scope or accounting principles.

**Pre-Approval Policies and Procedures**

The Audit Committee can pre-approve specified services in defined categories of (i) audit services, (ii) audit-related services, (iii) tax services and (iv) other services up to specified amounts, as part of the Audit Committee's approval of the scope of the engagement of the independent registered public accounting firm or on an individual case-by-case basis before the independent registered public accounting firm is engaged to provide a service.
