On July 26, 2017 the *Reporting Person* acquired beneficial ownership of 10,988,577 shares of Common Stock (the *Shares*) pursuant to the Stock Purchase Agreement (as defined below) for aggregate consideration of approximately \$626.3 million. The purchase price for the *Shares* was paid from the operating funds of the *Reporting Person*.

Item 4. Purpose of Transaction.*Stock Purchase Agreement*

On May 4, 2017, the *Reporting Person* entered into a Stock Purchase Agreement (the *Stock Purchase Agreement*) with FIMI ENRG, Limited Partnership, FIMI ENRG, L.P., Bronicki Investments Ltd., the *Issuer*'s Chief Executive Officer and the *Issuer*'s Chief Financial Officer (collectively, the *Sellers*) pursuant to which the *Reporting Person* agreed to purchase the *Shares* from the *Sellers* at a price of \$57 per share of Common Stock. Governance Agreement

In connection with the entry into the Stock Purchase Agreement, the Reporting Person and the Issuer entered into a Governance Agreement (the *Governance Agreement*) pursuant to which the Issuer agreed to increase the size of the Board to nine directors and to appoint the ORIX Directors and the Independent Director.

Under the terms of Governance Agreement, the Reporting Person's director designation rights may be modified if its beneficial ownership of the Issuer decreases. Specifically, (i) if the Reporting Person and its affiliates collectively hold less than 18%, but greater than or equal to 13% of the voting power of all the outstanding voting securities of the Issuer, the Reporting Person will be entitled to designate two director nominees and to propose and, jointly with the Issuer, designate the independent designee; (ii) if the Reporting Person and its affiliates collectively hold less than 13%, but greater than or equal to 5% of the voting power of all the outstanding voting securities of the Issuer, the Reporting Person will be entitled to designate one director nominee and will no longer be entitled to propose and, jointly with the Issuer, designate the independent designee; and (iii) if the Reporting Person and its affiliates collectively hold less than 5% of the voting power of all the outstanding voting securities of the Issuer, ORIX will not be entitled to designate any director nominees. The Governance Agreement also requires the Reporting Person to vote or cause to be voted all of the Issuer's securities beneficially owned by the Reporting Person or its affiliates in favor of all director nominees nominated by the Nominating and Corporate Governance Committee of the Board.

The terms of the Governance Agreement also prohibit the Reporting Person from, among other things, (i) beneficially owning any class or series of voting securities of the Company in excess of 30% of the aggregate amount of then-outstanding voting securities of such class or series; (ii) engaging in any solicitation of proxies, or becoming a participant in any solicitation, relating to the election of directors not nominated by the Board; (iii) voting in favor of or otherwise supporting any transaction that would result in a change of control of the Issuer if such transaction is opposed by the Board; (iv) making any public request or proposal seeking to have the Issuer waive or make amendments to its organizational documents in a manner that would either impede or facilitate a change of control of the Issuer; and (v) making any public request or proposal that the Issuer effect any material change to its dividend policy. These prohibitions will be in effect, subject to certain exceptions, until the later of (a) the third anniversary of the Closing Date and (b) the date on which the Reporting Person is no longer entitled to designate any directors to the Board (such period, the *Standstill Period*).

During the Standstill Period, the Reporting Person is also required to vote or cause to be voted, on any action to be taken by the Issuer's stockholders, in proportion to votes cast by all the stockholders of the Issuer (other than the Reporting Person and its affiliates), all voting securities of the Issuer representing in excess of 25% of the outstanding voting power of the Issuer.

The Governance Agreement will terminate upon mutual written agreement of the Issuer and the Reporting Person or at such time as the Reporting Person and its affiliates collectively hold less than 5% of the voting power of all the outstanding voting securities of the Issuer.
