**Forward-looking Statements**

Some of the statements in this Form 8-K are forward-looking statements, as that term is defined in the Private Securities Litigation Reform Act of 1995. These forward-looking statements, which are based on current expectations, estimates and projections about the industry and markets in which the Company and CalAtlantic operate and beliefs of and assumptions made by the Company's and CalAtlantic's management, involve uncertainties that could significantly affect the financial results of the Company or CalAtlantic or the combined company. Words such as expects, anticipates, intends, plans, believes, seeks, estimates, and variations of such words and similar expressions are intended to identify such forward-looking statements, which generally are not historical in nature. Such forward-looking statements include, but are not limited to, statements about the anticipated benefits of the proposed Merger between the Company and CalAtlantic, including future financial and operating results, the attractiveness of the value to be received by CalAtlantic stockholders, and the combined company's plans, objectives, expectations and intentions. All statements that address operating performance, events or developments that we expect or anticipate will occur in the future including statements relating to expected synergies, improved market positioning and ongoing business strategies are forward-looking statements. These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions that are difficult to predict. Although we believe the expectations reflected in the forward-looking statements are based on reasonable assumptions, we can give no assurance that our expectations will be attained and therefore, actual outcomes and results may differ materially from what is expressed or forecasted in such forward-looking statements. Some of the factors that may affect outcomes and results include, but are not limited to: (i) the Company's and CalAtlantic's ability to obtain requisite approval from their respective stockholders; (ii) the Company's and CalAtlantic's ability to satisfy the conditions to closing of the Merger; (iii) the occurrence of any event, change or other circumstance that could give rise to the termination of the Merger Agreement; (iv) availability of financing and capital; (v) failure to realize the benefits expected from the proposed acquisition; (vi) the risk that the cost savings and any other synergies from the acquisition may not be fully realized or may take longer to realize than expected; (vii) failure to promptly and effectively integrate the acquisition; (viii) other risks related to the completion of the Merger and actions related thereto; and (ix) the risks detailed in the Company's and CalAtlantic's filings with the Securities and Exchange Commission (the SEC), including the Risk Factors sections of the Company's Annual Report on Form 10-K for the fiscal year ended November 30, 2016, CalAtlantic's Annual Report on Form 10-K for the fiscal

year ended December 31, 2016 and their respective most recent Quarterly Reports on Form 10-Q. There can be no assurance that the Merger will be completed, or if it is completed, that it will close within the anticipated time period or that the expected benefits of

the Merger will be realized. It is not possible for the management of either company to predict all the possible risks that could affect it or assess the impact of all possible risks on the two companies' businesses. Forward-looking statements speak only as of the date they are made, and management undertakes no obligation to update publicly any of them in light of new information or future events.
