Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On May 2, 2018, the Board of Directors of Western Digital Corporation (the Company) approved amendments to the Company s Amended and Restated Bylaws (the Bylaws) to implement proxy access. The Bylaws became effective immediately.

The proxy access provisions in the Bylaws are set forth in Article II, Section 2.14. These provisions allow for an individual eligible stockholder, or a group of no more than 20 eligible stockholders, to nominate and include in the Company s proxy materials candidates for election to the Board, as long as such stockholder or the stockholder group, as applicable, continuously owns 3% or more of the outstanding shares of Company common stock for at least three years. The maximum number of proxy access nominees permitted cannot be more than the greater of two or 20% of the Board (rounded down to the closest whole number), provided that the stockholder(s) and the nominee(s) satisfy the eligibility and procedural requirements further described in Article II, Section 2.14 of the Bylaws.

The additional eligibility and procedural requirements set forth in Article II, Section 2.14 of the Bylaws include a requirement that a proxy access nomination notice must be delivered to the Company not later than the close of business on the 120th day nor earlier than the 150th day prior to the first anniversary of the release date of the Company s proxy materials for its most recent annual meeting of stockholders. Article II, Section 2.14 of the Bylaws also includes specified requirements that all nominees for directors and nominating stockholder(s) provide certain information, representations and agreements to the Company in order to be eligible for election.

The foregoing summary of the Bylaws is qualified in its entirety by reference to the full text of the Bylaws, which is attached hereto as Exhibit 3.1 and is incorporated herein by reference.
