FOR

ANNUAL MEETING OF SHAREHOLDERS

To be Held August 9, 2018

INTRODUCTION

This Proxy Statement is being furnished in connection with the solicitation of proxies by the Board of Trustees (the Board) of the Invesco High Income Trust II (the Fund). The proxies are to be voted at the Annual Meeting of Shareholders of the Fund, and all adjournments thereof (the Meeting), to be held at 11 Greenway Plaza, Suite 1000, Houston, Texas 77046-1173, on August 9, 2018, at 2:00 p.m. Central Daylight Time. The Meeting will be an annual meeting for the Fund. The approximate mailing date of this Proxy Statement and accompanying proxy cards is on or about June 25, 2018.

Participating in the Meeting are holders of common shares of beneficial interest (the Common Shares) of the Fund. The Common Shares of the Fund are sometimes referred to herein as the Shares. The Board has fixed May 21, 2018 as the record date (the Record Date) for the determination of holders of Shares of the Fund entitled to vote at the Meeting.

The Common Shares of the Fund are listed on the New York Stock Exchange (the NYSE). The NYSE ticker symbol of the Fund and the amount of Common Shares outstanding as of the Record Date are shown in Annex A to this Proxy Statement. The Fund is a closed-end fund organized as a Delaware statutory trust.

If you have any questions about the information set forth in this Proxy Statement, please contact us at the 24-hour Automated Investor Line at **1-800-341-2929, Option 1** or visit our website at www.invesco.com/us.

Any shareholder who wishes to receive a separate proxy statement should contact the Fund at 1-800-331-7543.

The Proposal

The following table summarizes the proposal concerning trustee elections to be presented at the Meeting and the shareholders entitled to vote (the Proposal). The Board unanimously approved the Proposal and recommends that shareholders vote in favor of the Proposal.

	Trustee Nominees for Election	Shareholders Entitled to Vote
Proposal 1	Bruce L. Crockett, Jack M. Fields, Martin L. Flanagan and Robert C. Troccoli	Common Shareholders

Voting at the Meeting

Shareholders of the Fund on the Record Date are entitled to one vote per Share, and a proportional vote for each fractional Share, with respect to the Proposal, with no Share having cumulative voting rights. The voting requirement for the Proposal is described below. A majority of the outstanding Shares of the Fund entitled to vote at the Meeting must be present in person or by proxy to have a quorum for the Fund to conduct business at the Meeting.

If you intend to attend the Meeting in person and you are a record holder of the Fund's Shares, in order to gain admission you must show photographic identification, such as your driver's license. If you intend to attend the Meeting in person and you hold your Shares through a bank, broker or other custodian (*i.e.*, in street name), in order to gain admission you must show photographic identification, such as your driver's license, and satisfactory proof of ownership of Shares of the Fund, such as your voting instruction form (or a copy thereof) or a broker's statement indicating ownership as of a recent date.

If you hold your Shares in street name, you will not be able to vote your Shares in person at the Meeting unless you have previously requested and obtained a legal proxy from your broker, bank or other nominee and present it at the Meeting.

You may contact the Fund at **1-800-341-2929, Option 2** to obtain directions to the site of the Meeting.

The Fund does not know of any business other than the Proposal that will, or is proposed to be presented for consideration at the Meeting. If any other matters are properly presented, the persons named on the enclosed proxy cards shall vote proxies in accordance with their best judgment.

Required Vote

The affirmative vote of a majority of the outstanding Common Shares present in person or by proxy and entitled to vote is required to elect each Nominee for Trustee of the Fund.

A quorum, which is required for the Fund, is a majority of the outstanding Shares of the Fund, present in person or by proxy, entitled to vote at the Meeting.

All Shares represented by properly executed proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked thereon. Proxies on which no vote is indicated will be voted FOR the Proposal as to which they are entitled to be voted. Proxies marked WITHHOLD will not be voted FOR the Proposal, but will be counted for purposes of determining whether a quorum is present, and will therefore have the same effect as a vote AGAINST.

There is no cumulative voting with respect to the election of Trustees or any other matter.

Abstentions and Broker Non-Votes

Abstentions and broker non-votes will not count as votes in favor of the Proposal, but will be deemed to be present at the Meeting for purposes of determining a quorum. Broker non-votes arise when shares are held by brokers or nominees, typically in street name, and (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter.

With respect to the Proposal, under the rules of the NYSE, brokers may vote in their discretion on the election of trustees of a closed-end fund. As a result, beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their Shares voted by their brokers in favor of the Proposal. Abstentions will have the same effect as a vote against a Trustee Nominee. Broker-dealers who are not members of the NYSE may be subject to other rules, which may or may not permit them to vote your shares without instruction.

We urge you to provide instructions to your broker or nominee to ensure that your votes may be counted.

Revoking a Proxy

Shareholders who execute proxies may revoke them at any time before they are voted by filing a written notice of revocation before the Meeting with the Fund, by delivering a duly executed proxy bearing a later date, by attending the Meeting and voting in person, by filing a revocation using any electronic, telephonic, computerized or other alternative means, or by written notice of the death or incapacity of the maker of the proxy received by the Fund prior to the Meeting. Shareholders who wish to vote at the Meeting and who hold their shares in street name through a brokerage or similar account should obtain a legal proxy from their broker in order to vote at the Meeting.

Adjourning the Meeting

The vote of the holders of one-third of the Shares cast, or the chair of the Meeting in his or her discretion, will have the power to adjourn the Meeting with regard to a particular proposal scheduled to be voted on at the Meeting or to adjourn the Meeting entirely from time to time without notice.

Provided a quorum is present, any business may be transacted at such adjourned meeting that might have been transacted at the Meeting as originally notified. A meeting may be adjourned from time to time without further notice to shareholders to a date not more

than 120 days after the original meeting date for such meeting. In voting for the adjournment, the persons named as proxies may vote their proxies in favor of one or more adjournments of the Meeting, or the chair of the Meeting may call an adjournment, provided such persons determine that such adjournment is reasonable and in the best interests of shareholders and the Fund, based on a consideration of such factors as they may deem relevant.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU CAST YOUR VOTE FOR ALL OF THE NOMINEES IN THE PROPOSAL.

The, holders of Common Shares of Invesco High Income Trust II will vote with respect to the election of Bruce L. Crockett, Jack M. Fields, Martin L. Flanagan and Robert C. Troccoli.

If elected, each Trustee will serve until the later of the Fund's Annual Meeting of Shareholders in 2021 or until his or her successor has been duly elected and qualified. As in the past, only one class of Trustees is being submitted to shareholders of the Fund for election at the Meeting. The Fund's Amended and Restated Agreement and Declaration of Trust (the "Declaration of Trust") provides that the Board shall be divided into three classes. For the Fund, only one class of Trustees is elected at each annual meeting, so that the regular term of only one class of Trustees will expire annually and any particular Trustee stands for election only once in each three-year period. The foregoing is subject to the provisions of the Investment Company Act of 1940, as amended (the "1940 Act"), applicable Delaware state law, the Declaration of Trust and the Fund's Bylaws.

In the case of any vacancy on the Board, the Declaration of Trust provides that the remaining Trustees may fill such vacancy by appointing a replacement to serve for the remainder of the term or reduce the size of the Board.

The following table indicates all current Trustees in each such class and the period for which each class currently serves:

Class I¹	Class II²	Class III³
Cynthia Hostetler	David C. Arch	Bruce L. Crockett

Board Meetings

In addition to regularly scheduled meetings each year, the Board holds special meetings and/or conference calls to discuss specific matters that may require action prior to the next regular meeting. The Board met nine times during the fiscal year ended February 28, 2018 and each independent Trustee attended at least 75% of the aggregate of: (i) all regular meetings of the Board and (ii) all meetings of the committees of the Board on which the Trustee served. Trustees are encouraged to attend regular shareholder meetings, but the Board has no set policy requiring Board member attendance at such meetings.

Board Leadership Structure

The Board has appointed an Independent Trustee to serve in the role of Chairman of the Board. The Chairman's primary role is to participate in the preparation of the agenda for meetings of the Board and the identification of information to be presented to the Board and matters to be acted upon by the Board. The Chairman also presides at all meetings of the Board and acts as a liaison with service providers, officers, attorneys, and other Trustees generally between meetings. The Chairman may perform such other functions as may be requested by the Board from time to time. Except for any duties specified herein or pursuant to the Fund's charter documents, the designation of Chairman does not impose on such Independent Trustee any duties, obligations or liability that is greater than the duties, obligations or liability otherwise imposed on such person as a member of the Board, generally. As discussed below, the Board has established committees to assist the Board in performing its oversight responsibilities. It is believed that such structure assures that proper consideration is given at Board meetings to matters deemed important to the Fund and its shareholders.

Board Role in Risk Oversight

The Board considers risk management issues as part of its general oversight responsibilities throughout the year at its regular meetings and at regular meetings of each of the Investments Committee, Audit Committee, Compliance Committee, Governance Committee and Valuation, Distribution and Proxy Oversight Committee (as further

described below) (for purposes of this section only, the Risk Committees). These Risk Committees in turn report to the full Board and recommend actions and approvals for the full Board to take.

The Adviser, or its affiliates, prepares regular reports that address certain investment, valuation and compliance matters, and the Board as a whole or the Risk Committees also receive special written reports or presentations on a variety of risk issues at the request of the Board, a Risk Committee or the Senior Officer.

The Investments Committee and its sub-committees receive regular written reports describing and analyzing the investment performance of the Fund. In addition, Invesco's Chief Investment Officer and the portfolio managers of the Fund meet regularly with the Investments Committee or its sub-committees to discuss portfolio performance, including investment risk, such as the impact on the Fund of investments in particular types of securities or instruments, such as derivatives. To the extent that the Fund changes a particular investment strategy that could have a material impact on the Fund's risk profile, the Board generally is consulted in advance with respect to such change.

The Audit Committee is apprised by, and discusses with, management its policies on risk assessment and risk management. Such discussion includes a discussion of the guidelines governing the process by which risks are assessed and managed and an identification of the Fund's major financial risk exposures. In addition, the Audit Committee meets regularly with representatives from Invesco Ltd.'s internal audit group to review reports on their examinations of functions and processes within the Adviser that affect the Fund.

The Compliance Committee receives regular compliance reports prepared by the Adviser's compliance group and meets regularly with the Fund's Chief Compliance Officer (the CCO) to discuss compliance issues, including compliance risks. The Compliance Committee has recommended and the Board has adopted compliance policies and procedures for the Fund and for the Fund's service providers. The compliance policies and procedures are designed to detect, prevent and correct violations of the federal securities laws.

The Governance Committee monitors the composition of the Board and each of the Risk Committees and monitors the qualifications of the Trustees to ensure adherence to certain governance undertakings applicable to the Fund. In addition, the Governance Committee oversees an annual self-assessment of the Board and addresses governance risks, including insurance and fidelity bond matters, for the Fund.

The Valuation, Distribution and Proxy Oversight Committee monitors fair valuation of portfolio securities based on management reports that include explanations of the reasons for the fair valuation and the methodology used to arrive at the fair value. Such reports also include information concerning illiquid securities in Fund portfolios.

Compensation of Trustees

Each Trustee who is not affiliated with Invesco is compensated for his or her services according to a fee schedule that recognizes the fact that such Trustee also serves as a Trustee of other Invesco Funds. Each such Trustee receives a fee, allocated among the Invesco Funds

for which he or she serves as a Trustee that consists of an annual retainer component and a meeting fee component. The Chairman of the Board and Chair of each Committee (defined below) and Sub-Committee receive additional compensation for their services. Compensation received by the Trustees of the Fund as of fiscal year ended February 28, 2018 is shown on Annex B hereto.

Pre-Amendment Retirement Plan for Trustees

The Trustees have adopted a Retirement Plan for the Trustees who are not affiliated with the Adviser. A description of the pre-amendment Retirement Plan follows. Annual retirement benefits are available from the Fund and/or the other Invesco Funds for which a Trustee serves (each, a Covered Fund), for each Trustee who is not an employee or officer of the Adviser, who either (a) became a Trustee prior to December 1, 2008, and who has at least five years of credited service as a Trustee (including service to a predecessor fund) of a Covered Fund, or (b) was a member of the Board of Trustees of a Van Kampen Fund immediately prior to June 1, 2010 (Former Van Kampen Trustee), and has at least one year of credited service as a Trustee of a Covered Fund after June 1, 2010.

For Trustees other than Former Van Kampen Trustees, effective January 1, 2006, for retirements after December 31, 2005, the retirement benefits will equal 75% of the Trustee's annual retainer paid to or accrued by any Covered Fund with respect to such Trustee during the twelve-month period prior to retirement, including the amount of any retainer deferred under a separate deferred compensation agreement between the Covered Fund and the Trustee. The amount of the annual retirement benefit does not include additional compensation paid for Board meeting fees or compensation paid to the Chair of the Board and the Chairs and Vice Chairs of certain Board committees, whether such amounts are paid directly to the Trustee or deferred. The annual retirement benefit is payable in quarterly installments for a number of years equal to the lesser of (i) sixteen years or (ii) the number of such Trustee's credited years of service. If a Trustee dies prior to receiving the full amount of retirement benefits, the remaining payments will be made to the deceased Trustee's designated beneficiary for the same length of time that the Trustee would have received the payments based on his or her service or, if the Trustee has elected, in a discounted lump sum payment. A Trustee must have attained the age of 65 (60 in the event of disability) to receive any retirement benefit. A Trustee may make an irrevocable election to commence payment of retirement benefits upon retirement from the Board before age 72; in such a case, the annual retirement benefit is subject to a reduction for early payment.

If the Former Van Kampen Trustee completes at least 10 years of credited service after June 1, 2010, the retirement benefit will equal 75% of the Former Van Kampen Trustee's annual retainer paid to or accrued by any Covered Fund with respect to such Trustee during the twelve-month period prior to retirement, including the amount of any retainer deferred under a separate deferred compensation agreement between the Covered Fund and such Trustee. The amount of the annual retirement benefit does not include additional compensation paid for Board meeting fees or compensation paid to the Chair of the Board and the Chairs and Vice Chairs of certain Board committees, whether such amounts are paid directly to the Trustee or deferred. The annual retirement benefit is payable in quarterly installments for 10 years beginning after the later of the Former Van Kampen Trustee's termination of service or attainment of age 72 (or age 60 in the event of disability or immediately in the event of death).

If the Former Van Kampen Trustee dies prior to receiving the full amount of retirement benefits, the remaining payments will be made to the deceased Trustee's designated beneficiary or, if the Trustee has elected, in a discounted lump sum payment.

If the Former Van Kampen Trustee completes less than 10 years of credited service after June 1, 2010, the retirement benefit will be payable at the applicable time described in the preceding paragraph, but will be paid in two components successively. For the period of time equal to the Former Van Kampen Trustee's years of credited service after June 1, 2010, the first component of the annual retirement benefit will equal 75% of the compensation amount described in the preceding paragraph. Thereafter, for the period of time equal to the Former Van Kampen Trustee's years of credited service after June 1, 2010, the second component of the annual retirement benefit will equal the excess of (x) 75% of the compensation amount described in the preceding paragraph, over (y) \$68,041 plus an interest factor of 4% per year compounded annually measured from June 1, 2010 through the first day of each year for which payments under this second component are to be made. In no event, however, will the retirement benefits under the two components be made for a period of time greater than 10 years. For example, if the Former Van Kampen Trustee completes 7 years of credited service after June 1, 2010, he or she will receive 7 years of payments under the first component and thereafter 3 years of payments under the second component, and if the Former Van Kampen Trustee completes 4 years of credited service after June 1, 2010, he or she will receive 4 years of payments under the first component and thereafter 4 years of payments under the second component.

Amendment of Retirement Plan and Conversion to Defined Contribution Plan

The Trustees approved an amendment to the Retirement Plan to convert it to a defined contribution plan for active Trustees (the Amended Plan). Under the Amended Plan, the benefit amount was amended for each active Trustee to the present value of the Trustee's existing retirement plan benefit as of December 31, 2013 (the Existing Plan Benefit) plus the present value of retirement benefits expected to be earned under the Retirement Plan through the end of the calendar year in which the Trustee attained age 75 (the Expected Future Benefit) and, together with the Existing Plan Benefit, the Accrued Benefit). On the conversion date, the Covered Funds established bookkeeping accounts in the amount of their pro rata share of the Accrued Benefit, which is deemed to be invested in one or more Invesco Funds selected by the participating Trustees. Such accounts will be adjusted from time to time to reflect deemed investment earnings and losses. Each Trustee's Accrued Benefit is not funded and, with respect to the payments of amounts held in the accounts, the participating Trustees have the status of unsecured creditors of the Covered Funds. Trustees will be paid the adjusted account balance under the Amended Plan in quarterly installments for the same period as described above.

Deferred Compensation Agreements

Three retired Trustees, as well as Messrs. Crockett and Troccoli, Ms. Stern and Drs. Jones and Mathai-Davis (for purposes of this paragraph only, the Deferring Trustees) have each executed a Deferred Compensation Agreement (collectively, the Compensation Agreements). Pursuant to the Compensation Agreements, the Deferring Trustees have the option to elect to defer receipt of up to 100% of their compensation payable by the Fund, and such amounts are placed into a deferral account and deemed to be invested in one or more Invesco Funds selected by the Deferring Trustees.

Distributions from these deferral accounts will be paid in cash, generally in equal quarterly installments over a period of up to ten (10) years (depending on the Compensation Agreement) beginning on the date selected under the Compensation Agreement. If a Deferring Trustee dies prior to the distribution of amounts in his or her deferral account, the balance of the deferral account will be distributed to his or her designated beneficiary. The Compensation Agreements are not funded and, with respect to the payments of amounts held in the deferral accounts, the Deferring Trustees have the status of unsecured creditors of the Fund and of each other Invesco Fund from which they are deferring compensation.

Board Committees

The standing committees of the Board are the Audit Committee, the Compliance Committee, the Governance Committee, the Investments Committee and the Valuation, Distribution and Proxy Voting Oversight Committee (the Committees).

The Audit Committee held eight meetings during the fiscal year ended February 28, 2018. The Audit Committee's charter is available at www.invesco.com/us. Each member of the Audit Committee has been determined by the Board to be an audit committee financial expert as defined by the SEC. Each such audit committee financial expert is an Independent Trustee.

The Audit Committee performs a number of functions with respect to the oversight of the Fund's accounting and financial reporting, including: (i) assisting the Board with its oversight of the qualifications, independence and performance of the independent registered public accountants; (ii) appointing independent registered public accountants for the Fund; (iii) to the extent required, pre-approving certain audit and permissible non-audit services; (iv) overseeing the financial reporting process for the Fund; and (v) assisting the Board with its oversight of the integrity of the Fund's financial statements and compliance with legal and regulatory requirements.

The Compliance Committee performs a number of functions with respect to compliance matters, including: (i) if requested by the Board, reviewing and making recommendations concerning the qualifications, performance and compensation of the Fund's Chief Compliance Officer and Senior Officer; (ii) reviewing recommendations and reports made by the Chief Compliance Officer or Senior Officer of the Fund regarding compliance matters; (iii) overseeing compliance policies and procedures of the Fund and its service providers; and (iv) overseeing potential conflicts of interest that are reported to the Compliance Committee by Invesco, the Chief Compliance Officer, or the Senior Officer.

Governance Committee

The members of the Governance Committee are Messrs. Crockett and Fields (Chair), Mss. Hostetler and Stern and Drs. Jones and Mathai-Davis (Vice Chair). The Governance Committee held six meetings during the fiscal year ended February 28, 2018. The Governance Committee's charter is available at www.invesco.com/us.

The Governance Committee performs a number of functions with respect to governance, including: (i) nominating persons to serve as Independent Trustees and as members of each Committee, and nominating the Chair of the Board and the Chair and Vice Chair of each Committee; (ii) reviewing and making recommendations to the full Board regarding the size and composition of the Board and the compensation payable to the Independent Trustees; and (iii) overseeing the annual self-evaluation of the performance of the Board and its Committees.

When the Board has or expects to have a vacancy, the Governance Committee receives and reviews information on individuals qualified to be recommended to the full Board as nominees for election as Trustees. The Governance Committee considers candidates identified by members of the Governance Committee, the full Board and management, as well as any recommendations by shareholders (as described below), as part of this process. At times, the Governance Committee may use a third party search firm to assist with the identification of qualified candidates.

The Governance Committee will consider nominees recommended by a shareholder to serve as trustees, provided: (i) that such person is a shareholder of record at the time he or she submits such names and is entitled to vote at the meeting of shareholders at which trustees will be elected; and (ii) that the Governance Committee or the Board, as applicable, shall make the final determination of persons to be nominated. Notice procedures set forth in the Fund's Bylaws require that any shareholder of the Fund desiring to nominate a trustee for election at an annual shareholder meeting must deliver to the Fund's Secretary the nomination in writing not less than ninety (90) nor more than one hundred twenty (120) days prior to the first anniversary date of the annual meeting for the preceding year.

Additional requirements regarding shareholder nominations are set forth in the Fund's Bylaws, which are available upon request. While the Governance Committee believes that there are no specific minimum qualifications for a nominee to possess or any specific qualities or skills that are necessary, in considering a candidate's qualifications, the Governance Committee may consider, among other things: (1) whether or not the person is an interested person, as defined in the 1940 Act, and is otherwise qualified under applicable laws and regulations to serve as a trustee of the Fund; (2) whether or not the person is willing to serve as, and willing and able to commit the time necessary for the performance of the duties of, a trustee; (3) whether the person can make a positive contribution to the Board and the Fund, with consideration being given to the person's specific experience, education, qualifications and other skills; and (4) whether the person is of good character and high integrity, and whether the person has other desirable personality traits, including independence, leadership and the ability to work with other Board members. The Governance Committee has not adopted any specific policy on the issue of diversity, but will take this into account, among other factors, in its consideration of new candidates to the Board.

Investments Committee

The members of the Investments Committee are Messrs. Arch (Vice Chair), Crockett (Chair), Fields, Flanagan, Stickel, Taylor, Troccoli (Vice Chair) and Wilson, Mss. Hostetler, Ressel and Stern and Drs. Jones (Vice Chair) and Mathai-Davis. The Investments Committee held six meetings during the fiscal year ended February 28, 2018.

The Investments Committee's primary purposes are to assist the Board in its oversight of the investment management services provided by the Adviser and the Sub-Advisers and to periodically review Fund performance information.

The Investments Committee has established three Sub-Committees and delegated to the Sub-Committees responsibility for, among other matters: (i) reviewing the performance of the Invesco Funds that have been assigned to a particular Sub-Committee (for each Sub-Committee, the Designated Funds), unless the Investments Committee takes such action directly; and (ii) reviewing with the applicable portfolio managers from time to time the investment objective(s), policies, strategies, risks and limitations of the Designated Funds.

Principal Shareholders of the Fund

The persons who as of the Record Date, according to publicly available filings made with the SEC, held of record more than 5% of the Common Shares of the Fund are set forth in [Annex C](#). To the knowledge of the Fund, no other persons own, directly or beneficially, 5% or more of the Common Shares of the Fund.

Trustee Ownership of Fund Shares

As of December 31, 2017, Trustee(s) owned, directly or beneficially, Common Shares of the Fund and beneficially owned equity securities of other funds in the Invesco Fund Complex overseen by the Trustees in the dollar range amounts as specified in [Annex D](#).

Section 16(a) Beneficial Ownership Reporting Compliance

Section 30(f) of the 1940 Act and Section 16(a) of the Exchange Act require the Fund's Trustees, officers, investment advisers, affiliated persons of the investment advisers and persons who own more than 10% of a registered class of the Fund's equity securities to file forms with the SEC and the New York Stock Exchange (on which the Common Shares are listed), reporting their affiliation with the Fund and reports of ownership and changes in ownership of Shares.

Based on a review of these forms furnished to the Fund, the Fund believes, to the best of its knowledge, that during its last fiscal year, its Trustees, officers, the Adviser and affiliated persons of the Adviser complied with all applicable filing requirements except for certain inadvertent late filings. With respect to the Fund, initial reports on Form 3 for Gregory McGreevey (1), an officer of the Fund, was not filed on a timely basis. Additionally, initial reports on Form 3 for Andrew M. Geryol (1), Jennifer Hartviksen (1) and Joseph Portera (1), each of which serves as a portfolio manager to the Fund, were not filed on a timely basis.

Independent Registered Public Accounting Firm

PricewaterhouseCoopers, LLP ([PwC](#)) has been selected as the Fund's independent registered public accounting firm by the Audit Committee and ratified by unanimous

approval of the Fund's Board, including a majority of the Independent Trustees, to audit the accounts of the Fund for and during the fiscal year ending February 28, 2019. The Fund does not know of any direct or indirect financial interest of PwC in the Fund.

It is not expected that representatives of PwC will attend the Meeting. In the event representatives of PwC do attend the Meeting, they will have the opportunity to make a statement if they desire to do so and will be available to answer appropriate questions.

In accordance with the adopted pre-approval policies and procedures (included in Annex E to this Proxy Statement), the Audit Committee has preapproved all audit and non-audit services provided to the Fund by its independent registered public accounting firm. Pre-approval by the Audit Committee of any permissible non-audit services is not, however, required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund constitutes not more than 5% of the total amount of revenues paid by the Fund to its independent registered public accounting firm during the fiscal year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee.

The Audit Committee of the Fund reviewed and discussed the last audited financial statements of the Fund with management and with PwC. In the course of its discussions, the Audit Committee discussed with PwC any relevant matters required to be discussed under Statement on Auditing Standards No. 1301 (Communications with Audit Committees). Based on this review, the Audit Committee recommended to the Board of the Fund that the Fund's audited financial statements be included in the Fund's Annual Report to Shareholders for the most recent fiscal year for filing with the SEC.

As disclosed above, the members of the Audit Committee are Messrs. Arch, Crockett, Stickel (Chair), Troccoli (Vice Chair), and Mss. Hostetler and Ressel.

Auditor Independence

PwC informed the Fund that it has identified an issue related to its independence under Rule 2-01(c)(1)(ii)(A) of Regulation S-X (referred to as the Loan Rule). The Loan Rule prohibits accounting firms, such as PwC, from being deemed independent if they have certain financial relationships with their audit clients or certain affiliates of those clients. The Fund is required under various securities laws to have its financial statements audited by an independent accounting firm.

The Loan Rule specifically provides that an accounting firm would not be independent if it or certain affiliates and covered persons receives a loan from a lender that is a record or beneficial owner of more than ten percent of an audit client's equity securities (referred to as a "more than ten percent owner"). For purposes of the Loan Rule, audit clients include the Fund as well as all registered investment companies advised by the Adviser and its affiliates, including other subsidiaries of the Adviser's parent company, Invesco Ltd. (collectively, the Invesco Fund Complex). PwC informed the Fund it and certain affiliates and covered persons have relationships with lenders who hold, as record owner, more than ten percent of the shares of certain funds within the Invesco Fund Complex, which may implicate the Loan Rule.

On June 20, 2016, the SEC Staff issued a no-action letter to another mutual fund complex (see Fidelity Management & Research Company et al., No-Action Letter) related to the audit independence issue described above. In that letter, the SEC confirmed that it would not recommend enforcement action against a fund that relied on audit services performed by an audit firm that was not in compliance with the Loan Rule in certain specified circumstances. In connection with prior independence determinations, PwC communicated, as contemplated by the no-action letter, that it believes that it remains objective and impartial and that a reasonable investor possessing all the facts would conclude that PricewaterhouseCoopers LLP is able to exhibit the requisite objectivity and impartiality to report on the Fund's financial statements as the independent registered public accounting firm. PwC also represented that it has complied with PCAOB Rule 3526(b)(1) and (2), which are conditions to the Fund relying on the no action letter, and affirmed that it is an independent accountant within the meaning of PCAOB Rule 3520. Therefore, the Adviser, the Fund and PwC concluded that PricewaterhouseCoopers LLP could continue as the Fund's independent registered public accounting firm. The Invesco Fund Complex relied upon the no-action letter in reaching this conclusion.

If in the future the independence of PwC is called into question under the Loan Rule by circumstances that are not addressed in the SEC's no-action letter, the Fund will need to take other action in order for the Fund's filings with the SEC containing financial statements to be deemed compliant with applicable securities laws. Such additional actions could result in additional costs, impair the ability of the Fund to issue new shares or have other material adverse effects on the Fund. The SEC no-action relief was initially set to expire 18 months from issuance but has been extended by the SEC without an expiration date, except that the no-action letter will be withdrawn upon the effectiveness of any amendments to the Loan Rule designed to address the concerns expressed in the letter.

For the Fund's two most recently completed fiscal years, the aggregate fees billed by PwC and approved by the Audit Committee of the Fund for professional services rendered

for tax compliance, tax advice, and tax planning are set forth on Annex E. All of the tax services for the fiscal years ended February 28, 2018 and 2017 were approved by the Audit Committee in accordance with its pre-approval policies and procedures.

All Other Fees

For the Fund's two most recently completed fiscal years, the aggregate fees billed by PwC and approved by the audit committee of the Fund for professional services rendered for all other services are set forth on Annex E. All of the other services for the two most recently completed fiscal years were approved by the Audit Committee in accordance with its pre-approval policies and procedures.

Covered Entities

For the Fund's two most recently completed fiscal years, the aggregate non-audit fees billed to the Adviser or any entity controlling, controlled by or under common control with the Adviser that provides ongoing services to the Fund (the Covered Entities) are set forth on Annex E. The Audit Committee is required to pre-approve services to Covered Entities to the extent that the services are determined to have a direct impact on the operations of financial reporting of the Fund. The Audit Committee also has considered whether the provision of non-audit services, if any, performed by PwC to the Fund and Covered Entities is compatible with maintaining PwC's independence in performing audit services.

Proxy Solicitation Expenses

The expenses of preparing, printing and mailing these proxy solicitation materials and all other costs in connection with the solicitation of proxies for the Proposal will be borne by the Fund. The Fund will also reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of the shares of the Fund. In order to obtain the necessary quorum at the Meeting, additional solicitation may be made by mail, telephone, facsimile or personal interview by representatives of the Fund, the Adviser or its affiliates, by the transfer agent of the Fund and by dealers or their representatives. The Fund has also retained AST Fund Solutions, LLC (AST) a professional proxy solicitation firm, to assist in any additional proxy solicitation. The estimated cost of solicitation by AST is approximately \$1,200.

Shareholder Proposals

Shareholder proposals intended to be presented at the year 2019 annual meeting of shareholders for the Fund pursuant to Rule 14a-8 under the Exchange Act must be received by the Fund's Secretary at the Fund's principal executive offices by February 25, 2019, in order to be considered for inclusion in the Fund's proxy statement and proxy card relating to that meeting. Timely submission of a proposal does not necessarily mean that such proposal will be included in the Fund's proxy statement. If a shareholder wishes to make a proposal at the year 2019 annual meeting of shareholders without having the proposal included in the Fund's proxy statement, then such proposal must be received by the Fund's Secretary at the Fund's principal executive offices not earlier than April 11, 2019 and not later than May 11, 2019. Notwithstanding the foregoing, if notice of a shareholder proposal is received after

May 11, 2019, the persons named as proxies may vote proxies held by them in their discretion on such proposal. Any shareholder who wishes to submit a proposal for consideration at a meeting of the Fund's shareholders should send such proposal to the Fund's Secretary at 11 Greenway Plaza, Suite 1000, Houston, Texas 77046, Attn: Secretary. Additional requirements regarding shareholder proposals are included in the Fund's Bylaws, which are available upon request.

General

Management of the Fund does not intend to present, and does not have reason to believe that others will present, any other items of business at the Meeting. However, if other matters are properly presented to the Meeting for a vote, the proxies will be voted upon such matters in accordance with the judgment of the persons acting under the proxies.

Failure of a quorum to be present at the Meeting may necessitate adjournment and may subject the Fund to additional expense.

If you cannot be present in person, you are requested to fill in, sign and return the enclosed proxy card(s), for which no postage is required if mailed in the United States, or record your voting instructions by telephone or via the internet promptly.

PRE-APPROVAL OF AUDIT AND NON-AUDIT SERVICES

POLICIES AND PROCEDURES

As adopted by the Audit Committees

of the Invesco Funds (the Funds)

Last Amended March 29, 2017

I. Statement of Principles

The Audit Committees (the Audit Committee) of the Boards of Trustees of the Funds (the Board) have adopted these policies and procedures (the Procedures) with respect to the pre-approval of audit and non-audit services to be provided by the Funds' independent auditor (the Auditor) to the Funds, and to the Funds' investment adviser(s) and any entity controlling, controlled by, or under common control with the investment adviser(s) that provides ongoing services to the Funds (collectively, Service Affiliates).

Under Section 202 of the Sarbanes-Oxley Act of 2002, all audit and non-audit services provided to the Funds by the Auditor must be preapproved by the Audit Committee. Rule 2-01 of Regulation S-X requires that the Audit Committee also pre-approve a Service Affiliate's engagement of the Auditor for non-audit services if the engagement relates directly to the operations and financial reporting of the Funds (a Service Affiliate's Covered Engagement).

These Procedures set forth the procedures and the conditions pursuant to which the Audit Committee may pre-approve audit and non-audit services for the Funds and a Service Affiliate's Covered Engagement pursuant to rules and regulations of the Securities and Exchange Commission (SEC) and other organizations and regulatory bodies applicable to the Funds (Applicable Rules¹). They address both general pre-approvals without consideration of specific case-by-case services (general pre-approvals) and pre-approvals on a case-by-case basis (specific pre-approvals). Any services requiring pre-approval that are not within the scope of general pre-approvals hereunder are subject to specific pre-approval. These Procedures also address the delegation by the Audit Committee of pre-approval authority to the Audit Committee Chair or Vice Chair.

II. Pre-Approval of Fund Audit Services

The annual Fund audit services engagement, including terms and fees, is subject to specific pre-approval by the Audit Committee. Audit services include the annual financial statement audit and other procedures required to be performed by an independent auditor to be able to form an opinion on the Funds' financial statements. The Audit Committee will receive, review and consider sufficient information concerning a proposed Fund audit engagement to make a reasonable evaluation of the Auditor's qualifications and independence. The Audit Committee will oversee the Fund audit services engagement as necessary, including approving any changes in terms, audit scope, conditions and fees.

¹ Applicable Rules include, for example, New York Stock Exchange (NYSE) rules applicable to closed-end funds managed by Invesco and listed on NYSE.

In addition to approving the Fund audit services engagement at least annually and specifically approving any changes, the Audit Committee may generally or specifically pre-approve engagements for other audit services, which are those services that only an independent auditor reasonably can provide. Other audit services may include services associated with SEC registration statements, periodic reports and other documents filed with the SEC.

III. General and Specific Pre-Approval of Non-Audit Fund Services

The Audit Committee will consider, at least annually, the list of General Pre-Approved Non-Audit Services which list may be terminated or modified at any time by the Audit Committee. To inform the Audit Committee's review and approval of General Pre-Approved Non-Audit Services, the Funds' Treasurer (or his or her designee) and Auditor shall provide such information regarding independence or other matters as the Audit Committee may request.

Any services or fee ranges that are not within the scope of General Pre-Approved Non-Audit Services have not received general pre-approval and require specific pre-approval. Each request for specific pre-approval by the Audit Committee for services to be provided by the Auditor to the Funds must be submitted to the Audit Committee by the Funds' Treasurer (or his or her designee) and must include detailed information about the services to be provided, the fees or fee ranges to be charged, and other relevant information sufficient to allow the Audit Committee to consider whether to pre-approve such engagement, including evaluating whether the provision of such services will impair the independence of the Auditor and is otherwise consistent with Applicable Rules.

IV. Non-Audit Service Types

The Audit Committee may provide either general or specific pre-approval of audit-related, tax or other services, each as described in more detail below.

a. Audit-Related Services

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Fund's financial statements or that are traditionally performed by an independent auditor. Audit-related services include, among others, accounting consultations related to accounting, financial reporting or disclosure matters not classified as Audit services; assistance with understanding and implementing new accounting and financial reporting guidance from rulemaking authorities; services related to mergers, acquisitions or dispositions; compliance with ratings agency requirements and interfund lending activities; and assistance with internal control reporting requirements.

b. Tax Services

Tax services include, but are not limited to, the review and signing of the Funds' federal tax returns, the review of required distributions by the Funds and consultations regarding tax matters such as the tax treatment of new investments or the impact of new regulations. The Audit Committee will not approve proposed services of the Auditor which the Audit Committee believes are to be provided in connection with a service or transaction

initially recommended by the Auditor, the sole business purpose of which may be tax avoidance and the tax treatment of which may not be supported in the Internal Revenue Code and related regulations. The Audit Committee will consult with the Funds' Treasurer (or his or her designee) and may consult with outside counsel or advisers as necessary to ensure the consistency of tax services rendered by the Auditor with the foregoing policy. The Auditor shall not represent any Fund or any Service Affiliate before a tax court, district court or federal court of claims.

Each request to provide tax services under either the general or specific pre-approval of the Audit Committee will include a description from the Auditor in writing of (i) the scope of the service, the fee structure for the engagement, and any side letter or other amendment to the engagement letter, or any other agreement (whether oral, written, or otherwise) between the Auditor and the Funds, relating to the service; and (ii) any compensation arrangement or other agreement, such as a referral agreement, a referral fee or fee-sharing arrangement, between the Auditor (or an affiliate of the Auditor) and any person (other than the Funds or Service Affiliates receiving the services) with respect to the promoting, marketing, or recommending of a transaction covered by the service. The Auditor will also discuss with the Audit Committee the potential effects of the services on the independence of the Auditor, and document the substance of its discussion with the Audit Committee.

c. Other Services

The Audit Committee may pre-approve other non-audit services so long as the Audit Committee believes that the service will not impair the independence of the Auditor. Appendix I includes a list of services that the Auditor is prohibited from performing by the SEC rules. Appendix I also includes a list of services that would impair the Auditor's independence unless the Audit Committee reasonably concludes that the results of the services will not be subject to audit procedures during an audit of the Funds' financial statements.

V. Pre-Approval of Service Affiliate's Covered Engagements

Rule 2-01 of Regulation S-X requires that the Audit Committee pre-approve a Service Affiliate's engagement of the Auditor for non-audit services if the engagement relates directly to the operations and financial reporting of the Funds, defined above as a Service Affiliate's Covered Engagement.

The Audit Committee may provide either general or specific pre-approval of any Service Affiliate's Covered Engagement, including for audit-related, tax or other services, as described above, if the Audit Committee believes that the provision of the services to a Service Affiliate will not impair the independence of the Auditor with respect to the Funds. Any Service Affiliate's Covered Engagements that are not within the scope of General Pre-Approved Non-Audit Services have not received general pre-approval and require specific pre-approval.

Each request for specific pre-approval by the Audit Committee of a Service Affiliate's Covered Engagement must be submitted to the Audit Committee by the Funds' Treasurer (or his or her designee) and must include detailed information about the services to be provided,

the fees or fee ranges to be charged, a description of the current status of the pre-approval process involving other audit committees in the Invesco investment company complex (as defined in Rule 2-201 of Regulation S-X) with respect to the proposed engagement, and other relevant information sufficient to allow the Audit Committee to consider whether the provision of such services will impair the independence of the Auditor from the Funds. Additionally, the Funds' Treasurer (or his or her designee) and the Auditor will provide the Audit Committee with a statement that the proposed engagement requires pre-approval by the Audit Committee, the proposed engagement, in their view, will not impair the independence of the Auditor and is consistent with Applicable Rules, and the description of the proposed engagement provided to the Audit Committee is consistent with that presented to or approved by the Invesco audit committee.

Information about all Service Affiliate engagements of the Auditor for non-audit services, whether or not subject to pre-approval by the Audit Committee, shall be provided to the Audit Committee at least quarterly, to allow the Audit Committee to consider whether the provision of such services is compatible with maintaining the Auditor's independence from the Funds. The Funds' Treasurer and Auditor shall provide the Audit Committee with sufficiently detailed information about the scope of services provided and the fees for such services, to ensure that the Audit Committee can adequately consider whether the provision of such services is compatible with maintaining the Auditor's independence from the Funds.

VI. Pre-Approved Fee Levels or Established Amounts

Pre-approved fee levels or ranges for audit and non-audit services to be provided by the Auditor to the Funds, and for a Service Affiliate's Covered Engagement, under general pre-approval or specific pre-approval will be set periodically by the Audit Committee. Any proposed fees exceeding 110% of the maximum pre-approved fee levels or ranges for such services or engagements will be promptly presented to the Audit Committee and will require specific pre-approval by the Audit Committee before payment of any additional fees is made.

VII. Delegation

The Audit Committee hereby delegates, subject to the dollar limitations set forth below, specific authority to its Chair, or in his or her absence, Vice Chair, to pre-approve audit and non-audit services proposed to be provided by the Auditor to the Funds and/or a Service Affiliate's Covered Engagement, between Audit Committee meetings. Such delegation does not preclude the Chair or Vice Chair from declining, on a case by case basis, to exercise his or her delegated authority and instead convening the Audit Committee to consider and pre-approve any proposed services or engagements.

Notwithstanding the foregoing, the Audit Committee must pre-approve: (a) any non-audit services to be provided to the Funds for which the fees are estimated to exceed \$500,000; (b) any Service Affiliate's Covered Engagement for which the fees are estimated to exceed \$500,000; or (c) any cost increase to any previously approved service or engagement that exceeds the greater of \$250,000 or 50% of the previously approved fees up to a maximum increase of \$500,000.

VIII. Compliance with Procedures

Notwithstanding anything herein to the contrary, failure to pre-approve any services or engagements that are not required to be pre-approved pursuant to the de minimis exception provided for in Rule 2-01(c)(7)(i)(C) of Regulation S-X shall not constitute a violation of these Procedures. The Audit Committee has designated the Funds' Treasurer to ensure services and engagements are pre-approved in compliance with these Procedures. The Funds' Treasurer will immediately report to the Chair of the Audit Committee, or the Vice Chair in his or her absence, any breach of these Procedures that comes to the attention of the Funds' Treasurer or any services or engagements that are not required to be pre-approved pursuant to the de minimis exception provided for in Rule 2-01(c)(7)(i)(C) of Regulation S-X.

On at least an annual basis, the Auditor will provide the Audit Committee with a summary of all non-audit services provided to any entity in the investment company complex (as defined in section 2-01(f)(14) of Regulation S-X, including the Funds and Service Affiliates) that were not pre-approved, including the nature of services provided and the associated fees.

IX. Amendments to Procedures

All material amendments to these Procedures must be approved in advance by the Audit Committee. Non-material amendments to these Procedures may be made by the Legal and Compliance Departments and will be reported to the Audit Committee at the next regularly scheduled meeting of the Audit Committee.

Non-Audit Services That May Impair the Auditor's Independence

The Auditor is not independent if, at any point during the audit and professional engagement, the Auditor provides the following non-audit services:

Management functions;

Human resources;

Broker-dealer, investment adviser, or investment banking services ;

Legal services;

Expert services unrelated to the audit;

Any service or product provided for a contingent fee or a commission;

Services related to marketing, planning, or opining in favor of the tax treatment of confidential transactions or aggressive tax position transactions, a significant purpose of which is tax avoidance;

Tax services for persons in financial reporting oversight roles at the Fund; and

Any other service that the Public Company Oversight Board determines by regulation is impermissible. An Auditor is not independent if, at any point during the audit and professional engagement, the Auditor provides the following non-audit services unless it is reasonable to conclude that the results of the services will not be subject to audit procedures during an audit of the Funds' financial statements:

Bookkeeping or other services related to the accounting records or financial statements of the audit client;

Financial information systems design and implementation;

Appraisal or valuation services, fairness opinions, or contribution-in-kind reports;

Actuarial services; and

Internal audit outsourcing services.
