**Item 1.01 Entry into a Material Definitive Agreement.**  
**Merger Agreement**

On November 1, 2018, Pacific Biosciences of California, Inc., a Delaware corporation (the Company or PacBio), entered into an Agreement and Plan of Merger (the Merger Agreement) with Illumina, Inc., a Delaware corporation (Illumina), and FC Ops Corp., a Delaware corporation and a wholly owned subsidiary of Illumina (Merger Subsidiary). The Merger Agreement provides that, subject to the terms and conditions set forth therein, Merger Sub will merge with and into the Company (the Merger), with the Company surviving the Merger and becoming a wholly owned subsidiary of Illumina.

Under the Merger Agreement, at the effective time of the Merger, (a) each issued and outstanding share of PacBio common stock (other than shares (i) owned or held in treasury by PacBio or owned by Illumina or Merger Subsidiary, (ii) held by any subsidiary of PacBio or Illumina (other than Merger Subsidiary) or (iii) held by stockholders who have properly exercised and perfected appraisal rights under Delaware law) and (b) each outstanding share of PacBio restricted stock, will be cancelled and automatically converted into the right to receive \$8.00 in cash, without interest (the Merger Consideration). In addition, subject to certain exceptions, each share of PacBio common stock underlying restricted stock units and stock options (whether vested or unvested) will be converted into the right to receive the Merger Consideration (or, in the case of a stock option, the spread between the Merger Consideration and the applicable exercise price), without interest.

PacBio has made customary representations, warranties and covenants in the Merger Agreement, including covenants not to, during the pendency of the Merger, solicit alternative transactions or, subject to certain exceptions, not to enter into discussions concerning, or provide confidential information in connection with, an alternative transaction. Each of Illumina and Merger Subsidiary has also made customary representations, warranties and covenants in the Merger Agreement.

Consummation of the Merger is subject to the satisfaction or waiver of customary closing conditions, including (i) approval of the Merger Agreement by PacBio stockholders, (ii) the absence of any law or order in certain jurisdictions restraining, enjoining or otherwise prohibiting the Merger, (iii) the expiration or termination of the waiting period under the United States Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and clearance under the antitrust laws of certain non-United States jurisdictions. The transaction is not subject to any financing condition.

The Merger Agreement contains certain customary termination rights for Illumina and PacBio, including a right to terminate the Merger Agreement if the Merger is not completed by November 1, 2019, unless otherwise extended pursuant to the terms of the Merger Agreement. The Merger Agreement further provides that, upon termination of the Merger Agreement under certain specified circumstances, PacBio will be obligated to pay Illumina a termination fee of \$43.00 million. Specifically, if the Merger Agreement is terminated in connection with PacBio accepting a superior offer or due to the withdrawal by PacBio's board of directors of its recommendation of the Merger, then the termination fee will be payable by PacBio to Illumina upon termination. The termination fee will also be payable in certain circumstances if the Merger Agreement is terminated and, prior to such termination, a proposal to acquire greater than 50% of the common stock or assets of PacBio is publicly announced, and PacBio enters into an agreement for, or completes, any transaction involving the acquisition of greater than 50% of its stock or assets within one year of the termination. In certain other circumstances related to antitrust approvals, Illumina may be required to pay PacBio a termination fee of \$98.00 million. Specifically, if the Merger Agreement is terminated after November 1, 2019 (as such date may be extended pursuant to the Merger Agreement), then the termination fee will be payable by Illumina upon termination of the Merger Agreement if the

other conditions to closing not relating to antitrust or competition laws have been satisfied or validly waived. In no event will either party be entitled to receive more than one termination fee payment. In addition to the circumstances under which termination fees would be payable as described above, under other circumstances, each party remains liable to the other for any additional damages if such party (i) intentionally fails to fulfill a condition to the performance of the obligations of the other party, (ii) commits a material breach of the covenants required to be performed by it, or (iii) commits a willful and intentional breach of any of its representations and warranties.

The foregoing summary of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement attached hereto as Exhibit 2.1 and incorporated herein by reference.

The Merger Agreement has been attached as an exhibit hereto to provide investors with information regarding its terms. It is not intended to provide any other factual information about PacBio, Illumina or Merger Subsidiary, their respective businesses, or the actual conduct of their respective businesses during the period prior to the consummation of the Merger. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of the Merger Agreement as of the specific dates therein, were solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Accordingly, the representations and warranties may not describe the actual state of affairs as of the date they were made or at any other time and investors should not rely on them as statements of fact.

### **Item 5.03 Amendments to Articles of Incorporation or Bylaws.**

On November 1, 2018, in connection with the transactions contemplated by the Merger Agreement, the Company's Board of Directors amended and restated the Amended and Restated Bylaws of Pacific Biosciences of California, Inc. (the Bylaws Amendment). The Bylaws Amendment provides for the state and federal courts located within the State of Delaware as the exclusive forum for various governance disputes concerning PacBio and other persons.

The foregoing summary of the Bylaws Amendment and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Bylaws Amendment attached hereto as Exhibit 3.1 and incorporated herein by reference.

### **Item 8.01 Other Events.**

#### **Press Release**

On November 1, 2018, the Company and Illumina issued a joint press release announcing the entry into the Merger Agreement. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.

#### **Voting Agreement**

In connection with the execution of the Merger Agreement, each of Bill Ericson, Christian Henry, David Botstein, John Milligan, Kathy Ordonez, Lucy Shapiro, Marshall Mohr, Michael Hunkapiller, Michael Phillips, Randall Livingston, and Susan Barnes (collectively, the Company Stockholders) have

entered into a Voting Agreement, dated as of November 1, 2018, with Illumina and Merger Subsidiary (the "Voting Agreement"). Subject to the terms and conditions of the Voting Agreement, the Company Stockholders have agreed, among other things, to vote the shares of PacBio common stock that are owned of record by such stockholder (representing in the aggregate approximately 1.98% of the total outstanding shares of Company common stock as of October 30, 2018), and including shares of Company Common Stock acquired after such date, in favor of the adoption of the Merger Agreement and approval of the Merger and to waive any applicable appraisal rights. In addition, each such stockholder has agreed to vote against any proposal made in competition with the Merger, as well as certain other restrictions with respect to the voting and transfer of such stockholder's shares of Company common stock. The Voting Agreement will terminate automatically if the Merger Agreement is validly terminated.

The foregoing summary of the Voting Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Voting Agreement, a form of which is attached hereto as Exhibit 99.2 and incorporated herein by reference.
