VI. Considered and approved the 2018 annual report of the Company.

1. Agreed the Company to disclose online the full text and summary of the 2018 annual report (A shares) and the 2018 results announcement (H shares) of the Company, along with the 2018 financial reports of the Company considered and approved in resolution no. 1 above in Shanghai and Hong Kong on 29 March 2019 simultaneously.
2. Agreed to submit the 2018 annual work report of the Directors to the Annual General Meeting for consideration and approval.

For details of the 2018 annual work report of the Directors, please refer to Discussion and Analysis on Operations in section four and Performance of the Board and Special Committees in parts three and four under Corporate Governance in section eight of the 2018 annual report of the Company.

Please refer to the website of the Shanghai Stock Exchange (www.sse.com.cn) for the full text of the 2018 annual report of the Company.

VII. Considered and approved the 2018 profit distribution proposal of the Company.

1. Agreed the Company not to carry out profit distribution in cash or conversion of capital reserve into share capital for the year 2018; and
2. Agreed to submit the 2018 profit distribution proposal of the Company to the Annual General Meeting for consideration and approval.

According to the relevant requirements of the Measures for the Administration of Securities Underwriting and Issuance of the China Securities Regulatory Commission, for issue securities by a listed company, in the event that any profit distribution proposal or proposal of conversion of the reserve into the share capital has not been submitted to its general meeting for voting or has been approved by the general meeting but has not yet been implemented, the issuance of securities shall proceed after such proposal has been implemented. As the proposed non-public issuance of A shares of the Company is now under review by the China Securities Regulatory Commission and the project is strategically important to the Company, in order to guarantee the smooth progress of the proposed non-public issuance project, the Company intended not to proceed with cash dividend distribution or conversion of capital reserve into share capital for the year 2018, after comprehensively taking into account of the long-term development of the Company and the interests of all of its shareholders. The retained profits will be used to supplement the Company's daily working capital, to fulfil the Company's main business development needs.

The Company has, for the years in 2016 and 2017, consecutively implemented profit distribution proposals to return to its investors. The accumulated profit distribution for the years in 2016, 2017 and 2018 amounted to RMB1,446.76 million, which has exceeded the requirement provided in the Articles, the accumulated profit distribution made in cash by the Company in the latest three years shall not be less than 30% of the average annual distributable profit attributable to the owners of the parent company in the consolidated statements in the latest three years .

The independent non-executive Directors of the Company consider that: the 2018 profit distribution proposal of the Company comprehensively takes into account of the strategical importance of the proposed non-public issuance project to the Company, the long-term development of the Company and the interests of all of its shareholders. The Company intended not to proceed with cash dividend distribution or conversion of capital reserve into share capital for the year 2018, which is in compliance with the requirements of the Company Law of the People's Republic of China, the Securities Law, Regulatory Guidelines for Listed Companies No. 3 Cash Dividends Distribution of Listed Companies, the Guidelines of the Shanghai Stock Exchange on Cash Dividends Distribution of Listed Companies, and the Articles. The Board has performed the voting procedures for the matter in compliance with the requirements of relevant laws and regulations and considered that there is no circumstance detrimental to the interests of the shareholders of the Company, especially to the minority shareholders of the Company. Meanwhile, it would help the Company to ensure smooth implementation of its major capital projects, facilitate the healthy and sustainable development of the Company.

VIII. Considered and approved the resolution regarding the general mandate for the issuance of shares of the Company and decided to submit this resolution to the Annual General Meeting for consideration and approval (please refer to Appendix 2 for the details of the general mandate for the issuance of shares of the Company).

IX. Considered and approved the resolution regarding the convening of the Annual General Meeting. Agreed the Company to convene the Annual General Meeting and authorized the chairman of the Company to publish the notice of the Annual General Meeting.

By order of the Board

Appendix 1

**EXPLANATION OF THE RESOLUTION ON THE GRANT OF A GENERAL
MANDATE TO THE BOARD TO ISSUE BONDS OF THE COMPANY
TO BE SUBMITTED TO THE GENERAL MEETING**

Details of the general mandate to be granted to the Board to issue bonds of the Company, which is to be submitted to the general meeting for consideration, are as follows:

Agreed the Board to issue debt financing instruments in one or multiple tranches within the limits of bonds issuable under the requirements of applicable laws, upon obtaining general and unconditional mandate from the general meeting:

1. Type of debt financing instruments: debt financing instruments include but not limited to corporate bonds, super short-term commercial paper, short-term commercial paper, medium-term notes, bonds denominated in offshore Renminbi or US Dollars or other currencies, and asset-backed securities. However, bonds issued and/or debt financing instruments adopted under this mandate shall not include bonds that are convertible to shares of the Company.
2. Issuer: the Company and/or its wholly-owned or controlled subsidiaries. The actual issuer shall be determined by the Board of the Company according to the issue needs.
3. Issue size: the amount of debt financing instruments permitted to be issued under this mandate shall fall within the outstanding balance available for issuance of such type of instruments under the requirements of applicable laws. The actual issue size shall be determined by the Board of the Company according to funding requirements and market conditions.
4. Term and type: not more than 15 years and may have single or multiple maturities. The actual term and issue size of each type of the debt financing instruments shall be determined by the Board of the Company according to relevant requirements and market conditions.
5. Use of proceeds: the proceeds raised from the issuance are expected to be used in ways which are in accordance with the requirements of laws and regulations, such as to fund the production and operation needs of the Company, to improve the debt structure, to supplement working capital and/or to make project investment. The actual use of proceeds shall be determined by the Board of the Company according to funding requirements.
6. Effective period of the mandate: one year from the date of approving this resolution at the general meeting of the Company.

Where the Board and/or its authorised representatives have, during the effective period of the mandate, decided the issuance, and provided that the Company has also, during the effective period of the mandate, obtained the approval or permission from or registration with regulatory authorities on the issuance, the Company may, during the effective

period of such approval, permission or registration, complete the issuance.

7. Authorisation to the Board

The Board of the Company proposes to the general meeting to grant the general and unconditional mandate to the Board of the Company for the following purposes, after taking into account of the specific requirements of the Company and other market conditions:

- (1) to confirm the issuer, type, actual type, actual terms and conditions and other matters, including but not limited to matters relating to the issue such as the actual issue size, actual aggregate amount, currency, issue price, interest rate or methods of determining interest rate, issue place, timing of issue, term, whether to issue on multi-tranche issuances, number of tranches of issue, whether to incorporate terms of repurchase or redemption, rating arrangement, guarantees, term of repayment of principal and payment of interest, use of proceeds and underwriting arrangement, of each issuance.
- (2) to undertake actions and procedures necessary and ancillary to each issue, including but not limited to the engagement of intermediary agency to deal with procedures such as applying approval from, registering and filing with relevant regulatory authorities relating to the issue on behalf of the Company, sign all legal documents necessary and relating to the issue, and handle other matters such as issue, repayment of principal and payment of interest during the duration and trading.
- (3) to approve, confirm and ratify the aforementioned actions and procedures given the Company has taken any of the actions and procedures in respect of any issue.
- (4) to make relevant adjustments to relevant matters relating to actual proposal for issuance within the scope of the mandate granted to the Board of the Company according to the advice of regulatory authorities or the then prevailing market conditions in the event of changes in the issue policy of regulatory authorities or market conditions, unless re- approval at the general meeting of the Company is otherwise required pursuant to the relevant laws, regulations and the Articles.
- (5) to decide and deal with relevant matters relating to the listing of issued debt financing instruments upon the completion of issuance.
- (6) to approve, sign and dispatch announcements and circulars relating to the issue to disclose relevant information according to the applicable regulatory rules at the place of listing of the Company.
- (7) to adjust the currency structure and interest rate structure of bonds within the duration of the bonds according to market conditions.
- (8) to assign the aforementioned mandate to other candidates whom the Board finds appropriate.

Appendix 2
