PROXY STATEMENT

Edgar Filing: CELGENE CORP /DE/ - Form PRE 14A

This Proxy Statement is furnished to the stockholders of Celgene Corporation, a Delaware corporation, in connection with the solicitation of proxies by the Board of Directors for use at our special meeting of stockholders (referred to as the Meeting or Special Meeting) to be held on February 16, 2006, and at any adjournment or postponement thereof. A copy of the Notice of Special Meeting accompanies this Proxy Statement. It is anticipated that the mailing of this Proxy Statement will commence on or about February 3, 2006.

Record Date and Voting Securities

Only stockholders of record at the close of business on January 17, 2006, the record date for the Special Meeting, will be entitled to notice of and to vote at the Meeting. On the record date we had outstanding 172,073,045 shares of common stock, par value \$.01 per share (the Common Stock), which are our only securities entitled to vote at the Special Meeting, each share being entitled to one vote.

Revocability of Proxies

Stockholders who execute proxies may revoke them by giving written notice to our Chief Executive Officer at any time before such proxies are voted. Attendance at the Meeting shall not have the effect of revoking a proxy unless the stockholder so attending shall, in writing, so notify the Secretary of the Meeting at any time prior to the voting of the proxy at the Meeting.

Other Matters

The Board of Directors does not know of any matter that is expected to be presented for consideration at the Meeting, other than the approval of an amendment to our Certificate of Incorporation to increase the total number of shares of stock we are authorized to issue from 280,000,000 to 580,000,000. However, if other matters properly come before the Meeting, the persons named in the accompanying proxy intend to vote thereon in accordance with their judgment.

Solicitation Expenses

We will bear the cost of the Meeting and the cost of soliciting proxies, including the cost of mailing the proxy material. In addition to solicitation by mail, our directors, officers, and regular employees (who will not be specifically compensated for such services) may solicit proxies by telephone or otherwise. Arrangements will be made with brokerage houses and other custodians, nominees, and fiduciaries to forward proxies and proxy material to their principals, and we will reimburse them for their expenses. In addition, we have retained Automatic Data Processing, or ADP, to assist in the mailing, collection, and administration of the proxy. ADP's fee is estimated to be \$100,000 plus reasonable out-of-pocket expenses.

Voting Procedures; Abstentions

All proxies received pursuant to this solicitation will be voted except as to matters where authority to vote is specifically withheld and, where a choice is specified as to the proposal, they will be voted in accordance with such specification. If no instructions are given, the persons named in the proxy solicited by our Board of Directors intend to vote FOR the amendment to our Certificate of Incorporation.

The holders of a majority of the outstanding shares of Common Stock entitled to vote on the Record Date, whether present in person or represented by proxy, will constitute a quorum for the transaction of business at the Special Meeting and any adjournment or postponement thereof. Abstentions will be counted as present or represented for purposes of establishing a quorum for the transaction of business.

Abstentions and broker non-votes, in effect, will be votes against the proposed amendment to our Certificate of Incorporation as approval of the proposal requires the affirmative vote of a majority of the outstanding shares entitled to vote on such proposal.

All shares of Common Stock as set forth in this Proxy Statement have been adjusted to reflect the three-for-one split effected on April 14, 2000, and the two-for-one split effected on October 22, 2004.

Security Ownership of Certain Beneficial Owners and Management

The table below sets forth the beneficial ownership of Common Stock as of January 17, 2006 by (i) each director, (ii) each of the named executive officers, as identified in the proxy statement for our 2005 annual meeting, (iii) all of our directors and named executive officers as a group and (iv) all persons known by the Board of Directors to be beneficial owners of more than five percent of the outstanding shares of Common Stock. **PROPOSAL:
APPROVAL OF AN AMENDMENT TO
THE CERTIFICATE OF INCORPORATION**

The Board of Directors has determined that it is in our best interest and in the best interest of our stockholders to amend our Certificate of Incorporation to increase the total number of authorized shares of stock from 280,000,000 to 580,000,000 shares. The increase in the number of authorized shares of stock is a prerequisite to the proposed two for one split of Common Stock (the Stock Split) that we announced on December 27, 2005, payable in the form of a 100 percent stock dividend. The Board of Directors unanimously approved the proposed amendment to the Certificate of Incorporation, in substantially the form attached hereto as Exhibit A (the Amendment), and hereby solicits the approval of our stockholders of the Amendment.

If the proposed amendment to the Certificate of Incorporation is approved by our stockholders, it would become effective upon the filing of a Certificate of Amendment with the Delaware Secretary of State, which filing would occur promptly after the Special Meeting.

Purpose of the Proposed Amendment

The primary purpose of the proposed Amendment is to provide a sufficient number of shares of Common Stock to effect the Stock Split. The Board of Directors believes that it is prudent to increase the authorized total number of shares of stock to the proposed level because, in addition to the shares of Common Stock required to effect the announced Stock Split, it would give the Board of Directors the flexibility to issue Common Stock, if it determined to do so, to meet business needs as they arise, without the delay and expense that could arise if there were insufficient authorized shares for a proposed issuance, thereby requiring stockholder approval and a special stockholders meeting before such issuance could proceed. Such future activities may include, without limitation, future acquisitions, financings, employee benefits and other appropriate corporate purposes.

Except pursuant to employee benefit plans, and currently outstanding convertible securities and warrants, there are no present plans, agreements or understandings for the issuance of additional shares of Common Stock as of the date of this Proxy Statement; however, we review and evaluate potential capital raising acquisitions and other corporate actions on an on-going basis to determine if such actions would be in our best interest and in the best interest of our stockholders. Depending on the nature and size of any future issuance of Common Stock, further stockholder authorization may be required under Delaware law or the rules of the Nasdaq Stock Market or any stock exchange on which Common Stock may then be listed.

The additional Common Stock issuable upon the Stock Split would have rights identical to the currently outstanding Common Stock. Adoption of the proposed Amendment would not affect the rights of the holders of currently outstanding Common Stock, except for rights incidental to increasing the number of shares of Common Stock outstanding.

Possible Effects of the Proposed Amendment

If the stockholders approve the proposed Amendment, the Board of Directors may cause the issuance of additional shares of Common Stock without further vote of our stockholders, except as provided under Delaware corporate law or under the rules of any securities exchange on which shares of Common Stock are then listed. Current holders of Common Stock have no preemptive or similar rights, which means that current stockholders do not have a prior right to purchase any new issue of our capital stock in order to maintain their proportionate ownership thereof. The issuance of additional shares of Common Stock would decrease the proportionate equity interest of our current stockholders and, depending upon the price paid for such additional shares, could result in dilution to our current stockholders.

Required Vote

The affirmative vote of the holders of a majority of the outstanding shares of Common Stock entitled to vote at the Special Meeting will be required to approve this Amendment.

RECOMMENDATION OF THE BOARD OF DIRECTORS

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
A VOTE FOR THE ADOPTION OF THIS PROPOSAL**

OTHER MATTERS
