Edgar Filing: Vishay Precision Group, Inc. - Form 8-K

Item 1.01 Entry into a Material Definitive Agreement.

On October 14, 2010, Vishay Precision Group, Inc. (the “Company”) entered into a Credit Agreement (the “Credit Agreement”) among the Company, the lenders, RBS Citizens, National Association as joint book-runner and JPMorgan Chase Bank, National Association as agent for such lenders (the “Agent”), pursuant to which the lenders have made available to the Company a multi-currency, secured credit facility. The credit facility consists of a secured revolving facility in an aggregate principal amount of \$25.0 million (the “Revolving Facility”) with sublimits of (i) \$5.25 million which can be used for letters of credit, and (ii) up to \$5.0 million which can be used for loans outstanding for up to 5 business days (“Swing Loans”). The Revolving Facility terminates on October 14, 2013.

Interest payable on the Revolving Facility is based upon the Agent’s prime rate, the Federal Funds Rate, or LIBOR (“Base Rate”). Depending upon the Company’s leverage ratio or the type of advance, an interest rate margin ranging from 0.00% to 2.75% per annum is added to the applicable Base Rate to determine the interest payable on the Revolving Facility. The Company paid a one-time fee on the commitment and is required to pay a quarterly fee of 0.30% per annum to 0.50% per annum on the unused portion of the Revolving Facility which is determined based on the Company’s leverage ratio each quarter. Additional customary fees apply with respect to letters of credit.

The obligations under the Revolving Facility are secured by pledges of stock in certain domestic and foreign subsidiaries, as well as guarantees by substantially all of the Company’s domestic subsidiaries. The obligations of the Company and the guarantors under the Revolving Facility are secured by substantially all the assets (excluding real estate) of the Company and such guarantors. The Credit Agreement restricts the Company from paying cash dividends and requires the Company to comply with other customary covenants, representations and warranties, including the maintenance of specific financial ratios.

The Credit Agreement is structured to permit the Company to enter into a second secured revolving credit facility of up to a maximum principal amount of \$15,000,000 (or the equivalent thereof in Israeli shekels), on terms and conditions reasonably satisfactory to Agent and secured separately by assets of the Company located primarily in Israel.

The foregoing description of the Credit Agreement and the Revolving Facility created thereunder does not purport to be a complete description of the parties’ rights and obligations under the Credit Agreement and the other documents and transactions contemplated by the Credit Agreement. As such, the foregoing description is qualified in its entirety by the reference to the complete text of the Credit Agreement, a copy of which is attached to this Current Report on Form 8-K (“Form 8-K”) as Exhibit 10.1 and is incorporated herein by this reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth under item 1.01 of this Form 8-K is incorporated herein by reference.
