Your vote is important. Whether or not you plan to attend the annual meeting, I hope that you will vote as soon as possible. Please review the instructions on each of your voting options described in the proxy statement and the notice of annual meeting you received in the mail.

Thank you for your ongoing support of, and continued interest in, Digital.

PROXY STATEMENT

FOR THE 2015 ANNUAL MEETING OF STOCKHOLDERS

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed proxy is solicited on behalf of the Board of Directors of Digital Ally, Inc., a Nevada corporation, for use at the 2015 Annual Meeting of Stockholders to be held Tuesday, June 9, 2015 at 10:00 a.m., CDT, or at any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying notice of annual meeting of stockholders. The annual meeting will be held at our corporate facility, located at 9705 Loiret Boulevard, Lenexa, Kansas, 66219. The telephone number at that location is (913) 814-7774.

These proxy solicitation materials were first mailed on or about April 29, 2015 to all stockholders entitled to vote at the meeting.

Record Date and Voting Securities

Stockholders of record at the close of business on April 27, 2015 are entitled to notice of and to vote at the meeting. At the record date, 3,983,081 shares of our common stock were issued and outstanding and held of record by 126 stockholders.

Stockholder of Record: Shares Registered in Your Name. If on April 27, 2015, your shares were registered directly in your name with our transfer agent, Action Stock Transfer Corporation, then you are a stockholder of record. As a stockholder of record, you may vote in person at the annual meeting or vote by proxy. Whether or not you plan to attend the annual meeting, we urge you to complete and return the enclosed proxy card or vote by proxy via telephone or the Internet as instructed on your proxy card to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank. If on April 27, 2015, your shares were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by that organization. The organization

holding your account is considered the stockholder of record for purposes of voting at the annual meeting.

As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. If you do not provide instructions for voting the shares that you beneficially own, the organization holding your shares **cannot** vote them for you for Proposals 1 through 3, as follows: Proposal 1, the election of directors; Proposal 2, to approve an amendment of our Articles of Incorporation to increase the number of authorized shares of our common stock from 9,375,000 to 25,000,000; and Proposal 3, to approve the 2015 Digital Ally, Inc. Stock Option and Restricted Stock Plan and to reserve 300,000 shares for issuance under the Plan.

We encourage you to provide voting instructions to the brokerage firm, bank, dealer, or other similar organization that is the record holder of your shares. A number of brokers and banks enable beneficial holders to give voting instructions via telephone or the internet. Please refer to the voting instructions provided by your bank or broker. You are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the annual meeting unless you provide a valid proxy from your broker, bank or other custodian.

Revocability of Proxies

You may revoke your proxy at any time before it is voted at the annual meeting. In order to do this, you may either:

sign and return another proxy bearing a later date;

provide written notice of the revocation to Thomas J. Heckman, our Secretary, prior to the time we take the vote at the annual meeting; or

attend the annual meeting and vote in person.

Quorum Requirement

A quorum, which is a majority of our outstanding shares of common stock as of the record date, must be present or represented by proxy in order to hold the annual meeting and to conduct business. Your shares will be counted as being present at the annual meeting if you attend the meeting in person or if you submit a properly executed proxy card.

Voting

You are entitled to one vote for each share of common stock that you hold on the record date.

Stockholder of Record: Shares Registered in Your Name. If you are a stockholder of record, you may vote by proxy using the enclosed proxy card, vote by proxy on the internet or by telephone, or vote in person at the annual meeting. Whether or not you plan to attend the annual meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the annual meeting and vote in person if you have already voted by proxy.

To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.

To vote on the internet, please follow the instructions provided on your proxy card.

Edgar Filing: DIGITAL ALLY INC - Form PRER14A

To vote by telephone, please follow the instructions provided on your proxy card.

To vote in person, come to the annual meeting and we will give you a ballot when you arrive.

If you hold your shares in your own name as a holder of record, you may instruct the proxy holders how to vote your common stock by signing, dating and mailing the proxy card in the postage paid reply envelope that we have provided. Of course, you may also choose to come to the annual meeting and vote your shares in person. The proxy holders will vote your shares in accordance with those instructions. If you sign and return a proxy card without giving specific voting instructions, your shares will be voted as recommended by our Board of Directors.

We provide internet proxy voting to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from your internet provider.

Beneficial Owner: Shares Registered in the Name of Broker or Bank. If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received instructions for granting proxies with these proxy materials from that organization rather than from us. A number of brokers and banks enable beneficial holders to give voting instructions via telephone or the internet. Please refer to the voting instructions provided by your bank or broker. To vote in person at the annual meeting, you must provide a valid proxy from your broker, bank, or other custodian. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

If you return a signed and dated proxy card without marking any voting selections, your shares will only be voted **for** Proposal 4, and **not** for Proposals 1, 2 or 3. Thus, if you are not a record holder and hold your shares through a bank or broker, you must provide voting instructions to the record holder of the shares in accordance with its requirements in order for your shares to be properly voted for the following proposals: Proposal 1, the election of directors; Proposal 2, to approve an amendment of our Articles of Incorporation to increase the number of authorized shares of our common stock from 9,375,000 to 25,000,000; and Proposal 3, to approve the 2015 Digital Ally, Inc. Stock Option and Restricted Stock Plan and to reserve 300,000 shares for issuance under the Plan. If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

If you beneficially own your shares in street name and you do not instruct your bank or broker how to vote on Proposals 1 through 3, no votes will be cast on your behalf at the annual meeting as to these proposals. Your bank or broker will, however, have discretion to vote any uninstructed shares on Proposal 4.

Abstentions and Broker Non-Votes

If you return a proxy card that indicates an abstention from voting on all matters, the shares represented will be counted as present for the purpose of determining a quorum, but they will not be voted on any matter at the annual meeting. Consequently, if you abstain from voting on Proposals 1 through 4, your abstention will have no effect on the outcome of the vote with respect to these proposals.

If your shares are held by your broker as your nominee (that is, in “street name”), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give instructions to your broker, your broker can vote your shares with respect to “discretionary” items, but not with respect to “non-discretionary” items. Discretionary items are proposals considered routine under the rules of the New York Stock Exchange (“NYSE”) on which your broker may vote shares held in street name without your voting instructions. On non-discretionary items for which you do not give your broker instructions, the shares will be treated as broker non-votes. Under NYSE rules, any election of a member of the Board of Directors, whether contested or uncontested, is considered “non-discretionary” and therefore brokers are not permitted to vote your shares held in street name for the election of directors in the absence of instructions from you. Each of Proposals 1, 2 and 3 are “non-discretionary.” Therefore, if you hold your shares through a broker, nominee, fiduciary or other custodian, your shares will not be voted on those proposals unless you provide voting instructions to the record holder.

A “broker non-vote” occurs when a broker expressly instructs on a proxy card that it is not voting on a matter, whether routine or non-routine. Broker non-votes are counted for the purpose of determining the presence or absence of a quorum, but are not counted for determining the number of votes cast for or against a proposal. Your broker will have discretionary authority to vote your shares on Proposal 4 only.

Stockholder List

The stockholder list as of the record date will be available for examination by any stockholder at our corporate office, 9705 Loiret Boulevard, Lenexa, Kansas 66219, beginning May 26, 2015, which is at least ten business days prior to the date of the annual meeting and the stockholder list will be available at the annual meeting.

Proxy Solicitation Costs

This solicitation of proxies is made by our Board of Directors, and we will bear all related costs. None of our directors intends to oppose any action for which stockholder approval is being solicited. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. Proxies may also be solicited by certain of our directors, officers and regular employees, without additional compensation, personally or by telephone or facsimile.

Our Voting Recommendations

Our Board of Directors recommends that you vote:

FOR the four nominees to the Board of Directors;

FOR an amendment to our Articles of Incorporation to increase the number of authorized shares of our capital stock from 9,375,000 to 25,000,000, of which all 25,000,000 shares will be classified as common stock;

FOR Proposal 3, to approve the 2015 Digital Ally, Inc. Stock Option and Restricted Stock Plan and to reserve 300,000 shares for issuance under the Plan;

FOR ratification of the appointment of McGladrey LLP as our independent registered public accounting firm; and

On such other matters that may properly come before the annual meeting in accordance with the best judgment of the individual proxies named in the proxy.

Voting Results

The preliminary voting results will be announced at the annual meeting. The final voting results will be calculated by our Inspector of Elections and published in our report on Form 8-K within four business days of the meeting.

Stockholders Sharing the Same Address

We have adopted a procedure called “householding,” which has been approved by the Securities and Exchange Commission. Under this procedure, we are delivering only one copy of the annual report and proxy statement to multiple stockholders who share the same address, unless we have received contrary instructions from an affected stockholder. This procedure reduces our printing and mailing costs and fees. Stockholders who participate in householding will continue to receive separate proxy cards.

We will deliver, promptly upon written or oral request, a separate copy of the annual report and the proxy statement to any stockholder at a shared address to which a single copy of either of those documents was delivered. To receive a separate copy of the annual report or proxy statement, you may write or call our Investor Relations Department at 9705 Loiret Boulevard, Lenexa, Kansas 66219, telephone (913) 814-7774. Any stockholders of record who share the same address and currently receive multiple copies of our annual report and proxy statement and who wish to receive only one copy of these materials per household in the future should contact our Investor Relations Department at the address or telephone number listed above to participate in the householding program.

A number of brokerage firms have instituted householding. If you hold your shares in “street name,” please contact your bank, broker, or other holder of record to request information about householding.

Deadline for Receipt of Stockholder Proposals for 2016 Annual Meeting of Stockholders

As a stockholder, you may be entitled to present proposals for action at an upcoming meeting if you comply with the requirements of the proxy rules established by the Securities and Exchange Commission and our bylaws. Stockholders wishing to present a proposal at our 2016 annual meeting of stockholders must submit such proposal to us by December 24, 2015, if they wish it to be eligible for inclusion in the proxy statement and form of proxy relating to that meeting. In connection with our 2016 annual meeting of stockholders, we intend to solicit proxies granting discretionary authority to the proxyholders to vote on any matters submitted by stockholders by December 24, 2015. In addition, under our bylaws, a stockholder wishing to make a proposal at the 2016 annual meeting of stockholders must submit such a proposal to us by December 24, 2015. Any such proposals should be in compliance with our bylaws and should be submitted to Digital Ally, Inc., 9705 Loiret Boulevard, Lenexa, Kansas 66219, Attention: Thomas J. Heckman, Secretary.

Other Matters

Other than the proposals listed above, our Board of Directors does not intend to present any other matters to be voted on at the meeting. Our Board of Directors is not currently aware of any other matters that will be presented by others for action at the meeting. However, if other matters are properly presented at the meeting and you have signed and returned your proxy card, the proxy holders will have discretion to vote your shares on these matters to the extent authorized under the Securities Exchange Act of 1934, as amended.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE 2015 ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON JUNE 9, 2015:

Copies of our notice of annual meeting, proxy statement and 2014 Annual Report to Stockholders are available online at www.digitalallyinc.com.

From March 1992 to June 2005, Mr. Ross was the Chairman and President of Infinity Energy Resources, Inc., a publicly held oil and gas exploration and development company (“Infinity”), and served as an officer and director of each of Infinity’s subsidiaries. He resigned all of his positions with Infinity in June 2005, except Chairman, but was reappointed President in October 2006. Mr. Ross served on the board of directors of Studio One Media, Inc., a publicly held company, from January 2013 to March 2013. From 1991 until March 1992, he founded and served as President of Midwest Financial, a financial services corporation involved in mergers, acquisitions and financing for corporations in the Midwest. From 1990 to 1991, Mr. Ross was employed by Duggan Securities, Inc., an investment banking firm in Lenexa, Kansas, where he primarily worked in corporate finance. From 1989 to 1990, he was employed by Stifel, Nicolaus & Co., a member of the New York Stock Exchange, where he was an investment executive. From 1987 to 1989, Mr. Ross was self-employed as a business consultant. From 1985 to 1987, Mr. Ross was President and founder of Kansas Microwave, Inc., which developed a radar detector product. From 1981 to 1985, he was employed by Birdview Satellite Communications, Inc., which manufactured and marketed home satellite television systems, initially as a salesman and later as National Sales Manager. Mr. Ross devotes such time to the business of the Company as he deems necessary to discharge his fiduciary duties to it. Mr. Ross estimates he devoted most of his time to Digital Ally and the balance to Infinity in 2012. In late 2007, Infinity sold a substantial portion of its operating assets and has not required a substantial amount of his time since such point. Mr. Ross holds no public company directorships other than with the Company and Infinity and has not held any others during the previous five years, except for Studio One Media, Inc. The Company believes that Mr. Ross’s broad entrepreneurial, financial and business expertise and his experience with micro-cap public companies and his role as President and Chief Executive Officer give him the qualifications and skills to serve as a Director.

Leroy C. Richie has been the Lead Outside Director of Digital Ally since September 2005. He is also a member of the Audit Committee and is the Chairman of the Compensation Committee and Nominating and Governance Committee. Since June 1, 1999 Mr. Richie has been a director of Infinity Energy Resources, Inc., a publicly held oil and gas exploration and development company. Mr. Richie was formerly Vice President of Chrysler Corporation and General Counsel for automotive legal affairs, where he directed all legal affairs for that company's automotive operations from 1986 until his retirement in 1997. Before joining Chrysler, he was an associate with the New York law firm of White & Case (1973-1978), and served as director of the New York office of the Federal Trade Commission (1978-1983). Mr. Richie received a B.A. from City College of New York, where he was valedictorian, and a J.D. from the New York University School of Law, where he was awarded an Arthur Garfield Hays Civil Liberties Fellowship. The Company believes that Mr. Richie's extensive experience as a lawyer and as an officer or director of public companies gives him the qualifications and skills to serve as a Director.

Daniel F. Hutchins was elected a Director in December 2007. He serves as Chairman of the Audit Committee and is the Board's financial expert. He is also a member of the Nominating and Governance Committee. Mr. Hutchins, a Certified Public Accountant, is a Principal with the accounting firm of Hutchins & Haake, LLC and currently serves as a director and the Chief Financial Officer of Infinity Energy Resources, Inc., a publicly held oil and gas exploration and development company, of which Stanton E. Ross is the Chairman and President. Elliot M. Kaplan has been a Director since September 2005 and is a member of the Audit, Compensation and Nominating and Governance Committees. Mr. Kaplan was a practicing attorney with Daniels & Kaplan, P.C. from 1994 through 2006, with a concentration in corporate strategy. During the years 1985 through 1993, Mr. Kaplan practiced with the law firms of Berman, DeLeve, Kuchan and Chapman (1991-1993); DeWitt, Zeldin and Bigus (1990-1991); and Husch, Eppenberger, Donahue, Cornfeld and Jenkins (1985-1990). From 1983 to 1985, he served as Vice President, Assistant General Counsel and Assistant Secretary of Air One, Inc. He also served on the board of directors of Infinity Energy Resources, Inc., a publicly held oil and gas exploration and development company, from July 2004 through June 18, 2008. Mr. Kaplan served as the chairman of the Advisory Board of Executive Action and was a member of the SCCA ProRacing Board of Directors until early 2011. Mr. Kaplan holds no other public company directorships and has not held any others during the previous five years. Our Directors are elected annually and hold office until the next annual meeting of our stockholders or until their successors are elected and qualified. Officers are elected annually and serve at the discretion of the Board of Directors. There is no family relationship between any of our directors, director nominees and executive officers. Board vacancies are filled by a majority vote of the Board.

Vote Required and Board Recommendation

If a quorum is present and voting, the four nominees receiving the greatest number of votes will be elected to the Board of Directors. Votes withheld from any nominee will be counted for purposes of determining the presence or absence of a quorum for transaction of business at the meeting, but will have no other legal effect upon the election of directors under Nevada law.

OUR BOARD OF DIRECTORS RECOMMENDS THAT OUR STOCKHOLDERS VOTE FOR EACH OF THE FOUR NOMINEES NAMED ABOVE.

Board of Directors and Committee Meetings

Our Board of Directors held three regular and seven telephonic meetings during the fiscal year ended December 31, 2014. Each of our directors attended at least 75% of the meetings of the Board of Directors and the committees on which he served in the fiscal year ended December 31, 2014. Our directors are expected, absent exceptional circumstances, to attend all Board meetings and meetings of committees on which they serve, and are also expected to attend our annual meeting of stockholders. All directors then in office attended the 2014 annual meeting of stockholders.

Committees of the Board of Directors

Our Board of Directors currently has three committees: an Audit Committee, a Compensation Committee and a Nominating and Governance Committee. Each committee has a written charter approved by the Board of Directors outlining the principal responsibilities of the committee. These charters are also available on the Investor Relations page of our website. All of our directors, other than our Chairman and Chief Executive Officer, have met in executive sessions without management present on a regular basis in 2014 and 2015.

Audit Committee

Our Audit Committee appoints the Company's independent auditors, reviews audit reports and plans, accounting policies, financial statements, internal controls, audit fees, and certain other expenses and oversees our accounting and financial reporting process. Specific responsibilities include selecting, hiring and terminating our independent auditors; evaluating the qualifications, independence and performance of our independent auditors; approving the audit and non-audit services to be performed by our auditors; reviewing the design, implementation, adequacy and effectiveness of our internal controls and critical accounting policies; overseeing and monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to financial statements or accounting matters; reviewing any earnings announcements and other public announcements regarding our results of operations in conjunction with management and our public auditors; conferring with management and the independent auditors regarding the effectiveness of internal controls, financial reporting processes and disclosure controls; consulting with management and the independent auditors regarding Company policies governing financial risk management; reviewing and discussing reports from the independent auditors on critical accounting policies used by the Company; establishing procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; reviewing and approving related-person transactions in accordance with the Company's policies and procedures with respect to related-person transactions and applicable rules; reviewing the financial statements to be included in our annual report on Form 10-K; and discussing with management and the independent auditors the results of the annual audit and the results of quarterly reviews and any significant changes in our accounting principles; and preparing the report that the Securities and Exchange Commission requires in our annual proxy statement. The report of the Audit Committee for the year-ended December 31, 2014 is included in this proxy statement.

The Audit Committee is comprised of three Directors, each of whom is independent, as defined by the rules and regulations of the Securities and Exchange Commission. The Audit Committee held four meetings during the year-ended December 31, 2014. On September 22, 2005, the Company created the Audit Committee and adopted a written charter for it. The members of our Audit Committee are Daniel F. Hutchins, Leroy C. Richie and Elliot M. Kaplan. The Board of Directors determined that Mr. Hutchins qualifies as an "audit committee financial expert," as defined under the rules and regulations of the Securities and Exchange Commission, and is independent as noted above.

Under the Sarbanes-Oxley Act of 2002, all audit and non-audit services performed by the Company's independent accountants must be approved in advance by the Audit Committee to assure that such services do not impair the accountants' independence from the Company. Accordingly, the Audit Committee has adopted an Audit and Non-Audit Services Pre-Approval Policy (the "Policy") that sets forth the procedures and the conditions pursuant to which services to be performed by the independent accountants are to be pre-approved. Pursuant to the Policy, certain services described in detail in the Policy may be pre-approved on an annual basis together with pre-approved maximum fee levels for such services. The services eligible for annual pre-approval consist of services that would be included under the categories of Audit Fees, Audit-Related Fees and Tax Fees in the table, as well as services for limited review of actuarial reports and calculations. If not pre-approved on an annual basis, proposed services must otherwise be separately approved prior to being performed by the independent accountants. In addition, any services

that receive annual pre-approval but exceed the pre-approved maximum fee level also will require separate approval by the Audit Committee prior to being performed. The Audit Committee may delegate authority to pre-approve audit and non-audit services to any member of the Audit Committee, but may not delegate such authority to management.

Compensation Committee

Our Compensation Committee assists our Board of Directors in determining the development plans and compensation of our officers, directors and employees. Specific responsibilities include approving the compensation and benefits of our executive officers; reviewing the performance objectives and actual performance of our officers; administering our stock option and other equity compensation plans; and reviewing and discussing with management the compensation discussion and analysis that the Securities and Exchange Commission requires in our future Form 10-Ks and proxy statements.

Our Compensation Committee is comprised of three Directors, whom the Board considers to be independent under the rules of the Securities and Exchange Commission. The members of our Compensation Committee are Leroy C. Richie, Chairman, and Elliot M. Kaplan. The Compensation Committee held one meeting during the year-ended December 31, 2014. Mr. Ross, our Chief Executive Officer, does not participate in the determination of his own compensation or the compensation of directors. However, he makes recommendations to the Compensation Committee regarding the amount and form of the compensation of the other executive officers and key employees, and he often participates in the Compensation Committee's deliberations about their compensation. Thomas J. Heckman, our Chief Financial Officer, also assists the Compensation Committee in its executive officer, director and employee compensation deliberations. No other executive officers participate in the determination of the amount or the form of the compensation of executive officers or directors. The Compensation Committee does not utilize the services of an independent compensation consultant to assist in its oversight of executive and director compensation. On September 22, 2007, the Board of Directors adopted a written charter.

Nominating and Governance Committee

Our Nominating and Governance Committee assists our Board of Directors by identifying and recommending individuals qualified to become members of our Board of Directors, reviewing correspondence from our stockholders, and establishing, evaluating and overseeing our corporate governance guidelines. Specific responsibilities include the following: evaluating the composition, size and governance of our Board of Directors and its committees and making recommendations regarding future planning and appointing directors to our committees; establishing a policy for considering stockholder nominees for election to our Board of Directors; and evaluating and recommending candidates for election to our Board of Directors.

Our Nominating and Governance Committee strives for a Board composed of individuals who bring a variety of complementary skills, expertise or background and who, as a group, will possess the appropriate skills and experience to oversee our business. The diversity of the members of the Board relates to the selection of its nominees. While the Committee considers diversity and variety of experiences and viewpoints to be important factors, it does not believe that a director nominee should be chosen or excluded solely or largely because of race, color, gender, national origin or sexual orientation or identity. In selecting a director nominee for recommendation to our Board, our Nominating

and Governance Committee focuses on skills, expertise or background that would complement the existing members on the Board. Accordingly, although diversity may be a consideration in the Committee's process, the Committee and the Board of Directors do not have a formal policy with regard to the consideration of diversity in identifying director nominees.

When the Nominating and Governance Committee has either identified a prospective nominee or determined that an additional or replacement director is required, the Nominating and Governance Committee may take such measures as it considers appropriate in connection with its evaluation of a director candidate, including candidate interviews, inquiry of the person or persons making the recommendation or nomination, engagement of an outside search firm to gather additional information, or reliance on the knowledge of the members of the Board of Directors or management. In its evaluation of director candidates, including the members of the Board eligible for re-election, the Nominating and Governance Committee considers a number of factors, including: the current size and composition of the Board of Directors, the needs of the Board of Directors and the respective committees of the Board, and such factors as judgment, independence, character and integrity, age, area of expertise, diversity of experience, length of service and potential conflicts of interest.

The Nominating and Governance Committee of the Board selects director nominees and recommends them to the full Board of Directors. In relation to such nomination process, the Committee:

- determines the criteria for the selection of prospective directors and committee members;
- reviews the composition and size of the Board and its committees to ensure proper expertise and diversity among its members;
- evaluates the performance and contributions of directors eligible for re-election;
- determine the desired qualifications for individual directors and desired skills and characteristics for the Board;
- identifies persons who can provide needed skills and characteristics;
- screens possible candidates for Board membership;
- reviews any potential conflicts of interests between such candidates and the Company's interests; and
- shares information concerning the candidates with the Board, and solicit input from other directors.

The Nominating and Governance Committee has specified the following minimum qualifications that it believes must be met by a nominee for a position on the Board: the highest personal and professional ethics and integrity; proven achievement and competence in the nominee's field and the ability to exercise sound business judgment; skills that are complementary to those of the existing Board; the ability to assist and support management and make significant contributions to our success; the ability to work well with the other directors; the extent of the person's familiarity with the issues affecting our business; an understanding of the fiduciary responsibilities that are required of a member of the Board of Directors; and the commitment of time and energy necessary to diligently carry out those responsibilities. A candidate for director must agree to abide by our Code of Ethics and Conduct.

After completing its evaluation, the Nominating and Governance Committee makes a recommendation to the full Board of Directors as to the persons who should be nominated to the Board, and the Board of Directors determines the nominees after considering the recommendation and report of the Committee.

Our Nominating and Governance Committee is comprised of three Directors, whom the Board considers to be independent under the rules of the Securities and Exchange Commission. The Nominating and Governance Committee held one meeting during the year ended December 31, 2014. The members of our Nominating and Governance Committee are Leroy C. Richie, who serves as Chairman, Elliot M. Kaplan and Daniel F. Hutchins. The Committee was created by our Board of Directors on December 27, 2007, when the Board of Directors adopted a written charter, which charter was amended in February 2010.

Strategic Planning Committee

Our Strategic Planning Committee assisted our Board of Directors by providing guidance in the formulation of both short and long-term business development plans, including identifying and recommending new strategic initiatives and alternatives, technologies and products for the Company. Specific responsibilities include the following: evaluating the Company's current product composition, markets to address, new research and development directions and commercialization of new products.

Our Strategic Planning Committee was comprised of three Directors and it held no meetings during the year ended December 31, 2014. On June 12, 2014 the Board of Directors reviewed the benefits of and the need for the Strategic Planning Committee and determined that it should be terminated.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is made up of two independent, non-employee directors, Messrs. Richie and Kaplan. No interlocking relationship exists between the members of our Compensation Committee and the board of directors or compensation committee of any other company.

Board of Directors' Role in the Oversight of Risk Management

We face a variety of risks, including credit, liquidity, and operational risks. In fulfilling its risk oversight role, our Board of Directors focuses on the adequacy of our risk management process and overall risk management system. Our Board of Directors believes that an effective risk management system will (i) adequately identify the material risks that we face in a timely manner; (ii) implement appropriate risk management strategies that are responsive to our risk profile and specific material risk exposures; (iii) integrate consideration of risk and risk management into our business decision-making; and (iv) include policies and procedures that adequately transmit necessary information regarding material risks to senior executives and, as appropriate, to the Board or relevant committee.

The Board of Directors has designated the Audit Committee to take the lead in overseeing risk management at the Board of Directors level. Accordingly, the Audit Committee schedules time for periodic review of risk management, in addition to its other duties. In this role, the Audit Committee receives reports from management, certified public accountants, outside legal counsel, and other advisors, and strives to generate serious and thoughtful attention to our risk management process and system, the nature of the material risks we face, and the adequacy of our policies and procedures designed to respond to and mitigate these risks.

Although the Board of Directors has assigned the primary risk oversight to the Audit Committee, it also periodically receives information about our risk management system and the most significant risks that we face. This is principally accomplished through Audit Committee reports to the Board of Directors and summary versions of the briefings provided by management and advisors to the Audit Committee.

In addition to the formal compliance program, our Board of Directors and the Audit Committee encourage management to promote a corporate culture that understands risk management and incorporates it into our overall corporate strategy and day-to-day business operations. Our risk management structure also includes an ongoing effort to assess and analyze the most likely areas of future risk for us. As a result, the Board of Directors and the Audit Committee periodically ask our executives to discuss the most likely sources of material future risks and how we are addressing any significant potential vulnerability.

Board Leadership Structure

Our Board of Directors does not have a policy on whether or not the roles of Chief Executive Officer and Chairman of the Board of Directors should be separate and, if they are to be separate, whether the Chairman of the Board should be selected from the non-employee directors or be an employee. Our Board of Directors believes that it should be free to make a choice from time to time in any manner that is in the best interest of us and our stockholders. The Board of Directors believes that Mr. Ross's service as both Chief Executive Officer and Chairman of the Board is in the best interest of us and our stockholders. Mr. Ross possesses detailed and in-depth knowledge of the issues, opportunities and challenges we face and is thus best positioned to develop agendas, with the input of Mr. Richie, the lead director, that ensure that the Board's time and attention are focused on the most critical matters. His combined role enables decisive leadership, ensures clear accountability, and enhances our ability to communicate our message and strategy clearly and consistently to our stockholders, employees, customers and suppliers, particularly during times of turbulent economic and industry conditions.

Our Board of Directors also believes that a lead director is part of an effective Board leadership structure. To this end, the Board has appointed Mr. Richie as the lead director. The independent directors meet regularly in executive sessions at which only they are present, and the lead director chairs those sessions. As the lead director, Mr. Richie calls meetings of the independent directors as needed; sets the agenda for meetings of the independent directors; presides at meetings of the independent directors; is the principal liaison on Board issues between the independent directors and the Chairman and between the independent directors and management; provides feedback to the Chairman and management on the quality, quantity and timeliness of information sent to the Board; is a member of the Compensation Committee which evaluates the CEO's performance; and oversees the directors' evaluation of the Board's overall performance. The Nominating and Governance Committee and the Board believe that the Board's leadership structure, which includes the appointment of an independent lead director, is appropriate because it, among other things, provides for an independent director who gives board member leadership and each of the directors, other than Mr. Ross, is independent. Our Board of Directors believes that the independent directors provide effective oversight of management.

Stockholder Communications with the Board of Directors

Stockholders may communicate with the Board of Directors by writing to us as follows: Digital Ally, Inc., attention: Corporate Secretary, 9705 Loiret Boulevard, Lenexa, Kansas 66219. Policy for Director Recommendations and Nominations

Our Nominating and Governance Committee will consider candidates for Board membership suggested by Board members, management and our stockholders. The policy of our Nominating and Governance Committee is to consider recommendations for candidates to the Board of Directors from any stockholder of record in accordance with our bylaws. A director candidate recommended by our stockholders will be considered in the same manner as a nominee recommended by a Board member, management or other sources. In addition, a stockholder may nominate a person directly for election to the Board of Directors at an annual meeting of stockholders, provided the stockholder meets the requirements set forth in our bylaws. We do not pay a fee to any third party to identify or evaluate or assist in identifying or evaluation potential nominees.

Stockholder Recommendations for Director Nominations. Stockholder recommendations for director nominations may be submitted to the Company at the following address: Digital Ally, Inc., Attention: Corporate Secretary, 9705 Loiret Boulevard, Lenexa, Kansas 66219. Such recommendations will be forwarded to the Nominating Committee for consideration, provided that they are accompanied by sufficient information to permit the Board to evaluate the qualifications and experience of the nominees, and provided that they are in time for the Nominating and Governance Committee to do an adequate evaluation of the candidate before the annual meeting of stockholders. The submission must be accompanied by a written consent of the individual to stand for election if nominated by the Board of Directors and to serve if elected and to cooperate with a background check.

Stockholder Nominations of Directors. Our bylaws provide that in order for a stockholder to nominate a director at an annual meeting, the stockholder must give timely written notice to the Secretary of the Company and such notice must be received at our principal executive offices not less than 120 days before the date of its release of the proxy statement to stockholders in connection with its previous year's annual meeting of stockholders. Such stockholder's notice shall include, with respect to each person whom the stockholder proposes to nominate for election as a director, all information relating to such nominee, including such person's written consent to being named in the proxy statement as a nominee, serving as a director, that is required under the Securities Exchange Act of 1934, as amended, and cooperating with a background investigation. In addition, the stockholder must include in such notice his name and address, as they appear on our records, of the stockholder proposing the nomination of such person, and the name and address of the beneficial owner, if any, on whose behalf the nomination is made, the class and number of shares of capital stock of the Company that are owned beneficially and of record by such stockholder of record and by the beneficial owner, if any, on whose behalf the nomination is made, and any material interest or relationship that such stockholder of record and/or the beneficial owner, if any, on whose behalf the nomination is made may respectively have in such business or with such nominee. At the request of the Board of Directors, any person nominated for election as a director shall furnish to the Secretary of the Company the information required to be set forth in a stockholder's notice of nomination which pertains to the nominee.

To be timely in the case of a special meeting or if the date of the annual meeting is changed by more than thirty (30) days from such anniversary date, a stockholder's notice must be received at our principal executive offices no later than the close of business on the tenth (10th) day following the earlier of the day on which notice of the meeting date was mailed or public disclosure of the meeting date was made.

Code of Ethics and Conduct

Our Board of Directors has adopted a *Code of Ethics and Conduct* that is applicable to all of our employees, officers and directors. Our *Code of Ethics and Conduct* is intended to ensure that our employees act in accordance with the highest ethical standards. The *Code of Ethics and Conduct* is available on the Investor Relations page of our website at <http://www.digitalally.com>. and the *Code of Ethics and Conduct* was filed as an exhibit to our annual report on Form 10-K filed March 4, 2008.

Director Compensation

Our non-employee directors received the stock option and restricted stock grants noted in the section below entitled “Stock Option and Restricted Stock Grants to Directors” for their service on the Board of Directors in 2014, including on the Audit, Nominating and Governance, Strategic Planning (through its termination date of June 12, 2014) and Compensation Committees.

Effective September 2, 2011, our Board of Directors terminated cash compensation to all non-employee Board members as part of the Company's cost reduction program. The non-employee directors who attended Board meetings and meetings as members of various committees of the Board were reimbursed for their out-of-pocket costs in attending the meetings of the Board of Directors.

In 2014, non-employee members of the Board did not receive cash compensation for their services, but we reimbursed them for their out-of-pocket costs in attending the meetings of the Board of Directors. Neither the chairmen of each committee of the Board nor any members of any committee received any additional cash compensation for their service on such committees in 2014.

In June 2014, we granted to Messrs. Richie, Kaplan and Hutchins each 17,000 shares of restricted stock valued at \$3.34 per share on June 12, 2014 for their service on the Board through May 2015.

PROPOSAL TWO

APPROVAL OF AMENDMENT TO OUR ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF OUR CAPITAL STOCK THAT WE MAY ISSUE FROM 9,375,000 TO 25,000,000 SHARES, OF WHICH ALL 25,000,000 SHARES SHALL BE CLASSIFIED AS COMMON STOCK.

Proposal 2 seeks your approval of an amendment to our Articles of Incorporation, which we refer to as the “Articles Amendment,” to increase the number of authorized shares of capital stock that we may issue from 9,375,000 to 25,000,000, of which all 25,000,000 shares shall be classified as common stock. The proposed Articles Amendment is set forth below:

“Article IX of the Articles of Incorporation of the Company is amended and restated in its entirety to read as follows:

Authorized Shares. The aggregate number of shares of capital stock that the Corporation will have the authority to issue is twenty-five million (25,000,000) shares, of which all twenty-five million (25,000,000) shares will be designated common stock, par value of \$0.001 each share (the “Common Stock”). The holders of the Common Stock shall have one (1) vote per share on each matter submitted to a vote of stockholders. Each share of Common Stock shall be entitled to the same dividend and liquidation rights. The capital stock of this Corporation, after the amount of the subscription price has been paid, shall never be assessable, or assessed to pay debts of this Corporation.

Increase in Authorized Shares of Common Stock

We believe that an increase in the number of our authorized capital stock is prudent in order to assure that a sufficient number of shares of our capital stock is available for issuance in the future if our Board of Directors deems it to be in the best interests of our stockholders and us. Our Board of Directors has determined that a total of 25,000,000 shares of common stock to be a reasonable estimate of what might be required in this regard for the foreseeable future to (i) issue common stock in acquisitions or strategic transactions and other proper corporate purpose that may be identified by our Board in the future; (ii) issue common stock to augment our capital and increase the ownership of our capital stock; and (iii) provide incentives through the grant of stock options and restricted stock to employees, directors, officers, independent contractors, and others important to our business under our stock option plans. Immediately following this increase, the Company will have approximately 21,016,919 shares of common stock authorized but unissued and available for issuance. At present, we have 3,983,081 shares of common stock issued and outstanding, 370,743 shares issuable upon exercise of options granted under the Plans, and 94,186 shares issuable upon exercise of outstanding warrants to purchase common stock.

The remaining authorized but unissued shares of capital stock will be available for issuance from time to time as may be deemed advisable or required for various purposes, including those noted above. Our Board will be able to authorize the issuance of shares for the foregoing purposes and other transactions without the necessity, and related costs and delays of either calling a special stockholders' meeting or waiting for the regularly scheduled Annual Meeting of Stockholders in order to increase the authorized capital. If in a particular transaction required stockholder approval by law or was otherwise deemed advisable by the Board, then the matter would be referred to the stockholders for their approval, even if we might have the requisite number of voting shares to consummate the transaction. The additional shares of common stock to be authorized by the Articles Amendment will have rights identical to the currently outstanding common stock. Adoption of the Articles Amendment and issuance of the additional common stock authorized thereby will not affect the rights of the holders of our currently outstanding common stock, except for effects incidental to increasing the number of outstanding shares of our common stock, as discussed above.

We do not have any plans, commitments, arrangements, understandings or agreements, whether written or oral, to issue any of the shares that will be newly available following the approval of the proposed increase in the number of authorized shares.

Effectiveness of Articles Amendment

The Articles Amendment will become effective once it is approved at the annual meeting and filed with the Secretary of State of Nevada. Upon filing the Articles Amendment with the Secretary of State of Nevada, our authorized shares of common stock will increase from 9,375,000 to 25,000,000.

Potential Anti-Takeover effect of the Proposed Articles Amendment

The Articles Amendment relating to the increase in the number of authorized shares of our common stock is not intended to have any anti-takeover effect and is not part of any series of anti-takeover measures contained in our Articles of Incorporation or Bylaws in effect on the date of this proxy statement. However, our stockholders should note that the availability of additional authorized and unissued shares of common stock could make any attempt to gain control of the Company or the Board more difficult or time-consuming and that the availability of additional authorized and unissued shares might make it more difficult to remove management. Although the Board currently has no intention of doing so, shares of stock could be issued by the Board to dilute the percentage of stock owned by any stockholder and increase the cost of, or the number of, voting shares necessary to acquire control of the Board or to meet the voting requirements imposed by Nevada law with respect to a merger or other business combination involving us.

Our Board of Directors did not propose this Articles Amendment for the purpose of discouraging mergers, tender offers, proxy contests, solicitation in opposition to management or other changes in control. We are not aware of any specific effort to accumulate our common stock or obtain control of us by means of a merger, tender offer, solicitation or otherwise. We have no present intention to use the increased number of authorized shares of stock for anti-takeover purposes.

Vote Required and Recommendation

The affirmative vote of a majority of the issued and outstanding common stock will be required to approve the Articles Amendment.

OUR BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE APPROVAL OF THE AMENDMENT TO OUR ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF OUR CAPITAL STOCK THAT WE MAY ISSUE FROM 9,375,000 TO 25,000,000 SHARES, OF WHICH ALL 25,000,000 SHARES SHALL BE CLASSIFIED AS

COMMON STOCK.

PROPOSAL THREE

TO APPROVE THE 2015 DIGITAL ALLY, INC. STOCK OPTION AND RESTRICTED STOCK PLAN AND TO RESERVE 300,000 SHARES FOR ISSUANCE UNDER THE PLAN.

The Company is seeking stockholder approval for the 2015 Stock Option and Restricted Stock Plan (the “2015 Plan”) including the reservation of 300,000 shares issuable under the 2015 Plan. The 2015 Plan was adopted by the Board of Directors on March 27, 2015, subject to stockholder approval at the annual meeting. Accordingly, no grants of options have been made under the 2015 Plan to date. If our stockholders approve the 2015 Plan, 300,000 shares will be available for future grants.

The purpose of the 2015 Plan is to offer all of our employees, directors, and key consultants an opportunity to acquire a proprietary interest in our success, and remain in service to the Company and to attract new employees, directors and consultants. The 2015 Plan provides both for the direct award of shares, for the grant of options to purchase shares, as well as for the grant of Stock Appreciation Rights (SARs). Options granted under the 2015 Plan may include non-statutory options as well as incentive stock options intended to qualify under Section 422 of the Internal Revenue Code.

The Company has a policy of issuing new shares upon the exercise of stock options, awarding significant amounts of stock options or restricted stock grants to new employees and regularly awarding such to employees on an annual basis. Stock options are generally granted at the market price on the date of grant. Stock options and restricted stock grants have generally vested over one or more years for officers and employees, and one year for directors. Stock options generally can be exercised within seven to ten years.

The Board of Directors believes that it is in the best interests of the Company and our stockholders for the Company to approve the 2015 Plan. There are relatively few shares available for grant under the existing stock option plans of the Company. The last stock option plan of the Company was approved in 2013 and it has been amended twice since its original approval. The Board believes that equity awards assist in retaining, motivating and rewarding employees, executives and consultants by giving them an opportunity to obtain long-term equity participation in the Company. In addition, equity awards are an important contributor to aligning the incentives of the Company’s employees with the interests of our stockholders. The Board also believes equity awards are essential to attracting new employees and retaining current employees. Further, the granting of options to new and existing employees frequently permits the Company to pay lower salaries than otherwise might be the case. The Board of Directors believes that to remain competitive with other technology companies in our long-term incentive plans, the Company must continue to provide employees with the opportunity to obtain equity in the Company and that an inability to offer equity incentives to new and current employees would put the Company at a competitive disadvantage in attracting and retaining qualified personnel. Our named executive officers and directors have an interest in this proposal because they are expected to receive awards under the 2015 Plan if it is approved at the annual meeting.

Vote Required and Recommendation

The affirmative vote of a majority of the votes cast will be required to approve the 2015 Plan.

Our Board of Directors unanimously recommends that stockholders vote

FOR the approval of the 2015 Digital ally, Inc. Stock Option and Restricted Stock Plan.

Summary of the 2015 Stock Option and Restricted Stock Plan

Our Board of Directors adopted the 2015 Plan on March 27, 2015. At the annual meeting, we are asking stockholders to approve the 2015 Plan and the reservation of 300,000 shares issuable under the 2015 Plan. The 2015 Plan authorizes us to issue 300,000 shares of common stock upon exercise of options and grant of restricted stock awards. No options have been granted under the 2015 Plan to date. The 2015 Plan authorizes us to grant (i) to the key employees incentive stock options to purchase shares of common stock and non-qualified stock options to purchase shares of common stock and restricted stock awards and (ii) to non-employee directors and consultants non-qualified stock options and restricted stock. As of March 27, 2015, approximately 125 employees, two executive officers, and three non-employee directors were eligible to participate in the 2015 Plan.

The following paragraphs provide a summary of the principal features of the 2015 Plan and its operation. The following summary is qualified in its entirety by reference to the 2015 Plan as set forth in Appendix A.

Objectives. The objective of the 2015 Plan is to provide incentives to our key employees, directors and consultants to achieve financial results aimed at increasing shareholder value and attracting talented individuals to us. Persons eligible to be granted stock options or restricted stock under the 2015 Plan will be those persons whose performance, in the judgment of the Compensation Committee of our Board of Directors, can have significant impact on our success.

Oversight. Our Board will administer the 2015 Plan by making determinations regarding the persons to whom options or restricted stock should be granted and the amount, terms, conditions and restrictions of the awards. The Board also has the authority to interpret the provisions of the 2015 Plan and to establish and amend rules for its administration subject to the 2015 Plan's limitations.

Number of Shares of Common Stock Available Under the 2015 Plan. If our stockholders approve the 2015 Plan, a total of 300,000 shares of our common stock will be reserved for issuance under the 2015 Plan.

Types of Grants. The 2015 Plan allows for the grant of incentive stock options, non-qualified stock options and restricted stock awards. The 2015 Plan does not specify what portion of the awards may be in the form of incentive stock options, non-statutory options or restricted stock. Incentive stock options awarded to our employees are qualified stock options under the Internal Revenue Code.

Statutory Conditions on Stock Option—Exercise Price. Incentive stock options granted under the 2015 Plan must have an exercise price at least equal to 100% of the fair market value of the common stock as of the date of grant. Incentive stock options granted to any person who owns, immediately after the grant, stock possessing more than 10% of the combined voting power of all classes of our stock, or of any parent or subsidiary corporation, must have an exercise price at least equal to 110% of the fair market value of the common stock on the date of grant. Non-statutory stock options may have an exercise price at least equal to 100% of the fair market value of the common stock as of the date of the grant.

Dollar limit. The aggregate fair market value, determined as of the time an incentive stock option is granted, of the common stock with respect to which incentive stock options are exercisable by an employee for the first time during any calendar year cannot exceed \$100,000. However, there is no aggregate dollar limitation on the amount of non-statutory stock options that may be exercisable for the first time during any calendar year.

Expiration date. Any option granted under the 2015 Plan will expire at the time fixed by our Board of Directors, which cannot be more than ten years after the date it is granted or, in the case of any person who owns more than 10% of the combined voting power of all classes of our stock or of any subsidiary corporation, not more than five years after the date of grant.

Exercisability. Our Board may also specify when all or part of an option becomes exercisable, but in the absence of such specification, the option will ordinarily be exercisable in whole or in part at any time during its term. However, the board of directors may accelerate the exercisability of any option at its discretion.

Assignability. Options granted under the 2015 Plan are not assignable. Incentive stock options may be exercised only while we employ the optionee or within twelve months after termination by reason of death or disabilities or within three months after termination for any other reason.

Payment upon Exercise of Options. Payment of the exercise price for any option may be in cash, or with our consent, by withheld shares which, upon exercise, have a fair market value at the time the option is exercised equal to the option price (plus applicable withholding tax) or in the form of shares of common stock, subject to restrictions.
