On January 26, 2009, IDT Corporation (the "Registrant") committed to a plan to effect a reduction in force (that is expected to result in cuts of 146 jobs (approximately 8.5% of the total workforce). In connection with the reduction in force, the Registrant currently expects to incur costs of approximately \$4.9 million and expects to take a charge of that amount in the second quarter of Fiscal 2009. On December 8, 2008, the Registrant disclosed that it had entered into an installment agreement with the IRS whereby the Registrant agreed to pay \$55 million of the remaining \$67 million owed to the IRS by mid-February 2009 and the remaining balance by mid-June 2009. On January 27, 2009, the Registrant entered into a subsequent installment agreement whereby the total amount owed is still due by mid-June 2009, but the payments previously scheduled for mid-February 2009 have been spread out between February and June 2009 (the "Deferred Payments").
