The Annual Meeting of Shareholders of International Microcomputer Software, Inc., a California corporation (“IMSI”), will be held at **the offices of AccessMedia, 9201 Oakdale Avenue, Suite 200, Chatsworth, CA 91311, on May 23, 2006 at 10:00 a.m. Pacific Time**, to elect our directors, ratify the appointment of our independent registered public accounting firm and to consider several other matters.

An important matter to be considered at the Annual Meeting is the proposal that IMSI merge with AccessMedia Networks, Inc. (“AccessMedia”). IMSI has entered into an Agreement and Plan of Merger, dated as of December 16, 2005 and amended as of March 24, 2006 (the “Merger Agreement”), by and among IMSI, AccessMedia, ACCM Acquisition Corp., a wholly-owned subsidiary of IMSI, and the shareholders of AccessMedia. In this Annual Meeting we are seeking your approval of the Merger Agreement pursuant to which IMSI will issue 29,000,000 shares of IMSI common stock and up to an additional 35,000,000 shares of IMSI common stock to be issued upon achievement of certain revenue milestones to the shareholders of AccessMedia and AccessMedia will become a wholly-owned subsidiary of IMSI (the “Merger”). In connection with the Merger, IMSI is also proposing to change its name to Broadcaster, Inc. (“Broadcaster”).

The Board of Directors of IMSI believes that the combined company can become a market-leading provider of online media. The acquisition will combine AccessMedia’s rights to “virtual set top box” technology and online media content libraries, and Internet marketing experience with IMSI’s strong balance sheet and experienced public company management. A summary of the Merger can be found on page 1 of the proxy statement.

The IMSI Board of Directors approved the Merger Agreement and the acquisition of AccessMedia and recommends that IMSI shareholders vote FOR the proposals to merge with AccessMedia and to change its name to Broadcaster, Inc.

We encourage you to read this proxy statement before voting.

Your vote is very important, regardless of the number of shares you own. Whether or not you plan to attend the Annual Meeting of shareholders of IMSI, please take the time to vote by completing and mailing the enclosed proxy card or voting instruction card and returning it in the pre-addressed postage pre-paid envelope provided as soon as possible. Returning the proxy card does not deprive you of your right to attend the Annual Meeting of IMSI and to vote your shares in person.

I enthusiastically support the Merger proposals and join IMSI’s Board of Directors in recommending that you vote FOR the Merger proposal and the other proposals to be voted on at the Annual Meeting.

Sincerely,

/s/ Martin R. Wade, III

NOTICE AND PROXY STATEMENT OF ANNUAL MEETING OF SHAREHOLDERS

To Be Held On May 23, 2006

To the Shareholders of International Microcomputer Software, Inc.:

The Annual Meeting of Shareholders of International Microcomputer Software, Inc., a California corporation (“IMSI”), will be held at **the offices of AccessMedia, 9201 Oakdale Avenue, Suite 200, Chatsworth, CA 91311, on May 23, 2006 at 10:00 a.m. Pacific Time**, for the following purposes:

1. To elect six directors for a term of one (1) year or until their successors are elected or appointed.
2. To consider and vote on a proposal to adopt the Agreement and Plan of Merger, dated as of December 16, 2005 and amended as of March 24, 2006 (the “Merger Agreement”), by and among IMSI, AccessMedia Networks, Inc. (“AccessMedia”), ACCM Acquisition Corp., a wholly-owned subsidiary of IMSI, and the shareholders of AccessMedia, a copy of which is enclosed herewith, and to approve the merger, pursuant to which IMSI will issue 29,000,000 shares of IMSI common stock and up to an additional 35,000,000 shares of IMSI common stock to be issued upon achievement of certain revenue milestones to the shareholders of AccessMedia and AccessMedia will become a wholly-owned subsidiary of IMSI (the “Merger”).
3. To change the name of IMSI to “Broadcaster, Inc.”
4. To approve an amendment of the 2004 Incentive Stock Option Plan which will result in the addition of 6,500,000 shares of common stock to the plan reserve (before giving effect to the reverse one-for-two stock split).
5. To authorize the IMSI Board of Directors to effectuate a reverse one-for-two stock split of the IMSI common stock.
6. To ratify the appointment of Burr, Pilger & Mayer LLP as IMSI’s independent registered public accounting firm for the fiscal year ending June 30, 2006.
7. To approve any adjournments of the meeting to another time or place, as necessary or appropriate in the judgment of the proxy holders.
8. To consider and act on such other business as may properly come before the meeting or any adjournment or adjournments thereof.

The IMSI Board of Directors has fixed the close of business on April 13, 2006 as the record date for the determination of shareholders entitled to notice of, and to vote at, the meeting and any adjournment or postponement. Only holders of IMSI common stock at the close of business on the record date are entitled to vote at the meeting. For ten days prior to the meeting, a complete list of shareholders who are entitled to vote at the meeting will be available for examination by any shareholder, for any purpose relating to the meeting, during ordinary business hours at IMSI's principal office located at 100 Rowland Way, Novato, CA 94945. Shareholders attending the meeting whose shares are held in the name of a broker or other nominee should bring with them a proxy or letter from that firm confirming their ownership of shares.

By order of the Board of Directors,

/s/ Robert O'Callahan

Robert O'Callahan
Chief Financial Officer and Corporate Secretary

PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

ON MAY 23, 2006

This Proxy Statement is furnished to shareholders of International Microcomputer Software, Inc., a California corporation (“IMSI” or the “Company”), in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Shareholders to be held on **May 23, 2006 at 10:00 a.m. Pacific Time at the offices of AccessMedia, 9201 Oakdale Avenue, Suite 200, Chatsworth, CA 91311**, and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. This Proxy Statement and the accompanying form of proxy will be mailed on or about May 5, 2006 to all shareholders of the Company entitled to notice of and to vote at the Annual Meeting of Shareholders.

An important matter to be considered as Proposal Two at the Annual Meeting is the proposal that IMSI merge with AccessMedia Networks, Inc. Following is a summary of terms of the proposed transaction follows.

SUMMARY OF THE ACCESSMEDIA ACQUISITION (SEE PROPOSAL TWO ON PAGE 15 OF THIS DOCUMENT)

This summary highlights selected information from this document and may not contain all of the information that is important to you. IMSI encourages you to read carefully the remainder of this document, including the attached annexes and the other documents to which we have referred you, because this section does not provide all the information that might be important to you with respect to the proposed merger with AccessMedia and the other matters being considered at the special meeting of shareholders. See also “Where You Can Find More Information” on page 79 of this document. We have included references to other portions of this document to direct you to a more complete description of the topics presented in this summary.

Proposal Two requires the IMSI shareholders to consider and vote upon a merger with AccessMedia Networks, Inc. If approved by the IMSI shareholders, under the terms of the Merger Agreement, ACCM Acquisition Corp., a newly formed, wholly-owned subsidiary of IMSI, will merge with and into AccessMedia and the separate corporate existence of ACCM Acquisition Corp. will cease. AccessMedia will be the surviving corporation in the merger and will continue as a wholly-owned subsidiary of IMSI. We expect the merger to be completed in the second quarter of calendar 2006.

AccessMedia is a platform for delivering real-time and interactive media over the Internet. AccessMedia delivers media content through its licensed “virtual set top box” technology. Coupled with its management’s marketing skills, AccessMedia is positioned to become a leading Internet-based media network.

AccessMedia’s Internet-based multi-channel strategy allows the delivery of content and entertainment as viewers increasingly demand -- what, where and when they want. The virtual set top box offered by AccessMedia allows viewers to readily organize and access the growing volumes of high quality content, utilizing broad based search capabilities. These capabilities span AccessMedia’s proprietary media library, media under license, and media readily available on the Internet. AccessMedia provides access to a wide variety of content including news, sports, movies and adult content.

AccessMedia takes advantage of the convergence of broadband technology and content, offering crisp signals through the virtual set top box technology, which equates to an experience similar to cable television. The virtual set top box available from AccessMedia combines the immediacy and interactivity of the Internet, in a format as simple to use as television. A viewer can customize his view to accommodate his specific tastes. Importantly, a viewer chooses his environment - one where only relevant and interesting advertising is selected. Further, the interactive nature of online media delivery allows a viewer to give real-time feedback on a variety of topics and immediately change his view to best suit his preferences.

AccessMedia’s executive office is located at 9201 Oakdale Avenue, Suite 200, Chatsworth, CA 91311, and its telephone number is (323) 988-0754. Audited financial statements for the periods ending December 31, 2005 and pro forma combined financials are attached hereto as Annex F and summary financial information is set forth on page 40 of this document. For additional information about AccessMedia, please visit the company’s website at www.accessmedia.tv.

ACCM Acquisition Corp.

ACCM Acquisition Corp. is a Delaware corporation and a wholly-owned subsidiary of IMSI. ACCM Acquisition Corp. was organized solely for the purpose of entering into the Merger Agreement with AccessMedia and completing the acquisition. It has not conducted any business operations and will not do so prior to the completion of the acquisition. If the acquisition is completed, ACCM Acquisition Corp. will cease to exist following its merger with and into AccessMedia.

Treatment of IMSI Capital Stock (see page 46 of this document)

Under the terms of the Merger Agreement, upon completion of the acquisition, IMSI will issue 29,000,000 shares of common stock of IMSI (before giving effect to the reverse one for two stock split) to AccessMedia shareholders, representing approximately 48.4% of the outstanding shares of IMSI. Following the closing, IMSI may issue up to an additional 35,000,000 shares (before giving effect to the reverse one for two stock split) to AccessMedia shareholders if AccessMedia achieves certain revenue milestones prior to December 31, 2008 (subject to certain extensions as provided in the Merger Agreement), representing a maximum of approximately 67.4% in the aggregate to be held by former AccessMedia shareholders.

Obligation to Fund Working Capital Requirements of AccessMedia (see page 50 of this document)

In connection with the Merger Agreement, IMSI entered into a joint operating agreement, under which IMSI agreed to loan AccessMedia up to \$3,000,000 prior to the closing of the acquisition, and pursuant to the terms of the Merger Agreement, has agreed to provide up to \$7,000,000 of working capital to AccessMedia following the acquisition to fund its capital requirements pursuant to the terms of a mutually agreed upon monthly budget. As of the date hereof, no amounts have been funded or requested to be funded under the joint operating agreement. We have attached the joint operating agreement as Annex C to this document. We encourage you to read the joint operating agreement

carefully because it is the legal document that governs the loan from IMSI to AccessMedia and related matters.

For details of the loan and obligation to provide AccessMedia with working capital after the acquisition, see “The Merger Agreement - Obligation to Fund Working Capital Requirements of AccessMedia” beginning on page 50 of this document.

Additions To the IMSI Board of Directors (see page 50 of this document)

IMSI has agreed effective as of the closing to increase the number of directors authorizing two additional directors, one of which is to be designated by AccessMedia's shareholders' representative and who shall be appointed to IMSI's board of directors. AccessMedia intends to designate Kathryn Felice as its nominee on the IMSI Board of Directors. See "Management of AccessMedia Networks, Inc." beginning on page 23.

IMSI has agreed that, upon AccessMedia achieving revenue of \$20,000,000 until the earlier of December 31, 2008 or the date on which the former shareholders of AccessMedia beneficially own a majority of the common stock of IMSI, IMSI will nominate for election to its board of directors individuals designated by the representative of the AccessMedia shareholders in such numbers as would represent a majority of the board of directors of IMSI.

Voting Agreements for Election of IMSI Directors (see page 53 of this document)

Martin Wade III, Chief Executive Officer of IMSI, Digital Creative Development Corp. and Baytree Capital Associates, LLC ("Baytree"), holding an aggregate of less than 25% of the outstanding shares of IMSI common stock as of December 16, 2005, in their capacity as IMSI shareholders, have agreed to vote in favor of electing a sufficient number of individuals to the IMSI board of directors nominated by the representative of the AccessMedia shareholders such that such individuals would represent a majority of the board of directors of IMSI after the date upon which AccessMedia achieves revenue of \$20,000,000.

Michael Gardner, Software People, LLC, Trans Global Media, LLC, Broadcaster, LLC and AccessMedia Technologies, LLC in their capacity as AccessMedia shareholders, have agreed to vote in favor of electing Martin Wade, III and each other individual nominated by IMSI as a member of the board of directors of IMSI following the Merger (subject to such shareholder's right to have certain individuals designated by the representative of the AccessMedia shareholders).

Approval of the IMSI Board of Directors (see page 26 of this document)

IMSI's board of directors has determined that the Merger Agreement, the acquisition of AccessMedia and the other transactions contemplated by the Merger Agreement are advisable, that it is in the best interests of IMSI and its shareholders that IMSI enter into the Merger Agreement and consummate the acquisition, and that the Merger Agreement is fair to IMSI and its shareholders.

For the factors considered by IMSI's board of directors in reaching its decision to approve and adopt the Merger Agreement and the acquisition of AccessMedia, see "The Merger - IMSI's Reasons for the Merger" beginning on page 27 of this document and "The Merger - Recommendations of IMSI's Board of Directors" beginning on page 26 of this document.

Opinion of Deson & Co. (see page 29 of this document)

Deson & Co. rendered its oral opinion, which was subsequently confirmed in writing, to the board of directors of IMSI that, as of the date of the written fairness opinion, the merger consideration being paid to AccessMedia shareholders is fair, from a financial point of view, to IMSI.

The full text of the written opinion of Deson & Co., dated October 20, 2005, which sets forth the assumptions made, matters considered and limitations on the opinion and on the review undertaken in connection with the opinion, is attached as Annex D to, and is incorporated by reference in, this document. You should carefully read the opinion in its entirety.

Interests of Deson & Co. (see page 34 of this document)

Deson & Co. and Sean Deson, CEO of Deson & Co., regularly conducts business with Baytree Capital Associates, LLC (“Baytree”) and Michael Gardner, Chairman and CEO of Baytree. As a result of Michael Gardner’s current ownership in AccessMedia and pursuant to various agreements related to the Merger, Baytree and Michael Gardner will be significant shareholders of IMSI. Deson & Co. or Mr. Deson may receive compensation from Baytree or Michael Gardner related to the Merger in addition to compensation received from IMSI. While Mr. Deson does not personally own shares of IMSI, Mr. Deson is the Managing Member of Treeline Management, LLC, the General Partner of Treeline Investment Partners, LP, which is an IMSI shareholder. Deson & Co. and its affiliates may in the future actively trade in the securities of IMSI for their own account and the accounts of their customers and, accordingly, may at any time hold long or short positions in those securities.

The IMSI board of directors was aware of and considered these interests when it approved the acquisition.

Interests of IMSI’s Financial Advisor (see page 34 of this document)

Under the terms of its engagement IMSI has agreed to pay Baytree, as a result of the Merger, a fee of 5% of the aggregate value of the closing consideration to be paid to the former AccessMedia shareholders, payable in IMSI shares, for services delivered in connection with the Merger, which totals 1.45 million shares. IMSI has agreed to reimburse Baytree for its reasonable expenses, including fees and disbursements of counsel, and to indemnify Baytree and related parties against liabilities, including liabilities under federal securities laws, relating to, or arising out of, its engagement. In addition, IMSI has agreed to pay to Baytree 1.0 million shares of IMSI common stock for ongoing consulting services to be rendered through June 30, 2008. Over the past two years, IMSI has not paid to Baytree any other fees for banking and related services.

Michael Gardner, chairman and chief executive officer of Baytree, is a significant shareholder of AccessMedia and therefore has certain interests in the acquisition separate and apart from Baytree’s interest as IMSI’s financial advisor. Baytree and its affiliates may actively trade in the securities of IMSI for their own account and, accordingly, may at any time hold long or short positions in those securities.

The IMSI board of directors was aware of and considered these interests when it approved the acquisition.

Conditions to Completion of the AccessMedia Acquisition (see page 51 of this document)

Completion of the acquisition depends upon the satisfaction or waiver, where permitted by the Merger Agreement, of a number of conditions, including the following (some of which are conditions to the closing obligations of both parties, and others of which are conditions to the closing obligations of only one party):

- adoption of the Merger Agreement by AccessMedia shareholders;
- absence of any law, regulation or court order prohibiting the merger;
- the representations and warranties in the Merger Agreement made by each party being true and correct in all material respects at and as of the closing date of the merger (except that any representations or warranties expressly made as of a specific date, would be measured as of such date);
- each party having complied with all of its covenants and obligations under the Merger Agreement in all material respects;
- AccessMedia not having suffered any material adverse effect;
- less than 2% of the shares of AccessMedia common stock having elected to exercise appraisal rights;
- Alchemy Communications, Inc. (“Alchemy,” an affiliate of AccessMedia) shall have entered into a five year services and support agreement with AccessMedia in a form satisfactory to IMSI;
- Martin Wade shall have entered into an employment agreement with IMSI;
- IMSI and AccessMedia shall have received written opinions from counsel to AccessMedia and IMSI;
- the parties shall have entered into an escrow agreement; and
- IMSI shall have increased the number of directors and shall have appointed one director nominated by AccessMedia’s shareholders’ representative to IMSI’s board of directors.

Agreement with Alchemy Communications, Inc. (see page 52 of this document)

The Merger Agreement provides that, as a condition to IMSI’s obligation to close, AccessMedia shall have entered into a five year services and support agreement with in a form satisfactory to IMSI. Alchemy is an affiliate of AccessMedia. It is intended that pursuant to the agreement, Alchemy will provide office and operating space, staffing, technical services and consulting, Internet bandwidth and hosting, network infrastructure and other related services. Given the scope of the proposed agreement, it would constitute AccessMedia’s most significant vendor relationship in the foreseeable future. Alchemy’s service level agreements and pricing will be equal to the best rates provided to Alchemy’s other customers (other than not-for-profit corporations, charities and similar entities that receive underwritten services from Alchemy) or, in the absence of this benchmark for a particular item, will be within the customary range of terms and rates as compared to the Los Angeles market.

Termination of the Merger Agreement (see page 52 of this document)

AccessMedia and IMSI can mutually agree to terminate the Merger Agreement without completing the acquisition. In addition, AccessMedia and IMSI can each terminate the Merger Agreement under the circumstances set forth in the Merger Agreement and described in this document.

Termination Fee and Expenses (see page 53 of this document)

The Merger Agreement provides that, under specified circumstances, IMSI may be required to pay AccessMedia a termination fee equal to \$300,000 if the Merger Agreement is terminated.

Interests of IMSI Directors and Executive Officers in the Merger (see page 34 of this document)

The executive officers of IMSI and the members of the IMSI board of directors have certain interests in the acquisition that are different from, or in addition to, the interests of shareholders generally.

It is a condition to closing the Merger that Martin Wade, chief executive officer of IMSI, enter into a new employment agreement. Such employment agreement entitles Mr. Wade to the grant of options which vest upon the closing of the Merger and AccessMedia's achievement of certain revenue milestones.

Robert O'Callahan, Chief Financial Officer of IMSI, has an employment agreement with IMSI that will or may entitle him to receive cash payments upon the effectiveness of this Proxy Statement and upon completion of the Merger.

The IMSI board of directors was aware of and considered these interests when it approved the acquisition or these interests were approved by the board of directors after the signing of the Merger Agreement.

Appraisal Rights (see page 35 of this document)

Under California law, if an IMSI shareholder does not vote for approval of the merger and complies with the other statutory requirements of the California General Corporation Law, the shareholder may elect to receive, in cash, the judicially determined fair value of the shareholder's shares of IMSI common stock.

Accounting Treatment of the AccessMedia Acquisition (see page 35 of this document)

We intend to account for the merger of IMSI and AccessMedia under the purchase method of accounting for business combinations. For more details about purchase accounting see Note 1, "Basis of Pro Forma Presentation" to the "Notes to Unaudited Pro Forma Combined Condensed Financial Statements" beginning on page F-2-6.

Material United States Tax Consequences of the AccessMedia Acquisition (see page 36 of this document)

The merger of ACCM into AccessMedia, and any subsequent merger of AccessMedia into IMSI, are intended to qualify under Sections 368 and 332 respectively of the Internal Revenue Code, in which case: (i) no gain or loss will be recognized by IMSI, ACCM, AccessMedia, or the IMSI shareholders, and (ii) the basis and holding period of the IMSI shareholders in their IMSI common stock will remain unchanged. If it were determined that the transactions did not qualify under Sections 368 or 332, the tax consequences to IMSI, ACCM, and the IMSI shareholders should be the same as they would be if the transactions did qualify under Sections 368 and 332. Neither IMSI nor AccessMedia contemplates obtaining a tax opinion or requesting a ruling from the IRS in connection with the merger. Accordingly, IMSI shareholders are urged to consult their own tax advisors as to the tax consequences as a result of the Merger, including the applicable Federal, state, local and foreign tax consequences.

VOTING RIGHTS AND SOLICITATION

Voting

Only shareholders of record at the close of business April 13, 2006 are entitled to execute proxies or to vote at the annual meeting. As of said date there were issued and outstanding 30,232,127 shares of the Company's common stock (before giving effect to the reverse one-for-two stock split) of no par value per share (the "Common Shares"), including

those Common Shares which could be acquired by the exercise of options within 60 days. A more detailed description of the ownership of Common Shares by certain beneficial owners and the Company's directors and executive officers is set forth beginning on page 68 of this document.

Quorum and Votes Required

Each holder of Common Shares is entitled to one vote for each share held with respect to the matters mentioned in the foregoing Notice of Annual Meeting of Shareholders and any other matters that may properly come before the annual meeting. A majority of the outstanding shares entitled to vote is required to constitute a quorum at the annual meeting. Please note that banks and brokers that have not received voting instructions from their clients cannot vote on their clients' behalf on "non-routine" proposals, such as the proposal to approve the adoption of the 2004 Stock Incentive Plan, but may vote their clients' shares on other proposals. In the event that a broker, bank, custodian, nominee or other record holder of IMSI common stock indicates on a proxy that it does not have discretionary authority to vote certain shares on a particular matter, referred to as a "broker non-vote," then those shares will not be considered entitled to vote with respect to that matter. However, abstentions and broker non-votes will be treated as shares present for the purpose of determining the presence of a quorum for the transaction of business at the meeting. In the election of directors, the nominees receiving the highest number of affirmative votes will be elected. Proposal Nos. 2, 3, 4, 5 and 6 require the approval of the affirmative vote of a majority of the shares of common stock present or represented by proxy and voting at the meeting, together with the affirmative vote of a majority of the required quorum. Abstentions and broker non-votes could prevent approval of a proposal where the number of affirmative votes, though a majority of the votes represented and cast, does not constitute a majority of the required quorum. If the persons present or represented by proxy at the meeting constitute the holders of less than a majority of the outstanding shares of common stock as of the record date, the meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum.

Voting Procedure

Shareholders of record may vote by mailing a completed proxy card prior to the annual meeting, by delivering a completed proxy card at the annual meeting, or by voting in person at the annual meeting.

Proxies in the form enclosed are solicited on behalf of the Board of Directors. IMSI requests that you complete, date and sign the accompanying proxy card and return it promptly in the enclosed postage-paid envelope or otherwise mail it to IMSI or its solicitor. Such proxies, if received in time for voting and not revoked, will be voted at the annual meeting in accordance with the specification indicated thereon. If no specification is indicated on a proxy, such proxy will be voted in favor of Proposals 1 through 8 described herein. Unless you check the box on your proxy withholding discretionary authority, the proxy holders may use their discretion to vote on other matters relating to the annual meeting. IMSI currently does not contemplate that any matters, other than Proposals 1 through 8, will be considered at the annual meeting. If any other matters are properly brought before the annual meeting, the persons named in the proxies will have discretion to vote on such matters in accordance with their best judgment.

The costs and expenses of solicitation of proxies will be paid by the Company, including the cost of reimbursing banks, brokers and other custodians, nominees and fiduciaries, for forwarding proxy materials to their principals. Proxies may also be solicited by directors, officers and regular employees of the Company personally, or by mail, telephone, fax or other methods of communication, but such persons will not be specifically compensated for such services.

Revocability of Proxies

You have the power to revoke your proxy at any time before the proxy is actually voted at the annual meeting. Your proxy can be revoked in one of three ways:

1. You can send a signed notice of revocation.
2. You can grant a new, valid proxy bearing a later date.
3. If you are a shareholder of record, you can attend the annual meeting and vote in person, which will automatically cancel any proxy previously given.

You may revoke your proxy in person, but your attendance alone will not revoke any proxy that you have previously given. If you choose either of the first two methods, you must submit your notice of revocation or your new proxy to the corporate secretary of IMSI no later than the beginning of the annual meeting.

Please note, however, that if your shares are held of record by a broker, bank, or other nominee and you wish to vote at the annual meeting, you must bring to the annual meeting a letter from the broker, bank or other nominee confirming your beneficial ownership of the shares.

PROPOSAL ONE: ELECTION OF BOARD OF DIRECTORS

The Company’s Bylaws set the number of directors at eight. The Company’s Board of Directors is currently comprised of six directors, four of whom are “independent directors” as defined by the rules of the NASDAQ Stock Market leaving two vacancies on the Board. The Company’s management has nominated six directors to be elected at the annual meeting to serve until the 2007 annual meeting of shareholders or until their successors have been elected and qualified. Unless otherwise instructed, the proxy holders will vote the proxies received by them for the six nominees named below, all of whom are presently directors of IMSI.

Under the terms of the Merger Agreement to be considered in Proposal Two, the Company has agreed to expand the size of the Board by two, which will comprise the full number of directors currently authorized. It is anticipated that this expansion will occur shortly following the completion of the Merger which will occur after the annual meeting. The new directors will be subject to re-election by the shareholders at the Company’s next annual meeting of shareholders.

In the event that any nominee is unable or declines to serve as a director at the time of the annual meeting, the proxies will be voted for any nominee who shall be designated by the Board of Directors to fill the vacancy. The term of office of each person elected as a director will continue until the next annual meeting of shareholders or until a successor has been duly elected and qualified.

The name of and certain information regarding each nominee are set forth below. There are no family relationships among any of our directors or executive officers.

The Board of Directors has nominated the following persons for election:

NAME	AGE	TITLE	DIRECTOR SINCE
Bruce Galloway (3)	47	Chairman of the Board of Directors	2001
Martin R. Wade, III (3)	56	Chief Executive Officer, Director	2001
Evan Binn (1) (2)	66	Director	2001
Donald Perlyn (1)	62	Director	2001
Robert S. Falcone (2)	58	Director	2002
Richard J. Berman (1) (2) (3)	63	Director	2002

(1) Member of the Compensation Committee.

(2) Member of the Audit Committee.

(3) Member of the Executive Committee.

The Board of Directors has no reason to believe that any of the nominees will be unable to serve as a director. It is the intention of the individuals named as proxies to vote for the nominees. If any nominee should be unable to serve as a director, it is the intention of the individuals named as proxies to vote for the election of such person or persons as the Board of Directors may, in its discretion, recommend.

In the election of directors, the nominees receiving the highest number of affirmative votes will be elected.

Information regarding the persons nominated for election as directors is as follows:

8

Nominees for Election to Board of Directors

Bruce R. Galloway, age 47. Mr. Galloway became Chairman of IMSI in August 2001, pursuant to the proposed merger agreement between IMSI and Digital Creative Development Corp (“DCDC”) signed on August 31, 2001. Mr. Galloway is currently a managing director of Burnham Securities, Inc., an investment bank and NASD Broker/Dealer based in New York, and is the President and Founder of Galloway Capital Management. Prior to joining Burnham, from 1991 to 1993, Mr. Galloway was a Senior Vice President at Oppenheimer & Company, an investment bank and NASD Broker/Dealer based in New York. Mr. Galloway holds a B.A. degree in Economics from Hobart College and an M.B.A. in Finance from New York University’s Stern Graduate School of Business. He is currently the Chairman of Datametrics Corporation and Command Security Corp as well as a director of Forward Industries, Inc., Waiter.com, Inc. and GVI Security Solutions, Inc. Mr. Galloway serves as the Chairman of the Board and Executive Committee.

Martin R. Wade, III, age 56. Mr. Wade became a director and CEO of IMSI in August 2001. He brings to the Company a proven track record in mergers and acquisitions and investment banking. Prior to joining IMSI, he served in several executive positions, including CEO, with DCDC between 2000 and 2002. Mr. Wade served from 1998 to 2000 as an M&A banker at Prudential Securities and from 1996 to 1998 as a managing director in M&A at Salomon Brothers. From 1991 to 1996, Mr. Wade was National Head of Investment Banking at Price Waterhouse, LLC. Mr. Wade also spent six years in the M&A department at Bankers Trust and eight years at Lehman Brothers Kuhn Loeb. Mr. Wade is credited with participating in over 200 M&A transactions involving various clients such as, Nike, Cornerstone National Gas Company, Landmark Graphics and Redken Laboratories, Inc. He also serves on the boards of directors for DiMon (NYSE: DMN), NexMed (OTC: NEXM) and Command Security Corp (OTC: CMMD).

Evan Binn, age 66. Mr. Binn became a director of IMSI in August 2001. Mr. Binn received his bachelor’s degree from the University of California at Los Angeles and is a certified public accountant in California. He is a member of the California Society of Certified Public Accountants and has maintained a practice in Los Angeles, California for thirty-seven years.

Donald Perlyn, age 62. Mr. Perlyn became a director of IMSI in August 2001. Mr. Perlyn serves as Executive Vice President of Nathan’s Famous, Inc. and President of its subsidiary Miami Subs Corporation. He was hired by Miami Subs in May 1989 and became its President in July of 1998. In October 1999 Miami Subs was acquired by Nathan’s Famous Inc., itself a DCDC subsidiary. Mr. Perlyn is also a member of the Board of Directors of Nathan’s Famous, Inc. (NASDAQ: NATH). Mr. Perlyn is an attorney and a 32-year veteran of the restaurant industry.

Robert S. Falcone, age 58. Mr. Falcone became a director in February 2002 and has over thirty-seven years of financial management and Board experience. Mr. Falcone is currently President and Chief Executive Officer of Catalyst Acquisition Group, a private equity corporate buyout firm. From 2003 to 2004 he served as the Executive Vice President and Chief Financial Officer of BearingPoint, Inc. an international consulting firm serving Global 2000 companies, medium-sized businesses, government agencies and other organizations. From 2000 to 2002 he was chief financial officer for 800.com, a pioneer in consumer electronics Internet retailing. He served as Senior Vice President and Chief Financial Officer for Nike, Inc. from 1992 to 1998, a time when the company grew annual sales to nearly \$10 billion. He began his career at Price Waterhouse, LLP where he spent twenty-one years, eight of which as an audit partner. A graduate of Villanova University and a certified public accountant, Mr. Falcone serves on the boards of directors for RadioShack Corporation (NYSE: RSH), and The Nautilus Group (NYSE: NLS). Mr. Falcone serves as the Chairman of the Audit Committee.

Richard J. Berman, age 63. Mr. Berman became a director in February 2002. His business career spans over 35 years of venture capital, management and merger and acquisitions experience. In the last five years, Mr. Berman has served as a professional director and/or officer of about a dozen public and private companies. He is currently CEO of Nexmed, a small public biotech company; Chairman of National Investment Managers, a public company in pension administration and investment management; and Chairman of Candidate Resources, a private company delivering HR services over the web. The nine public companies that Mr. Berman is a director of are Dyadic International,

Inc. (AMEX: DIL), IMSI, Internet Commerce Corporation (NASDAQ: ICCA), MediaBay, Inc. (NASDAQ: MBAY), NexMed, Inc. (NASDAQ: NEXM), GVI Security Solutions Inc. (OTC: GVIS.OB), National Investment Managers (OTC: NIVM.OB), Nayna Networks, Inc. (OTC: NAYN.OB) and Advaxis, Inc (OTC: ADXS.OB). From 1998 - 2000, he was employed by Internet Commerce Corporation as Chairman and CEO. Previously, Mr. Berman worked at Goldman Sachs; was Senior Vice President of Bankers Trust Company, where he started the M&A and Leveraged Buyout Departments; created the largest battery company in the world by merging Prestolite, General Battery and Exide to form Exide (NYSE); helped create what is now Soho (NYC) by developing five buildings; and advised on over \$4 billion of M&A transactions. He is a past Director of the Stern School of Business of NYU where he obtained his B.S. and M.B.A. He also has US and foreign law degrees from Boston College and The Hague Academy of International Law, respectively.

Each of the nominees has been engaged in the principal occupation set forth above during the past five years. There are no family relationships among any directors or executive officers of the Company. Stock ownership information is shown under the heading "Security Ownership of Certain Beneficial Owners and Management" and is based upon information furnished by the respective individuals.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE NOMINEES ABOVE

The Board of Directors

The Board of Directors held two meetings during the fiscal year ended June 30, 2005 and has held two meetings through December 31, 2005 for the current fiscal year ending June 30, 2006. The Board has four meetings scheduled for the 2006 fiscal year. Each director is expected to attend each meeting of the Board and those committees on which he serves. In addition to meetings, the Board and its committees review and act upon matters through written consent procedures. No director attended less than 75% of all the meetings of the Board and those committees on which he served in the 2005 fiscal year.

Committees of the Board of Directors

The Company currently has three standing committees of the Board of Directors which include the Executive, Audit and Compensation Committees. The members of the committees are identified in the following table.

	Executive Committee	Audit Committee	Compensation Committee
Richard J. Berman	X	X	Chair
Evan Binn		X	X
Robert S. Falcone		Chair	
Bruce R. Galloway	Chair		
Donald Perlyn			X
Martin R. Wade, III	X		

Executive Committee

The Executive Committee may exercise certain authority of the Board between Board meetings as noted in its charter attached to the 2004 Annual Meeting proxy. The principal restrictions on the Executive Committees authority are (a) to the extent that the Board has delegated authority to another committee or to other persons, (b) as limited by California law, and (c) the Executive Committee is prohibited from authorizing the sale of all or substantially all of the Company's assets. The Executive Committee held one meeting in the 2005 fiscal year and for the fiscal year ending June 30, 2006 the Executive Committee has held two meetings through December 31, 2005.

Audit Committee

The Audit Committee and the Board have ultimate authority and responsibility to select, evaluate and, when appropriate, replace the Company's independent registered public accounting firm. The Audit Committee recommends for approval by the Board of Directors an independent firm of certified public accountants whose duty it is to audit the financial statements of the Company for the fiscal year in which they are appointed. The Audit Committee monitors the activities of the Company's external auditors, including the audit scope, the external audit fees, auditor independence matters and the extent to which the independent registered public accounting firm may be retained to perform advisory services. The Audit Committee also reviews the results of the external audit work to assess the adequacy and appropriateness of the Company's financial and accounting controls. The Audit Committee reviews changes in accounting standards that impact the financial statements and discusses with management major events, including legal matters and tax audits, which may have significant financial impact or are the subject of discussions with the independent registered public accounting firm. In addition, the Audit Committee oversees the Company's internal compliance programs. The composition of the Audit Committee, the attributes of its members and the responsibilities of the Audit Committee are intended to be in accord with Securities and Exchange Commission rules with regard to corporate audit committees. The Audit Committee held seven meetings during the 2005 fiscal year. For the fiscal year ending June 30, 2006, the Audit Committee held three meetings through December 31, 2005.

Compensation Committee

The Compensation Committee administers the Company's stock option plans, including the review and grant of stock options to officers and other employees under the Company's stock option plans. The Compensation Committee also reviews and approves various other Company compensation policies and matters, and reviews and approves salaries and other matters relating to compensation of the executive officers of the Company. The Compensation Committee held two meetings during the 2005 fiscal year and for the fiscal year ending June 30, 2006, the Compensation Committee held two meetings through December 31, 2005.

Nomination and Shareholder Communication Processes

Currently the Board of Directors functions as the Company's nominating committee. The Board performs the functions typical of a nominating committee, including the identification, recruitment and selection of nominees for election as directors of the Company. Four of the six members of the Board (Messrs. Falcone, Berman, Binn and Peryn) are "independent" as that term is defined by the NASDAQ Stock Market listing standards and participate in the consideration of director nominees. The nominees for election as directors at this annual meeting were unanimously recommended by the Board. The Board believes that a nominating committee separate from itself is not necessary at this time, given the size of the Company and the Board, to ensure that candidates are appropriately evaluated and selected and that an additional committee of the Board would not add to the effectiveness of the evaluation and nomination process.

The Board's process for recruiting and selecting nominees is for Board members to attempt to identify individuals who are thought to have the business background and experience, industry specific knowledge and general reputation and expertise that would allow them to contribute as effective directors to the Company's governance and who are willing to serve as directors of a public company. To date, the Company has not engaged any third party to assist in identifying or evaluating potential nominees. After a possible candidate is identified, the individual meets with various members of the Board and is sounded out concerning their possible interest and willingness to serve, and Board members discuss amongst themselves the individual's potential to be an effective Board member.

To date, no shareholder has presented any candidate for consideration as a Board member and the Company does not have a specific policy on shareholder-recommended director candidates. However, the Board believes its process for evaluation of nominees proposed by shareholders would be no different from the process of evaluating any other candidate. In evaluating candidates, the Board will require that candidates possess, at a minimum, a desire to serve on

the Company's Board, an ability to contribute to the effectiveness of the Board, an understanding of the function of the Board of a public company and relevant knowledge and experience. In addition, while not required of any one candidate, the Board would consider favorably experience, education, training or other expertise in business or financial matters and prior experience serving on boards of other public companies. In evaluating any candidate for director nominee, the Board will also evaluate the contribution of the proposed nominee toward compliance with the NASDAQ Stock Market listing standards.

Although the Company has not to date developed formal processes by which shareholders may communicate directly to directors, it believes that the informal process, in which any communication addressed to the Board at the Company's offices at 100 Rowland Way, Suite 300, Novato, CA 94945 in care of the Chairman of the Board, President or other corporate officer is required to be forwarded to the entire Board, has served the Board's and its shareholders' needs. There is no screening process, and all shareholder communications which are received by officers for the Board's attention are forwarded to the Board. In view of recently adopted Securities and Exchange Commission ("SEC") disclosure requirements relating to this issue, the Board may consider development of more specific procedures. Until any other procedures are developed, any communications to the Board should be sent to it in care of the Chairman of the Board.

Remuneration of Members of the Board of Directors

In addition to reasonable expenses incurred in the performance of their duties as directors, including participation on the Board of Directors and its committees, IMSI compensates its non-management directors according to the following schedule which became effective April 1, 2004:

- An annual retainer for each non-management director in the amount of \$10,000.
- An additional annual retainer for the Chairman of the Audit Committee in the amount of \$2,500.
- An additional annual retainer for the Chairman of the Executive Committee in the amount of \$1,500.
- An additional annual retainer for the Chairman of the Compensation Committee in the amount of \$1,500.
- A \$1,000 payment for each non-management director per Board of Directors meeting attended.
- A \$1,000 payment for each non-management director per Committee meeting of the Board of Directors attended.

Effective January 31, 2005, the Board of Directors, in addition to the cash compensation detailed above, approved the modification of the compensation plan to grant options to purchase the common stock of the Company as follows:

- An annual grant of 50,000 common stock options for each non-management director.
- An additional annual grant of 25,000 common stock options for the Chairman of the Board of Directors.
- An additional annual grant of 25,000 common stock options for the Chairman of the Audit Committee.
- An additional annual grant of 25,000 common stock options for the Chairman of the Executive Committee.
- An additional annual grant of 25,000 common stock options for the Chairman of the Compensation Committee.

All of such options have a vesting requirement over a period of one year from date of grant which shall be the first day of the month after which the director accepts such position with 25% of such options to vest as of the last day of each three month period elapsing after the date of commencement of the director's term. The exercise price of such options shall be the market price of the Company's common stock on the date of grant of the options.

The following table details the compensation received by our directors for their service on the Board or its committees during the 2005 fiscal year and during the 2006 fiscal year through December 31, 2005.

PROPOSAL TWO: MERGER WITH ACCESSMEDIA NETWORKS, INC.

THE MERGER

This section of this document describes the principal aspects of the proposed merger whereby AccessMedia Network, Inc. (“AccessMedia”) will become a wholly-owned subsidiary of IMSI (the “Merger”). While IMSI believes that this description covers the material terms of the Merger and the related transactions, this summary may not contain all of the information that is important to IMSI shareholders. You can obtain a more complete understanding of the Merger by reading the Agreement and Plan of Merger, dated as of December 16, 2005, as amended as of March 24, 2006 (the “Merger Agreement”), by and among IMSI, AccessMedia, ACCM Acquisition Corp., a wholly-owned subsidiary of IMSI, and the shareholders of AccessMedia, a copy of which is attached to this document as Annex A. You are encouraged to read the Merger Agreement and the other annexes to this document carefully and in their entirety.

The Companies

International Microcomputer Software, Inc.

100 Rowland Way, Suite 300
Novato, CA 94945
(415) 878-4000

International Microcomputer Software, Inc. (“IMSI” or the “Company”) has historically operated as a software company. IMSI, prior to the Merger, has operated in two business segments: (i) computer aided design and precision engineering; and (ii) house plans and architectural drawings.

Headquartered in Novato, California, IMSI was incorporated in California in November 1982. Over the following 16 years, IMSI grew to become a leading developer and publisher of productivity software in the precision design, graphic design, and other related business applications fields. IMSI acquired TurboCAD, its flagship product for computer aided design, in 1985, and developed and acquired numerous products and product categories over the years. By the end of 1998, IMSI developed, marketed and distributed our products worldwide, primarily through the retail channel.

In 1998, IMSI acquired ArtToday.com (“ArtToday”), an Internet provider of clipart, photos and other graphics content, as part of its strategy to transition from the retail channel to Internet based product distribution and to migrate its core products and content in the design and graphics categories to the Internet. In June 2003, IMSI sold ArtToday, its wholly-owned subsidiary based in Arizona, to Jupitermedia Corporation (“JupiterMedia”) for a combination of cash, restricted stock and two-year earn-outs.

The sale of ArtToday to Jupitermedia provided IMSI with significant capital allowing us to accelerate the implementation of our strategy of strengthening and expanding our core businesses of precision design and consumer software. IMSI’s focus is to acquire and develop businesses and product lines, which have significant revenue and cost synergies with its existing product lines as well as which utilize the Internet as a primary means of distribution. To that end IMSI has since completed several acquisitions and one divestiture aimed at growing our revenues and strengthening our financial results.

As part of our focus to acquire product lines which utilized the Internet as a primary means of distribution, in April 2004 IMSI completed the acquisition of all the outstanding stock of Aladdin Systems, Inc. (“Aladdin”), a developer and publisher of utility software solutions in the areas of information access, removal, recovery, security and distribution of information and data for the Windows, Linux and Macintosh platforms. IMSI purchased Aladdin for a combination of cash, stock and notes from its parent company, Aladdin Systems Holdings, Inc. and subsequently changed the company’s name to Allume Systems, Inc (“Allume”). With over 50% of its sales being generated via the Internet, Allume broadened IMSI’s reach into this key distribution channel. On July 1, 2005, IMSI sold the issued and outstanding

capital stock of Allume, Inc. to Smith Micro Software, Inc. for \$11 million cash and 397,547 unregistered shares of its common stock, having a market value (based on a ten day trading average ended on June 29, 2005) of \$1,750,000. A portion of the purchase price was deposited in an indemnity escrow to secure certain representations and warranties of IMSI. As a result of this sale, IMSI categorized the operations of this subsidiary as discontinued and, in the quarter ending December 31, 2005, recorded the results of the sale of Allume assets as a loss of approximately \$474,000 but is subject to change based upon the release of the escrowed consideration. IMSI sold all Smith Micro stock received from the sale and recorded a realized gain of \$923,000 on the sale of securities.

Following the sale of Allume, the acquisition of AccessMedia accelerates IMSI's transformation from a software company to an Internet media company.

As of December 31, 2005, IMSI had 51 full time employees. All employees are located in the United States with the exception of one employee in Germany. References in this document to "IMSI" or the "Company" refer to International Microcomputer Software, Inc. and its subsidiaries. IMSI's headquarters are located at 100 Rowland Way, Suite 300, Novato, CA 94945 and IMSI's telephone number is (415) 878-4000. Additional information about IMSI is available on IMSI's website at www.imsisoft.com, which does not constitute a part of this document.

AccessMedia Networks, Inc.

AccessMedia is a platform for delivering real-time and interactive media over the Internet. AccessMedia delivers media content through its unique "virtual set top box" technology. Coupled with its innovative marketing skills, AccessMedia is positioned to become a leading Internet-based media network. The AccessMedia virtual set top box technology has been in development over the past five years, with over 100,000 man hours of time invested.

AccessMedia's Internet-based multi-channel strategy allows the delivery of content and entertainment as viewers increasingly demand -- what, where and when they want. AccessMedia's unique virtual set top box allows viewers to readily organize and access the growing volumes of high quality content, utilizing broad based search capabilities. These capabilities span AccessMedia's proprietary media library, media under license, and media readily available on the Internet. AccessMedia provides access to a wide variety of content including news, sports, movies and adult content.

AccessMedia takes advantage of the convergence of broadband, technology, and content, offering crisp signals through the virtual set top box technology, which equates to an experience similar to cable television. AccessMedia's virtual set top box combines the immediacy and interactivity of the Internet, in a format as simple to use as television. A viewer can customize his view to accommodate his specific tastes. Importantly, a viewer chooses his environment - one where only relevant and interesting advertising is selected. Further, the interactive nature of online media delivery allows a viewer to give real-time feedback on a variety of topics and immediately change his view to best suit his preferences.

AccessMedia's executive office is located at 9201 Oakdale Avenue, Suite 200, Chatsworth, CA 91311, and its telephone number is (323) 988-0754. Audited AccessMedia financial statements for the periods ending December 31, 2005 and pro forma combined financials are attached hereto as Annex F. For additional information about AccessMedia, please visit the company's website at www.accessmedia.tv, which does not constitute part of this document.

ACCESSMEDIA'S MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion and analysis of AccessMedia's financial condition and results of operations should be read in conjunction with "Selected Financial Data" and AccessMedia's financial statements and related notes appearing elsewhere in this proxy statement. This discussion and analysis contains forward-looking statements that involve risks, uncertainties and assumptions. The actual results may differ materially from those anticipated in these forward-looking statements as a result of certain factors set forth under elsewhere in this proxy statement.

Overview

AccessMedia Networks, Inc. is involved in an Internet-based multi-channel strategy that allows the delivery of content and entertainment on demand and enables end-users to readily organize and access significant volumes of quality content, utilizing its broad-based search capabilities. These capabilities span AccessMedia's proprietary media library, media under license, and media readily available on the Internet. AccessMedia's revenues are primarily derived from the sale of its downloadable software to individuals, the sale of advertising space on its website, and the additional up-sells of merchandise, subscriptions, and media downloads to purchase. AccessMedia was incorporated on January 9, 2002, under the laws of the State of Delaware.

AccessMedia was a development stage company from inception through Q4 2004. During this period AccessMedia did not have significant sales and its operating activities were related primarily to the design and development of its products and services, building its corporate infrastructure, establishing relationships with suppliers and customers and raising capital.

Recent events

In January, 2005, the sole stockholder of AccessMedia sold 100% of his shares in AccessMedia to Broadcaster, LLC.

In May, 2005, AccessMedia acquired 100% of the outstanding stock of Media Zone, Ltd. ("MZ") and its wholly-owned subsidiary, Value Investments, Inc. ("VI") in a tax-free exchange for 450 shares of AccessMedia's common stock. MZ and VI develop software programs for delivering real-time interactive media over the Internet. AccessMedia acquired MZ to expand its Internet media technology.

In July, 2005, AccessMedia acquired 100% of the outstanding stock of two additional corporations, PeopleCaster, Inc. ("PC") and MyVod, Inc. ("MV"), in tax-free exchanges for 200 shares each of AccessMedia's common stock. PC and MV own technology licenses for Internet programs relating to advertising and media content manipulation. AccessMedia acquired PC and MV to enhance its Internet media delivery systems.

In August, 2005, AccessMedia announced plans to merge with International Microcomputer Software, Inc. ("IMSI"), a public company traded on the Over the Counter Bulletin Board. On December 16, 2005, AccessMedia, its stockholders, ACCM Acquisition Corp., a Delaware corporation and IMSI's subsidiary ("Merger Sub"), and IMSI entered into an agreement and plan of merger ("Agreement"), under which Merger Sub will be merged with and into AccessMedia, with AccessMedia continuing after the merger as the surviving corporation and wholly-owned subsidiary.

Under the Agreement, IMSI will issue 29 million shares of its common stock to AccessMedia's stockholders at the closing of this transaction, representing approximately 48.4% of IMSI's outstanding stock at such time. Following the closing, IMSI may issue up to 35 million additional shares of its common stock to AccessMedia's stockholders if AccessMedia achieves certain revenue goals prior to December 31, 2008 (subject to certain extensions as provided in the Agreement). The closing of the transaction is anticipated to occur in the second calendar quarter of 2006. As part of the closing, IMSI will change its name to Broadcaster, Inc.

The Agreement has been approved by both AccessMedia's and IMSI's Boards of Directors, and the transactions contemplated thereby are subject to customary closing conditions.

Concurrently with the execution of the Agreement, AccessMedia entered into a joint operating agreement with IMSI, under which IMSI agreed to loan AccessMedia up to \$3.0 million prior to the closing of the merger pursuant to a joint operating plan and an operating budget to be delivered to a joint operating committee comprised of representatives of AccessMedia and IMSI. In addition, IMSI agreed to fund up to an additional \$7.0 million of net working capital needs of the surviving entity if certain operating milestones are achieved, as outlined in the joint operating agreement. AccessMedia has not yet requested funding under this arrangement.

History of Losses

AccessMedia has incurred significant net losses and negative cash flows from operations since its inception. As of December 31, 2005, AccessMedia had an accumulated deficit of \$3.2 million. Although its revenue has increased on a quarterly basis during 2005 AccessMedia has not achieved profitability and cannot be certain that it will be able to sustain these growth rates or realize sufficient revenue to achieve profitability. AccessMedia expects to continue to incur significantly greater operating expenses. As a result, AccessMedia expects to incur significant losses for the foreseeable future and will need to generate significantly higher revenue in order to achieve profitability. If AccessMedia achieves profitability, AccessMedia may not be able to sustain it.

AccessMedia had 26 full-time employees as of December 31, 2005. AccessMedia intends to hire a significant number of employees in the future. This expansion places significant demands on its management and operational resources. To manage this rapid growth, AccessMedia must invest in scalable operational systems, procedures and controls. AccessMedia must also be able to recruit qualified candidates to manage its expanding operations. AccessMedia expects future expansion to continue to challenge its ability to hire, train, manage and retain its employees. Additional personnel will increase its operating expenses in the foreseeable future.

Limited Operating History

AccessMedia has a limited operating history that makes it difficult to forecast its future operating results. AccessMedia believes that period-to-period comparisons of its operating results should not be relied upon as predictive of future performance. Its prospects must be considered in light of the risks, expenses and difficulties encountered by companies at an early stage of development, particularly companies in new and rapidly evolving markets, such as electronic commerce and Internet software. AccessMedia may not be successful in addressing these risks and difficulties. Although AccessMedia has experienced significant growth in revenue in recent periods, AccessMedia does not believe that prior growth rates are sustainable or indicative of its future operating results.

Results of Operations

AccessMedia's results of operations for the years ended December 31, 2004 and 2005 in dollars and as a percentage of revenue follow.

	Years Ended December 31,			
	In Dollars (in thousands)		As a Percentage of Revenue

Overall, AccessMedia's statement of operations reflect a business which is growing but whose products and processes are undergoing test and development work which currently exceeds revenue. AccessMedia expects that the revenue growth trend will continue and surpass the expected slower-growing expense levels. AccessMedia believes that because of the limited base of activity in 2004, quantitative rates of change calculations for various financial lines are not useful.

Revenue

Revenue includes software sales, internet media advertising sales and the sale of text-based internet links.

AccessMedia records revenue related to the sale of software when the customer downloads the software via the Internet and a payment is collected. Sales of subscription products are recognized ratably over the period the services are rendered.

AccessMedia recognizes revenue related to the display of advertisements on its Internet properties as impressions (the number of times that an advertisement appears in pages viewed by users) are delivered, as long as no significant obligations remain at the end of the period. To the extent that significant obligations remain at the end of the period, AccessMedia defers recognition of the corresponding revenue until the remaining guaranteed amounts are achieved.

AccessMedia generates revenue from the display of text-based links to the websites of its advertisers. These links are placed on AccessMedia's Internet properties as well as on the websites of third party entities who have integrated AccessMedia's sponsored search offerings into their websites. AccessMedia recognizes revenue from these arrangements as click-throughs (the number of times a user clicks on an advertiser's listing) occur.

The growth in reported revenue is due to an increase in testing and prototype programs for selling software, advertising and text-based links.

Cost of revenue

Cost of revenue consists of costs related to the products and services AccessMedia provides to customers. These costs include materials, salaries and related expenses for product support personnel, depreciation and maintenance of equipment used in providing services to customers and a portion of facilities expenses. The cost of revenue increased as a function of increasing activity over the periods and as result of amortization of assets acquired during 2005. AccessMedia expects to acquire more media content. AccessMedia's operating margins are negative and it expects them to become positive only after a full product launch, when the costs of supporting the products may be matched or exceeded by revenue. AccessMedia also expects its product offerings to expand and the mixture of sales to change. Because of its limited operating history, changes in revenue mix, recent exit from the development stage and evolving business model, AccessMedia believes that analysis of historical cost of revenue as a percentage of revenue is not meaningful. AccessMedia anticipates that its total cost of revenue will increase in absolute dollars in the future.

Sales and marketing

Sales and marketing expense consists primarily of salaries and related expenses for sales, support and marketing personnel, commissions, costs and expenses for customer acquisition programs and referrals, a portion of facilities expenses and depreciation and amortization of equipment. AccessMedia's expense levels have increased because of staffing and costs involved in testing and prototyping programs for selling its software, advertising and text-based links. AccessMedia anticipates that sales and marketing expense will continue to increase in absolute dollars as AccessMedia adds sales and marketing personnel and increases its customer acquisition activities.

General and administrative

General and administrative expense consists primarily of salaries and related expenses for administrative, finance, legal, human resources and executive personnel, fees for professional services and costs of accounting and internal control systems to support its operations. Expenses have increased primarily due to the addition of headcount in management and administration to support the increasing activity levels and as a result of amortization of assets acquired during 2005. AccessMedia anticipates that general and administrative expense will continue to increase in absolute dollars as AccessMedia builds its management team and hires additional administrative personnel and incurs increased costs such as professional fees. AccessMedia expects to secure a number of services from a related party at a market rate.

Interest expense

Interest expense is related to interest incurred on borrowings to fund operations. This has increased as AccessMedia has funded higher activity levels through debt.

Income taxes

From inception through December 31, 2005, AccessMedia incurred net losses for federal and state tax purposes and has not recognized any significant tax provision or benefit. As of December 31, 2005, AccessMedia had approximately \$3.5 million of federal and state net operating loss carryforwards to offset future taxable income. The federal and state tax net operating loss carryforwards are available to reduce future taxable income and expire at various dates from 2023 through 2025. Because of its limited operating history, AccessMedia's losses incurred to date and the difficulty in accurately forecasting its future results, AccessMedia's management does not believe that the realization of the related deferred income tax asset meets the criteria required by generally accepted accounting principles. Therefore, AccessMedia has recorded a 100% valuation allowance against the deferred income tax asset. See note B of the notes to our consolidated financial statements. Significant future changes in AccessMedia's share ownership, as defined in the Tax Reform Act of 1986 and similar state provisions, may restrict the utilization of these carryforwards.

Fluctuations in operating results

AccessMedia's results of operations could vary significantly over time. AccessMedia expects to incur significant sales and marketing expenses to promote its products and services. Therefore, AccessMedia's quarterly operating results are likely to be particularly affected by the number of customers purchasing its products and utilizing its services during any quarter as well as sales and marketing, administrative and other expenses for a particular period. If revenue falls below its expectations, AccessMedia will not be able to reduce its spending rapidly in response to the shortfall. AccessMedia anticipates that its product launches will be complex and in some cases lengthy. Therefore, the timing of future revenue could be difficult to predict, making it very difficult to predict revenue between quarters, and its operating results may vary significantly. Other factors that could affect its quarterly operating results include those described below and elsewhere in this proxy statement:

- AccessMedia's ability to attract and retain advertisers and customers;
- AccessMedia's ability to attract and retain a large number of users;
- Introduction of new services or products by AccessMedia or by its competitors;
- Timing and uncertainty of advertising sales cycles;
- Economic and business cycle;
- Level of Internet usage and broadband usage in particular;
- AccessMedia's ability to attract, integrate and retain qualified personnel;
- Technical difficulties or system downtime affecting the Internet generally or the operation of AccessMedia's systems;
- Amount and timing of operating costs.

Liquidity and Capital Resources

Since inception, AccessMedia has funded its operations primarily through debt and customer revenue. As of December 31, 2005, AccessMedia had outstanding borrowings under promissory notes of \$1.8 million. AccessMedia's primary source of liquidity as of December 31, 2005 was its cash and cash equivalents balance of \$175,000.

Cash used in operating activities was \$223,000 in 2004 and \$469,000 in 2005. The cash used during these periods was primarily attributable to net losses and increases in operating assets partially offset by non-cash charges, primarily amortization, and increases in operating liabilities.

Investments in property and equipment and deferred development costs were \$24,000 in 2004 and \$243,000 in 2005.

Cash provided by financing activities was \$675,000 in 2004 and \$200,000 in 2005 borrowings under promissory notes.

As of December 31, 2005, AccessMedia did not have any material commitments for capital expenditures or leases.

AccessMedia currently anticipates that the net proceeds from operations, together with its available cash resources and financing options, will be sufficient to meet its presently anticipated working capital, capital expenditure and business expansion requirements for at least the next 12 months. However, AccessMedia may need to raise additional funds within the next 12 months to support expansion, develop new or enhanced services, respond to competitive pressures, acquire complementary businesses or technologies or take advantage of unanticipated opportunities. AccessMedia's future liquidity and capital requirements will depend upon numerous factors, including the success of its existing and new service offerings and competing technological and market developments. AccessMedia may be required to raise additional funds through public or private financing, strategic relationships or other arrangements. There can be no assurance that additional funding, if needed, will be available on terms acceptable to AccessMedia, or at all. Its past borrowings were incurred with a related party and AccessMedia believes the transaction reflects a market rate.

Acquisition activity added \$5.8 million and \$8.7 million in media content and intangible assets, net of amortization, as of December 31, 2005. These assets were acquired primarily by the issuance of capital stock.

Market and Currency Risk

Financial instruments that potentially subject AccessMedia to credit risk consist primarily of cash. AccessMedia maintains its cash accounts with a high quality financial institution. As of December 31, 2005 and 2004, AccessMedia had cash balances of approximately \$75,000 and \$218,000, respectively, in excess of the Federal Deposit Insurance Corporation Limit of \$100,000 per institutions. However, AccessMedia does not anticipate non-performance by the counter-parties.

AccessMedia develops and markets its services primarily in the United States. Therefore, AccessMedia currently has no significant exposure to foreign currency exchange rates or weak economic conditions in international markets.

Recent Accounting Pronouncements

In December 2004, the FASB issued SFAS No. 153, "Exchanges of Nonmonetary Assets-An Amendment of APB Opinion No. 29, Accounting for Nonmonetary Transactions" ("SFAS 153"). SFAS 153 eliminates the exception from fair value measurement for nonmonetary exchanges of similar productive assets in paragraph 21(b) of APB Opinion No. 29, "Accounting for Nonmonetary Transactions," and replaces it with an exception for exchanges that do not have commercial substance. SFAS 153 specifies that a nonmonetary exchange has commercial substance if the future cash flows of the entity are expected to change significantly as a result of the exchange. SFAS 153 is effective for the fiscal periods beginning after June 15, 2005. AccessMedia is currently evaluating the effect that the adoption of SFAS 153 will have on its consolidated results of operations and financial condition, but does not expect it to have a material impact.

In May 2005, the FASB issued SFAS No. 154, "Accounting Changes and Error Corrections, a replacement of APB Opinion No. 20, Accounting Changes" ("SFAS 154"), and FASB Statement No. 3, "Reporting Accounting Changes in Interim Financial Statements" ("FASB 3"). The new statement changes the requirements for the accounting for and reporting of a change in accounting principle. This Statement applies to all voluntary changes in accounting principle. It also applies to changes required by an accounting pronouncement in the unusual instance that the pronouncement does not include specific transition provisions. When a pronouncement includes specific transition provisions, those provisions should be followed. This statement is effective for accounting changes and corrections of errors made in fiscal years beginning after December 15, 2005.

Critical Accounting Policies

In accordance with SEC guidance, those material accounting policies that AccessMedia believes are the most critical to an investor's understanding of its financial results and condition have been expanded and are discussed below. Certain of these policies are particularly important to the portrayal of its financial position and results of operations and require the application of significant judgment by its management to determine the appropriate assumptions to be used in the determination of certain estimates.

Revenue Recognition

AccessMedia records revenue related to the sale of software when the customer downloads the software via the Internet and a payment is collected. Sales of subscription products are recognized ratably over the period the services are rendered.

AccessMedia recognizes revenue related to the display of advertisements on its Internet properties as impressions (the number of times that an advertisement appears in pages viewed by users) are delivered, as long as no significant obligations remain at the end of the period. To the extent that significant obligations remain at the end of the period, the Company defers recognition of the corresponding revenue until the remaining guaranteed amounts are achieved.

AccessMedia generates revenue from the display of text-based links to the websites of its advertisers. These links are placed on AccessMedia's Internet properties as well as on the websites of third party entities who have integrated AccessMedia's sponsored search offerings into their websites. AccessMedia recognizes revenue from these arrangements as click-throughs (the number of times a user clicks on an advertiser's listing) occur.

Impairment

Property, equipment, intangible and certain other long-lived assets are amortized over their useful lives. Useful lives are based on management's estimates of the period that the assets will generate revenues. AccessMedia accounts for the impairment and disposition of long-lived assets in accordance with SFAS 144, Accounting for the Impairment or Disposal of Long-Lived Assets. In accordance with SFAS 144, long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. Recoverability of assets to be held and used is measured by comparison of the carrying amount of an asset to future net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets.

AccessMedia intends to designate Ms. Felice as its nominee on the IMSI Board of Directors.

ACCM Acquisition Corp.

ACCM Acquisition Corp. is a Delaware corporation and a wholly-owned subsidiary of IMSI. ACCM Acquisition Corp. was organized solely for the purpose of entering into the Merger Agreement with AccessMedia and completing the Merger. It has not conducted any business operations and will not do so prior to the completion of the Merger. If the Merger is completed, ACCM Acquisition Corp. will cease to exist following its merger with and into AccessMedia.

Background of the Merger

In late 2004, Martin Wade, Chief Executive Officer of IMSI, and Bruce Galloway, Chairman of the Board of Directors of IMSI, began discussing with Michael Gardner, Chairman and Chief Executive Officer of Baytree Capital Associates LLC ("Baytree"), a financial advisor to IMSI, various strategies to enhance IMSI shareholder value. In particular, they discussed the migration of IMSI from a traditional or packaged software company to offering downloadable media over the Internet. Messrs. Wade, Galloway and Gardner agreed that the growth and reach of the Internet coupled with the predictability of license revenues should lead to enhanced IMSI shareholder value.

On April 7, 2005, Mr. Gardner held a meeting in Las Vegas where he introduced Messrs. Wade and Galloway to Nolan Quan, a director of AccessMedia. Mr. Quan, an Internet entrepreneur, had met Mr. Gardner in 1998 when Mr. Quan was supporting the development and marketing activities for a public company in which Mr. Gardner was a large shareholder. At the meeting, Mr. Quan presented the AccessMedia technology indicating that he believed the market for an Internet-based media network, although still immature, would develop and the widespread adoption of

broadband might position AccessMedia to become one of the leading Internet media networks. All parties agreed to further explore the possibility of a strategic combination and entered into mutual non-disclosure agreements.

Over the following week, Messrs. Wade, Quan and Gardner conducted preliminary due diligence and began discussing the broad terms of a potential strategic transaction. Based on each party's mutual satisfaction with preliminary due diligence and the broad transaction terms, all parties agreed to begin negotiation of a letter of intent.

During the period from mid-April to mid-May 2005, the parties continued their due diligence and negotiated the terms of a letter of intent.

On May 13, 2005, a letter of intent was signed by all parties.

On May 23, 2005, representatives from IMSI, AccessMedia, Baytree, Silicon Valley Law Group and Morgan, Lewis & Bockius LLP met at the offices of Morgan, Lewis & Bockius LLP in Palo Alto, California to negotiate and draft the definitive agreements. During the course of the following week, all parties negotiated the principal terms of the definitive agreements including a merger agreement and a joint operating agreement, which was intended to govern the operations of AccessMedia until the closing of the Merger.

At a regularly scheduled meeting on June 13, 2005, Mr. Wade updated the Board of Directors on his discussions with AccessMedia, and discussed the business strategy which would include an Internet-based licensed media model in lieu of IMSI's current businesses. The IMSI Board of Directors continued its evaluation of potential strategic alternatives, including an evaluation of the strategy presented by Mr. Wade, as well as continued operation under IMSI's existing business plans.

During the period from early June to early August 2005, all parties worked to finalize due diligence and the documentation related to the Merger. During this period, Messrs. Wade and Quan had various meetings and discussions regarding the rationale for a possible business combination transaction between IMSI and AccessMedia, including the strategic ramifications and potential financial benefits of such a transaction. In addition, representatives of IMSI and AccessMedia, including representatives of their respective advisors, engaged in periodic discussions regarding the feasibility, possible terms and timing of, and the process involved with, a possible business combination transaction.

A new letter of intent was signed by all parties on July 27, 2005 reflecting the terms of the transaction that had been discussed between the parties.

From late July through early August, 2005, representatives of IMSI and representatives of Morgan, Lewis & Bockius LLP and Baytree continued discussions with representatives of AccessMedia to address due diligence issues and negotiate terms and conditions of the potential transaction.

On August 5, 2005, the IMSI Board of Directors held a meeting to review the primary strategic, financial and legal considerations concerning the proposed Merger of IMSI and AccessMedia, the advisability of the proposed transaction and the fairness of the Merger consideration. At the Board meeting, all but one of the IMSI directors were present in addition to Mr. Gardner, representatives from Morgan, Lewis & Bockius LLP, counsel to IMSI, and Sean Deson, Managing Director of Deson & Co. During this meeting, Mr. Wade reported on the status of negotiations with AccessMedia and discussed the results of financial, legal and other due diligence of the business, operations and prospects of AccessMedia. Additionally, Mr. Gardner spoke to his historical relationship with AccessMedia and its principals. Representatives of Morgan Lewis & Bockius LLP reviewed with the IMSI Board of Directors its legal obligations, including fiduciary duties, and summarized the material terms and conditions of the most recent drafts of the definitive agreements. Mr. Deson then presented financial analyses with respect to the proposed strategic business combination with AccessMedia. Following this presentation, Deson & Co. delivered its oral opinion to the effect that, based upon and subject to certain assumptions made, matters considered and limitations set forth in its opinion, the Merger consideration to be issued pursuant to the merger agreement was fair, from a financial point of view, to IMSI. This opinion of Deson & Co. was confirmed in a letter dated August 5, 2005. The IMSI Board of Directors asked questions and discussed with members of IMSI's management and the Board's financial and legal advisors the relative

merits and the legal issues surrounding the proposed transaction with AccessMedia. Messrs. Gardner and Deson were excused from the meeting and such discussion of the Board continued with counsel to IMSI.

25

Following the presentations and further discussions among members of the IMSI Board of Directors, certain members of IMSI's management and IMSI's financial and legal advisors, the IMSI Board of Directors, with one director dissenting and one director absent, determined the merger agreement, and the transactions contemplated thereby, were advisable, fair and in the best interest of IMSI and its shareholders, adopted and approved the merger agreement and the transactions contemplated thereby, and authorized certain officers to make any necessary or appropriate changes to the merger agreement.

Following the approvals of the Merger and related transactions by the respective boards of directors of IMSI and AccessMedia, representatives of IMSI and AccessMedia finalized the definitive merger agreement on August 8, 2005 and then issued a joint press release announcing its execution.

After signing the definitive merger agreement, each party worked to satisfy its conditions to closing. Beginning in September, the parties discussed the possible restructuring of the merger agreement (i) to provide more certainty regarding the tax treatment of the Merger and (ii) to increase the Merger consideration to be paid at the closing of the merger while reducing the aggregate Merger consideration potentially earned by the former AccessMedia shareholders upon the achievement of certain revenue milestones.

On October 20, 2005, the IMSI Board of Directors held a meeting to review a new merger agreement, the primary strategic, financial and legal considerations concerning the proposed changes, the advisability of the proposed changes and the fairness of the revised Merger consideration. At the Board meeting, all directors of IMSI were present in addition to Messrs. Gardner and Deson, as well as representatives from Morgan, Lewis & Bockius LLP. During this meeting, Mr. Wade reported on the status of negotiations of the proposed changes to the transaction with AccessMedia. Mr. Gardner and representatives of Morgan, Lewis & Bockius LLP spoke to their views of the proposed changes. Mr. Deson then presented financial analyses with respect to the proposed strategic business combination with AccessMedia. Following this presentation, Deson & Co. delivered its oral opinion to the effect that, based upon and subject to certain assumptions made, matters considered and limitations set forth in its opinion, the Merger consideration to be issued pursuant to the new merger agreement is fair, from a financial point of view, to IMSI. This opinion of Deson & Co. was confirmed in a letter dated October 20, 2005. The IMSI Board of Directors asked questions and discussed with members of IMSI's management and the Board's financial and legal advisors the relative merits and the legal issues surrounding the proposed changes to the transaction with AccessMedia. Mr. Bob Mayer resigned as director as of the start of business on October 20, 2005.

Following the presentations and further discussions among members of the IMSI Board of Directors, certain members of IMSI's management and IMSI's financial and legal advisors, the IMSI Board of Directors unanimously determined the new merger agreement, and the transactions contemplated thereby, were advisable, fair and in the best interest of IMSI and its shareholders, and adopted and approved the new merger agreement and the transactions contemplated thereby.

Following the approvals of the Merger and related transactions by the respective boards of directors of IMSI and AccessMedia, representatives of IMSI and AccessMedia finalized the definitive Merger Agreement, on December 16, 2005, and then issued a joint press release announcing its execution. The parties amended the Merger Agreement on March 24, 2006.

Recommendations of the IMSI Board of Directors

After careful consideration, at a meeting held on October 20, 2005, the IMSI Board of Directors:

- determined that the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement are advisable;

determined that it is advisable and in the best interests of IMSI and its shareholders that IMSI enter into the Merger Agreement and consummate the Merger;

- determined that the Merger Agreement is fair to IMSI and its shareholders;
- approved the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement; and
- determined to recommend that the shareholders of IMSI adopt the Merger Agreement.

THE IMSI BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS OF IMSI VOTE “FOR” ADOPTION OF THE MERGER AGREEMENT AND APPROVAL OF THE MERGER AND FOR THE IMSI ADJOURNMENT PROPOSAL.

In considering the recommendation of the IMSI Board of Directors with respect to the Merger Agreement, you should be aware that certain directors and executive officers of IMSI have interests in the Merger that are different from, or are in addition to, the interests of IMSI shareholders. Please see the Section entitled “The Merger - Interests of IMSI Directors and Executive Officers in the Merger” beginning on page 34 of this document.

IMSI’s Reasons for the Merger

The IMSI Board of Directors has determined that the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement are advisable, that it is in the best interests of IMSI and its shareholders that IMSI enter into the Merger Agreement and consummate the Merger, and that the Merger Agreement is fair to IMSI and its shareholders.

In reaching its decision to approve the Merger Agreement and to recommend that IMSI shareholders vote to adopt the Merger Agreement and approve the Merger, our Board of Directors considered a number of factors, including the following material factors:

- expected growth in Internet-based media;
- advanced technologies at AccessMedia;
- Internet media management team at AccessMedia;
- potential market reach, growth and operating margins of AccessMedia;
- high desirability of a recurring and adaptable revenue model;
- likelihood of attracting public market and strategic attention;
- favorable early performance metrics achieved by AccessMedia;
- historical information concerning IMSI’s businesses, financial performance and condition, operations, technology, management and competitive position;
- the availability, strategic viability and economic terms of possible alternatives to the transaction with AccessMedia;
- the belief that the terms of the Merger Agreement, including the parties’ representations, warranties and covenants, and the conditions to the parties’ respective obligations, are reasonable;

- the analyses prepared by Deson & Co. presented to the IMSI Board of Directors, and the oral opinion of Deson & Co., subsequently confirmed in writing, that as of October 20, 2005, and based upon and subject to certain assumptions made, matters considered and limitations set forth in Deson & Co.'s opinion (the full text of which is attached as Annex D to this document), the Merger consideration to be paid to AccessMedia shareholders pursuant to the Merger Agreement was fair to IMSI shareholders, from a financial point of view, as described more fully under "The Merger - Opinion of Deson & Co." beginning on page 29 of this document;
- our Board's familiarity with, and presentations by our management and financial advisor regarding, our business, operations, financial condition, business strategy and prospects (as well as the risks involved in achieving those prospects), the nature of the business in which we compete, and general industry, economic and market conditions, both on a historical and on a prospective basis;
- the fact that the Merger consideration is all stock and has a considerable earn-out component;
- the interest of certain IMSI executive officers and directors in the Merger, as described more fully under "the Merger - Interests of IMSI Directors and Executive Officers in the Merger" beginning on page 34 of this document; and
- our Board's belief that the Merger likely would be completed on a timely basis.

Our Board of Directors also considered a number of potentially negative factors in its deliberations concerning the Merger. The potentially negative factors considered by the Board included the following:

- the early nature of the AccessMedia business;
- the online business is rapidly developing and fiercely competitive;
- entering into Internet media exposes us to management and operational issues with which our current management has only modest experience;
- large traditional media companies will enter the online media business over time and may have greater resources and more comprehensive offerings;
- the risks and uncertainties of not pursuing other options more in line with our traditional software business and diverting management attention from these businesses;
- the risk of the public announcement of the Merger and that our stock price may decline;
- the risk that a large number of IMSI shareholders would exercise their appraisal rights potentially resulting in an obligation of IMSI to pay such shareholders the fair value of their IMSI common stock in cash which could deplete IMSI's cash reserves;
- the risk that the Merger might not be completed in a timely manner or at all;

- the negative impact of any customer or supplier disappointment or confusion after announcement of the Merger;
- the possibility of management and employee disruption associated with the Merger;
- the interests of certain IMSI executive officers and directors in the Merger described under “The Merger - Interests of IMSI Directors and Executive Officers in the Merger” beginning on page 34 of this document;
- the termination fee payable by IMSI in certain circumstances; and
- the possibility that the parties may not be able to obtain all of the approvals necessary to consummate the Merger.

After considering the risks, the IMSI Board of Directors concluded that the potential benefits of the Merger outweighed these risks.

The foregoing discussion, information and factors considered by our Board of Directors is not intended to be exhaustive but is believed to include all material factors considered by the Board of Directors. In view of the wide variety of factors considered by our Board of Directors, as well as the complexity of these matters, the IMSI Board of Directors did not find it practical to quantify or otherwise assign relative weight to the specific factors considered. In addition, the Board did not reach any specific conclusions on each factor considered, or any aspect of any particular factor, and individual members of the IMSI Board of Directors may have given different weights to different factors. In making its determinations and recommendations, the IMSI Board of Directors as a whole viewed its determinations and recommendations based on the totality of the information presented to and considered by it. However, after taking into account all of the factors set forth above, the IMSI Board of Directors unanimously determined that the Merger Agreement and the Merger were fair to, and in the best interests of IMSI and its shareholders and that IMSI should proceed with the Merger.

Opinion of Deson & Co.

The IMSI Board of Directors retained Deson & Co. to render an opinion to the Board with respect to the Merger. Deson & Co. rendered its oral opinion, which was subsequently confirmed in writing, to the Board of Directors of IMSI that, as of the date of the written fairness opinion, and subject to and based on the assumptions made, procedures followed, matters considered and limitations of the review undertaken in such opinion, the Merger consideration to be paid to AccessMedia shareholders was fair, from a financial point of view, to IMSI.

The full text of the written opinion of Deson & Co., dated October 20, 2005, which sets forth the assumptions made, matters considered and limitations on the opinion and on the review undertaken in connection with the opinion, is attached as Annex D to, and is incorporated by reference in, this document. The opinion of Deson & Co. does not constitute a recommendation as to how any holder of shares of IMSI common stock should vote in connection with the Merger Agreement or any other matter related thereto. You should carefully read the opinion in its entirety.

In arriving at its opinion, Deson & Co., among other things:

- reviewed the draft of the merger agreement dated August 3, 2005, the draft of the Merger Agreement dated October 19, 2005 and drafts of selected other documents related to the Merger;
- participated in discussions and negotiations among representatives of IMSI, AccessMedia and AccessMedia's majority owners and their respective financial and legal advisors;
- reviewed certain publicly available and internal financial information and other operating data concerning IMSI and AccessMedia prepared by executives of each party;
- analyzed certain financial projections of IMSI and AccessMedia prepared by the executives of each party;
- discussed the past and current operations, financial condition and prospects for both IMSI and AccessMedia with senior executives of each party;

compared the expected financial performance of AccessMedia with that of certain other comparable publicly-traded companies;

- reviewed the financial terms and other terms, to the extent publicly available of precedent acquisition transactions of companies comparable to AccessMedia;

- assessed AccessMedia's value using discounted cash flow analysis of projected future cash flows;
- analyzed the expected accretion/dilution to IMSI of AccessMedia based upon the information provided by executives of each party;
- assessed the expected relative contribution of IMSI and AccessMedia based upon information provided by executives of each party; and
- performed such other analysis and considered such other factors as Deson & Co. deemed appropriate.

In connection with its review, Deson & Co. has relied upon the accuracy and completeness of the foregoing financial and other information, and Deson & Co. has not assumed any responsibility for any independent verification of such information.

Deson & Co. has not conducted physical inspections of the properties or facilities of each of IMSI and AccessMedia, and has not made any comprehensive evaluations or appraisals of the assets or liabilities of each of IMSI and AccessMedia, nor have any such valuations or appraisals been provided to Deson & Co. Without limiting the generality of the foregoing, Deson & Co. has undertaken no independent analysis of any owned or leased real estate, or any pending or threatened litigation, possible unasserted claims or other contingent liabilities, to which IMSI or AccessMedia or any of their respective affiliates are a party or may be subject, and Deson & Co.'s opinion makes no assumption concerning and therefore does not consider the possible assertion of claims, outcomes or damages arising out of any such matters.

Deson & Co. has assumed, in reliance upon the assurances of the management of IMSI and AccessMedia, that the information provided to it has been prepared on a reasonable basis in accordance with industry practice, and, with respect to financial planning data and other business outlook information, reflects the best currently available estimates and judgment of the management of each party, and that the management of each party is not aware of any information or facts that would make the information provided to Deson & Co. incomplete or misleading.

Deson & Co.'s opinion is necessarily based on the economic, market and other conditions in effect on, and the information made available to it, as of the date hereof. In arriving at its opinion, Deson & Co. has assumed that all the necessary regulatory approvals and consents required for the merger will be obtained in a manner that will not change the purchase price for AccessMedia. Deson & Co. has assumed that the final form of the Merger Agreement will be substantially similar to the draft reviewed by us, without modification of material terms or conditions.

The summary set forth below does not purport to be a complete description of the analyses performed by Deson & Co., but describes, in summary form, the material elements of the presentation that Deson & Co. made to IMSI's Board of Directors on August 4, 2005, and on October 20, 2005, in connection with Deson & Co.'s fairness opinion. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to a partial analysis or summary description. In arriving at its opinion, Deson & Co. considered the results of all of its analyses as a whole and did not attribute any particular weight to any analysis or factor considered by it. With respect to the analysis of selected public companies and the analysis of selected precedent transactions summarized below, no company or transaction used as a comparison is either identical or directly comparable to AccessMedia or to the Merger. The analyses described below must be considered as a whole, and considering portions of these analyses, without considering all of them, would create an incomplete view of the process underlying Deson & Co.'s analyses and opinion.

Analysis of Comparable Public Companies. Deson & Co. compared selected financial information for IMSI and AccessMedia with corresponding financial information of selected publicly held companies in the Internet media and

advertising industry. Deson & Co. selected these companies for comparison because they have technologies, operations or strategies in certain respects comparable to AccessMedia. These companies include the following:

30

CNET Networks, Inc.
 RealNetworks, Inc.
 IAC/Interactive Corp.
 Viewpoint Corp.
 Aptimus, Inc.
 OpenTV Corp.

Deson & Co. reviewed the total enterprise value of the selected comparable companies as a multiple of revenues, gross profit and operating income, and the market value of the selected comparable companies as a multiple of net income for the latest twelve months ending September 30, 2005 and for the estimated fiscal year 2005 and 2006. Financial data for the selected comparable companies was based on the publicly available information available at the time of the announcement of the transaction. Deson & Co. compared the multiples derived from the selected comparable companies with corresponding multiples for AccessMedia based on the consideration to be paid to AccessMedia shareholders. This analysis indicated the following implied high, mean, and low multiples for the selected comparable companies and the implied multiples for the consideration to be paid to AccessMedia shareholders and the resulting AccessMedia per share valuation based upon AccessMedia's projected 2006 financial information, and 29,000,000 and 35,000,000 shares issued as consideration (the high and the low number of shares to be issued prior to and after achieving the first performance metric), and IMSI's share price of \$1.01.

Analysis of Selected Precedent Transactions. Deson & Co. reviewed the implied enterprise values in the selected merger and acquisition transactions in the Internet media and advertising industries announced since 2003. Deson & Co. selected these transactions for comparison because they related to acquisitions of companies that have technologies, operations or strategies in certain respects comparable to AccessMedia. These transactions include:

Acquirer	Target	Date
Great Hill	IGN	5/2/03
Partners	Entertainment	
MarketWatch	Pinnacor	7/22/03
Viacom	SportsLine	8/1/04
RealNetworks	Listen.com	4/21/03

IAC/Interactive	Ask Jeeves	3/18/05
News Corp.	Intermix Media	7/18/05
News Corp.	IGN	9/8/05
	Entertainment	

Deson & Co. reviewed the selected transactions and determined enterprise value as a multiple of the target's latest twelve months revenues, gross profit, EBITDA, operating income, and assets, and equity value as a multiple of the target's latest twelve months net income and book value. Multiples for the selected transactions were based on publicly available information available at the time of the announcement of the transaction. Deson & Co. then compared the implied multiples derived from the selected transactions with corresponding multiples for AccessMedia projected 2006 financial information. This analysis indicated the following implied high, mean, and low multiples for the selected precedent transactions and the implied multiples for the consideration to be paid to AccessMedia shareholders and the resulting AccessMedia per share valuation based upon AccessMedia's projected 2006 financial information, and 29,000,000 and 35,000,000 shares issued as consideration (the high and the low number of shares to be issued prior to and after achieving the first performance metric), and IMSI's share price of \$1.01.

Discounted Cash Flow Analysis. Deson & Co. performed a discounted cash flow analysis based on the stand-alone net present values of the cash flows of AccessMedia. Deson & Co. derived the implied reference ranges by applying a range of operating income terminal value multiples of 15.0x to 35.0x and revenue terminal value multiples of 4.0x to 6.0x and discount rates of 20.0% to 40.0%. The operating income and revenue terminal value multiples are consistent with other selected comparable public companies and precedent transactions. The discount rates used in the discounted cash flow analyses are discount rates that in the professional judgment of Deson & Co. are appropriate for use in connection with earlier stage companies such as AccessMedia. The implied per share price range referenced below is the price per share indicated by dividing the various equity values derived by the number of shares that would be issued to AccessMedia pursuant to the Merger and the achievement of the revenues underlying the cash flow projections. The following sets forth the range of per share values based upon the above assumptions and AccessMedia's cash flow projections.

EPS Accretion/Dilution Analysis. Deson & Co. performed pro forma analyses of the financial impact of the Merger using estimates prepared by IMSI for the year ended 2006 and using operating margin estimates prepared by AccessMedia applied to the various revenue Performance Levels. The following sets forth the dilution or accretion at each Performance Level both pre and post the issuance of the related Performance Level shares.

Performance Levels - AM					
Revenues	\$20,000,000	\$40,000,000	\$55,000,000	\$80,000,000	\$100,000,000
Beginning Shares					
Issued	29,000,000	36,000,000	43,000,000	50,000,000	57,000,000
				140 to	
Accretion/(Dilution)	0 to 10%	60 to 70%	90 to 100%	150%	165 to 180%
Ending Shares					
Issued	36,000,000	43,000,000	50,000,000	57,000,000	64,000,000
				120 to	
Accretion/(Dilution)	0 to -10%	45 to 55%	75 to 85%	130%	145 to 160%

In general, the dilution or accretion would be:

- Modestly dilutive in 2006 based upon AccessMedia's projections; and
- Other than at the first Performance Level, modestly accretive to very accretive at the various Performance Levels.

Relative Contribution Analysis. Deson & Co. reviewed the contributions of IMSI for the year ended 2006 and using operating margin estimates prepared by AccessMedia applied to the various revenue Performance Levels. The following sets forth the contribution of IMSI and AccessMedia of revenues, gross profit and operating income to the relative ownership of IMSI and AccessMedia at each Performance Level both pre and post the issuance of the related Performance Level shares.

Performance Levels - AM					
Revenues	\$20,000,000	\$40,000,000	\$55,000,000	\$80,000,000	\$100,000,000
AM Contribution %					
Revenues	45 to 50%	60 to 65%	70 to 75%	75 to 80%	80 to 85%
Gross Profit	35 to 40%	50 to 55%	60 to 65%	65 to 70%	70 to 75%
EBIT	60 to 65%	80 to 85%	85 to 90%	85 to 90%	90 to 95%
Shares - Beginning	29,000,000	36,000,000	43,000,000	50,000,000	57,000,000
AM Ownership %	49%	55%	59%	63%	66%
Shares - End	36,000,000	43,000,000	50,000,000	57,000,000	64,000,000
AM Ownership %	55%	59%	63%	66%	68%

In general, the contribution of AccessMedia would be:

- Approximately what its ownership percentage is in 2006 based upon AM's and IMSI's projections;

Other than at the first Performance Level, AccessMedia contributes more than its relative ownership at the various Performance Levels; and

- The achievement of each Performance Level is more beneficial to IMSI shareholders on a per share basis.

Miscellaneous. Under the terms of its engagement IMSI has agreed to pay Deson & Co., independent of the outcome of the Merger, a fee of \$100,000 for services delivered in connection with rendering the Fairness Opinion. In addition, IMSI has agreed to reimburse Deson & Co. for its reasonable expenses, including fees and disbursements of counsel, and to indemnify Deson & Co. and related parties against liabilities, including liabilities under federal securities laws, relating to, or arising out of, its engagement. Over the past two years, IMSI has not paid to Deson & Co. any other fees for banking and related services.

IMSI selected Deson & Co. as its financial advisor in connection with the Fairness Opinion because Deson & Co. is intimately familiar with the details of the transaction and its focus on technology-based companies. As part of its investment banking business, it regularly considers the valuation of businesses and their securities in connection with mergers and acquisitions, private placements and investments.

In the ordinary course of business, Deson & Co. and its affiliates may actively trade in the securities of IMSI for their own accounts and the accounts of their customers and, accordingly, may at any time hold a long or short position in those securities.

Interests of Deson & Co. in the Merger

Deson & Co. and Sean Deson, CEO of Deson & Co., regularly conducts business with Baytree Capital Associates, LLC (“Baytree”) and Michael Gardner, Chairman and CEO of Baytree. As a result of Mr. Gardner’s current ownership in AccessMedia and pursuant to various agreements related to the Merger, Baytree and Mr. Gardner will be significant shareholders of IMSI. Deson & Co. or Mr. Deson may receive compensation from Baytree or Mr. Gardner related to the merger in addition to compensation received from IMSI. While Mr. Deson does not personally own shares of IMSI, Mr. Deson is the Managing Member of Treeline Management LLC, the General Partner of Treeline Investment Partners LP, which is an IMSI shareholder. Deson & Co. and its affiliates may actively trade in the securities of IMSI for their own account and the accounts of their customers and, accordingly, may at any time hold long or short positions in those securities.

Interests of Baytree in the Merger

Under the terms of its engagement, IMSI has agreed to pay Baytree, as a result of the Merger, a fee of 5% of the aggregate value of the closing consideration to be paid to the former AccessMedia shareholders, payable in IMSI shares, for services delivered in connection with the Merger, which totals 1.45 million shares of IMSI common stock (before giving effect to the reverse one-for-two stock split). IMSI has agreed to reimburse Baytree for its reasonable expenses, including fees and disbursements of counsel, and to indemnify Baytree and related parties against liabilities, including liabilities under federal securities laws, relating to, or arising out of, its engagement. In addition, IMSI has agreed to pay to Baytree 1.0 million shares of IMSI common stock (before giving effect to the reverse one-for-two stock split) for ongoing consulting services to be rendered through June 30, 2008. Over the past two years, IMSI has not paid to Baytree any other fees for banking and related services.

Mr. Gardner is a shareholder of AccessMedia and therefore has certain interests in the Merger separate and apart from Baytree’s interest as IMSI’s financial advisor. Baytree and its affiliates may actively trade in the securities of IMSI for their own account and, accordingly, may at any time hold long or short positions in those securities.

The IMSI Board of Directors was aware of and considered these interests when it approved the Merger.

Interests of IMSI Directors and Executive Officers in the Merger

Certain executive officers of IMSI and certain members of the IMSI Board of Directors may be deemed to have interests in the merger that are different from or in addition to the interests of IMSI shareholders generally. The IMSI Board of Directors was aware of these interests and considered them, among other matters, in approving the Merger

Agreement and the merger. Described below are the interests of executive officers of IMSI's management and certain members of the IMSI Board of Directors.

34

- Pursuant to an agreement to be entered into in connection with the Merger, Martin R. Wade, III, Chief Executive Officer of IMSI will be granted options to purchase 3.75 million shares of IMSI common stock (prior to giving effect to the proposed stock split) of which 100,000 shares vest upon completion of the transaction and 3.65 million shares vest upon AccessMedia's achievement of certain revenue milestones.
- IMSI has entered into an employment agreement with Robert O'Callahan, IMSI's Chief Financial Officer, pursuant to which Mr. O'Callahan will be entitled to a bonus in the amount of \$25,000 upon effectiveness of the Proxy Statement and an additional \$100,000 upon the closing of the Merger.

In the event any of the payments made to Messrs. Wade or O'Callahan would constitute a parachute payment as defined in section 280G of the Internal Revenue Code (the "Code") and would subject Messrs. Wade or O'Callahan to an excise tax under the Code, then Messrs. Wade or O'Callahan are not contractually entitled to receive an additional payment which, when reduced by all taxes thereon, would provide them with sufficient cash to pay the amount of the excise tax owed on all such compensation.

Golden Parachute Payments

The acceleration of the vesting of stock options and share right awards in connection with the merger, together with any other payment contingent upon or made to an officer in connection with the Merger, such as severance benefits upon his or her subsequent termination of employment, may result in an "excess parachute payments" as defined in Section 280G of the Code. Excess parachute payments are not deductible in accordance with Section 280G. As a result, IMSI will not be entitled to a tax deduction for any amounts determined to be excess parachute payments. The amount of the lost deduction will depend on the value of the shares as a result of the Merger, the number of option shares or share right awards which vest on an accelerated basis in connection with the Merger, and the portion of any other payments or benefits deemed to be an excess parachute payment.

Accounting Treatment of the Merger

IMSI intends to account for the Merger as a "purchase" of AccessMedia by IMSI for financial reporting and accounting purposes, in accordance with accounting principles generally accepted in the United States. The purchase accounting transaction will result in a purchase price in excess of net tangible and intangible assets acquired. The purchase price is expected to be approximately \$32 million. IMSI expects that the final purchase price will be determined after the completion of the Merger. The allocation of the purchase price among net tangible assets acquired, goodwill and other intangibles will be determined after the completion of the merger. Amortizable intangible assets, currently estimated at \$15.5 million, will generally be amortized over the estimated useful lives with initial estimates ranging from 10 to 30 years, resulting in an estimated accounting charge for amortization attributable to these items of approximately \$780,000 million on an annual basis for the first ten years. Goodwill resulting from the business combination will not be amortized but instead will be tested for impairment at least annually (more frequently if certain indicators are present). The amount of the estimated purchase price allocated to goodwill, which is based on certain assumptions, is estimated to be approximately \$25.9 million.

If IMSI management should change the assumptions used in the allocation of the purchase price or the remaining estimated lives of the intangible assets, amounts allocated to intangible assets with definite lives may increase significantly or estimated lives may decrease significantly, which could result in a material increase in amortization of intangible assets. In addition, if IMSI management determines that the value of goodwill has become impaired, the combined company will incur an accounting charge for the amount of impairment during the fiscal quarter in which the determination is made. The amounts listed in the above paragraph are only preliminary estimates, however, actual amounts may differ from these estimates.

Appraisal Rights

If the Merger is completed, any holder of IMSI common stock as of the record date for determining shareholders entitled to vote on the Merger may, by complying with the provisions of California law, as applicable, require IMSI to purchase such holder's shares at their fair market value. The fair market value will be determined as of the date immediately prior to the first announcement of the terms of the proposed Merger, excluding any appreciation or depreciation as a consequence of the proposed Merger. The fair market value of shares of IMSI common stock may be more or less than the value of IMSI common stock to be held by other IMSI shareholders immediately after the Merger. IMSI shareholders who are considering asserting and exercising dissenters' rights should consult their legal advisors.

Appraisal under California law requires strict compliance with the procedures set forth in Chapter 13 of the California General Corporation Law. Failure to follow any of these procedures may result in a termination or waiver of dissenters' rights under California law. The applicable provisions of California law are summarized below. IMSI shareholders who choose to exercise dissenters' rights under California law must fully comply with the requirements of Chapter 13 of the California General Corporation Law.

Under the California General Corporation Law, an IMSI shareholder may be entitled to dissenters' rights with respect to his IMSI shares if such shares:

- were outstanding on the date of the vote to approve the Merger; and
- were not voted in favor of the Merger.

Within 10 days of approval of the Merger by IMSI shareholders, each shareholder who is entitled to dissenters' rights shall receive a notice of such approval and a statement of the price determined by IMSI to represent the fair market value of its capital stock. The notice will also describe the rights to which such shareholders are entitled and shall be accompanied by a copy of Chapter 13 of the California General Corporation Law (attached as Annex E to this Information Statement). Within 30 days of the date of the mailing of such notice, IMSI shareholders must assert their dissenters' rights by delivering a written demand to IMSI or its transfer agent. The written demand must set forth the number and class of shares that such shareholder desires to be repurchased and include a statement as to what such shareholder claims to be the true fair market value of such shares. The statement of fair market value will constitute an offer by such shareholder to sell his shares at the price indicated therein.

If the shareholder and IMSI agree upon the fair market value and the shares held by such IMSI shareholder qualify as dissenting shares, the IMSI shareholder will be entitled to the agreed upon price plus the legal rate of interest on judgments from the date of such agreement. If the shareholder and IMSI are unable to agree upon the fair market value of the shares or whether the shares qualify as dissenting shares, the shareholder may file a complaint in California Superior Court seeking a determination by the court of the fair market value of the shares and/or whether the shares qualify as dissenting shares. The complaint must be filed within six months of the date on which the notice of the approval of the Merger was mailed to IMSI shareholders.

After determining which shareholders are entitled to appraisal, the court will appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the Merger, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. The court will then direct payment of the fair value of the shares, together with interest, if any, to the dissenting shareholders. Any cash dividends declared and paid by upon the dissenting shares after the date of approval of the Merger by IMSI shareholders shall be credited against the total amount to be paid to the dissenting shareholders. The costs of proceedings may be determined by the court and shared by the parties as the court deems fit.

THE FOREGOING SUMMARY DOES NOT PURPORT TO BE A COMPLETE STATEMENT OF THE PROVISIONS OF CHAPTER 13 OF THE CALIFORNIA GENERAL CORPORATION LAW AND IS QUALIFIED IN ITS ENTIRETY BY REFERENCE TO SUCH CHAPTER, A COPY OF WHICH IS ATTACHED HERETO AS ANNEX E. IMSI SHAREHOLDERS WHO WISH TO EXERCISE DISSENTERS' RIGHTS SHOULD CONSULT THEIR LEGAL AND TAX ADVISORS.

Regulatory Approvals

No consent, approval, order or authorization of, or registration, qualification, designation, declaration or filing with, any federal, state or local governmental authority on the part of IMSI is required in connection with the consummation of the transactions contemplated by the Merger Agreement, except for such filings as are required pursuant to applicable federal and state securities laws and blue sky laws, which filings will be effected within the required

statutory period.

Material United States Tax Consequences of the AccessMedia Acquisition

The following discussion is based upon the Internal Revenue Code of 1986, as amended, or the Code, the regulations promulgated under the Code, and existing administrative interpretations and court decisions, all of which are subject to change, possibly with retroactive effect. Any such change could affect the continuing validity of the following discussion.

36

The merger of ACCM Acquisition Corp. (“ACCM”) into AccessMedia, and any subsequent merger of AccessMedia into IMSI, are intended to qualify under Sections 368 and 332 respectively of the Internal Revenue Code, in which case: (i) no gain or loss will be recognized by IMSI, ACCM, AccessMedia, or the IMSI shareholders, and (ii) the basis and holding period of the IMSI shareholders in their IMSI common stock will remain unchanged. If it were determined that the transactions did not qualify under Sections 368 or 332, no taxable gain or loss should be recognized by IMSI, ACCM, or the IMSI shareholders. Neither IMSI nor AccessMedia contemplates obtaining a tax opinion or requesting a ruling from the IRS in connection with the merger. Accordingly, IMSI shareholders are urged to consult their own tax advisors as to the tax consequences as a result of the Merger, including the applicable federal, state, local and foreign tax consequences.

This discussion does not address all aspects of U.S. federal income taxation that may be important to you in light of your particular circumstances or if you are subject to special rules. Moreover, the discussion does not address any non-income tax or any foreign, state or local tax consequences of the acquisition.

TO ENSURE COMPLIANCE WITH INTERNAL REVENUE SERVICE CIRCULAR 230, IMSI STOCKHOLDERS ARE HEREBY NOTIFIED THAT: (A) ANY DISCUSSION OF FEDERAL TAX ISSUES IN THIS INFORMATION STATEMENT IS NOT INTENDED OR WRITTEN BY US TO BE RELIED UPON, AND CANNOT BE RELIED UPON BY IMSI SHAREHOLDERS FOR THE PURPOSE OF AVOIDING PENALTIES THAT MAY BE IMPOSED ON IMSI SHAREHOLDERS UNDER THE INTERNAL REVENUE CODE; (B) SUCH DISCUSSION IS WRITTEN TO SUPPORT THE PROMOTION OR MARKETING OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN; AND (C) IMSI SHAREHOLDERS SHOULD SEEK ADVICE BASED ON THEIR PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.

SUMMARY SELECTED HISTORICAL FINANCIAL DATA FOR IMSI

The following table sets forth selected historical financial data for IMSI. The following data at and for the years ended June 30, 2005 and 2004, have been derived from IMSI's consolidated financial statements and the data at and for the six month period ended December 31, 2005 have been derived from IMSI's unaudited consolidated financial statements. IMSI's selected unaudited interim financial data included in this proxy statement were derived from its books and records and, in the opinion of IMSI management, contains all adjustments, consisting only of normal recurring adjustments, necessary for the fair presentation of its financial position and results of operations at and for such periods. The results of operations for any interim period are not necessarily indicative of the results of operations to be expected for the full year.

You should read the following information together with IMSI's consolidated financial statements, the notes related thereto and the section entitled "Management's Discussion and Analysis of Financial Condition and Results of Operations" contained in IMSI's annual reports on Form 10-KSB, Form 10-QSB and other financial information included in IMSI's filings with the SEC, which is incorporated by reference in this proxy statement. **SUMMARY SELECTED UNAUDITED PRO FORMA CONDENSED COMBINED CONSOLIDATED
FINANCIAL DATA**

The following selected unaudited pro forma condensed combined consolidated financial data was prepared using the purchase method of accounting. The unaudited pro forma condensed combined consolidated statement of operations data combines the historical consolidated statements of operations data for IMSI and AccessMedia for the year ended June 30, 2005 and the six months ended December 31, 2005, giving effect to the proposed acquisition as if it had occurred at the beginning of the period. The unaudited pro forma condensed combined consolidated balance sheet data combines the historical consolidated balance sheets of IMSI and AccessMedia as of December 31, 2005, giving effect to the acquisition.

The selected unaudited pro forma condensed combined consolidated financial data is based on estimates and assumptions that are preliminary. The data are presented for informational purposes only and is not intended to represent or be indicative of the consolidated results of operations or financial condition of IMSI that would have been reported had the acquisition been completed as of the dates presented, and should not be taken as representative of future consolidated results of operations or financial condition of IMSI. Please also read the section in this proxy statement entitled "Special Note Regarding Forward-Looking Statements" beginning on page 78 for more information on the statements made in this section.

This selected unaudited pro forma condensed combined consolidated financial data should be read in conjunction with the summary selected historical consolidated financial data and the unaudited pro forma condensed combined consolidated financial statements and accompanying notes contained elsewhere in this proxy statement and the separate historical consolidated financial statements and accompanying notes of IMSI and AccessMedia incorporated by reference into this proxy statement. See the section entitled "Where You Can Find More Information" beginning on page 79 of this proxy statement and "Incorporation of Certain Documents by Reference" beginning on page 79 of this proxy statement.

Comparative Per Share Information

The following table presents comparative historical per share data regarding the net income loss, book value and cash dividends of IMSI and unaudited combined pro forma per share data after giving effect to the acquisition as a purchase of AccessMedia by IMSI assuming the acquisition had been completed on July 1, 2004. The following data assumes 29 million shares of IMSI common stock will be issued in exchange for all existing shares of AccessMedia common stock in connection with the acquisition. The data has been derived from and should be read in conjunction with the summary selected historical consolidated financial data and unaudited pro forma condensed combined consolidated financial statements contained elsewhere in this proxy statement, and the separate historical consolidated financial statements of IMSI and AccessMedia and the accompanying notes incorporated by reference into this proxy statement. The unaudited pro forma per share data is presented for informational purposes only and is not intended to represent or be indicative of the consolidated results of operations or financial condition of IMSI that would have been reported had the acquisition been completed as of the date presented, and should not be taken as representative of future consolidated results of operations or financial condition of IMSI.

THE MERGER AGREEMENT

The following summary describes the material provisions of the Agreement and Plan of Merger, dated as of December 16, 2005, as amended as of March 24, 2006 (the "Merger Agreement"), by and among IMSI, AccessMedia, ACCM Acquisition Corp. ("ACCM"), a wholly-owned subsidiary of IMSI, and the shareholders of AccessMedia. This summary may not contain all of the information about the Merger Agreement that is important to you. The Merger Agreement is attached to this document as Annex A and is incorporated by reference into this document, and we encourage you to read it carefully in its entirety for a more complete understanding of the Merger Agreement, because it is the legal document that governs the Merger.

Generally

The Merger Agreement provides that at the closing of the Merger, ACCM will be merged with and into AccessMedia. Upon completion of the Merger, AccessMedia will continue as the surviving corporation and will be a wholly-owned subsidiary of IMSI.

Directors and Officers of the Surviving Corporation after the Merger

The directors and officers of IMSI will be the directors and officers of AccessMedia immediately prior to the effective time of the Merger.

Manner and Basis of Converting Shares of AccessMedia Common Stock into the Merger Consideration

Under the terms of the Merger Agreement, upon completion of the Merger, IMSI will issue 29,000,000 shares of Common Stock of IMSI (before giving effect to the reverse one-for-two stock split) to AccessMedia shareholders, representing approximately 48.4% of the outstanding shares of IMSI. Following the closing, IMSI may issue up to an additional 35,000,000 shares (before giving effect to the reverse one-for-two stock split) to AccessMedia shareholders if AccessMedia achieves certain revenue milestones prior to December 31, 2008 (subject to certain extensions as provided in the Merger Agreement), representing approximately 67.4% in the aggregate to be held by former AccessMedia shareholders.

AccessMedia shareholders will be entitled to receive 23,200 shares of IMSI common stock (before giving effect to the reverse one-for-two stock split) for each share of AccessMedia common stock held by them at the effective time of the merger and up to 51,200 shares of IMSI common stock for each share of AccessMedia common stock held by them if AccessMedia achieves certain revenue milestones prior to December 31, 2008 (subject to certain extensions as provided in the Merger Agreement).

The additional issuances of IMSI common stock shall be paid in the amounts set forth below in the event that any of the revenue performance levels shall be obtained by AccessMedia during any of the time periods set forth below (as more fully set out in the Merger Agreement):

Performance Target Schedule

Revenue Performance Level	Target Date	Earnout Payment in Shares of IMSI Common Stock (before giving effect to the reverse one-for-two stock split)	Potential Aggregate Shares of IMSI Common Stock (before giving effect to the reverse one-for-two stock split)
>\$20 million in Revenue	June 30, 2006	7 million	36 million
>\$40 million in Revenue	March 31, 2007	7 million	43 million
>\$55 million in Revenue	September 30, 2007	7 million	50 million
>\$80 million in Revenue	June 30, 2008	7 million	57 million
>\$100 million in Revenue	December 31, 2008	7 million	64 million

Each applicable earnout payment in the column entitled “Earnout Payment” shall be made to the AccessMedia shareholders on or prior to the 30th day following (i) the applicable date in the column entitled “Target Date,” if the revenue performance level set forth therein is met by such date, or (ii) the date upon which such revenue performance level is met (the “Attainment Date”) if the Attainment Date precedes the Target Date. Notwithstanding the foregoing, if any revenue performance level is not met by the specified target date, the associated Earnout Payment may still be earned if AccessMedia achieves the applicable revenue performance level by the date six (6) months following the specified target date (the “Grace Period Date”). The listed revenue performance levels are cumulative. As a result, if by any specified target date (or by the Grace Period Date associated with each such target date) the revenue performance level goal for that date is met, then the full cumulative amount of the Earnout Payments attributable to all revenue levels included within that amount will be payable at that time. In other words, if a revenue performance level is achieved by a target date, or by the associated Grace Period Date, then the Earnout Payment owing at that time will include (a) the Earnout Payment with respect to such target date, and (b) any Earnout Payment relating to prior target dates that had not been earned prior to such date. For example, if AccessMedia does not achieve revenue of \$20 million as of June 30, 2006 but does achieve revenue of \$20 million prior to December 31, 2006 (six months following the first target date), the AccessMedia shareholders will be entitled to receive the Earnout Payment for the period ending December 31, 2006. If AccessMedia does not achieve revenue of \$20 million by December 31, 2006, but does achieve revenue of \$40 million as of September 30, 2007 (six months following the second target date), the AccessMedia shareholders will be entitled to receive the Earnout Payment for each of the first two target dates within 30 days of (i) September 30, 2007 or (ii) the Attainment Date if it precedes September 30, 2007.

Completion and Effectiveness of the Merger

We intend to complete the Merger no later than two (2) business days after all of the conditions to completion of the Merger contained in the Merger Agreement described in the section entitled “The Merger Agreement - Conditions to Completion of the Merger” beginning on page 51 of this document are satisfied or waived, including adoption of the merger agreement and approval of the Merger by the shareholders of IMSI. The Merger will become effective upon the filing of a certificate of merger with the Secretary of State of the State of California, or such later time as AccessMedia and IMSI agree and set forth in the certificate of merger.

We are working to complete the Merger as quickly as possible. We currently plan to complete the Merger during the second quarter of 2006. However, we cannot predict the exact timing because completion of the Merger is subject to governmental and regulatory approvals and other conditions.

Treatment of IMSI Capital Stock

In connection with the Merger, IMSI's capital stock will be affected as follows:

- IMSI will issue 29,000,000 shares of Common Stock of IMSI to AccessMedia shareholders, representing approximately 48.4% of the outstanding shares of IMSI; and
- Following the closing, IMSI may issue up to an additional 35,000,000 shares to AccessMedia shareholders if AccessMedia achieves certain revenue milestones prior to December 31, 2008 (subject to certain extensions as provided in the merger agreement), representing approximately 67.4% in the aggregate to be held by former AccessMedia shareholders.

The following chart reflects the impact of the Merger Consideration to Shares of IMSI Common Stock Currently Outstanding.

Merger Events	Potential Aggregate Merger		Outstanding Shares of IMSI Common Stock *
	Merger Consideration (in Shares of IMSI Common Stock)	Consideration (in Shares of IMSI Common Stock)

You are urged to carefully read Articles III and IV of the Merger Agreement entitled “Representations and Warranties of the Company” and “Representations and Warranties of Parent and Merger Sub.”

Indemnification and Escrow Fund

Except as set forth below, the representations and warranties of AccessMedia and IMSI contained in the Merger Agreement generally survive for a period of 18 months following the closing.

The representations and warranties of AccessMedia contained in the Merger Agreement in Sections 3.1 (Organization and Good Standing), 3.2 (Capitalization), 3.4 (Authority and Enforceability), and 3.29 (Brokers or Finders) shall survive indefinitely. The representations and warranties of AccessMedia contained in Sections 3.10 (Taxes) and 3.20 (Employee Benefits) shall survive the Closing until 60 days after the expiration of the applicable statute of limitations period (after giving effect to any waivers and extensions thereof). The representations and warranties of AccessMedia contained in Section 3.22 (Environmental) shall survive the Closing for a period of 3 years following the Closing.

The representations and warranties of IMSI contained in the Merger Agreement in Sections 4.1 (Organization and Good Standing), 4.2 (Capital Structure), 4.4 (Authority and Enforceability), and 4.12 (Brokers or Finders) shall survive indefinitely. The representations and warranties of IMSI contained in Sections 4.8 (Taxes) shall survive the Closing until 60 days after the expiration of the applicable statute of limitations period (after giving effect to any waivers and extensions thereof).

IMSI and AccessMedia have agreed to indemnify the other party for breaches of their respective representations, warranties and covenants; provided, however, that neither IMSI nor AccessMedia shall be liable for any losses of the other unless and until the aggregate amount of losses for such party exceeds \$50,000, in which event such party shall be entitled to all of its losses from the first dollar.

1,500,000 shares of IMSI common stock (before giving effect to the reverse one-for-two stock split) issuable to AccessMedia shareholders at the closing will be held in an escrow fund pursuant to an escrow agreement with an escrow agent and will be available to IMSI to satisfy any indemnification obligations of AccessMedia shareholders. One-third of the shares deposited into the escrow fund shall be released on each of the following dates: (i) six months after the closing date; (ii) 12 months after the closing date and (ii) 18 months after the closing date; provided, that in

the event IMSI has made a claim under the indemnification provisions describe above, any shares in the escrow fund subject to such claim shall not be subject to release, and the foregoing calculation shall be based upon one-third of the remaining shares in the escrow fund.

Obligation to Fund Working Capital Obligations of AccessMedia

Concurrently with the execution of the Merger Agreement, IMSI entered into a joint operating agreement, under which IMSI agreed to loan AccessMedia up to \$3,000,000 prior to the closing of the Merger pursuant to a joint operating plan and an operating budget to be delivered to a joint operating committee comprised of representatives of IMSI and AccessMedia. As of May 5, 2006, no amounts have been requested by AccessMedia nor advanced by IMSI under such joint operating agreement. At the effective time of the Merger, any promissory notes evidencing the loan and interest thereon will be surrendered to AccessMedia without payment and treated as a capital contribution to AccessMedia on its books and records. If the Merger Agreement is terminated, any promissory notes and interest thereon shall convert into the right to receive preferred stock of AccessMedia, the terms of which are set forth in the certificate of designation, the form of which is attached as an exhibit to the joint operating agreement, which is attached as Annex C hereto and is incorporated herein by reference.

After the Merger, IMSI agreed to provide up to \$7,000,000 of additional working capital to AccessMedia to fund its working capital needs pursuant to a monthly budget to be mutually agreed upon by IMSI and the representative of the shareholders of AccessMedia.

The foregoing description of the material terms of the voting agreements does not purport to be complete and is qualified in its entirety by reference to the complete text of the joint operating agreement. The complete form of the joint operating agreement is attached as Annex C to this document and is incorporated into this document by reference. All IMSI shareholders are urged to read the form of the joint operating agreement carefully and in its entirety.

Additions to the IMSI Board of Directors

IMSI has agreed to increase the number of directors authorizing two additional directors, one of which is to be designated by AccessMedia shareholders' representative and who shall be appointed to IMSI Board of Directors. AccessMedia intends to designate Kathryn Felice as its nominee on the IMSI Board of Directors. See "Management of AccessMedia Networks, Inc." beginning on page 23.

IMSI has agreed that, upon AccessMedia achieving revenue of \$20,000,000 until the earlier of December 31, 2008 or the date on which the former shareholders of AccessMedia beneficially own a majority of common stock of IMSI, IMSI will nominate for election to its Board of Directors individuals designated by the representative of the AccessMedia shareholders in such numbers as would represent a majority of the Board of Directors of IMSI.

Employee Benefits for AccessMedia Employees

Following the completion of the Merger, IMSI agreed to take all reasonable actions necessary to allow eligible employees of AccessMedia that will be employees of the surviving corporation to participate in benefit programs which are substantially comparable to those maintained for the benefit of, or offered to, similarly situated employees of IMSI to the extent permitted by the terms of IMSI's benefit plans; provided, however, that in the case of plans for which AccessMedia maintains a plan offering the same type of benefit, such participation need not be offered by IMSI until the corresponding plan of AccessMedia ceases to be available. IMSI will recognize employment services of each AccessMedia employee for purposes of eligibility and vesting (but not benefit accrual) under any IMSI benefit plan and each AccessMedia employee's years of service with AccessMedia and any of its subsidiaries shall be otherwise recognized for all general employment purposes, including seniority, vacation, personal time and similar general employment purposes; provided, that any vacation time offered by IMSI in the calendar year of the closing to any AccessMedia employee shall be offset by any vacation time used by or paid to such employee by AccessMedia or any of its subsidiaries in the calendar year of the closing. In addition, IMSI will (a) waive all limitations as to preexisting conditions, exclusions, waiting periods and service requirements with respect to participation and coverage requirements applicable to AccessMedia employees under any group health plan sponsored by IMSI, except to the

extent such preexisting conditions, exclusion, waiting period or service requirement had not been satisfied by any such AccessMedia employee as of the closing under a group health plan sponsored by AccessMedia or any of its subsidiaries; and (b) provide each AccessMedia employee with credit for any deductible, copayment and out-of-pocket limits applicable to such employees under any such group medical plan sponsored by AccessMedia or any of its subsidiaries and paid by the AccessMedia employee prior to the closing during the calendar year of the closing.

Conditions to Completion of the Merger

The respective obligations of AccessMedia and ACCM Acquisition Corp., on the one hand, and IMSI, on the other, to complete the Merger and the other transactions contemplated by the Merger Agreement are subject to the satisfaction or waiver of each of the following conditions:

- the Merger Agreement shall have been adopted by the holders of a majority of the outstanding shares of common stock of AccessMedia; and
- a governmental entity shall not have issued an order or taken any other action, in any case having the effect of permanently restraining, enjoining or otherwise prohibiting the merger, which order is final and not appealable.

IMSI's obligation to complete the merger is also subject to the satisfaction or waiver of each of the following conditions:

- the representations and warranties in the Merger Agreement made by AccessMedia shall be true and correct in all material respects at and as of the closing date of the Merger (except that any representations or warranties expressly made as of a specific date, would be measured as of such date);
- AccessMedia shall have complied with all of its covenants and obligations under the Merger Agreement in all material respects;
- There shall not have occurred any event, occurrence or change that has had, or could reasonably be expected to have, individually or in the aggregate, a material adverse effect on AccessMedia and its subsidiaries taken as a whole;
 - less than 2% of the shares of AccessMedia common stock shall have elected to exercise appraisal rights;
- Alchemy Communications, Inc. shall have entered into a five year agreement with AccessMedia in a form satisfactory to IMSI;
- the escrow agent and a representative of the AccessMedia shareholders shall have entered into an escrow agreement;
- the representative of the AccessMedia shareholders and the holders of not less than 95% of the shares of AccessMedia common stock shall have executed and delivered to IMSI a shareholders' representative agreement;
 - IMSI shall have received a written opinion from counsel to AccessMedia;
 - AccessMedia shall have delivered to IMSI a certification of non-foreign status;
 - AccessMedia shall have delivered to IMSI resignations of its officers and directors; and
- AccessMedia shall have delivered to IMSI a certificate of good standing from the Secretary of State of the State of Delaware and each of its subsidiaries' states of organization.

AccessMedia's obligation to complete the Merger is also subject to the satisfaction or waiver of each of the following conditions:

- the representations and warranties in the Merger Agreement made by IMSI shall be true and correct in all material respects at and as of the closing date of the Merger (except that any representations or warranties expressly made as of a specific date, would be measured as of such date);
- IMSI shall have complied with all of its covenants and obligations under the Merger Agreement in all material respects;
- the escrow agent and a representative of the AccessMedia shareholders shall have entered into an escrow agreement;
 - AccessMedia shall have received a written opinion from counsel to IMSI;
 - Martin Wade shall have executed and delivered an employment agreement with IMSI; and
- IMSI shall have amended its Bylaws to increase the number of directors and shall have appointed the director nominated to the IMSI Board of Directors by AccessMedia shareholders' representative.

Agreement with Alchemy Communications, Inc.

The Merger Agreement provides that, as a condition to IMSI's obligation to close, AccessMedia shall have entered into a five year services and support agreement with Alchemy Communications in a form satisfactory to IMSI. Alchemy is an affiliate of AccessMedia. It is intended that pursuant to the agreement, Alchemy will provide office and operating space, staffing technical services and consulting, bandwidth and hosting, network infrastructure and other related services. Given the scope of the proposed agreement, it would constitute AccessMedia's most significant vendor relationship in the foreseeable future. Alchemy's service level agreements and pricing will be equal to the best rates provided to Alchemy's other customers (other than not-for-profit corporations, charities, and similar entities who receive underwritten services from Alchemy) or, in the absence of this benchmark for a particular item, will be within the customary range of terms and rates as compared to the Los Angeles market.

Termination of the Merger Agreement

The Merger Agreement may be terminated and the Merger may be abandoned prior to completion of the Merger, whether before or after the adoption of the Merger Agreement by IMSI shareholders:

· by mutual written consent of AccessMedia and IMSI;

· by AccessMedia or IMSI if:

- o the Merger is not completed by May 30, 2006, except that this right to terminate the Merger Agreement is not available to any party whose action or failure to fulfill any of its obligations under the Merger Agreement has been the cause of or resulted in the failure of the Merger to occur on or before May 30, 2006; or
- o a governmental entity shall have issued an order or taken any other action, in any case having the effect of permanently restraining, enjoining or otherwise prohibiting the Merger, which order is final and not appealable.
- by IMSI upon a breach of any representation, warranty, covenant or agreement in the Merger Agreement on the part of AccessMedia or if any representation or warranty of AccessMedia has become untrue so that the condition to the completion of the merger regarding IMSI's representations and warranties or covenants would not be met. However, if the breach or inaccuracy is curable by AccessMedia, then IMSI may not terminate the merger agreement for 30

days after its delivery of written notice to AccessMedia of the breach. If the breach is cured during those 30 days, IMSI may not exercise this termination right;

· by AccessMedia upon a breach of any representation, warranty, covenant or agreement in the merger agreement on the part of IMSI or if any representation or warranty of IMSI has become untrue so that the condition to the completion of the merger regarding IMSI's representations and warranties or covenants would not be met. However, if the breach or inaccuracy is curable by IMSI, then AccessMedia may not terminate the merger agreement for 30 days after its delivery of written notice to IMSI of the breach. If the breach is cured during those 30 days, AccessMedia may not exercise this termination right.

Termination Fee; Expenses

Under the terms of the Merger Agreement, except as set forth below, all fees, costs and expenses incurred in connection with the Merger, the Merger Agreement and the consummation of the transactions contemplated by the Merger Agreement, but not including the termination fee described below, shall be paid by the party incurring the fees, costs and expenses.

In addition, IMSI has agreed to pay to AccessMedia a cash termination fee of \$300,000 if the Merger Agreement is terminated by IMSI after notification to AccessMedia that IMSI will not fulfill its obligations under the Merger Agreement.

In addition, any party terminating the Merger Agreement shall have the right to recover damages sustained by such party as a result of any breach by the other party of any representation, warranty, covenant or agreement contained in the merger agreement or fraud or willful misrepresentation; provided, however, that the party seeking relief is not in breach of any representation, warranty, covenant or agreement contained in the Merger Agreement under circumstances which would have permitted the other party to terminate the Merger Agreement.

Amendment and Waiver

AccessMedia and IMSI may amend the Merger Agreement before completion of the Merger by mutual written consent, except that after IMSI's shareholders adopt the Merger Agreement, no further amendment may be made without IMSI shareholder approval if such approval would be required by applicable law.

THE VOTING AGREEMENTS

IMSI Voting Agreements

Effective on December 16, 2005, Martin Wade, III, Chief Executive Officer of IMSI, Digital Creative Development Corp. and Baytree, holding an aggregate of less than 25% of the outstanding shares of IMSI common stock on such date, entered into voting agreements with AccessMedia.

Holders of a majority of the outstanding shares of IMSI common stock must vote in favor of the Merger Agreement in order for it to be adopted and in order for the Merger to be approved.

The following is a description of the material terms of the IMSI voting agreements. The complete form of the IMSI voting agreements is attached as Annex B to this document and is incorporated into this document by reference. All IMSI shareholders are urged to read the form of the IMSI voting agreements carefully and in its entirety.

Under the IMSI voting agreements, Mr. Wade and Baytree, in their capacity as IMSI shareholders, agreed to vote, or cause the record holders of their IMSI securities to vote, the common stock of IMSI beneficially owned by them as of December 16, 2005, and any other securities of IMSI that become beneficially owned by them after December 16, 2005, in the following manner:

in favor of the Merger, adoption and approval of the Merger Agreement and the transactions contemplated by the Merger Agreement;

· against approval of any action or agreement that would result in a breach of any representation, warranty, covenant or obligation of IMSI in the Merger Agreement;

53

- in favor of electing Martin Wade, III and each individual nominated by the representative of the AccessMedia shareholders to become a member of the Board of Directors of IMSI following the Merger; and
- in favor of electing a sufficient number of individuals to the IMSI Board of Directors nominated by the representative of the AccessMedia shareholders such that such individuals would represent a majority of the Board of Directors of IMSI after the date upon which AccessMedia achieves revenue of \$20,000,000.

Under the IMSI voting agreements, each IMSI shareholder who is a party to an IMSI voting agreement delivered an irrevocable proxy to AccessMedia to vote the securities of IMSI owned by such shareholder in accordance with the terms of the IMSI voting agreement.

The obligations under the IMSI voting agreements will terminate on the earlier to occur of December 31, 2010 or on the date on which the former shareholders of AccessMedia beneficially own a majority of the outstanding Common Stock of IMSI.

AccessMedia Voting Agreements

On December 16, 2005, AccessMedia stockholders who were the beneficial owners of shares of AccessMedia capital stock representing 100% of the outstanding voting power of the AccessMedia common stock, entered into voting agreements with IMSI.

The following is a description of the material terms of the AccessMedia voting agreements.

Under the AccessMedia voting agreements, Michael Gardner, Software People, LLC, Trans Global Media, LLC, Broadcaster, LLC and AccessMedia Technologies, LLC in their capacity as AccessMedia stockholders, agreed to vote, or cause the record holders of their AccessMedia securities to vote, the common stock of AccessMedia beneficially owned by them as of December 16, 2005 and any other securities of AccessMedia that become beneficially owned by them after December 16, 2005, and any shares of IMSI common stock beneficially owned at the time of each election of IMSI directors, in the following manner:

- against approval of any action or agreement that would result in a breach of any representation, warranty, covenant or obligation of AccessMedia in the Merger Agreement;
- against the following actions (other than the Merger and the transactions contemplated by the Merger Agreement): (A) any extraordinary corporate transaction, such as a merger, consolidation or other business combination involving AccessMedia or any subsidiary of AccessMedia; (B) any sale, lease, sublease, exclusive license, sublicense or transfer of a material portion of the rights or other assets of AccessMedia or any subsidiary of AccessMedia; (C) any reorganization, recapitalization, dissolution or liquidation of AccessMedia or any subsidiary of AccessMedia; (D) any amendment to AccessMedia's articles of incorporation or bylaws; and (E) any other action which is intended, or could reasonably be expected, to impede, interfere with, delay, postpone, discourage or adversely affect the Merger or any of the other transactions contemplated by the Merger Agreement or the AccessMedia voting agreements; and
- in favor of electing Martin Wade, III and each other individual nominated by IMSI as a member of the Board of Directors of IMSI following the Merger (subject to such stockholder's right to have certain individuals designated by the representative of the AccessMedia stockholders).

The obligations under the AccessMedia voting agreements will terminate on the earlier to occur of December 31, 2010 or on the date on which the former stockholders of AccessMedia beneficially own a majority of the outstanding common stock of IMSI.

In addition, these AccessMedia stockholders agree not to transfer, sell, exchange, pledge or otherwise dispose of or encumber any shares of AccessMedia capital stock, or to make any offer or agreement relating thereto, at any time prior to the earlier of the Effective Time and the termination of the Merger Agreement.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE MERGER AND ADOPTION OF THE MERGER AGREEMENT.

PROPOSAL THREE: CHANGE OF COMPANY NAME TO BROADCASTER, INC.

IMSI's Articles of Incorporation currently specifies the name of the company as "International Microcomputer Software, Inc." The IMSI Board of Directors is proposing an amendment to IMSI's Articles of Incorporation to change the Company's name to "Broadcaster, Inc." If IMSI's shareholders approve this proposal, IMSI's Articles of Incorporation will be amended to read in its entirety as follows:

"FIRST: The name of the corporation is Broadcaster, Inc."

The Board of Directors recommends a vote "FOR" changing the company name to "Broadcaster, Inc."

While IMSI began as a software company, it has now begun to transform into an Internet media company. Therefore, the Board of Directors believes that "International Microcomputer Software, Inc." is no longer reflective of IMSI's business as it exists today. Changing IMSI's name to "Broadcaster, Inc." represents IMSI's evolution from strictly a software company to an Internet media company.

Approval of the amendment to the Articles of Incorporation that is required to effect the change of the company name to "Broadcaster, Inc." requires the affirmative vote of a majority of the shares of IMSI common stock issued and outstanding as of the record date.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE CHANGE OF THE COMPANY NAME TO BROADCASTER, INC.

PROPOSAL FOUR: AMENDMENT OF THE 2004 INCENTIVE STOCK OPTION PLAN

The shareholders are being asked to approve an amendment of the 2004 Incentive Stock Option Plan (the “Option Plan”) that will (i) increase the share reserve under the Option Plan from 4,000,000 shares of common stock to 10,500,000 shares of common stock and (ii) establish a limit on the number of shares of common stock for which options and direct stock issuances may be granted to any one participant in the Option Plan. The share increase and the per person limit will be adjusted to reflect the reverse one-for-two stock split that is subject to approval under Proposal Five. This Proposal Four is conditioned on approval of the merger with AccessMedia under Proposal Two. In the event that Proposal Two is not approved by the shareholders, the Option Plan will not be amended as described in this Proposal Four.

The Board adopted the amendment on October 20, 2005, subject to shareholder approval at the Annual Meeting. The Board believes that the proposed amendment to increase the share reserve will ensure that the Company continues to have a sufficient number of shares of common stock available for grant under the Option Plan. The Company’s ability to attract, retain and motivate officers and employees is material to the Company’s success and would be enhanced by the Company’s continued ability to grant equity compensation. The establishment of the limit on the number of shares of common stock for which any one person may be granted options and direct stock issuances will ensure that any deductions to which the Company would otherwise be entitled upon exercise of options granted under the Option Plan with an exercise price per share equal to the fair market value per share of common stock on the granted date or upon the subsequent sale of shares purchased under those options will not be subject to the \$1 million limitation on the income deductibility of compensation paid to covered executive officers under Internal Revenue Code Section 162(m).

The Option Plan was initially adopted on December 15, 2003, as the successor to the 1993 Incentive Option Plan (the “1993 Plan”). No options have been granted under the 1993 Plan since its termination on June 30, 2003; however, 1,312,032 shares of common stock are subject to outstanding options granted under the 1993 Plan prior to such termination. In addition to equity awards under the Option Plan and the 1993 Plan, warrants have been granted from time to time in conjunction with Board of Directors and employee compensation and consulting arrangements. The issuance of warrants is intended to help the Company attract and retain outstanding individuals and to assist the Company in retaining qualified service providers in certain specialized areas in order to promote the Company’s success. These warrants generally vest, and are exercisable, over periods ranging from one to four years from the date of grant. The exercise price of the warrants granted generally is equal to the closing price of our common stock on the grant date. As of December 31, 2005, 6,324,494 shares of common stock were subject to outstanding warrants with an average exercise price of \$1.42 per share.

The following is a summary of the principal features of the Option Plan, as amended which is filed with the SEC as Annex G to this proxy statement. The following summary does not purport to be a complete description of all provisions of the amended Option Plan and is qualified in its entirety by reference to the complete text of the Option Plan attached hereto.

Equity Incentive Programs

The amended Option Plan consists of two equity incentive programs: (i) the Option Grant Program, and (ii) the Stock Issuance Program. The principal features of each program are described below.

The Compensation Committee of the Board administers the Plan. The Compensation Committee will be referred to in this summary as the “Plan Administrator.”

Share Reserve

A total of 10,500,000 shares of common stock have been reserved for issuance over the term of the Option Plan (including the 6,500,000-share increase subject to approval under this proposal). The share reserve will be adjusted to reflect the reverse one-for-two stock split that is subject to approval under Proposal Five.

In no event may any one participant in the Option Plan be granted options and direct stock issuances for more than five million shares per calendar year beginning with the 2006 calendar year. The per person limit will be adjusted to reflect the reverse one-for-two stock split that is the subject of Proposal Five.

As of December 31, 2005, 3,194,536 shares of common stock were subject to outstanding options under the Option Plan, 708,390 shares of common stock had been issued under the Option Plan, and 97,074 shares of common stock remained available for future issuance.

The shares of common stock issuable under the Option Plan may be drawn from shares of our authorized but unissued shares or from shares reacquired by us, including shares repurchased on the open market.

Shares subject to any outstanding options under the Option Plan that expire or otherwise terminate before those shares are issued will be available for subsequent awards. Unvested shares issued under the Option Plan and subsequently repurchased by us at the option exercise pursuant to our repurchase rights under the Option Plan, will be added back to the number of shares reserved for issuance under the Option Plan and will accordingly be available for subsequent issuance.

Eligibility

Officers, employees, non-employee members of the Board and independent consultants in the service of IMSI or its parent or subsidiaries, whether now existing or subsequently established, are eligible to participate in the Option Plan.

As of December 31, 2005, three executive officers, five non-employee members of the Board and sixty-four employees, consultants and others were eligible to participate in the Option Plan.

Valuation

The fair market value per share of our common stock on any relevant date under the Option Plan will be deemed to be equal to the closing selling price per share of our common stock on that date. On December 31, 2005 the fair market value determined on such basis was \$1.14 per share.

Option Grant Program

The Plan Administrator has complete discretion under the Option Grant Program to determine which eligible individuals are to receive options under that program, the time or times when those options are to be granted, the number of shares subject to each such option, the time or times when each option is to vest and become exercisable, the maximum term for which the option is to remain outstanding and the status of any granted option as either an incentive stock option or a non-statutory option under the federal tax laws.

Each granted option will have an exercise price per share determined by the Plan Administrator, but in no event will such exercise price be less than eighty-five percent (85%) of the fair market value of the option shares on the grant date. No granted option will have a term in excess of ten years, and the option will generally become exercisable in one or more installments over a specified period of service measured from the grant date. However, options may be structured so that they will be immediately exercisable for any or all of the option shares. Any unvested shares acquired under those immediately exercisable options will be subject to repurchase, at the exercise price paid per share, if the optionee ceases service with IMSI prior to vesting in those shares.

Should the optionee cease service with IMSI, then he or she will have a limited period of time within which to exercise his or her outstanding options for any shares for which those options are vested and exercisable at the time of such cessation of service. The Plan Administrator will have complete discretion to extend the period following the optionee's cessation of service during which his or her outstanding options may be exercised and/or to accelerate the exercisability or vesting of such options in whole or in part. Such discretion may be exercised at any time while the options remain outstanding, whether before or after the optionee's actual cessation of service.

Repricing. The Plan Administrator has the authority to effect the cancellation of any or all outstanding options under the Option Grant Program and to grant in exchange new options covering the same or a different number of shares of common stock but with an exercise or base price per share not less than the fair market value per share of the common stock on the new grant date.

Stock Issuance Program

Shares of common stock may be issued under the Stock Issuance Program for such consideration as the Plan Administrator deems appropriate, including cash, part services or a promissory note. The shares may also be issued as a bonus for past services without any cash outlay required of the recipient. In addition, restricted shares of common stock may be issued that vest in one or more installments over the recipient's period of service or upon attainment of specified performance objectives.

The Plan Administrator will have complete discretion under the Stock Issuance Program to determine which eligible individuals are to receive stock issuances under such program, the time or times when those issuances are to be made, the number of shares subject to each such issuance, the vesting schedule to be in effect for the issuance and the cash consideration (if any) payable per share.

The Plan Administrator will have the discretionary authority at any time to accelerate the vesting of any and all shares of restricted stock under the Stock Issuance Program.

Option Grants Since July 1, 2004

New Plan Benefits

No option grants or stock issuances have been made on the basis of the proposed share increase.

General Provisions

Acceleration. In the event of an acquisition (whether through merger or a sale of assets), each outstanding option under the Option Plan will automatically accelerate in full, unless (i) that option is assumed by the successor corporation or (ii) the option is replaced with a cash incentive program that preserves the spread existing on the unvested shares subject to that option (the excess of the fair market value of those shares over the exercise in effect for the shares) and provides for subsequent payout of that spread in accordance with the same vesting schedule in effect for those shares. In addition, all unvested shares outstanding under the Option Grant and Stock Issuance Programs will immediately vest upon the acquisition, except to the extent our repurchase rights with respect to those shares are to be assigned to the successor corporation.

The Plan Administrator will have the discretion to structure one or more awards under the Option Plan so that those awards will vest in full either immediately upon an acquisition or in the event the individual's service with us or the successor entity is terminated (actually or constructively) within a designated period following the acquisition.

The acceleration of vesting in the event of a change in the ownership or control of IMSI may be seen as an anti-takeover provision and may have the effect of discouraging a merger proposal, a takeover attempt or other efforts to gain control of IMSI.

Shareholder Rights and Option Transferability. The holder of an option will have no shareholder rights with respect to the shares subject to that option unless and until such person shall have exercised the option and become a holder of record of shares of common stock distributed upon exercise of such award. Options are not assignable or transferable other than by will or the laws of inheritance following the optionee's death, and during the optionee's lifetime, may only be exercised by the optionee.

A participant will have certain shareholder rights with respect to the shares of common stock issued to him or her under the Stock Issuance Program, whether or not his or her interest in those shares is vested. Accordingly, the participant will have the right to vote such shares and to receive any regular cash dividends paid on such shares, but

will not have the right to transfer such shares prior to vesting.

59

Changes in Capitalization. In the event any change is made to the outstanding shares of Class A common stock by reason of any recapitalization, stock dividend, stock split, combination of shares, exchange of shares or other change in corporate structure effected without IMSI's receipt of consideration, appropriate adjustments will be made to (i) the maximum number and/or class of securities issuable under the Option Plan, (ii) the maximum number of securities for which awards may be made to any one person in a calendar year and (iii) the number and/or class of securities and the exercise price per share in effect under each outstanding option. All such adjustments will be designed to preclude any dilution or enlargement of benefits under the Option Plan and the outstanding awards thereunder.

Amendment and Termination. The Board may amend or modify the Option Plan at any time, subject to any required shareholder approval. Unless sooner terminated by the Board, the amended and restated Option Plan will terminate on the earliest of (i) December 14, 2013, (ii) the date on which all shares available for issuance under the Option Plan have been issued as fully-vested shares or (iii) the termination of all outstanding options in connection with certain changes in control or ownership. Should the Option Plan terminate on December 14, 2013, all options and awards outstanding at that time shall continue to have force and effect in accordance with the provisions of the documents evidencing those awards.

Federal Income Tax Consequences

The following discussion summarizes income tax consequences of the Option Plan under current federal income tax law and is intended for general information only. In addition, the tax consequences described below are subject to the limitations of Section 162(m), as discussed in further detail below. Other federal taxes and foreign, state and local income taxes are not discussed, and may vary depending upon individual circumstances and from locality to locality.

Option Grants. Options granted under the Option Plan may be either incentive stock options, which satisfy the requirements of Section 422 of the Internal Revenue Code, or non-statutory stock options, which are not intended to meet such requirements. The federal income tax treatment for the two types of options differs as follows:

Incentive Stock Options. No taxable income is recognized by the optionee at the time of the option grant, and, if there is no disqualifying disposition at the time of exercise, no taxable income is recognized for regular tax purposes at the time the option is exercised, although taxable income may arise at that time for alternative minimum tax purposes equal to the excess of the fair market value of the purchased shares at such time over the exercise price paid for those shares.

The optionee will recognize taxable income in the year in which the purchased shares are sold or otherwise made the subject of certain dispositions. For federal tax purposes, dispositions are divided into two categories: (i) qualifying and (ii) disqualifying. A qualifying disposition occurs if the sale or other disposition is made more than two years after the date the option for the shares involved in such sale or disposition was granted and more than one year after the date the option was exercised for those shares. If either of these two requirements is not satisfied, a disqualifying disposition will result.

Upon a qualifying disposition, the optionee will recognize long-term capital gain in an amount equal to the excess of (i) the amount realized upon the sale or other disposition of the purchased shares over (ii) the exercise price paid for the shares. If there is a disqualifying disposition of the shares, then the excess of (i) the fair market value of those shares on the exercise date over (ii) the exercise price paid for the shares will be taxable as ordinary income to the optionee. Any additional gain or any loss recognized upon the disposition will be taxable as a capital gain or capital loss.

If the optionee makes a disqualifying disposition of the purchased shares, IMSI will be entitled to an income tax deduction, for our taxable year in which such disposition occurs, equal to the excess of (i) the fair market value of such shares on the option exercise date over (ii) the exercise price paid for the shares. If the optionee makes a qualifying disposition, we will not be entitled to any income tax deduction.

Non-Statutory Stock Options. No taxable income is recognized by an optionee upon the grant of a non-statutory option. The optionee will, in general, recognize ordinary income, in the year in which the option is exercised, equal to the excess of the fair market value of the purchased shares on the exercise date over the exercise price paid for the shares, and IMSI will be required to collect certain withholding taxes applicable to such income from the optionee.

60

IMSI will be entitled to an income tax deduction equal to the amount of any ordinary income recognized by the optionee with respect to an exercised non-statutory option. The deduction will in general be allowed for our taxable year in which such ordinary income is recognized by the optionee.

If the shares acquired upon exercise of the non-statutory option are unvested and subject to repurchase in the event of the optionee's cessation of service prior to vesting in those shares, then the optionee will not recognize any taxable income at the time of exercise but will have to report as ordinary income, as and when IMSI's repurchase right lapses, an amount equal to the excess of (i) the fair market value of the shares on the date the repurchase right lapses over (ii) the exercise price paid for the shares. The optionee may elect under Section 83(b) of the Internal Revenue Code to include as ordinary income in the year of exercise of the option an amount equal to the excess of (i) the fair market value of the purchased shares on the exercise date over (ii) the exercise price paid for such shares. If the Section 83(b) election is made, the optionee will not recognize any additional income as and when the repurchase right lapses.

Direct Stock Issuances. The holder will recognize ordinary income in the year in which shares vest. The amount of that income will be equal to the fair market value of the shares on the date of vesting, and IMSI will be required to collect certain withholding taxes applicable to such income from the holder.

IMSI will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the holder at the time the shares are issued. The deduction will in general be allowed for our taxable year in which such ordinary income is recognized by the holder.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code generally limits the corporate deduction for annual compensation deemed paid to covered executive officers to \$1 million per individual, unless that compensation qualifies as performance based under Section 162(m). Following approval of this Proposal Four, option grants under the Option Plan with a per share exercise price equal to at least the fair market value of the common stock on the grant date will qualify as performance based. Accordingly, we anticipate that any compensation deemed paid by us in connection with disqualifying dispositions of incentive stock option shares or the exercise of non-statutory options granted after approval of this Proposal Four with exercise prices equal to or greater than the fair market value of the underlying shares on the grant date will not have to be taken into account for purposes of the \$1 million limitation under Code Section 162(m). However, any compensation deemed paid by the Company in connection with shares issued under the Stock Issuance Program will be subject to the \$1 million limitation on deductibility per covered individual.

Accounting Treatment

Under the accounting principles currently in effect for the Company, option grants made to employees and non-employee Board members under the Option Plan with exercise prices equal to or greater than the fair market value of the underlying shares on the grant date will not result in any direct charge to our reported earnings. However, the fair value of those options is required to be disclosed in the notes to our consolidated financial statements, and we must also disclose, in the notes to our consolidated financial statements, the pro forma impact those options would have upon our reported earnings were the fair value of those options at the time of grant treated as a compensation expense. In addition, the number of outstanding options may be a factor in determining our earnings per share on a fully-diluted basis.

Option grants made under the Option Plan with exercise prices less than the fair market value of the underlying shares on the grant date will result in a direct compensation expense in an amount equal to the excess of such fair market value over the exercise price. The expense must be amortized against our earnings over the period that the option shares are to vest.

Option grants made to non-employee consultants will result in a direct charge to our reported earnings based on the fair value of the option measured on the vesting date of each installment of the underlying option shares. Such charge will include the appreciation in the fair value of option over the period between the grant date and the vesting date of each installment of that option.

Direct stock issuances under the Option Plan will result in a direct charge to our reported earnings equal to the excess of the fair market value of the shares on the issuance date over the cash consideration (if any) paid for such shares. If the shares are unvested at the time of issuance, then any charge to our reported earnings will be amortized over the vesting period.

Effective with our fiscal year commencing July 1, 2007, we will be subject to Statement of Financial Accounting Standards No.123R. Accordingly, the foregoing summary of the applicable accounting treatment for stock options will change, effective with our July 1, 2006 fiscal year, and the stock options which we grant to our employees and non-employee board members will have to be valued as of the grant date under an appropriate valuation formula, and that value will then have to be charged as a direct compensation expense against our reported earnings over the designated vesting period of the award. Similar option expensing will be required for any unvested options on the July 1, 2006 effective date, with the grant date fair value of those unvested options to be expensed against our earnings over the remaining vesting period. For direct stock issuances made under the Option Plan, we would continue to accrue a compensation cost equal to the excess of the fair market value of the shares on the issuance date over the cash consideration (if any) paid for such shares. If the shares are unvested at the time of issuance, then any charge to our reported earnings will be amortized over the vesting period.

Required Vote

The affirmative vote of the holders of common stock representing a majority of the voting power of the outstanding common stock, present or represented by proxy and voting at the Annual Meeting, which shares voting affirmatively must also constitute at least a majority of the voting power required to constitute the Quorum, is required for approval of the amendment of the Option Plan.

Should such shareholder approval not be obtained or should Proposal Two not be approved, then the proposed share increase and the limitation on the number of shares for which awards may be made to any one person will not be implemented. The Option Plan will, however, continue in effect, and equity awards will continue to be made under the Option Plan until all the shares available for issuance under the Option Plan have been issued.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE AMENDMENT OF THE 2004 INCENTIVE STOCK OPTION PLAN.

PROPOSAL FIVE: REVERSE ONE-FOR-TWO STOCK SPLIT

Reverse Stock Split

Shareholders will be asked to authorize the Board of Directors in its discretion to effectuate a reverse one for two stock split of IMSI's common stock whereby each outstanding two (2) shares of common stock would be combined into and become one (1) share of common stock. The Board of Directors believes that it may be in the best interests of IMSI and its shareholders to effectuate the reverse stock split.

General. The Board of Directors seeks authorization to effect a reverse stock split of IMSI's common stock if it deems it to be in the best interests of IMSI and its shareholders. Pursuant to a reverse stock split, each outstanding two (2) shares of common stock of IMSI would be combined into and become one (1) share of common stock of IMSI. Approval of this proposal will authorize the Board of Directors to implement a reverse stock split when and if it determines it is in the best interests of IMSI and its shareholders. The actual timing for implementation, if any, of the reverse stock split will be determined by the Board.

Purpose of the Reverse Stock Split. The principal reason for a reverse stock split would be to increase the per share trading price of our common stock, although there can be no assurance that the trading price of our common stock would be maintained at such level.

In evaluating whether or not to authorize the reverse stock split, in addition to the considerations described above, the Board of Directors will take into account various negative factors associated with a reverse stock split. These factors include: the negative perception of reverse stock splits held by some investors, analysts and other stock market participants; the fact that the stock price of some companies that have effected reverse stock splits has subsequently declined back to pre-reverse stock split levels; the adverse effect on liquidity that might be caused by a reduced number of shares outstanding; and the costs associated with implementing a reverse stock split.

In determining the reverse split ratio, the board will consider numerous factors, including the historical and projected performance of our common stock, prevailing market and industry conditions and general economic trends, and will place emphasis on the expected closing price of our common stock over the short and longer period following the effectiveness of the reverse stock split.

In addition, in determining to authorize the reverse split, the Board will consider that a sustained higher per share price of IMSI's common stock, which may result from the reverse stock split, might heighten the interest of the financial community in IMSI and potentially broaden the pool of investors that may consider investing in IMSI, possibly increasing the trading volume and liquidity of our common stock or helping to mitigate any decrease in such trading volume and liquidity which might result from the reverse stock split.

The Board of Directors also believes that a higher per share market price for our common stock may help us attract and retain employees. The Board of Directors believes that some potential employees are less likely to work for a company with a low stock price regardless of the company's market capitalization. However, again, there can be no assurance as to the market prices for our common stock after the reverse stock split or that increased market prices for our common stock will in fact enhance our ability to attract and retain employees.

Shareholders should recognize that if a reverse split is effected, they will own a number of shares equal to the number of shares owned immediately prior to the reverse stock split divided by two (2). While IMSI expects that the reverse split will result in an increase in the market price of its common stock, the reverse split may not increase the market price of IMSI's common stock in proportion to the reduction in the number of shares of its common stock outstanding or result in a permanent increase in the market price (which depends on many factors, including IMSI's performance, prospects and other factors that may be unrelated to the number of shares outstanding).

If a reverse stock split is effectuated and the market price of IMSI's common stock declines, the percentage decline as an absolute number and as a percentage of IMSI's overall market capitalization may be greater than would occur in the absence of a reverse stock split. Furthermore, the liquidity of IMSI's common stock could be adversely affected by the reduced number of shares that would be outstanding after the reverse stock split. In addition, the reverse split will likely increase the number of shareholders of IMSI who own odd lots (less than 100 shares). Shareholders who hold odd lots typically will experience an increase in the cost of selling their shares, as well as possible greater difficulty in effecting such sales. Accordingly, a reverse stock split may not achieve the desired results that have been outlined above.

Number of Shares of Common Stock and Corporate Matters. The reverse stock split would have the following effects on the number of shares of common stock outstanding:

- each two (2) shares owned by a shareholder immediately prior to the reverse split would become one (1) share of common stock after the reverse split;
- the number of shares of our common stock issued and outstanding would be reduced from approximately 30,930,382 shares to approximately 15,465,191 shares;
- all outstanding but unexercised options entitling the holders thereof to purchase shares of our common stock will enable such holders to purchase, upon exercise of their options, one-half (1/2) of the number of shares of our common stock that such holders would have been able to purchase upon exercise of their options immediately preceding the reverse stock split, at an exercise price equal to two (2) times the exercise price specified before the reverse stock split, resulting in approximately the same aggregate exercise price being required to be paid upon exercise thereof immediately preceding the reverse stock split; and
- the number of shares of our common stock reserved for issuance (including the maximum number of shares that may be subject to options) under our stock option plans will be reduced to one-half (1/2) of the number of shares currently included in such plans.

As a summary and for illustrative purposes only, the following table shows approximately the effect on our common stock of the reverse stock split, based on 15,465,191 shares of common stock issued and outstanding as of the close of business on the Record Date and assuming the reverse stock split became effective at the close of business on the Record Date:

	Prior to Reverse Stock Split	After Reverse Stock Split
Authorized	300,000,000	300,000,000
Issued and outstanding common stock	30,930,382	15,465,191
Available for future issuance	269,069,618	284,534,809

The authorized and unissued and unreserved shares would be available from time to time for corporate purposes including raising additional capital, acquisitions of companies or assets, for strategic transactions, including a sale of all or a portion of IMSI, and sales of stock or securities convertible into common stock. We currently have no plan, arrangement or agreement to issue shares of our common stock for any purpose, except for the issuance of shares of common stock pursuant to the Merger and pursuant to our stock option plans. If we issue additional shares, the ownership interests of holders of our common stock may be diluted.

The reverse stock split will affect all our shareholders uniformly and will not change the proportionate equity interests of our shareholders, nor will the respective voting rights and other rights of shareholders be altered, except for possible changes due to the treatment of fractional shares resulting from the reverse split. As described below, shareholders holding fractional shares will be entitled to cash payments in lieu of such fractional shares. Common stock issued and outstanding pursuant to the reverse stock split will remain fully paid and non-assessable.

Cash Payment in Lieu of Fractional Shares. If the stock split is implemented by the Board, IMSI will not issue fractional certificates for post-reverse stock split shares in connection with the reverse stock split. Shareholders who otherwise would be entitled to receive fractional shares because they hold of record immediately prior to the effective time of the reverse stock split a number of shares not evenly divisible by two (2) will be entitled, upon surrender to the exchange agent of certificate(s) representing such shares, to a cash payment in lieu thereof. The cash payment will equal the fraction to which the stockholder would otherwise be entitled multiplied by the average of the closing prices (as adjusted to reflect the reverse stock split) of our common stock, as reported in NASDAQ Bulletin Board, during the twenty (20) consecutive trading days ending on the trading day immediately prior to the date on which the reverse stock split becomes effective. If such price is not available, the fractional share payment will be based on the average of the last bid and ask prices of our common stock on such days (as adjusted to reflect the reverse stock split) or other price determined by the Board of Directors. The ownership of a fractional interest will not give the holder thereof any voting, dividend or other rights except to receive payment therefore as described herein.

Shareholders should be aware that, under the escheat laws of the various jurisdictions where shareholders reside, sums due for fractional interests that are not timely claimed after the effective time may be required to be paid to the designated agent for each such jurisdiction. Thereafter, shareholders otherwise entitled to receive such funds may have to seek to obtain them directly from the state to which they were paid.

Procedure for Effecting Reverse Stock Split and Exchange of Stock Certificates. If the shareholders authorize the Board to effect the stock split and the Board determines that it is in the best interests of IMSI and the shareholders, the Board plans to effect the reverse stock split. At such “effective time,” each two (2) shares of common stock issued and outstanding immediately prior to the effective time will, automatically and without any further action on the part of our stockholders, be combined into and become one (1) share of common stock, and each certificate which, immediately prior to the effective time represented pre-reverse stock split shares, will be deemed for all corporate purposes to evidence ownership of post-reverse stock split shares.

IMSI’s transfer agent, American Stock Transfer & Trust Co., will act as exchange agent for purposes of implementing the exchange of stock certificates, and is referred to as the “exchange agent.” As soon as practicable after the effective time, a letter of transmittal will be sent to shareholders of record as of the effective time for purposes of surrendering to the exchange agent certificates representing pre-reverse stock split shares in exchange for certificates representing post-reverse stock split shares in accordance with the procedures set forth in the letter of transmittal. No new certificates will be issued to a shareholder until such shareholder has surrendered such shareholder’s outstanding certificate(s), together with the properly completed and executed letter of transmittal, to the exchange agent. From and after the effective time, any certificates formerly representing pre-reverse stock split shares which are submitted for transfer, whether pursuant to a sale, other disposition or otherwise, will be exchanged for certificates representing post-reverse stock split shares. Shareholders who do not have stock certificates for surrender and exchange will have their accounts automatically adjusted in order to reflect the number of shares of common stock they hold as a consequence of the reverse stock split. **SHAREHOLDERS SHOULD NOT DESTROY ANY STOCK CERTIFICATE(S) AND SHOULD NOT SUBMIT ANY CERTIFICATE(S) UNTIL REQUESTED TO DO SO.**

No Appraisal Rights. Under the California General Corporation Law, shareholders will not be entitled to exercise appraisal rights in connection with the reverse stock split.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE REVERSE TWO FOR ONE STOCK SPLIT.

**PROPOSAL SIX: RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

On the recommendation of the Audit Committee, the Board of Directors has appointed Burr, Pilger & Mayer LLP, independent registered public accounting firm, to audit the consolidated financial statements of IMSI for the fiscal year ending June 30, 2006, and recommends that shareholders vote for ratification of such appointment. In the event of a negative vote on such ratification, the Board of Directors will reconsider its selection.

Burr, Pilger & Mayer LLP, independent registered public accounting firm, were retained pursuant to their engagement letter dated January 10, 2005. During IMSI's most recent fiscal year ended June 30, 2005, there were no disagreements with Burr, Pilger & Mayer LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of Burr, Pilger & Mayer LLP, would have caused Burr, Pilger & Mayer LLP to make reference to the subject matter of the disagreement in connection with its reports.

We expect representatives of Burr, Pilger & Mayer LLP to be present at the meeting and such representatives will have the opportunity to make a statement if they desire to do so as well as to respond to appropriate questions.

Grant Thornton LLP Resignation

Grant Thornton LLP audited our financial statements for the fiscal year ended on June 20, 2004 and for the preceding five fiscal years. As previously disclosed in our filing on Form 8-K, filed with the Securities and Exchange Commission on November 12, 2004, the Audit Committee of the Board of Directors of IMSI was notified on November 10, 2004 that Grant Thornton LLP, its independent registered accounting firm, resigned effective as of November 11, 2004.

The last two reports issued by Grant Thornton LLP on IMSI's financial statements for fiscal years ended June 30, 2004 and 2003 did not contain any adverse opinion or a disclaimer of opinion, or any qualification or modification as to uncertainty, audit scope or accounting principles.

During IMSI's fiscal years ended June 30, 2004 and 2003 and through November 11, 2004, there were no disagreements with Grant Thornton LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of Grant Thornton LLP, would have caused Grant Thornton LLP to make reference to the subject matter of the disagreement in connection with its reports.

As required by Item 304(a)(3) of Regulation S-B, IMSI furnished Grant Thornton LLP with the disclosures contained in the Form 8-K report and Grant Thornton LLP furnished IMSI with a letter addressed to the Securities and Exchange Commission which stated that it agreed with the statements made by IMSI. A copy of Grant Thornton LLP's letter dated November 11, 2004 was included as Exhibit 16 to the Form 8-K filed with the Securities and Exchange Commission on November 12, 2004.

We do not expect representatives of Grant Thornton LLP to be present at the meeting.

Fee Disclosure

Prior to having Burr, Pilger & Mayer LLP perform any service, audit or otherwise, the Audit Committee specifically reviews, with the assistance of management, the nature and purpose of those proposed services. As a matter of policy, all such services are approved prior to the commencement of those services. Subsequent to their completion the results of the service are reviewed by the Audit Committee.

Audit Fees

Burr, Pilger & Mayer LLP, our principal accountant, billed us audit fees in the aggregate amount of \$41,200 and \$0 during the 2005 and 2004 fiscal years respectively. These fees relate to the audit of our annual financial statements, to the review of our financial statements included in our quarterly reports on Forms 10-QSB and regulatory filings or engagements in the previous two fiscal years. Grant Thornton LLP, our principal accountant during the 2004 fiscal year, billed us audit fees in the aggregate amounts of \$146,841 and \$135,627 during the 2005 and 2004 fiscal year respectively. These fees relate to the audit of our annual financial statements, to the review of our financial statements included in our quarterly reports on Forms 10-QSB and regulatory filings or engagements in the previous two fiscal years.

Audit-Related Fees

No fees of this sort were billed by Burr, Pilger & Mayer LLP, our principal accountant, during the 2005 or 2004 fiscal year. Grant Thornton LLP, our principal accountant during the 2004 fiscal year, billed us audit-related fees in the aggregate amounts of \$21,568 and \$12,536 during the 2005 and 2004 fiscal year respectively. These fees relate primarily to acquisition and asset sale activity.

Tax Fees

No fees of this sort were billed by Burr, Pilger & Mayer LLP, our principal accountant, during the 2005 or 2004 fiscal year. Grant Thornton LLP, our principal accountant during the 2004 fiscal year, billed us tax fees in the aggregate amounts of \$0 and \$20,643 during the 2005 and 2004 fiscal year respectively. These fees relate to preparation of our current income tax filings and for tax advice and planning regarding mergers, acquisitions and disposition of assets.

All Other Fees

Burr, Pilger & Mayer LLP, our principal accountant, billed us all other fees in the aggregate amounts of \$884 and \$0 during the 2005 and 2004 fiscal year respectively. No fees of this sort were billed by Grant Thornton LLP.

Audit Committee Policy

During the year ended June 30, 2005, all audit fees were pre-approved by the Audit Committee. The Audit Committee has adopted a policy that it must pre-approve all fees for audit services, tax services and other services from our principal accountant.

Vote Required and Board of Director's Recommendation

The affirmative vote of a majority of the outstanding shares of Common Stock present in person or represented by proxy and entitled to vote at the annual meeting is required to ratify the appointment of Burr, Pilger & Mayer LLP as our independent registered public accounting firm. The effect of an abstention is the same as a vote against the ratification of Burr, Pilger & Mayer LLP as our independent registered public accounting firm. Broker non-votes will have no effect on the outcome of the vote.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF BURR, PILGER & MAYER LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

BENEFICIAL OWNERSHIP**Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters**

The following table sets forth, as of February 28, 2006 the beneficial ownership of the Company's common stock by:

- Each person who is known by the Company to own of record or beneficially more than five percent (5%) of the Company's common stock, based solely upon filings made by such persons under Section 13 of the Securities Exchange Act of 1934 (the "Exchange Act");
- Each director or nominee;
- Each other executive officer named in the Summary Compensation Table; and
- All directors and executive officers as a group.

Except as otherwise indicated, the shareholders listed in the table have sole voting and dispositive power with respect to the shares indicated, subject to community property laws where applicable. The title of class for all shareholders is common stock.

(1) Applicable percentages are based on 30,107,540 shares outstanding on February 28, 2006 adjusted as required by rules promulgated by the SEC. Beneficial ownership is determined under the rules of the SEC and generally includes voting or investment power with respect to securities. Shares of common stock subject to options, warrants and convertible notes currently exercisable or convertible, or exercisable or convertible within 60 days after February 28, 2006 are deemed outstanding for computing the percentage of the person holding such options but are not deemed outstanding for computing the percentage of any other person. Unless otherwise indicated in the footnotes to this table and subject to any applicable community property laws, the Company believes that each of the shareholders named in the table have sole voting and investment power with respect to the shares of common stock indicated as beneficially owned by them. The symbol "*" represents holdings which are less than 1% of the outstanding common stock of IMSI.

- (2) Includes 1,280,025 shares issuable upon exercise of options and/or warrants to purchase shares of common stock of IMSI that are currently exercisable or will become exercisable within 60 days after February 28, 2006.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's directors and executive officers, and persons who own more than ten percent of a registered class of the Company's equity securities, to file with the Commission initial reports of ownership and reports of changes in ownership of the Company's common stock and other equity securities of the Company. Officers, directors and greater than ten percent shareholders are required by the Commission's regulations to furnish the Company with copies of all Section 16(a) forms they file.

We have been provided with copies of all forms 3, 4 and 5 filed by officers, directors, or ten percent shareholders within three days of such filings. With the exception of any filings which may be required to be filed by MBYI Liquidating Trust (formerly Aladdin Systems Holding, Inc.) and which have not been filed as of December 31, 2005, to the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, all required Section 16(a) filings applicable to officers, directors and greater than ten percent shareholders in the twelve months ended June 30, 2005 and through December 31, 2005 were timely filed.

The Audit Committee includes at least one member who is determined by the Board to meet the qualifications of an "audit committee financial expert" in accordance with SEC rules. Robert S. Falcone is the director who has been determined to be an audit committee financial expert. Shareholders should understand that this designation is a disclosure requirement of the SEC related to Mr. Falcone's experience and understanding with respect to certain accounting and auditing matters. The designation does not impose on Mr. Falcone any duties, obligations or liability that are greater than are generally imposed on him as a member of the Audit Committee and Board of Directors, and his designation as an audit committee financial expert pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of the Audit Committee or Board of Directors.

William Bush ⁽⁵⁾	25,000	1.32%	\$1.16	08/02/2014	\$18,238	\$46,219
William Bush ⁽⁶⁾	160,000	8.45%	\$1.12	06/30/2012	\$72,952	\$170,010

(1) All options granted in the year ended June 30, 2005 (other than the 160,000 share grant to Mr. Bush) were granted pursuant to IMSI's 2004 Stock Incentive Option Plan (the "2004 Plan"). These options, which typically have a four-year vesting period, become exercisable over time based on continuous employment with the Company; and, in certain cases, are subject to various performance criteria or vest in full immediately.

(2) All options in this table have exercise prices equal to the fair market value on the date of grant.

(3) Potential gains are net of exercise price, but before taxes associated with exercise. These amounts represent certain assumed rates of appreciation only, based on the SEC rules. Actual gains, if any, on stock option exercises are dependent on the future performance of the common stock, overall market conditions and the option holder's continued employment through the vesting period. The amounts reflected in this table may not necessarily be achieved. If there is no appreciation, there is no potential realizable value.

(4) Mr. Landies ceased to serve as our President effective February 28, 2006.

(5) Mr. Bush ceased to serve as our CFO effective June 30, 2005.

(6) Warrant with an expiration date of five years after termination of employment (termination assumed to be June 30, 2007).

Aggregate Option Exercises in 2005 Fiscal Year and Year-End Value

The following table sets forth information on the option exercises during the last fiscal year by each of the named executive officers and the number of shares covered by both exercisable and non-exercisable stock options (and warrants) held by them as of June 30, 2005. Also reported are the values for “in-the-money” options, which represent the positive spread between the exercise price of any such existing stock option and the fiscal year-end price of the common stock. No stock appreciation rights were held or exercised by the named executive officers during fiscal 2005.

Aggregated Option/SAR Exercises In Last Fiscal Year and FY-End Option/SAR Values

Name	Exercise #	Value Realized (\$)	Number of Unexercised Options / SARs	Value of Unexercised In-The-Money Options
			At June 30, 2005 (1)	At June 30, 2005 (\$) (2)
Gordon Landies	50,000	\$11,250	380,025 / -	\$68,020 / -
(3)				
Robert Mayer	-	-	126,250 / 6,250	\$85,063 / \$438
William Bush (4)	-	-	181,176 / 6,250	\$69,362 / \$438

(1) These options, which typically have a four-year vesting period, become exercisable over time based on continuous employment with the Company; and, in certain cases, are subject to various performance criteria or vest in full immediately.

(2) Based on the difference between the market price of the common stock at June 30, 2005 (\$1.23 per share) and the aggregate exercise prices of the options.

(3) Mr. Landies ceased to serve as our President effective February 28, 2006.

(4) Mr. Bush ceased to serve as our CFO effective June 30, 2005.

Employment Contracts and Termination of Employment and Change-In-Control Arrangements

In June 2005, Martin R. Wade, III, Chief Executive Officer of IMSI, entered into an employment agreement pursuant to which Mr. Wade receives an annual base salary of \$225,000. This agreement is for a term of three years unless terminated for cause, death or disability. Pursuant to the terms of an agreement to be entered into in connection with the AccessMedia Merger, Mr. Wade will be granted options to purchase 3.75 million shares of IMSI common stock (prior to giving effect to the proposed stock split) of which 100,000 shares vest upon completion of the AccessMedia Merger and 3.65 million shares vest upon AccessMedia’s achievement of certain revenue milestones. Mr. Wade earns a bonus of \$100,000 on the sale of IMSI assets if the sale price exceeds \$2 million and 2% of the sale price if it exceeds \$5 million.

IMSI has entered into an employment agreement with Gordon Landies, the former President of IMSI, pursuant to which Mr. Landies is entitled to twenty-four months of full compensation of \$195,000 annually, acceleration of options and full benefits beginning May 31, 2006. Pursuant to the terms of his employment agreement, Mr. Landies may be entitled to a bonus in the amount of \$78,750 as a result of the closing of the AccessMedia Merger. If the merger results in a net per share amount greater than \$1.50 (before taking into account the proposed stock split), Mr. Landies may be entitled to an additional bonus of \$150,000.

In June 2005, IMSI entered into an Employment Agreement with Mr. Robert Mayer, the Executive Vice President of Precision Design of IMSI. Mr. Mayer is also a former Director. He ceased to serve on the Board of Directors effective the start of business of October 20, 2005. Mr. Mayer's agreement provides for the payment to Mr. Mayer of a \$144,000 minimum base annual salary and bonuses of up to \$60,000 annually. During fiscal 2005, 2006 and 2007, Mr. Mayer will earn a cash bonus of \$50,000 for the sale of any asset, company or product line of the Company in which the net sales price is in excess of \$10,000,000. During fiscal 2005, 2006 and 2007, Mr. Mayer will earn a cash bonus of \$75,000 for the sale of any assets or product line associated with the Precision Design Business Unit.

In June 2005, IMSI entered into an Employment Agreement with Mr. Robert O'Callahan, the Chief Financial Officer of IMSI. Mr. O'Callahan's agreement provides for the payment to Mr. O'Callahan of a \$140,000 minimum base annual salary and an annual bonus of up to \$80,000. Mr. O'Callahan was granted an option under the 2004 Option Plan to purchase 150,000 shares of IMSI's then outstanding capital stock at the closing price of the stock as of the date of grant. During fiscal 2006, 2007 and 2008, Mr. O'Callahan will earn a cash bonus of \$50,000 for the sale of any asset, company or product line of the Company in which the net sales price is in excess of \$10,000,000. In the event of a sale, merger or consolidation of the Company with or into another entity or any other corporate reorganization which results in a net per share amount greater than \$2.00, Mr. O'Callahan earns a bonus of \$50,000, which becomes immediately payable. Pursuant to the terms of his employment agreement, Mr. O'Callahan will be entitled to a bonus in the amount of \$25,000 upon effectiveness of this Proxy Statement and an additional \$100,000 upon the closing of the AccessMedia Merger.

Certain Relationships and Related Transactions

Note Receivable from Related Party - DCDC 15% Note

On January 31, 2005, we sold the DCDC promissory note to Mag Multi Corp (Mag Multi), a New York corporation for \$343,000, representing the principal balance and all accrued interest as of the date of the transfer. This amount was received in its entirety on February 10, 2005. The DCDC note was a 15% one-year note we received on September 18, 2003 from Digital Creative Development Corporation upon extending a loan to them in the amount of \$350,000. This note was secured by 400,000 shares of IMSI's stock held by DCDC and was originally due on September 18, 2004. The maturity of this note was subsequently extended to May 31, 2005 in exchange for a full payment of the then accrued interest, a payment of \$25,000 against the principal amount and an increase in the collateral attached to the note.

Consulting Agreements

On May 1, 2003, we entered into a consulting agreement with Mr. Galloway, Chairman of our Board of Directors, to provide services to the Company related to potential acquisitions and divestitures. In return for his services, Mr. Galloway could be entitled to a fee from zero to \$200,000 for each such transaction dependent on his involvement and the consideration received or paid by us as a result of the transactions. Mr. Galloway was not compensated under this agreement in fiscal 2004 or 2005 or through December 31, 2005 in FY 2006.

On December 12, 2005, we entered into a consulting agreement with Mr. Bruce Galloway, chairman of our Board of Directors, to provide services to the Company related to investor introductions and relationships. In return for his services through June 30, 2006, Mr. Galloway is entitled to \$120,000.

Equity Compensation Plan Information

The following table summarizes the number of outstanding options granted to employees, service providers and directors, as well as the number of securities remaining available for future issuance, under the Company's compensation plans as of June 30, 2005.

	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under equity compensation plans (1)
Equity compensation plans approved by security holders (2)	4,565,318 (3)\$	1.14	540,622
Equity compensation plans not approved by security holders (4)	6,324,494 \$	1.42	0
Total	10,889,812 \$	1.30	540,622

(1) The amounts indicated in this column exclude securities listed in the column titled "Number of securities to be issued upon exercise of outstanding options, warrants and rights".

(2) Consists of the Option Plan and the 1993 Incentive Option Plan.

(3) Excludes the 6,500,000 share increase subject to approval under Proposal Four.

(4) Represents outstanding Warrants which have been granted from time to time in conjunction with Board of Directors and employee compensation and consulting arrangements. These warrants generally vest, and are exercisable, over periods ranging from one to four years from the date of grant. The exercise price of the warrants granted generally is equal to the closing price of our common stock on the grant date.

Report of the Audit Committee of the Board of Directors*

The Audit Committee is a subcommittee of the Board of Directors comprised solely of independent directors as defined by the listing standards of the NASDAQ National Market. The composition of the Audit Committee, the attributes of its members and the responsibilities of the Audit Committee are intended to be in accordance with applicable requirements for corporate audit committees. The Audit Committee reviews and assesses the adequacy of its charter on an annual basis.

The purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing the financial reporting, the systems of internal control and the audit process; and by monitoring compliance with applicable laws, regulations and policies.

The Audit Committee will discuss and review with management and Burr, Pilger & Mayer LLP, IMSI's current independent registered public accounting firm, the unaudited interim statements for fiscal 2005 and the audited financial statements for the fiscal year ending June 30, 2005. Management is responsible for the quarterly and annual financial statements and the reporting process, including the systems of internal controls. The Company's independent registered public accounting firm are responsible for expressing an opinion on the conformity of our audited financial statements with generally accepted accounting principles. In addition, we received from and discussed with Grant Thornton LLP the written disclosures and the letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, discussed Grant Thornton LLP's independence with them, and discussed with Grant Thornton LLP the matters required to be discussed by Statement on Auditing Standards No. 61, Communications with Audit Committees, each as currently in effect.

The Audit Committee discussed with IMSI's independent auditor the overall scope and plans for their audit. In addition, the Audit Committee met with the independent registered public accounting firm, with and without management present, and discussed the results of their examinations and the overall quality of IMSI's financial reporting.

On the basis of these reviews and discussions, the Audit Committee recommended to the Board of Directors (and the Board of Directors has approved) that IMSI's audited financial statements be included in IMSI's Annual Report on Form 10-KSB, as amended, for the 2005 fiscal year for filing with the Securities and Exchange Commission.

ANNUAL REPORT

Accompanying this proxy statement is our Annual Report on Form 10-KSB for fiscal 2005. The Annual Report contains audited financial statements covering our fiscal years ended June 30, 2004 and 2005.

OTHER MATTERS

PROPOSALS OF SHAREHOLDERS

Fiscal year 2006 shareholder proposals or nominations. From time to time, shareholders of the Company submit proposals that they believe should be voted upon at the annual meeting or nominate persons for election to the Board of Directors. Pursuant to rule 14a-8 under the Securities Exchange Act of 1934, some shareholder proposals may be eligible for inclusion in the company's fiscal year 2006 proxy statement. Any such shareholder proposals must be submitted in writing to the secretary of the Company no later than June 30, 2006. Shareholders interested in submitting such a proposal are advised to contact knowledgeable counsel with regard to the detailed requirements of applicable securities laws. The submission of a shareholder proposal does not guarantee that it will be included in the company's proxy statement.

MISCELLANEOUS

The Board of Directors is not aware that any matter other than those described in the Notice of Annual Meeting of Shareholders to which this Proxy Statement is appended will be presented for action at the meeting. If, however, other matters do properly come before the meeting, it is the intention of the persons named in the proxy to vote the proxied shares in accordance with their best judgment on said matters.

It is important that proxies be returned promptly with instructions as to voting. Shareholders who do not expect to attend the meeting in person are urged to mark, sign, date and send in the proxies by return mail.

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

In this document we have made forward-looking statements in reliance upon the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These statements are based on our estimates and assumptions and are subject to a number of risks and uncertainties. Forward-looking statements include statements about the consummation of the pending merger (see, for example, the information under the following captions: "Summary - Summary of the Merger," "The Merger - IMSI's Reasons for the Merger" and "The Merger - Opinion of IMSI's Financial Advisor"). Forward-looking statements also include those preceded or followed by the words "anticipates," "believes," "estimates," "expects," "hopes," "targets" or similar expressions. For each of these statements, we claim the protection of the safe harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995.

Forward-looking statements are not guarantees of performance. The future results of the combined company could be affected by subsequent events and could differ materially from those expressed in the forward-looking statements. If future events and actual performance differ from our assumptions, our actual results could vary significantly from the performance projected in the forward-looking statements. Except for ongoing obligations to disclose material information under the federal securities laws, we undertake no obligation to disclose any revisions to any forward-looking statements or to report events or circumstances after the date of this document.

You should understand that any number of factors could cause those results to differ materially from those expressed in the forward-looking statements, including the following factors:

- the risk that the merger might not be completed in a timely manner or at all;
- failure of AccessMedia or IMSI to obtain required regulatory approvals to complete the merger;
- diversion of IMSI management's attention;
- the risk of a material adverse effect on IMSI; or

other factors noted in this document.

AMENDED AND RESTATED AGREEMENT AND PLAN OF MERGER

THIS AMENDED AND RESTATED AGREEMENT AND PLAN OF MERGER (the “**Agreement**”) is entered into as of March 24, 2006 by and among International Microcomputer Software, Inc., a California corporation (“**IMSI**” or “**Parent**”), ACCM Acquisition Corp., a Delaware corporation and a wholly owned Subsidiary of IMSI (“**Merger Sub**”) and AccessMedia Networks, Inc., a Delaware corporation (the “**Company**”), and, solely with respect to Article X hereof, each stockholder of the Company, including Andrew Garroni, in his capacity as representative of the Company Stockholders pursuant to the Stockholders’ Representative Agreement (the “**Stockholders’ Representative**”) and, solely with respect to its withdrawal as a party, Broadcaster, Inc., a Delaware corporation (“**Broadcaster**”). Capitalized terms used in this Agreement are defined in Section 12.1, or in the applicable section of this Agreement to which reference is made in Section 12.1.

RECITALS

WHEREAS, IMSI, Merger Sub and the Company previously entered into an Agreement and Plan of Merger dated as of August 8, 2005 (the “**Original Merger Agreement**”);

WHEREAS, the parties to the Original Merger Agreement terminated the Original Merger Agreement pursuant to Section 9.1(a)(i) thereof and entered into a new Agreement and Plan of Merger dated as of December 16, 2005 (the “**Merger Agreement**”);

WHEREAS, the parties desire to amend and restate the Merger Agreement in its entirety as provided herein;

WHEREAS, the Board of Directors of the Company has determined to recommend to the stockholders of the Company the adoption of this Agreement, and IMSI, as the sole stockholder of Merger Sub, has adopted this Agreement and has determined to recommend to the stockholders of IMSI the adoption of this Agreement;

WHEREAS, for federal income tax purposes, it is intended that the acquisition of the Company by Parent pursuant hereto shall qualify as a reorganization under the provisions of Section 368(a) of the Internal Revenue Code of 1986 (the “**Code**”);

WHEREAS, concurrently with the execution of the Merger Agreement each stockholder of the Company listed on Annex A (each, a “**Principal Company Stockholder**”) entered into a Voting Agreement in substantially the form attached hereto as Exhibit A (collectively, the “**Company Voting Agreements**”);

WHEREAS, concurrently with the execution of the Merger Agreement each stockholder of Parent listed on Annex B entered into a Voting Agreement, in substantially the form attached hereto as Exhibit B (collectively, the “**Parent Voting Agreements**”).

WHEREAS, each of the parties to the Merger Agreement now desires to amend and restate the Merger Agreement in its entirety, pursuant to Section 11.2 thereof, subject to the terms and conditions set forth below.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing premises and the respective representations, warranties, covenants and agreements contained herein, and intending to be legally bound hereby, IMSI, Broadcaster, Merger Sub and the Company agree as follows:

ARTICLE I

THE MERGER

1.1 Termination of the Original Merger Agreement. Parent and the Company hereby terminate the Original Merger Agreement pursuant to Section 9.1(a)(i) thereof.

1.2 The Merger. Subject to the terms and conditions of this Agreement and the Certificate of Merger in such form as is required by the relevant provisions of the Delaware General Corporation Law (the “**Delaware Code**”), at the Effective Time, Merger Sub shall be merged with and into the Company and the separate corporate existence of Merger Sub shall thereupon cease (the “**Merger**”). As a result of the Merger, the outstanding shares of capital stock of Merger Sub and the Company shall be converted or canceled in the manner provided in Article II of this Agreement, the separate corporate existence of Merger Sub shall cease and the Company shall be the surviving corporation following the Merger. Merger Sub and the Company are sometimes referred to herein as the “**Constituent Corporations**” and the Company as the surviving corporation following the Merger is sometimes referred to herein as the “**Surviving Corporation**”.

1.3 Closing; Effective Time. The closing of the Merger (the “**Closing**”) shall take place at the offices of Morgan, Lewis & Bockius LLP, 2 Palo Alto Square, 3000 El Camino Real, Suite 700, Palo Alto, California 94306, at 10:00 a.m. on a date to be specified by the parties which shall be no later than two Business Days after satisfaction (or waiver as provided herein) of the conditions set forth in Article VIII (other than those conditions that by their nature will be satisfied at the Closing), unless another time, date and/or place is agreed to in writing by the parties. The date upon which the Closing occurs is herein referred to as the “**Closing Date**.” Simultaneously with, or as soon as practicable following, the Closing, the Company as the surviving corporation shall file the Certificate of Merger with the Secretary of State of the State of Delaware as provided in the Delaware Code. The Merger shall become effective at such time as the Certificate of Merger is so filed or at such later time as is set forth in the Certificate of Merger, if different, which time is hereinafter referred to as the “**Effective Time**.”

1.4 Effects of the Merger.

(a) At and after the Effective Time, the Merger shall have the effects specified in the Delaware Code.

A-2

(b) At the Effective Time, the Certificate of Incorporation of the Company shall be amended and restated in their entirety to be identical to the Certificate of Incorporation of Merger Sub as in effect immediately prior to the Effective Time, except that Article I of the Certificate of Incorporation shall read: "The name of this corporation is AccessMedia Networks, Inc." As so amended and restated, the Certificate of Incorporation of the Company shall be the Certificate of Incorporation of the Surviving Corporation, until amended thereafter in accordance with applicable Law.

(c) At the Effective Time, the Bylaws of Merger Sub as in effect immediately prior to the Effective Time shall be the Bylaws of the Surviving Corporation (except that all references to Merger Sub in the Bylaws of the Surviving Corporation shall be changed to reflect the name change of Merger Sub), until amended thereafter in accordance with applicable Law.

(d) At the Effective Time, each of the directors and officers of Surviving Corporation shall be identical to the directors and officers of Parent immediately after the Effective Time, each to hold office until their respective death, permanent disability, resignation or removal or until his or her respective successor is duly elected and qualified, all in accordance with the Certificate of Incorporation and Bylaws of the Surviving Corporation and applicable Law.

1.5 Joint Operating Agreement. The Joint Operating Agreement entered into by Parent and Company in connection with the Original Merger Agreement in the form attached as Exhibit C hereto (the "Joint Operating Agreement"), shall remain in effect in its entirety pursuant to its terms.

1.6 Further Assurances. If, at any time after the Effective Time, the Surviving Corporation shall consider or be advised that any deeds, bills of sale, assignments or assurances or any other acts or things are necessary, desirable or proper (a) to vest, perfect or confirm, of record or otherwise, in the Surviving Corporation its right, title and interest in, to or under any of the rights, privileges, powers, franchises, properties or assets of either of the Constituent Corporations, or (b) otherwise to carry out the purposes of this Agreement, the Surviving Corporation and its proper officers and directors or their designees shall be authorized to execute and deliver, in the name and on behalf of either Constituent Corporation, all such deeds, bills of sale, assignments and assurances and to do, in the name and on behalf of either Constituent Corporation, all such other acts and things as may be necessary, desirable or proper to vest, perfect or confirm the Surviving Corporation's right, title and interest in, to and under any of the rights, privileges, powers, franchises, properties or assets of such Constituent Corporation and otherwise to carry out the purposes of this Agreement.

ARTICLE II

CONVERSION OF SECURITIES

2.1 Effect on Company Capital Stock.

(a) The Company agrees that, prior to the Effective Time, all outstanding Company Common Stock Equivalents shall be automatically cancelled and shall cease to exist and no consideration shall be delivered or deliverable therefor. **“Company Common Stock Equivalents”** means all Company Stock Options, Company Stock Options, warrants, purchase rights, subscription rights, conversion rights, exchange rights or any other Contracts that, directly or indirectly, could require the Company to issue, sell or otherwise cause to become outstanding equity securities of the Company or any of its Subsidiaries. **“Company Stock Options”** means options to purchase equity securities of the Company’s Common Stock, no par value per share (**“Company Common Stock”**). **“Company Stock Options”** means options to purchase equity securities of the Company or any Subsidiary of the Company.

(b) At the Effective Time, by virtue of the Merger and without any further action on the part of Parent, Merger Sub, the Company or any stockholder of the Company (each such stockholder, a **“Company Stockholder”**):

(i) each share of Common Stock issued and outstanding immediately prior to the Effective Time, other than (A) Dissenting Shares as provided in Section 2.6 and (B) Treasury Shares as provided in Section 2.1(c)(ii), shall be converted into the right to receive and become exchangeable for, subject to Section 2.2(d), Section 2.9 and Section 10.3, (i) the Closing Consideration, and (ii) the Earnout Consideration. **“Closing Consideration”** means the number of shares of the Common Stock of Parent (**“Parent Common Stock”**), calculated as the quotient obtained by dividing (A) 29,000,000 by (B) the number of shares of Company Common Stock (including Dissenting Shares but excluding Treasury Shares) issued and outstanding immediately prior to the Effective Time (the **“Exchange Ratio”**). **“Earnout Consideration”** means up to 35,000,000 shares of Parent Common Stock issuable pursuant to Section 2.9 below, and calculated as the quotient obtained by dividing (A) the number of shares of Parent Common Stock issuable pursuant to Section 2.9 on account of the Revenue of the Surviving Corporation deemed to be attributable to the Company by (B) the aggregate number of shares of Common Stock (including Dissenting Shares but excluding Treasury Shares) issued and outstanding immediately prior to the Effective Time. The Earnout Consideration, together with the Closing Consideration, shall mean the **“Merger Consideration”**. **“Total Parent Shares”** means the aggregate number of shares issued to the Company Stockholders as Merger Consideration pursuant to this Agreement;

(ii) each share of Company Common Stock held in the Company’s treasury (**“Treasury Shares”**) immediately prior to the Effective Time and each share owned by any Subsidiary of the Company shall not represent the right to receive any Merger Consideration, and each such share shall be canceled and retired and shall cease to exist, and no cash, securities or other property shall be payable in respect thereof; and

(iii) each share of common stock of Merger Sub, par value \$.01 per share, issued and outstanding immediately prior to the Effective Time shall be converted into and become one fully paid and nonassessable share of common stock, par value \$.0001 per share, of the Surviving Corporation.

(c) In the event of any stock split, combination, reclassification, stock dividend or similar capitalization change with respect to Parent Common Stock prior to the Effective Time, or if a record date with respect to any of the foregoing is fixed, appropriate and proportionate adjustments shall be made to the Merger Consideration and the Exchange Ratio, and thereafter all references to the Merger Consideration and the Exchange Ratio shall be deemed to refer to such Exchange Ratio and Merger Consideration as so adjusted.

2.2 Exchange of Certificates.

(a) No later than five business days prior to the Closing, the Company shall furnish to Parent mailing labels or a computer file containing the names and addresses of the record holders of certificates representing Company Shares.

(b) Parent shall mail to each holder of record of Company Shares a letter of transmittal (the “**Transmittal Letter**”). Upon receipt of the documents described in paragraph (c) below, Parent shall issue certificates representing the shares of Parent Common Stock issuable pursuant to Section 2.1 as of the Effective Time in respect of the Company Shares (other than Dissenting Shares).

(c) Upon surrender to Parent of a certificate or certificates representing all of such Company Stockholder’s outstanding shares of Company Common Stock (collectively, “**Certificates**”), together with (i) a duly executed Transmittal Letter, and (ii) an executed signature page to the Stockholders’ Representative Agreement in a form reasonably satisfactory to the parties (the “**Stockholders’ Representative Agreement**”), each Company Stockholder shall be entitled to receive, in exchange therefor, a certificate representing that number of whole shares of Parent Common Stock which such Company Stockholder has the right to receive in respect of the Certificate surrendered pursuant to the provisions of this Article II, less the number of Escrow Shares allocable to such Company Stockholder that are deposited into the Escrow Fund pursuant to Section 10.3 hereof. Each Certificate so surrendered shall forthwith be canceled.

(d) As soon as practicable after the Effective Time, Parent shall cause to be delivered (i) to U.S. Bank, National Association, as escrow agent (the “**Escrow Agent**”), certificates representing the Escrow Shares subject to and in accordance with the provisions of Section 10.3 hereof; and (ii) to each Company Stockholder a certificate representing those shares of Parent Common Stock issuable to such Company Stockholder which are not Escrow Shares. The Escrow Shares shall be held in escrow by the Escrow Agent and shall be available to compensate Parent for certain damages as provided in Article X. The Escrow Shares shall be held in escrow pursuant to the terms of the Escrow Agreement in the form attached as Exhibit D hereto (the “**Escrow Agreement**”). To the extent not used for such purposes, the Escrow Shares shall be released as provided in the Escrow Agreement.

(e) If any certificate representing shares of Parent Common Stock is to be issued in a name other than that in which the Certificate surrendered in exchange therefor is registered, it shall be a condition of such exchange that the Certificate(s) so surrendered shall be properly endorsed for transfer (or accompanied by an appropriate instrument of transfer) and shall otherwise be in proper form for transfer, and that the Person requesting such exchange shall pay any transfer or other taxes required by reason of the issuance of certificates for such shares of Parent Common Stock in a name other than that of the registered holder of the Certificate surrendered, or shall establish to the satisfaction of Parent that any such taxes have been paid or are not applicable.

(f) Notwithstanding any other provision of this Article II, no fractional shares of Parent Common Stock will be issued and any holder of shares of Company Common Stock entitled hereunder to receive a fractional share of Parent Common Stock (after aggregating all fractional shares of Parent Common Stock that would otherwise be received by such holder) but for this Section 2.2(f) will be entitled to receive a cash payment in lieu of such fractional share of Parent Common Stock in an amount equal to such fraction multiplied by the average of the closing prices of Parent Common Stock on the OTC Bulletin Board as reported in *The Wall Street Journal* over the ten (10) trading days ending three (3) trading days prior to the Closing.

(g) None of Parent, Merger Sub or the Company shall be liable to any Person in respect of any cash or other property delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law. If any Certificates shall not have been surrendered prior to seven years after the Effective Time (or immediately prior to such earlier date on which any payment pursuant to this Article II would otherwise escheat to or become the property of any Governmental Entity), the shares of Parent Common Stock issuable, or cash payment determined in accordance with Section 2.2(f), in respect of such Certificate shall, to the extent permitted by applicable Law, become the property of Parent free and clear of all claims or interests of any Person previously entitled thereto.

2.3 Legends. The Merger Consideration will be issued in a transaction exempt from registration under the Securities Act and may not be re-offered or resold other than in conformity with the registration requirements of the Securities Act and such other Laws or pursuant to an exemption therefrom. The Certificates shall be legended to the effect described above and shall include such additional legends as necessary to comply with applicable Law, "blue sky" Laws and other applicable restrictions and each Certificate shall bear the following legend:

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AND MAY NOT BE SOLD, TRANSFERRED, PLEDGED, HYPOTHECATED OR OTHERWISE DISPOSED OF IN THE ABSENCE OF (i) AN EFFECTIVE REGISTRATION STATEMENT FOR SUCH SECURITIES UNDER SAID ACT OR (ii) AN OPINION OF THE COMPANY'S COUNSEL THAT SUCH REGISTRATION IS NOT REQUIRED."

2.4 Distributions with Respect to Unexchanged Shares of Company Common Stock. Notwithstanding any other provisions of this Agreement, no dividends or other distributions on shares of Parent Common Stock shall be paid with respect to any share of Company Common Stock or other securities represented by a Certificate until such Certificate is surrendered for exchange as provided herein. Subject to the effect of applicable Laws, following surrender of any such Certificate there shall be paid to the holder of certificates representing shares of Parent Common Stock issued in exchange therefor, without interest, (a) at the time of such surrender, the amount of dividends or other distributions with a record date after the Effective Time theretofore payable with respect to such shares of Parent Common Stock and not paid, less the amount of any withholding taxes which may be required thereon, and (b) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to surrender thereof and a payment date subsequent to surrender thereof payable with respect to such shares of Parent Common Stock, less the amount of any withholding taxes which may be required thereon. No holder of unsurrendered Certificates shall be entitled, until the surrender of such Certificate, to vote the shares of Parent Common Stock which such holder shall have the right to receive pursuant to this Article II.

2.5 No Further Ownership Rights in Company Common Stock. The payment of the Merger Consideration in respect of each share of Company Common Stock owned by the Company Stockholders shall be deemed to have been paid in full satisfaction of all rights pertaining to each such share of Company Common Stock, and there shall be no further registration of transfers on the stock transfer books of the Surviving Corporation of the shares of Company Common Stock which were outstanding immediately prior to the Effective Time. If, after the Effective Time, Certificates are presented for transfer to the Surviving Corporation, they shall be canceled and exchanged for certificates representing shares of Parent Common Stock in accordance with the procedures set forth in this Article II.

2.6 Lost Certificates. In the event any Certificate shall have been lost, stolen or destroyed, Parent may, in its discretion and as a condition precedent to the disbursement of the Merger Consideration in respect of shares of Company Common Stock represented by such Certificate, require the owner of such lost, stolen or destroyed Certificate to make an affidavit of that fact containing such indemnification provisions as Parent may reasonably deem appropriate, including the posting of a standard bond required by Parent's transfer agent as indemnity against any claim that may be made against it or the Surviving Corporation with respect to such Certificate.

2.7 Dissenters' Rights.

(a) Notwithstanding anything in this Agreement to the contrary, any shares of Company Common Stock held by any Company Stockholder who shall have demanded and not lost or withdrawn, or who shall be eligible to demand, appraisal rights with respect to such shares of Company Common Stock in the manner provided in the Delaware Code ("**Dissenting Shares**") shall not represent the right to receive the Merger Consideration. If any Company Stockholder shall fail to perfect or shall effectively withdraw or lose his right to appraisal and payment under the Delaware Code, as the case may be, each share of Company Common Stock held by such Company Stockholder shall thereupon, in accordance with and subject to the provisions set forth in this Article II, represent the right to receive the Merger Consideration.

(b) The Company shall give Parent prompt notice of any demands for appraisal received by the Company, withdrawals of such demands, and any other communications received by the Company in connection with any demands for appraisal. The Company shall not, except with the written consent of Parent, voluntarily make any payment with respect to any such demands. Parent shall have the right to control all negotiations and proceedings with respect to demands for appraisal, including the right to settle any such demands. To the extent that Parent or the Company makes any payment in respect of any Dissenting Shares, Parent shall be entitled to recover under Article X hereof (i) the aggregate amount by which such payment exceeds the Merger Consideration and (ii) any other costs and expenses, including attorney fees and expenses, incurred in connection with investigating, defending and settling such demands for appraisal (the amounts in clauses (i) and (ii) collectively, "**Dissenting Share Payments**").
