Limitation of Directors' Liability and Indemnification

Our certificate of incorporation limits the liability of individual directors for specified breaches of their fiduciary duty. The effect of this provision is to eliminate the liability of directors for monetary damages arising out of their failure, through negligent or grossly negligent conduct, to satisfy their duty of care, which requires them to exercise informed business judgment. The liability of directors under the federal securities laws is not affected. A director may be liable for monetary damages only if a claimant can show receipt of financial benefit to which the director is not entitled, intentional infliction of harm on us or on our stockholders, a violation of Section 174 of the Delaware General Corporation Law (dealing with unlawful distributions to stockholders effected by vote of directors), and any amended or successor provision thereto, or an intentional violation of criminal law.

Our certificate of incorporation also provides that we will indemnify each of our directors or officers, and their heirs, administrators, successors and assigns against any and all expenses, including amounts paid upon judgments, counsel fees, and amounts paid or to be paid in settlement before or after suit is commenced, actually and necessarily incurred by such persons in connection with the defense or settlement of any claim, action, suit or proceeding, in which they, or any of them are made parties, or which may be asserted against them or any of them by reason of being, or having been, directors or officers of the corporation, except in relation to such matters in which such director or officer shall be adjudged to be liable for his own negligence or misconduct in the performance of his duty.

There is no pending litigation or proceeding involving any of our directors, officers, employees or agents in which we are required or permitted to provide indemnification. We are also not aware of any threatened litigation or proceedings that may result in a claim for indemnification.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended (“Securities Act”), may be permitted to directors, officers or controlling persons under our certificate of incorporation, we have been informed that, in the opinion of the SEC, indemnification is against public policy as expressed in the Securities Act and is unenforceable.

Securities Authorized for Issuance Under Equity Compensation Plans

To attract and retain the personnel necessary for our success, we adopted our 2009 Incentive Compensation Plan (the “2009 Plan”) which was approved by stockholders at the 2009 annual meeting of stockholders and replaced the 1999 Stock Option Plan.

800,000 Common Shares are authorized and available for issuance under the 2009 Plan of which a maximum of 200,000 Common Shares can be issued pursuant to awards in the form of restricted stock and restricted stock units; provided, however, the number of Common Shares available for new awards under the 2009 Plan are reduced by the number of shares issued on or after January 1, 2009 upon the exercise of outstanding stock options, covered by outstanding stock options and restricted stock awards granted under the 1999 Plan. Any outstanding stock options granted under the 1999 Plan that are cancelled or expire unexercised and any restricted stock awards granted under the 1999 Plan that are forfeited will increase the number of Common Shares available for new awards under the 2009 Plan up to a maximum of 800,000 Common Shares. The number of Common Shares authorized and available for issuance under the 2009 Plan is subject to adjustment in the event of a stock split, stock dividend, recapitalization, spin-off or similar action.

Awards under the 2009 Plan may take the form of stock options (either incentive stock options or non-qualified options), restricted stock, or restricted stock units. The 2009 Plan is administered by the Compensation and Nominating Committee and provides for equity awards to our employees and others who perform services for us, which would include directors and consultants. Stock options granted under this plan must be exercised within a maximum of 10 years from the date of grant at an exercise price that is not less than the fair market value of the Common Shares on the date of the grant. Options granted to stockholders owning more than 10% of our outstanding Common Shares must be exercised within five years from the date of grant and the exercise price must be at least 110% of the fair market value of the Common Shares on the date of the grant.

The following table sets forth the information about our 2009 Plan as of December 31, 2013:

Equity Compensation Plan Information

	Number of securities to be issued upon exercise of outstanding options and warrants	Weighted average exercise price of outstanding options and warrants	Number of securities remaining available for future issuance under equity compensation plans
Equity compensation plans approved by stockholders	328,733(1)	\$2.89	366,934

(1) Does not include 77,611 restricted Common Shares issued under the 2009 Plan.

Item 13. Certain Relationships and Related Transactions and Director Independence

There are no currently proposed, and during the fiscal years ended December 31, 2012 and 2013 there were no, transactions in an amount exceeding \$120,000 in which any officer, director or 5% shareholder (including any

immediate family member of any of the foregoing) will have or had a direct or indirect material interest.

Martin H. Lager, John Gorman and Leonard J. Stanley, members of the Board, qualify as “independent” in accordance with the applicable rules under the SEC and NASDAQ. In determining director independence, the Board considered the compensation paid to Messrs. Lager, Stanley and Gorman for the year ended December 31, 2013, disclosed in “Director Compensation,” above, and determined that such compensation was for services rendered to the Board and therefore did not impact their ability to continue to serve as independent directors.

Item 14. Principal Accountant Fees and Services

The aggregate fees billed by our principal accounting firm, Baker Tilly Virchow Krause, LLP (formerly, Holtz Rubenstein Reminick LLP), for the fiscal years ended December 31, 2013 and 2012, are as follows:

	2013	2012

Audit-related fees	--	--
Total audit and audit-related fees	99,500	99,500
Tax fees	--	--
All other fees	--	--
Total fees	\$99,500	\$99,500

(1) Includes \$16,500 of fees billed for services rendered in connection with their review of our quarterly reports on Form 10-Q for the fiscal years ended December 31, 2013 and 2012, respectively.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee charter provides that the Audit Committee will pre-approve audit services and non-audit services to be provided by our independent auditors before they are engaged to render these services. The Audit Committee may consult with management in the decision-making process but may not delegate this authority to management. The Audit Committee may delegate its authority to pre-approve services to one or more committee members, provided that the designees present the pre-approvals to the full committee at the next committee meeting.
