It was resolved by the Members present at the meeting that these minutes would be drafted in summarized form.

(1) The following has been submitted by BTP's Executive Officers: (i) BTP's and its controlled companies' business plan for the 2005/2007 triennium; and (ii) BTP's and its controlled companies' budget for fiscal year 2005. Afterwards, the matter was put to the vote, the Company's Board of Directors members having approved, by unanimity of votes, (i) BTP's and its controlled companies' business plan for the 2005/2007 triennium; and (ii) BTP's and its controlled companies' budget for fiscal year 2005, with the following reservations:

As far as the Budget is concerned, in the item Investments Regulatory, the amount of R\$ 500 million (in BT's budget) has been approved, taking into consideration the uncertainties in connection with the negotiation with Anatel. Therefore, considering a final decision from Anatel is taken by the end of the first semester, 2005, then a revision of the approved budget shall be made, if necessary, when such decision is made.

In regards to the Business Plan, the investments provided for in BT's budget have been approved on a non-definitive basis, and new discussions shall occur upon the approval of the annual budgets in light of the scenario of the moment, specially with respect to Anatel's requirements.
