Subject: Answer to notice CVM/SEP/GEA-4/Nº 350/2006, dated July 17, 2006

Reporting to notice CVM/SEP/GEA-4/Nº 350/2006 sent by CVM *Comissão de Valores Mobiliários* (Brazilian Securities and Exchange Commission) on July 17, 2006 in which the Autarchy requests Brasil Telecom S.A.'s position, forwarded by Petros, regarding the article entitled "Brasil Telecom's sale could occur in 6 months" published by *Jornal do Comercio* in the same date, in which Petros (Fundação Petrobras de Seguridade Social) makes statements regarding the possible sale of the Company by Petros, Citibank and Pension Funds, as transcribed below:

*[...] we are already dealing with the sale of Brasil Telecom, mainly with Telecom Italia. I am optimistic. Petros is a selling part along with Citibank and other pension funds (by put agreement until the end of 2007) and we expect to have a good operation within the next six months, however, no values have been established yet.*

2.

Fundação Petrobras de Seguridade Social (Petros) clarifies that the article herein referred to has mentioned facts that have been conveyed by the press on several occasions, being well-known the intention of Brasil Telecom's controlling shareholders to negotiate its participation in the Company. Therefore, they have had conversations with potential buyers, amongst which Telecom Italia, not having, however, until the moment, any agreement, even preliminary, that can characterize a material fact to be disclosed to the market. The reference to the expectation in the next six months was only a conjecture to show Petros' optimism, indicating the recognition of the effort of Brasil Telecom's current management to promote the appreciation of the Company, and, in the case that a sale occurs, it will follow all formal and legal proceedings required by CVM, SEC and ANATEL.
